(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Introduction

This is part two of The Calm Before the Storm document series. Part one, The Introduction explained the cosmic cycles providing the backdrop against which the coming events of 2019 will play out as each one decides to be or not to be. Cycles are manifesting as the Sun behind the Sun of our solar system carries out His holy purpose and prepares mankind and chelas alike to receive the oncoming light of the Kingdom Age (Rev 20:4). This document looks at an overview of the year. What does the year have in store and when, so that when we look at Solstice and the winter quarter in detail in part three, we will have a better understanding of what 2019 holds for us that is written on the blank page of January first, 2019 as taught by Saint Germain in his dictation of January first, 1984 replayed on January first 2019.

1

Our journey begins at winter solstice, 2018. Thirty-six years ago, at winter solstice 1983 we participated in the New Years Class of the Solar Ring. Thirty-six years later we stand in 2019 in Sagittarius in this cycle, to bring to conclusion the last 36 years of effort by the entire Spirit of the Great White Brotherhood. In this document series, The Calm Before the Storm, The Public Demonstration of Christ Mastery of The Law: The Mandate of Victory in 2019, we will look at the hand writing upon the wall of what is concluding in 2019 as we prepare for what is coming upon the Earth beginning in 2020, a whole new level, a new cycle, a new decade. Why, we must contemplate, did Mighty Victory in Mandate of Victory on Cycles tell us to, *“learn well the lesson of the 1920's as the dark forces introduced their dark music, their dark rhythms, and mankind began to move....to the serpentine force and the serpentine lie.”* What does this portend for us 100 years later when Mighty Victory wrote this statement through his Messenger. What victory is required of us in the 36th year of the cycle of the Solar Ring? How does it relate to our dweller and the coming third antichrist? What does the tapestry of cosmic cycles and dispensations of light show us is our destiny in 2019 as described for us by Saint Germain as [the bright white page of 2019](#)? What will we write upon that page and how will our untransmuted karma carrying over, influence our decisions as described by Mother on July 4th, 1996, three months before the Buddha of the Ruby Ray told us to watch for the coming Third Antichrist? Mother described how we (every Keeper of the Flame) would all come to stand in Hamlet's shoes and decide to be or not to be (Guru Ma's July 4th Address, 1996).

Note for all charts: The Maha Chohan identified the Blue planets as those out pictured by those who assimilate the Guru and the teachings. The Black planets are those the Maha Chohan identified that are out pictured by those who accommodate the Guru and the teachings. They are the Four Horsemen. The Red planets are the planetary and inter-galactic forces opposing the spiritual hierarchy of the planet.

disobedience that was the cause of our vulnerability in the confrontation with the serpent and his logic, his reasoning, and his lies. Once again, we are facing those same lies in 2019. This is the cause and core of evil that took up abode in the seat of the soul and was the cause of our being cast out of the mystery school, Eden. Now we are come full circle in 2019 in the 36th year of all the cycles given in 1984; the return of Maitreya's Mystery School (May 31, 1984) and the opportunity given in the 33-year cycle to prepare for the Ascension (April 8th, 1984). The Maha Chohan told us on February 21st, 1988 during the mega-conjunction at 0 Capricorn that we had begun the initiation of our hearts by the Holy Spirit and that those who **assimilate** the Guru and the teachings would out picture the cycles of the Sun, Venus, and Jupiter and for some the Christ mastery of the Moon. While those who, under the initiation of their hearts by the Holy Spirit, **accommodate** the Guru and the teachings would out picture (play out) the Four Horsemen, Mars, Saturn, Uranus, and Neptune. (The Sun represents the I AM Presence and the Son, Venus the obedient chela, while Jupiter represents the Guru. While Mars the trigger, the Red Horse called war, has the power to take peace from the earth; Saturn the tester, the Black Horse brings by his action's as leadership, famine; Uranus the tester, the White Horse called the false Christ comes to conquer; Neptune the tester, the Pale Horse called Death and Hades follows with him. (Rev 6:1-8)

This we are told is the great drama described by Morya, the protagonists and the antagonists. Saint Germain told us how this great drama will play out, as he described to us in 1989 the beginning of the dark night of the soul with the descent of 100% of our karma into the physical in 1990 of the last 25,800 years of serving or attacking the Great White Brotherhood and their activities. Saint Germain told us it would not let up at the conclusion of this cycle but would be followed immediately by the dark night of the spirit when we would be cut off from the Guru and the Great White Brotherhood and would have to stand upon the cross on the light internalized under the initiation of the Holy Spirit. This great drama of the dark night, apart from the I AM Presence and the Guru, in confrontation with the dweller of our self and of those midst us who out picture the Four Horsemen. They who follow the Four Beasts who are come out of the Bottomless Pit to attack the Prophets are described in the Book of Revelation and they are used to test our soul's attainment on the path. This drama began to play out at summer solstice 1985 following the creation of the Twenty-Four Elders (Feb 3rd, 1985) created to defend Mother from those who attack the Guru and to direct the Board in the direction this activity is to go. The next great media attack is coming. Are we prepared; how will we respond? Will the Elders have attained to the Office of Christ as prophesied by El Morya.

This great drama is described in this document series, describing the ending of cycles of opportunity for many and heralds the beginning of new cycles of opportunity for many others. For all it is a year of vigilance and it is a year of the testing of our soul's sensitivity to life, the

water of life that is the light of the galaxy we are entering as the Sagittarius arm of the Galaxy revolves around the center of the Galaxy and flings Helios and the Solar system into the light of Aquarius every 25, 800 years. This light oncoming to Earth is so pure that we are come to the beginning of the end:

- i. Solar Ring, the end of evil in the Matter Universe, the cause and core of our tie to it.
- ii. End of a billion-year calendar, flee
- iii. Church Age;
- iv. False Hierarchy of the Ruby Ray of the Antichurch & its false Apostles
- v. Casting out of the black magicians from North America
- vi. Souls enslavement by the dweller she created and elevated as her gods.
- vii. Galactic Alignment for the birth of Christ in man, the Christ-man, the man-child and the binding of the Dragon (dweller) who stands before the Divine Mother giving birth to the man child.
- viii. Return of Mother Kali for the harvest of the Tares (August 17, 1987)

(Add others you know about. This list is not all inclusive.)

We stand in the cycle of the Solar Ring in its 36th year in Sagittarius for the sealing of a great victory and the culmination of many cycles of our soul's evolution. Victory in 2019 requires that we stand with the Mother-Teacher-Guru in Leo in the public demonstration of our Christ attainment of the sensitivity of our soul's selfless compassion for life and console the Holy Women and the Divine Mother giving birth to Christ in you and open the heart (Inn), to give birth within. This is the year when the birth of Christ will come forth to publicly demonstrate the law (in the Temple). We stand in Virgo in the 33rd year of the evaluation of the Temple announced by Maitreya on January 1st, 1987 for the public demonstration of the law. This corresponds with the cycle of the re-organization that began January 1st, 1997 where we stand in Scorpio in the second year of the attainment of Christhood or the lost potential for that attainment in the physical body, the physical plane.

We anticipate the return of Mother Kali (8/17/1987, Sun in Leo) the eighth station of the Aquarian cross come to console the Divine Mother in the fierceness of her rage to deliver the judgment upon the tares. (see Mother Kali's dictation 8/17/1987.)

Overview of 2019

The solar year begins with winter solstice, *chart 1*. This is the sealing of the fall harvest of personal Christhood and the divine plan for the year 2018 (11/1/2018). Kuthumi teaches us that Maitreya comes with a reward for those who have increased their Christ light. While Lady Vesta also comes with a gift for the new Christ child born in you at Christmas. Maitreya teaches us about the light cycle and the dark cycle in Capricorn (see references).

PART 2

The seeds gathered in 2018 from the soul's fall harvest await the preparation of the soil to be planted in the spring, 2019. This is what Saint Germain taught us on January first 1984 in the Class of The Solar Ring, played on January 1st 2019. Every January first presents the clean new page and the divine plan for the year. The soul's divine plan is adjusted to account for the increased attainment and the gift and reward given. Or the divine plan is modified to account for the failure to pass the year's initiation and the accumulated untransmuted karma that looms over the clean new page for 2019 that threatens the fulfillment of the year's divine plan and that of the soul.

Maitreya teaches that on January first each year there is the evaluation of the Temple, the twelve Tribes and Jerusalem, given 1/1/1987. The path of initiation is strict, it is pass or fail. But in passing (51%), Jesus said (Easter 1993) you will not be happy when you ascend because heaven is based on the principle of the 5th secret ray under Amoghasiddhi (Sagittarius) of the wisdom of perfected action, the all accomplishing wisdom that provides the soul the guidance to unerringly achieve his goal. It is this consciousness that counters the mediocre human consciousness that is the component of personality that Vairochana (Leo) transforms by his all-pervading wisdom of the Dharmakaya, the consciousness of ignorance of the path, the Guru and the teachings.

