GUARD THE HEART
WHEN LIGHT CONTACTS DARKNESS

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

This document verifies what you may already know. This fall we must guard the heart to protect the harvest of our soul's striving for the last 33 years. This is the cycle that began in 1985 with the creation of the 24 Elders to guard the office and the authority of the Guru from those attacking the Guru and the chain of hierarchy (*El Morya, Feb 3rd, 1985*). We stand in the harvest cycle of the year to guard the harvest of the last 33 years of the initiation of our hearts on the path of personal Christhood as we met the tests of the prophecies of Revelation in the confrontation with antichrist, within. Our souls stood at the fork in the road in 2018, deciding to be or not to be the Christ or antichrist. This is the prophecy given by Mother in 1985 following her trial, that the fallen ones would change their strategy from attacking the guru, to stripping the chelas from the guru.

We have been initiated for the last 33 years of the playing out of many of the prophecies of the Book of Revelation as taught by Archangel Michael, at summer solstice 1985. The soul must be consciously aware and guarding the heart throughout the fall of 2018. Mother taught us how to place the 404 versus of the 22 chapters of Revelations on the cosmic clock starting at summer solstice 1985 the beginning of the 33-year cycle and moving around the cosmic clock one verse at a time changing on the 21st of each month.

By placing the 33 years on the cosmic clock we were able to navigate, month by month, the initiation of our soul on the 22 steps of the ascension. We were able to chart our tests while we were being tested in the confrontation with those on the path, as taught by the Maha Chohan, who accommodate the guru and the teachings (*Maha Chohan, Feb 21, 1988*). The Maha Chohan teaches that those who do not assimilate the Guru and the teachings will play out the returning karma delivered by the Four Horsemen, out picturing Mars, Saturn, Uranus, and Neptune, as the testers. In other words, they would play out the mega conjunctions in Capricorn (1988-1994); and in Taurus in the year 2000 (May). Mother and the Elohim taught us in 1993 that we must reorganize the organization and the nation in order to focus on the birth of personal Christhood if the church and the nation was to survive, the coming confrontation between Christ and antichrist.

The accommodators are those on the path who have left off climbing the highest mountain as taught by Mother and Morya in the 410-axis clearance. They come to the Y in the road in 2018 after 33 years on the path unprepared, to confront their dweller. Mother teaches in Climb the

Highest Mountain volume Christ and Antichrist, how they turn overnight to become their dweller and black magicians. They were foretold as the false Christs in the Book of Revelations (*Rev 6:1; which we arrived at on June 21, 1993, and by Mother in her July 4th Address 1993*) who would be revealed with the opening of the seven sealed scrolls, having become the White Horse -Uranus. These false Christs, Sanat Kumara teaches us, are the false hierarchy of the Ruby Ray of the anti-church and its anti-apostles and false pastors. Mother foretold their coming and the consequences if we did not re-organize the church and the nation to bring forth the Christ (*see her Jul 4th Address, 1993 and the Elohim who came in the spring of 1993*) to prepare the church and its members and the Nation for the coming of these false Christs beginning with the 1994 mega-conjunction of seven planets in Capricorn with Pluto and Saturn square in Scorpio and Aquarius at 27 degrees. These **mega**-conjunctions (1988 - 1994) will affect the planetary evolutions for the next 200 years. Saint Germain warned us to prepare to survive the next 200 years. This means we as an organization and a nation must have a long-term strategic plan to ensure the continuity of the word. For if we have to re-incarnate, we will need strong families, the heart of Community to provide a welcome to incoming souls. This was and still is the purpose of the Essene Community.

We have come to the point on the path in Maitreya's mystery school of the confrontation with the serpent in the garden, once again. We all stand in the organization in the first decant of Capricorn in the 10th house, standing in the Y in the road and meet the Feathered Serpent upon the mountain. The Mayan prophesied his return during the precession of the equinoxes that occurred during the solar eclipse at 0° Gemini on May 20th 2012 (and winter solstice 2012). The Mayan prophesied that the serpent would return to rescue them from the final judgment by removing them from the planet in their spacecraft.

