

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Part Three

This document is the third of three parts. It looks at the Summit Lighthouse, understanding its birth, its destiny and the Dragon opposing it and where we stand on the Summit having progressed to August 2018. Knowing the state of consciousness and the condition of the activity in 2018, we take a look at the initiation and challenges of the Keepers of the Flame and the activity in this next year. This will determine where we will be as a nation, America, going into the election year, 2020. 2020, when we will stand with Saturn, Jupiter, and Pluto conjunct in Capricorn driven by the ambition of our leaders whom we elect to follow, or we will be found sealed within the secret chamber of the heart while the Vials of the Seven Last Plagues descend upon Babylon the Great. Lastly part three looks at the solar eclipse of August 11th. At why Helios cut off *those who* in their ignorance, i.e. their ignoring of the law, the guru and the teachings, engage in senseless reformation of the activity and government, instead of the work of the ages of slaying our own as well as, the dweller of those generations with Pluto in Leo (even Virgo, Libra, Scorpio, Sagittarius and now Capricorn). This (Leo generation) is the lifewave who wants to be in control and finds it difficult to surrender to the guru, or to trust in God.

Part one set the stage for all three parts. It looked at the consequences of the solar eclipse of July 12th following Pluto's conjunction of Guru Ma's MC, on July 2nd, the 2nd of 3 exact conjunctions in 2018. **Part two** looked at the Sun's transit of Leo, in the year of the Saturn Return of the Initiation of the Heart by the Holy Spirit (*Maha Chohan Feb 21, 1988*). It looked at the karmic astrology of the lunar eclipse of July 27th and at its impact upon the soul's journey at the Y in the road at the apex of Chiron. Our souls stand at this point (*of the Y*) on the evolutionary journey of the soul when we must choose to follow the original blueprint of our soul's destiny in God, in the ascension, or of our original rebellion against the Guru in the garden. This is the decision point (summer 2018) of the soul to take the inner path and recede on the 8th ray into the secret chamber of the heart, or remain on the outer path and retrograde back down the mountain, following the blind leaders of the blind. We looked at the second Y in the road at the apex of Transpluto. Taken in the context of 2018 within the major cosmic/karmic cycles of the Nation and the Church, it is the foretelling of the encounter with the personal dweller as taught in *Climb the Highest Mountain (series)*, ***Christ and Antichrist***.

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

I. Summit Lighthouse 60th Anniversary

The Summit Lighthouse (TSL) celebrates her 60th anniversary, as she begins her 61st year in Capricorn. The test of God Power is facing the Abusers of the Word on the 1st ray (May 27, 1984). TSL is being initiated on the 5th station of the cross (4 o'clock/Taurus) in the cycle of 14, as taught by Maitreya. Simon is made to carry the cross as we stand with Jesus and accept help, sent by the Holy Spirit.

Summit Lighthouse is in her 28th year of the final 33 years, that began in 1991, to complete the mission of the Summit Lighthouse, given on the 33rd anniversary of TSL. We stand on the 3 o'clock line of God Control of the mental plane and our mental body controlling our e-motion-al body, our feelings and memories.

We stand in Aries with the Guru in the circle of 12 in the visitation of the house of the solar hierarchy, as taught by Maitreya. While on the cycle of 14, the path of initiation, we stand in the 14th station of the cross (on the 6 o'clock line) as we are laid in the tomb, to preach to the dead in spirit. Prelude to the resurrection, the trans-form-a-tion of the soul's marriage to the Lamb.

The soul stands in Leo bonded to the heart of the Guru who represents to the chelas the I AM Presence, the law giver. The chela is being tested in the expression of the highest love of the Guru for the chela and the chela for the Guru as the soul stands to demonstrate her highest love, Uranus to which the soul has attained. The soul (Leo-Aquarius axis, seat of the soul chakra) demonstrates her soul's evolution in the test of the midpoint of Sun Transpluto. Will the soul follow the Guru, the lineage of the Guru through Mother to Padma Sambhava to Jesus, Maitreya, Gautama, to Sanat Kumara? Or will the soul, influenced by the computers of the Aliens conjunct Mothers natal 2nd house cusp on the apex of the Yod to Mothers Venus (1st decant 9 house - Devotion) and Mars (3rd decant 6th house - Renunciation of self-love and residual desires that cause the soul to fail in service to the Guru) to reject the love of the Guru for self-love and ambition in Capricorn within the 1st decant of Capricorn – within the organization.

SUMMER 2018
WATERING THE CROP
CONTAINING THE BLIGHT
CHRIST AND ANTICHRIST

The soul faces the choice of Hamlet to be by assimilating the word incarnate, standing as her Sun at 14° Leo (Sun/Son, the Holy Christ Self as taught by El Morya 2/3/1985). Or, not to be, standing in the programming of the mind by Transpluto on the lower mental plane influenced by the mass conscious of the collective mind of world communism as the soul rebels (Uranus) against the Guru, the lineage of the hierarchy of the Great White Brotherhood. This is the mission of this activity as taught by Mighty Victory, in the Science of Life (The Mandate of Victory). This is the life mission of TSL to embody this highest Love of Aquarius, under the Hierarch of the Aquarian Age, Saint Germain. Fulfill your reason for being, your Sun. You are your Sun when you are the Son, authority of the Son in the Office of Man on the 3 o'clock line, as taught by Kuthumi.

The message of the Messenger of the Sun, Mercury, is that as you fulfill the mission of your soul's victory as Keeper of the Flame and fulfill the purpose of TSL, then, as you go, so goes the People of America. Mercury is conjunct the US Ascendant at 7° Virgo 30' with a 2' orb. Mercury delivers the message that unless you rise to fulfill your Christ Self, the American people cannot rise to the level of their Christhood. You are the 13th Tribe, as you and the Guru go, so goes the nation. The nation can only rise as high as the TSL, the Lighthouse of Love. Mercury's message is delivered to the soul in the 11th house 1st decant, bringing to soul awareness the originality of the soul's blueprint and that of the American people of their origin in God and of the blueprint of their original rebellion (Pluto/personal dweller) that must be slain to regain her freedom, to be God.

The messenger warns the chela that our personal dweller backed by the planetary dweller (Pluto), in 2018 is conjoined Transpluto, the inter-Galactic false hierarchy and dweller on the threshold opposing this activity. Together they oppose TSL's original blueprint in order to destroy this activity and therefore this nation, by destroying it from within. The dwellers' goal is to destroy the Guru-chela relationship, the bond to the heart of the messengers that enables the bond to the heart of Maitreya.

Esoteric astrology teaches that we are our own enemy, the devil is within. He is your dweller. The message is that we will come face-to-face with our dweller in the cycles of this activity and we will be victorious, or be taken over by our dweller. (See Climb the Highest Mountain, *Christ and Antichrist*). In 2018 we came to the point on the path, *in the year of the Saturn return of the Initiation of the Heart by the Holy Spirit*, of the fork in the road, the Yod. The apex of the Y(od), Chiron to Transpluto and Apollyon, the Nephilim Hierarchy – of the 12th Planet and the False Hierarchy of the Ruby Ray as taught by Sanat Kumara. We arrived at the Y in the road upon the mountainside to confront and slay our dweller. We arrived at the fork as the Sun entered Taurus in 2018 and remained through the Sun's transit of the Mental plane in Virgo (April 19th to September 7th). This is the end of the road for many; a new beginning for the faithful. This is a period of testing of the soul in the fire from heaven as the crystallization of the God Flame, the interlaced triangles in the heart (the Individualization of the God Flame) or the crystallization of the human consciousness. This is the purpose of this activity, says Mighty Victory.

SUMMER 2018

CONTAINING THE BLIGHT
CHRIST AND ANTICHRIST

The individual in Christ vs. the collective mind's group think and co-dependency upon a dominant minority. This is the challenge before the members of TSL, the Keepers of the Flame. We stand on the North Node with the Guru (Jupiter) at 25° Libra conjunct the Ascendant at 23° Libra. The soul of the chela stands in the 3rd decant of Libra to expiate all karma of hatred of the Guru that withholds her love and rejects the love of the Guru in the exchange between the Guru and the chela. The soul does this because the soul fails to receive her Holy Christ Self and the Great Initiator, Maitreya on the Ascendant having rejected the love of the Guru who represents to the soul, the Love of the Divine Mother.

The Guru is the embodiment of the Divine Mother. All Masters in embodiment are the embodiment of the Divine Mother. Instead the soul stands on familiar ground in the South Node of her habits and momentums (their records and memory) on the 7th house cusp surfeited in self-love, conjoined the Black Moon Lilith. Declaring, I will do it my way, on my terms. God will (have to) take me as I am (declaring I am god). This is the original rebellion, the denial of Christ, and the Father in the Son embodying the Mother who as Bride of the Holy Spirit in Libra returns to God. The opposing forces gathered in the 7th house is the pride of Aries of Lucifer and the Luciferians who poison the individual in Christ by the poison of pride in Libra on the Ascendant conjoined the Guru (Jupiter). The Guru delivers to the faithful (North Node on the Ascendant) the wisdom of Ratnasambhava, of equality to consume this poison of pride, spiritual, intellectual, and human, the pride of ambition.

We came to the Guru with our conscious, subconscious, and unconscious (our four lower bodies) full of all our karma, with mutated four lower bodies and full of the poisons of the Luciferians, Satans, and the Serpent whom we serve, unknowingly, until the dweller is slain or we kill the mockingbird, the messenger, the Guru. This is our history throughout the ages, from which we have come apart to be a separate people and face our records and the karma with the Guru.

We stand in the unloving boy child, Mars conjunct the moon to conqueror the influences of the moon on our water body and our residual desires (Mars). We stand in this activity in Mars at 10° **Taurus** in the 2nd decant of the 7th house to declare our Independence from Lunar influences and our desires that we be filled with God consciousness and be taught by Gautama Buddha. As we go, so goes the Church and the Nation. Both share the same Sun at 10° **Taurus** with 1 minute separating them. The soul (the moon) must be emptied, in the 3rd decant of the 7th house to expiate herself of all these karmic records of rebellion against the Guru and the lineage of the hierarchy of the Great White Brotherhood that has left us with an anti-God (dweller) and a synthetic self and carnal mind opposing the soul's Christ self, her original blue print.

Mercury warns the activity that in the coming cycles of returning karma the soul and the activity will have to face the karma with the Guru. The activity and each member will face her karma with the Guru and take her stand to defend the Guru or to attack the Guru and the community. Once having made, or transmuted, her karma with the Guru then the activity will face the final confrontation that will destroy the activity or cast out the black magicians (see CHM, *Christ and Antichrist*) out of Camelot (Saint Germain) and out of North America

(Goddess of Liberty). Mother and the Elohim in 1993 prophesied the coming challenge that could destroy this activity and the Nation. We were told we had to re-organize (1st decant of Capricorn and the 10th house) the activity and the nation to focus on the mission to become Christ, or we would be destroyed by the returning karma playing out in her members and people of the nation as the returning karma delivered by the Four Horsemen. All because we did not assimilate the Guru and the teachings in the decades since the founding of the activity in 1958 and the nation in 1789.

