THREEFOLD FLAME OF THE HEART

(What follows is intended for those who would understand and apply the science of cosmic cycles derived from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, St Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you that my cup might be emptied that it might be filled again and again. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date.

It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

The Sun entered the physical plane in Scorpio on Nov 14th, 2018.

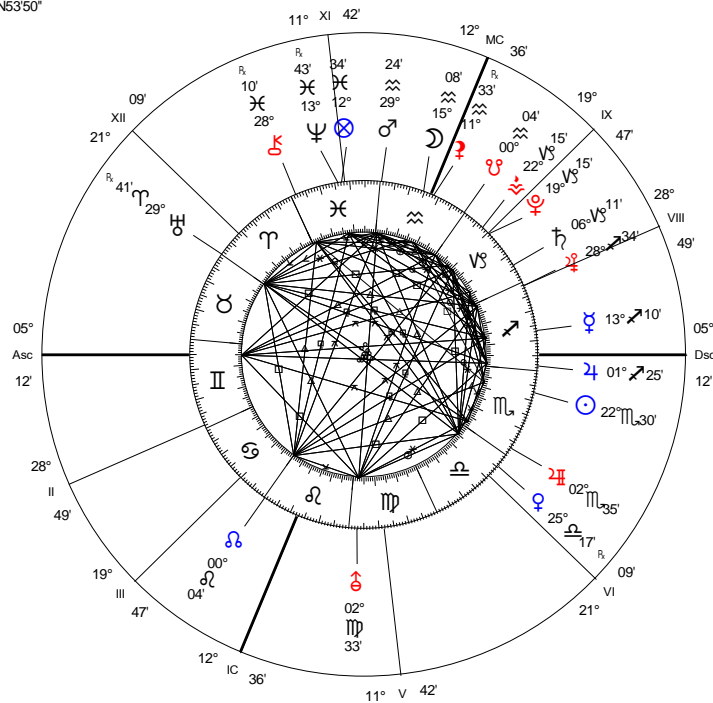

Color Coded Planets

(**Blue**) these are the planets that the souls who assimilate Guru Ma, the path and the teachings, out-picture. Kuthumi teaches that you are your Sun (the transit and your sign) when you are the Son (Christ). (**Black**) these are the planets the accommodators of the Guru and the path, play out. They out picture the karma returned by the Four Horsemen, as taught by the Maha Chohan. (**Red**) these are the fallen angels, the aliens and their forces. They are the false hierarchy of the Ruby Ray and represent the forces opposing the planetary Solar Hierarchy. These are *the players* on the stage.

The assimilators, chelas on the path stand out-picturing the Sun on the physical plane in Scorpio to demonstrate God-Mastery (in Scorpio) through their actions. They are demonstrating in their physical body their mastery over their passions and lesser self and its self-love. Venus, Sun, and Jupiter are in the 6th house of service to the Guru (Jupiter). Venus, the loving chela must demonstrate mastery in Libra in order to be the Son who

is their SUN intercepted in Scorpio. Venus must pass the test of inner achievement through the flame in the heart (Libra Aries axis) over outer achievement driven by ambition (5th house 3rd decant). This occurs because the soul is consciously aware and has washed 7 times (7 days in each of the 4 lower bodies in each sign) as the Sun transited throughout the year in each sign (28 Solar days; 7 days in each plane) and comes into the physical in Scorpio having erased the face of the lessor self from the mirror of the moon mother.

The Sun and Jupiter are conjunct in the 3rd decant of the 6th house to renunciate the perception, the component of personality of the lessor self (synthetic self and carnal mind) by the discriminating wisdom of Amitabha. The renunciation is of the perception of those in the activity and in America who stand on the **midheaven** (12° Aquarius) on the **midpoint** (13° Aquarius 20') of the Moon and the Black Moon Lilith. They stand in the organization and in the White House (1st decant 10th house) in the 2nd decant of Aquarius, rejecting the love of the Guru and Uncle Sam and the chain of hierarchy believing in themselves and determined to do it their way. They stand in opposition to the 12° Leo Nadir in the hardness of their hearts and ignorance of the wheel of the law and the teachings of Vairochana. They are inundated by their karma, rising in waves manifesting as change in their moods. These mood changes are significant and with each wave they attack Mother, the community (Aquarius) and the Nation, as taught by Archangel Gabriel and Saint Germain.

