PUBLIC DEMONSTRATION OF CHRIST MASTERY OF THE LAW:  
THE MANDATE OF VICTORY  
IN 2019  
PART 3

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

### *Preface*

The Calm Before the Storm is a three-part document series for winter solstice 2019. Part one in the series, *the introduction* explains the cosmic cycles that provide the backdrop, the context against which the coming events of 2019 will play out, as each one is called to decide to be or not to be. Cycles are manifesting as the Sun behind the Sun of our solar system carries out His holy purpose and prepares mankind and chelas alike to receive the oncoming light of the Kingdom Age (Rev 20:4). Part two of the document series looks at an overview of the whole year. What does the year have in store and when? How will the cycles of initiation play out in 2019?

Now in part three we look in detail at *winter solstice* where we discover the major themes that repeat themselves as we cycle through the four quadrants of the year. Taken together these three parts, provide an understanding of what 2019 holds for us that is to be written on the blank page of January first, 2019 as taught by Saint Germain. In this document series, The Calm Before the Storm, The Public Demonstration of Christ Mastery of The Law: The Mandate of Victory in 2019, we will look at the hand writing upon the wall of what is concluding in 2019, as we prepare for what is coming upon the Earth beginning in 2020.

Mighty Victory in *Mandate of Victory* on Cycles tell us to, “*learn well the lesson of the 1920's as the dark forces introduced their dark music, their dark rhythms, and mankind began to move....to the serpentine force (the foxtrot, tango, breakaway and Charleston) and the serpentine lie at the East Gate.*” What does this portend, for us, 100 years later when Mighty Victory wrote this statement through his Messenger, to warn us of what is coming. What victory is required of us in the 36<sup>th</sup> year of the cycle of the Solar Ring, in 2019? How does it relate to our dweller and the coming third antichrist? These are important questions that need to be met head on.

What do the cosmic cycles and dispensations show us is our destiny in 2019 as described for us by Saint Germain as the bright white page of 2019? What will we write upon that page as we gather in our councils within our communities and how will our untransmuted karma carrying over, influence our decisions. Will we draw down the will of God and work the works of the ages to carry out the divine plan, *the overlay* for the year 2019? Mother addressed this on July

4<sup>th</sup>, 1996, three months before the Buddha of the Ruby Ray told us to watch for the coming Third Antichrist. Mother described how every Keeper of the Flame would come to stand in Hamlet's shoes and have to decide to be or not to be (*see Guru Ma's July 4<sup>th</sup> Address, 1996*). What is this connection between the decision we each make and the coming third antichrist?

A major theme of 2019 and the previous two years is the challenge of meeting the return of our soul's disobedience that was the cause of our original vulnerability in the confrontation with the serpent and his logic, his reasoning, and his lies, in the mystery school, *the Garden of Eden*. We are facing those same lies and the Serpent's logic at the East Gate, in 2019. This is the cause and core of evil that took up abode in the seat of the soul and was the cause of our being cast out of the mystery school, the Garden of Eden. Now we are come full circle in 2019 in the 36<sup>th</sup> year of all the cycles given in 1984; the return of Maitreya's Mystery School (May 31, 1984) and the opportunity given in the 33-year cycle to prepare for the Ascension (April 8<sup>th</sup>, 1984) as the judgment went forth upon evil in the Matter universe and upon the Abusers of the Word on the 1<sup>st</sup> ray (*Jan, 1<sup>st</sup>, 1984 and April 27<sup>th</sup>, 1984, respectively*). This was the beginning of the acceleration that also saw the judgment of 20.12; 56.02, and 56.00 as well as the giving of the authority of our causal bodies to the Darjeeling Council to act. (4/22/1984 El Morya).

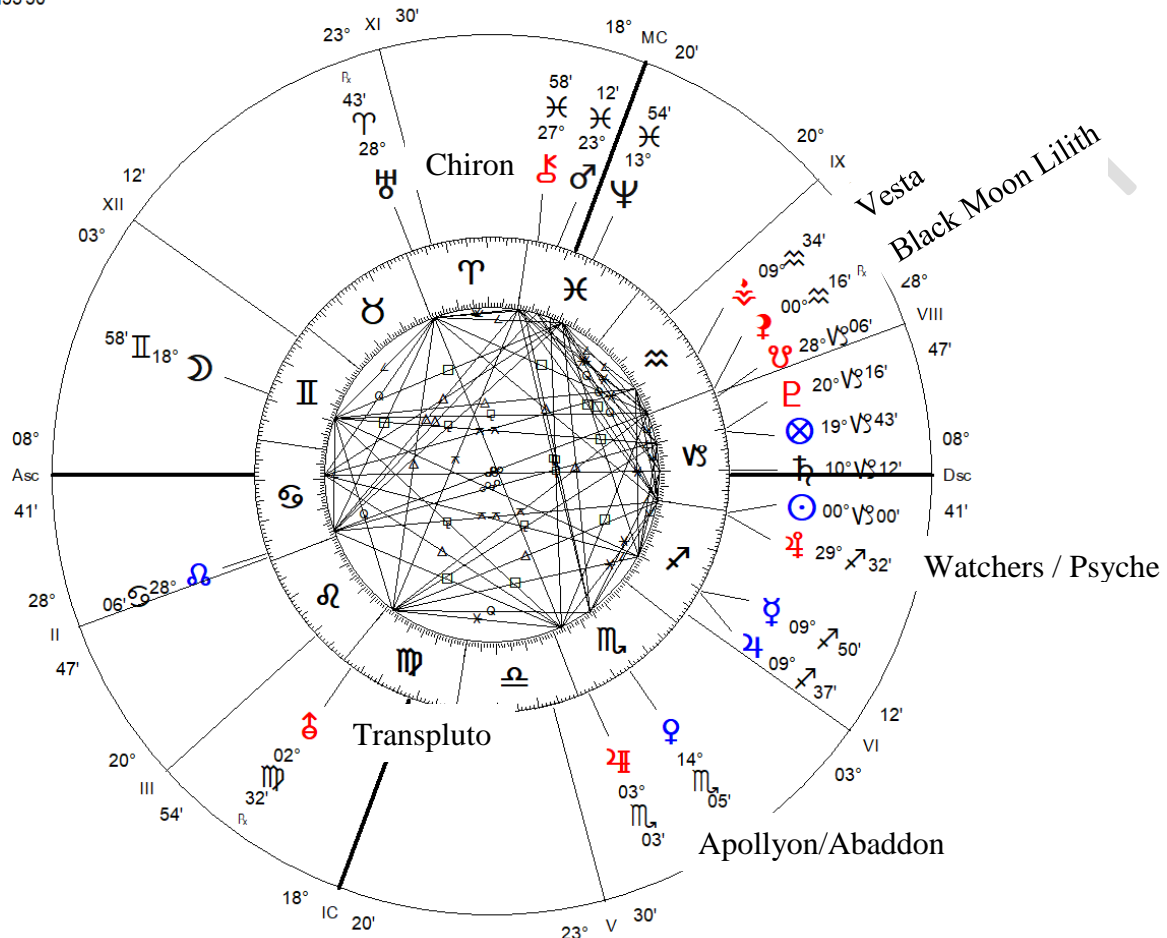

Key to our understanding is what the Maha Chohan told us on February 21<sup>st</sup>, 1988 during the mega-conjunction at 0 Capricorn. He announced the beginning of the initiation of our hearts by the Holy Spirit. He told us that those who *assimilate* the Guru and the teachings would out picture (the cycles of) the Sun, Venus, and Jupiter and for some the Christ mastery of the Moon. While those who *accommodate* the Guru and the teachings would out picture (play out) the Four Horsemen, Mars, Saturn, Uranus, and Neptune. Understand the meaning of this. For God has come to divide father against son and mothers against their daughters. Many are called but few are chosen.

The Sun represents your I AM Presence and the Son, Venus represents the obedient chela aspiring to be one with Christ, while Jupiter represents the Guru/Teacher. Mars is the trigger, the Red Horse called war, and has the power to take peace from the earth; Saturn the tester, the Black Horse brings, by his actions, through leadership, i.e. people in *positions of authority*, famine because of their choices; Uranus the tester, the White Horse called the false Christ, comes *to conquer* the activities of the Great White Brotherhood; Neptune the tester, the Pale Horse called Death, and Hades follows with him for all who have chosen to reject the love of the Divine Mother, in her daughter and her sons. (Rev 6:1-8; 17:14-18; also 20:5). This is the great drama playing out over the last 33 years of the playing out of many of the prophecies of the Book of Revelation, announced by Archangel Michael at summer solstice 1985.

**Note for all charts:** *The Maha Chohan identified the Blue planets as those out pictured by those who assimilate the Guru and the teachings. The Black planets are those the Maha Chohan identified that are out pictured by those who accommodate the Guru and the teachings. They are the Four Horsemen. The Red planets are the planetary and inter-galactic forces opposing the spiritual hierarchy of the planet and their chelas.*

Mother taught us how to clock the 404 verses of Revelations using the Cosmic Clock, 33 and 2/3 times around the clock. Beginning at summer solstice 1985 we concluded the last verse on Feb 21<sup>st</sup>, 2019. Now the stage is set for the final battle of Armageddon between Christ and Antichrist. The final battle, we are told, will come at the end of the three and a half years of the Tribulation that concludes the Dark Night of The Spirit. The latter began immediately at the end of the cycle of the Dark Night of the soul (Saint Germain **1989**) whose cycle enters Cancer in the 31<sup>st</sup> year in 2019 for the Public Demonstration of the Law by all under this cycle. This end of evil, we are told by the masters will coincide with the coming of the Cosmic Christ (Saint Germain On Prophecy). We are also told that the Divine Mother is first harvesting the wheat, the faithful remnant, then returning to harvest the tares (Mother Kali, August 17<sup>th</sup>, 1987). Saint Germain and the Goddess of Liberty tell us that Merlin will return to Camelot (*released from his crystal prison*) and cast out the black magicians and that the masters will cast the black magicians out of North America which they will seal, while the fallen flee to Europe where they will receive their karma.

We stand in 2019 in the 36<sup>th</sup> year of the cycle of the Solar Ring, in Sagittarius for the sealing of our soul's victory and the culmination of many cycles of our soul's evolution. Victory in 2019 requires that we stand with the Mother-Teacher-Guru in Leo in the public demonstration of our Christ mastery of the secret rays. We are called to demonstrate the attainment of the sensitivity of our soul's selfless love and compassion for life as we are called to console the Holy Women, as the Divine Mother *gives birth to Christ in you and many*. As the soul opens her heart (Inn), to give birth within. The mystic rectangle opens a doorway that only Christ attainment (the mystical key) may unlock and pass through. The alternative, we will see, is the awakening of latent occult powers by those who take the left handed path and force the kundalini in Scorpio in the belief, Neptune in Pisces, that they are fulfilling their destiny to rule as Christ. By forcing the doorway of occult powers, they force open the mystic rectangle to the left and it opens entrapping the soul to her fate, having forsaken her destiny. This is the price of disobedience, the crystallization of the four lower bodies, imprisoning the soul. In 2019 we stand at the Y in the road and must choose. In 2019 we will see one pointed determination in some and fanaticism in others.

This is the *third year in a row*, when the birth of Christ comes forth to publicly demonstrate the law (*in the Temple*). We stand in Virgo in the 33<sup>rd</sup> year of the evaluation of the Temple announced by Maitreya on January 1<sup>st</sup>, 1987 for the public demonstration of the law. This corresponds with the cycle of the re-organization of the church that began January 1<sup>st</sup>, 1997 where we now stand in Scorpio (23<sup>rd</sup> year) in the second year of the attainment of Christ mastery of the law, as taught by Mighty Victory or the lost potential for that attainment in the physical body, the physical plane.