This prophecy is now being fulfilled in the TSL within the Community as the chelas confront their relationship to the Guru; with the future of the activity and the nation held in the balance. The TSL 12th - 6th house cusp axis is **28° Virgo and Pisces**. This axis is the Solar Plexus, the Gallery of our soul's journey and its memory of our pain and joy, our suffering and our happiness, our victory and our defeats. It is where we come to that place of Cosmic Christ Peace. It is where the soul meets Maitreya having gone the extra mile (Mother 4-10 axis clearance). It is where the soul learns compassion and leaps into the arms of the Guru in the heart. Or, it is where the soul leaves off the journey up the mountain as taught by Mother and Morya in the 4 10 axis clearance. This axis was triggered by the T-Square of winter solstice 2016 that produced the confrontation within the Church and the Nation that came to a head in the summer and fall of 2017 as the playing out the confrontation between Christ and Antichrist and between the Great White Brotherhood and the False Hierarchy of the Ruby Ray. This (2017) T-Square was formed by the midpoint at 28° Sagittarius between Psyche (Watchers) and the winter solstice Sun in the 1st house squared the **28° opposition of Virgo and Pisces**. 28° Virgo the midpoint between Jupiter (the Guru) at 19° Libra in 3rd decant of 10th house and the North Node (the faithful chelas) at 6° Virgo in 9th house 2nd decant. 28° Pisces in the 4th house 1st decant midpoint between South Node at 6° Pisces in 3rd house 2nd decant to Uranus in 4th house 3rd decant.

This confrontation played out within the institutions of the Nation and this activity as the forces of the super physical played out in the 12th house as the confrontation between the occult forces of the Great White Brotherhood and the False Hierarchy of the Ruby Ray, the Nephilim Pantheon and the Watchers. This confrontation played out as the warring in the members in this activity and in the Nation as the debt of destiny came due, the karma with the Guru. This played out in the activity as the faithful stood to defend the Guru to fulfill the destiny (as one) of the 24 Elders against those in the activity who stand on the midpoint between Psyche and Apollyon (Watchers and Nephilim) on the TSL 12th house cusp within this activity to play out in Aries in the 6th house polarity, the poison of the pride of the ego, in the repeat of the Luciferian rebellion against the Christ and the Guru as souls chose in 2017 between the Sun behind the Sun and the Watchers in Sagittarius (28) at the conclusion of the 33 years of the ascension (2017).

TSL Progressed to the Summer of 2018 (to July 24th, 2018)

The midheaven is progressed to 27° Virgo 32', as our souls have been prepared to meet this initiation to uphold the Guru or to attack the Guru in this the 61st year of the TSL. We will in this coming year, the 61st year, stand on the progressed midheaven conjunct the midpoint

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

between the Watchers and the Solar Hierarchies (Sun) of the Great White Brotherhood at **28° Virgo 24 minutes**. We will be standing in the natal 11th house third decant on the cusp of the 12th house as those influenced by the Watchers and their wives repress those who uphold the guru and the original blueprint of the Summit Lighthouse and the soul. This initiation will take place in this coming year in preparation for **the progressed midheaven to conjunct the TSL natal 12 house cusp at fall equinox 2019**. This is when the harvest will bear the fruit of the evolution of the soul for the final judgment of the tares and the casting out of the black magicians from Camelot or for the judgment of the soul for the rejection of their God. This is the fulfillment of the prophecy of Mother Kali that they would return for the harvest of the tares, having completed the harvest of the wheat.

We stand in the Summit Lighthouse in the evolution of our souls to meet the challenges to the Summit Lighthouse. We will face these challenges, in the 61st year, in the visitation to the house of the solar hierarchy of Capricorn, here we will face the light cycle and the dark cycle of Capricorn, as taught by Maitreya (see references in the appendix). As we face the dweller of those who have succumbed to their dweller, and fallen through pride. The Church and the nation determine whether we will be governed by Christ, or ruled by antichrist.

This is prelude to the coming elections in 2020 at the end of the galactic alignment and the beginning of a new Saturn Jupiter conjunction that is conjunct Pluto.

We are setting the stage as the 13th Tribe, of how the 12 Tribes will be ruled in 2021. When we must be prepared to stand at the river Jordan before the Guru to be anointed to begin our mission in the 34th year on the path of Personal Christhood in the 34th year in the initiation of the heart by the Holy Spirit having chosen to be ruled by Christ. We will take our stand with Saint Germain in the Summit Lighthouse to cast the Black Magicians out of Camelot and therefore out of North America. Understand what this means. El Morya has told us the judgement begins with the collapse of their global economy (Rev 18) to be followed closely by war. Saint Germain tells us that the coming of the Cosmic Christ will manifest, *when the armies of the Nephilim are at war to determine who will rule and take the light*, as a nuclear first strike upon America for the people's rebellion against their God.

The Summit Lighthouse of Love (Keepers) must be that pillar of Golden Pink Glow Ray raised up in the center of the souls of this activity to illumine the night that the lightbearers who are ready, the 1 million, shall be magnetized to America and the lightbearers (we are 800 million) can be magnetized to the western hemisphere. We are, Maitreya teaches, being initiated to raise up the compassion of the bodhisattva Kwan Yin that we might have that sensitivity of soul (Leo) to sacrifice the self at the altar and in preparations to survive as a Community (as instructed by El Morya) to mitigate what is coming upon the earth as the Tribulation, that this Church and this Nation not fail. Or, if it must (because of her karma) then the Summit Lighthouse must fulfill its mission to be the light unto the world to call out the lightbearers who stand in the illumination of the night by the Summit Lighthouse, see and take the hand of the Guru to be guided to the shores of the (promised land) the Golden Age in the Kingdom Age in the etheric or if it is to be, in America.

The Summit Lighthouse stands in the summer of 2018 in the attainment of our souls, the mystical body of the Church, having resolved our karma with the Guru to meet the challenges we will face from those who have rejected the Guru's love and hand. We stand in the progressed Sun in Libra at 12° in the 10th house to face our pride and by the wisdom of Ratnasambhava consume the poison of the pride of those who would lead us by ruling us as antichrist, having rejected the Guru. We come with the attainment of soul evolution to meet the challenge of those who have fallen before their dweller in Capricorn because of ambition and the lust for power. Now we must meet their treachery and intrigue as they scheme to take control of the activity and the nation from those who are the rightful occupiers of the office, as taught by Sanat Kumara. Progressed Venus at 3° Libra stands in the organization to derive the policies that uphold the law by the disciplines of the law and the illumination of the law. Venus stands with the Sun in the second decant of Libra and declares their independence from these fallen ones in our midst who would destroy the church and therefore the nation as they stand in opposition to Saint Germain and Jesus Christ as they did 35,000 years ago on Atlantis and have stood point counterpoint again Saint Germain and the messengers for the last 25,800 years to destroy every activity of the Great White Brotherhood, as taught by Saint Germain.

Progressed Mercury at 13° Libra conjunct progressed Sun in the second decant of the 10th house delivers the message to the Keepers of the Flame to heed the teachings of Maitreya on the path of initiation and to understand the deadly intent of those in the activity and the nation who oppose God Reality. Mercury instructs us, that our sure defense is our God Reality and our obedience to the law as we strive to live in the etheric while we walk in the physical midst the community and the nation. Mercury instructs us to be mindful that we embody the cosmic honor flame in all our interactions with others. Mercury warns us that we stand in our relationships in the 10th house in Libra and we must choose God Reality versus familiarity and human relationships. We stand in the Summit Lighthouse in spiritual warfare for the taking back of Camelot with the once and future King from the Modreds and the Vivienes and their like sorceresses, as taught by Mother.

We stand in the Summit Lighthouse to fulfill our destiny and our calling throughout the ages, as we stand on the North Node at 22° Libra in the third decant of the 10th house to embody

CHRIST AND ANTICHRIST

the idealism of our Holy Christ Self, and as chela uphold and defend the guru within the community and the nation. This is the mission and mandate of the 24 Elders. The community stands with the faithful Elders to fulfill their mandate, as we wait upon the Lord.

If we lose this battle to uphold the guru as the head, the spiritual head of our church and of the chelas, then this nation will be destroyed and the faithful chelas will be removed as taught by Sanat Kumara, the Great Divine Director and by Gautama Buddha. Mercury is telling us to fight the good fight because for the faithful nothing is lost, but everything is gained. Mercury tells us, (Venus) to be non-attached, to not be possessive of the fruits of our labor, as Venus rules Libra and Taurus. This is the great drama taught, by El Morya, of the opportunity of these souls having been called to serve the Guru and the Masters, having once had great light, their final opportunity to bend the knee. The opportunity, their opportunity is to bring in the Golden age as taught by the Great Divine Director, by Sanat Kumara and by Gautama Buddha. It is by the soul's attainment on the path of the bodhisattva that the victory can be won and these black magicians cast out of Camelot and North America as prophesied by Saint Germain and the Goddess of Liberty.

The Guru stands in the progressed Jupiter at 5° Scorpio in the second decant of the 11th house as the Guru inspires the chelas who stand in the causal body of Neptune in the Christ mind on the higher mental plane having separated out, having heeded the call to come out of her (Rev18:4), or receive her karma. She is the anti-church and her anti apostles and false pastors. The faithful have separated out from those in the activity and in the nation, who stand in Neptune, the pale horse in the poisons of pride and their passions [covetousness, craving, greed, lust, and gluttony] on the lower mental plane in the electronic belt of Neptune. Neptune represents the collective mind and its propensity to depravity and escaping her karma. Neptune represents the rebellion against the spirit of Man in world communism and the desire to return to Egypt, to return down the mountain from which they have been climbing with the Guru. This is taught by Mother and Morya in the 4-10 axis clearance, that they have gone far enough, they no longer walk the path to meet Maitreya.

These are the tares in our midst and this is the hour of the harvest, prophesied by Mother Kali. Only the Sun, the embodiment of the Divine Mother may mount the summit. Kuthumi teaches you are your Sun when you are the Son, of your Holy Christ Self. This is the mandate of the 24 Elders to hold the office of chela, to strive to fill the office of Christ in the fulfillment of their office of the 24 Elders...to defend the Guru. Many are called, but few are chosen. This is because the many fail to fulfill the office they occupy. But as with Peter, as taught by Kuthumi, having failed they bow down on the mountain before Satan. Overcome with their dweller they now fulfill the promise (of Satans) to take heaven by storm, to rule over Christ. This is the lie in the garden of Maitreya's mystery school delivered once again by the serpent who has returned to the mystery school with the return of the Feathered Serpent prophesied by the Mayan during the solar eclipse of the precession of the equinox on May 20th, 2012.