This played out beginning in June 2012 with the first of **seven Pluto Uranus squares** [Pluto in Capricorn, Uranus in Aries]. These seven squares occurred between June 2012 and March 2015 and were concurrent with the TETRA, the four blood moons [April 2014; Oct 2014; April 2015 and Sept 27, 2015].

All have spent the last 33 years on the path of personal Christhood [November 1, 1987] in the initiation of the heart by the Holy Spirit [February 21st 1988] **accommodating** *the guru and the teachings and America* or **assimilating** the wheel of the teachings and the law of America. All have come to the initiation in 2018 in the confrontation between Christ and antichrist to stand at the Y in the road (*throughout the period of the Sun's ingress into Taurus through the Sun's transit to 15° Virgo*), to make the choice to be Christ or to be antichrist. Or it could be said that we all came to the initiation in 2018 in the confrontation between Christ and antichrist to stand at the Y in the road, to make the choice to be governed by Christ or to be ruled by antichrist.

We now stand in the fall in the harvest of the evolution of our souls, in the confrontation with those who have chosen to be antichrist to determine the future of our organization and our nation. We stand on the eve of the mid-term elections which represents the people's choice to be governed by Christ or ruled by antichrist as the drama begins to play out in the nation. We must guard the heart within the community and the nations from the blight of the fruitless vines, the

rotten apples in the barrel, from those who have buried their talents and who are become the unjust stewards.

The latter have chosen to take the outer path of **materialism** of building the outer, church and nation(s). They are taking upon themselves the mantle and authority, on the 3 o'clock line of the hierarchy the Ruby Ray, of the two messengers, the two witnesses, the true Christs and the true prophets. They stand on the North Gate in opposition to Maitreya usurping the office and subverting the authority of the sons and daughters of God, the 144,000 and the remnant of the seed of the woman who keep the white cube of the Church Universal and Triumphant. These are they who stand on the 12 o'clock line in Capricorn within the organizations of the nation and the church who have become black magicians as taught by the Ascended Masters in *Climb the Highest Mountain* in the volume, *Christ and Antichrist* and as taught by Lord Maitreya in his dictation, *The Six-Pointed Star of the Lord of the World*.

They have taken their place, on the 6 o'clock line, on the clock of betrayers under the influence of the super blue blood moon that occurred on January 31st, 2018 [the betrayal of the Guru as prophesied by Mother in her lecture, "*To Kill the Mockingbird or a Hundred Ways to Kill the Guru*"]. Sanat Kumara told us that to understand the seven initiations on the path of the Ruby Ray under the hierarchy of the Ruby Ray, the initiate must study the false hierarchy of the Ruby Ray numbered one through eight in the Ritual of Exorcism [see chapter 29 of his book]. The harvest can be lost -- during the harvest cycle of the year under the attack upon the guru and her chelas in the 11th hour, in the gap between the cup and the lip.

Moreover, Mother has taught us that the 33 years for the playing out of the prophecies of Revelation concludes at the conclusion of the 404th verse, with the conclusion of the 404th month on the cosmic clock. This end date occurs on **February 21st, 2019**. The initiation is not up until February 21st 2019. The danger is that some will be deceived to follow those who are the agents of the stripping of the chelas from the guru. These are the accommodators who have left off the journey upon the mountain as taught by Morya and Maitreya and Sanat Kumara. These Archangel Gabriel teaches us, in *The Mysteries of the Holy Grail*, are the fallen angels in our midst who have been called to serve the Guru and the community or to attack the Guru and the community.

Understand the danger of the 11th hour, as taught by Mighty Victory, in *The Mandate of Victory* [chapter 17]. Mighty Victory teaches us of the challenges to be met in the dark days that would come (lasting but for a while). Mighty Victory teaches us that these are the ones who stand on the first ray in Capricorn in the governance of our organization(s) and nations, who stand in their pride believing themselves to be greater than all others, including the Guru. They fell on the first ray and they stand in their pride destroying all that falls under the first ray, government, the economy, the organization. Mighty Victory tells us to *bind their pride and they will fall*.