(diagram the clock of this cycle of the re-org -36 years in 2033 in Capricorn)

Capricorn	Jan/1	1997, 2009, 2021, 2033
Aries	Jan/1	2000, 2012, 2024
Cancer	Jan/1	2003, 2015, 2027
Libra	Jan 1	2006, 2018, 2030

We stand in *the re-organized church* (1/1, 1997) on January 1<sup>st</sup> 2019, in Scorpio in the 23<sup>rd</sup> year. We stand in the second of seven years to demonstrate Christ Mastery of the physical plane, in the Church as Communicants and as chelas of the ascended masters *on the path of personal Christhood* that began on November 1<sup>st</sup>, 1987. We stand on the *path of personal Christhood* in Leo in the 32<sup>nd</sup> year in the second year of the public demonstration of the law (until Nov 1<sup>st</sup> 2019 when we will enter Virgo, the 33<sup>rd</sup> year) of the sensitivity of our hearts under *the initiation of our hearts* by the Holy Spirit now also in Leo in the 32<sup>nd</sup> year in the second year of publicly demonstrating the Christ mastery of the law.

All this is in preparation for next year in Virgo when we must be found in the eye of the storm of the hatred and anger of the Guru by those who fail their tests of 2019. Here (in 2020) we are called to stand to invoke Christ Peace to hold the balance in the church and in the nation in a critical election year when we will decide in the church and in the nation(s) who will we be governed by, Christ or antichrist. *2019 is the initiation and testing of our hearts to determine who can discern the difference.* Our hearts are being tested to see who has assimilated the Guru and earned the gift of the Holy Spirit the discernment of spirits. It has been foretold that if the days are not shortened, even the elect will be deceived. Such is the danger of the awakening of occult power outside the protection of the Guru-chela relationship. It has the power of deception, allurements and fascination. It also has the power of animal magnetism - malicious, ignorant, sympathetic, and delicious attraction. Many will be deceived.

Mother Kali (8/17/1987) Sun in Leo in the eighth station (Leo) of the Aquarian cross came (in 1987) to console the Divine Mother *in the fierceness of her rage to deliver the judgment upon the tares and to begin the harvest of the wheat.* (see Mother Kali's dictation 8/17/1987.) So, we have seen the judgment begin first within the church (13<sup>th</sup> Tribe of Priests) and the nation(s) (12 Tribes) to separate out the wheat from the tares and to harvest the wheat. Mother Kali tells us, that when the harvest is complete, they will return to harvest the tares. First, the Elohim tell us the judgment is upon the light bearers, the called-out ones...in the church, and in America, which share the same sun sign at 10 degrees Taurus, within a one-minute orb of each other.

So, we stand in the initiation of our hearts in Leo in the 32<sup>nd</sup> year to determine who will be governed by Christ. That is to say, who will stand in Leo and hold up the Guru, the Lawgiver and the Law and publicly demonstrate their mastery of the secret rays in 2019 (before those who have taken the law unto themselves). In preparation for the cycle change this August 17<sup>th</sup> when the cycle of the harvest of Christ will enter Virgo in the 33<sup>rd</sup> year to demonstrate Cosmic Christ Peace and to calm the waters of the emotional bodies of the people who are angry with

Guru Ma and Saint Germain, the seventh angel who sent her to be his prophet. All this is the returning karma of the last 25,800 years of the hatred of the Guru.

This is the deep-seated unconscious karma of the ages now surfacing at the Nadir into our consciousness in the mental body that is pulling down our conscious awareness from the higher mental plane to where we are influenced by the mass consciousness and the Martian A's, anger, argumentation... These become in Virgo the poison of the human ego as hatred and anger at the injustice perceived (4-10 axis). Which drives our passions in Scorpio to lust after the light that has not been mastered by Christ attainment because the soul has accommodated the path and refused to obey the law (*assimilate the law as discipline...white fire, the white cube of the Church Universal and Triumphant*). Therefore, Mother tells us, having refused to correct our errors, the soul leaves off the initiation of (discipline of) our souls on the path of initiation...up, up the mountain. Until finally we come to the place when we see the coming initiation and we refuse to take it. (*see Mother's July 4<sup>th</sup> Address, 1993*) (*see Gautama Buddha's New Year dictation in early 1990s*).

Mother Kali has come for the harvest of the wheat. This is yet ongoing, but in August 2020 we conclude the public demonstration of Christ mastery of the law. We will then come to Libra in the 34<sup>th</sup> year to stand at the river Jordan before the Guru to be anointed to begin the destiny of our souls, our three-year Christ Mission. A mission to gather the lost sheep who are ready to enter the heart of the Guru, Morya and to teach them the law and to undergo the crucifixion, the 15<sup>th</sup> rosary. Mother taught us in 1996 in her lecture that became the book, *The Prophecy of the Millennium*, that the cycle of war would be ended by 2032.

6

We see by the cycle of the re-org, that began in the physical on January 1<sup>st</sup> 1997 that we will be in our 37<sup>th</sup> year in Capricorn in our organization in 2033, to start a whole new cycle. We have the next 14 years within this organization during which all that is written will come to pass. One full cycle of initiation as taught by Maitreya. Within 14 years the harvest of both the wheat and the tares *should* be completed. We will stand in the dawn of a new day. It is time to take stock of what is to be completed and to obey El Morya who set two goals for his chelas, *the altar and to prepare to survive*. What is yet to be done? What is it that each one of us individually must do? And what gifts will we, each one, lay upon the altar to bring these cycles to victorious conclusion? John F. Kennedy as US President once said, "*ask not what your country can do for you, but what can you do for your country*". These words are more relevant today when the nation is bleeding and the child is left defenseless without the protection of the law.

**Year End Test (the *Harvest of 2018*): Becomes the Seed of 2019**

We started out asking how do the cosmic cycles and dispensations show us our destiny in 2019 as described for us by Saint Germain as the bright white page of 2019. We have looked at the cycles and dispensations in the introduction to this document and in the document Part One. Now we will look at how to measure these criteria using the tools available, mainly esoteric astrology with a mundane astrology filter added. We will look at January 1<sup>st</sup> as a predicator for the year to focus our heart's meditation on the divine plan for the year, as taught by Saint

Germain and the Masters in the Class of The Solar Ring. We will look at winter solstice through the lens of the Light Cycle for the Year as taught by Kuthumi to understand the divine plan for the year as the Sun's entry into Capricorn, the beginning of a new cycle. Both of these approaches help the soul tune into the heart of Gautama Buddha and his release of the light for the year as the thought form for the year given each New Year's Eve. We will look at the light cycle and dark cycle of the year as taught by Maitreya. To understand the significance of the Sun's entry into Capricorn as the light cycle of the year and the dark cycle of the year see the references at that end of this document.

Esoteric astrology describes astrology as the Clock of Destiny. It is the old dispensation of the mystery schools before they were opened to the I AM race in 1875 where a soul had to balance 100% of her karma. Since 1875 and now in the second century since 1975, when we began the Galactic Alignment as Helios entered the galactic equator, we are witness to the acceleration of the light and of the return of karma. We entered in 1969 the return of karma of the emotional plane and the attack on the Mother and the feminine principle of woman...to tear down America. See Phyllos page 127, *"we loved our Rai...but we honored our women more. America foremost amongst nations, art so because of woman—and Christ. Thou wilt keep in the van because of them, and eclipse all the world...Built on such foundation, the National house shall not fall; built on other, great shall be the fall of it."* We were called by the Masters through their Messengers to the path of karma yoga, the path of initiation under the guru chela relationship. In the parlance of esoteric astrology, we were called to an accelerated path in one lifetime of paying our Debts of Destiny to balance our karma with (the) Mother and the principle of woman. We are called to clear these records from the subconscious mind and memory, as taught by Kuthumi.

---

The solar year begins with winter solstice, chart 1. This is the sealing of the fall harvest of personal Christhood and the divine plan for the year 2018 (11/1/2018). Kuthumi teaches us that Maitreya comes with a reward for those who have increased their Christ light. While Lady Vesta also comes with a gift for the new Christ child born in you at Christmas. Maitreya teaches us about the light cycle and the dark cycle in Capricorn (see references, Kuthumi, The Light of Winter Solstice).

The seeds gathered in 2018 from the soul's fall harvest await the preparation of the soil to be planted in the spring, 2019. This is what Saint Germain taught us on January first 1984 in the Class of The Solar Ring, played on January 1<sup>st</sup> 2019. January first of each year presents the clean new page and the divine plan for the year. Within the divine plan lies the will of God. The soul's divine plan is adjusted to account for the increased attainment and the gift and reward given. Or the divine plan is modified to account for the failure to pass the previous year's initiation and the accumulated untransmuted karma that looms over the clean new page for 2019 that threatens the fulfillment of the year's divine plan and that of the souls.

Maitreya teaches that on January first each year there is the evaluation of the Temple, the twelve Tribes and Jerusalem, given 1/1/1987. The path of initiation is strict, it is pass or fail. But

in passing (51%), Jesus said (Easter 1993) you will not be happy when you ascend because heaven is based on the principle of the 5<sup>th</sup> secret ray under Amoghasiddhi (Sagittarius) of the wisdom of perfected action, the all accomplishing wisdom that provides the soul the guidance to unerringly achieve his goals. It is this consciousness that counters the mediocre human consciousness that is the component of personality that Vairochana (Leo) transforms by his all-pervading wisdom of the Dharmakaya, the consciousness of ignorance of the path, the Guru and the teachings and we are told over and over, the cycles.

The mathematics (astrology) of our karma is complex, wheels within wheels, as the recording of every decision, action, feeling, thought whether good or for ill. It is the stamp we put upon the astrology of opportunity. We are not attempting here to convey all the wheels within wheels as that is given as the soul's responsibility. It is written, "Physician heal thyself."

What we are attempting here is to present the major themes and configurations that have influenced our decisions, our actions, thoughts, and feelings, that determines the evolutionary state of our soul so that they can be addressed and cast into the flame so they do not repeat. As we clean up after ourselves and learn (to be determined) not to make that *same* mistake again.

#### **Year End Test - Saturn Conjuncts Mothers Mars**

Sun entered the emotional body at **15 Sagittarius** on December 6<sup>th</sup>, 2018 in the 4<sup>th</sup> house first decant to demonstrate Christ mastery over our moods and the influence of the moon upon our four lower bodies. The moon is at **13 Sagittarius** conjoined the Sun. The Sun in Sagittarius in 2018 is giving birth to the Christ in the American people (the moon, representing the soul of the people) in the 4<sup>th</sup> house in Sagittarius conjunct the US conceptual Ascendant. This is occurring in 2018 in the face of the alien conspiracy programming the (subconscious) minds of the American people as the US natal ascendant (seven Virgo) is midpoint between Transpluto and the Part of Fortune in the 3<sup>rd</sup> decant of the 12<sup>th</sup> house. The alien conspiracy (through the use of technology and machines) is attempting to destroy the Great Awakening of the American people and their Enlightenment, underway in the *Coming Revolution in Higher Consciousness*, to suppress the people rising. The people are being called to come out of her or receive her karma, Rev 18:4. (*She is Babylon the Great; The Scarlet Beast and Scarlet Woman who rides the Beast out of the Pit*).

The message of the Sun in Sagittarius, to the feeling body of the people in the fall of 2018 is delivered by Mercury at **27 Scorpio** in the third decant of the third house. It is a warning. Mercury and Jupiter are in the third decant of the third house. It is warning the chelas to beware in the fall of 2018 and throughout 2019 of the reasoning and logic being used by those addressing issues related directly and indirectly to the Guru and her teachings. The third house is the lower mental body/plane, the realm of the Serpent and the serpent mind, the carnal mind and his lies (causing the original sin of the soul that resulted in being cast out of the Garden of Eden, the mystery school.) Jupiter, the Guru, is in the first decant of Sagittarius in the sixth degree, which rules the soul's devotion to the Guru and the Guru chela relationship, the path of chelaship. That is to say, the path of initiation of our personal Christhood that began on

November 1<sup>st</sup>, 1987, now in its 32 year in Leo for the public demonstration of the Christ mastery of the law. **Twenty-seven Scorpio** is the ghost of 1994 Pluto square Saturn during the mega conjunction in Capricorn of seven planets that threatens the church and nation. See Mother's July fourth address, 1993. Mother also prophesied that the soul would come to stand in Hamlet's shoes (July 4<sup>th</sup> Address 1996) and must face, of his dweller Pluto that is moving against the soul in 2018-19 to steal her victory in Sagittarius of life times of preparation for this initiation...on the mountain with the Guru and Satan(s). This is the cycle for all born with Pluto in Leo to cast Satan out (Taurus-Disobedience of the law and Lawgiver; these are those born in the late thirties 37-39 to the late fifties 56-58).

