

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

The Thread of Time:

The solar clock entered Scorpio, the eleventh solar month of the year on October 23 [*each solar month is measured lasting 28 solar days, comprising 4 solar weeks of 7 solar days each. One week in each of the four planes of mater as taught by Kuthumi*]. The sun entered the third solar week in Scorpio on November 7th. America woke up on the morning of November 7th to the results of the midterm elections. America also woke up to the realization of the impact on the elections of Uranus having retrograded from Taurus back into Aries on election day. This Uranus transit had a significant and profound influence on the nation and the people on election day. This was the culmination, in this lifetime for this evolution, of all that has gone before. For the purposes of this discourse we look only at 2018.

The soul of the people of America and worldwide, stood in the Saturn return on Christmas day (2017) of ***the initiation of the heart*** that began with the ride of the Four Horsemen in February 1988 during the mega conjunction at 0° Capricorn. On Christmas day (2017) we saw the birth of Christ in the Saturn return and we saw the three wise men who avoided Herod and his henchmen who sent his armies for the abortion of the Christ child. We saw the beginning of the end of antichrist and his reign on earth.

We also saw the Saturn return of the dispensation of the mantel of ***the safe passage of ye all*** upon the messenger the vicar of Christ, the mantle of learning, illumination, and self-knowledge. This Saturn return occurs three times in 2018, on February 9th, June 29th, and finally today on November 9th, 2018. This dictation was given on January 1, 1989. Please review it to understand its significance in our lives and that of our nations... and to understand what is coming upon the earth through which we are offered safe passage according to the requirements of the law stated in the dictation. The bottom line is obedience to the law of God not to what man says is that law according to their claim to the right to the rule of man.

This is the harvest cycle of 2018 with the sun in Scorpio in the emotional plane following the elections in America and on November 9th, the third of three Saturn returns of ***the safe passage of ye all*** in 2018. Passage for all who remain bonded by love to the heart of the Guru, the two messengers for the purposes of being bonded to the heart of Maitreya, the great initiator. Maitreya is preparing our souls for the confrontation with our personal dweller and the return of the Serpent to the mystery school (Garden of Eden) prophesied by the Mayan whom they call the

TIMELESSNESS OF THE CYCLES

Feathered Serpent. This is the price of passage for all. All souls are being tested in 2018 to determine who has attained, safe passage. Who has received his grace. All souls came to the second full moon in January on the 31st to be tested during the window of the **eclipse** of the **Super Blue Blood moon** (at 11° Leo). We all came to be tested during the six-month window of this eclipse, lasting until the second lunar eclipse of 2018 on July 27 at 4° Aquarius. This blue (blood) moon was the initiation of our souls in the Saturn return of the initiation of the heart by the Holy Spirit, of who would enter into the secret chamber, the eighth pedal chakra of the heart. It was given to determine who would take their place on the *clock of betrayers* by betraying the Guru and the chain of hierarchy. Not by words alone nor by deeds, but by the vibration of the heart under the initiation of the Holy Spirit was Christ and antichrist born in 2018.

Standing under the eclipse of the sun of the soul, cut off from her Holy Christ Self, the soul was initiated to determine who they will be governed by, Christ or antichrist. Thus, the soul came to **February 15** and the solar eclipse of the sun of their Mighty I AM Presence to stand at **27° Aquarius** to fulfill the prophecy given by Elohim and their Messenger in 1993. The prophecy that this nation and this Church Universal and Triumphant must give birth to the Christ in order to preserve the nation and the church against the coming third antichrist. The third antichrist was born under the initiation of the heart by the Holy Spirit within those who accommodate the guru and usurp her office and authority and that of the true Christs and the true prophets as taught by the Ancient of Days, Sanat Kumara. 2018 is the fulfillment of this prophecy.

Souls standing under the eclipse of the **super blue blood moon** (the eclipse of the Son/Sun of our soul, Jan 31st) came to the **eclipse of the sun** on Feb 15th to be tested during the window of the remainder of the Galactic Alignment of the sun behind the sun behind the sun to the Great Central Sun and the heart of Alpha and Omega. This occurred on February 15th under the eclipse of the sun at **27° Aquarius** with Pluto making the first of three exact conjunctions to Mother's descendent of her celestial astrology, as taught by God Surya.

In 2018 every soul on the planet both embodied and out of embodiment is being tested as to their faithfulness to the Seventh Angel and his prophets and the everlasting gospel, the path of the guru chela relationship and of initiation. This testing is occurring in the year of the completion of the cycle of 33 years for the playing out of the prophecies of Revelation, the 22 steps on the path of the Ascension. Thirty-three years given to fulfill the requirements for **the safe passage of ye all** through the Tribulation that is coming upon the earth as the karma returns to the Princes of the Air, the 1 million fallen angels who sponsor the Modreds (Modred and his black knights).

The Elohim came prior to the mega conjunction of 1994 with Saturn at **27° Aquarius** squaring Pluto at 27° Scorpio to initiate their plan for the saving of the planet and her evolutions. This mega conjunction of seven planets in Capricorn within a 9° orb and with Pluto squared Saturn in Scorpio Aquarius has tested the planet (since 1994) which is undergoing the initiation of the heart to prepare Earth's evolutions for the safe passage through God's final judgment upon Babylon the Great and its harlot, the anti-church of the false hierarchy of the Ruby Ray.