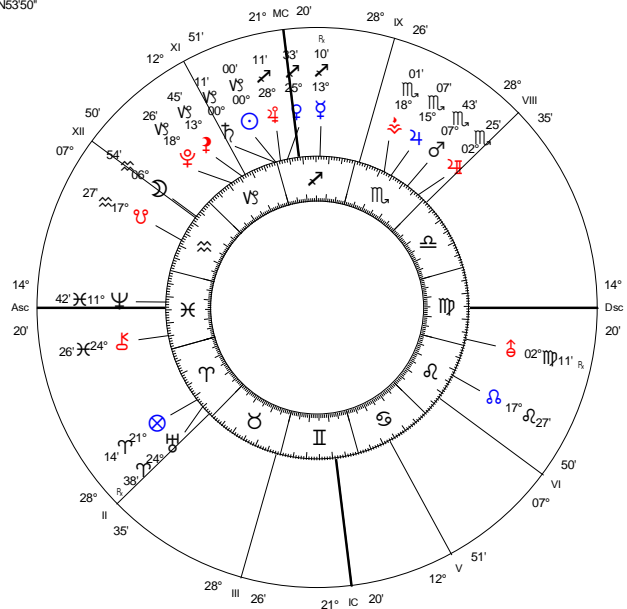

The five Dhyani Buddhas teach us that their pride is a poison (the parable of the rotten apple) on the 9 o'clock line of Libra (the community, the multitudes, the masses waiting to be free) as the poison of *the pride of ambition*. Ambition in astrology is *the fall* in Capricorn and in the 10th house. Ambition in esoteric astrology is the third decant of Leo and the fifth house. We are being

tested by the return of our karma and in the initiation of the heart on the path of personal Christhood as we stand in Leo in the first decant and of the fifth house. Some in their ignorance of the law, as they accommodate the teachings, the path, and the Guru as taught by the Maha Chohan, choose in their pride to rule as antichrist believing themselves superior to the Christ. Believing thus, they choose to rule as antichrist rejecting those who govern as the Christ child. Having taken their place upon the clock of betrayers under Abaddon and the Accuser of the Brethren they reform the organization (second decant) to ensure their control. These are the Leo generation, with Pluto in Leo, who cannot surrender control to their Christ Self and their I AM Presence, out of fear.

Guard the heart it is the gateway to the secret chamber of the heart, the eighth pedal chakra entered on the eighth Ray. This is the secret chamber of the heart where the soul is sealed by the blood of Lamb in the final years (cycle) of the dark night of the spirit, called the Tribulation. This is where the soul is sealed by the Divine Mother for the coming of Helios who delivers the Vials of the Seven Last Plagues for the fulfillment of the word that is written as prophesied by the Ancient of Days in Revelation chapter 17 verse 17. “As God hath put in their hearts to fulfill **his will**, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled”.

Daniel 7:8,9 describes this period as the fourth beast and the little horn, “I considered the horns, and behold, there came up among them another little horn, before which were three of the first horns plucked up by the roots; and behold, in this horn were eyes like the eyes of man, and a mouth speaking great things.” “I beheld till the throne were placed, and the Ancient of Days did sit, whose garment was white as snow, and the hair of his head like pure wool; his throne was like the fiery flame, and his wheels as burning fire”. Verse 11, “I beheld then because of the voice of the great words which the horn spoke; I beheld even till the beast was slain, and its body destroyed, and given to the burning flame. As for the rest of the beasts, they had their dominion taken away, yet their lives prolonged for a season and time. Daniel chapters 7 and 8 speak of the little horn, chapter 9 speaks of the vision of the 70 weeks, of the ram [Aries] and of the he-goat [Capricorn]. Daniel chapter 10, speaks of the final vision of the glory of God and describes the conflict between the holy and unholy angels. (10:14) “Now I am come to make thee understand **what shall befall thy people in the latter days; for yet the vision is for many days...** (12:10)

Many shall be purified, and made white, and tested, but the wicked shall do wickedly; and none of the wicked shall understand, but the wise shall understand. (12:11) **And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be 1290 days. Blessed is he that waiteth, and cometh to the 1335 days (1260 + 30 + 45).** (12:13) But go thou (Daniel) thy way till the end be; for thou shalt rest, and stand in thy lot at the end of the days.

