

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

PART TWO

Part Two, of a three-part document, looks at the Sun's transit of Leo, in the year of the Saturn Return of the Initiation of the Heart by the Holy Spirit (*Maha Chohan Feb 21, 1988*). It looks at the karmic astrology of the lunar eclipse of July 27th and at its impact upon the soul's journey at the Y in the road at the apex of Chiron. As our souls stand at this point (*of the Y*) on the evolutionary journey of our souls when we must choose to follow the original blueprint of our soul's destiny in God in the ascension, or of our original rebellion against the Guru in the garden. This is the decision point of the soul to take the inner path and recede on the 8th ray into the secret chamber of the heart, or remain on the outer path and retrograde back down the mountain, following the blind leaders of the blind (eleven planetary bodies retrograde in summer of 2018). We look at the second Y in the road at the apex of Transpluto. What does it mean to the soul having made the decision at the Y in the road with Chiron...now Transpluto? Taken by itself it seems insignificant, but taken in the context of 2018 within the major cosmic/karmic cycles of the Nation and the Church, it is the deciding factor, the "Zero Point" taught by Gregg Braden. It is, Mother and Maitreya teach, the foretelling of the encounter with the personnel dweller as taught in *Climb the Highest Mountain (series)*, *Christ and Antichrist*.

Part Three looks at the Summit Lighthouse, understanding its birth and the Dragon opposing it and where we stand on the Summit having progressed to August 2018. Knowing the state of consciousness and the condition of the activity in 2018, we take a look at the initiation and challenges of the Keepers of the Flame in this next year (Solar Return). This will determine where we will be as a Nation, America, going into the election year, 2020. 2020 is the year, when we will stand with Saturn, Jupiter, and Pluto conjunct in Capricorn driven by the ambition of our leaders whom we elect to follow, or we will be found sealed within the secret chamber of the heart while the Vials of the Seven Last Plagues descend upon Babylon, the Great. Lastly, Part 3 looks at the solar eclipse of August 11th. At why Helios cut off *those who* in their ignorance/ignoring (abdication) of the law, the guru and the teachings, engage in senseless reformation of the activity and government, instead of the work of the ages of slaying our own, as well as, the dweller of those lifewaves with Pluto in Leo (even Virgo, Libra, Scorpio, Sagittarius and now Capricorn). This (Leo generation) is the lifewave who wants to be in control and finds it difficult to surrender to the guru or to trust in God.

SUMMER 2018 WATERING THE CROP CONTAINING THE BLIGHT CHRIST AND ANTICHRIST

I. Sun in Leo July 22

The Sun entered Leo *to prepare the soul*, during the 7th lunar cycle of the year, for a second Y in the road with Transpluto at the apex to Chiron and Mars at 1° of Virgo, Aries, and (Mars in) Aquarius. This second Y opened a window that stays open through the Solar Return of the Summit Lighthouse throughout next year. This Y in the road is testing the soul as the Sun enters the emotional bodies of mankind in Leo (in 2018) to test their (desires of) hearts determining which way the soul will go, to the right or to the left. This is separating the wheat from the tares. Mother Kali prophesied that they (Divine Mother) would return to harvest the TARES.

The Sun's entry into Leo also prepared the soul for the tests of the lunar eclipse on July 27 that *set the stage* for the initiation of the soul at the second Y in the road on August 4th. Up until now the soul has been operating under the eclipse of the moon at 11° Leo on January 31, the super blue blood moon, the sign and the symbol of betrayal. This is what El Morya describes in his dictation speaking of the Modreds. The stage is now set for the harvest of souls beginning at fall equinox.

The Sun at 0° Leo is conjunct the North Node at 6° in the eighth house second decant. The soul stands on the North Node with the Sun/Son [Kuthumi teaches that you are your Sun when you are the Son]. The soul stands in the light of her Holy Christ self, to fulfill her responsibility [eighth house second decant] to rule herself governed by Christ and to empty herself of the components of personality and their poisons and to cast out the dweller by assimilating the wisdoms of the five Dhyani Buddhas. The soul is called to stand in the heart to raise up the golden pink glow ray and to stand with the archangels to clear the lower chakras of the 'self-will' of the dweller to rule the soul and to crucify the Christ.

The soul stands with her Christ self in the eye of the storm in three chart patterns as she casts herself on the rock of Christ by fastening herself to the cross of initiation, to uphold the white cube of the Church Universal and Triumphant, the square (grand). The soul opens the door of the mystical Gateway to the secret chamber of the heart as she stands at the Y in the road (the Yod) and chooses to bend the knee in Capricorn and continue to Climb the Highest Mountain to the summit of the mountain.

The midheaven at 28° Virgo to the nadir at 28° Pisces represents the karma delivered by Helios made during the confrontation with the dweller that began with the 2017 T-Square [winter solstice December 21, 2016]. This drama that began in 2017 and continues to play out in 2018 is the confrontation with the dweller as the soul stands at the Y in the road conditioned by Chiron to reject the love of the Divine Mother and rebel against the guru, or the soul defends the guru (Father) as Christ. This has played out in every activity of the Great White Brotherhood for the last 25,800 years. At the heart of this drama is the original rebellion against the guru that led to the souls being cast out of the mystery school. *This confrontation with the dweller in 2018 standing at the Y is the opportunity for the soul to slay that dweller, to cast it into the flame to be done with the original rebellion and to take back the original blueprint of the soul as Christ.*

The soul has been trained for 36 years beginning in 1973 to 2009 in the office of chela striving to become the Christ to take the scepter of the Divine Mother having become the Christ. Then to stand on the East Gate with the authority of the Son in the office of Man with the two Messengers and the two Witnesses, as the true Christs and true prophets. The soul has faced the confrontation with the watchers and their personal and the planetary dweller on the threshold who would, if they could, take the scepter of the Vicar of Christ. By their words and by their works you shall know them and by which they are judged as their crystal cord and threefold flame are reduced. This reduction leads to their being cast out of Camelot, as Merlin returns with the Knights and Ladies of the Round table to cast these black magicians out. And as prophesied by the Goddess of Liberty, they will flee North America to Europe where they receive their karma.