The major configurations of the current year are portents of the karma that is come due for transmutation and of the challenges this karma will present the soul in 2019. Taken together with Part Three of the document, the detailed analysis of winter quarter 2019 and we understand the major themes that will play out throughout the seasons as the sun's ingress of the 12 signs of the zodiac this year. Understanding what the year portends we are able to apply the law in the initiation of the public demonstration of the law of personal Christhood in Leo in 2019 (11/1/1987).

Each concluding year forms the foundation for the next. A major theme of the three years 2017-2018-2019 is Sun conjunct Psyche (The Watchers). This conjunction persists at winter solstice and defines our initiations and testings, these last three years. They include the involvement of the Saturn returns of all or most of the releases of light and the dispensations and cycles given in 1987, 1988, and 1989, respectively. It also involves the public demonstration of Christ attainment of the law of all dispensations released in 1986 through 1989. We are also for many in the Christ mission of all called to be anointed in 1982 through 1984. This challenge with the Watchers and their wives, the Black Moon Lilith (Vivien and her like sorceresses) and their children, the Modreds (see El Morya PART Two Summer Quarter document 2018) has been a constant thread in all our encounters for the testing of our souls in this year and the previous two years. It would profit the soul to recap these years to understand what lies in wait for you in the 36th year of the binding of evil in the Mater universe and your soul's tie to the core evil, original sin.

Winter solstice 2016 (year 2017) Neptune was at 9 Pisces 31 minutes in the third house third decant of the Serpent reasoning on the lower mental plane. Neptune was conjunct Mother's Venus. This is sextile to Neptune in the 1988 mega conjunction in Capricorn at the

beginning of the initiation of our hearts by the Holy Spirit. This cycle that began the confrontation between the Assimilators of the Guru and the Accommodators of the Guru had its Saturn Return on Christmas Day 2017 setting the stage for the confrontation between light and darkness in Capricorn as taught by Maitreya, in 2018. Now in 2019 we are in the cycle of the public demonstration of the 1988 initiation of our hearts, and the 1989 Safe Passage of Ye all on the path of personal Christhood 1987 and of the coming of Mother Kali 1987 who promised to return for the harvest of the Tares.

Winter solstice 2016 saw the conjunction of Uranus with Mother's Saturn, Maitreya in the fourth decant of the fourth house. Uranus represents the accommodators, the false Christ of whom the Buddha of the Ruby Ray told us to watch for because we would know him (October 1996). That cycle is in the 23rd year in Scorpio for the Christ attainment in the physical body, over the physical plane. (Vol 33 No. 35 Beloved El Morya published Sept 9, 1990, Dictated Aug 7, 1990).

12/21/2018 – Mercury conjuncts Jupiter (exactly) at 12:37 pm. The messenger of the Sun, Guru Ma, the Guru (Jupiter) faces the conjunction of Saturn to her Mars, her chelas and the Pluto (dweller) of her chelas on her descendant in the guru-chela relationship. Mother faces the rebellion of her chelas who are forced to face their dwellers as taught in *Climb the Highest Mountain, Christ and Antichrist*. This occurs in the 10th house; Saturn in the organization and Pluto martyring the soul of the faithful chelas who stand to defend and uphold the Guru in fulfillment of their office as chela and in fulfillment of their office of Christ as Elder (see Morya El, Feb 3rd, 1985). This is the soul's confrontation with our God, as Guru and the Watchers (conjoined at 29 SAG, 18' orb) in the 9th house; Sun 3rd decant, Watchers 2nd decant.

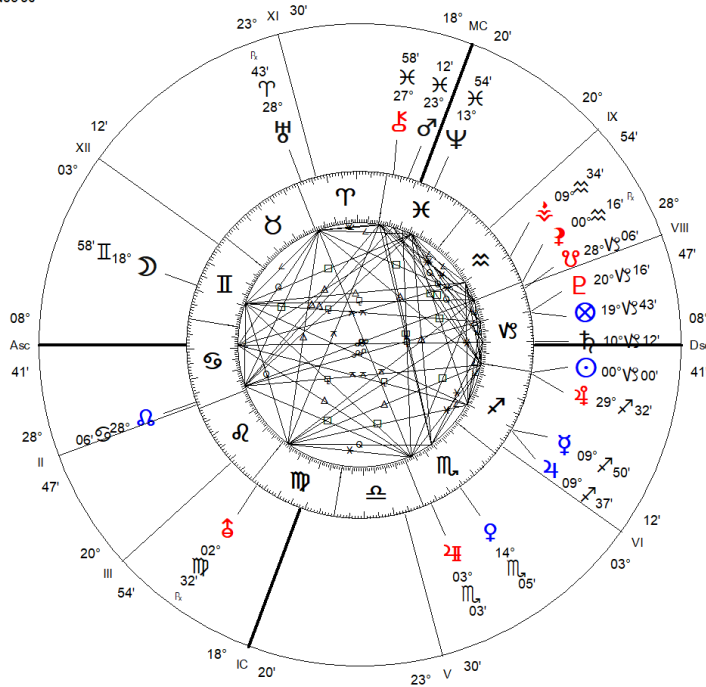

The North Node of the souls called to defend Mother and the Guru to a dying planet and people is at 28 Leo conjunct the eclipse over the church and America of August 21st, 2017 in the fourth house third decant. The soul is required to research the laws governing the church and the nation and the teachings for guidance to stand in 2019 in Leo to publicly demonstrate the law and to face her karma of ignorance of the law, the path, and the Guru in 2019.

12/21/2018 – Winter Solstice is at 5:23 pm. The MC – IC axis of personal karma is at 18 Pisces (M.C.) and Virgo (I.C.). This karmic axis is conjoined the ghosts of our karma made under the eclipse windows of 18 Pisces on 3/8/2016 – a window that lasts till Mar 2020 and the 18 Virgo eclipse of 9/11/2007 – as we faced the opening of the 5th Vial (Rev 16:10) poured out upon the throne of the beast and his kingdom, as the housing boom began to unravel their hold. Add to this the karma of their attack on America on 9/11/2001 with *the Sun at 18 Virgo*, now we will see the returning karma as their accelerated judgment.

the stage to repeat the past in America that occurred in the downfall of the golden age in the Sahara; to oppose Saint Germain as the beast out of the bottomless pit and the woman who sat upon it (Rev 17:3). This is fundamental to the karma playing out in 2019, the returning karma for the attack on America in 2001 and all that played out beginning with the solar eclipse at fall equinox 2007 for the testing of the people whether they would be governed by Christ or ruled by antichrist in the elections of 2008. This karma is playing out as the dweller of the people and the initiates conjoins Mother's Descendant, exactly on winter solstice, an accounting in 2019. We will cover this in great detail in Part Three of the document.

➤ Pluto conjuncts Mother's Descendant

On December 21st, 2018 at 10:27pm Pluto conjuncts Mothers Descendant, third time. This occurs in the fifth house first decant at 20 Capricorn 16. This is the divine plan for 2019 for the soul to choose to follow the divine plan for 2019 for the soul and slay the dweller upon the Mountain with Maitreya and the Satans. Or the soul will choose not to as they stand in relationship to the Guru with all others called to be trained as the 13th Tribe and who stand in their dwellers at war with the Guru playing out the karma of Atlantis, Suern, and with Abraham returning of our karma with the Guru, our karma of disobedience to the Law and Lawgiver and decide to be or not to be.

The soul stands with the Guru on her Descendant facing their dweller while they also stand on her Mars (representing her chelas in her sixth house of service to the Guru) at 9 Capricorn 57 conjunct Saturn. These two concurrent configurations describe the test upon the Mountain with the Guru on the path of Initiation and the Initiation of the Heart (11/1/1987; 2/21/1988). The soul is confronted by the Satans (Saturn) and the dwellers of all chelas and of self and must choose who rules the soul, Christ or antichrist and whether or not the soul will stand alone, all one with the Guru or in the fifth house be influenced and dominated by the dominant egos who speak for all, declaring their position in Capricorn vis a vis the Mother Guru whom they claim is not here and therefore they must take on the responsibility of the guru, her office and mantles. This is the returning karma of Atlantis these last 25,800 years of hatred of the Guru. Once again, they play out the drama of Atlantis and of Suern and of the seed of Abraham and as God told Samuel them once again, he says, “they have not rejected you Samuel, they have rejected me, their God”. Saint Germain prophesied the karmic judgment if this were to happen in Saint Germain on Prophecy, book two, chapter two page 23, “a nuclear first strike against America as God’s judgment of his own...return of their karma for their disobedience to him”.

12/22/2018 – Full Moon at 12:49 pm. Saturn is on the midheaven at 10 Capricorn conjoined Mothers’ chelas, her Mars. This will test the souls of the initiates in the third decant of the 9th house of illumination of those who came prepared to meet this initiation in 2019 having prepared these last 30 years, having come to the Saturn return of the Safe Passage of Ye All with the mantle of learning, illumination and self-knowledge...meaning to say you have assimilated the Guru and the teachings and communed with the Holy Spirit these last 30 years and are now prepared to stand in Christ and uphold the office of Christ in the coming confrontation with the dweller (of self) and the dwellers of others within the church and the nation as we prepare for the elections in 2020 and to exit into the light of the Galaxy to fulfill our destiny.