Fall Quarter 2018

What was conceived at winter solstice becomes the harvest of fall equinox.

The soul stood at winter solstice before Maitreya who came to take of the fruit of the harvest of 2017 of the soul's confrontation with antichrist. The soul stood at winter solstice choosing to be on the higher mental plane on the midheaven in Sagittarius to receive the returning karma on the lower mental plane in Gemini to meet the challenges of 2018. The challenges of 2018 are the returning karma on the nadir, the midpoint between Uranus and South node. This is the returning karma upon those who stood in the T square throughout 2017 having chosen to accommodate the guru. The ghosts of 2017 (*the midpoint between Uranus and South node*) play out in 2018, as they repeat the past in 2018 of the betrayal of the guru. These latter continue to play out their rebellion [Uranus] in the confrontation with the assimilators of the guru that began during the T square of 2017.

The soul stands in 2018 in the assimilation of the teachings and the guru as the sun (SON) conjunct Maitreya (Saturn) as the soul stood before Maitreya on Christmas Day in the Saturn return of the initiation of the heart by the Holy Spirit that began in February 1988 by the Maha Chohan of the initiation of the heart of the Son of Man. Over the last 30 years of this initiation of the heart and of the last 33 years of the playing out of the prophecies of Revelation on the 22 steps of the Ascension as taught by Saint Germain, there has come the dividing of the way on the path of soul evolution, within America and the church which share the sun sign Taurus at 10° (47 minutes CUT and 46 minutes USA). They are synonymous, the church is the 13th tribe to the twelve tribes of Israel in America, Atlantis come again as taught by Phylos.

FALL HARVEST 2018 GUARD THE HEART WHEN LIGHT CONTACTS DARKNESS

The soul has come to the harvest cycle in the Helios cycle of the year, as taught by Kuthumi. The soul has stood in 2018 under the eclipse of the super blue blood moon in the Vesta cycle of the year and has come to the Y in the road as Chiron conjoined Mother's midheaven while Pluto conjoined Mother's descendent. They came to be tested as the chelas faced the confrontation between Christ and antichrist, within.

Now the souls of the faithful stand in their Sun on the ascendant descendant axis to uphold America conjoined her midheaven nadir axis as the I AM Race stands upon the cross in the Revelation (11°) on the midheaven in Aquarius of the coming confrontation in America between Christ and antichrist. The souls of the faithful recognize that for this nation to survive they must uphold the Christ as they stand, in the confrontation in the church and in the nation, to determine whether they will be governed by Christ or ruled by antichrist. The soul stands on the ascendant at 3° Gemini (conjoined the US midheaven) and receives her holy Christ Self having cast her soul on the rock of Christ, she fastens herself to the cross, the cosmic cross of white fire and under the initiation of Lord Maitreya works, the works of the ages.

The soul stands on the descendent at 3° Sagittarius conjoined the United States nadir bonded to the heart of the guru and to twin flame for the fulfillment of prophecy. As the soul stands with their finger in the dike to hold back the astral sea threatening to destroy America and the church as she stands a pillar in the community upholding the sky, the higher mental plane of the Christ mind in God illumination for the survival of the community of the Holy Spirit and the heart of a planet. The soul stands on the Part of Fortune at 26° Sagittarius in God illumination to counter the lies of the Watchers [Psyche] at 27° Sagittarius. The soul stands in God Harmony and joy

through the dark night of the spirit to uphold the guru and the community by illuminations flame because the soul *expiates* her karma and that of the nation and the church by washing seven times as the sun transits through the signs, seven days in each of the four lower bodies [28 solar days in each sign]. The soul expiates all that is illumined within her four lower bodies and the four planes of matter within the community and the nation and washes all ties to the Watchers and their wives, Lilith the Black Moon [Vivienne, Morgan Le Fay, Margawse and their like sorceresses as taught by Mother and their black knights the Modreds, as taught by Morya].