This is the public testing of the soul's Christ mastery, in 2018-2019, over her dweller Pluto and the planetary forces that are moving against the Guru in the church and in the nation(s). This age group (Pluto in Leo) represents the group of souls called to serve Mother, the representative to the earth of the Divine Mother, Virgo. The Summit Lighthouse was created in 1958 to train this group as the thirteenth tribe. TSL was founded by Mark in 1958 at the direction of his Guru, El Morya, with the Sun in Leo and Mercury and Pluto in Virgo. Mercury conjunct USA Ascendant, seven Virgo.

The group that came to know Mark were the Pluto in Cancer generation. TSL was founded with Pluto at 1 Virgo, the Divine Mother bringing divine justice to the earth to free her children from the poison of the hatred and anger of the lost sheep of Atlantis who were with Jesus, down through the last 25,800 years come again during the 30's, 40's, and 50's to balance this karma of the last 25,800 years of hatred and betrayal of the Guru because of their disobedience of the law and the Lawgiver. See Phylos the Tibetan and Mother's teachings on the Rai of Suern. Also see The Masters and their Retreats, Ascended Master Ernon, Rai of Suern page 95-97.

We are the lost sheep rescued by the Guru through their Messengers to teach us to walk in their footsteps. We are on the path of karma yoga. We are taught that "we are our karma", come to balance every jot and title. Some prefer to believe we are gods and prefer to do it their

way. This is Ayn Rand's Roark, the Black Moon Lilith, the Black soul, the fallen woman, the fallen feminine principle. Serpent has taught us how to take dominion, god control of the activities, the nation, the church and to rule. This is the promise of Satan upon the mountain, in 2018-19-2020. This is the initiation in Maitreya's Mystery School since 2012 and the return of the Serpent to the Mystery School...to test everyone. Now in the 36<sup>th</sup> year of the Solar Ring and the judgment of evil in the Matter universe, we have the opportunity to *cut the tie to the serpent* and his lie and be fully *restored to the mystery school* on our journey back home on the path we took long ago. This is our soul's Odyssey on the Path of Personal Christhood (11/1/1987) under the Initiation of the heart by the Holy Spirit (2/21/1988) during the Dark Night of the Spirit (1989, Saint Germain), now in 2019 in Leo the thirty second year to fulfill the Mandate of Victory.

Mercury delivered this warning on December 6<sup>th</sup>, 2018 (Sun at 15 Sagittarius) to the chelas and the initiates (*all Americans are initiates of Maitreya ~Saint Germain*) because we were being initiated and tested in the fall of 2018 to choose life, as Venus conjoined Apollyon at 2 Scorpio with a 13-minute orb in the third decant of the second house. The faithful chelas (Venus, per Maha Chohan) demonstrate their mastership of the law of Christ mastery over self-love and the records of their past passions, the poisons of lust, covetness, greed, and craving the light of the Mother Guru Teacher. The warning was given so that we would choose life not death, Mars conjunct Neptune at 13 Pisces in the first decant of the seventh house with a 16-minute orb. This warning was given because of the Mars Neptune passions that brought to the forefront in the fall of 2018, the harvest of the ages (the Grand Sidereal Year...25,800 years), the soul's lust for the light of the Guru and her chelas (seventh house relationship of the love between the Guru and her chelas, and between Twin Flames) and the light of America by the Nations. This is the karma returned to the seed of Abraham for their hatred of Joseph and his Sons, Ephraim and Manassas. This is the karma returned of the hatred of the Sons of Solitude, (Atlantis, Suern, Seed of Abraham) to those now in America, the British Isles, and Europe. Now is the cycle to cast it into the flame and move on or repeat the past.

Mercury is delivering the message (at **27 Scorpio**) to the soul to choose. We have been given the 1994 prophecy by the Seven Elohim and their Messengers (see July Fourth Address, 1993 by Guru Ma) of the destruction of the Nation and the Church, if they are not re-organized to focus on the birth of Christ, the chela on the Path. The soul is called to focus on saving herself instead of focusing on outer activities (her works). Unless the soul become the teachings, the very purpose and principles of the nation, *neither will survive*.

Mercury delivers the message in the fall of 2018, the second year of the cycle that began in 2017 (*one hundred years after 1917, and the murder of the Messengers in Russia*), to those in embodiment today, "will you abdicate, again", "will you betray the Messengers again, in 2019 (in 2018, 2017)? Will you bend to your conditioning through the ages of betraying the Guru, trine Chiron at 27 Pisces, or will you expiate your karma and break the bonds (Venus conjunct Apollyon at **2 Scorpio**) in the seventh house, third decant? This is the initiation and testing of our souls in these three years **2017-2018-2019** that finds us at the Y in the road with the Guru on her midheaven to confront our dweller (Pluto) on her Descendant; to slay the dweller or the Guru

giving birth to the man-child in you, in 2019. (see Climb the Highest Mountain Series, Christ and Antichrist).

This is the requirement of the public demonstration of every Son and Daughter of God who keeps the White Cube of the Church Universal and Triumphant and who stands on the South Gate with the Woman clothed with The Sun and keeps the Mystery school in the Western Shambala, stating with Jesus that “I AM He” the son of God . This is also the initiation of all who have been called to serve Mother and the Community and who have been called in this lifetime to America... to serve as just stewards or to attack; by their words and their works, you know them. By their words and works they are judged. This must happen, El Morya tells us.

This is the playing out in Pisces, once again with Mars triggering Neptune at **13 Pisces** in the seventh house of the collective consciousness of the collective mind of Neptune ruler of Pisces, ruler of communism, the ideology that tore down the Golden Age of Atlantis and its intended restoration in Russia in 1917. Now in 2019, America must face it. Neptune rules communism. The masters warned this generation for over one hundred years (as Le Comte de Saint Germain) and we failed to heed him, then. Even then he gave us opportunity by sponsoring Napoleon to unite Europe. He also betrayed the Guru. Still the masters came to warn the Seed of Abraham, *the Angel of Peace* came three times in 1916 (spring, summer, and fall) followed by Mother Mary six times beginning in May 1917 through October 1917. Communism is the counter revolution to the Coming Revolution in Higher Consciousness. We have been warned with the opening of the mystery schools beginning in 1875 by El Morya, Dwal Kul, and Kuthumi. We have embodied repeatedly since these cycles began to pay our debt of destiny as the Clock of Destiny, as the mystery schools call astrology. So that we could stand in this time 2017-2019 to finish what was started by the Great White Brotherhood, 2000 years ago, the golden age of Aquarius. Or to once again repeat the past because our souls lack will, discipline, and discernment of spirits.

The faithful are called to uphold the arms of the Guru in the judgment of evil in the Matter Universe. We are called to stand in the community and the Nation upholding the arms of the Guru against those who have chosen to follow Lucifer to the second death (Gabriel) and as Mother taught, stand in Hamlet’s shoes, choosing not to be by submitting to outer circumstances in the final battle of Armageddon now underway as we prepare to enter 2020 and the Tribulation to face the coming third Antichrist as prophesied to us by the Buddha of the Ruby Ray in October 1996. Antichrist is the denial that, “I AM He”, twin of Jesus.

This is the public demonstration that will play out in each of our lives over the next two years. It will play out in small ways, in big ways; and in all ways the demonstration of the Christ mastery of the law, because of the love of the Lawgiver, the Guru. Those who choose not to be have chosen instead, the path of self-love. They choose to follow the lie once again, in the mystery school. They are still children, having failed to evolve, they choose in 2019 to save their lives.

PART 3

This sets the stage for the coming confrontation at the close of 2018 of the sealing of our mastery and the decision to be or the decision not to be in 2018. We came to the initiation on December 19<sup>th</sup>, 2018 with the Sun at **27 Sagittarius** as the chelas came before Maitreya on the mountain with the Satans to seal their destiny or their fate going into 2019 at winter solstice on December 21<sup>st</sup>, 2018.

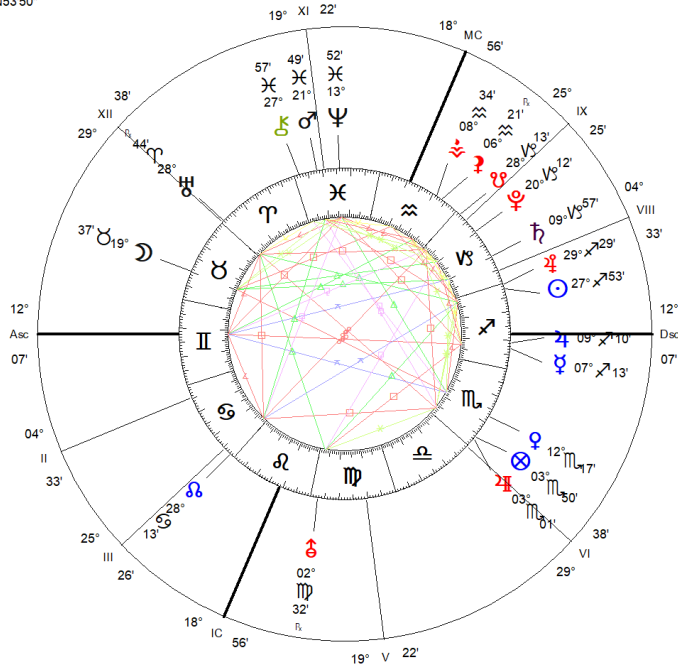

**Saturn Initiates Mother's (Mars) Chelas**

12/19/2018 – Saturn conjoins **9 Capricorn 57** in 8<sup>th</sup> house 1<sup>st</sup> decant. Exactly, conjunct Mother's Mars, representing her chelas in her 6<sup>th</sup> house of her chelas service to the Guru. Nadir is at 18 Leo conjoined the Solar eclipse of 8/11/2018, the returning karma of our actions and feelings under the eclipse of all our karma with Guru Ma since we were called out to serve Mother and the Community. Now many a soul will come to know the freedom of surcease from a level of karma with the Guru and they will begin to experience good karma returning to accelerate their service to the Guru, in the fulfillment of their divine plan.

Also, the soul willingly faces the accelerated initiation of returning karma with the Guru, that is that original sin with the Guru. The souls of the initiates and mankind having been prepared to this hour to meet this testing of our souls in the public demonstration of the law and the victory of all cycles from 1984 that are now entering Sagittarius in the 36<sup>th</sup> year in 2019, as the soul's lesser self (human ego) dies on the cosmic cross of white fire so that the Christ self can resurrect.

THE CALM BEFORE THE STORM  
PUBLIC DEMONSTRATION OF CHRIST MASTERY OF THE LAW:  
THE MANDATE OF VICTORY  
IN 2019  
PART 3

The soul faces in Mars Neptune, the intense passions of self-love that is struggling within herself to achieve the ambitions (I want) of her heart's desire...the imagination of the heart. This is the psychological nature of Mars Neptune, of a soul that has a strong will that has not yet submitted to Christ Mastery and the Guru. The soul believes in the materialist view that states I occupy a position vis-via the Guru and have standing in the community/nation. But it is not by love nor by attainment. Instead it is by the mechanics of occupying a position. It is the *taking*...of heaven by storm. It is by sheer human will, not God's will. Mars Neptune is the self-deception that believes heaven will/must accept them because they occupy an office or perform a job. They then demand others recognize their office, as heaven sponsored. They are jealous of the love of the Guru and chela and demand the same from the chelas. The difference is Mars Neptune would force those in the organization (first decant 10<sup>th</sup> house) to accept their office in the attempt to get their love, the Guru and the chela. This is the way of the dweller on Mother's descendant at 20 Capricorn within a 4-minute orb in the third decant of the eighth house, believing that they have risen to the office through attainment, but the reality behind the deception and illusion is that it is by their will and self-love, alone.

This is the belief that we can build the material kingdom, that it is God's will. Instead of building the etheric cities, as above so below, as the Guru's servants. The former begins as devachan but ends as Neptune Mars Chiron, as hell on earth with the coming Third Antichrist.