The destiny of the church, the nations of each one’s soul. We must hold the finger in the dike to hold back the astral sea of fear as the fallen ones and their seed and the castaways who are taken over by their dwellers attack the seventh angel and his prophets (Rev 10:14 -11:7) with Pluto at 20 CAP16 conjoined Mother’s Descendant. This is the parable of the unjust stewards, the father sent the Son, then the messenger to deliver his final message, he is coming to handle this business personally. This is occurring as Saturn conjoins the midheaven conjunct the winter solstice Sun. It will play out as the Galactic Alignment ends in late 2020 and early 2021 and we emerge into the intensity of the light of the area of the galaxy we are coming into.

1/1/2019 New Year's Day. The Divine plan for 2019, a blank page. Sun conjuncts Saturn in forth house 1st decant at 10 & 11 Capricorn, respectively. Pluto is conjunct Mother's chelas and the Black Moon Lilith is midpoint Pluto and the Dragon's Tail as the karma descends for the hatred of the Guru, the hatred of Mother, woman.

See Phyllos, *A Dweller on Two Planets* published 1899, page 127, Atlantis' greatness lay in her homage paid first to the One God (Incal) then to woman that made Atlantis the "glorious land of freedom". Phyllos likens America's greatness to her woman and Christ (page 128). He tells us that America is in the van because of them and eclipses the world till the day when the world places woman by the side of man, not below, not above, but by his side on the rock of esoteric Christian education, the granite of knowledge and faith. Built on this foundation, the National house shall not fall; built he says on other, great shall

be the fall of it.

Contrast that to Suern (Indian sub-continent), the Suernis were also ruled by the Sons of Solitude (page 158) who later embodied as the Essenes. To follow the path, it requires "morality to aid the serenity of soul", the Suernis refused to follow the path of morality or its laws and rebelled against the law's punishments. The result was the hatred of the Sons of Solitude whom they cursed. This people the Suerni (page 160) were dealt a severe judgment to be conquered by the Chaldeans, then to continue in suffering as the people under Moses as the seed of Abraham (page 160). When the spirit of God in the Sons of Solitude would become manifest as the incarnate Christ, even then knowing him not, crucify him. Thy punishment follows down the ages until the spirit comes again in the hearts of those who follow him and find you scattered to the four winds. This is the judgment of the Lord God through his Son, the Rai of the Suernis.

Who are the Sons of Solitude? The ascended master Kuthumi tells us that he as Saint Francis with Claire (Mother) were the Sons of Solitude and that it is our turn to stand in the church and nation(s) as the Sons of Solitude, it is our turn.

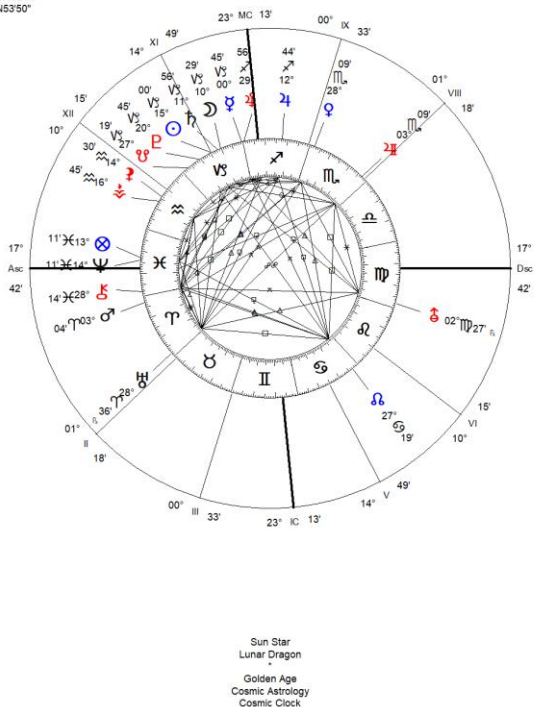

Who is this people the *Suernis* and who are the *Atlans*, today? Phylos says that the later records of the history of the Judaic race are the faithful portion of the Suernis people. The Masters and Their Retreats by Mark L. Prophet and Elizabeth Clare Prophet, page 95-96, tells us the Rai Ernon is the ascended master Ernon. The Suernis of 13,000 years ago did not love their ruler (guru). ***The story of this people is the story of the karma of rebellion against the Law and the Lawgiver***, because they were forced to obey a strict moral code to enjoy occult powers. This people go back earlier to a time when Jesus was Emperor of Atlantis 35,000 years ago during a golden age. He stepped down because 80% of the people demanded it. The remaining 2 million left with Jesus and traveled to Suern; half ascended from Suern. The remaining 1 million continue to embody, most having gone astray from their Holy Christ Self, known on Atlantis. They reembody on Atlantis and Suern giving birth to many of the 80 % who rebelled against Jesus of Atlantis. At the time of Zailm, the Atlanteans from the former golden age were embodied on Suern. This stiff-necked people continue to reincarnate continuing their behavior as the seed of Abraham, come again in Europe, the British Isles, and America

Who are the *Necropani* from Necropan, who like the Suernis drew occult power from the Night-Side? Phylos describes Necropan as the countries we call Egypt and Abyssinia then encompassing all of the continent of Africa under one government (page 142).

➤ Sun Enters Emotional Body in Capricorn

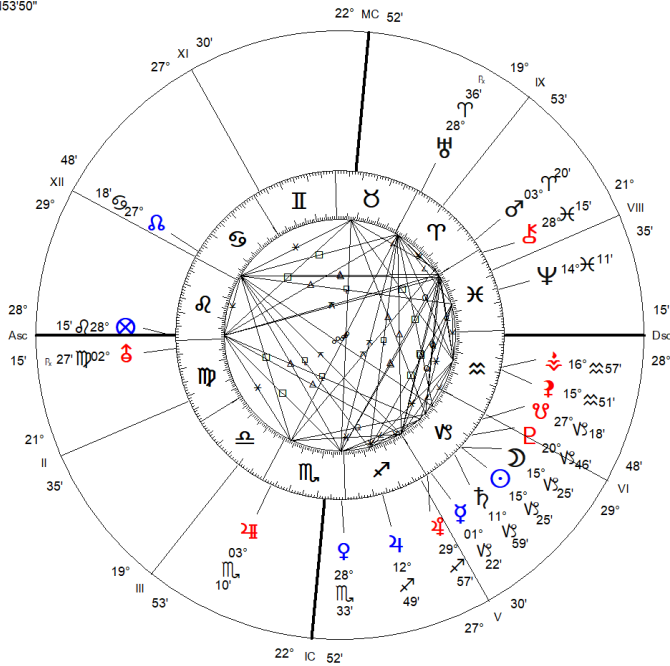

1/5/2019 Sun enters emotional plane at 15 Capricorn at 10:38 am in the first decant of the 11th house. Mars at 3 Aries in the first house 2nd decant conjoints Mother's midheaven conjunct the apex of the YOD to Apollyon at 3 Scorpio in the 8th house and to Transpluto 2 Virgo in 6th house 2nd decant. Mars triggers the testing of our souls with the Guru. The second decant of the first house is the exaltation of the God flame within our Holy Christ Self and our Guru or the rebellion against the law and Lawgiver, once again. This YOD is the trigger in 2019 for the forced encounter with our dweller. See Climb the Highest Mountain Series, *Christ and Antichrist* to understand the requirement and the penalty for being a law unto yourself in 2019, at the conclusion of cycles of a major juncture in the judgment of evil in the Matter Universe.

This eclipse is conjoined the star Vega, the Mother and will bring out the divine feminine of the soul or in others the hatred of Mother because her light is intensifying the judgment of evil in the Matter Universe. This coincides with Mars triggering the YOD to Mother's MC thereby accelerating the usurpation of the Guru and the subverting (reformation) of the Law and the Lawgiver. This is the confrontation with the dweller to become the dweller, or slay the dweller. All mankind is affected. Out of this

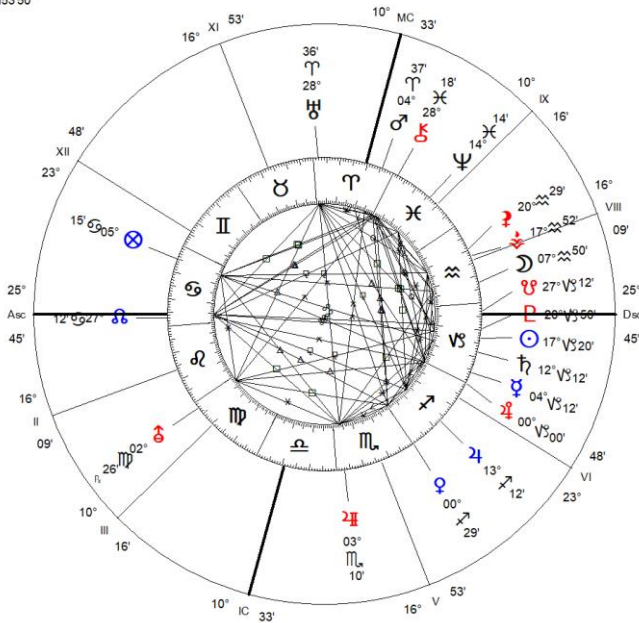

confrontation will come the 2020 elections to be governed by Christ or America and the church will be ruled by antichrist. 2019 will see the return of our karma with the guru as lawgiver. No one in the church or America will escape.