The soul stands with her Christ self in the return of good karma as she stands in the northern hemisphere with Mother on her midheaven at 2° Aries to cast into the flame all previous *conditioning* of rebellion, in defiance of the guru, the original blueprint of that rebellion. Chiron stands conjunct Mother's midheaven at the midpoint between Neptune and the Part of Fortune. This is the harmony and joy of standing in the will of God on the East Gate at 16° Aries with the scepter of her Holy Christ self in the exultation of the God flame, the adoration of the God flame in the guru and Holy Christ self of all [second decant of Aries]. The soul stands in Aries in the second decant of the fourth house having receded into the heart as the soul stands in the fulfillment of the 22nd step of Revelations at the conclusion of the prophecies of Revelation and the 22nd step of the ascension. The soul has come prepared (in 2018) to stand at the fork in the road and choose to be the original blueprint of the soul, the Christ, and to cast the original blueprint of the original rebellion against the Lawgiver, the Teacher into the flame, as the soul takes the right-handed path at 1° Scorpio. The soul calls upon her causal body for the resources necessary [first decant of Scorpio] as the soul stands in the first decant of the 11th house in the originality of her origin, her original blueprint.

The *midheaven nadir axis at 28° Virgo Pisces*, the karmic axis, and the solar plexus, conjoins the 2017 28° T-Square formed by the midpoints, 28° Virgo midpoint between Jupiter and the North Node to 28° Pisces midpoint between the South Node and Uranus to 28° Sagittarius midpoint between the watchers [Psyche] and the Sun at winter solstice [2016]. This activation by the midheaven nadir axis delivers the karma at the nadir as the unconscious rises

into the subconscious at 28° Pisces, the midpoint of the South Node and Uranus; now in the summer of 2018 at 2° Taurus in the first decant of the fifth house and 5° and 6° Aquarius in the second decant of the second house. Esoterically the soul evolves from Mars which takes what it wants, to learning love in relationships and partnerships through Venus, to universal love of Aquarian brotherhood, the highest love of the guru for the chelas and the chelas for the guru, in Uranus. This bond of spiritual love is a measure of the soul's attainment of the alchemical marriage versus the material love of outer ties (idolatry and self-love). The light descending *will* consume all rebellion against the guru and all love that manifests below the heart as the hatred of the Guru manifests as usurping the authority and subverting the office of the two witnesses, the two Messengers, and the true Christs on the East Gate.

Now we will see the good karma returning at 28° Virgo to those souls who stood with the Guru on the midpoint between Jupiter and the North Node throughout 2017 and 2018. And we will see the return of negative karma to those who have out pictured the rebellion of the past once more between the South Node and Uranus. The latter will play out in Aquarius between the conjunction of Mars and the South Node beginning with the coming lunar eclipse at 4° Aquarius midpoint between Mars at 3° and the South Node at 5° Aquarius that occurs in the second house third decant.

The soul stands on the ascendant at 11° Sagittarius and receives her Holy Christ self or rejects the love of the Christ self and faces the revelation [number 11] of what is coming upon the earth in the confrontation between Christ and Antichrist. The soul stands in the second decant of Sagittarius on the ascendant to be or not to be on the descendent at 11° Gemini in the fidelity of the guru chela relationship *as* the soul fulfills the prophecy of Revelations on the 22nd step of the ascension. All are choosing to explore different activities prophesied in Revelations [the second decant of Sagittarius in the first decant of the first house]. Mother prophesied that every Keeper of the Flame would stand in the shoes of Hamlet and choose to be or not to be and if they chose the latter that they would lose everything that they love [Mars South Node in Aquarius, Uranus in Taurus].

Mercury delivers the message at 23° Leo in the first decant of the ninth house to the soul to let their ambition [third decant of Leo] be devotion to the God flame within the heart, to the lawgiver, the teacher, Mother and to stand in the flame in the all-pervading wisdom of the Dharmakaya in devotion to the wheel of the teachings and the law and to shed all ignorance (ignoring the law/teachings). The soul is called to stand on the ninth house cusp at 22° Leo in the mastery of the heart and to enter the secret chamber to be God taught in the wheel of the law and the teachings. The soul is called to wash clean of the past Leo cycles of this Pluto in Leo generation of our soul's 14-year cycles [3x] of the last 14,000 years, 28,000 years, 42,000 years of karma, as taught by Maitreya.

The soul is called to stand in the white cube upon the cosmic cross of white fire and to recede into the heart or standing in the outer consciousness of the personality, as taught by Vairochana, stand upon the grand square caught up in the coming storm. Mercury's message of the Sun of the soul is to keep the devotion to the Holy Christ self, the illumined mind of the Son

who is your Sun (sign), the Father and counter the poison of (pride of) ambition that lusts after the power of the Father without having mastered the emotional body, the water trine (plane). The soul is called to stand on the eighth house cusp at 14° Cancer conjoin the God star Sirius for protection in the coming initiation to defend the office, the mantles and the authority of the Divine Mother and Lord Sanat Kumara. The soul fulfills the office of the Son, in the Sun's transit of Leo in the first secret ray of the initiation of the heart of the bodhisattva [in the Saturn return of the initiation of the heart by the Holy Spirit]. The soul stands in the Sun conjunct the North Node in the second decant of the eighth house to fulfill the responsibility in loving obedience to the Holy Christ self to be governed by Christ, Sun conjunct North Node. This is in preparation for the coming lunar eclipse on July 27th at 4° Aquarius followed by the solar eclipse on August 11 with the Sun at 18° Leo in the first house.