This is the initiation in the fall of 2018 upon the summit of the mountain with Saturn (Maitreya and Satan). Where the soul in the sixth house has achieved mastery over the passions that ties the soul to Apollyon/Abaddon at 3 Scorpio and takes a stand with the Guru in the third decant of the sixth house to denunciate the lie and purge herself of what she sees (Scorpio...poison of perception of the human ego) in the mirror of the Moon Mother. The soul chooses to be on the higher mental plane to demonstrate the mastery over the lunar forces that rules the synthetic self as mechanization man opening the soul to be coated by the grids and forcefields of karma that should be cast into the flame breaking the bonds (clay tablets) that keep us earth bound. The fallen ones use the lunar forces to condition our psychology, to bend and mutate, to distort the pure stream of God's light to control and rule the chelas and the people and to take heaven by storm.

The lower mind is ruled by Gemini and by the Serpent, the human intellect. This is the human condition, the components of personality that the five Dhyani Buddhas have come to free us of. Their wisdom antidotes the poisons that these components of human personality create in the four lower bodies of the soul, that densifies, distorts and mutates the soul. (see 6.04 decree).

Added to this, is the programming of the mind that is pulled down into the lower mental plane, the soul's lower mental body. The fallen angels, Gabriel tells us, use computers and machines to psychically program the soul. They place false moons in orbit around the planets to distort lights influence upon earth's evolutions. New moons have been discovered orbiting Jupiter that were not there previously. NASA imagery has been used to discover what Russian scientists call towers and cubes orbiting earth in high orbit that are being hidden by what I believe is one of the uses of chemtrails. They are placed strategically over the etheric retreats to

THE MANDATE OF VICTORY  
IN 2019  
PART 3

distort peoples sleep and ascended master retreat access and experience, once there. These effects cause the soul to create karma in the retreats, Uranus, the White Horse, our karma made in our etheric body on the etheric plane...in the etheric retreats. It causes the soul to reach devachan not the retreats thereby reinforcing the souls' belief in her power to create, the power of self-love that is then projected onto others and the Guru. This is not love, it always betrays out of self-interest or gain. Mighty Victory tells us to call for the helmet of peace and a blue sphere around the heart.

Esoterically, the mind is a measure of the souls' evolution. The soul's *mind evolves* through an initial lunar phase of the mass mind until the soul evolves to having sufficient control of the mind to control her *feeling world*, that evolves from the initial Martian phase to Venus phase. By this time the soul is evolving through the Mercury phase of the mind where it can follow the laws set for her by the Sons of Solitude and her feeling world is Venusian spreading peace, love, happiness and beauty that dominates the aggression and survival instincts of the Mars Lunar phase. The soul rises as the eagle over the dominant egos and their aggression and the poisons of the lower nature, the scorpion. The final stage of soul's evolution is the Christ evolution of the Mercury Venus phase. Now the soul is ready to face absolute evil so the initiator Saturn opens the soul to Neptune's causal body to be trained to deal with Neptune's electronic belt. That is to say, the soul now must stand in Neptune's mastery to meet the challenge of those who having failed the Neptunian initiations and have fallen into the abyss of Neptune's depths with its occult powers now wielded by the force of darkness and death. In this phase the soul learns the Christ mastery of the cosmic cross of white fire and sheds the snakeskin of the human to rise in the resurrection as the Phoenix in the ascension. The key to this latter phase is the assimilation of the Guru, to be ready to take the mantle of the Guru, the continuity of the word, the lawgiver. Kuthumi has told us, now it is our turn to be the Sons of Solitude.

14

---

The Maha Chohan teaches us that the assimilators of the word out picture the Sun, Venus, and Jupiter. While those who fail to assimilate the Guru, the Lawgiver and the law but accommodate instead will fall into the electronic belts of the planets and out picture their negative destructive natures (their records, because of evil in the Matter universe) of Saturn, Uranus, and Neptune, triggered by the electronic belt of Mars. These are the four Horsemen, the Black, White, Pale, and the Red respectively.

We must meet the simultaneous challenge of Saturn conjunct Mother's Mars, her chelas in Capricorn at **9 Capricorn57** and Pluto conjunct Mother's descendant at **20 Capricorn12** (Saturn is exact, while Pluto is yet a 4-minute approaching orb; exact on winter solstice). Both *Pluto*, the chela's dweller and *Saturn* the initiator and the testers, those who have fallen on the mountain and turned to the brotherhood of the shadow and out picture the Four Horsemen, are in the seventh house of relationships and foreign relations. Saturn is in the first decant, policies used to control the status quo, and the establishments' control of power; organizations within organizations (*cliques*). Typically, and historically they recruit after their own kind and to apply the law (twist the law) to suppress any challenge from those who attain real power by obeying the law, i.e. become Christ, the rightful heirs. The law is used to abort and euthanize any threats to their control.

While Pluto is in the third decant. The soul is warned to cast out the dweller and all hatred of the Guru because Mars is transiting to conjunct Mother's Midheaven at 2 Aries, triggering the 2018 YOD, the karma with the Guru (positive and negative) from the 2018 YOD with Chiron at the apex from May through to September 2018. This karma is returning at years' end to seal the soul's destiny or the soul's fate with the Guru. The new year (2019) starts as the old year ends (2018) with the fruits of the harvest used as the seeds for the coming spring of 2019. When, beginning on March 10<sup>th</sup> through the end of the year we will face the Y in the road a second time as Chiron conjuncts Mother's Midheaven in 2019. This window (second) in Leo on the Path of Personal Christhood and the initiation of our hearts by the Holy Spirit will provide the test(ers) and the trigger (Mars) for the public demonstration of the law at the conclusion of the 33 years of the playing out of many of the prophecies of the Book of Revelation. This cycle ends on Feb 21<sup>st</sup>, 2019. This window of our soul's testing at the Y in the road, began in May 2018 will end on February 13<sup>th</sup>, 2020.

This is a window crossing three years, 2018, 2019, and 2020. It sets the stage for Mars to transit and trigger first, the results of our encounter with our dwellers at the Y in 2018 on January 3<sup>rd</sup> to 5<sup>th</sup> 2019 as Mars conjuncts Mother's midheaven that sets the stage for our encounter in 2019 and early 2020. Then Mars returns to trigger (March to end of the year) the outcome of the souls' encounter as the nation and communities face the coming 3<sup>rd</sup> Antichrist on July 1<sup>st</sup> -2<sup>nd</sup>, 2020. This marks the end of the Galactic Alignment and the coming end of the Jupiter Saturn conjunction at winter solstice, 2020. This is compounded by the Solar eclipse occurring on January 5<sup>th</sup> 2019 during the Mars conjunction of Mother's Midheaven triggering the YOD and confrontation with our dweller at the Y in the road.

15

---

We stand at the Y in the road at the end of 33 years on the path of the Ascension (2017) and the prophecies of Revelations (2/21/2019) and enter (on 2/21/2019) the 32<sup>nd</sup> year of the initiation of our hearts in Leo, in the 31<sup>st</sup> year in Cancer of the Saturn Return of the Safe Passage of Ye All through the Dark Night of the Spirit to win the mantle of Learning, Illumination, and Self-Knowledge (Gnosis-God Taught) in the 36<sup>th</sup> year of Maitreya's Mystery School, on the evolutionary path of the soul as we stand upon the summit with Saturn (Maitreya and Satan) and the Dweller conjunct the Guru. These next two years will define our future(s) and the Turning of Worlds. All will come to know why we were told to prepare to survive by Saint Germain and El Morya. All will face the Serpent in Maitreya's Mystery School in 2019 and 2020.

All came to the harvest cycle of 2018 on the path of personal Christhood (11/1/2018) having completed their first of three years of the public demonstration of their Christ mastery of the law having demonstrated this beginning in the fall of 2017 to stand before Maitreya to give accounting, again in the fall of 2018 at the Saturn Return of the Safe Passage of Ye All (11/9/2018). The soul (Moon) stood at 19 Taurus in the second decant of the twelfth house in the cycle of the dark night of the spirit under the solar eclipse of May 9<sup>th</sup>, 2013 at 19 Taurus in a window that will last until May 2019. We are in its final months. The soul must resolve whom they follow having assimilated the Guru or they follow dominant egos, the accommodators Uranus. (The second Saturn conjunct Mother's descendant is on May 17<sup>th</sup>, a crucial milestone

on the soul's Odyssey). The latter repress the soul's bond to the guru and their I AM Presence and Holy Christ Self, as not significant. Accordingly, the soul will come to May 2019 to meet the challenge that will present itself to the soul. As the North Node conjuncts Mother's Ascendant and the Summit Lighthouse's Venus, the soul stands on the Spring Equinox astrology in the three YODS at the Y in the road and in the six-pointed star of the Lord of the World and must decide to slay the dweller or to slay the Messenger as prophesied by Revelations, Mother, and in Climb the Highest Mountain, Christ and Antichrist and her lecture, "*To Kill a Mockingbird*".

### Sun Conjunct Watchers: Final Test of the Year

12/21/2018 - Sun conjoins the Watchers (Psyche) exactly on winter solstice day at 6:10 am. In this star map, Mercury conjoins Jupiter at 9 Sagittarius while Saturn is still conjoined Mother's Mars in the 1<sup>st</sup> house 3<sup>rd</sup> decant to test how the soul will act regarding the propaganda and lies about the Guru and the chela's role in service to the Guru in the church and in the nation, in 2019. Pluto is conjunct Mother's descendant, a one-minute orb in the second house first decant of the soul's determination to uphold the Guru in the face of her returning karma as the soul struggles to overcome her original sin as she faces members of her crew (Odyssey, the mirror of the Moon Mother of those) in the community whose dwellers have risen out of the bottomless pit to kill the messengers. See Mothers lecture "To Kill a Mockingbird or 100 Ways to Kill the Messenger".

The Sun (Son) Watcher encounter occurs 11 hours prior to winter solstice occurring at 5:23 pm to seal the victory of 2018. This is the year-end-test with Pluto within a one-minute orb of exact conjunction to Mother's Descendant. This is the third and final exact conjunction (confrontation) with the Guru on her seventh house cusp, in 2018. All that has occurred in 2018 and now in 2019 is the resolution of the soul's karma with the Guru as the soul stands at the Y in the road to confront her dweller upon the mountain with Maitreya. Or to bow before her dweller on the mountain as the dweller rises from the pit as described in Revelations 10:7 – 11:7 and Rev 17:7-14 to kill the Prophets. This is the initiation of our souls in 2019. The birth of Christ in you.

This is the karma of the last 25,800 years with the Guru, now returning as an avalanche and for some the ascended master Phylos says, alas the way is narrow; *few will to find it* (Sagittarius second decant, ninth house second decant. Page 127). Lanello and Archeia Aurora also teach that in the end many shall turn away from the flame of the Mother because her love will draw out the toxins of hatred from their four lower bodies (Four Horsemen). Those who commit their karma into the flame before it turns to boils upon their bodies will remain in the mandala of the Mother. (see Vials of the Seven Last Plagues, page 90).

This encounter with the Watchers began at winter solstice 2016 following the open warfare of a divided people in the elections that fall. This opened a rift in the fabric of the nation and her people. Winter solstice 2016 saw the T-square of Sun Watchers to Jupiter North Node and to Uranus South Node. This saw the beginning of the total disregard for the law and Lawgiver. The Watchers and Nephilim declared war on the Great White Brotherhood, we see the beginning of the confrontation of absolute Good and Evil in America as prophesied in 1993 by Mother and Elohim that would, if it could, destroy the church and the nation. This is *the beginning* of the galvanizing of the faithful whose exaltation of the light opens the doorway to the heart's secret chamber by those who *will to find* the Kingdom, come on the earth.