Pluto stood on the **descendent** of Mother's celestial astrology (at 20 Capricorn) in relationship to her chelas as many came to the fork in the road, the Y during Chiron's conjunction of Mother's

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

celestial midheaven at 2° Aries. This played out throughout the months of the spring and summer as all confronted their dweller. Some, having arrived at the Saturn return of the initiation of the heart, were prepared while others refused to take the initiation and met their dweller. They became their dweller overnight as taught by the everlasting gospel and the hierarchy of the Ruby Ray that make up the Great White Brotherhood in Climb the Highest Mountain volume Christ and Antichrist.

Our souls stood with the sun's entry into Taurus and continuing till today with the sun in Scorpio under the grand square of the fixed signs, the pink plume of the heart to receive the love of the Divine Mother or to reject her love under the initiation of the Saturn Return of the initiation of our hearts by the Holy Spirit. We came to the fall harvest of Christ and Antichrist within each soul and in the balance scale we are found the acceptable offering or the unacceptable offering and receive the *safe passage of ye all*. The Saturn return of this dispensation (safe passage, Jan 1st 1989) occurred the first (of 3) times on February 9th following the eclipse of the moon and prior to the eclipse of the sun when Pluto conjunct Mother's descendent the first of three times in 2018 (February 15, July 2, and finally on winter solstice 2018 which will dictate the great drama to be played out in 2019 on the eve of the conclusion of the Galactic Alignment when the alignment with heaven will close and all who do not have a ticket for the journey to the summit of the mountain and safe passage will be left behind as they were at the end of the Golden Age in the Sahara and the end of the Golden Age of Shambala. All are choosing today whom they will serve. Some are choosing instead whom they will follow.

Thursday November 8th, 2018

Thursday November 8th, 2018 the sun is in the solar cycle in Scorpio in the emotional body of the people on the second day on the second ray. The solar hierarchies are initiating our souls on the second ray of illumination on the higher mental plane of the Christ mind. The moon representing the soul in the sun's ingress (chart) into the emotional plane of Scorpio of the people's emotional body was at 12° Scorpio conjunct the ascendant at 12° Scorpio conjunct the star, the Southern Cross. The sun will transit the 19th and 20th degree of Scorpio on Saturday and **Sunday**. It will trigger by conjunction, opposition and square the 20th degree of the pink cross of the threefold flame. This is the fifth solar day on the fifth ray when the sun will be in the second decant of the first house for the exultation of the individualization of the God flame in polarity in the seventh house the second decant, for the Declaration of Independence by the sons and daughters of God from those who choose to rule the outer (dialectical **materialism**) organization and nations. These latter are those who have cut their tie to hierarchy as they have chosen to follow Lucifer in the final judgment.

The sun is in exact square to the midheaven nadir axis at 20° Leo Aquarius (today, Sunday). The soul is being initiated under the initiation of the heart and the safe passage of ye all whether she will fulfill her responsibility to act to receive her Holy Christ Self or having come to the encounter with their dweller, receive the antichrist. Either way the soul has come to receive the blueprint of the divine vision of Scorpio or to fulfill the plan of antichrist to destroy this nation and this church as prophesied under the mega conjunction of 1994 and Saturn at 27° **Aquarius** squared Pluto at 27° Scorpio. This prophecy is being fulfilled under the window of the eclipse of

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

This is the initiation for the expanding of the pink flame in 2018. As the sun squares the midheaven nadir axis on Sunday (today) there is the flooding of the subconscious by the returning karma of the fallen angels during the sun's transit of the emotional plane of Scorpio. This represents the flooding of the emotional body with fear. This is the fear of the final judgment by the fallen angels of Pisces. This is the flooding of the emotional body of the planet and a people in the fourth house of the nations with fear, as the Elohim step through the veil of the Southern Cross as taught by the Messenger to carry out their plan for the judgment of these 1 million fallen angels who sponsor the Modreds [Mars conjunct the Black Moon Lilith at 24 and 25° Aquarius in the first decant of the fourth house].

The danger is that as each fallen angel is taken, the rising fear of the fallen angels who are next and of the Modreds and Vivienne [*and her like sorceresses who are the daughters of men, the wives of the watchers and the mothers of the Titans*], if not consumed by the light invoked by those who are called to the 13th tribe and by the people in the fourth house will result in major planetary change. This change could be catastrophic. Archangel Zadkiel has taught us in Vials of the Seven Last Plagues that under the dispensation this is intended to be cataclysm in the four lower bodies of the individual whose karma is returned. It is not intended to be earthquakes in the physical other than where *great darkness is concentrated*.

The danger is that these fallen angels realizing that now is the time prophesied of old by the Mayans of the end of their reign on Terra that they will preempt the cycles by fulfilling the prophecy of 1994 of the destruction of America and the church and of the nations sponsored by the Great White Brotherhood in the earth. In Saint Germain On Prophecy he prophesied a nuclear first strike on America if the people rejected their God. This prophecy was foreseen by Nostradamus, as occurring on the 45th parallel. The judgment of God descending upon New England for their rebellion not against Uncle Sam, but against their God. This our God told his prophet Samuel, Saint Germain as the people of America, embodied in Israel of the Old Testament rejected their God wanting to have Kings like the Nephilim and no longer be ruled by the chain of hierarchy through his prophet (the Guru).

