(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

### ***Spring Equinox***

The divine plan is set for 2019; see winter solstice three-part series. The winter quarter (CAP-AQU-PIS) prepared the soil for spring seeding. The soul harvested the seed in the fall of 2018. Some have used the winter to cleanse the seed of consciousness (of self) while others in their passions are driven by ambition and the imagination of their hearts.

Spring equinox is the Sun's ingress into Aries, into the mental plane to prepare the soil of our consciousness. We have prepared to carry out the divine plan, or we are prepared to repeat our past records of our karma. It is a matter of priorities. It describes the motivations (Pisces) of the assimilators and the accommodators who have come to 2019, as the harvest of lifetimes to stand in Leo in the 32<sup>nd</sup> year on the path of personal Christhood in the initiation of the heart by the Holy Spirit. The soul is planting, this spring her seed offering as she stands upon the mountain of God Consciousness with her Christ-Self and her dweller, before the Guru and Great Initiator to demonstrate publicly the mastery of the law by her mastery of the five secret rays. This plays out through the people and events that you encounter in 2019, beginning at spring equinox. This is the measure of your offering upon the altar, as you stand upon the mountain to be tested, who rules Christ or *Antichrist-your dweller* (Pluto conjoined Mother's Descendant the 3<sup>rd</sup> time at winter solstice, ruling the entire year)? As you stand, again in 2019 at the Y in the road to choose to take the right handed path or the left handed path. This is the choice to hold fast the odyssey of the soul up the mountain to the Summit, maintaining the Capstone on the pyramid, the continuity of the word. Or it is the choice to follow the dominant egos who sit in the seat of authority as the Elders of old, the Sanhedrin to lead the people down the mountain as they worship the golden calf, Babylon the Great.

**2019**

2019 is the dividing of the way. It is the test upon the mountain with Maitreya that was taken by Jesus 2000 years ago. It is prelude to the transfiguration and the anointing by the Guru. It is the culmination of lifetimes of striving as a new chapter in the life of the soul looms on the horizon and Helios prepares to conclude the 36<sup>th</sup> year of the judgement (20.12...all 1984 dispensations) that begins at Summer Solstice and ends in the summer of 2020 when Helios will emerge from the Galactic Equator where the Divine Mother has been giving birth to the man-child, *in you*. The Divine Mother (Cosmic Virgin) has been laboring these last 45 years (entering the last, the 46<sup>th</sup> year at summer solstice) to give birth to Christ in you. The Divine Mother is delivering her son and daughter that they may come before the Guru at the River Jordan in 2021 as we stand on the line of Libra, God Reality in the 34<sup>th</sup> year on the path of personal Christhood in the 34<sup>th</sup> year of the initiation of our hearts, on the West Gate to a world waiting for their teachers who will lead them into the Golden Age.

The Maha Chohan told us 35 years ago that timing is everything. Your cycles are a mathematical precision, a numerology and a geometry that Amoghasiddhi teaches unerringly achieves the goal by applying the teachings. The soul follows the Guru across the chasm, embodying the all-accomplishing wisdom of perfected action. The key being indifference, goodwill, and unattachment to those around you who are blinded by their karma of their hatred of the Guru. The latter is the karma of the last Grand Sidereal Year, the last 25,800 years of rebellion against the law and Law-Giver, the Sons-of-Solitude. Read Phyllos (again) it is your journey. It contains the karma we are all facing today, the challenges we must meet in 2019 to unerringly achieve the goal in 2021. Be unmoved by those who are not ready for their victory. These will return in another cycle when you will have completed your mission (2024) and have walked the earth in resurrection's flame for 50 years, as did Jesus (2075) and have ascended into the Presence, your God Flame. They will be following then those whom you have been called to leave their nets to become Water Bearers to a world waiting. Having been gathered by you (2021-2023) and brought to the feet of the Masters. These are the one million, El Morya told us he would raise up to fill the ranks of the white fire core (144,000) and the members of the Church (856,000) as you fulfill your mission (2021-2023) that will (by the divine plan) make the Ascended Masters names household words in every home in America, by the conclusion of the mission of the Summit Lighthouse, in August 2024.

By this date (Aug 2024) Pluto will have finished planting her counter-revolution in Capricorn and will have moved to plant her hatred to destroy Aquarius. Alas, the false hierarchy represented by Pluto is playing their end game for the harvest of souls, the harvesting of their DNA to perpetuate their existence. Cosmic cycles, manifest as the divine plan of January 1<sup>st</sup>, each year as well as the divine plan of the soul's natal birthdate has a superseding plan in store.