Summit Lighthouse

Solar Return 2018

Summit Lighthouse a new year, the 61st, we are called to be the Summit Lighthouse (Natal) of Love, to be the Keeper of that Flame. To be the Flame, the lighthouse of love to a dying world. We are initiated along the way as we take on the mantle and fulfill the office of the Keeper of the Flame, year upon year (progressed). Our soul stands (in the progression) to meet the challenge that confronts us each year (solar return) to deny us our victory of a new (level) harvest of Christ attainment (new annual progression) and a new layer of karma is cast into the flame, that we are becoming (solar return). Maitreya teaches that this karmic layer is 1000 years of records that now can be cast off. As the chain that binds us is melted in the forge from which we are emerging in the Order of the Diamond Heart.

This (TSL) new year Aug 7, 2018 – Aug 7, 2019, we will face our challenge standing in our progressed (TSL) consciousness to fulfill the mandate of the natal astrology of the Summit Lighthouse. We stand in the southern hemisphere to anchor the light into the energy veil and returning planetary karma and to transmute our own karma of the ages that stands as the clay tablets taught us by Beloved Chananda. We stand with the finger in the dike to keep the astral sea out of the physical. As the karma, of the clock of betrayers (6 o'clock North Gate) and the accusers of the word, the abusers of the word on the 1st ray, returns. If (the darkness is) not transmuted these, who have fallen, will destroy this activity and the nation if their desires are unchecked. As prophesied by Mother in her July 4th Address, 1993 and by the Elohim in the Spring of 1993.

We stand in the Sun in the 4th house of this activity and midst its members and the people of the nation. We keep the Flame in their midst and secure the land (until the coming of the Lord). We keep on keeping on no matter what course the leadership and the members or the people take. The solar eclipse over the Ranch in August 2017 triggered the 1918 solar eclipse that occurred 2 months before the Spanish Flu (1918). The result of the church's betrayal of Mother Mary's call at Fatima to consecrate Russia to prevent its fall, to Communism. This is the karma of the lightbearers abdication and the abortion of the opportunity of Mother and Lanello to bring in the Golden Age in Russia in 1917. This karma come due is returned now in America, the final effort to bring in the Golden Age. We were there in **1917-18** and we are here in **2017-2018** to fulfill the promise and our mandate, (to be or not to be) the Summit Lighthouse of Love. The Summit Lighthouse is NOT an organization, it is an activity of hearts united in love to fulfill a mandate to raise up the Golden Pink Glow Ray to illumine the dark night of the spirit on a dying planet; to rescue our people from the coming judgement. El Morya has given us one goal, with

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

two priorities, attend the Altar (Keep the Flame) and prepare to survive. He gave us this mission on the 31st Anniversary of the Summit Lighthouse.

The Maha Chohan teaches that the soul who assimilates the Guru and the teachings during the initiation of the heart by the Holy Spirit, **now** in its 31st year in Cancer on the 3rd station of the cross in Pisces, will out-picture their Sun, Venus, Jupiter (and some, the Moon). These are in **BLUE** (planet signs). Those who accommodate the Guru and the path in this activity will play out the karma returned by the Four Horsemen; those in **BLACK**, Mars, Saturn, Uranus, and Neptune, Moon. These are the testers of our souls, the Maha Chohan tells us. Those in **RED** are the false hierarchies and they are at war with your soul, this activity and the Guru.

So, the players are on the stage in 2018. The karmic script is written and the scenes are beginning to play out within the Summit Lighthouse and the nation. On the one hand, to raise up the flame to illumine the night to save, who will be saved. On the other hand, they come to put out the flame and to strip the chelas from the Guru, to abort the mission, and to abdicate their role as Elder (24 & 70 and as Keeper of the Flame) in the face of those who seize power at 29° Capricorn on the midheaven.

2018, the 61st year of the Summit Lighthouse in Capricorn is our Valley Forge, as it was in Russia in 1917. It is the cusp of our victory. If we will stand in the crucible in this year and wash our garments and returning karma in the 8th house and clear our debts to the Guru.

The solar return [chart] occurred at 00:13:59 am ET. The solar return is not only a point in time but it occurred on a solar day that began at 00:13 am ET. At 9:13 am Helios entered the feeling body in Leo, in 2018. The solar day of the solar return began in the mental body and moved into the feeling body in the ninth hour. This is important in understanding the challenges presented during the solar year of the new solar return.

Examining the solar return chart, the midheaven is 29° Capricorn with Mars at 1° Aquarius. The nadir is 29° Cancer 55 minutes in the sign of the solar hierarchy of God Harmony.

The nadir is the point of the returning karma as the unconscious rises into the subconscious to play out, as the karma delivered by the four horsemen, by the accommodators of the word. On the other hand, it is the positive karma returned to the faithful who stand in the fourth house on the North Node with the Sun and Mercury to play out their roles to defend the guru, the nation and the activity. These latter are those who stand as the rightful occupiers of the office of the Lion in matter who are the sons and daughters of God, the 144,000, and the remnant of the woman and her seed who keep the white cube of the Church Universal and Triumphant [see Ritual of Exorcism, number 6].

The nadir at 29° Capricorn represents the returning karma of all who stand in 2018 at the Y in the road under **the apex** of the Yod formed by **Chiron** at 2° Aries conjunct Mother's midheaven. The nation and the community have been at the Y since the Sun's entry into Taurus throughout the transit of the Sun through Taurus, Gemini, Cancer, and through the mental body of Virgo. The soul stood in the dark night of the spirit in the shoes of Hamlet to determine to be or not to be, the Christ to challenge the usurpers of their authority and those who subvert the office having taken it by storm having rebelled against the law [of succession] and its disciplines.

The soul standing at the Y was faced with the decision presented by a second Yod, **Transpluto** to Mars and Chiron. This was the decision to receive the love of the Guru and to demonstrate the evolution of the soul, having come to the 60th anniversary of the Summit Lighthouse. Come to demonstrate, *at the conclusion of the 33 years of the playing out of the prophecies of Revelation the 22 steps of the Ascension [the 22 chapters of the book of Revelation as taught by Saint Germain]*, the incarnation of the word as the love of the chela for the Guru. This manifest as the evolution of the heart to pass the test of the bond to the heart of the Guru, the manifestation of the love of the guru for the chelas and the chelas for the guru, the highest love. This is the love of Aquarius of universal brotherhood, the expansion of the threefold flame as God love, the bond to the heart of the hierarch of Aquarius Saint Germain the seventh angel and his prophets the messengers, Guru Ma and Lanello.

The 29th degree represents the final test to demonstrate the attainment of the soul in Cancer as the Son embodies the Sun, the Father in the Sun embodying as Mother [Sanat Kumara]. The Divine Mother comes to raise up the Son, to the summit of the mountain as the soul recedes into the heart, into the secret chamber of the heart on the eighth ray, to commune with the Holy Spirit. The soul enters the accelerated path of the return of karma, positive karma, to be God taught as they sit under their own vine and fig tree, and know [Gnosis] God.

On the other hand, the karma returning at 29° Cancer is the karma of the betrayers of the word, the abusers of the word on the first ray. These are the false hierarchy of the Ruby Ray as taught by Sanat Kumara, who are the clock of betrayers, the accusers of the brethren who follow Abaddon. These are the chelas and citizens who stood at the Y in the summer of 2018 and chose the path of the adepts of the left-handed path, to be black magicians. These are they who stood upon the mountain with Maitreya and the Satans in the initiation of the heart [in the Saturn return] and were forced to face their dweller standing at the Y and bowed down before Satan to

rule the activity and the nation(s) as taught by the seventh angel and his prophets [Rev 10] in the Climb the Highest Mountain series, *Christ and Antichrist*.

These betrayers are those who abdicate their role, in the office of chela and Elder, to become the Christ, instead choosing the easy road under the logic of the Serpent returned to Maitreya's mystery school in the Western Shambala, to rule. These stand on the nadir at 29° Cancer conjunct their personal dweller on the threshold and the planetary dweller on the threshold opposing Guru Ma as they stand conjunct (embodying) Mother's natal Pluto, at 29° Cancer. They have stood in 2018 in the testing of their souls of transiting Pluto [their personal and the planetary dweller on the threshold] at **20° Cancer** conjunct Mother's **ascendant**. All the while standing at the Y in the road of Chiron at **2° Aries** conjunct Mother's **midheaven**. These have chosen to take the path of the adept, the easy road to become the dweller on the left-handed path, the black magicians as taught by the Masters in Climb the Highest Mountain and by Maitreya in his dictation "The Six-Pointed Star of the Lord of the World". Now is the hour of the judgment as their karma returns.

Now is the hour of the soul's initiation upon the cross having cast her soul upon the rock of Christ. The soul standing upon the cosmic cross of white fire in the 14 tests of the crucifixion, stands in Pisces in the 31st year of the initiation of the heart by the Maha Chohan and on the path of personal Christhood and with Jesus falls under the weight of world karma that is coming upon the earth, the organization, and the nation. The soul stands with the Guru who is being crucified by the dweller of her chelas and falls the first time under the cross of world karma that is descending for the judgment and the salvation. They sacrifice their lesser self thereby erasing the face of the lesser self, as taught by Kuthumi, from the mirror of the Moon Mother. In its place they see the face of the cosmic virgin [and her daughter, Guru Ma as taught by the Masters at Summit University during the Great Divine Director's quarter.]

This experience of the soul as the Summit Lighthouse of love is the initiation of the soul during the solar return under the Sun's entry into the feeling body of the planet and the people [Keepers] in the ninth hour of the solar

return, day. (See chart Su Q3 15 Leo, above). This is the initiation of the heart by the Holy Spirit in the year of its Saturn return [on Christmas day 2017]. It will be faced by those who stood in the hour of the solar return of the Summit Lighthouse choosing to be on the higher mental plane, the Christ mind to be filled with the consciousness of God, **or** those who have chosen the left-handed path, to be on the lower mental plane pulled down into the mass consciousness of the collective mind to be programmed by the alien computers, Transpluto.

This contrast of light and darkness, the product of free will, will play out upon the stage **first**, in the coming of the third antichrist as taught us by the Buddha of the Ruby Ray who told us to watch for his coming and that we would know him. **Secondly** it will play out, as those who stand on the nadir at 29° Cancer, upon the stage with the antichrist, bonded to the heart of Christ and to the heart of the Guru in God Harmony, to hold the balance for the activity, the nation, and the people having receded into the heart to attend the altar and the adoration of the Flame. The latter are the very pillars, upholding the community.