1/20/2019 Sun enters Aquarius followed by a Lunar eclipse on 1/21/2019 at 0 Leo 52' on the midheaven at 0 Leo 23'. This is a total eclipse of a super blood moon, at its closest to the earth. The next total eclipse of the moon is May 2020. This will affect everyone over the next 6 months to a year as we come to grips with the planets gathering in Capricorn causing a leadership crisis in how nations and organizations will meet the Capricorn challenge in the coming roaring 20s...while Rome burns (Babylon Great). Venus 14 Aquarius conjunct Jupiter 15 Aquarius in 2nd house struggles to be faithful, during all of this, to the Guru as the increasing light exposes more and more darkness. More and more light must be invoked and held. All who bond to the Guru and hold fast to the Law and Lawgiver will experience mastership on their odyssey and will pass through the dark night. The key

to the Safe Passage at Saturn's return is the assimilation of the Guru and the teachings on the path of initiation of the heart by the Holy Spirit. Here the soul is God taught through the travail and wearing of the mantle of learning, illumination and self-knowledge (Gnosis) and is directed by the Guru who provides direct wisdom of all accomplishing ...perfected action. All because the soul casts into the flame the component of personality, volition in Sagittarius with the Guru. Those who accommodate the Guru in church and nation...are driven by their own will and create the crisis of leadership coming upon the earth.

➤ Lunar Eclipse 0 Leo

On January 31st, 2019 Lunar eclipse occurs at 0 Leo on the midheaven in the first decant of the tenth house of the organization. In opposition to the Sun on the Nadir at 0 Aquarius in the first decant of the fourth house. This represents the soul in the dark night with the finger in the dike. The soul is holding back the tide of returning karma of the hatred of the Guru, the Sons of Solitude, in one pointed devotion, all duality being cast out of the dual minded.

The soul stands in the Order of the Diamond Heart (12/25/1987 – January 1st, 1988) in the 32nd year in Leo in the public demonstration of the Law of her Christhood. The soul stands in Venus Jupiter conjoined with Mother’s soul at 14 Sagittarius in the second decant of the second house at ONE with the Guru to bring in the Aquarian age and to stand in

the pure estate of the soul required in 2019 to have the victory of our initiation and pass the tests of 2019.

Saint Germain told us in the Class of the Solar Ring that each year required greater purity of soul to enter into Aquarius, i.e. to absorb the light of Aquarius that is increasing as each year passes and the new begins. 2019 requires an extraordinary release into the flame of our karma with the Guru, our hatred of the Guru down the ages to its origin in our original sin. See *Phylos The Tibetan* and the *Ascended Masters and their Retreats* on Rai Ernon of Suern.

The soul is eclipsed of her Sun/Son of her Christ Self. She stands making the call, as taught by Mother, to be eclipsed of all opposing forces that oppose Mother (her Transpluto at 0 Leo and her Pluto at 29 Cancer in her first house of her activities, her mission, mantles, and offices, even her chelas who stand faithfully with her). The soul has but to make the call. The soul who has assimilated the Guru, believes the teachings and knows the power to overcome all opposition. The soul is being tested to call upon the Lord and upon fire from heaven to consume this opposition confronting the soul in 2019. Or the soul in ignorance of the Guru Mother Teacher in the soul’s emotional density and insensitivity, stands on the MC in the organization spiritually blind to the forces moving against Mother and the Seventh Angel in 2019 and is

overwhelmed by the forces of darkness mounting in 2019. This is the product of accommodating the Guru and the teachings all these years having indulged in self idolatry and sympathy for those self-proclaimed dominant egos as described by Arnold Toynbee, historian, as the personalities that rise to tear down all that God hath wrought. They claim the mantle by taking heaven by storm.

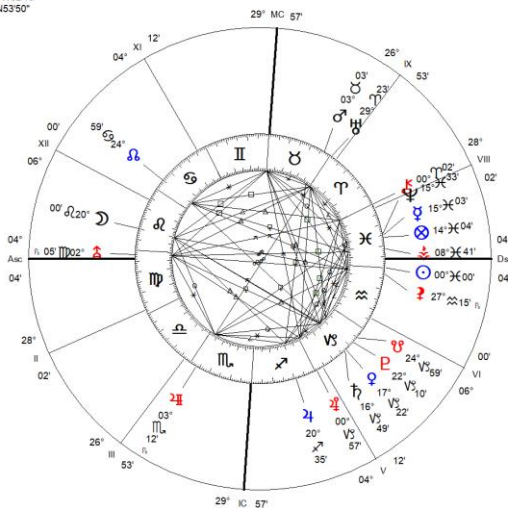

This storm is coming, Daniel calls it Blasphemy. Sanat Kumara teaches us that he is the one named blasphemy and he stands at the West Gate and his image, mark, name, and number is 666. The manipulator of the light of Alpha and Omega in the sacred labor of the children of God (making them beasts of burden) as they manipulate the Law of the abundant life. They are the archdeceivers of mankind using the mechanization concept to subvert the authority of the Holy Spirit, usurping the office of the Calf occupied in Matter by the children of the Most High God.

This lunar eclipse is a total lunar eclipse that opens a window of the testing of our souls under the outer planets attack upon the Guru and her office as they did on Atlantis and throughout the civilizations of the last 25,800 years. This karma is come due. It will be cast into the flame by the one-pointed chela who will hold her finger in the dike to keep back the karma from playing out by those who repeat the history of their story of their hatred of the Guru in the lineage of the Sons of Solitude, the Essenes, the Great White Brotherhood. This will last until the next Total Lunar eclipse in May of 2020. The ghosts of this karma if left untransmuted will multiply and follow the soul as described in Revelations 6:8, "...behold a pale horse, his name that sat on him was Death, and Hades followed with him."

On Feb 18, 2019 the Sun entered Pisces in the third decan of the sixth house. The soul must demonstrate her God Mastery in a public demonstration on the path of personal Christhood in the initiation of her Heart by the Holy Spirit. Both cycles are in the 32nd year in Leo for this public demonstration of the Law, as taught by Mighty Victory now in the fourth year of the five years when the soul is taught the mastery of the five secret rays in preparation for the soul's mission to fulfill her destiny beginning in the 34th year in Libra. This demonstration occurs standing in her Sun as the Son to demonstrate God Mastery over the substance of self and Pisces and renunciate, repudiate those who stand in the Black Moon Lilith.

PART 2

The Sun is midpoint between Lilith and the descendant, ruler of the relationships of Twin Flames and the Guru chela relationship, the path of initiation. This is the test of mastery over the lesser self, Lilith and the idolatry to those who exalt Lilith, as our idols. This is a secret ray initiation that requires a public demonstration of the God Mastery of the Law.

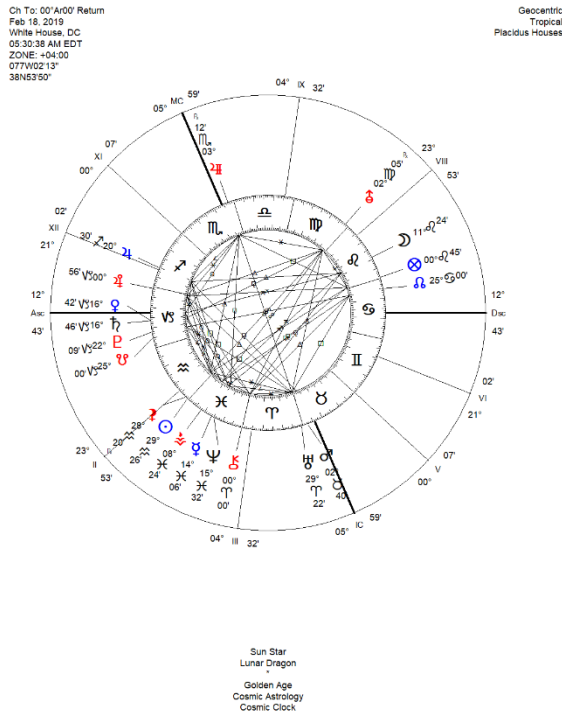

Venus is conjunct Saturn in Capricorn square Mother's Sun in Aries, in the third decant of the eighth house, to demonstrate the souls attainment of the God Control of the higher mind to control the memories and emotions of the returning karma playing out as it returns daily because souls do not have the mastery of the secret rays to antidote by wise dominion (wisdom's flame) the poisons that is tearing down the soul, as the ghosts of past karma plague the soul causing disease, the pale horse, Neptune bringing Hades in its wake. So, the soul of the victors invokes the light to consume this energy veil and planetary karma, that the faithful might live. Venus Saturn conjunct is conjoined with VEGA, the star of the Divine Mother in the fifth house second decant with Pluto conjunct the Dragon's Tail, the lunar south node. The soul stands on the Mountain with the Satans and Maitreya to demonstrate the Law of God Power over the forces and powers of darkness. The soul stands in the Sun of Pisces as the SON of her Christ Self and demonstrates her God Mastery of her etheric body and the memory, akasha. The soul calls on her causal body and her Presence to cast out this tie to her soul, the dweller of the origin of evil in the Matter universe that lurks in the shadows on the threshold to the heart, the secret place of the soul's Christ. This is the test whether or not the soul who has come to the place of the Sun (Solar Plexus) Christ Peace will cast out the dweller while standing upon the mountain and leap into his arms, having done so already in preparation by leaping into the arms of the Guru who represents the Father and Son to the soul.