This encounter in 2017 led to the encounter at winter solstice 2017 (in 2018) with the Watchers at 28 Sagittarius conjunct the solstice Sun conjoined Saturn at 0 Capricorn 11 minutes in the second decant of the tenth house. The martyrdom of the faithful by those who now openly seek to destroy those faithful to the Guru, in the church in the nation. This played out in 2018 as Pluto conjunct Mother's descendant (2/15/18; 7/2/18; 12/21/18) three times during the conjunction of Chiron to Mother's Midheaven from April to September. This open warfare in America was displayed by the media attack on the office of the Christ, on the one in the Office of the President. This was the direct attack upon the Once and Future King come again in Camelot (America) and the chelas who hold the mantle of President. We saw the unlawful expulsion of the sons and daughters from their lawful offices to be filled by those who lust after the light as has occurred since the fall of Atlantis.

Now at winter solstice 2018 we are seeing in 2019 the playing out beginning at solstice the Sun Watchers conjunct with the Watchers at 29 Sagittarius 32 minutes within a 28-minute orb in the sixth house third decant, as the faithful renounce the actions and lies of those who have gone to war against the Lamb and the Lambs wife in the Nation(s) and the church(es). Revelations chapter seventeen. This is the renunciation as the message is delivered to the unjust stewards in the sixth house of the chelas service to the guru, where the chelas (Mother's Mars) is conjoined Saturn. This is the public demonstration of those who have come on the path and now deliver the judgement of the Father upon the money changers in the Temple in 2019. This occurs during the three Saturn conjunct with Mother's descendant to cast out the betrayers of the word on the first ray which is entering the 36<sup>th</sup> year in 2019 (April 12, 2019; May 17, 2019; December 22, 2019 at winter solstice. All are called to stand in the shoes of Hamlet in 2019 and to choose to exalt their God Presence or their human self.

What will play out in 2019 as the peoples and the chelas' Pluto stands on Mothers' descendant craving her light and to destroy the love of the guru for the chela who renounces the hatred of the law and the Lawgiver and upholds the Guru and the teachings. Saturn comes to join Pluto on Mother's descendant to defend the status quo it arrives at winter solstice (2019) for the third conjunction to set the stage for 2020. As the Watchers conjoin the Solstice Sun at 0 Capricorn 54 minutes in the fourth house, second decant of Revelation. The revelation that as Saturn conjoins Pluto on January 12, 2020, Jupiter the guru, the lineage of the Guru under Sanat Kumara conjoins the chelas, Mother's Mars on January 15<sup>th</sup>, 2020. The Guru comes to seal the faithful in the third decant of the second house, those who have demonstrated their mastership over their ambition and attachment to material substance and substance of self, as taught by Kuthumi. Now they stand in their mastery as the cycles move into Virgo for the descent of karma upon the economy (Saturn) built upon materialism and debt. Jupiter delivers the judgment upon Babylon the Great (Saturn conjunct Pluto) chaos in the economy. See Revelations chapter 18. The faithful are told to adopt the diet of the adepts to weather the storm as moods will be the enemy of the soul who would uphold the arms of the Guru and keep her finger in the dike to hold fast what has been won, the Capstone on the Pyramid, as the storm delivers the judgment upon those who have fallen into the electronic belts of the planets of the Four Horsemen, who deliver the karma to those who have chosen to accommodate the light of Aquarius and indulge the Torch of Freedom that was passed to this generation.

The Sun Watchers conjunction occurs as the year end test to see upon which altar the soul will place the harvest of their year. Will the soul exalt the I AM Presence or the Watchers, representing the gods of the lesser self. The soul stands upon the mountain with Saturn conjunct Mother's Mars (11-minute orb) facing Maitreya (Saturn) and lay their harvest upon the altar. All must demonstrate the law and cast out the dweller from the doorway to Maitreya's heart and enter in or bow before the dweller and be consumed. This is the year ending as the soul stands to defend or attack the guru in 2019. The offering of year end is accepted or rejected. Like Cain when rejected he moves to kill Abel, the faithful chela. This manifests by killing the Guru so that the chela is stripped from the guru to fund by their light the Beast of Rome, as was done in the Piscean dispensation. *This is the battlefield in 2019.*

The dweller (Pluto) is conjunct the South Node in 2019. This represents the soul's past, her habits and momentums of betraying the Guru and the law. It represents the backlash against the soul of the faithful who knowing that once she takes her stand for truth then the Sanhedrin (elders) will lead her away as taught by Archangel Uriel and Aurora. This represents the Dragon

who stands before the Divine Mother giving birth on Mother's descendant within the faithful chela. The Dragon comes to devour the man-child. This, Maitreya teaches, is the initiation whereby the chela must recede on the eighth ray into the secret chamber of the heart (see Maitreya's dictation the Six-Pointed Star of the Lord of the World). The soul must meditate upon this initiation to know the law and the teachings and to follow the way of the heart to fulfill the law by publicly demonstrating the mastery of the law through mastery of the secret rays. All this in preparation to fulfill the Word and the Law in anticipation of the coming initiation in 2021 when the soul, one with Helios emerges from the Galactic Alignment into the light of the Galaxy for the consuming of the darkness in the Matter universe and its point of origin on earth in the Middle East. As the final cycles of the Dark Night of the Spirit play out for the fulfilling of all that is written. The soul is being prepared to survive what is coming upon the earth. Just as Moses prepared the Israelites for the coming ten plagues. So, shall the faithful be sealed during the descent of the *coming seven last plagues*, as Moses says once again, "Let My People Go!"

**Mercury conjuncts Jupiter, The Guru: Year's End Message**

2/21/2018 – Mercury conjuncts Jupiter (exactly) at 12:37 pm in the final five hours of the year. The messenger of the Sun, Guru Ma, the Guru (Jupiter) face the conjunction of Saturn to her Mars, her chelas and Pluto (the dweller) of her chelas on her descendant, in the guru-chela relationship. Mother faces the rebellion of her chelas who are forced to face the will of God and their dwellers as taught in *Climb the Highest Mountain, Christ and Antichrist*. This occurs in the 10<sup>th</sup> house; Saturn in the organization and Pluto martyring the soul of the faithful chelas who stand to defend and uphold the Guru in fulfillment of their office as chela and in fulfillment of their office of Christ as Elder (see Morya El, Feb 3<sup>rd</sup>, 1985). This is the soul's confrontation with our God, as Guru and the Watchers which are conjoined at 29 Sagittarius within an 18' orb, in the 9<sup>th</sup> house; Sun 3<sup>rd</sup> decant, Watchers 2<sup>nd</sup> decant. This is the birth of Christ in you with the forces of darkness arrayed against the Divine Mother giving birth to Christ in you and the I AM Race in 2019 and 2020.

The North Node representing those souls called to defend Mother and the Guru to a dying planet and people is at 28 Leo conjunct the eclipse over the church and America of August 21<sup>st</sup>, 2017 in the fourth house third decant. The soul is required to research the laws governing the church and the nation and the teachings for guidance to stand in 2019 in Leo to publicly

demonstrate the secret ray mastery of the law and to face her karma of ignorance of the law, the path, and the Guru in 2019.

### Winter Solstice 2018

12/21/2018 – Winter Solstice was at 5:23 pm. The MC – IC axis of personal karma is at **18 Pisces** (M.C.) and **18 Virgo** (I.C.). This karmic axis is conjoined the ghosts of our karma made under the eclipse windows of **18 Pisces** on 3/8/2016 – a window that lasts till Mar 2020 and the **18 Virgo** eclipse of 9/11/2007 – when we faced the opening of the 5<sup>th</sup> Vial (Rev 16:10) that poured out upon the throne of the beast and his kingdom, as the housing boom began to unravel their hold. Add to this the karma of their attack on America on 9/11/2001 with *the Sun at 18 Virgo*. Now in 2019, we will see the returning karma of their accelerating judgment in the *thirty sixth year* of the Class of the Solar Ring and the judgement of Evil in the Matter Universe. Delivered by Helios on July 4<sup>th</sup>, 1984 (decree 20.12).

This 18-degree karmic axis also saw the first of five Saturn Uranus oppositions that occurred on election day, 2008. As the neighboring Prince re-entered the stage to repeat the past, in America, that occurred at the downfall of the golden age in the Sahara. Come again to oppose Saint Germain as the beast out of the bottomless pit and as the woman who sat upon it (Rev 17:3).

This is fundamental to the karma playing out in 2019, the returning karma for the attack on America in 2001 and all that played out beginning with the solar eclipse at fall equinox 2007 for the testing of the people whether they would be governed by Christ or ruled by antichrist in the elections of 2008, 2016, now 2020. This karma is playing out now as the *dweller* of the people and of the initiates conjoin Mother's descendant, exactly, for the third time in 2018 on winter solstice, for an accounting, that will play out in 2019. (and Saturn conjuncts Mother's Mars – her chelas with a 15-minute orb).

The midheaven, at 18 Pisces, represents the debt of destiny of the soul called to stand on the midheaven to arc the light of the Great Central Sun of Elohim for the Turning of Worlds in 2019 by consuming the darkness of the energy veil manifesting in Chiron, Mars, and Neptune in Pisces at 27, 23, and 13 degrees respectively. We are called to stand on the midpoint between Mars and Neptune conjoined the MC to consume the fear of God that is at the core of the originality of evil, our original sin. We are called to consume the karma created under the eclipse of the Sun at 18 Pisces in the 5<sup>th</sup> house second decant, of re-forming, the reformation of the church and therefore the nation (as Mother and her chelas go, so goes the nation) during this window lasting March 2016 to March 2020. Serious care must be taken less in making changes to the church in the 5<sup>th</sup> house or in Leo we open the door to the reign of antichrist having consciously or subconsciously denied Christ, i.e. the defense of the Guru as was the purpose of the creation of the Twenty-Four Elders on Feb 3<sup>rd</sup>, 1985 by El Morya. This is the warring within the members that has been playing out under this eclipse of the I AM Presence of the Elders and the chelas and the people since March 2016. Study the events of these cycles of the Sun and

Moon since 2016 to undo all that is impeding the new white page of 2019, the year of the completion of the decade.

This 18 Pisces MC conjunct the solar eclipse is the initiation of the soul to choose either the spiritual or the material approach to the second decant of the fifth house, the reformation of self by self-sacrifice (second decant of Pisces, 18) on the spiritual path or by free will the willful reformation of the church, all in the name of God. Occurring while at the Y in the road with Chiron at 2 Aries conjunct Mother's MC, a very dangerous proposition as it is at the demand of the False Hierarchy of the Ruby Ray, the Watchers and Nephilim demanding a materialist restructuring that will allow the dominion of those who are a law unto themselves and who will change the law, taking all freedom to themselves.

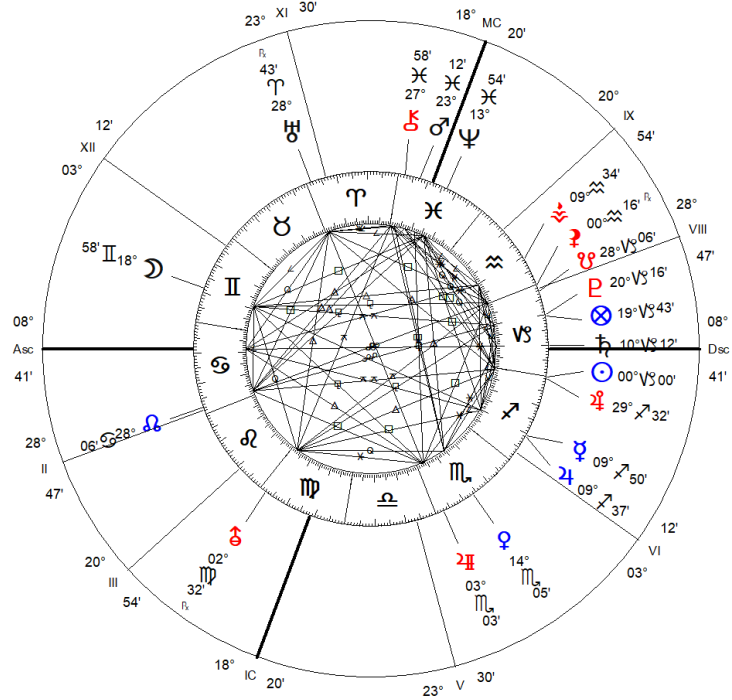

This is the decision of the soul to choose to follow God's will to the Kingdom Age or to

follow those who have chosen to reform the church to return to the Church Age under a new Roman church model. See Revelation 20:4-5, which road do you trod? Be aware, that in the fifth house the test is whether you will sit under your own vine and fig tree and embody the Law and Teachings given by the Teacher-Guru or whether you will submit your will to the dominant egos who demand group think and co-dependency on their will, denying the faithful chelas of the Guru as leaders of the Church and the nation. These are the Modreds and El Morya says to let them do as they will, for by their words and their works they are judged...just do not follow them, do not agree with them. They have no-power, evil is not real. Cast out the lie. Speak the truth with the fire of the heart, then the Truth will set you free of them and they can be bound. This is the teachings of Mother Kali in

1987. Join the revolution of higher consciousness, that is come and is raging upon the planet.

PART 3

If the people of God do not rally, the vacuum will be filled by the communist revolution (dialectical materialism at the East Gate) now under way for the soul of the people being led by Representatives of the People in Congress and the Church (Elders), but not all. Carried out by the Executive Branch of the nation and the Church (Board and Staff). This is humanism and has no part with Heaven. This is the initiation and testing of the discernment of spirits. This is the carnal mind of the synthetic self in self-preservation and self-love trying to escape under the fog of Neptune into a mechanized control driven by fear (Neptune, Saturn of Pisces) and strong illusion. This is the message of the Mayans who believe the Serpent has returned in their spaceships so they can escape the Judgement. They only see the outer, they cannot see or understand the Guru and the Teachings (Revelations 10:7-11:7) yet they sit in the seat of authority. All this because this is the last time. This is their last opportunity.