The faithful are raising up the pillar in the center of being, the heart of the golden pink glow ray. To hold back the night, with their finger in the dike, the emotional tyranny of the antichrist from playing out in the physical plane as prophesied by Mother and Elohim with the mega conjunction in January 1994. This is the inner initiation of the 70 Elders who are called to uphold one 70th of the mantle of the Guru as teacher. This is the requirement of the law for the continuity of the word.

In the chart of the Sun's entry into the emotional plane at 9:31am on August 7th, the midheaven stood at **22° Gemini** [conjunct the Moon 21° Gemini] in polarity to the nadir at **22° Sagittarius** [conjunct Vesta at 22° 17 minutes in the third decant of the third house]. The soul standing on the axis at 22° is tested to determine the level of mastery [22] of the soul's God Victory [Sagittarius] to choose to be or not to be on the higher mental plane of the Christ mind. This is the measure of the soul's being influenced by the consciousness of God that was in Christ Jesus. Alternatively, the measure finds that the soul has fallen upon the mountain with Satan under the logic of the serpent mind and its logic and reasoning in the third house of the lower mental plane [mind]. Thereby receives their karma as they play it out upon the stage as they did on Maldek. [*Vesta is the asteroid containing the records of the memory of the rejection of the love of the Divine Mother in her daughter, the Guru sent as the Messenger to lead them in their hour of the final battle of Armageddon, upon Maldek now the Earth.*]

The nadir at 22° Sagittarius is the returning karma of those who *believe the lie* and the good karma of those who *repudiate the lie* and receive their holy Christ self and the initiator Maitreya to work the work of the ages. The soul stands on the midheaven at 22° Gemini in the mastery of the higher mind and God wisdom to uphold the arms [Gemini] of the Guru. As the soul stands in the fourth house of the solar return on the nadir at 29° Cancer to defend the Guru and her chelas (Sun - North Node) against Babylon the Great usurping their office and authority (in Capricorn). They choose to be governed by Christ in this activity and in this nation and to hold the balance in God Harmony unmoved by what is playing out upon the stage.

They have obeyed the call of the Guru to come in (recede into the secret chamber of the heart and commune) and close the door and guard the heart well, as taught by the three Wise Men. We are called to repeat what we did in the day of Moses and Joshua when the seven last plagues descend upon Babylon the Great and all who have ties to her, the Scarlet Woman who rides the Scarlet Beast, as the anti-church and its anti-apostles and false pastors. These are those who follow the dialectical materialism of the serpent mind to bring down the coming golden age as taught by Saint Germain [every Golden age has fallen to the lie of materialism]. It begins, Archangel Uriel tells us, by the Elders leading the devotees of Mother away [*as they usurp the office and authority held by the faithful chelas as they crucify them and cast them out. These are the accusers of the brethren and the abusers of the word on the first ray.*]. These are the ones who take their place in Cancer upon the clock of betrayers, on the North Gate.

These latter stand (in the TSL solar return) **on the descendent** of the Sun's entry into the emotional body of Leo at **23° Pisces** to play out in the seventh house in the coming year the returning karma as they stand conjunct **the nadir [23° Pisces] of the lunar eclipse** of July 27 at 4° Aquarius. Please refer to this eclipse in the document (Part Two) to understand its significance. Because it will play out as the warring in the members in the seventh house of this community of the Summit Lighthouse and within this activity and the nations. It was prophesied by Mother in her July 4th Address in 1993 and by the Elohim who came in the spring of 1993 to place their (7) causal bodies to counter the seven planets in Capricorn during the Pluto Saturn square at 27° Scorpio and Aquarius. Mother prophesied, this configuration would destroy this activity and this nation America if we did not reorganize to give birth to the Christ, to govern us as we face the threat of the coming antichrist who is determined to rule us.

They are determined, Mother prophesied in 1985 following her trial, to strip us from the Guru. To strip the chelas from the Guru and the path of the ascension in order to keep us earthbound and to continue to rule us. This is the battle of Armageddon for the souls of the chelas, the sons and daughters of God, the 144,000 and the remnant of the woman and her seed within the seven churches to whom the Revelations was given for their initiation, their testing and their judgment.

The Mayans prophesied the return of the Serpent to rescue them from the sons and daughters of God under the second precession of the equinox of Helios and the God Star that ended the Mayan calendar of a 1-billion-year cycle. The Mayans believed the Serpent returned in his space craft [*the 118 alien civilizations and their motherships come to earth to wage war with the Great White Brotherhood and their chelas in the earth and with America.*] to rescue his people to lead them in the great exodus from the planet. This occurring in the hour of the final judgment of the confrontation between the two cosmologies at the intersection of the two precession of the equinoxes that began to play out in 2012.

This final confrontation began at winter solstice 2016 with the T-Square in the confrontation between the solar hierarchy of the Sun and the Watchers in the confrontation between Christ and antichrist. This occurs as the chelas come to the Y in the road to slay their dwellers or to kill the mockingbird. This story is playing out today repeating the drama of

Thomas More and Rich Richards. It is the fulfillment of the prophecy of the seventh angel, Saint Germain as Shakespeare in the drama of Hamlet as taught by the prophets of the seventh angel in Mother's July 4 address in 1996, titled "To Be or Not To Be". Mother taught that every Keeper the Flame would stand in the shoes of Hamlet (as Rich Richards) determined to be the Christ to fulfill their destiny to be governed by Christ, or to follow the lusts of the heart, to rule. Driven by their base nature of self-preservation, the survival of the fittest.

This karma has returned to test the evolution of the soul on the path as taught by Maitreya whether or not they will choose to be governed by Christ or ruled by antichrist. This karma returned during the lunar eclipse on July 27 when the test began under the eclipse of the sun of the soul. The soul cut off from her Christ self, and standing under the solar eclipse determines to be or not to be. And as Mother teaches, as her chelas go so will go America and as the Goddess of Liberty teaches, as the Keepers of the Flame go so will go the nations [August 10, 1985].

What is playing out in the church was prophesied by Mother in 1993. It will determine what will play out in America as we head into mid-term elections and then the deciding factor in the 2020 elections. What is playing out in the Summit Lighthouse midst the Keepers of the Flame will play out nation by nation. Saint Germain in his dictation during the Family - The Heart of Community conference, "It is Time for the Harvest", teaches that we must stand in the light, embody the light returning to consume the darkness attacking this church and then the nation and then to go nation by nation to clear the darkness. This is our destiny, this is the destiny of the Aquarian age, the Golden age. [Dictation given July 5, 1998. POW Vol 41 #31, see page 28-31].

The lunar eclipse MC occurred at **23° Pisces 12 minutes** which falls on the fourth house cusp (nadir) of the Sun's entry into the emotional plane of Leo. The soul is being tested whether or not she will stand eclipsed of the Son and will choose to be on the higher mental plane in the Christ mind filled with the illuminated consciousness and will invoke the light on the solar MC to consume all on the nadir of the lunar eclipse opposing the SON of their soul. Now the soul is able to repudiate her/the past that would repeat itself, that has played out as the destruction of every activity of the Great White Brotherhood for the last million years as taught by Saint Germain. Who told us that Vivienne and Mordred have infiltrated every activity of the Great White Brotherhood for the last million years and destroyed them from within because of the failure of the chelas to become the Flame. The soul is being tested in the dark night of the spirit to repudiate the past that would take the office of Christ and subvert it through policy and legislation, by the stroke of the pen.

The soul standing in the flame knows by the gift of the Holy Spirit in Pisces that it is not theirs to take by law or policy. The soul takes their stand as taught by Archangel Uriel and Archeia Aurora, in *The Vials of the Seven Last Plagues* and with the fire of the heart of the inner flame and with the sword of truth in hand and plunge it into the lie [of the propaganda of the souls (moon) in the third decant of Aries and the first house] and then Archangel Uriel tells us to be silent.

SUMMER 2018

CHRIST AND ANTICHRIST

Lord Maitreya teaches that the soul standing on the cross, the cosmic cross of white fire [of initiation] under the 14 tests of the crucifixion must fasten her soul upon the cross and in the confrontation with the dweller, call to the Great White Brotherhood for help. They come and bind the dweller and fill the vacuum left by the dweller until the soul can attain to her Christ self. Maitreya teaches at this point, of the confrontation with antichrist on the way of the cross under the 14 tests, the soul must recede into the heart into the secret chamber of the heart on the eighth ray and to commune with the Holy Spirit. This was the command of Moses to Joshua during the 10 plagues of Egypt to come in and close the door. This timing of the initiation occurs in the summer of 2018 during the retrograde of the 11 planetary bodies during the Yod formed by Chiron conjunct Mother's midheaven, her office and authority. This also occurs during Pluto's second conjunction of Mother's descendant of her relationship to her chelas who stand on her ascendant to receive their Holy Christ Self and to receive the guru and to work the works of the ages. The timing of this initiation occurs during the 60th anniversary of the Summit Lighthouse as a returning karma of the confrontation, in this 61st year of the Summit Lighthouse, between Christ and antichrist as the nadir at 29° Cancer conjuncts Mother's natal Pluto.

This is the revelation of the timing of the confrontation between Christ and antichrist midst the chelas of the Great White Brotherhood and their Messengers and the Keepers of the Flame. This occurs as the karma plays out that occurred at on Atlantis when the people abandoned their Christhood to follow Xenos and to vote out Jesus Christ and his twin flame Magda as Emperor and Empress of Atlantis. Revelations foretold the return of this karma with the eclipse of the Sun over the church and the nation [10° Taurus sun sign] on August 21, 2017, with the playing out of the confrontation between Christ and antichrist during the solar eclipse that is tied to the solar eclipse that occurred in 1918 two months before the outbreak of the Spanish flu. The karmic return for the rebellion against Mother Mary and her prophecy of Fatima.

The Summit Lighthouse solar return at 14° Leo is in the second decant of the fourth house. The Sun is conjunct Mercury at 17° Leo. Mercury delivers the message of the Sun. Mercury tells the souls of the faithful that major prophecies of the book of Revelations will play out during the window of the eclipse of the moon during the Helios cycle of the year between summer solstice and winter solstice. Mercury tells us, standing in the third decant of the fourth house, to research all the decisions made, the policies, and the laws that govern us to understand the reforms, the re-formation of the activity and the nation that is occurring by those who have taken to themselves the right to rule having abandoned the path of initiation and the guru-chela relationship. They are determined to do it their way and so declare themselves. Telling everyone who they are so that the soul standing in the initiation under the eclipse of the Sun and of the moon is conscious of their decision **to be or not to be** [understand Mother's and Morya's teaching on Hamlet, July 4th Address 1996]. Morya teaches in his dictation about **the reed and the oak tree** standing in the day of the winds of the Holy Spirit. Morya teaches that the soul will choose to be the reed or the oak in face of the coming winds. Daniel in chapters 8 to tell 12 teaches us of the coming of the winds of the Holy Spirit. Jesus in his dictation speaks of these winds of the Holy Spirit as 1000 mph. Saint Germain tells us to prepare for the coming four scenarios which includes nuclear fallout which includes nuclear winds and nuclear fire. Saint

Germain also tells us in Prophecy of the 90s, in the book *Saint Germain on Prophecy*, that a nuclear first strike upon America will be because of its people's rejection of their God.