The soul comes to stand with the Son conjunct North Node in Leo to demonstrate the disciplines of the law as the victors on the 22nd step of the ascension which concludes between July 21st 2018 and February 21st, 2019, in the last seven verses (of the bible. And now at Equinox in the last 5 verses). As the soul journeys on her Odyssey to find the promised land. The Kingdom of the soul's origin while light's opportunity is still open. The doorway for the soul's entry into the secret chamber of the heart is on a timer. It is destined to close. Mercury reminds us of the adage, work while you have the light for the day cometh when no man may work. You are called to your destiny to be the light of the world, the Summit Lighthouse of love, a world teacher and to wear the mantle of Atlantis (you once wore) and to walk the earth in the resurrection flame.

Mercury's message is that you are close to the victory of cycles. Enter in to the God flame of Leo and wash seven times of all ignorance of the disciplines of the law and in devotion and loving obedience to the guru, the Sun of the I AM Presence and the Holy Christ self, the Son. Kuthumi teaches that you are your Sun when you are the Son. Devotion to the guru-chela relationship strengthens [Leo] the bond to the heart of your origin in God and the path of the soul's journey on the 14 initiations, the 14 tests of the crucifixion in the *transformation* of the soul unto the resurrection in Christ. Mercury tells us to stand on the midheaven in the eye of the storm that was unleashed in 2017 as the T-Square. Mercury tells us to stand in the white cube [the grand square] in the disciplines of the law that others might see the light of the heart in contrast to the 2017 syndrome of Modred's lust after the office of the Vicar of Christ, the scepter of the Divine Mother of her Sons that they may know the hope of the ages and keep the vision and the promise of our land, its destiny.

The soul stands on the path of initiation on the cosmic cross of white fire in the third station of the cross on the 2 o'clock line on the path of personal Christhood and on the initiation of the heart by the Holy Spirit. The soul bears the cross of the energy veil of world karma of the hatred of the Divine Mother and Sanat Kumara as they stand in the 31st year of these two cycles on the 6 o'clock line and fall under the cross under the weight of world fear generated by their hatred of the Divine Mother of the antichurch and the anti-apostles and the antichrists and anti-prophets of the Book of Revelations. This is the weight generated by the ambition of souls who seek in the outer driven by their hatred of the guru. The soul is called to seek the devotion of the

altar as a refuge and to anchor the light of the heart of the guru and enter on the love ray and keep on to the goal, Venus 14° Virgo in the ninth house second decant.

The soul stands in the northern hemisphere calling upon the Lord and her causal body to command fire from heaven and anchor it in the southern hemisphere into the energy veil and the planetary karma playing out by those accommodators of the word playing out the karma delivered by the Four Horsemen as God delivers his judgment upon them through their own hand. This judgment plays out in the astral sea through Neptune in the third house third decant as the serpent logic causes the soul in her ignorance of the law and the teacher to play out their karma delivered by the Pale Horse, death, to one quarter of the planet, hell to follow upon those remaining till, Jesus says, overnight the population of the planet is reduced by 90%. The hell which follows as the karma descends day by day are the four scenarios taught us by Saint Germain with the rising of the astral seas.

II. Lunar Eclipse July 27

The Lunar eclipse of July 27th at 4° Aquarius conjunct Mars and South Node has major import for the 60th Anniversary of the Summit Lighthouse. It is followed by the eclipse of the Sun on August 11th at 18 Leo. Initiations are accelerating and karma is accelerating its return as we find ourselves at a specific point on our journey up the mountain where we confront the karma made long ago on our descent down the mountain. We meet the same characters, the same tests, the same old nonsense as souls forsake their training and their roles and responsibilities for material gain or to hold onto what they have accumulated. Instead of meeting the challenge of the initiation of the next 14 years on the 14 stations of the cross in the community that unites us, to transcend the chains that hold us, earthbound.

The lunar eclipse at 4° Aquarius in the second house second decant is the midpoint between Mars and the South Node. Mars represents the unloving boy child who rejects the love of the Divine Mother. Mars represents the unredeemed aspects of the soul that must be surrendered. Mars, we are also told, represents the chelas of Guru Ma and the point of the disciple's failure to pass their initiations on the alpha cycle [Capricorn to Cancer]. The South Node represents the Dragon's tail and its backlash, it's revenge and retaliation for being sealed in hell for millennia. It represents the records and

memory of past achievements, at any cost. Now unchained, these ones seek revenge by attacking the Woman Clothed with the Sun giving birth to the manchild. The Bible teaches the Dragon stands before the Divine Mother giving birth to the manchild to devour it as soon as it is born. Mother teaches that the fallen angels in Sagittarius infect the soul with the poison of envy and jealousy which plays out in Gemini as that envy and jealousy (for power) by attacking the child man in Cancer. The Ritual of Exorcism tells us that these child men in Cancer are the Saints who are sons and daughters of God, the 144,000, and the remnant of the woman seed [in each of the seven churches to which the revelations were given as the judgment] who keep *the flame* in the white cube of the Church Universal and Triumphant.

The eclipse occurs in the first decant of Aquarius, the eclipse of the Sun of the soul, the eclipse of the Son of the soul, the holy Christ self. The soul [the moon] is being initiated standing upon the light internalized, that which the soul has assimilated in the initiation of the heart by the Holy Spirit as taught by the Maha Chohan. The soul stands in Aquarius opposite the Sun in Leo on the axis of the seat of the soul chakra in the first decant of Aquarius, the original blueprint of the soul whether the soul will choose to become the Christ or to follow the Original Sin of the original rebellion against the law of the guru. This will play out in the third decant of the second house in the testing of the mastership of the soul's bond to her Holy Christ self and the work of the ages.