Be at peace in Virgo on the Nadir, in the eye of the Storm of their hatred of the Guru. Enter the heart's secret chamber with Maitreya and commune with the Holy Spirit, this is the teachings of Maitreya on the Path of Initiation.

Pisces on the midheaven is providing the soul, in the cosmic cycles playing out in 2019, the opportunity to pay back her debt of destiny to free the super (physical) conscious mind by the Christ mind as the soul stands in public, demonstrating the Christ Mastery of the law over the astral sea rising to drown the people and threatening the Church and Nation(s). This is the domino effect that the Elders will have upon putting their house in order (i.e. in alignment with the Guru, the will of God to fulfill the divine plan for 2019.) This is critical to the incarnation of Christ in the 2020s or the madness of a people gone the way of dialectical materialism, as warned by Mighty Victory.

Those attempting to escape, God Control, through the God government of the nation and the church, do not believe (Neptune in Pisces in the ninth-house, the third decant of illumination). They seek the darkness because of not shedding the snake skin they still crawl on their bellies, as scorpions. They have not risen as eagles in Scorpio having attained God Mastery in Pisces. So, we are seeing the acceleration of the Black Widow Spiders (Black Moon Lilith) devouring the child in the womb instead of opening the Heart (Inn) and entering in. We see this manifest as climate change, changing weather patterns, increasing planetary changes, as taught by Archangel Zadkiel, in *Vials of the Seven Last Plagues*.

We see the judgment of Helios of the Power Elite, people in authority (Jupiter) and of prominence, (7/4/1991) now in the 29<sup>th</sup> year in Taurus in the cycle of the first of two years of the mastery of the secret rays. The Keepers of the Flame are being initiated in the final 33 years of the mission of the Summit Lighthouse in the 29<sup>th</sup> year, first of five on the secret rays. These latter are those who have receded into the secret chamber of the heart on the 8<sup>th</sup> ray as taught by Maitreya in the 32<sup>nd</sup> year of the initiation of the heart by the Holy Spirit.

We have entered a five-year period of the training and the testing of the KOFs on the secret rays to see who will demonstrate the law of Christ Mastery. Seeing who has become the

Son of Solitude; who has attained to the Office of Christ. Who will uphold the Guru in the face of the out-picturing of the Hatred of the Guru, that has been sealed in the unconscious and now being released into the subconscious for the testing of our souls, (by the Testers, the accommodators) whether we can master it and earn the right to rule in the church and the nations these next 2000 years (Rev 20:4). This is in contrast to those who see only immediate gain.

The I.C. at 18 Virgo returns for transmutation of the karma of 9/11/2001 (Sun 18 Virgo); the eclipse of the Sun at 18 Virgo heralding the release of the 5<sup>th</sup> Trumpet Judgment in Sept 2007 and the 11/4/2008 elections and the coinciding attack on Wall Street and Main Street in America as Saturn (18 Virgo) opposed Uranus (18 Pisces), the first of five that led to Mother's death. All this karma is returning in 2019 as preparation for the Saturn Pluto South Node conjunction in Capricorn in 2019. The beginning of economic collapse leading to war as taught by Mother in her lecture, "The 2000 Year Ride of The Four Horsemen". This results in the binding of the one million fallen ones and planetary changes foretold by the masters.

This return on the Nadir in Virgo represents the paying of the karmic debt by the faithful of the records of their hatred of the Guru. This debt is to be paid in the fourth, fifth, and sixth houses by Venus (14 Scorpio), Mercury (9 Sagittarius), and Winter Solstice Sun at 0 Capricorn in the 6<sup>th</sup> house third decant of the chelas service to the Guru. Venus in Scorpio in the second decant of the 5<sup>th</sup> house is intercept and must first enter God Reality in the heart in Libra on the cusp. Venus must enter the secret chamber of the heart to slay self-love and its self-preservation of desire that manifests as the passions, covetness. To master on the physical plane/body between 2012 and 2019, the serpents lie that there is a better way (Eden) as Lilith (0 Aquarius) would displace Eve.

The soul faces the divine plan of 2019 and must take dominion over those who would take heaven by storm. As the soul faces the TSQ Moon 18 Gemini square 18 Pisces Virgo MC IC. The Moon is in the second decant of the 12<sup>th</sup> house, mastery of self-sacrifice, one pointed diamond heart versus dual minded and warring in the members. Where the latter is occurring, the soul calls upon the Sun to bind the dweller of those attacking the Guru and the community, even the nation America in 2019.

The soul stands as the Son (to be tested) in the Sun at 0 Capricorn in the third decant of the 6<sup>th</sup> house and renounces those who stand with the Watchers, exposing their lies by stating the truth, the law. All have come to winter solstice 2018 on their soul's journey through the testing of the TETRA Blood Moons and the seven Pluto Uranus squares that brought the soul from April 2014 and June 2012, respectively, to begin the testing of their souls at winter solstice 2014. Here the soul faced the choice of who rules, Moon 28 Sagittarius, Sun 0 Capricorn, and Watchers (Psyche) 24 Sagittarius (with Mercury, Vesta/Maldek, Pluto, and Venus in Capricorn) all in the 6<sup>th</sup> house of service to the Guru. This began a series of years 2015, 2016, 2017, 2018, 2019, and 2020 when the soul must face the choice of which hierarchy they serve through exaltation of and devotion to the God flame within their hearts and by discernment of spirits and the bond to the heart of the Messengers and that of Maitreya. (see the Twenty-Year Plan by the Goddess of Liberty, 1985). This is the initiation of choosing to be – on the higher mental plane in the Christ

mind following the path of self-sacrifice and selfless love, selfless service or on the lower mental plane of the mass consciousness on the path of self-love, self-justification, self-preservation, and self-retaliation against the Christed Ones, the faithful. By their words and actions of their offering each of these years has placed them under the hierarchy they serve. One a karma balancing journey (Rev 20:4), the other a karma creation journey as they repeat the past of the last 25,800 years of hatred of the Guru (Rev 20:5). Study the history.

The soul stands at winter solstice 2018, now in the fifth successive year to choose between serving the Watchers at 29 Sagittarius 32 minutes and the Solar hierarchies of the Sun at 0 Capricorn. We stand in 2019, governed by Pluto of the chelas and the people on the cusp of Mother's descendant at 20 Capricorn 16, the third exact conjunction by Pluto in 2018. This third conjunction rules all of 2019 and is at the center of all initiations and testings in 2019. Furthermore, Saturn at 10 Capricorn 12 is within a 15-minute exact conjunction of Mother's Mars in the seventh house first decant, of Policy. The seventh house is tied to the fifth house second decant, reformation of the organization and the nation, first decant of Capricorn and the tenth house. The soul is being tested as to whom they serve in 2019. The soul is being tested in the initiation of the Heart (2/21/1988) on the Path of Personal Christhood (11/1/1987) in Leo in the 32<sup>nd</sup> year to Publicly Demonstrate the Law of Christ Mastery of the four planes of matter, through the mastery of her four lower bodies by the secret rays.

In Leo we demonstrate the rulership by the Mother in the Son, One with the Father (SUN). We do this in God-Gratitude and in the exaltation of the God Flame through selfless love and service to his will that is the divine plan for 2019.

24

This is the testing of our soul's *oneness with Christ*, upholding Guru MA, her Offices and Authority under the Hierarchy of the Ruby Ray (see Sanat Kumara, "On the Path of the Ruby Ray"). We all stand with our dweller (Pluto) on the mountain of Mother's Descendant. We face the testing of our soul as chela (Mother's Mars) with Maitreya and the seed of SATAN on the mountain that is Saturn. (Saturn conjunct Mother's Mars). Who will defend the GURU against their own dweller and of those who serve the False Hierarchy of the Watchers, knowingly and unknowingly. This is the purpose and reason for being of the Twenty-Four Elders, created by Morya on Feb 3<sup>rd</sup>, 1985, see his dictation. This is their test and initiation of 2019. This is the public demonstration in Leo in 2019 by all parties.

The soul will face three cycles of this initiation and testing, as Saturn (Maitreya/Satans) makes exact conjunction with Mother's descendant in 2019. The first occurs on **April 12<sup>th</sup>** setting the stage for the Elders Meeting on Friday April 12<sup>th</sup>; followed by May 17<sup>th</sup> (retrograde in fifth house first decant of rulership, Christ or antichrist, conjunct the Dragon [Tail] and Pluto). The third and final testing is on winter solstice 2019 setting the stage for the sixth year of the Sun Watchers conjunction at winter solstice, in 2020. This third exact conjunction of Saturn is on Mother's descendant with her chelas and the Tribes of Israel (Rev 10:7). (*Mother is Messenger to EARTH and her people and the people of God for the Seventh Angel as well as Guru Mother to the 13<sup>th</sup> Tribe, the chelas called out to be PRIESTS of the house of the Levites, to uphold the ARMS (Gemini) of the Guru in the Judgment and to face the opposition which Mother prophesied to us also in 1985*)

*following her trial and the creation of the Twenty Four Elders*). This opposition she told us was the Fallen Ones (Watchers) changing their strategy of attacking the Guru directly to now (since 1985) attacking the chelas to strip them from the Guru. Why? So as to let down her ARMS in the Judgment of EVIL in the MATTER UNIVERSE to delay the judgment and to exact their vengeance against her MANCHILD and her true Chelas, the Christed Ones. (See Sanat Kumara referenced above).

2020 is the sixth consecutive year of the SUN conjunct the Watchers at Winter Solstice at 0 Capricorn within a 54-minute orb. The Sun is in the first decant of the fourth house, and the Watchers in the second decant of revelation. This tells us that the true chelas will be tested as to the light they can receive and contain in God Harmony, whether it will be sufficient to counter those who follow the Watchers, subconsciously and consciously. These latter will play out, if unchecked, the returning karma to the planet in 2020 that will:

- a.) Launch the roaring 20s as taught by Mighty Victory, Mandate of Victory page 155, “Study the Cycles”.
- b.) Saturn conjuncts Pluto, January 12<sup>th</sup>, 2020
- c.) Jupiter conjuncts Pluto, April 4<sup>th</sup>, 2020; June 30<sup>th</sup>, 2020; Nov 12<sup>th</sup>, 2020
- d.) Jupiter Saturn conjuncts on winter solstice 2020
- e.) Galactic Alignment ends a 46-year window of opportunity to come home.