This is the karma returning of the last 25,800 years of the rebellion on Atlantis, of this generation who cast out Jesus Christ and his white fire core, preferring to be ruled by Xenos. This is an old story and it is playing out (again) today in the church and in America. It was prophesied by Elohim and Mother in 1993 as the playing out of the mega conjunction in Capricorn in January 1994 with Pluto Saturn square at 27° Scorpio and **27° Aquarius**. This challenge we are now facing was prophesied to come and now is under the eclipse of the sun at **27° Aquarius** as Pluto conjuncts Mother's descendent to strip the chelas from the Great White Brotherhood. The accommodators of the Guru, the chain of hierarchy and the teachings would have us follow them as they would lead us to Christ as taught by Matthew. They promise to deliver but are opening the gates to chaos as they did (embodied) in 1917 because the people rejected the prophecy of Mother Mary at Fatima.

This judgment was delivered during World War I as the Spanish flu of 1918 delivered to Europe by the American military which then spread across the planet. The eclipse over America in

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

August 2017 is tied to the eclipse of the sun that occurred two months before this Spanish flu outbreak. This eclipse over America (2017) is also tied to the eclipse of 1776. It is part of the plan of the Elohim to cast the fallen ones out of Montana which has seen the most eclipses over America (7) by any state in the union. The 2017 eclipse is the first of five in the next 35 years (over America) and is come to cast out the black magicians from Camelot as Merlin returns to fulfill his destiny, as taught by Saint Germain. The eclipse over America is come to cast out the black magicians from North America and for the sealing of the western hemisphere as the fulfillment of *the safe passage of ye all*. It is come to seal the continent while this karma descends upon the fallen angels as they flee from North America to Europe, as prophesied by the Goddess of Liberty.

The urgency of the hour on November 9th-14th, 2018 is to keep the vigil to fulfill the soul's responsibility to the I AM Presence and Holy Christ Self *to consume this fear*, less the fallen ones play it out as prophesied by the Mayan, as the destruction of the nations, of civilization and the planet as they prepare to exit the planet to escape the final judgment. This is the prophecy of the Mayan, of the Precession of the Equinoxes that was to occur as the intersection of the two cosmologies of the Mayan, the confrontation of absolute good and absolute evil. One to occur on May 20th, 2012 during the return of the Feathered Serpent; the other to occur at winter solstice 2012 as Helios aligned with the center of the galaxy during the Galactic Alignment, in 2012. The urgency of the hour is to **keep the vigil against a preemptive strike** by the fallen angels against the Great White Brotherhood because of the judgment going forth at this time. It is to **keep the vigil against the revenge and retaliation** of these fallen angels and their creation, the Modreds and Vivienne and her like sorceresses, the daughters of men and by those sons and daughters of God who come to the path of initiation of the Y in the road and who bow down before their dweller and usurp the office of Guru, the two witnesses and the two messengers and the true Christs and true prophets on the East Gate, as taught by Sanat Kumara.

The area of the planet that is most at risk of major planetary correction is Northern and Southern Europe and the Balkans from Greece through Asia Minor to the Caucasuses and south from Syria and Israel through the Arabian Peninsula.

Call for the light from the Great Central Sun to be anchored in the earth **to consume this fear and the energy veil and planetary karma** of all idolatry, all ties, all sympathy to these fallen ones and their new economic order of a one world government of Babylon the Great and its harlot, the anti-church with its anti-apostles and false pastors who reject the Christ and elect to rule as antichrist, with Bible in hand and the flag at their backs.

Friday November 9th 2018

Friday November 9th 2018, the sun is in day three of the solar cycle in Scorpio in the emotional plane initiating the emotional bodies of the people of the planet, to align with God's desiring. To move with God and to be in alignment for the safe passage of ye all, during the third and final Saturn return on **November 9, 2018 of the dispensation released on January 1, 1989 of the mantle for the safe passage of ye all, and the mantle of learning, illumination, and self-knowledge.**

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

This is occurring during the eclipses of the sun and the moon to test our soul's evolution on the path of *the initiation of our hearts* that is expanding and balancing our threefold flame. This is occurring at the conclusion of the 33 years for the playing out of the great drama of the Book of Revelation that is ending on Feb 21st, 2019. Each soul has come to this point, over the last 33 years, to fulfill their responsibility to fulfill their destiny (Christ) as each one (now) plays out the role that they have chosen to follow. Each soul has reviewed their role's script within the Book of Revelations for 33 years, all have chosen. All the players of this book now stand on the stage in their pride and ego or in humility and constancy to carry out the great drama of the Tribulation **that is now coming upon the earth** for the final judgment and removal of 75% to 90% of the planet's population, as taught by Mother and Jesus.

Morya has told us that the Lightbearers and the children of the sun makeup 20% of the evolutions evolving on this planet. Morya tells us that these evolutions number 10 billion, the greater portion of which is now in embodiment. Those in embodiment have set up since World War II and the *Club of Rome*, the policies of zero population growth, euthanasia and abortion to keep God's people and his avatars from embodiment, and to prolong their reign upon earth and to put their exit plan into play. Many or most of the Lightbearers are in the etheric retreats waiting to embody. El Morya tells us that 1 million of those in embodiment are ready to follow on the path of initiation of the will of God in the diamond heart of Morya. Jesus in his Easter 1993 dictation tells us that 5 million of those in embodiment are ready to enter this church to assimilate the teachings and walk the path and serve.