WHEN LIGHT CONTACTS DARKNESS

The soul stands on the descendent on the midpoint between Venus and the eighth house cusp conjoin the Watchers and the Part of Fortune at 27° and 26° Sagittarius. As the soul in devotion [first decant of Sagittarius] defends the guru in fulfillment of the office of Elder [the 24 and the 70]. The soul stands with the guru Jupiter at 20° Scorpio on the midpoint point between Venus and the descendent. The chelas stand in the bond to the heart of the guru in the third decant of the sixth house of the chelas service to the guru and repudiates those who stand in the outer church and in America who follow their own will instead of that of the Father. They stand on the Part of Fortune in Sagittarius with Mighty Victory for the binding and the judgment of the pride of these fallen ones who had been given the opportunity and the choice to revisit the decision to follow Lucifer as taught by Archangel Gabriel in *the Mysteries of the Holy Grail* and who have been called to serve Mother and the community but who in their pride have supplanted the Christ and now rule, having fallen on the first ray with Pluto in Capricorn.

They had 31 years to revisit the decision to follow Lucifer beginning with the mega conjunction at 0° Capricorn and the initiation of the heart by the Holy Spirit as we stand now in the 32nd year on the path of personal Christhood and in the 31st year under the initiation of the heart by the Holy Spirit having concluded the 33 years of preparing for the initiation of the Ascension and in the conclusion of the 33 years of the playing out of many of the prophecies of the Book of Revelation on the 22 steps of the Ascension, as taught by Saint Germain.

We stand in the fall of 2018 in the waning years of the Galactic Alignment of Helios to the center of the galaxy, in the alignment of the sun behind the sun behind the sun to the Great Central Sun around which our galaxy revolves. This cycle which began in 1975 concludes in late 2020. This coincides with the 33-month window of the solar eclipse over America and the church that resonates with the eclipse of 1776 and with the eclipse that occurred two months before the outbreak of the Spanish flu in 1918 during America's entry into World War I. This 33-month window of the eclipse over America ends in mid-2020 [May 21st]. The soul stands to arc the light of the Great Central Sun into the energy veil and planetary karma of these fallen ones whose karma is returning. This is the karma of those who stood under the eclipse of the moon at 11° Leo and now under the eclipse of the Sun at 27° Aquarius on February 15 during Pluto's conjunction of Mother's descendent (**the first of three**) to confront the chelas who stand with the guru. Under these eclipses they have become their dweller in 2018 as they stood at the Y in the road with Chiron conjunct Mother's midheaven. [See the four documents written during the summer of 2018 to understand this initiation of *the holy* and *the unholy* angels as described by Daniel].

The souls who have stood with the guru, have betrayed her for the last time. They have stood under the super blue blood moon on January 31, 2018 through the winter, spring, and summer of 2018 and usurp her office and authority. They now stand in their returning karma. The nadir at 11° Leo conjunct the ghost of the lunar eclipse reveals to the faithful the work of the ages as they stand to hold the balance and to consume the darkness less it destroys the church and the nation as prophesied by Elohim and by Mother in her 1993 July 4th Address.

The fall equinox reveals to the soul the nature of the relationship to the Guru and the chain of hierarchy within the church and the nation. The revelation that many stand upon the cross

FALL HARVEST 2018
GUARD THE HEART
WHEN LIGHT CONTACTS DARKNESS

bonded to the heart of the Guru in the spiritual while others stand in the material-legal [policy] relationship of the outer tie, in name only. This was prophesied by Mother to staff in the fall of 1996 when she said that we would be required to sustain the fire of the heart to uphold the capstone on the pyramid of America in the face of all opposition and that without the fire of the heart many would claim to be chelas of the Gurus even when there was no longer any tie. 2018 is the fulfillment of this prophecy when many no longer uphold the chain of hierarchy.