21

This is the path Kuthumi teaches where the soul daily, in the clock of the hours, erases the face of the lesser self from the mirror of the Moon Mother and see in its place the face of the Cosmic Virgin, the Divine Mother (in VEGA, called Wega). As the Son in Venus stands to face Saturn Pluto and the Dragon in the church and nation in 2019 to publicly demonstrate the God Mastery of the law. The soul is through the path of initiation, manifesting the key that will allow her to enter the mystical doorway to the heart's inner (secret) chamber behind the heart. This is the mystical rectangle or doorway (Mars, Transpluto, Apollyon, and the Sun). You can't open the door to get through until you possess the key. It must be won on the path of initiation. So, the parable of the foolish virgins who arrive without oil in their lamps. This is the highest path, (all paths lead up the mountain to the summit) preparing those of whom it is said, many are called but few chosen, to be the Christ and to arrive at the river Jordan in two years to face Sanat Kumara in 34th year in Libra to be anointed to wear the mantle the soul wore on Atlantis before the golden age fell. This is Sanat Kumara's prophecy and these are the cosmic cycles that are preparing the soul of the one-pointed devoted chela.

➤ Chiron enters Aries

On February 18, 2019 Chiron re-enters Aries in the third decant of the second house. Chiron, the conditioner of souls is the vehicle used by the Nephilim and Watchers to condition the soul to react, to respond and to behave in emotional outbursts that are psychologically created that are triggered by conditioning factors. They are coated in bad habits and momentums driven by deep psychological triggers. These stem all the way back to the vortex of the origin of evil in the Matter Universe to that Wicked one. Anchored on earth in the Middle East and tied to our soul as the clay tablets and the grave cloth and curses of the Egyptian Black Brotherhood who have created the science of embalming and the conditioning of the soul to keep her earthbound.

Chiron, last year formed the first Y in the road at 2 Aries conjunct Mother, her Midheaven...that is to

say, our bond to her heart (Lanello) to the heart of Maitreya. It is this test of our God Mastery that is based upon the Guru chela relationship, the Aquarian love of the Guru for the chela and the return love of the chela for the Guru. Chiron poisons the soul by conditioning the soul to disobey the Guru then to come to hate the Guru who demands obedience to the Law...to maintain the tie. This played out last year in **phase one**. Chelas were forced by the masters to face their dweller, some became their dweller and are now on the left-handed path of adeptship as Black Magicians. (see *Climb the Highest Mountain, Christ and Antichrist*). Now in 2019 we have entered **phase two** of this initiation. This is testing our soul's bond to the Guru who represents to us our I AM Presence. This is the initiation on the Mountain with Satan and Maitreya (Saturn) to face our dweller (Pluto) in 2019. As both Saturn and Pluto conjunct Mother, her MC and her DSC to test our bond that provides the Safe Passage of Ye All to strip the chelas from the Guru as they did on Atlantis, Suern, and Israel (Abraham), and now in America and its church. This is no small thing as this has been prophesied by Mother and Lanello. Mother in 1985 following her trial in the nations courts as her chela sued her and won in the courts. Mother prophesied that the fallen angels would change their strategy of attacking the Guru to attacking the chela...to break the bond of love and fill it with the karma of hatred. This is the karma returning for which we are being tested so that our initiation of the Christ Mastery of the Law might forge the DIAMOND heart in the fires from heaven on the cosmic cross of white FIRE. Why, because our God needs vessels to fulfill his plans over the next 14 years. He wants you!

THE CALM BEFORE THE STORM

PART 2

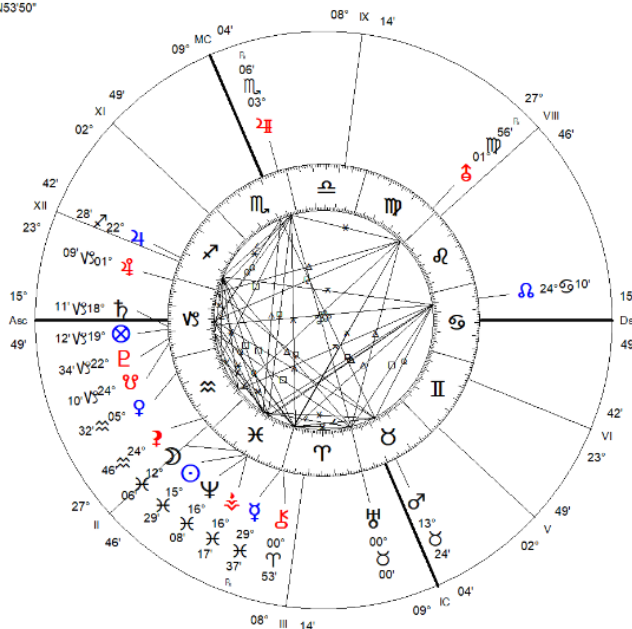

Phase two begins in March (3/10/2019) and goes till at least April (4/13/2019) Spring Quarter and comes again in the fall with Fall Quarter from October (10/8/2019) through the end of the year (Winter Solstice). Be vigilant! **The third and final phase** of this initiation of our souls begins at winter solstice through New Years Eve and New Years Day and the divine plan for the year through the peak on January 21st, 2020 through February 13th, 2020. This includes the January 12th, 2020 Saturn Pluto exact conjunction. A major milestone and turning point for the planet; mankind's very survival.

This configuration that is Chiron is designed to thwart the soul who would escape the chains that bind her as a beast of burden. It is designed to prevent the soul forging the key to unlock the doorway to the beloved who has taken up abode in the secret chamber behind the heart. It is designed to turn the soul against the Guru by rejecting LOVE.

is conjoined Mother's midheaven at 2 Aries, the apex of the YOD to Apollyon (Abaddon) and Transpluto. Once again, in 2019 mankind faces the Y in the road and must choose in this critical and final hour the right-hand path to adeptship or the left-hand path to becoming an adept. All are seeking but few will find the right path because of their volition (Sagittarius, 5th secret ray) of their personality seeks self-aggrandizement claiming the superiority of their human consciousness over the law and law-giver. This is the karma of the last 25,800 years come due, beginning in 2019. This karma is the karma of Atlantis, the Suernis and the seed of Abraham now come full circle in America and the nations in 2019. It is the karma that has poisoned the soul (hatred of the Guru, the Lawgiver, the Sons of Solitude, the Great White Brotherhood, the Seventh Angel and his prophets) making her vulnerable to the reasoning, the logic, the false teachings of the Serpent who has entered at the East Gate. This original sin, the origin of the soul's sin resulted in being cast out of the mystery school and the destruction of golden ages. It is repeating in 2019 with the same result. This is a year of endings.

We have entered a 24-month period of cosmic, galactic, and solar endings. You stand in the year of the solar return of the dispensation given on January 1st 1989, the Safe Passage of Ye All and the Mantle of Learning, Illumination and Self-Knowledge. You are being tested to determine your soul's level of evolution and whether or not you hold the key to your safe passage. You stand in the 36th year in Sagittarius of all cycles and dispensations given in 1984 (cycles that began at winter solstice 1983). (Solar Ring, Ascension, Maitreya's Mystery School, Helios ...*Judgment of the Abusers of The Word, on the First Ray*). This is the great drama of the solar ring and the origin of evil and its story within the Mystery School and the Golden Ages. Understand Revelations 20: 4 & 5, understand its meaning regarding the END of the church age and the beginning of the KINGDOM AGE and know the initiation playing out in Maitreya's Mystery School in laying the foundation for the coming golden age. Only those who hold the key may unlock the door and enter. This is the test of who has Safe Passage, who has Gnosis, who has bonded to the heart of the Guru...to the heart of Maitreya.(see Goddess of Liberty August 10, 1985, now in the 35th year in Scorpio....who is willing to be nailed to the cross, the Cosmic Cross of White Fire and shed the snake skin and rise as eagles to the SUN to be transformed into the PHOENIX.) Who will stand in the Sun in Aries in the second decant of the seventh house and declare their INDEPENDENCE from the lies of the unjust stewards and declare the truth as the master told us we would have to do one day and as Archangel Uriel tells us we have to do to balance our karma on the sixth ray of Ministration, in *The Vials of The Seven Last Plagues*. It is by your words and your works you are measured and by them we are judged.