The danger Lanello and Archangel Uriel and Archeia Aurora have stated is the direct result of the strategy of the fallen angels, which changed in 1985. Mother taught us that in 1985 they changed from attacking the guru to attacking the chelas for the purpose of stripping the chelas from the Guru and the chain of hierarchy. They did this because the Masters created the 24 Elders to determine the direction of this activity and to defend the Guru from the fallen angels in our midst, from attacking the Guru. In plain English this means that the fallen angels in our midst are mobilized and organized to strip the 13th tribe from the Great White Brotherhood. This will leave the 12 tribes of Israel vulnerable, to be massacred on the battlefield as they take their stand against the fallen ones and their Mordred's, as the latter prepare to exit the planet.

The initiation of the heart (1988) and the reorganization of the church and the nation announced in 1993 was to save the church and the nation, to save the sons and daughters of God through the path of initiation. We are being initiated to prepare our souls to meet this challenge of this confrontation with *antichrist* that threatens to derail our Ascension and our attainment on the path through strong illusion that the initiation is to build the kingdom in *this* world.

This is the world of the false hierarchy the Ruby Ray, the princes of the air who rule as antichrist. This is the failed initiation in the Garden of Eden and now in Maitreya's mystery school as the Serpent has returned to convince the remnant of the woman's seed that the teachings are not true, that there is at easier path to follow and to follow this generation, prophesied in the Book of Revelation and in Matthew that would come to lead us from the mystery school. These are the false pastors and the anti-apostles of the anti-church who have been called to serve Mother and the community or to attack Mother and the community, as

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

taught by Archangel Gabriel in the Mysteries of the Holy Grail and serve or attack America, as taught by Saint Germain.

How is this playing out?

The nadir of the Helios's ingress into the emotional plane in Scorpio is at 20° Aquarius. This karma is returning as a rising tide of fear. Fear of the coming of the Elohim to fulfill the judgment started by Hercules when he was in embodiment as taught by Morya El. This fear is manifest as an extreme vulnerability under the influence of the new moon in Scorpio, the 11th of the year which places it on the 11 o'clock line of Scorpio for the year. As the moon magnetizes then amplifies the residual desires of Mars (as taught by Kuthumi). These are the unfulfilled desires imprisoned in the unconscious now released into the subconscious into the fourth house of the nation(s) and her peoples. This is manifest as the unloving child and by the Mordreds represented by Mars at 24° Aquarius conjunct Vivienne and her like sorceresses as the Black Moon Lilith at 25° Aquarius. Mars and Lilith are in the first decant of the fourth house vulnerable to the lunar forces of the new moon and to the moods caused by the moon. This manifests as instability and lunar insanity, lunacy. It is playing out midst the fallen ones whose memories have returned along with their karma, of their ancient past **but not** their power that they once wielded having fallen from heaven as gods in the earth, midst the people. They long (desire) to wield once more that power they once had. The children of the Watchers and of the fallen angels and their creation, the Viviennes and Mordreds *also long* for that power, promised them by their fathers, the devil, but never delivered.

This karma has returned, to the Abusers of the Word on the First Ray (May 27, 1984), the power elite (7/4/1991) manifesting as fear. It is returning now as the perversion of Aquarius, hatred and the hate creation, the antithesis of love. Hatred of the Christ child of the Son of Man, the potential of the soul. This hatred of the soul (Aquarius Nadir) of the children, the remnant of Woman's seed, by the original guides and teachers who once stood on the six-pointed star on the West Gate with God, Buddha and the multitudes, now manifests as fear. This fear is driving their actions in the sixth house in service to the Guru, as Uranus has retrograded back into Aries (on Nov 6th, election day) driven by the ego to control mater, the kingdom. They crave in Scorpio, they lust and covet the opposing forces of God's presence in nature and in man who are coming into their Christhood (*Saturn return of the initiation of the heart and the Safe Passage of Ye All as Man stands in the 32nd year in Leo on the Path of Personal Christhood in the second year of the public demonstration of their Christhood as taught by Mighty Victory, in the Mandate of Victory*). They crave the power of the forces of the hierarchy of the Ruby Ray under the Guru and chain of hierarchy of the Great White Brotherhood of the planet.

Mother has taught us that the fear of Pisces manifests in Taurus as defiance, disobedience and rebellion. This is manifesting in Taurus, in the church and the nation, midst the 13th tribe, as the attack on their souls to strip them from the guru. This is manifesting in Taurus as rebellion against the will of God, the divine blueprint first of the judgment and then of the rebuilding. It is the lie that now is the time of the building when now God is about the judgment of the Cain civilization. The two cannot coincide simultaneously. Now is the hour of the sealing of the Temple. The fallen angels are at war with God and that means with America and the Son of Man. They are at war with **Renaissance Man** and the **Renaissance Nation** as they gather the people to their **Age of Reason**, to their counterrevolution called the "**Reformation**" to undo

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

everything that was set in motion beginning with the **Renaissance**, that was the rebirth of all set in motion by Jesus Christ that was destroyed by the church and the self-same church leadership in the period called the **Dark Ages**. Man has been told to know (*thyself*) your history or in ignorance repeat that history.