This opposition from the *enemy within* on the seat of the soul chakra (Aquarius Leo) surpresses the soul by the unloving boy child (Mars 29° Aquarius) in the 3rd decant of Aquarius or repression by the lessor self of the soul's original blueprint and her destiny (lunar south node 0° Aquarius). This warefare for dominion over the physical body by the dominant aggression of the Moon - Black Moon Lilith (midpoint at 13°≈20'; synthetic self ♀ and carnal mind ♂) we call the force of anti-love. This warefare plays out in the waves of mood changes overwhelming the soul which does not have the dominion in the physical quadrant of the year in Scorpio. This allows the dominant egos standing on the midheaven to attack the Guru in the sixth house (Jupiter Sun). This attack manifests through the T-square of this (see above) opposition to 13°≈21', the midpoint of Venus and Jupiter, the Guru and her chelas as taught by the Maha Chohan. These waves of returning karma, manifest as mood changes as the attack by Moon/Black Moon Lilith within the organization and the White House, are attacking the Guru and her chelas. This is the testing of the soul's ability to recede into the secret chamber of the heart as taught by Mother Omega, The Great Renunion (vol 51 no 19) and by Maitreya (6 Pointed Star of the Lord of the World).

This T-square has a 1 minute orb. It is the testing of the soul whether she will walk in the light of her Son-Sun in service to the Guru or she will walk in darkness in the 10th house on the midheaven and fail to /or refuse to call upon the Lord as taught by Maitreya. And she will do this in the harvest cycle of the year in the year of the Saturn Return of the initiation of the heart on Christmas day, 2017 following winter solstice and the divine blueprint for the year. The saturn return is a year long testing of our souls divine blueprint. Who will choose to be or NOT TO BE as prophesied of every Keeper of the Flame by Guru MA in her July 4th Address, in 1996.

The soul will do this in the harvest cycle of the year of the Saturn Return of the Safe Passage of Ye All and the mantle of learning, illumination and self-knowledge (Jan 01, 1989). This occurred 3 times in 2018, Feb 09; June 29; and finally on **November 09**, 2018.

These are only 2 of the Saturn Returns that are playing out; the initiation of the heart that began by the Holy Spirit in February 1988 and the Safe Passage was given January 01, 1989. Many releases of light and dispensations given in 1988 and 1989 are coming to fruition in 2018 and are being harvested this fall in the lives of all who incarnated worldwide, and those in America and the Church in 2018.

Furthermore, this is occurring by Divine Design in 2018 because we are bearing witness in the Odyssey of our souls' journey home as the walk in the light or the walk in darkness. The latter are spiritually blind believing in their own efforts to build the organization and the nation in the outer that they believe will fulfill the masters dream based on their achievements. This belief is in the lesser selves ability to do it their way. They believe they will make it work, believing the Guru failed. This is the psychology of many.

This is the call spoken by Archangel Gabriel in, the Mysteries of the Holy Grail. That all angels were called to revisit the decision to follow Lucifer. Many were called to this activity to serve the Guru in the 6th house or to attack the Guru and community. This is the logic, we are taught, of the Serpent in the Garden of Eden to Eve, promising a better way. This is Saint Germain says how every Golden Age has fallen, by materialism; the crystallization of the human consciousness.

All this is occurring in the year 2018 at the conclusion of a lifetime of service to God and country in the concluding months of the Galactic Alignment of Helios to the Sun behind the Sun back to the center of the Galaxy to the center of the Great Central Sun around which our Galaxy revolves, at 1°Libra. This is occurring at the conclusion of the 33 years that were given to all in embodiment to play out the prophecies of the Book of Revelations. This followed the 33 years given all our souls to walk the Path of the Ascension back home in the Odyssey of our souls journey on the Path of initiation.

We were all called and given the same opportunity but not all are equal in 2018. We stand in 2018 in the Saturn Return before Maitreya to be measured on the scale of the Heart. Who will recede in 2018 into the secret chamber or remain to be crucified by the Black Moon Lilith and Mars (the Modreds) who stand on the Midheaven and in the 10th house, as the Abusers of the Word on the First Ray whose judgement went forth on May 27th 1984. This was thirty four years

ago. Now in 2018 they stand having accommodated the Guru and the path to lead all who will follow them in building the outer kingdom.

This is the anti-church with its anti-apostles and false pastors, Sanat Kumara teaches in the path of the Ruby Ray and the opening of the seventh seal with its seven initiations. Saint Germain has told us that America will be reduced to its foundation as the judgement descends upon Babylon The Great; then we shall re-build.