Many no longer believe that the teachings of the ascended masters apply to our time believing that they were for when Mother was in embodiment. They do not understand nor do they believe that these are the teachings of the war of Armageddon within the individual soul that will direct the soul's victory for the next 2000 years. They have fallen for the lie of the Serpent who has returned to the Garden of Eden to strip the chelas from the guru... and their Ascension. Mighty Victory says, "this is but for a while" and EL Morya says, it is the cycle for the playing out by the Modreds of their karma that results in the shrinking of their crystal cord and threefold flame until the hour of their judgment.

Morya teaches us to make the call to bind the 1 million fallen angels, who were bound by Hercules while in embodiment and whose time is now up and can be taken. The work of the ages is to stand at the altar and prepare to survive as taught by El Morya are our two priorities while we bind these 1 million who sponsor the Modreds. Once they are removed these (the Modreds) whited sepulchers can be bound by binding their pride which will reveal them as whited sepulchers.

The fall harvest of 2018 is the harvest of 33 years on the path and is separating out those who are the crystallization of the God flame from those who are the crystallization of the human consciousness. The latter are those, who Kuthumi teaches, who have not washed themselves seven times of the attachment to material substance and to substance of the self, which is vanity [Exposé of the False Teachings, number 9 through 13].

The fall equinox nadir at 11° Leo is the returning karma for the betrayal of God in the seventh house of war and trade as the eighth house of economic debt, karmic debt, collapses. Saturn the black horse of the economy is conjunct Vesta at 1° Capricorn conjunct the Watchers [Psyche] 27° Sagittarius. The attachment to material substance resulting in karmic debt leaves those in the ninth house unable and unwilling to be accountable. They are unable because of their pride and ambition to change the coming future, of their returning karma (of Prophecy). This is the same intransience of the Russian leadership, in 1917 that caused them to abdicate their responsibility to transfer power to the Christ in Lanello and Guru Ma who were the Czars children. Instead they followed the Czar in abdicating. They stood in 1917 in direct rebellion to Mother Mary who prophesied at Fatima, their returning karma. This has played out over and over with the destruction of Mu and Atlantis, Maldek and Hedron and all the civilizations the last 25,800 years. This is the karmic pattern of this group of souls, these Atlanteans. They stand in the fall of 2018 in the test of the first decant of the ninth house of devotion to the office of Christ and the chain of hierarchy of the Gurus. As they stand in Pluto, their dweller at 18° Capricorn 46 minutes devoted only to their self as they stand on the midheaven as Mars at 3° Aquarius conjuncts their South Node, the Dragon's Tail at 2° Aquarius 52 minutes in their anger and

hatred seeking after the scepter of the Vicar of Christ. Kuthumi teaches that this is the initiation of those who would lead the church, as Peter did twice creating the material church of Christ, first in Catholic Church of Rome and then the Anglican Church of England as taught by Kuthumi in the Exposé of False Teachings, number 13. He also teaches how Ignatius Loyola in his rebellion created the Jesuits and the **Reformation of the church**, the Age of Reason. The soul stands with their Pluto accountable only to themselves and their lust for power, the cause of their fall in the beginning.

The Sun, SON, rallies the faithful to hold fast in the upper [inner] room of the secret chamber of the heart until the coming of Helios. The Sun at 0° Libra conjunct Mercury at 1° Libra conjunct the Great Central Sun around which our galaxy revolves stands in the second decant of the fifth house in the **Reformation**, the reforming action of *policy*, the first decant of Libra, of material substance in a way that allows for the continuity of the individualization of the God flame and of the chain of hierarchy. This is the God solution to the challenge of the age, the cup half-full. The perception is both positive and negative at the same time. The Sun has come in the fall of 2018 to seal the souls of the faithful in the heart so that as the karma returns at 11° Leo and that of the nation at 3° Sagittarius on the descendent it will find nothing in them and as a Morya teaches, though it may hit them it will not stick. We see this in many disasters when some are taken and others are left to be grateful for the lives of themselves and their loved ones as God tests the attachment to substance and whether the soul will let go. In the wake of the coming karma souls band together as family, the heart of the community of the Holy Spirit and stand in united in their efforts as they perceive and prepare to survive what is coming upon the earth.