Fear manifests in the fourth house of the people and through Mars and the Black Moon Lilith, as waves of karma move through the subconscious, as one after another of the fallen angels are bound and taken. These waves of fear manifest in Mars and Lilith and plays out in the nation through the people under the new moon as *residual desires* through **Neptune** in the fourth house at 13° Pisces in an **increasingly great desire to escape** this returning karma [as prophesied by the Mayan] and **in their revenge and retaliation to preempt the cycles of judgment** by destroying the planet, America, the church and the holy innocents. The divine blueprint of this judgment is prophesied by God to manifest as the fleeing of the black magicians from North America by the Goddess of Liberty. But it is prophesied by the Nephilim and the Watchers as **their exit plan** as prophesied of old, by the Mayan who prophesied that they would destroy the planet.

This returning energy in the **fourth house** in the subconscious of the people and to Vivienne and Mordred represented by Mars and the Black Moon Lilith plays out through the outer planet **Neptune** as the **mass movement** of the people, through the collective mind of the **mass consciousness** of the people. The people on the lower mental plane of the lower mind play out the **collective consciousness** (Neptune) of group think and codependency in the fourth, fifth and six houses. We are witnessing this today in the **mass movement** towards our southern border with Mexico. What is really happening here?

Call to the Great Central Sun to arc the light and anchor it at the nadir to consume this rising tide of the astral sea of fear and the energy veil and planetary karma so that the Elohim may come and bind the tares while minimizing catastrophic earth changes in the fourth house.

Call for the binding of all who stand in confrontation with God, who are as whited sepulchers, unable to fulfill their plan as God carries out his plan.

Call for the consuming of all collective movements and of the mass consciousness on the lower mental plane of these waves of returning karma that are resulting in the mass movements of people to escape their karma instead of bending the knee in Capricorn before their God.

Call for the consuming of all sympathy, all idolatry and self-love, all self-preservation.

Call for the consuming and the arresting of the spiral of the cycle of world socialism and its **socialist revolution**.

Call for the consuming and the arresting of the spiral of world capitalism and their **new economic order of global governance** of the neoconservatives (1991) and **their world religion called communism**, and its world ideology of secularism and humanism of the **church of Satan**. Used of old to cause the fall of woman from the Garden of Eden and their obedience to Maitreya. There is nothing new under the sun all are cycles repeating itself, as the karma returns.

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

Call for the consuming and the arresting of the spiral of all plots, sedition, swindles, fraud, all criminal activities and human vices that are used to pull down the consciousness of man from the higher mental plane to the lower mind on the lower mental plane that is ruled by the Princes of the Air and Neptune. These are all characteristics of the electronic belt of Neptune. These are the characteristics that drive mass movements on the lower mental plane. We have seen it in the Russian Revolution and the French Revolution. We saw it on Maldek. We saw it on Hedron, we saw it on Lemuria and we saw it on Atlantis. We have seen it in every civilization of the last 25,800 years that are buried beneath the sands of time. And now (*only*) beginning to rise against America.

What we are witnessing is **the beginning** of *mass movements of hatred* that are the result of the third decant of the third house of the influence of the Serpent upon the lower mind of this generation in **the Age of Reason**, *the counterrevolution to the Renaissance and to America*, the coming of Christ. It was foretold. It is the battle of Armageddon, it is the end time. The counter-revolution to the Coming Revolution in Higher Consciousness, as prophesied by Guru Ma.

These mass movements are driven by serpentine logic. They rise on the tide, on the eve of the Aquarian Age as **fear** which is the manifest presence of hatred that is driving the crowd as a lynch mob to do all manner of the illegal activities [Neptune in the fourth house]. **Sanat Kumara** told us in 1979 to call upon his name or the name of Alpha in the face of these mobs. That to call upon his name will unleash the power of heaven that will turn back these mobs, that confront you. **Shiva** gave a dictation and told us when in this situation, to speak his name [out loud] that they will no longer see your face but they will see Shiva and you will see absolute fear in their response.

This fear rises to the subconscious in/as waves over Mars and Lilith and the people. It is the returning karma (daily) and with it the knowledge of what God is doing as the Elohim step through the veil using the steppingstone of the Southern Cross at 12° Scorpio. They are overwhelmed with fear. This fear in Pisces manifests in the extreme, as hypnosis [Neptune]. These **mass movements** are of the collective mind of the herd consciousness, the animal consciousness. These are the mass movements of people. It is how this occurs, it is not natural. It is the herd driven by fear to migrate. They have been programmed at the level of the subconscious mind to respond to the call for the people in the fourth house to leave their nations. (Of course, they are then funded and supported by the Nephilim and their Foundations.)

The God solution is to arc the light of the Great Central Sun and anchor it to consume the energy veil and this planetary karma and to call for the consuming of those who cannot respond to the **causal body of Neptune** to stand on the higher mental plane of the Christ mind illumined by God consciousness. The latter are called to stand in the earth to defend America and the Christ child that was born on Christmas day 2017, during the Saturn return of the initiation of the heart that heralded the birth of Christ in 2018. These mass movements are the armies of Herod sent to murder the Christ child.

Call for the consuming of all in America who, under the influence of Neptune seek to escape their destiny and put their heads in the sand to escape through the great illusion of Hollywood

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

and the media and their publications and their virtual reality as they stood of old and fiddled the in the fourth house of the nation(s) as they burned in (ancient) Rome and in Russia, in 1917. These mass movements are occurring on the mental plane. Arrest these spirals while they're in the mental plane.

Call to the Great Divine Director to arrest this spiral of these **mass movements** of people and of world socialism of the **counterrevolution** in the nation(s) against the **coming revolution** in **higher consciousness in the church** as prophesied by Elohim in 1993 and given in Mother's July 4 address in 1993.