Mercury stands at 18 Pisces in the first decant of the seventh house, conjunct Neptune. Mercury is conjoined the ghost of the eclipse window of the solar eclipse of March 8th 2016 (5D2) and the Reformation of the outer organization and the Nation leading to our inner transformation, the alchemy of transcendence of the lesser self, the human ego in preparation for the birth of the man-child in you. Any untransmuted substance here will cause you **complications** in childbirth because the body rejects the love of the Divine Mother giving Birth. Physician heal thyself. Make plain the way. Many, believing the lie, have their attention on the outer transformation, driven by ambition as taught by Portia, Archangel Gabriel (Mysteries of the Holy Grail) and by esoteric astrology in the third decant of Leo and the 5th house. Mercury,

the Messenger of your Sun and the Sun of Helios (Aries), the twelve Solar Hierarchs to you is pointing our attention to the records of Death (Neptune...the Pale Horse) in Pisces come due in 2019 under the 36th year of the SOLAR RING...the judgment of evil in the Matter universe and its core tie to Earth and your soul...your original sin (Aquarius *first decant* and of the 11th house).

Mercury stands in polarity to 18 Virgo and squares 18 Gemini, at 18 Pisces. The Guru is telling us, standing in Pisces to look to Virgo where she taught us that the soul learns COMPASSION and to clear that point of our soul (at 18 Virgo) and the axis (18 PISCES, VIRGO, Solar Plexus) in Virgo that prevents the soul's safe passage to the Solar place of Cosmic Christ Peace in the Heart of Maitreya, via the Heart of the Messengers. This point, 18 Virgo, activates a window that opened at the beginning of the release of the 5th VIAL during the Solar eclipse of September 11th 2007 in the first decant of the 12th house, VERITY. This triggered the release of the karma that tested whether or not our soul would hold to the Truth of our origins in God and his one sent, the law and the Lawgiver or whether we would play out the returning karma of the 5th ray, the 5th VIAL and hold on to material substance and the substance of self for which the eclipse had come to strip the soul and the nation that made her vulnerable to the attack on America on 9/11, 2001 with the SUN at 18 VIRGO.

It also was come to prepare the soul to meet the coming encounter on November 4th, 2008, election day when Saturn stood at 18 Virgo in exact opposition to Uranus in Pisces, in the first of five exact oppositions that saw come out of the unlocked Bottomless Pit, the Beast that went to war with the Prophets and killed them (Rev 11:7 (future tense verb) Rev 17:14 (past, present, future tense verb). Revelations 17:14 is the hour of Mothers death (9/21/2009-10/21/2009...death 10/15/09, Bozeman, MT). All that took place on Earth during this eclipse window is coming due, in 2019. It is causing serious complications for the Divine Mother giving birth in 2019 to Christ in this century and within many. We are called by the Messengers to clear the records in Pisces of this infamy and the records of the last 25,800 years where this repeated over and over, in all Mother's embodiments with her family and friends, her chelas. Look at the historical records and face them squarely and stand on the truth, forsake Neptune in Pisces that has sought to hide the Truth; to escape the truth; or simply deny the truth by killing the messenger. (see Mother's lecture, "To Kill a Mockingbird; or 100 Ways to kill the Messenger.) Note who the Messenger is; she is the prophet of the Seventh Angel (Rev 10:7).

Mercury is come to WARN the faithful that they will be tested in 2019 at the Y in the road (*YOD with apex on Mother's midheaven conjoined CHIRON to Abaddon (Apollon, the Nephilim False Hierarchy of the Ruby Ray) and Transpluto (the inter-galactic dweller of the Matter universe)*). Many are called to stand at the Y and choose to be or not to be in 2019; sealing their fate. This is the second wave, the first wave came in 2018, see the three-part article from the summer, 2018. The first wave began on May ninth, 2018 to August 31st, 2018; the second wave begins March 10th, 2019 to April 13th, 2019, then in the fall from October 8th, 2019 to the end of the year. The final wave of this series at the Y with Chiron on Mother's Midheaven begins at Winter Solstice, 2019 through New Year's Day and the divine plan for the year to February 13th, 2020. APEX to the YOD, the Y in the road, to the Nephilim hierarchy or to the Sons of Solitude, the Great White Brotherhood through their Messengers, the Prophets. This is the initiation of the soul to free her from the chains (clay tablets, the grave cloth) that have bound her to earth, it is the hour to meet and slay the dweller in the public demonstration of the LAW in Leo on the Path of our Personal Christhood in the initiation of our Hearts for the Safe Passage of our souls under the Mantle of Learning, Illumination, and Self-Knowledge. All this in preparation for our mission to begin in two years, in 2021 when we will have emerged from the Galactic equator having slain the Dragon who stands before the Divine Mother to slay the birth of Christ in you.

This was the public demonstration of Krishna of the judgment of Pootna, the Beast who was summoned by the king Kamsa. Great is the glory of our God, who is writing the history even now as we speak...that will guide the coming generations of the seventh root race for the next two thousand years. Some souls are happy to play their role as advisory while others are striving to fulfill their destinies as they pay their debts of destiny (Pisces, twelfth house) to the Guru, the Sons of Solitude, and the daughter of the Cosmic Virgin. Saturn conjunct Mother's Descendant at 20 Capricorn 16 on April 12th, 2019. The first of three in 2019. This occurs in the 10th house conjoined Pluto and the Lunar South Node, the Dragon's Tail...and its backlash in the community in Mother's seventh house. This occurs in the first decant of the *organization* (first decant of Capricorn and the tenth house) in a mega-conjunction in Capricorn in the 10th house. This represents the kings (leadership positions') *reactions* to the birth of Christ and the public demonstration of the Law in Leo. It represents the *reaction* of the status quo (Saturn) to the Office of Christ, its Mantle (Safe Passage in 31st year Cancer in 2019) in the 36th year in Sagittarius in Maitreya's Mystery School by the coming of Helios on July Fourth to deliver the judgment upon the Abusers of the Word on the First Ray. Upon those who have forsaken their inheritance for a

morsel of meat; who have no oil in their lamps and upon those who have taken unto themselves the Master's fields and the fruits there of and have killed his Son and abused his messenger. These are the un-just stewards who were called to this organization and nation to redeem themselves in the sight of God, but who have instead esteemed themselves in the sight of man instead.

This exact conjunction follows upon the three Pluto exact conjunctions, in 2018. Including the **third on winter solstice** that set *the stage* for the 2019 Saturn encounters and *assigned the players their roles* they will play out in 2019 in the three encounters with Saturn (Satan and Maitreya upon the Mountain). Now with the stage set and the players ready, the play unfolds as each one stands in 2019 in the cosmic cycles as described in the public demonstration of the Law before all of the saints in heaven who are watching and as the law will require of the individual, the chelas, the Keepers of the Flame, and all Americans for the coming fulfillment of the law that will bring the Ascended Masters names into EVERY house in America. There they will be received or rejected, loved or hated but for certain the coming primary topic of discussion in the media talk/news shows. This will polarize the organizations and the nations, fulfilling the prophecy that father will be divided against son and mother against daughter. Household by household the sons and daughters of the Sun will be called out, to rally to the coming return of Saint Germain as he sends Merlin back to Camelot, having been cut free from the crystal prison wherein he was entombed by Vivien. He is coming, Saint Germain tells us, to cast the Black Magicians out of Camelot and then as taught by the Goddess of Liberty, seal North America, the City Foursquare, establishing the figure eight flow of the exchange of energy by establishing trade between North and South America while the karma descends upon the fallen in Europe where the fallen will flee.

28

On May 17th, 2019 the second Saturn conjunction (20 CAP 16) occurs in the fifth house first decant conjoined South Node (20 CAP 20) and Pluto (23 CAP 01). This is the moment when the soul chooses to be governed by Christ or ruled by antichrist. From this moment we must be vigilant as taught by the Buddha of the Ruby Ray in October 1996, to watch for the coming third antichrist, because he told us, we would know him when he comes. This mega conjunction is sextile the Black Moon Lilith at 20 Pisces 42 in the seventh house of relationships to each other and to the Guru. It is in the first decant seventh house of the nation and the organization that was called in 1993 to re-organization to give birth to the Christ to counter or prevent the birth of antichrist who was to come to try (test) every man's soul who would enter Maitreya's mystery school that is America and the Church Universal and Triumphant that is his church, one nation, one people, one God. To bring the Kingdom come on earth, "they will be my people and I will be their God", saith the Lord. This occurs with the Sun at 26 Taurus in the 9th house whose cusp is 10 Taurus conjoined the US Sun and CUT Sun at 10 TAU **46 and 47** respectively. The US and CUT are synonymous, one the 13th tribe the other the 12 tribes.