Mercury warns us to understand the Reformation that is playing out in the church and the nation(s). We are told to understand the policies in the seventh house that are used to reform the church and the nation as prophesied by Mother in 1993. The meaning of reformation must be understood as the *re-form(ing)-a-tion* of that which was created for a Divine purpose to anchor here below that which is in heaven, by those who have stood in the first decant of Leo and in the first decant of the fifth house having stood at the Y having chosen to rule as antichrist instead of be governed by Christ. We must understand, the policies and reforms and their decisions they have made and are making, through the Christ mind and God illumination in order to stand for the truth and to uphold the Guru, the community, the nation, the path of initiation and the sponsorship of the Great White Brotherhood. It is possible to fail, Mother tells us. Saint Germain has said that every activity of the Great White Brotherhood for the last million years has failed because of the Modreds and Vivienne and her like sorceresses. We must stand with our eyes wide open in this hour when we are called to make the choice to be or not to be.

We stand on the North Node at 5° Leo in the first decant of the fourth house where the soul's mastery is being tested over her moods and the influence of the moon upon the diet that affects our moods. Kuthumi teaches that moods are the attachment to material substance and substance of self. The soul's attention determines what she becomes. The Christ mind and God consciousness requires the diet of the adepts. The purity of the blood determines the purity of the Christ consciousness meshed with the soul's four lower bodies. Atlantis fell during her Golden age because the people abandoned their Christhood through their diet. The fallen ones took control of agriculture and the food supply. Xenos and his henchmen had taken control of the government as the people abandoned their Christ attainment and consciousness thereby abandoning the government of Atlantis governed by Christ as they elected to be ruled by antichrist as taught by Phylos the Thibetan. This resulted in the elections under the platform of Xenos whereby the people elected to cast the Emperor Jesus and his faithful, one fifth of the population of Atlantis, two million chelas, out of Atlantis (Phylos teaches that the Emperor was an elected office as were government positions, they were elected out of office in what must have been a massive campaign.). This karma is returning to the church and to America as prophesied by Elohim and Mother in 1993 as Xenos and his henchmen (the Modreds, must have their day, Morya tells us) move to cast out Christ and the guru, once again from Camelot, this activity, and this nation America (Revelation 17:14, the fulfillment of the prophecy Rev 11:7). The prophet Daniel teaches that the little horn sponsored by Sanat Kumara the ancient of days, becomes blasphemy [Daniel chapter 7].

The Sun in the astral (emotional) plane [chart] stands in the 11th house second decant inspiring the souls of the faithful, in the Reformation that is the God solution to the reforming of our church and our nation [to meet the current challenges on our soul's Odyssey]. Thereby sustaining the community of the Holy Spirit, to continue to be governed by Christ. The solar hierarchies of the Sun under Helios counsels the soul [inspiration] in the transformation of self under the five Dhyani Buddhas on the path of the secret rays to consume the crystallization of

the human consciousness in the transformation of the alchemy, as the individualization of the God flame. Thereby, repudiate the transformation of the organization. The soul is inspired to implement those reforms that will nurture the Christ within the organization and the activity as well as to support those candidates who were trained in the retreats to put forth those policies within the nation at the federal state and local levels.

Mercury stands in the emotional body in the third decant of the 11th house warning the soul of the repression of those who stand in opposition to those who have taken the left-handed path. And to be unmoved and unperturbed by the repression of the Messengers and the teachings. Mercury reminds the soul of the teachings of Maitreya and of Archangel Uriel and Aurora in *The Vials of the Seven Last Plagues*, to speak the truth and recede into the heart's secret chamber to commune with the Holy Spirit. To obey the guru to come apart and be a separate chosen people, to come in and close the door (Joshua), and to heed Revelations chapter 18 verse four to come out of her the anti-church the Scarlet woman number four in the Ritual of Exorcism or receive her karma, now descending.

This year in the Summit Lighthouse is a year of the testing of our beliefs. Will we give power to evil, believing that they have the power to destroy this church and this nation? Thereby ignoring what master Morya has told us that the Modreds must-have their day and by their words and by their actions they are judged and their opportunity is removed. Then shall the great day of the Lord come and in the Dawn of the new day we will rebuild. This is the test of the soul whether she will live in the etheric and walk in the earth, or whether we would build the coming kingdom age in *this world* to transform [thereby sustain] this world which is to say that we can bring a Golden age to Babylon the Great and to the princes of this world by restoring them to the glory of their days gone by. Not so! This is the lie of the Serpent, prophesied by the Mayan, who was to return to Maitreya's mystery school to strip the chelas from the Guru, whose destiny it is to bring in this Golden age following the judgment by fire of the civilization of Babylon the Great and the anti-church.

This is the prophecy of 1994 to the 70 Elders who were called out from amongst the fishermen of men, the 13th tribe to hold one 70th of the mantle of teacher, of Guru Ma. They are called to submit to the initiation of becoming world teachers. Others are called to be cleansed to wear the mantle's they wore on Atlantis before the last Golden age fell as prophesied by Sanat Kumara.

The Summit Lighthouse solar return announces the initiation of the heart in the Revelation of the reformation of this activity and the nation in the encounter with antichrist. This is the encounter with those whose minds are on the lower mental plane in the lower mental body of the mass [human] consciousness programmed by the alien computers under the Yod formed by Chiron and by Transpluto. This revelation is the fulfillment of Mother's prophecy to the Keepers of the Flame that they will stand in the shoes of Hamlet and choose **to be or not to be**. This is the revelation of the soul's decision to follow in the footsteps of Christ or in the footsteps of the Black Moon Lilith at 16° Aquarius in the second decant of the 10th house and choose to follow the counsel of the Masters in the second decant of Aquarius at 16°. Or of the soul's choice

will be to listen to those who follow Lilith, a law unto themselves who being eclipsed cannot enter the heart and must remain in the outer to be crucified in the second decant of the 10th house.

In this challenge of the Odyssey of the soul, the soul is unable to extricate herself from the challenge. The soul remains trapped at the mercy of her fate [karma] until the second resurrection [Rev 20:5]. On the other hand, the soul standing at the **Y**, chooses to follow in the footsteps of Christ, and fastens her soul to the cross of initiation and recedes into the heart on the eighth ray and is sealed in the secret chamber of the heart to commune with the Holy Spirit, in the Flame, as the *Keeper* of the Flame. This is the destiny of the remnant of the woman and her seed who have remained faithful to the 61st year of the mission of the Summit Lighthouse. Maitreya teaches that each year of the cycle of 14 on the path of initiation we encounter and transmute 1000 years of karmic history. Revelation teaches us that in the 61st year of the Summit Lighthouse we will meet the karma of the ages of the rebellion against the Great White Brotherhood and the path.

The Summit Lighthouse which began in 1958 concluded her 42nd year in August 2000 having passed through the karma of the previous 42,000 years. Between the years 2000 and 2014 we transmuted the karma with the Guru from 40,000 BC to 54,000 BC. The residual karma left untransmuted during first 56 years of the Summit Lighthouse began to play out in 2014 with the beginning of the kingdom age and the ending of the church age as there was the separating out of those in the activity on the Odyssey of their souls who were determined to return home to the kingdom and those who have accommodated the Guru and the teachings who were determined to build the new Roman church and to build the kingdom in this world. (Tetra Blood Moon and the seven Pluto Uranus squares, antichrist).

The result is the silencing of the lambs under the reign of the Gentiles as taught by Jesus to John the Revelator in Revelations chapter 11. This transpired in the year 2000 at the end of the 42 years of the initiation of the planet as taught by El Morya, the three cycles of the 14 tests of the crucifixion. This coincided with the seven planets conjunct in Taurus (May 2000) and with the beginning of a new Jupiter Saturn conjunction.

Beginning in 2014, through the current 14-year cycle of the tests of the crucifixion of the initiation of our souls, we stand in 2018 in **Taurus**. This is the year of the test of obedience to the disciplines of the law in the 61st year in Capricorn on the 12 o'clock line where we stand with Jesus as the remnant of the woman and her seed in the test of calling for and receiving help to bear the cross of sustaining this activity and nation and to receive the help sent by the Holy Spirit as Simon takes up the cross. As we face the karma that our souls, our community, and our nations made between the years 58,000 BC and 59,000 BC.

We will face the karma made with the Guru, we will face our hatred of the Guru and that of individuals within the community and the nation. This is the karma that caused our soul to hide from Maitreya in the garden. This is the karma that caused the soul to betray the Guru by failing to be the Christ, having been called to serve the guru as chela. The soul stands in the

shoes of Hamlet in the 61st year of the Summit Lighthouse in 2018 in the dark night of the spirit tormented by the ghosts of the last 60,000 years [2018AD - 58,000BC] as we face the choices we made during the thousand years between 58,000 BC and 59,000 BC.

This is the choice to follow these fallen angels in their rebellion against Guru Ma and El Morya in this activity and in the nation against Saint Germain and Lord Maitreya. This is the choice of the soul to stand at the Y in the road and to forsake the easy way, the comfortable way and to fasten the soul to the cosmic cross of white fire and cast herself upon the rock of Christ, in loving obedience, obey immediately the law, the path, the teachings and the counsel given the soul in the secret chamber of the heart. Maitreya teaches that the soul must be co-creator with the master surgeon and to carry out his instructions explicitly, to sever the tie.

Helios comes at the conclusion of the 33 years of the 22 steps of the ascension [Revelations, 6/21/1985] for the playing out those prophecies that are written but yet unfulfilled at the conclusion of the cycle between summer solstice 2018 and February 21, 2019. This is the testing of the soul's attainment of the last 33 years on the path of who is worthy to have bestowed upon them by Sanat Kumara the mantle of world teacher and the mantles we wore upon Atlantis before the fall of the last Golden age, as promised by Sanat Kumara. Mother teaches how to place the 404 verses of the book of Revelation on the cosmic clock to understand the timing of the initiation. The 33 years for the playing out many of the prophecies of the book of Revelation began at summer solstice 1985 on June 21st. On June 21st, 2018 we were in chapter 22 verse 14. Throughout the summer and fall of 2018 we conclude the versus 15 through 21.