The prophecy of what it would take to reorganize the church to ensure the **birth of Christ** to counter the coming of the **third antichrist**. This was prophesied by the Buddha of the Ruby Ray in October 1996 who told us, the communicants of the Church Universal and Triumphant and the staff of the Guru and Keepers of the Flame of the Knight Commander to watch for coming of the third antichrist and that **we would know him** when he comes.

We've been taught by the ascended masters to bind the core. The core of this rebellion and the coming of the third antichrist is the false hierarchy of the Ruby Ray on the East Gate in mater, **the serpent and its pride**.

Bind the serpent and his pride returned to Maitreya's mystery school and all who have bowed down before their dweller on the mountain with Maitreya. We are taught that if we do this all that is manifesting in the physical will dissolve. We are given this initiation in the fall of 2018 to know [Aquarius] this experience of the soul as God Victory over death. We are given to know the victory of the soul in Pisces to once again know God Mastery in the fourth house third decant at 11° Pisces, to know the revelation [11] of God Reality of the teachings as we experience the Christ mind in wise dominion over these challenges [the causal body of Neptune] to turn this and all that is coming upon the earth around as we stand with Saint Germain and Omri Tas and wield the sword of violet flame, judgment.

Call for the binding of Chiron at 28° Pisces in the first decant of the fifth house.

Call for the arresting of the spiral of fear during this solar cycle of Scorpio in the emotional plane, that is conditioning the people [Chiron] to remain cohesive, the collective consciousness of the herd in motion to be molded by the power elite as pawns in their war against Saint Germain. The power elite have funded these mass movements and are sustaining these mass movements by feeding them and through the use of tyranny and terror are keeping them moving. They are using the electronic forces of Neptune's criminal activities against any in the migration who awake from the hypnosis. This is the nature of the evil of Neptune's electronic belt; this is the underworld.

Call for the binding of all criminal elements' midst these migrations, the cartels, terrorists, Cubans, and the communists of Central America and Mexico. Research them, name them.

These mass movements are afoot and they are numerous and widespread in 2018 we've seen them in the elections, we see them moving on our borders, we see them in the foundations of

FALL HARVEST 2018

these billionaires, we see them in the financial institutions and in the corporations, many more are seen and must be named. Some even are seen in **mass shootings** in bars, as in California or in schools or churches. Stop this by Christ dominion! Call upon the Lord!

Saturday November 10th, 2018

Chiron is at **28° Pisces** in the first decant of the fifth house. The waves of returning karma are descending upon those who in *the Chiron cycle of 2018* stood at the Y in the road with Chiron at the apex conjunct Mother's midheaven at 2° Aries to play out the confrontation of the T square of 2017 as the midpoint of the lunar south node and Uranus at **28° Pisces** in the fourth house. The karma is returning to those who took the left-handed path at the Y in the road in 2018 conditioned by Chiron to play out their dweller on Mother's descendent during the Pluto conjunction at 20° Capricorn. We are witnessing the results, the mass movements of consciousness.

This is the mass movement of the stripping of the chelas from the guru. As all dispensations given in 1985 including the creation of the 24 Elders (to defend the Guru) and the 33 years for the playing out of the prophecies of Revelation (of the betrayal of the Guru) are in their 33rd year in Virgo on the karmic axis for the testing of the souls at the Y in the road. *The test of the Y* is to determine who will choose to be governed by Christ or ruled by antichrist, in church and state in this election year. This is the dividing of the way in preparation for the cycles of 1985 to enter the 34th year in the Christ mission, in 2019. This is occurring during the Saturn return on Christmas day 2017 for the playing out of the drama of the birth of Christ and of Herod and his armies who have gone forth to murder the Christ the firstborn. This is the playing out of the drama of the Dragon who stood before the Divine Mother giving birth to the manchild to devour that manchild as soon as it is born. These mass movements are playing out as the armies of Herod.

Call for the arresting of the spiral of the fear driving the herd consciousness... to stampede blindly to the approaching cliff, the precipice. This precipice and the stampeding mass consciousness is unseen by the spiritually blind in Gemini and Leo and Scorpio. The precipice represents the edge of **chaos**. The stampede is blindly heading to the cliff at the edge of chaos. This chaos is the strategic plan of the forces of darkness moving against America and the I AM race on the planet. We have witnessed this in recent years in Syria, Iraq, Afghanistan, Yemen, Libya, and Egypt. We have seen it in the Sudan and in Central Africa. These nations are the *leading edge* of this cycle of returning karma as it plays out in the etheric plane. What we witnessed was the percentage of the karma playing out in the physical with the greater portion playing out in the etheric, mental or emotional planes. Now as we head into 2019, we will begin to witness 100% of the karma playing out in the physical as Neptune, the Pale Horse. We will witness the playing out of this chaos as **anarchy and the nihilism of Uranus' electronic belt**. Uranus has retrograded into Aries at 29° to bear witness that this anarchy is controlled, driven by societies and associations and their foundations, by the billionaires and the princes of the air. **Call** for their exposure. This karma is the manifestation of the judgement of its creators. It can be transmuted. If not, it will play out once again.