The eclipse of the moon stands in this initiation and her testing on the midpoint between Mars and South Node. The soul is being tested in her mastery over past habits and momentums [South Node] and over the residual desires [Mars] that are being released during the window of this eclipse from the unconscious into the subconscious at the nadir, 23° Pisces. These karmic situations, repeated across the eons, have been used to condition our soul by Chiron and now threaten to usurp the Messengers' authority and her office as vicar of Christ. This office and authority was given to her by Jesus Christ and he has not removed it. Chiron at 2° Aries conjunct Mother's midheaven in the first decant of the fourth house plays out as the returning karma as activities that take from the guru what is rightfully hers as taught by Sanat Kumara in the teachings of the hierarchy the Ruby ray and the seven initiations of those who follow the Lamb. These are the residual desires denied the soul because of failure on the path of initiation as taught by Kuthumi in number 13 of the Exposé of the False Teachings.

This karma now rises at 23° Pisces as fear, world karma that causes Jesus and his twins to fall under the cross of this weight of world fear as they bear this cross to save the church and the nation and the planet and her people. The karma rising at the nadir into the subconscious are the records of death of the coming of the Pale Horse, Neptune at 16° Pisces in the third house third decant of the disciple's nonbelief standing in the lower mental plane subject to the logic of the mind of the serpent who stands in matter on the East Gate usurping the office and authority of the true Christs and their Messengers. The serpent mind manifests on the descendent at 7° Gemini as the dual minded - those who would walk with one foot in heaven and one foot on the earth programmed to old habits and the conditioning of the soul under Chiron to betray the guru and to take their place upon the clock of betrayers.

SUMMER 2018
WATERING THE CROP
CONTAINING THE BLIGHT
CHRIST AND ANTICHRIST

This karma is triggered by Mars at 3° Aquarius during the eclipse of the Sun of the soul at 4° Aquarius (eclipse of the moon). Mars triggers the residual desires rising with the astral sea into the subconscious as the fear of being denied what they want most. The lust of the light of the Divine Mother, the coveting the light of woman and child; greed for the light of the people, the congregation, and the mystical body of the church; the insatiable craving of the depravities of Neptune as the lust for the light of the Divine Mother and her children runs through their veins as a narcotic. This poison rises on the ascendant at 7° Sagittarius as the poison of envy and jealousy of the faithful who stand on the cusp of the victory of winning the scepter and the mantle of world teacher and of that which they wore on Atlantis. The soul of the unloving boy child stands in Sagittarius in revenge and retaliation and in Neptune in the third house on the lower plane and plots to take what they believe is theirs. They stand on the descendent in the community in relationships to the faithful and their bond to twins flame and to the Guru at 7° Gemini poisoned by this envy and jealousy they are programmed in the fourth house and conditioned by Chiron in the fourth house to betray the guru, to kill the mockingbird and as Rich Richards in a Man for All Seasons, as Accuser of the Brethren gives false testimony for the killing of the prophets during the reign of the Gentiles in Revelations chapter 11 carried out in chapter 17.

This configuration of the lunar eclipse as the midpoint of Mars and South Node are the forces of anti-love in Aquarius, the have-nots who attack the manchild in the seventh house who is being born. This occurs as the manchild recedes into the heart in Leo into the secret chamber of the heart on the secret rays. Under the 11 planetary bodies that are retrograde (this summer) the soul stands on the Y at Chiron to recede into the heart, Leo, into the secret chamber of the heart on the first ray to commune with the Holy Spirit and to be God taught. While others remain outside the heart to be crucified, as taught by Maitreya, by those who play out the 11 retrograde bodies and return from whence they came, back down the mountain. This is the karma playing out of the last 25,800 years of the rebellion against the guru and the office of Christ as King in the nations of the world by those stewards who were as the Mayors of the Palace, given managerial or administrative duties delegated to them by the King. As the unjust stewards of the Bible they have taken what belongs to the King as their own, as the lesson taught us of Hamlet by Mother.

While the unloving boy child plays out this drama of the prophecies of Revelation given to the seven churches for their rebellion. The remnant, entering in the heart open the door to the secret chamber of their heart and recede as taught by Lord Maitreya on the path of initiation on the cosmic cross of white fire. This is the mystical rectangle, the alchemical doorway that opens to the soul who has embarked upon the inner initiation of the transformation of self in the alchemical marriage to the Holy Christ self who holds the office with the Messengers of the Son of Man.

US natal Venus at 2° Taurus in the first decant of the ninth house is conjunct transiting Uranus in the lunar eclipse the fifth house second decant and in the Sun's ingress into Leo chart in the fifth house first decant. The US natal Uranus is at 1° Leo in the 11th house third decant is conjunct the Sun's ingress into Leo. This is the initiation of the 12 tribes, under the seventh angel and his prophets, who face the same initiation as the 13th tribe under the guru. This is the

returning karma of the people, the 12 tribes of Israel in the rejection of their God under the prophet Samuel come full circle in America as this generation's rejection of Uncle Sam. This is the initiation of the remnant of the faithful in Taurus of attachment to the fruits of the labor. The testing of the soul in the realization of who is the doer, the God within or the man without. It is the training of the soul to be unperturbed on the descendent by the actions of individuals on the ascendant in relationship to Christ and the work of the ages and their relationship to the guru. Because evil is not real and its appearance has no power. All is not what it seems in the church, or in America. The initiation is come to test the soul to divide the wheat from the tares. Because there follows the judgment of the tares in the coming tribulation. First, God comes for the surgery to remove the cancer and poisons of the tares from the four lower bodies of God's people, as he seals them in their forehead for the coming of the seven last plagues. As long ago he sealed the doorways of the homes of his people as the 10 plagues descended upon Egypt.