On Mother's birthday April 8<sup>th</sup> 2024, the next solar eclipse over America will occur, the second of five that began at 28 Leo in August 2017. This 2024 eclipse at 19Aries24 is conjunct Chiron (19Aries) and the eclipse on Mother's Birthday 2005 at 19Aries06, both in the 9<sup>th</sup> house second decant. A coincidence, I think not. The divine plan is mathematically precise, as the Maha Chohan and Saint Germain have told us. Revelations tells us, as does the Book of Daniel that the hand of God that will play out in the end time. Saint Germain and the Goddess of Liberty tell us that there is a Coming **Revolution** in Higher Consciousness. Do you honestly think that other than yourself we have experienced this revolution? How will it compare to the American revolution? The Russian revolution, the French revolution? It will, Saint Germain tells us, result in Merlin being freed from his entrapment in the crystal following which he will return to Camelot to cast out the Black Magicians, those who have followed Vivien and the Modreds and taken the left-handed-path in 2017, 2018, 2019 and 2020 standing at the Y on Mother's Midheaven. Then, the Goddess of Liberty tells us they will seal North America as these Black Magicians flee to Europe.

God has a plan and he invites us to participate under the Guru, the Lawgiver and play the role he has given you, each one. The requirement of service is loving obedience to the law and the teachings as we walk the *path* daily and are tested by the testers who are, Maha Chohan tells us, the accommodators of the Guru, who play out the returning karma delivered by the Four Horsemen. These are our testers - El Morya teaches us how to meet them on the way...as the *reed*, when the winds of the Holy Spirit come, and they are coming; choose to be the *reed* not the mighty oak (egos) and bend in the wind. Then he says we can be free of those who play their parts as the oaks, because we are finally after 10s of 1000s of years, cut free of them.

### ***The Star Map for Spring Equinox***

The **Sun** at 0Aries is conjunct **Chiron** at 1Aries. This Sun Chiron conjunction is conjunct Mother's **midheaven** (2Aries) at the apex of the **Y** in the road as the soul of the people (you) must choose which way to go in 2019, and 2020, Apollyon at 2Scorpio or Transpluto at 1Virgo. The solution is always the point opposite the apex 1Libra, the Great Central Sun. Call upon the Lord! You, your Christ Self is called to hold fast this church and Nation at 10Taurus47&46, respectively. The Sun is in the seventh house second decant, the declaration of independence of the soul who is her Son, as taught by Kuthumi. The Son and Daughter choose to be their Son, the Sun standing on Mother's Midheaven on the mountain to cast out the dweller and the Serpent from the East Gate, the office of the Son of Man.

The soul stands in the sixth house of service to the Guru at 9Pisces conjunct the Black Moon Lilith, Vivien and Modreds, the Scarlet Women (Revelations), the fallen soul who has

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

taken to herself dominion over that which she is given as a just Steward. The soul stands in juxtaposition between those who serve the Guru and those who usurp the Guru and subvert her authority. The soul is called to choose. The soul of the faithful chela, Venus at 22Aquarius stands on Mother's Venus at 9Pisces and faces those who embody the rebellion of Lilith, the original twin flame of Adam in mythology who *declared her separation from God* and Twin Flame. This is the initiation in 2019. Will we sit under our own vine and fig tree, in the 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> house and take dominion of that given us as Stewards or will we submit to the dominant egos in our midst and their will and fall under their spell of GROUP THINK and Codependency...don't rock the boat, forsake Christ to follow after Antichrist who Mother foretold would come to strip the chelas from the Guru (Given in 1985 at the end of her Trial and the creation of the 24 Elders. See El Morya 2/3/1985). The Sun is come in the SON to declare the soul's independence from these, in the Church and in America. This is the public demonstration that the Law requires of each one in 2019.

The soul stands on the Part of Fortune at 12Pisces and in joy and harmony renounces the will of the dominant egos and takes her stand as Chela, filling the office of Christ to defend the Guru in fulfillment of the dispensation of the creation of the 24 Elders. She stands in the second decant of Pisces, in self-sacrifice to declare her faith in the Guru and her soul's office to serve and uphold the Guru against all who having been called, who have chosen to go *their own way*. The former has chosen to be governed by Christ in the Nation and Church and not to bow down to be ruled by Antichrist in this organization and following our lead, in our Nation in 2019 and 2020, election year. The soul stands in the Sun as the Son having received her Holy Christ Self and the Guru, she works the works of the Ages, *independent of* those who go their own way in the 35<sup>th</sup> and 36<sup>th</sup> years of Maitreya's Mystery School. This is the year to cast out the Serpent at the East Gate of the Mystery School and to move on up the mountain to the Summit, having put all that behind us.