This is the period that began when Moses called to Joshua, who was standing in the doorway watching the 10 plagues of Egypt descend, to come in [to the secret chamber of the heart] and close the door. Morya has given us two priorities to achieve the goal of our soul's destiny and of this activity and that is to attend the altar and to prepare to survive [physically, in community]. The karma of the final years of the dark night of the spirit is about to descend taught by Saint Germain and the prophet Daniel, as the Tribulation. Study Daniel chapters 8 through 12 to know what is coming upon the earth for which we must attend the altar as the Keepers of Flame and in embodying the flame, consume the darkness.

The Summit Lighthouse Sun at 14° Leo in the second decant is in the fourth house second decant. Helios through the hierarchy of the Sun in Leo [Goddess of Liberty and the Great Karmic Board] delivers the Revelation in the fourth house of the intent of those whose hearts are hardened, the accommodators of the path after 33 years, to reform the church and to take the scepter of the Divine Mother. It was promised to Saint Peter by Jesus but when he denied Christ the office of the vicar of Christ was denied Peter. Kuthumi teaches in the Exposé of False Teachings number 13 that Peter twice took the scepter and built churches devoid of the spirit, the Roman Catholic and the Anglican churches. Peter seized the scepter of the Divine Mother.

In 1973 we began the 36 years for the training of our souls to take the scepter of the Divine Mother, after having risen to the office of Christ. The Father in the Sun|Son embodies as

the Divine Mother and stands on the North Gate with the scepter of the Divine Mother who as a bride of the Holy Spirit stands at the West Gate upon the River Jordan to be baptized by the Guru to begin in the 34th year in Libra the Christ mission (in 2021). This cycle of 36 years ended on Mother's birthday in 2009. Ten years later, we stand in the 61st year of the Summit Lighthouse in Capricorn to face the test of the mastery of the water body Pisces, Scorpio and Cancer. This is the test whether all the power of heaven can be given to the soul wed to Christ or whether the soul having denied Christ will **take** the scepter to usurp the authority of the Son and to subvert the office of Man occupied in matter by the two Messengers, the two Witnesses of the second advent and the true Christs and true prophets.

This is the cycle of preparation for the coming of Sanat Kumara to bestow the mantles upon the sons and daughters of God who are faithful, as he promised he would. This is the conclusion of the cycle that began in the year **2000** that concludes in the year **2020** at the end of the Jupiter Saturn cycle and the beginning of a new cycle. It is the end of the cycle of preparation for the Ascension and the end of the galactic alignment. The latter was prophesied by the Mayans as the timing of the casting out of the fallen angels from the planet, in the fulfillment of the prophecy of January 1, 1984 by the Lord Sanat Kumara for the judgment of evil in the matter universe. The ending of the galactic alignment is the ending of opportunity to complete the cycles in preparation for the ascension. **2020** is an election-year when the sons and daughters of God must be prepared to stand in Virgo on the path of personal Christhood and in the initiation of the heart. They must be prepared in alignment with cosmic cycles to stand before Sanat Kumara to account for the cycles of their preparation of the wedding garment. Some will come prepared to enter in to the Transfiguration in the alchemical marriage of the soul and Christ. Some must stand in the 33rd year in Virgo (2020) and be crowned the victor.

Helios delivers the judgment of the Abusers of the Word on the first ray. The word is the word incarnate in the one [Guru Ma] and the many, her chelas who are becoming the Christ, the manchild, born of the Woman Clothed with the Sun. These are the sons and daughters of God who keep the white cube of the Church Universal and Triumphant. These are the ones, who as the manchild, keep the mystery school in the Western Shambala. These are the teachings of Sanat Kumara on the seven initiations of the Ruby Ray of those who follow the Lamb. Sanat Kumara teaches us in chapter 29 that to understand the hierarchy of the Ruby Ray and their initiations we must study and understand the false hierarchy of the Ruby Ray whose numbers one through eight correspond to the hierarchy of the Ruby Ray as given to us in *the Ritual of Exorcism*.

This judgment of the abusers of the word on the first ray of God's power was delivered on May 27th 1984. This judgment stands in the 35th year in Scorpio as the judgment of the 1 million fallen angels who sponsor the Modreds, as taught by El Morya, and also of these Modreds who would be King. These latter stand in their garments naked before our God and the people. This is the judgment on the 6 o'clock line on the North Gate of the accusers of the brethren and the clock of betrayers. As all face their initiations at the **Y** in the test on the path of initiation of personal Christhood facing the karma of 58,000 to 59,000 BC of the betrayal of the Guru under the eclipse of the moon at 11° Leo during the **super blue** blood moon of January 31,

2018. This is the fulfillment of the prophecy of the book of Revelations and of the teachings of Sanat Kumara of those who bowed down upon the mountain at the **Y** before their dweller, take their place on the clock of betrayers. This is also the testing of the souls of the sons and daughters of God who keep the White Cube of the Church Universal and Triumphant and of the mystery school in the Western Shambala, in preparation for the coming of Lord Sanat Kumara and the bridegroom.

Mercury the messenger of the Sun delivers the message [the word of the Sun] in the third decant of the fourth house to research the reformation [second decant of Leo] of the organization, the church, and the nation by those souls who are represented by the Black Moon Lilith, since 1991. In 1991 in the 33rd anniversary of the Summit Lighthouse we concluded the first 33 years. In 1991 during the anniversary it was announced the beginning of the final 33 years for the conclusion of the mission of the Summit Lighthouse to bring these teachings to the Lightbearers of the world and to make the ascended master's names household words in America.

The decade of the 90s brought the ninth ray conclusion of the century, the millennia, the 2000-year dispensation to become the Christ, a 10,000-year cycle, and the conclusion of the Grand Sidereal year, 25,800 years. It is also the ending of a one-million-year cycle taught by Saint Germain to cast the black magicians out of Camelot, Vivian and Mordred and their like sorceresses and black knights. Confucius tells us that if we don't do it now we will have to wait 1 million years for the alignment of the stars and the next opportunity. We are also in the cycle of Helio's revolution around the center of the galaxy, a 225-million-year cycle and according to the Mayan calendar the galactic alignment represents the galaxies revolution around a central sun, a one-billion-year cycle which ended between May 20th and winter solstice 2012. The latter was prophesied by the Mayan for the return of the **Serpent** to Maitreya's mystery school (corresponding to the false hierarchy on the East Gate), in the hour of the judgment upon the fallen angels and their children. They believe that the aliens will return in their spacecraft so that they can escape the planet in the hour of their final judgment.

1991, Helios delivered the judgment upon the power elite, the fallen angels (and the Modreds), they were cut off from God, their tie sustained by Gautama Buddha was cut. 1991 saw the beginning of the final mission of the Summit Lighthouse. It saw the beginning of the refocusing on the mission. This refocusing on the mission announced the reorganization of the activity by Elohim in the spring of 1993 who came to place their causal bodies over the seven planets coming into alignment in Capricorn, on January (11th) 1994. This saw the rallying of the Dragon and its beast's seen by Daniel and announced in the book of Revelations as the opening of the seven sealed scrolls, as the fourth seal, death, in Revelations chapter six verse seven that came forth at winter solstice 1993. The first scroll, the **false Christs** came forth at summer solstice 1993 during the July class and Mother's July 4th Address on the coming initiation of the planets in Capricorn, the manifestation of the opening of the **Seven Sealed Scrolls**. Mother came to warn us of the opening of the first scroll, the coming of the **false Christs** and their challenge to the church and the nation.

Mother prophesied in her July 4th Address in 1993 of the coming confrontation within the church and the nation and within the Keepers of the Flame of the Summit Lighthouse of the coming of these **false Christs** (in our midst) who would usurp the office and the authority of Christ and the Guru. Mother called for the reorganization of the organization and the nation in order to contact the Lightbearers to bring them to the awareness of their personal Christhood to prepare them for this coming challenge with antichrist that was unleashed in the mega conjunction in January 1994. We are in the 25th year in Capricorn, the test of Power, the use of power within the Organization, 10th house first decant. The test of ambition vs the heir, the test of Capricorn.

Mother prophesied earlier on, of this challenge following her trial in 1985 when Mother told us that the fallen angels would change their strategy from attacking the guru to attacking the chelas. Their new strategy was to strip the chelas from the Guru. In preparation for the coming of this challenge, El Morya created **the Office of the 24 Elders** on February 3, 1985. He called the chelas to apply to that office, to strive to fill the office (of Christ) whose mission was to defend the Guru from future attacks and to strive to fill the responsibilities of the office of personal Christhood.

Given the challenge of the backlash of the Dragon's tail that arose between 1985 and 1993 and the attack that was to begin in 1994; the Great White Brotherhood created **the Office of the 70 Elders** (April 8th, 1994) who would carry one 70th of the mantel of the Guru as **Teacher**. Souls were called to apply for the Office and to strive to meet its standards and that there were many lined up behind each of the 70 to fulfill the office when anyone could no longer fulfill the standard. These (I believe) 70 are being trained to be World Teachers under Jesus and Kuthumi.

Both **the 24 and the 70 Elders** face the opposition of the Dragon and the backlash of its tail which has caused many (of them) to fall by the wayside and to leave off the climbing of the highest mountain to Maitreya who stands at the North Gate on the 6 o'clock line of Cancer to defend the Divine Mother. The 70 Elders were created from those in the community, to hold the balance for the fulfillment of the mission of bringing these teachings into every household in America and the world. While this is being done, the chelas of the Guru (must) come to grips with the fallen angels behind the Mordreds who in 2000 under the seven planets in Taurus, rebelled against the Guru and took over both in the nation and in the church under the Reign of the Gentiles, Revelations chapter 11 verse seven, that began in January 2000. This represents the allegorical story of the stewards and the unjust stewards. The five Dhyani Buddhas teach us about the components of Personality and their poisons as the crystallization of the human consciousness antidoted by the wisdoms of the five secret rays in the 8th ray chakra, the 8 petaled secret chamber of the heart. This Mother teaches is the path of the Ruby Ray as the soul fastens herself to the Ruby Cross, the Pink Cross (Taurus, Scorpio, Aquarius, and Leo), the Cosmic Cross of White Fire, says Maitreya. This Mother says, is the soul initiation of the challenge of casting into the flame the perversions of these lines of the clock (1, 4, 7, 10) and the confrontation with the dweller at the Y. This is the Great Drama that is playing out in 2018, in the four planes of mater and in the four lower bodies of the people.