In US chart second house ruled by Libra, Neptune represents the international bankers and their money system lusting after the light of the people of America through the manipulation of the economy and their economic policies, *monetary and fiscal*. Today, having done away with all pretense of the free market economy the government and the banking systems manipulate the light of the people through *credit policy*. Morya and Revelations teach us that the judgment descends upon its weakest link, the economy, international commerce and trade of the new economic order of corporate monopolies. The nadir at 23° Pisces with Chiron in the first decant of the fourth house represents the conditioning of the soul's reaction to the light as fear during the full moon and lunar eclipse (window). This results in Aquarius as paralysis, the perversion of Aquarius. The first decant of the fourth house is moods. This represents the vulnerability in the fourth house of our food supply and the monopoly within agriculture that is poisoning our diet (our four lower bodies). Neptune in the third decant of the third house in Pisces represents the vulnerability of the media to this returning fear that is used to program the minds on the lower mental plane to this fear which paralyzes the organizations' leadership as well as the nation's leadership. Helios delivers the judgment that manifests as the debt bomb in the eighth house to free the peoples from the economic slavery of Babylon the Great and the Scarlet Woman who rides the beast. The vulnerability lies in the people's tie to the economic system of Babylon, debt. The Moon is amplifying the magnetic pull on our moods, the soul's attachment to material substance and substance of self as taught by Kuthumi.

With an economic crash the value of the dollar will fall while the value of debt increases in proportion, as it does not fall with the dollar. The danger is super inflation and depression as real value falls because there is no money, only credit. God has said when the karma descends upon the fallen ones to head to the mountains and the place prepared. The power of survival is community.

A self-sustained resilient community living off the grid with no ties to Babylon relying upon the God within, in whom we trust for the exchange of real value. The key to survival is to act early and live off the grid preparing for the four scenarios by rebuilding community. The key to community is the heart. The heart of community is the family, the Masters teach us. The key to the survival of community is the initiation within the secret chamber of the heart for the

opening of the heart as the magnet that will transform a planet and magnetize the people, Morya's 1 million, to the heart, the heart of the inner retreat. The eclipses have come to clear the land of those who have come to America lusting after the light of the Divine Mother and her children. The eclipses are come to cast the black magicians out of Camelot, the Modreds, as taught by Morya.

The message of the Sun delivered by Mercury at 23° Leo in the ninth house first decant [devotion] is to heed the word of El Morya who gave us two priorities, devotion to the altar and survival. The Sun conjunct North Node initiates the heart in the Saturn return that occurred on Christmas day to test the soul in 2018, in the confrontation with antichrist. Who will recede into the heart and commune with the Holy Spirit during the 11 planetary bodies that are retrograde in the summer of 2018 during the eclipse of all opposition to the Sun of the soul and the Sun of the I AM Presence. Who will make the right choice to be the original blueprint in Christ and to surrender the original rebellion to the false hierarchy of the Ruby Ray at 1° Scorpio in the 11th house. The message of the Sun is to the Son as spoken of old to Joshua, "come in and close the door" to the secret chamber of the heart and commune with the Holy Spirit.

The confrontation is between those who are eclipsed by the eclipse of the moon midpoint Mars and South Node in Aquarius in the second house opposing the remnant of the faithful conjunct the Sun at the North Node in Leo in the eighth house. The Sun has come to cut the people free from those who embody the original rebellion against the guru as they play it out upon the stage in the summer of 2018 and harvest their fruits in the fall. The Mars Moon in the second house represent the forces of anti-love whose judgment is come.

The message of the Sun delivered by the messenger, Mercury is that the Modreds are cut off, Mercury retrograde prior to the delivery of the lunar eclipse the eclipsing of the Sun of the soul as the holy Christ self withdraws from those accommodators of the word, the abusers of the word on the first Ray, the clock of betrayers. Upon the Scarlet woman and the Scarlet Beast, the judgment descends. These are the eclipsed ones. Mars 3° Aquarius in the second decant [struggle] of the second house represents the soul's struggle to fulfill its desires and to play out once again the original blueprint of its rebellion against the law of the guru and the Holy Christ self which restrains the dweller. This eclipse of the moon represents the uncontrolled fulfilling of desire, El Morya says, at any cost. Archangel Uriel says in 63.02 that the crystal cord is reduced for those who rebel against the law and to those who obey, it is increased. The fruitless vines are uprooted.

Souls who stand in obedience to the Law are sealed and therefore stand with Mother at 2° Aries on her midheaven in the fourth house to mitigate this planetary karma and energy veil playing out to strip the chelas from the guru and the American people from Maitreya and Saint Germain, Uncle Sam. This, Maitreya says on the path of initiation, is the acceleration of the heart as the compassion of the bodhisattva Kwan Yin. The karma returns to those who take the left-handed path to play out the returning karma of the Four Horsemen of the rising astral sea in the four scenarios described by Saint Germain. It plays out as Revelations chapter 18, as the collapse

III. Seventh Lunar Cycle, Moon Q4

The moon entered the physical plane on August 4th. Kuthumi teaches that the moon is at its weakest in the fourth phase (Q4). It is here, Kuthumi says, that by the whirling Sun/Son consciousness we can undo the grave cloth wrapped around our souls and we can shatter the curses that keep us earthbound. It is when, Kuthumi teaches, all mankind can expand their threefold flame.

This Lunar cycle (7th of the year) 4th quarter is significant because the soul is being tested. We stand in the initiation of our hearts on the 22nd step of the Ascension (Chapter 22 of the Book of Revelations), as taught by Saint Germain. We stand at the Y in the road in the confrontation with our own and other's dwellers (Chiron to Apollyon and Transpluto). This began with the Sun's entry into Taurus in April through the Sun's entry into the mental plane in Virgo on August 30th to September 7th.

It is on August 4th with the moon in the physical that a second Y in the road reveals itself. The soul stands at 1° Virgo faced with the choice of Chiron or Mars. This is the choice Mother prophesied every Keeper of the Flame will face, "to be or not to be". When the soul faces the decision point (Zero Point) when taking the easy road, they could lose everything they love. As the karma descends and they become filled with hatred rejecting the love of the Divine Mother (Sanat Kumara). The choice is the hard road, to face Chiron and make the choice to be the Christ and to cast out the passions of Scorpio at 1° in the confrontation between choosing between the Hierarchy of the Ruby Ray (Jupiter) and the False Hierarchy of the Ruby Ray (Apollyon, the 12th Planet).