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

The Four Horsemen [**Mars, Saturn, Uranus, Neptune**] are delivering the karma of the ages, of the destruction of civilizations. It is a rising astral tide. This karma is released from the bottomless pit [following the rising of the beast which was foretold in Rev 11:7 and who came forth in Rev 17:14 in 2009] for the coming of Elohim and the final judgment. The 13th tribe has been called to come apart and be the priesthood elect unto God to uphold the arms of the Guru, the I AM Presence for this judgment. For if this karma being released for the judgment is not consumed or it will play out as the destruction of civilization and the planet as prophesied by God and by the fallen angels.

Furthermore, this karma is *the rallying call* of the False Prophet who gathers the people to the coming third antichrist in the mass movements of world socialism, the Bolshevik Revolution come again, of the French Revolution come again to play out the prophecy of Nostradamus of the return of Genghis Khan. For this the Keepers of the Flame and the Communicants of the Church Universal and Triumphant, the chelas of Guru Ma have been called and chosen to balance this returning karma. In this loving service they will make their Ascension by the Grace of God. This rising tide of returning karma is leading to the final confrontation with the third antichrist, this is the coming Tribulation, Daniel's 70 weeks.

The rising tide of the coming chaos is being covered up by Neptune in Pisces, as self-delusion and the hypnosis of the conspiracy of silence. This is the silencing of the lambs. They are being silenced by fear [Neptune in Pisces], the fear for their lives, their livelihoods, their position in society, *especially* for their loved ones. The ninth house ruled by Sagittarius represents the higher mind the higher mental plane of the Christ mind. It is here in the ninth house that the clergy and the judges are called to stand in the Christ mind on the higher mental plane to speak out to challenge those in embodiment who break the law who abandon the wheel of the law in the pursuit of self-gain, ambition. The priesthood, the judges and the prophets are called to hold the line of the law in the defense of civilization of the Divine Mother born in America and her brother Great Britain, the British Commonwealth and in the Church. These nations are the inheritors of freedom and the common-law. These are the sons of Joseph, the inheritors of Christ.

The courts and the church in the ninth house ruled by Sagittarius are called to hold the line of the people's consciousness and to guide them from (and to) the higher mental plane. They are called to guard the Christ mind of the people against the serpentine consciousness of the lower mind in the third house ruled by Gemini that rules the media and capitalism through their monopolies of the utilities in the third house to control the peoples of the nation(s). Capitalism controls the media which controls the lower mental plane and the minds of the people in the third house and in Gemini. They cause the people through the serpentine logic of the **Age of Reason** to betray their God and the **Age of Enlightenment** in the **Great Awakening** of the people from those systems of control of the mind (Dark Ages). This is the **relentless wave of the Coming Revolution in Higher Consciousness and its counter revolution, the Age of Reason coming again as the 4th Turning**.

Those amongst the evolution of planet earth who will receive these teachings and embark upon the journey of the Odyssey of the soul in the disciplines of the law to assimilate the wheel of the teachings and the law will know the expansion and the balancing of the threefold flame of the heart within the eight pedaled chakra. On the evolutionary path of the soul, the soul will

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

assimilate the causal bodies of the outer planets to cast into the flame, the electronic belts of these outer planets. The Maha Chohan has told us that this occurs because under the initiation of the Holy Spirit of the heart of the chelas [*Saint Germain tells us that every American citizen is a chela of Lord Maitreya*] they assimilate the Guru and the teachings and the path of initiation. The guru is first and foremost because she is the embodiment of the I AM Presence, the teachings and the path of initiation. She is the living demonstration of walking the path of initiation, embodying the teachings and the slaying the dweller; *even the dweller of the chelas*.

The problem is that some chelas who are called to serve, the Maha Chohan says, accommodate the Guru and therefore assimilate their dweller. These are at war with the Guru while they profess to love and serve the guru. Their view of the Guru is 180° opposite those who assimilate the Guru. The Guru is at war with their dweller with whom they associate. They perceive the Guru to be their enemy, their downfall, even their very death. This is the product of the last 30 years leading up to the Saturn return on Christmas day, 2017. These are now, the Army of Herod. They are in Camelot, they are the Modreds and Vivienne and her like sorceresses. Saint Germain as Merlin is coming to cast them out. Understand that this is a vibration, see Revelation chapter 18 verse four, “come out of her the anti-church or receive her karma”. This anti-church is number four in the Ritual of Exorcism and they oppose Sanat Kumara and his chelas the ascended masters. This is the war of Armageddon. Revelations was given for the end times and the seven states of rebellion in the church.

The ninth house ruled by Sagittarius and the third house ruled by Gemini can either balance or oppose each other. When the good people of God come under the silencing of the Lamb and fear to speak out in the ninth house on the higher plane, this becomes a mass movement. This was the cause of the destruction of Maldek, of Hedron, of Atlantis, of Lemuria, of Russia in 1917 and as we are witnessing Great Britain and America, in 2018.

Neptune in Pisces in the fourth house is the mass movement of people. The movement of the mass consciousness of the collective mind [the electronic belt of Neptune] forming the counterrevolution of world communism [Neptune] to counter the individualization of the God flame [causal body of Neptune]. It is the mass movement of the Pied Piper leading the people to chaos and to the third antichrist to fill the void left in the ninth house. The void of the ninth house clergy and judges. As this movement takes hold there rises the third antichrist midst the people. Liz Greene explains in great detail how this happened with the coming of **the second antichrist** that led to World War II and its aftermath that came on the heels of World War I. See her works the Outer Planets and Saturn. She describes how Pluto interacting with the outer planets gave birth to the generation of the second antichrist who came to the forefront of the leading world powers in Hitler, Stalin, Mao Tse-tung, Mussolini, Roosevelt and many more. Out of the ranks of these mass movements arise these pivotal individuals who give voice to the mass movements of people.