The fallen in the fifth house use policy to take control and re-structure organizations by re-writing the law having first changed the foundation by getting rid of the spirit of the law, the common law for their laws, civil law. Once this has occurred, they control, that is to say they monopolize control by the use of policy to attract those who put material substance first that

achieves their goals. These are the abusers of the word on the first ray and it is they whom the Solar Ring contains, invoke it in love and take wise dominion, demonstrating the Law in 2019.

We will see that the third Saturn conjunction is on winter solstice 2019 with the Sun at 0 CAP 03. This will set the stage for 2020, as the third Pluto conjunction sets the stage on winter solstice 2018, for 2019. This is no coincidence it is the perfected action of the Law on the fifth secret ray in Sagittarius in 2019 in the 36th year of the judgment of evil in the Matter universe and the binding of the personal and planetary dweller in the Matter Universe. This is the final episode of this great drama that will play out in 2020, setting the stage for the third decade of the century.

April 20th, 2019 Sun enters Taurus conjunct Uranus at 2 Taurus in the third decant of the first house. This represents the confrontation with the (Four Horsemen) the False Christ(s) and their propaganda of materialism and the great works that they are doing. They do not see the Kingdom, nor do they understand it nor do they believe that it is NOT of this world. They declare instead that the kingdom is come and they are the servants of the Lord and they demand you do not interfere with their great works but give (Taurus) all your light and life to the realization of their dreams (Neptune). God, is come in the Sun, his Son (and Daughter) and as David said, “the wicked will he destroy” and through Jeremiah, “I will not spare but destroy them...woe to the shepherds that destroy the sheep” and through Daniel, he sayeth “he shall destroy wonderfully”. These are they who

stand as Mars at 13 Gemini opposing the birth of Christ in America at 13 Sagittarius, 2nd decant in 9th house, conjoined US conceptual Ascendant.

Mars is in the 3rd house whose cusp is 3 Gemini conjunct the US natal midheaven. Mars represents all who are in the outer attacking the President, on the inner they are attacking El Morya and his Keepers of the Flame who hold that Mantle until he comes. They are attacking the White House which is the seat for the Great White Brotherhood representing Earth in the God Government of Galaxies. We are witnessing the beginning of the end of the final battle of Armageddon.

Mercury is conjunct Chiron at three Aries in the first decant of activity which means Mercury is warning the soul to keep God Control of the mind and remain on the higher mental plane and receive her Holy Christ Self and the Guru and work the works of the ages. Chiron is come as the task master to work their beasts of burden whom they have conditioned by pulling down your consciousness to the lower mental plane and the mass consciousness. Thereby the soul as a beast of burden has no time or energy left for the things of God. This results in the soul unable to respond to the call of the Guru and Holy Christ Self, see Vesta at seven Aries conjoined Mother's Mercury at 8 Aries. In this way Mars plays out in the third house in opposition to the birth of Christ in you and the nation.

Thereby the soul will stand with the Guru Mother (Guru MA) Jupiter at 24 Sagittarius conjoined the midheaven at 25 Sagittarius in the third decant of the ninth house in illuminations flame and *call upon the Lord* and arc the light of the Sun behind the Sun of the Galactic Alignment (center of the galaxy aligned with Helios in the Galactic Alignment at 1 Capricorn 1975 – 2021) to bind the conjunct Psyche (the Watchers) at 1 Capricorn in the first decant of the organization. Which is to say the church and the nation and the way we organize these to achieve the divine plan and fulfill our destiny. Alternatively, we stand in Gemini in Mars saying I love you Mother (Saint Germain) but I... fill in the blank.

This is the test of Gemini. It is the word incarnate, Wisdom's flame to call upon the Lord and cut yourself free and anchor the light to consume the chains that bind you (as a beast of burden, cattle) in all the ways of Gemini, which has its cause in Sagittarius as the poison of envy and jealousy made manifest as the revenge and retaliation of the carnal mind against the Guru. Thus, the Atlanteans reincarnated as the Suernis, latter as the seed of Abraham, now as Americans face their karma of the hatred of the Guru, the Sons (Daughters) of Solitude, the Great White Brotherhood. (See the book, *Phylos*, by the Ascended Master Ernon, Rai of Suern and the Ascended Masters and Their Retreats.)

This (solar) month of the Sun in Taurus will try every man's soul in the church and the nation whose sun sign is Taurus, conjunct within a one-minute orb. Compounding this is the *second Saturn* conjunct Mothers Descendant on May 17th with the Sun at 26 Taurus. This is the test of our relationship to the Mother Guru and of the evolution of our soul's love, Venus conjunct Uranus at 2 and 3 Taurus, respectively in the third decant of the eighth house. This is testing and measuring our attainment of the highest love, the love of the Guru for the chela and the chela for the Guru. Esoterically, divine love is measured by the soul's evolution through the

phases of Mars, Venus, and the highest love, Aquarian love, ruled by Uranus' casual body. Mother spoke of this in the 4-10 axis clearance as those willing to go the 1000 miles to reach Maitreya. This is manifest in the eighth house as the soul's desire (Aries) to walk the path while climbing the highest mountain to Maitreya, 20 Aries in Mother's chart while the world rejects the love of the Divine Mother, conjunct Vesta at 20 Aries.

This test of our soul's love is highlighted by the eighth house cusp at 11 Aries. Eleven in numerology is Revelation, the Maha Chohan told us the significance of numerology, geometry, and mathematics in cosmic cycles of initiation. This revelation tells us that this was the prophesied in the Book of Revelations, in the Book of *Phylos the Tibetan* and by the masters in the Everlasting Gospel as Loves Victory. It reveals the alchemical key to the Mystical Doorway (rectangle) formed by 1 Cancer, 2-3 Taurus, 0 Capricorn, and 2 Scorpio. This doorway is guarded by the Nephilim (Abaddon) and the Watchers, in the second and fourth houses of the economy and the homeland. This is the dragon who stands at the door, the dweller on the threshold. **Cast them out** as Jesus did standing upon the mountain in his hour of testing before Satan and Maitreya, the electronic belt and causal body of Saturn. This is the Revelation of the hour of your soul's victory over death and the hatred of the Guru, the cause and core of which is your original sin of disobedience to the Law and the Lawgiver which opened you up to the lie of the Serpent at the East Gate, of dialectical materialism, the cause, Saint Germain has told us which destroyed every Golden Age. It is Saint Germain says, the lie introduced by Vivien and her like sorceresses and by Modred and his Black Knights or as Morya says, the Modreds must have their day, by their words and works they are judged.

May 21st 2019 the Sun enters Gemini in the first decant of the second house conjoined Mercury at 29 Taurus. This is the test of our souls standing at the Y on the apex of Mother's midheaven with Chiron at 4 Aries to once again face the Serpent at the East Gate and his lies of the golden calf, material solutions to the problems we perceive. We stand as Hamlet facing the ghosts of the solar eclipse of May 20th 2012 during the precession of the equinox prophesied by the Mayans as the return of the Serpent to bring about the escape from the judgment that was underway since winter solstice 1983 (see Class of the Solar Ring 1983), now in the 36th year but in May 2012 we were in the GEMINI in the 30th year, the line of the Serpent false Hierarchy.

This lie, that has plagued the soul since being cast out of the Garden of Eden, the Mystery School, is the *perceived* problems and their cause. This is the lie that is the poison in Scorpio that Amitabha has come to antidote with his discriminating wisdom that provides the soul the perfection of Truth and RESOLUTION of the problems...of free will, self-will...or volition for which Amoghasiddhi has come in Sagittarius with his all accomplishing wisdom that is the wisdom of PERFECTED Action. We stand in Scorpio in the 35th year of all the dispensations given in 1985 and the problems they came to address in our lives, communities, organization, and nations. In 1985 Mother's trial ended, sued by her chela, attacked by the media and power elite. On Feb 3rd 1985 Morya created the Twenty-Four Elders to aspire to the office of Christ to defend the Guru from any further attacks from within the organizational leadership and its chelas

and from without. At summer solstice 1985 Archangel Michael released the thirty three-year cycle for the playing out of the prophecies of the Book of Revelation that began to accelerate in 1988 as the Maha Chohan announced the initiation of the hearts of the chelas by the Holy Spirit that would cause the soul of the chelas and Keepers of the Flame to assimilate the Guru or to Accommodate the Guru causing these ones to play out the Four Horsemen attacking Mother and her chelas as they face the returning karma of Atlantis and Suern of the hatred of the Guru that is tired to the origin of evil One in the vortex of the Black hole in the Matter universe.