The soul stands at 1° Virgo sealed in the bond to the Guru having assimilated the guru and the teachings they put picture their Sun, Jupiter, Venus and in some instances their moon, as taught by the Maha Chohan in the initiation of the heart by the Holy Spirit that began on Feb 21, 1988 during the mega-conjunction at 0° Capricorn. All on earth stand at the crossroads in the Saturn Return of this initiation of the heart that began at winter solstice (on Christmas Day) to be tested as to which road they will take in 2018. Each soul stands at the Y, upon the stage, facing the choice that personal events and circumstances present to the soul. This is a window lasting through the Sun's transit of the emotional body in Leo; through the 28 day (8th) lunar cycle that

began with the new moon on August 11th; coinciding with the solar eclipse (on August 11th) at 18° Leo. This window will last for over one year under the partial eclipse (meaning all will be required to choose their path while some will knowingly, others, unbeknownst to them, have only one choice as their karma dictates.) Mother foresaw this time when every Keeper of the Flame would stand at this junction in the road faced with the choice that would determine their future for undetermined years to come. As these two YODs at the Y in the road occurs during the Solar Return of the 60th Anniversary of the Summit Lighthouse of Love. This coming year is a landmark year in the lives of every man, woman, and child upon the planet. The tragedy, is that most are unaware (in consciousness). Yet all know subconsciously, as the karma descends over the next year.

The midheaven 28° Leo is conjunct the US solar eclipse of August 2017 over America and the church. The eclipse warned of the coming testing in the initiation of our hearts that began with the Saturn return on Christmas day, 2017. Now in the fourth quarter of the seventh lunar cycle of the year of the testing of our souls the karma returns at the nadir, 28° Aquarius as the unconscious erupts into the subconscious of the forces of anti-love. This is the return to the people of the karma with Saint Germain and with Merlin (in particular). As Saint Germain prophesied that Merlin would return to Camelot to cast out the black magicians. As the Goddess of Liberty prophesied that the Masters would cast out the black magicians from North America. These latter, are all who stand at the Y and choose the left-handed path bowing upon the mountain before Satan and their dwellers to become black magicians, adepts on the left-handed path.

The soul stands in Leo, in the North Node at 5° Leo, with the Sun at 12° Leo, the Part of Fortune at 15° Leo, Mercury retrograde at 19° Leo, and on the midheaven at 28° Leo conjunct the solar eclipse 28° Leo, in the eclipse window lasting 33 months, that began August 21, 2017. The soul read the handwriting on the wall in the summer of 2017. The soul came prepared to stand before Maitreya in 2018 to play their role upon the stage in choosing to be the Christ in the confrontation with antichrist. This is the testing of the soul during the measure of the soul's assimilation or accommodation of the guru and the teachings.

This is the measure of the soul's evolution on the path of the birth of the Christ child. This is the measure of the souls who have bonded to the heart of the messengers and to the heart of Maitreya having been called and chosen to return to Maitreya's mystery school in the Western Shambala. This is the measure of the sons and daughters of God who stand on the North Gate with Maitreya in the office of the Lion and the authority of the Father who occupy with the 144,000 and the remnant of the woman and her seed, who keep the flame in the White Cube of the Church Universal and Triumphant. They stand in the 31st year on the 6 o'clock line of the initiation of the heart and upon the path of personal Christhood and fasten themselves to the cosmic cross of white fire and stand in the third station in Pisces falling under the weight of the cross of world karma of planetary fear. They stand in the dark night of the spirit with the finger in the dike to hold back the astral sea from erupting into the physical plane.

Mercury, retrograde at 19° Leo in the third decant of the ninth house and in the second decant of Leo delivers the message to follow the teachings of our Father Maitreya to recede into the heart into the secret chamber, on the eighth Ray and to communion with the Holy Spirit. The messenger, Mercury, tells us to call upon the Lord, standing upon the midheaven, to arc the light from the Great Central Sun and anchor it in the earth to consume the energy veil and the planetary karma foretold by the solar eclipse now returning at 28° Aquarius. This is the karma of those who believe the lie of the Black Moon Lilith at 19° Aquarius in the third house third decant who, standing in the lower mental plane of the third house, believe the lie of the serpent of the lesser self that they alone standing in the hour of the test can make the choice to do it their way, a better way than the Great White Brotherhood's way, the way of the road taught by Jesus Christ. The Black Moon Lilith stands in exact opposition to the messengers in this hour of the testing of the evolution of the soul at 19° Aquarius opposing 19° Leo squaring the opposition of the Ascendant at 18° Scorpio to the Descendent 18° Taurus. This represents the initiation of the souls who cast themselves up on the rock of Christ and fasten themselves to the cross, of initiation, the cosmic cross of white fire.

These latter are the souls who standing with the messengers, bonded to the heart of the Guru in Leo bind Transpluto, the apex of the Yod to Mars and Chiron. The soul stands in the ninth house in Leo having assimilated the teachings now stands in their Sun/Son, their Holy Christ self and calls upon heaven to eclipse all opposition to the Sun of the I AM THAT I AM of the guru as the spiritual head of the soul and the mystical body of the church as Vicar of Christ ordained by Jesus Christ. The chelas stands in the sun of her Holy Christ self and calls upon heaven to fulfill the prophecy of El Morya to bind Transpluto, the aliens and their spacecraft and their computers programming the minds of the people of earth (08/08/1987). The intergalactic conspiracy of the intergalactic dweller upon the threshold and their false hierarchy of the Ruby Ray. The soul calls for the eclipsing of all opposition, to the Sun of the soul and the Sun of the I AM Presence, from Transpluto in the first decant of the 10th house, the organization. The soul is calling for the eclipsing of all opposition from those who have achieved by ambition to leadership within the organization as taught by esoteric astrology. These are the ones whose ambition has allowed them to be programmed by Transpluto, the alien computers, and who stand in Maitreya's mystery school with the serpent and believe the lie that they of their own selves can solve the problems and lead the way. This is the replay of the karma with the serpent in the Garden of Eden and the casting out of the soul, now come full circle in the return to face the same initiation and the testing of the soul's evolutionary attainment.