Call for the arresting of this spiral of this mass movement moving through the four planes of matter into the physical. Mother has taught us that when the avalanche begins to come down the mountain it's too late. She taught us to get out of the way. Saint Germain has told us to get to the mountains and to the place prepared in Montana and to prepare to survive physically as did El Morya.

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

The criminal elements, the electronic belt of Neptune which holds the people in self-deception in a state of hypnosis, Neptune and Pisces, are at a critical mass with Neptune in Pisces. This critical mass occurs approximately every **5 generations** or $33 \times 5 = 165$ years and lasts for approximately **14 years**. Neptune entered Pisces on February 3, **2012** on the cusp of the return of the Feathered Serpent during the precession of the equinox of the solar eclipse at 0° Gemini on May 20th 2012. Just weeks before the first of seven Pluto Uranus squares, in June 2012. Neptune leaves Pisces in **2026**.

These criminal elements midst the movement of the people will eventually turn on them. We witnessed this as the fallen ones exterminated the elements of the people used to bring them to power as Hitler did the **Brownshirts**, as Lenin did the **Trotskyites** and as Mao Tse-tung did to the Chinese **intellectuals**, over **100 million exterminated** between them. Mother warned us that if we keep the fire of our hearts in the bond to the Guru that no matter what Holocaust the fallen ones unleash in the coming years; they cannot destroy the capstone upon the pyramid of America and the coming golden age. This was given to staff in 1996.

The sun in Scorpio in the emotional body is able to arc the light to consume the rising tide of fear through those devoted to the God flame in constant and humble service. And Kuthumi teaches us by erasing the face of the lesser self from the mirror of the moon mother, by self-effacement the soul is able to see the face of the Cosmic Virgin in the mirror of the moon mother. Thereby fulfilling the prophecy given by Guru Ma to her chelas that she will return. We were told in Summit University in the Great Divine Director's quarter that Mother is the daughter of the Cosmic Virgin.

The new moon in Scorpio, on the ascendant conjunct the Southern Cross in the solar chart followed the sun's entry into the emotional body in Scorpio to become the new moon, four and a half hours later, conjunct the sun at 15° Scorpio. This was the 11th lunar cycle of the year as the sun was in the 11th solar (month) cycle of the year.

The new moon magnetizes then amplifies the residual Martian desires that are magnetized into the subconscious to be consumed or to play out under the solar initiations and testings. In the solar chart these desires rise to the surface on the nadir in Aquarius as the returning karma. These unfulfilled desires return to the people and to Mars conjunct the Black Moon Lilith at 24 and 25° Aquarius in the first decant of the fourth house. This plays out through Mars and Lilith at 24° Aquarius in the third decant of Aquarius. It is the playing out of the desires of the past through the lunar south node or the Dragon's Tail at 0° Aquarius in the second decant of the third house, the **origination** of the soul's original rebellion against God. The rebellion in heaven that caused the fallen to be cast out of heaven **and** the rebellion in the Garden of Eden that caused the soul to be cast out of the Garden. Today, we are seeing the replay of that original rebellion. And we are seeing the confronting of this returning karma and the bending of the knee and the surrender unto God in Taurus on the descendent in the Guru-chela relationship and of freedom from this karma that has held the soul earthbound, since the original rebellion. All are choosing.

FALL HARVEST 2018

TIMELESSNESS OF THE CYCLES

This karma is playing out in those who have taken the left-handed path as the overwhelming desire manifests as self-love that takes the scepter of the Divine Mother and the mantle of the Vicar of Christ as taught by Kuthumi in the Exposé of the False Teachings, number 13. This is the replay of the original rebellion driven by the desire for the original power that the fallen angels once knew. They stand in 2018 with the full knowledge that without this power they are empty husks. Whited sepulchers powerless in the face of the coming judgment. It is this fear that is mobilizing them in mass movements to preempt the cycles as prophesied by the Masters and to play out in the physical the returning karma delivered by the **Pale Horse, Death [Neptune]**. It is the last enemy, the last vestige of their power. It is this fear of death that is silencing the lambs. This is the initiation of the crucifixion. But none can escape. **All stand on Golgotha and by their free will choice they will be fixed to one of the three crosses upon the hill.**

In the solar chart, Mars is in the fourth house with Neptune; Uranus is in the sixth house and Saturn is in the second house of the economy. These are the Four Horsemen and they are delivering the karma to the accommodators of the word for the judgment of the abusers of the word on the first ray. The accommodators are out-picturing the Four Horsemen, as taught by the Maha Chohan on Feb 21, 1988.

The moon, representing the soul having fallen in the original rebellion against the Guru was imprisoned by the force of her miscreation, by magnetism. Phylos the Tibetan teaches that energy manifests as magnetism in substance.

The office of the Vicar of Christ is a spiritual office and was passed from Jesus to Guru Ma. Only the hierarchy the Ruby Ray can pass the mantle. Only man can fail the promise and take heaven by storm as taught by Kuthumi. If this was to occur it will trigger the rise of the third antichrist across the planet in the physical. The likes of which have never been seen.