2018 all are being tested. All are bringing the harvest of the last 33 years of our personal Christhood to the altar of Maitreya to be measured at winter solstice (2018) whether each soul will have sufficient light to survive the coming famine or whether when the greatest darkness of the dark night of the spirit comes they will be in outer darkness and weeping and nashing of teeth as they stand at winter solstice as Pluto conjunct Mother's descendant.

Those who follow the Guru will secure their harvest (oil in the lamps) from those who have no oil in their lamps and who will come to get by any means the light of the haves. These who follow the Lamb are receding into their hearts to be God Taught to demonstrate publicly the fulfillment of the final 33 year cycle we have been given as our measure. This 33 years began in August 1991 to finish the mission of the Summit Lighthouse. To bring the Ascended Masters names into every household in America. We have until August 2024 to do this.

We will have to do this, while all who have been called to be fishers of men or called to America who have not assimilated the Seventh Angel and his prophets and the Everlasting Gospel will out-picture their dwellers (winter solstice) and oppose the light as taught in Climb The Highest Mountain, Christ and Antichrist and by Maitreya, The Six Pointed Star of The Lord of The World. This occurs during the cycle of Pluto in Capricorn, Pluto entered into Capricorn on the eve of Mothers transition in the fall of 2009. Pluto transits Capricorn until it exits in 2024 (finally) on November 19, 2024 (3/23/2023; 6/11/2023; 1/20/2024; 9/01/2024; finally on 11/19/2024). The TSL mission ends on August 7th, 2014 at the conclusion to the testing of our souls in Capricorn in the use and abuse of POWER, by those in positions of leadership.

This initiation and testing of our souls is to prepare the victors to attain to God Mastery over the water body Pisces, Scorpio, and Cancer so that all power in Heaven and Earth can be bestowed on the initiate to determine who will rule with the King of kings for the next 1000 years. Our souls are being prepared to rebuild our church and America following the judgement so that our souls can rule as above so below. Those who walk in the light in the heart of the Guru are given the gift of the Holy Spirit of Knowledge. They have stood faithful in 2018 having come prepared to the Saturn Returns of 2018 for the Safe Passage of Ye All, and have entered the heart of the Guru and invoked the mantle of learning (teachings...assimilated them), illumination (teachings illumine the way for the soul); and self-knowledge. The soul recedes into the secret chamber to be God Taught...Gnosis). All this so that the soul can come before the Guru Sanat Kumara at the River Jordan in 2021 at the conclusion of the 45 years of the Galactic Alignment. To have bestowed on the chosen the mantles they wore on Atlantis before the last Golden Age fell. This is the promise of Sanat Kumara.

Lastly, this initiation and testing of our souls is so that we come to 2024 and the end of the Abusers of the Word on the First Ray, of the abuse of power in organizations, the churches, and the Nation. We come to the second eclipse of five that will occur on Mother's celestial birthday April 8th 2024 over America. This will begin on the west coast of Mexico, up through the New Madrid fault to intersect the first eclipse at the point of greatest eclipse then swing over to Syracuse NY and on to Montreal, Canada. This eclipse will eclipse all of all ties to Mother for the final test of Pluto in Capricorn and who has assimilated the Guru and those who have not will have all ties cut, the opportunity given their souls will be over. This eclipse occurs at 19 Aries 24 in the 9th house. This eclipse conjoins the eclipse on Mothers birthday in 2005 at 19 Aries which came at the end of a three year window of a YOD in Mothers chart with Pluto on the apex in Mothers sixth house of the chela's service to the Guru to her progressed Uranus and her Ascendant. Her progressed Sun was exact opposition to transiting Pluto on the apex. This Yod tested the chelas who had been called by El Morya and trained for decades who had been tested and who were now during this window of the YOD called to surrender their sense of failure and sense of self and to enter Mothers heart. She sent out the call for three years and the eclipse occurred in 2005 to seal all within her heart for the Safe Passage of Ye All and for the mantle of Learning, Illumination, and Self-knowledge. Many were called, not all answered the call. This was an inner and an outer initiation.

We stand on the cusp of of the Turning of Worlds and of the Fourth Turning as the counter revolution of the fallen as prophesied by Mother. This is the counter revolution (communism and the Milleniums) to the Coming Revolution of Higher Consciousness. This is the wave upon which the third antichrists will ride to lead the revolution and which will be harnessed by the return of Ghengis Khan, prophesied by Nostradamus.

All are choosing in the fall of 2018 which turning will be their future.

Sanat Kumara has drawn the line of the law and it cannot be broken. Keep the law and your protection. Study the wheel of the law and the Teachings under Vairochana.