The soul calls for the eclipsing of all opposition from those who have ignored the teachings and the law, have ignored Saint Germain's opportunity given the soul in America and the church to reach the sons and daughters of God upon the planet and across the nation. This is the hour for the clearing of all opposition to the soul whose mission it is to fulfill the mission of the Summit Lighthouse, the mission of America to awaken the people to their God identity and to the fact that they are chelas under Lord Maitreya on the path of the Ruby Ray and are called to return to the mystery school to make their ascension in the light (in this life). The cycle has now come for the casting out the black magicians from Camelot and North America for the

fulfillment of the prophecy of the sealing of the western hemisphere for the bringing in of the Golden age.

Mercury's message is to assimilate the teachings to call upon illumination's flame to illumine the night, the dark night of the spirit hiding those who lust after the office and authority of the guru as vicar of Christ. The latter have failed on the path of initiation and in their training to take the scepter of the Divine Mother that began in 1973. They would take the scepter as the archetype of the apostle Peter, having denied the Christ three times took the scepter to create the beast of Rome, the Roman Catholic Church and the Anglican church, as taught by Kuthumi in number 13 of the Exposé of False Teachings.

Now is coming the hour of the return of karma, the Tribulation, of those who refuse to be governed by Christ, to be ruled by antichrist prophesied by El Morya. Chiron at 2° Aries retrograde stands in the first decant of the fifth house. Chiron is the apex of the Yod that began with the Sun's entry into Taurus through the Sun's transit of the mental plane of the mental bodies of the people in Virgo. Chiron at 2° Aries conjunct Mother's midheaven [2° Aries] stands in the first decant of the fifth house. Chiron conditions the souls of those who throughout the ages have usurped the authority and the offices occupied by the Messengers who have come to deliver the teachings of the Seventh Angel to rescue their souls and to prepare them on the path of initiation to stand in this hour of the soul's evolutionary path within the mystery school to return home in the ascension. Chiron has conditioned the soul to reject the love of the Divine Mother delivered through her daughter, the daughter of the Cosmic Virgin. Chiron has conditioned souls by the poison of the hatred of the guru in Virgo *by withholding* from the initiation in loving obedience and the striving of the soul as taught by Maitreya in the Sixth Pointed Star of the Lord of the World.

Now is the beginning of the end of time of this cycle of overthrowing the activities of the Great White Brotherhood by Vivien and Mordred. We are told that this has been going on for **1 million years** by Saint Germain and we are told by Confucius that if we do not act now, if we do not play out our roles upon the stage in the cycles unfolding then we will have to wait **1 million years** for the next opportunity.

The chelas standing in the office of Christ are the light of the Great Central Sun of the Father to anchor it on the Nadir to consume the energy veil and planetary karma of those who would seize the office of Christ and rule by tyranny, emotional tyranny of Virgo. Because this karma will coat the people to come to accept this tyranny because they have rejected the love of the Divine Mother in the Messengers. The Seventh Angel sent his Prophets to the nations and to the people to call out the 13th tribe to walk the path as chelas to become the Christ or to seize the office of Christ and its authority, the scepter of the Divine Mother of the Office of Vicar of Christ.

This karma of the rejection of the Seventh Angel, the hierarch of the Aquarian age is returning to the planet, from the unconscious flooding the subconscious at 28° Aquarius in the confrontation of the people with the dweller on the threshold of themselves. Having accepted the

dweller on the threshold of themselves they are then ruled within their organizations and the nation by the third antichrist. Revelations 18:4 tells us to come out of her the anti-church and its anti-apostles and false pastors who oppose Sanat Kumara and his chelas the Ascended Masters. Or if you refuse to use the violet transmitting flame to consume the karma that binds the soul and the souls of the people to these rebellious ones, it will signal the end of the sponsorship of the soul as they are taken over by their dweller during the Eclipse of the Sun of the I AM Presence and under the eclipse of the moon of the Sun of the soul, the eclipsing the Holy Christ self at 4° Aquarius [July 27, 2018] conjunct Mars and the South Node, the Dragon's tail in the second house opposing the Sun at 4° Leo conjunct the North Node 5° Leo in the eighth house.

The eclipse of the Sun on July 12 and August 11, 2018 and the eclipse of the moon on July 27 represent the cutting off of the soul by the eclipse of the soul because of her rebellion. The return of this karma comes in the black of night, the darkest point of the night, of the dark night of the spirit, the Tribulation. As the soul stands at the apex of the Yod conjunct the aliens and their spacecraft and their technologies and computers programming their mind to the mass consciousness. This is the collective mind of the herd consciousness programming the mind to take the left-handed path of Mars, the desire for that which is denied, the residual karma of the mantles they wore upon Atlantis before the Golden age fell. This residual desire has kept the soul tied to the fallen angels who promised to restore those mantles to them under the false hierarchy of the Ruby Ray, at the cost of their immortality.