We are called in 2019 to renounce our service to the Watchers and their lust. In other words, to Mammon. We are called to cast into the flame the karma of our past, returning for transmutation, as well as to invoke sufficient light to transmute the planetary karma of the people and the energy veil of the Watchers. There is the battle to be fought that was waged on the Violet planet and won. Now it is Earth’s time. Now it is being revealed in the fourth year of the five years of those who have prepared by going within to be taught under the five secret rays to bring their mastery of the secret rays to the Libra line in 2021. These ones are demonstrating their mastery of the secret rays and Worlds are Turning as the Torch Has Been Passed.

This is the testing of our souls on the first commandment for ours is a jealous God. His Sons must be one pointed and single eyed. All must cast into the flame their dual mindedness, their desires, the cause of all suffering is Saturn.

The Watchers 29 SAG is trine Uranus at 28 Aries in first decant of eleventh house trine Transpluto at 2 Virgo in the second decant of the third house. This grand trine represents the laziness of those souls who have chosen to withhold from the Guru, picking and choosing where and when and what they will obey and when they will avoid the initiations. Now in 2019, as we near the end of our journey leading up to the ANOINTING in Libra in the 34<sup>th</sup> year, the initiations have become *severe* and *final* and the testings will determine the future of each one. For it has been known of old, that many are called, but few chosen, see Rev 20:4-5.

PART 3

This trine is the state of consciousness (mind) and the condition of being that Vairochana's wisdom transforms in Leo on the secret ray, the all-pervading wisdom of the dharmakaya. This state of mind must be washed within each one so that the karma returning will

- a.) Find nothing in you or
- b.) The karma may hit you but will not stick ~ Morya 4-10 axis clearance.

This is the judgment come in 2019 by the Sun of Helios to the twelve Solar Hierarchies to free his people and his church from the encroachment in Montana by the fallen ones. This judgment began with the first of five solar eclipses over America in thirty-five years beginning August 2017. That was the seventh eclipse over Montana, the most of all fifty states.

This state of consciousness is very deep rooted in our psychology. It is the conditioning of our minds and the four lower bodies of our being. These can be washed by devotion to the Guru who leads the soul across the chasm to the kingdom, or consciousness of God. The testing of our souls is whether we will sit under our own vine and fig tree at the feet of the Guru-Teacher-Mother or whether we will in idolatry and sympathy defer to the dominant egos who demand group think and co-dependency (denying those who follow the Guru in the declaration of independence from the fallen ones and the right to self-rule under Christ of the Rule of Law, the second decant of the seventh house). The test of who rules the organization and the nation is in the fourth, fifth, and sixth houses.

26

---

These deep-rooted states of self-consciousness is rooted in Taurus that rules the nation and the church. The states of consciousness of defiance, disobedience, stubbornness and rebellion of a stiff-necked people. This is the karma of our Atlantean, Suernis, and Israeli incarnations...disobedience of the law and hatred of the Guru. Study Phyllos the Tibetan to better understand the roots of this disobedience and how it leads to warring in the members. This is our history and once you master it in self, then you must anchor the light to fight the battle in church and the nation(s).

Uranus at 28 Aries is facing the lie of propaganda, third decant of Aries and our rebellion (Uranus) of the teachings and the law in the etheric retreats at night and between embodiments, as well as within devachan. Uranus, the White Horse, is our karma made in the etheric plane. Uranus is in the first decant of the eleventh house, the originality of our rebellion in the etheric, and the mystery school under the Guru, the initiator. The Guru represents our initiator and her light triggers all records of our core hatred of the Guru. If not transmuted on the path of Karma Yoga that we are on, it will rise in the face of our Guru and Christ Self to the surface. It is then the responsibility of the Guru to slay the dweller making the chela choose to side with the Guru and allow it, or to side with the dweller and go to war ONCE again with the Guru. This is our story and we are writing it once again. What will be the outcome? It all depends on YOU! So it is written.

THE CALM BEFORE THE STORM  
PUBLIC DEMONSTRATION OF CHRIST MASTERY OF THE LAW:  
THE MANDATE OF VICTORY  
IN 2019  
PART 3

This origin of our disobedience that we are forced in 2019 to confront, to publicly demonstrate our mastery of the Law under the secret rays, is tied to the transmutation of the origin of the wicked one and his darkness in the vortex of the Matter universe. If we can attain to this mastery by public demonstration then we are told that the one who came directly to Earth long ago from this Wicked One and the Vortex to the Middle East and to the East Gate of the Mystery School can be bound. Now is the hour. Once he can be bound and the cause and core transmuted, then all will begin to unravel. The one million fallen ones bound by Hercules long ago can be taken and the vacuum filled by the one million who will rally to Saint Germain to join the ranks of the White Cube and the Church Universal and Triumphant as Morya prophesied as he raises up a new generation to do his will that he prophesied to Staff that he would do if they failed to do God's will. This is the concluding months of initiation (2019 – 2020) of the testing of our souls to see who will be anointed the shepherds, who will be sent to gather the new flock, to begin anew.

We have until 2033 to raise up the Christ midst the people (see *Mighty Victory, Mandate of Victory, Study the Cycles*, page 155). We are in 2019 in the sixth of seven years, in Leo, for the Christ mastery of the emotional body (2014-2021) and to desire God over the things of this world and its promises, instead of the original purpose and principles that America promised her people if they uphold the truth and the promise. The people do this against the backdrop of all in America who have abandoned the Guru, Saint Germain and his Prophets (Rev 10:7) and have turned to the great illusionist Neptune, the Pale Horse of death and Hades (hell) follows.

Beginning in 2021 the people will enter the seven-year cycle for the Christ mastery of the physical plane in their physical bodies over their environment (2021 – 2028). This will follow with five years of inner mastery on the secret rays with the last three years a public demonstration (2030 – 3032) of the mastery of the law. This fulfills the prophecy given by the Prophet, Guru Ma, that the cycle of war is over in 2032. 2033 is when the Christ midst the people will begin their three-year mission leading to their resurrection in 2036. Then they will walk the earth for 50 years with/as World Teachers, as did their prototype, Jesus Christ (2036 – 2086).

This brings us to 2079, and the fulfillment of the prophecy of the Goddess of Liberty given in 1979 that within 100 years few fallen angels will remain on earth. Those remaining will be hiding in the subterranean levels of earth unable to reproduce, nor to be reinforced or to escape the planet. This coincides with the 120-year life span given to those who walk the path to its fullest and become the Christ and are anointed to wear the ancient mantles they once wore on Atlantis during the last Golden Age. This is Sanat Kumara's promise to us. This is the dividing of the way of those who seek the kingdom and are become the Lighthouse upon the Summit to a world in the dark night of those who seek to return down the mountain to Egypt, following the elders who have forsaken their God. The promise of the dawn is given, many desire it and are working towards it. *Mighty Victory* tells us to study the cycles that you will be ready to fulfill your destiny having paid your debts of destiny (Pisces, 12<sup>th</sup> house cycle).

The harvest of each year's divine plan for each soul (marked by one's birth date) and the divine plan for the planet and the nations (marked by January first each year) is the offering at

winter solstice, as taught by Lord Maitreya. This offering is by the Cain generation and the Seth generation. The outcome in 2019 is being written by you.

**Pluto conjuncts Mother's Descendant**

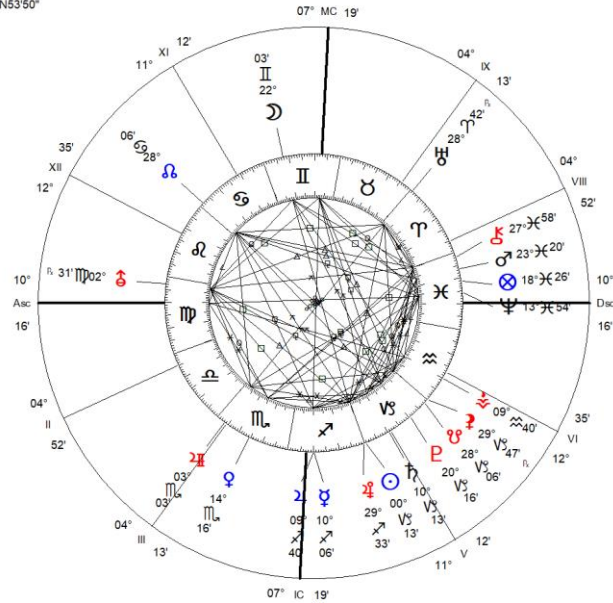

On December 21<sup>st</sup>, 2018 (*winter solstice day*) at 10:27 pm Pluto conjuncts Mothers Descendant; the third time in 2018. This occurs in the fifth house first decant at 20 Capricorn 16.

The divine plan for 2019 is that the soul will choose to follow the will of God within the divine plan, for 2019 and for the soul and that they will slay the dweller upon the Mountain with Maitreya and the Satans. Or the soul will choose not to, as they stand in relationship to the Guru with all others called to be trained as the 13<sup>th</sup> Tribe. Instead, those who now stand in their dwellers at war with the Guru playing out the karma of Atlantis, Suern, and with Abraham, that is returning as our karma with the Guru, our karma of disobedience to the Law and Lawgiver and fulfill the prophecy, to be or not to be.

The soul stands with the Guru on mother's descendant facing their dweller while they also stand on her Mars (*representing her chelas in her sixth house of service to the Guru*) at 9 Capricorn 57 conjunct Saturn. These two concurrent configurations describe the test upon the Mountain with the Guru on the path of Initiation and the Initiation of the Heart (11/1/1987; 2/21/1988). The soul is confronted by the Satans (Saturn) and the dwellers of all chelas and of self and must choose who rules the soul, Christ or antichrist. The soul will decide whether or not she will stand *alone*, *all one* with the Guru or in the fifth house be influenced and dominated by the dominant egos who speak for all, declaring their position in Capricorn vis a vis the Mother Guru whom they claim is not here and therefore they must take on the responsibility of the guru, her office and mantles. This is the returning karma of Atlantis these last 25,800 years of the hatred of the Guru. Once again, they play out the drama of Atlantis and of Suern and of the seed of Abraham and as God told Samuel then, once again, he says, "they have not rejected you Samuel, they have rejected me, their God'.

Saint Germain prophesied the karmic judgment if this were to happen in Saint Germain on Prophecy, book two, chapter two page 23, “a nuclear first strike against America as God’s judgment of his own...return of their karma for their disobedience to him”.

**Full Moon**

12/22/2018 – Full Moon at 12:49 pm. Saturn is on the midheaven at 10 Capricorn conjoined Mothers’ chelas, her Mars. ***This will test the souls of the initiates in the third decant of the 9<sup>th</sup> house of illumination, whether they came prepared to meet the initiation of 2019.*** Having prepared these last 30 years, the soul comes to the Saturn return of the Safe Passage of Ye All with the mantle of learning, illumination and self-knowledge. Which means to say you have assimilated the Guru and the teachings and communed with the Holy Spirit these last 30 years and are now prepared to stand in Christ and uphold the office of Christ in the coming confrontation with the dweller (of self) and the dwellers of others within the church and the nation.

We prepare for the elections in 2020 when we will exit (from the galactic equator) into the light of the Galaxy to fulfill our destiny in 2021, the destiny of the church, the nations, and of each one’s soul.

We must hold the finger in the dike to hold back the astral sea of fear as the fallen ones and their seed and the castaways who are taken over by their dwellers attack the seventh angel and his prophets (Rev 10:14 -11:7) with Pluto at 20 Capricorn 16 conjoined Mother’s Descendant. This is the parable of the unjust stewards, the Father sent his Son, then his messenger to deliver his final message, *he is coming* to handle this business personally. This is

Contrast that to Suern (the Indian sub-continent), the Suernis were also ruled by the Sons of Solitude (page 158) who later embodied as the Essenes. To follow the path, it requires “*morality to aid the serenity of soul*”, the Suernis refused to follow the path of morality or its laws and rebelled against the law’s punishments. The result was the hatred of the Sons of Solitude whom they cursed. This people, the Suernis, (page 160) were dealt a severe judgment to be conquered by the Chaldeans, then to continue in suffering as the people under Moses as the seed of Abraham (page 160). When the spirit of God in the Sons of Solitude would become manifest as the incarnate Christ, even then knowing him not, crucify him. Thy punishment follows down the ages until *the spirit comes again in the hearts of those who follow him and find you scattered to the four winds (Saint Germain, the seventh angel and his Prophets.)*. This is the judgment of the Lord God through his Son, the Rai of the Suernis.