This Great Drama being played out in the church and the nation(s) between those who answer the call to return home to the Kingdom come on Earth and those who reject the love of the Guru Mother and her Lord the Seventh Angel who sent her (Rev 10:7 – 11:7) and accommodate Saint Germain and his messengers in the nation and church is for the initiation of our souls willing to cast herself on the rock of Christ and to fasten herself to the cross, the cosmic cross of white fire. The soul is willing in Scorpio cycle of the 1985 dispensations to stand for the Truth, to speak the truth as the Master told staff from the high altar in 1996 before they were disbanded. That the hour would come when they would stand and speak the truth and in that hour be persecuted from this altar. This is prophesied by Archangel Uriel and Archeia Aurora in *Vials of the Seven Last Plagues*. This is the karma of this people who left with Jesus who ruled the last Golden Age. The karma of rebellion in Taurus of the Law and Lawgiver, the hatred of the Guru, in Virgo of the Divine Mother. This Drama is the working out of the salvation of the lost sheep who have believed the lie and have yet to cut themselves free from the wolves in sheep's clothing that Jeremiah has come again to deliver the Judgment.

33

The soul (Moon) of fallen *woman and the divine feminine principle* that made Atlantis and America great is rising and in doing so is being tested by the confrontation with the Watchers, Moon conjunct Psyche at 0 Capricorn as to the progress of the soul on the path of the initiation of the heart by the Holy Spirit (2/21/1988) during the mega-conjunction at 0 Capricorn. Now in the 32nd year in Leo in the Public demonstration of the Law of personal Christhood. This demonstration of the law plays out in the confrontation by the Watchers of your right to be Christ as Mara confronted Siddhartha and the Sadducees (Elders) confronted Jesus in the Temple. This confrontation occurs in the ninth house second decant of the soul's exploration on the Odyssey home to trap (to entrap) the soul in their lies, once again. It is the test upon the mountain of your soul with the Satans and Maitreya, whom will you obey, who will you follow, who will govern or rule your soul, as you stand in the ninth house with the GURU, Jupiter upon the mountain.

The soul stands on the mountain (she is climbing the highest mountain in this church) with everyone, other assimilators and the accommodators and faces in the tenth house the initiation and testing with Pluto Saturn and South Node all conjoined in Capricorn in the second decant of martyrdom. These are the accommodators persecuting the assimilators who follow the idealism of the Law the path and the Lawgiver. The soul stands on the North Node bonded to the Guru MA conjunct her Ascendant at 20 Cancer in the second decant of the fourth house on our property, our land and in the nation, our homeland to defend the Guru. As we go in the church so will the people the twelve tribes go in America. That is to say, if the initiates pass their tests so

Those who have chosen the path of self-love are cut off from the Sun in their devotion to self. Whereas those who have chosen to be governed by Christ now have the opposition to them eclipsed as they enter in to the devotion of their God Presence in the summer of 2019, for the birth of Christ within the Inn, the secret chamber of the heart. This is the eclipse in the second decant of Cancer, the revelation of the promise of the kingdom, faithful over a few things, I will make thee ruler over many things (Matt 25:23); blessed is he that hath part in the first resurrection; on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years (Rev 20:6). The Sun delivers the judgment of Helios in the 32nd year on the path of personal Christhood in the 32 year of the initiation of the Heart for the public demonstration of the Law. Mercury tells Venus 27 & 23 Cancer, respectively to research the teachings to know the law and what the Lawgiver has taught us the Mother Guru Teacher in Leo. Armed, the soul faces South Node and Saturn in the tenth house third decant (Idealism) of the cross not the martyrdom of the Satans and the Dragon, to conquer the dweller by slaying the original cause that gave birth to the personal dweller, our original sin against the law and Lawgiver.

On September 23rd, 2019 the sun enters Libra at Fall Equinox in the second house, second decant as the unloving boy child, Mars is determined to control by policy those in the church and the nation who uphold the God Presence who are demonstrating publicly the Law as Venus in the third decant of her mastership. She declares her independence from the policies of man, who would control the Christ. The soul declares her freedom to follow the Laws of God, the Lawgiver and demonstrates the law by calling upon the Lord for Divine Justice upon all who war (Mars) against the Christ, all who would abort the Christ though their man-made laws and policies that abort the Christ. The soul stands on the North Node at 13 Cancer conjunct the US conceptual Sun to demonstrate the Son of God born within the Soul (Moon) at

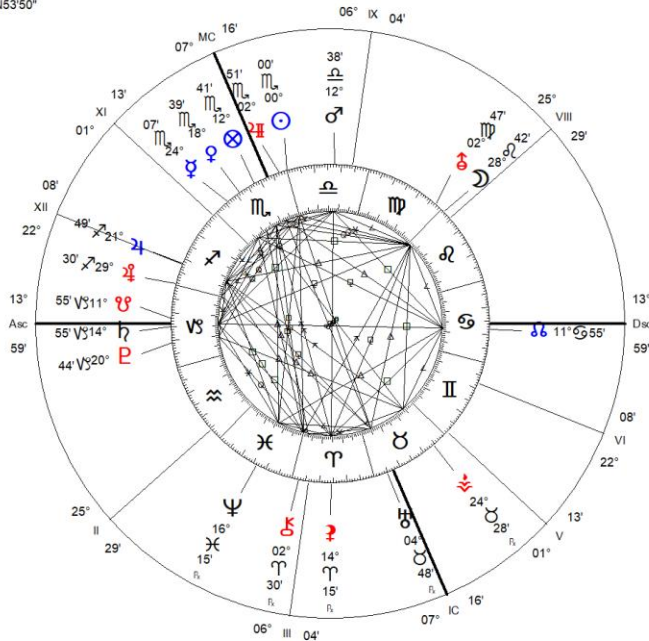

15 Cancer as the soul stands in the eleventh house under the repression of organizational policies in the third decant and declares her Independence publicly demonstrating the early American Spirit of Independence against tyranny. This is the public demonstration of the law of Independence from the tyranny of the fallen ones.

On October 23rd, 2019 Sun enters Scorpio in the third decant of the ninth house. Knowing the law and the teachings the soul is resourceful in invoking illumination from masters, Elohim, and Cosmic Beings to publicly demonstrate the law in the physical quadrant of the year as the harvest of the souls Christ Mastery of the ages. The soul stands in Venus with the Messengers (Mercury) at twelve Scorpio and fulfills her responsibility to sacrifice the passions of past desires *for the light of the Guru without the mastery of the Guru*. The soul is able now to demonstrate her Christ Mastery as she is one with the Guru. This is being done in the face of all who stand at the Y in the road at Chiron conjunct Mother's Midheaven at 2 Aries, the apex of the YOD to Apollyon and Transpluto at 2 Virgo and Scorpio, respectively, in the ninth and eighth houses. This is

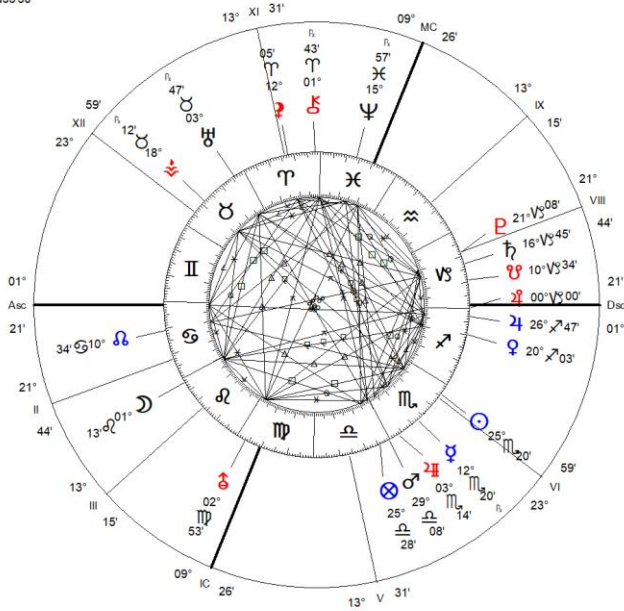

occurring while Pluto is conjunct Mother's Descendant with a 28-minute orb in the first house first decant. This is the dividing of the way.

On November 22nd, 2019 Sun enters Sagittarius in the first decant of the eleventh house to clear the soul of the faithful of the original sin of disobedience of the Law and Lawgiver and to restore the soul of the victorious chelas to their original estate. This incremental victory is the transformational alchemy of the soul who has been faithful and assimilated the law and Lawgiver as karmic layers are transmuted. This is the mark of the soul who has strived. It is the fulfillment of the law and the victory of the public demonstration of the law. These are they who believe the law in 2019. They are called to slay the Black Moon Lilith whom the soul has elevated as her god, her lesser self, her carnal mind. We see her in the mirror of the moon mother as the Black Moon, the black hearts of those around us as we project her upon the innocent, just as we have done through the ages in our karma

with the Guru. Now the soul has come full circle through the cycles of overcoming to cast her, the Black Moon into the flame as we slay our dweller on the threshold and we leap from the solar place of Cosmic Christ Peace into the secret chamber of the heart on the eighth ray. We stand with the Guru Ma at 17 Aries conjunct her celestial Sun and cast Lilith into the flame, in the second decant of the third house, by the soul who has remained faithful in exaltation of the God Presence, whom the Guru demonstrates to the soul.