Now will play out the drama of the killing of the mockingbird as Rich Richards takes to the stage in the 31st year in Cancer on the 6 o'clock line of the path of personal Christhood and the initiation of the heart. They take to the stage to attack the guru, as those who have failed on the path. They take their place upon the clock of betrayers and as the accusers of the brethren as they give false testimony of those who are born of the Divine Mother, the Woman Clothed with the Sun and her Manchild embodied in the initiates of the Ruby Ray who keep the flame of the mystery school in the Western Shambala (community of the Holy Spirit). [See the Ritual of Exorcism number six and number 8]

Venus at 27° Virgo is in the third decant of the 10th house. Venus is midpoint Jupiter and the Sun. Venus assimilates the guru and the teachings [Jupiter] in the third decant of the 12th house by fulfilling her responsibility to the Guru as chela [Jupiter second decant Scorpio]. The soul stands with the Guru in constancy and humility through all of the joy and the pain of standing with the Guru against all that opposes the Guru. Venus stands at 27° Virgo in the third decant of Virgo to repudiate all who would usurp the authority and the office of the Guru and the Messengers as Vicar of Christ. The chela repudiates all that opposes the Church Universal and Triumphant as the church made in heaven for those on the path of initiation under the Guru in loving obedience and obedient love as the soul stands under the Moon at 12° Taurus in the third decant of the sixth house to repudiate all those on the path who stand in rebellion against the guru and would lead the mystical body of the church and of the nation America back down the mountain to Babylon as in the days of ancient Egypt. Venus repudiates all that is not the rule of Christ in the church and the nation in upholding the Guru representing the I AM Presence, the Father on the 6 o'clock line in the 31st year on the path of initiation of the heart, on the path of

personal Christhood. Venus repudiates all who stand with the Black Moon Lilith at 19° Aquarius in the third decant of the third house in the serpent logic of the lower mind on the lower mental plane opposing the Messengers and who would strip the novitiate and the chelas from the guru as prophesied in 1985 following Mother's trial when El Morya created the 24 Elders to defend the guru from all attacking the guru.

The Elders stand in their 34th year, the first year of their three-year mission to defend the Christ and to uphold the Guru. This three-year cycle 2018-2019-2020 is in preparation for the initiation of the heart on the path of personal Christhood in 2021 as the soul stands in the 34th year in Libra on the West Gate at the River Jordan to be anointed by the Guru, the Sanat Kumara to fulfill the mission of the Summit Lighthouse when the Ascended Masters will be household names during the three years 21–22; 22–23; 23–24. The completion of the mission of the Summit Lighthouse that was inaugurated on August 7, 1991 concluding 33 years later, on August 7, 2024. This is the fulfillment of prophecy of the cosmic cycles given the earth and the nation and the church to this generation of the 12 tribes of Israel and to the 13th tribe called to be the priesthood to uphold the arms of the Guru in the judgment for the casting out of evil in the matter universe.

Venus represents the Saints who are the sons and daughters of God, as taught by the Maha Chohan, who assimilate the Guru and the teachings, who with the 144,000 and the remnant of the Woman and her seed, keep the flame of the white cube of the Church Universal and Triumphant in the disciplines of the law, on the path of the ascension. They stand immovable and unperturbed as they repudiate those who have come to this point on the path, who stand at the Y, and choose between the Guru representing their I AM Presence and the **dweller**. They repudiate those who have chosen to usurp the office and the authority of the Lion occupied by Maitreya in the mystery school of the community of the Holy Spirit. [*We are called to understand the seven initiations on the path of the hierarchy of the Ruby Ray as taught by Sanat Kumara. We are called to recede into the secret chamber of the heart on the eighth ray to commune with the Holy Spirit as taught by Maitreya in, "The Six-Pointed Star of the Lord of the World".*] Kuthumi teaches how the soul, who is called to fulfill her destiny, to take the scepter of the Divine Mother yet fails the initiation of the heart to become the Christ, to fulfill the Office of the 24 Elders, (how the soul), would see that scepter for which they were trained for 36 years 1973 to 2009 and who now 45 years later, take it.

All are (Elders) standing in the third house on the lower mental plane and must decide today that they will be on the higher mental plane filled with the mind of Jesus Christ or standing on the lower mental plane in the 3rd house filled with the ambition of pride, standing as the Black Moon Lilith determined, to do it my way, as taught by Maitreya. The latter stand in the false logic of the third decant of the third house, of the serpent on the 3 o'clock line in the false hierarchy of the Ruby Ray number five, the Serpent, as the embodied seed of the wicked one the original liar and the lie, embodying the false Christs and the false prophets. Venus repudiates these subverters. Seeing them, they name them at the altar and they call upon the fire from heaven to bind them and judge them and to cast the tares into the flame. This is the prophecy of Mother Kali, who told us the Divine Mother would return for the harvest of the tares.

Venus knows that Jupiter the Guru, and the Sun representing the I AM Presence, the Father, are the doers. Venus knows that, the Christ of me, I of mine own self can do nothing. It is the Father in me that do with the work. It is the Father who acts. It is the Father who has the authority of the office of the Lion - who acts. Venus stands in Virgo on the 11th house cusp at 0° Libra midpoint between the Great Central Sun at 1° Libra and Venus to defend the original [first decant of the 11th house] blueprint of the policies that established the Church Universal and Triumphant and the community of the Holy Spirit. Venus standing in the white cube as the sons and daughters of God defend the original blueprint of the Church Universal and Triumphant against all that would destroy the sponsorship of the opportunity to build the Golden Age in the physical for the victory is won from the beginning and the Golden Age is come in the etheric and this battle to be won or lost will be fought by those who take their stand for their immortal original blueprint and for their return in the ascension.

Venus stands to defend/uphold the guru to fulfill their mandate and their office as an Elder of the Church, the 24 (1985) and the 70 (1994), against those who would devour the manchild, the office of Man, the authority of the Son. The soul stands on the path of personal Christhood in the initiation of the heart in the third station of the cross on the 2 o'clock line in Pisces in the 31st year in Cancer and falls the first time carrying the cross of the weight of planetary fear [of the fallen ones of Pisces].

They have not met their timetable...to prevent placing of this capstone on the pyramid of America...any holocaust or war that they should stage will not have been in time to prevent this manifestation.
- Let the victory be sustained...

Bless them for the great strengthening you have received [from God as you determine to meet those challenges victoriously]** Bless them for the lessons you have learned so that you could pass the tests of Maitreya and the Cosmic Christ when they did come. Thus God-Gratitude for all who have ever injured you. are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.

- ...the dark clouds of the fallen ones that attempt to cover and **eclipse** the SUN of your I AM Presence.
- Let not the eclipse of the Sun or moon in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