Who are the Sons of Solitude? The ascended master Kuthumi tells us that he as Saint Francis with Claire (Mother) were the Sons of Solitude and that it is our turn to stand in the church and nation(s) as the Sons of Solitude. It is our turn.

Who are this people the *Suernis* and who are the *Atlanteans*, today? Phylos says that the later records of the history of the Judaic race are the faithful portion of the Suernis people. The Masters and Their Retreats by Mark L. Prophet and Elizabeth Clare Prophet, page 95-96, tells us the Rai Ernon is the ascended master Ernon and that Phylos is newly ascended in 1989. The Suernis of 13,000 years ago did not love their ruler (guru). ***The story of this people is the story of the karma of rebellion against the Law and the Lawgiver***, because they were forced to obey a strict moral code to enjoy occult powers. This people go back earlier to a time when Jesus was Emperor of Atlantis 35,000 years ago during a golden age. He stepped down because 80% of the people demanded it. The remaining 2 million left with Jesus and traveled to Suern; half ascended from Suern. The remaining 1 million continue to embody, most having gone astray from their Holy Christ Self, known on Atlantis. They reembody on Atlantis and Suern giving birth to many of the 80 % who rebelled against Jesus of Atlantis. At the time of Zailm, the Atlanteans from the former golden age were embodied on Suern. This stiff-necked people continue to reincarnate continuing their behavior as the seed of Abraham, come again in Europe, the British Isles, and America.

Who are the *Necropani* from Necropan? Like the Suernis they drew occult power from the Night-Side? Phylos describes Necropan as the countries we call Egypt and Abyssinia (upper Nile, the lands of the Red Sea- Nubia) then encompassing all of the continent of Africa under one government (page 142). They are the people of Afra. Edgar Casey tells us that when Atlantis sank a remnant went to the Nile which had just recently been conquered by a white skinned people from the Caucasus mountain region. This lies between Russia and Turkey, today. This is the ancient land of the suffering of Prometheus and of the Argonauts of Greek mythology (modern Georgia), then called the land of the Colchians, who were *black skinned Egyptians*.

History shows how ancient our karma is and how vast is that darkness that the masters talk about.

**Solar Eclipse 15 Capricorn**

On 1/5/2019 Sun enters the emotional plane at 15 Capricorn at 10:38 am in the first decant of the 11<sup>th</sup> house followed by a solar eclipse. Mars at 3 Aries in the first house 2<sup>nd</sup> decant conjoins Mother's midheaven conjunct the apex of the YOD to Apollyon at 3 Scorpio in the 8<sup>th</sup> house and to Transpluto 2 Virgo in 6<sup>th</sup> house 2<sup>nd</sup> decant. Mars triggers the testing of our souls with the Guru. The second decant of the first house is the exaltation of the God flame within as our Holy Christ Self and our Guru or the rebellion against the law and Lawgiver, once again. This YOD is the trigger in 2019 for the forced encounter with our dweller. See Climb the Highest Mountain Series, *Christ and Antichrist* to understand the requirement and the penalty for being a law unto yourself in 2019, at the conclusion of cycles of at a major juncture in the judgment of evil in the Matter Universe.

Ten hours later on 1/5/2019 a Solar Eclipse follows at 15 Capricorn in 5<sup>th</sup> house 2<sup>nd</sup> decant of the reformation of our world to accommodate ourselves, to give us control or the reformation of our inner world and outer world to provide a nurturing environment for the birth of Christ and raising up of women as the feminine principal from which she has fallen.

This eclipse is conjoined the star Vega, the Mother and will bring out the divine feminine of the soul or in others the hatred of Mother because her light is intensifying the judgment of evil in the Matter Universe, now in its thirty sixth year. This coincides with Mars triggering the YOD to Mother's MC thereby accelerating the usurpation of the Guru and the subverting (reformation) of the Law and the Lawgiver. This is the confrontation with the dweller; to become the dweller, or to slay the dweller. All mankind is affected. Out of this confrontation will come the 2020 elections to be governed by Christ or America and the church will be ruled by antichrist. 2019 will see the return of our karma with the guru as lawgiver. No one in the church or America will escape this returning karma. All are called to expiate this ancient karma of the last 25,800 years. Those who have assimilated the Guru, Maha Chohan tells us, have bent to the task daily now for 32 years and are ready for what is coming upon the earth. While others who have

Then on 1/7/2019 Psyche (the Watchers) enters Capricorn in the 6<sup>th</sup> house 1<sup>st</sup> decant. Now we see the gathering in Capricorn of the leadership of organizations and nations, as the status quo and opposition to the status quo, the Law and the Lawgiver ...

Saturn is transiting to conjunct Pluto in January 2020 and then Jupiter conjuncts Pluto 3x, followed by Saturn Jupiter conjunction at winter solstice 2020. We will see a major change in consciousness as we did in the 1920s. All because the Watchers are engaged in Armageddon against the Guru, the Sons of Solitude, today known as the Great White Brotherhood of Light, and Saint Germain, hierarch of the Age of Aquarius.

**Sun enters Aquarius & Lunar Eclipse 0 Leo**

1/20/2019 the Sun entered Aquarius followed by a *Lunar eclipse* 20 hours later on 1/21/2019 at 0 Leo 52' on the *midheaven* at 0 Leo 23'. This is a total eclipse of a super blood moon, at its closest to the earth. The next total eclipse of the moon is May 2020. This eclipse at 0 Leo will affect everyone over the next 6 months to a year as we come to grips with the planets gathering in Capricorn causing a *leadership crisis* in how nations and organizations will meet the Capricorn challenge in the coming roaring 20s...while Rome burns (Babylon Great). This is a question of preparedness to meet the challenge.

The eclipse' Venus at 14 Aquarius conjunct Jupiter 15 Aquarius in 2<sup>nd</sup> house struggles to be faithful, during all of this, to the Guru as the increasing light exposes more and more darkness (karma). More and more light must be invoked and held. All who bond to the Guru and hold fast to the Law and Lawgiver will experience mastership on their odyssey and will pass through the dark night. The key to the Safe Passage at Saturn's return (11/9/2018) is the assimilation of the Guru and the teachings on the path of initiation of the heart by the Holy Spirit.

Here in the secret chamber of the heart the soul is God taught through the travail and wearing of the mantle of learning, illumination and self-knowledge (Gnosis) and is directed by the Guru who provides direct wisdom of the all accomplishing ...perfected action. All because the soul casts into the flame the component of personality, *volition* in Sagittarius (self-will) working against the Guru. Those who accommodate the Guru in church and nation...are driven by their own will and create the crisis of leadership that is coming upon the earth.

On January 31<sup>st</sup>, 2019 a Lunar eclipse occurred at 0 Leo on the midheaven in the first decant of the tenth house of the organization. In opposition to the Sun on the Nadir at 0 Aquarius in the first decant of the fourth house. This represents the soul in the dark night of the spirit with the finger in the dike. The soul is holding back the tide of returning karma of the hatred of the Guru, the Sons of Solitude, in one pointed devotion, all duality being cast out. They stand single minded.

THE CALM BEFORE THE STORM  
PUBLIC DEMONSTRATION OF CHRIST MASTERY OF THE LAW:  
THE MANDATE OF VICTORY  
IN 2019  
PART 3

The soul stands in the Order of the Diamond Heart (12/25/1987 – January 1<sup>st</sup>, 1988) in the 32<sup>nd</sup> year in Leo in the public demonstration of the Law of her Christhood. The soul stands in Venus Jupiter conjoined with Mother’s soul at 14 Sagittarius in the second decant of the

second house at One with the Guru to bring in the Aquarian age and to stand in the pure estate of the soul required in 2019 to have the victory of our initiation and pass the tests of 2019.

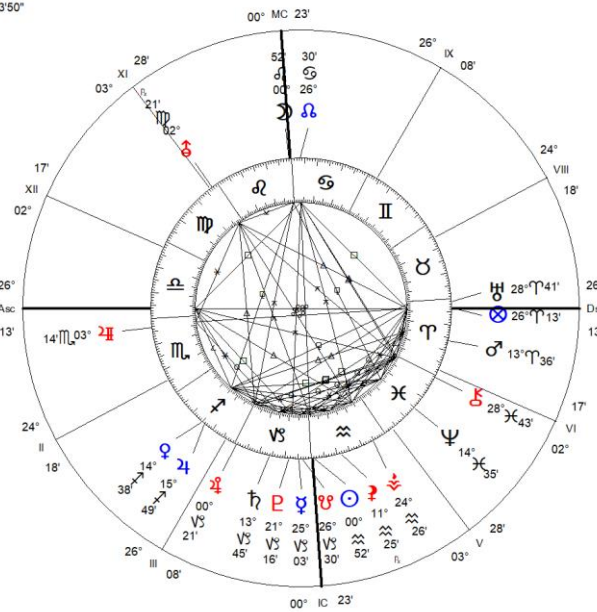

Saint Germain told us in the Class of the Solar Ring that each year required greater purity of soul to enter into Aquarius, i.e. to absorb the light of Aquarius that is increasing as each year passes and the new begins. **2019 requires an extraordinary release into the flame of our karma with the Guru, our hatred of the Guru down the ages to its origin in our original sin.** See *Phylos The Tibetan* and the *Ascended Masters and their Retreats* on Rai Ernon of Suern.

The soul is eclipsed of her Sun/Son of her Christ Self. She stands making the call, as taught by Mother, to be eclipsed of all opposing forces that oppose Mother and her soul’s destiny that she may meet this challenge and pass her initiation and its tests. Mother’s Transpluto at 0 Leo and of her Pluto at 29 Cancer in Mother’s first house of her activities, her mission, mantles, and offices, and even those of her chelas who stand faithfully with her. The soul has but to make the call. The soul who has assimilated the Guru, believes the teachings and knows the power to overcome all opposition. The soul is being tested to call upon the Lord and upon fire from heaven to consume this opposition confronting the soul in 2019.

Alternatively, the soul in ignorance of the Guru Mother Teacher in the soul’s emotional density and insensitivity, stands on the MC in the organization spiritually blind to the forces moving against Mother and the Seventh Angel in 2019 and is overwhelmed by the forces of darkness mounting in 2019. This is the product of accommodating the Guru and the teachings all these years, having indulged in self idolatry and sympathy for those self-proclaimed dominant egos as described by Arnold Toynbee, historian, as the personalities that rise to tear down all that God hath wrought. They claim the mantle by taking heaven by storm.

THE CALM BEFORE THE STORM  
PUBLIC DEMONSTRATION OF CHRIST MASTERY OF THE LAW:  
THE MANDATE OF VICTORY  
IN 2019  
PART 3

This storm is coming, Daniel calls it Blasphemy. Sanat Kumara teaches us that it is the one named blasphemy who stands at the West Gate and his image, mark, name, and number is 666. He is the manipulator of the light of Alpha and Omega in the sacred labor of the children of God (making them beasts of burden) as they manipulate the Law of the abundant life. They are the archdeceivers of mankind using the mechanization concept to subvert the authority of the Holy Spirit, usurping the office of the Calf occupied in Matter by the children of the Most High God.

This lunar eclipse is a total lunar eclipse that opens a window for the testing of our souls under the outer planets attack upon the Guru and her office as they did on Atlantis and throughout the civilizations of the last 25,800 years. This karma *is come* due. It will be cast into the flame by the one-pointed chela who will hold her finger in the dike to keep back the karma from playing out by those who repeat the history of their story of their hatred of the Guru in the lineage of the Sons of Solitude, the Essenes, the Great White Brotherhood. This will last until the next Total Lunar eclipse in May of 2020. The ghosts of this karma if left untransmuted will multiply and *follow* the soul as described in Revelations 6:8, "...behold a pale horse, his name that sat on him was Death, and Hades *followed* with him."

PART 3

are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.

- ...the dark clouds of the fallen ones that attempt to cover and **eclipse** the SUN of your I AM Presence.
- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1<sup>st</sup> house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...Saint Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