El Morya tells us that this cycle was known from the beginning and that the Mordred's must play their hand upon the stage of this community and this nation (America) and amongst the nations. While Maitreya teaches us that in the midst of *this*, initiation of the heart, we would come to that point of the confrontation with the antichrist and that we would face the choice to recede into the heart, the secret chamber of the heart and commune with the Holy Spirit, or we would stay in the outer and be crucified by antichrist in their lust for the light and power of the office and authority of Christ and the two Messengers on the East Gate, on the 3 o'clock line of Aries. This confrontation came to light in 2014 with the planetary configurations of the **TETRA Blood Moons** and the **seven Pluto Uranus** squares that played out in the election cycle (2016) as the attack on the rule of Christ in America and the church, her destiny as God Government to the world. This occurred in 2014 as the Cosmic cycles ended the Church Age and began the Kingdom Age in February and the ending of El Morya's three 14-year cycles of the initiation of the planetary lifewaves on the 14 tests of the crucifixion that prepared all mankind to meet this challenge that began on June 27th, 2014. It played out throughout 2015 and the election year, 2016. Then in 2017, beginning with the astrology of winter solstice 2016, the T-Squares at 28° Sagittarius, Virgo, and Pisces brought this challenge to the conscious awareness **of everyone**. All in preparation for the fulfillment of the prophecy of the Buddha of the Ruby Ray (given in Oct 1996), of the coming of the third antichrist. "Watch for him, you will know him when he comes," said the Buddha of the Ruby Ray. We are in the 23rd year in Scorpio, the test of our desires, the passions, craving, covetness, greed, and lust after the light of Christ and Guru. The initiation upon the mountain with Saturn. The causal body, represented by Maitreya and the electronic belt represented by Satans. The test of the rightful heirs to govern as Christ in the Church and the Nation(s) or the soul's ambition to Rule who unprepared stands at the **Y** in 2018 in Scorpio taken over by their dweller bows to the Satans to rule the Church and the Nation(s). These are the usurpers of the false hierarchy of the Ruby Ray who take their place in 2018 upon the Clock of Betrayers under the Super Blue Blood Moon eclipse of 2018 (Jan 31st through July 27th).

Solar Eclipse August 11th 2018

This eclipse occurred with the sun cycle in Leo on the fourth day of the Sun in the emotional plane on the fourth ray in the second decant of Leo at 18° in the first decant of the first house. Helios cut off those who in their ignorance of the law, the Guru and the teachings engage in senseless reformation of the activity and the nation. The message of the Sun, Mercury conjunct the ascendant is to stand on the ascendant and receive your Holy Christ Self and the Great Initiator in the initiation on the third station of the cross in Pisces, and work the works of the ages and slay your dweller (on the threshold of consciousness) and that of the generation with Pluto in Leo. This is the generation who wants to be in control and finds it difficult to surrender to the Guru and to trust in God. They have been around for many decades, born between June 1939 and August 1957.

Venus at 4° Libra in the first decant of the third house knows God's will intuitively through the inner communication of communion with the Holy Spirit in the secret chamber of the heart. Venus stands in opposition to Chiron, the apex of the Yod to Transpluto and Apollyon. Venus stands in devotion to the Guru on the ninth house cusp and upholds the Guru and her role as spiritual head of the chelas and the activity through policy, the rule of law, the first decant of Libra.

This is the testing of the soul's mastery of the water body and the astral plane (the Feminine Ray) and the influences of the lunar forces and their magnification and amplification of the water body under the solar eclipse. This testing will last through the window of the solar eclipse which is known as a partial eclipse which implies a very limited or specific focus for this testing. This testing is especially focused on the new 28-day lunar cycle, during the eighth lunar cycle of the year. This is the testing of the soul whether they will **recede** into the secret chamber the heart on the eighth ray and undergo the alchemy of self-transformation (by will and desire). Or, whether the soul will remain in the outer under the bombardment of the programming of their four lower bodies to reform this activity and the nation under the influence of Saturn, Psyche (the Watchers) and Vesta in the second decant of the fifth house and the eleven **retrograde** planetary bodies in the solar system. Reformation of the organization [Saturn 3° Capricorn] with disregard [Vesta 22° Sagittarius conjunct psyche 27° Sagittarius the watchers] to the illumination of the Christ mind from the faithful chelas, Venus at 4° Libra.

This mastery of the water body, the 12th house cusp at 14° Cancer conjunct the God Star Sirius means the soul stands in the subconscious in the Revelation and is shown in the second decant of Cancer, to be true to our real self and to trust in God. The soul is shown the reward of those who believe in the super physical in the 12th house purpose of God to clear the soul of her debts of destiny in the surgery to transform the soul under the master surgeon as described by Maitreya in his dictation, "The Six-Pointed Star of the Lord of the World". The message of the Sun is that everything happening is for a purpose, for the transformation of the self under the master surgeon Maitreya and his twin flame. Or the purpose of (outer) transformation is for those who use the cycles of the Ruby Ray to take their vengeance or to build an outer kingdom ruled by antichrist (using the authority of the Office of Vicar or the President). The latter, Morya teaches, is for the binding of the 1 million fallen angels and so that the Modreds, who by their words and by their deeds are judged. The soul stands at the Y in 2018 and

must choose the spiritual path (spirituality) and the Individualization of the God Flame going forward or must choose materialism, the outer re-form-a_ction as agents of Satans counter revolution (World Communism of the ICC) in direct opposition (war) with the American Revolution and the Coming Revolution in Higher Consciousness. Mother prophesied the coming of this counter revolution and she call all who had a role to play and trained us to stand at the **Y** and make our decision. This she taught to every Keeper of the Flame in her July 4th Address 1996, "To Be or Not To Be".

The grand water trine formed by the 12th house cusp in Cancer to Neptune in Pisces in the eighth house, to Jupiter in Scorpio in the fourth house is to demonstrate the mastery over the water body to rid the soul of self-love and its passions in Scorpio driven by insatiable desire. The soul focus is either on the inner work, or in the outer organization. This is the dividing of the way. The karma returning as the unconscious floods the subconscious at 4° Scorpio of the residual desires of the soul's craving for power. This happened to Saint Peter as taught by Kuthumi in #13 of the Expose of The False Teachings (see references) . This is the fruit of the **Yod** whose apex is Chiron conjunct Mother's midheaven, to Apollyon on at 1° Scorpio and Transpluto at 1° Virgo.

The soul stands at the **Y** and washes her garments so that the fallen ones and the Modreds come and find nothing in them or, when the karma returns, it may hit them but it won't stick to them as taught by El Morya in the 410-axis clearance. This is the returning karma of the **Y**, whether the soul will move forward on the easy road believing the lie to follow the false hierarchy the Ruby Ray under Apollyon at 1° Scorpio or they will follow Jupiter, the Guru sent by the Great White Brotherhood to take our hand and to demonstrate the path of karma yoga and of the Sangha of the Buddha and follow the Great White Brotherhood at 14° Scorpio. The message of the Sun is that the soul must be constant and humble as she pursues the path under the Guru. In order to do this the soul must follow the diet of the adepts to maintain control of the Christ mind and to empty self through fasting, prayer, and meditation, and the binding of the dweller on the threshold in her service to the Guru in the sixth house. The soul's test is to face those unjust stewards who are governed by Pluto, Mars, South Node, and the Black Moon Lilith at 7° Aquarius.

The soul is called to empty herself of her karma with the Guru that is returning at 4° Scorpio of the lust, after the light of the Guru, her authority and her office, as the Vicar of Christ. The soul is called to stand in the causal body of Neptune in the second decant of Pisces in the second decant of the eighth house. "I the nothing, Thou the all". The soul is called to sacrifice self in the etheric plane and to fulfill her responsibility to receive her Holy Christ Self in their service as chelas and to wash seven times for the trans-forming-a_ction (transformation) of erasing the lesser self from the mirror of the Moon Mother as taught by Kuthumi. The soul is called to stand in the higher mental plane in the Christ mind filled with the consciousness of God.

This is the measure of the evolution of the soul to embody the higher frequency of Neptune. Or the soul is found wanting in the measure of her soul as she stands in the electronic belt of Neptune acting out the returning karma delivered by the Pale Horse, Death, fulfilling the

prophecy of the book of Revelation of the opening of the seven seals, the forth seal: Death. “And I looked, and behold, a pale horse, his name that sat on him was death and Hades followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beast of the earth”. Revelation 6:8, the 7 o’clock line of Leo that began to play out in January 1994 during the mega conjunction of seven planets in Capricorn within a 9° orb with Pluto at 27° Scorpio square **Saturn 27° Aquarius**. This karma was activated during *the solar eclipse* on February 15, 2018 at **27° Aquarius** in the seventh house playing out in the relationships between the chelas (and with the Guru) in their service together in this activity and organization as well as in the nation.

This eclipse occurred during the first of three Pluto conjunctions of Mother’s descendent under the eclipse of the Sun between the faithful and the unfaithful in their relationships to the Guru. This is the test to see who would uphold her office and fulfill their initiation and mission as one of the 24 Elders (and the 70). This is the testing of those who do uphold the Guru and those who seek the office for themselves arguing that they are no longer tied to the Guru as she’s no longer physically with us and it is their turn to do it their way. This is the encounter at the **Y** with the dweller on the threshold of consciousness, as specifically taught by *Lord Maitreya*.

The soul stands with the Sun of her I AM Presence (internalized) under the eclipse of the Sun and **calls** for the eclipsing of all opposition to the individualization of the God flame in the first decant of the first house. The **call** is to eclipse the opposition, all opposition from those who are undergoing the crystallization of the human consciousness in their quest for outer mastery and status, as well as, standing in the community under Saturn and Pluto in Capricorn driven by (pride of) ambition to change the organization and the nation to mirror their state of consciousness which is no longer tied to the Masters and to Saint Germain, in the Nation.

The North Node at 5° Leo first decant is in the 12th house third decant. The soul is being tested *during the eclipse of the Sun while standing at the Y* to choose her destiny to be or not to be, as taught by Mother in her July 4th Address in 1996. The soul must stand constant and with humility, as taught by Kuthumi, and remain constant in the comings and goings, in the joy and the sorrow of service to the Guru. The soul is constant as she meets the challenges on her Odyssey homeward and must extricate herself, in the cosmic honor flame, of the entrapments being set for her. These entrapments are being laid by the carnal minds of those who have taken the path of the adepts on the left-handed path and have become black magicians taken over by their dwellers. The latter are playing out the confrontation with Christ in the final years of the dark night of the spirit, the Tribulation. The latter are those who are vying for control to rule the organization and the nations under Gog and Magog. This is Babylon the Great and the Harlot of the anti-church and its anti-apostles and false pastors. The soul is called in Revelations [Rev 18:4] to come out of her or to receive her karma, now descending as the Tribulation.