At winter solstice the Sun conjunct Saturn, foretold the coming of the Cosmic Christ on Christmas day during the Saturn Return of *the initiation of the heart* of the last 30 years [February 21, 1988] and of the Saturn Return of many of the dispensations released in 1988. The messenger of the sun [Mercury at 1° Libra] foretold the confrontation on the path of initiation upon the cross and that the soul would face the choice to recede into the secret chamber of the heart and the inner initiation on the eighth ray to speak the truth or to retrograde under the eleven retrograde solar bodies in the summer 2018 (planetoids). The word of God, incarnate in the Son, spoken when confronted by the fallen ones causes them to do his will until all that is written is fulfilled, and then to be silent (the Son). The soul from this point on is walking the accelerated path of initiation of the inner walk with God in preparation for the coming of the Lord to bestow the mantles that the soul wore on Atlantis during the last Golden age.

This is the harvest of souls whose evolution is the acceptable offering of the accelerated initiation of the inner heart on the path of individual Christhood in Leo in the 32nd year in preparation for the Transfiguration in Virgo in the 33rd year in preparation for the 34th year in Libra and the mission of the Christ as the soul prepares to come before the Guru at the River Jordan to be anointed to stand in 2021 for the final three years of the fulfillment of the mission of the Summit Lighthouse to bring the ascended masters names to every household in America.

The Sun in Libra comes at fall equinox with the judgment of policy reform, its treachery and intrigue undermining the foundation of the nation and the church. It comes for the judgment of the materialization opposing the spiritualization of the organization and the nation. Archangel

Zadkiel in Vials of the Seven Last Plagues tells us that it will manifest as earthquakes within the four lower bodies of the individuals. Helios delivers the karma into the subconscious at 11° Leo of the betrayal of the chain of hierarchy. It will play out by those who embody the karma delivered by the Four Horsemen, the electronic belts of Mars Saturn Uranus and Neptune. As the soul out pictures the electronic belt substance of the carnal mind on the lower mental plane influenced by the changing lunar forces and its moods. The minds of the mass consciousness on the lower mental plane are being programmed by the computers of the aliens. They are pawns in the counterrevolution of the fallen angels in their war of Armageddon against the Great White Brotherhood and Lord Sanat Kumara. These souls have been programmed to betray the Christ under the influence of the super blue blood moon of the lunar eclipse and to play their role as the clock of betrayers and the accusers of the brethren under the false hierarchy the Ruby Ray on the North Gate.

The messenger of the sun, Mercury at 1° Libra conjunct the central sun around which our galaxy revolves announces to the soul the significance of the cycle of the fall of 2018 in the evolution of the soul in the alignment of the solar system to the galaxy which is aligned to the central sun. The soul is reminded of the admonition of Jesus Christ that what you decree in the earth is decreed in heaven. Therefore, in the confrontation with antichrist over the policy and reform of the organization and the nation what the Christ decrees will be carried out by the fallen ones as God has decreed it so in Revelations chapter 17 verse 17. As the soul chooses in 2018 her future, to build a material kingdom ruled by antichrist through the force of law or to build the spiritual kingdom come in the etheric, governed by Christ through free will.

Mercury delivers the message that the choice of which kingdom the soul makes is based upon the soul's relationship and bond to the Guru and the chain of hierarchy in loving obedience or it is based on the ties to the false hierarchy of the fallen ones. Mercury delivers the message of Revelations chapter 18:4 to come out of her or receive her karma (the anti-church, its anti-apostles and false pastors). The soul is called to cut the ties to Mars, the South Node and the Black Moon Lilith in the ninth house second decant as the soul journeys to discover the Kingdom. The soul must choose which kingdom, the kingdom of heaven or the kingdom of earth. The soul must cut their ties from those who want the material kingdom, Babylon without the Holy Spirit. They must Morya says, place all their attention on two priorities, the altar and survival preparations. All else, he says must be subservient to these two.

- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*

- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