Sanat Kumara has drawn the line across which these latter cannot pass. The soul is sealed in the forehead and protected by the law as long as the soul of the faithful remains in the protection of the light, under the disciplines of the law (by free will and desire to return to God’s Kingdom...which is NOT of this world). So long as the soul does not believe the lie and

CONTAINING THE BLIGHT
CHRIST AND ANTICHRIST

ignorantly cross the line in the blindness of her karma; she stands in the full protection of the law sealed by Elohim with the five spheres of the five secret rays sealing the heart, from the rising astral sea.

The North Node is where the soul stands governed by Christ in opposition to those who stand at the **Yod** at the apex of the **Y** in the road under the influence (apex) of Transpluto, the aliens and their computers programming the mind to choose the left-handed path. The latter is the road that will take them to Mars at 0° Aquarius in the sixth house conjunct the Dragon's Tail and the records come again of all past momentums and habit patterns of the past 60,000 years of rebelling against the Guru and the Great White Brotherhood and their own personal Christhood.

The soul stands at the **Y** in the road and takes the alternative to Mars, being Chiron at 1° Aries 50 minutes conjunct the ninth house cusp (devotion) at 2° Aries conjunct Mother's midheaven. The soul faces the decision with Hamlet to take the easy road and do nothing, or to take difficult road and allow God to work through her knowing, "I the nothing, Thou the all". Knowing that God is the doer and with God all things are possible and "where two or more are gathered in my name that which they ask that will I do" saith the Lord. The soul must make this decision standing under the eclipse of the Sun of their I AM Presence and under the lunar eclipse at 4° Aquarius, the eclipse of the Sun of the soul, her Holy Christ Self. The soul must stand on the light internalized having assimilated the Guru and decide **to be** or standing as the accommodator of the Guru, choose **not to be**, not to fulfill her destiny, not to return home but to remain and be crucified by those who are in their final hours of their hatred of the Christ and who would unleash their (final) Holocaust to desecrate life, as prophesied by Mother in 1996. We have come to the decision a (our) lifetime. The future, our future hedges on our decision.

The North Node stands in polarity to Mars, the boy child who stands at 0° Aquarius in the second decant of the sixth house. The soul must experience by her actions and words the originality in Aquarius of either the original blueprint of the soul's divine destiny and origin in God, or the blueprint of her original rebellion against the Guru, in the garden. The soul standing in the sixth house in the third decant must repudiate their past momentums and habit patterns (of the South Node) of achieving their desires (Mars) at any cost. That cost being the souls betraying their Christ Self, or the Christ of others but especially of the Guru. Herein lies the root of the hatred of the guru, the very core of its nucleus, Mars conjunct South Node conjunct the Black Moon Lilith in sixth house of service to the Guru in Aquarius of universal love, the love of the guru for the chelas, the highest love. The soul must repudiate the ego of Lilith, her pride of ambition and the forces of anti-love at the core of the hatred of the Guru; the fallen feminine ray and principle.

Squaring the axis of the North and South Nodes in Leo Aquarius, the seat of the soul chakra is the axis formed by the midheaven and nadir. The midheaven is conjunct Uranus in the ninth house at 2° Taurus opposing Apollyon at 1° Scorpio in the third house conjunct the nadir. The soul stands under the influences of Uranus' causal body or electronic belt and is being tested at the **Y** in the road of the soul's preparation for this initiation. It is the test whether she has assimilated the Guru and the teachings as a measure of the soul's love in Aquarius for the Guru

and her own Holy Christ Self. It is the measure of the soul's choice to be in loving obedience and arc the light from the Great Central Sun on the midheaven to free the soul from the chains that bind her, the components of personality and the crystallization of the human consciousness.

Or whether the soul will choose not to be and to play out once again her rebellion (Uranus) in self-love refusing to call for help determined to go their own way and do it themselves, refusing to call upon the Lord. The latter, the soul stands in the lower mental plane in the third house in the third decant of reason believing the logic of the carnal mind and relying upon outer achievements and talents developed through their experiences and outer mastery. These stand in the Uranus Apollyon polarity conjunct the midheaven and nadir axis as their karma returns from the unconscious into the subconscious of their hatred of the guru, Jupiter in the fourth house, first decant in their lust for the light of the Divine Mother in the Guru, her office and authority.

The soul stands as Uranus in the testing of her soul's evolution in assimilating the causal body of Uranus, the highest love. The solar eclipse is come to test the soul of the assimilators of the Guru and the light to evaluate the souls progress on the path of the Bodhisattva. The test involves the receiving of her Holy Christ Self on the ascendant and the Great Initiator and working the works of the ages, to cast out their dweller on the threshold. The eclipse is also to bring the accommodators to that point on the path of the confrontation with the dweller for the acceleration of the judgment and a shortening of the time for the elect and the reprobate.

Saint Germain delivered a dictation titled, **"It Is Time for the Harvest"**. This was during the July conference in San Diego, titled Family--The Heart of Community in 1998. This dictation was given on Sunday, July 5, **1998**.

Saint Germain tells us he must give us an understanding because an acceleration was to begin (July 1998). Stating that the (karmic) weight of the earth is weighing down all who are striving for their ascension. The Darjeeling Council informed us regarding those things that should not be and those things that must be.

Having been given the teachings of The Magic Presence, we were admonished to come into alignment and realize that we too can accomplish all things. Those who do not are holding back. And because they do, they do not receive the crown of everlasting life.

Saint Germain says, it is time for the harvest (1998). It is time for those who would come to new dimensions of reality to realize who you are and to know that you have within your being the true qualifications for your victory in this life. On July 5th 1998, we stood in Revelations 9:14 under the sixth trumpet as the sixth angel sounded and a voice said to the sixth angel, **"Loose**

the four angels who are bound in the great river, Euphrates.” And they came forth to slay one third on men.

Saint Germain says, **Let Darkness Be Turned to Light!**

Saint Germain speaks of the condition of life. For life must blossom and we must read the currents of life. He tells us to look through the maps of the continents, nation by nation, and come to an understanding of where the Darkness is, there to bind that Darkness and consume it. The Media is presenting us this darkness and is a good place to start.

This, Saint Germain states, is the real goal. **Let that Darkness now be turned to Light!** Saint Germain comes, he says, to bring the power that takes alchemy to that ultimate manifestation, of the very love of the Maha Chohan, in the initiation of our hearts that began in February 1988.

Saint Germain came in 1998 to open our heart chakra and the secret chamber of the heart and the flame that lies within. He did this he said because many of us must transcend **the self** and do so swiftly.

He tells us to make this world a place of the violet flame and bring Divine Justice to every household upon earth which will bring the souls of mankind, except for those who move against beloved Portia, to that place of opportunity whereby they might move forward, (the one million spoken of by El Morya).

What Shall Come to Pass

Saint Germain tells us, **what shall come to pass**. He told us that the power of the Holy Spirit shall destroy the fallen angels, and the power of Almighty God shall enter our being and flesh. He was explanatory, stating it will be. Revelations chapter 9 verse 3 (July 1997) Mother told us the angels of Shive come to destroy the fallen angels.

You will know, Saint Germain says, **an era of darkness**, yet that darkness **will not last forever**. But that **darkness must come until there is the consuming**, by the power of Elohim, of all that never should have been. These are the days when records of war, of suicide, of drugs and of all those things that have taken the children of the world out of the way must be cast into the sacred fire.

Saint Germain tells us, for Mother Mary has declared it, that **the day of Darkness will come upon us**, and then the day of Light shall shine as the

noonday sun. You will know that you have passed **through** those days that have lasted for thousands upon thousands of years, to a new beginning.

The Victory That Must Be Won

Saint Germain tells us that **we are the ones who bring forth this victory**. This victory must be won on every continent and everywhere upon the planet. This victory that we seek, Saint Germain tells us, **is won by love and love alone**, through the Maha Chohan. We do this, he tells us, by personal vindication, as we vindicate our own being, our own God Presence and that as we recognize how much we can erase and how much of God can descend upon you.

Remember, Saint Germain tells us, what is true and holy, what is lawful and what must be made manifest. Hold onto these things and let go of all that is unreal.

Saint Germain tells us to, **let there be the turning of worlds**. He says, let us see what shall happen as this movement moves on as there is the turning of worlds and of technology. Wherever there is an absence of God-purity, of Divine Love and of the Holy Spirit, there the power of God is able to descend to challenge and bind the fallen ones.

Saint Germain tells us that now are the moments when *we must see beyond the moment and move on* day by day, as the transmutation flame scours and brings to their knees those criminals who have moved throughout the nations. Much must be consumed, **He says and that which is to be consumed is that which God has ordained**. And if God ordain it not, then do not be concerned.

But if God does ordain it, then move on, as every nation upon earth must ultimately realize this transmutation. **For without this realization, the golden age of Aquarius will not come**. Saint Germain says, it will not come.

Saint Germain said that this darkness must go, and **it must go in this century**. Because he said, we need the two-thousand-year period of the age of Aquarius that we might move forward, that our children might move forward and that all of the people of the world might know an enlightenment that has never been known before.

The Descent of the Age of Aquarius

Saint Germain said that we have the implements and to forth with those implements to take up the Light, the vigil, and **to prepare for that moment**,

when Saint Germain will **unleash in our beings** and in millions of souls of light that **very presence of the age of Aquarius**.

This you will come to know, he says. You may come to know it before the turning of the clock signifying the descent of the age of Aquarius. Or you may know it afterward.

It all depends, Saint Germain says, upon what we sow this day, there will come forth a tremendous victory and preparation for these two thousand years.

Every Cosmic Being, every Ascended Master is with us and behind you and is there **to be your closest friend**. Saint Germain tells us, **Do not compromise anything, from the smallest to the greatest matter in your world**. He says, climb to levels of consciousness that will find us at levels of cosmic mastery that we may make those very changes that can turn the world around and bring in the age of Aquarius.

All things are possible unto you, he says. Saint Germain and Portia and tell us that **the overturning of the worlds of Darkness shall be for the opening of the doors of Light. This shall come to pass. This too shall be.**

You Too Can Have Your Victory

Let the moments turn into years and the years into victories (1998 to 2018) and the victories into the consummation of the climb up the mountains, white with snow. Let the power, the knowledge and the presence of Mount **Kilimanjaro be known to you** as the sign of personal victory.

Personal victory, Saint Germain says means simply this, that you and only you can have your victory. *Call to me, he says, and he shall send back to you the mighty signal from his heart that will bring you to the Comforter, the Holy Spirit.*

Elohim, Archangels and Chohans embrace you. And we send you, he says, the entire world map that comes from the Darjeeling Council **to show you what must be done to prevent any manifestation of greater darkness in the earth. You have the power of transmutation. Use it!**

Saint Germain says, **you hold the power of precipitation, of transformation and of my own alchemical mysteries**. May you **give back to me that which I have given you**, not only this day but for tens of thousands of years.