This is the astrology of our returning karma in Spring 2019. It can be met head on or ignored arguing that it is not real. It is plain for ALL to see. What the law requires is the raising of the Right Hand of the Cosmic Virgin and of her Son. This is the public demonstration that the law requires in 2019. We in embodiment can make the difference. Failing to do so, America will be lost. Sanat Kumara (1979), Gautama Buddha and the Great Divine Director have shown us that then they will withdraw the faithful as they have done many times (Gautama) in the past and the stiff-necked generation will remain to receive the judgment. Vesta at 23Pisces23 is midpoint the Sun and Neptune (MARA). Vesta is the remnant of Maldek containing the records and memory of the rejection of the Guru, the Lawgiver and of the love of the Divine Mother. Vesta represents the message to our souls that if you reject the Guru you will become Earth's laggard evolution and your fate will be Revelations 20:5. In 1000 years you will risk being cast out of the Earth as the laggard evolution of Maldek are in 2019. See Revelations 20:5-15.

The I.C. at 12Sagittarius rules the 4<sup>th</sup> house. The karma is returning of the soul's rebellion during the trek up the mountain as is evident in the soul's exploration (Sagittarius second decant) in the Odyssey of the soul as she faces all the challenges that Odysseus did. The crew, staff, and citizens meet the challenges or fall under the hypnotic spell (Neptune) of Mara. Standing in her state of consciousness the soul chooses between Jupiter (the Guru Ma-Morya) and Psyche (the Watchers) at 23Sagittarius and 1Capricorn. This is in the second decant of the 4<sup>th</sup> house, Revelation. The soul journeyed across time in the 33 years for the playing out of the prophecies of the Book of Revelation (Solstice 1985- Feb 21<sup>st</sup>, 2019...404 verses, 404 months).

The soul is called in 2019 to plant the seed in the spring that will sprout as independence on the path of personal Christhood in Maitreya's Mystery School in the 36<sup>th</sup> year of the judgment of Evil in the Matter Universe under the initiation of the heart in its 32<sup>nd</sup> year in Leo. The soul is called to expiate her karma with the Guru, standing on Mother's Midheaven at the Y in the road to slay her (the soul's) *dweller*, finally; and to cast the *Serpent* out of the Garden of Maitreya's mystery school and to stand as the man-child with Krishna and slay *the Beast* out of the pit (of our unconscious that came forth from our dragon, our personal dweller. This is the initiation of the Ruby Ray on the mountain with the Guru and Satan, in 2019, in matter on the East Gate.

Mercury, the messenger of the Sun, our Son is at 18Pisces conjunct the solar eclipse of March 2016 and the ghosts of our karma made during the window that opened in 2016 *till March 2020*. This will try everyone's soul, a cascading effect. We are called to sacrifice self in the second decant of Pisces under the eclipse that occurred in the second decant of the fifth house, re-form-a<sub>c</sub>tion of self vs the reformation of the outer organization as the soul seeks to control events and the karma descending. The soul chooses to trans-form, to trans-cend self *or* to "re-form" the lesser self, that the Guru tried to lead us in "trans-form-ing". This is the component of the personality of the soul that Akshobhya (Virgo) antidotes (*FORM*) by the mirrorlike wisdom and the perfection of Renunciation...of the lesser self.

Time is running out to reform ourselves to become the flame and receive the Cosmic Christ, who is coming. Saint Germain tells us (*Saint Germain on Prophecy*) that if the Cosmic Christ is met with rebellion, it will manifest as a nuclear first strike against America for the people's rejection of their God. We are given to work while we have the light for, we are told the day comes when no man may work.

(Note, *Reformation is the Protestant reformation. This is a historical pattern. Followers have done this for the last 25,800 years within all the activities of the Great White Brotherhood. Saint Germain tells us that this has happened to every activity of the Great White Brotherhood, by Vivien and Modred from within, for the last one million years. Our history has many*

*examples, look at any embodiment of the Sons of Solitude. It is always the human ego, the lesser self, that follows what Arnold Toynbee calls dominant egos and Revelations calls the beasts out of the mouth...the abusers of the word on the first ray, of the Dragon, their dweller. It is a measure of the state of consciousness of the followers of their rebellion against the law and the lawgiver, the Guru, the Sons of Solitude and it is upon us in 2019 in our church and state. It is the initiation of all living; who can stand in the earth in 2019 upon the mountain with the Guru and Maitreya, Saturn conjunct Guru Ma's DSC and face the Serpent on the East Gate and cast out the Dragon and the Dweller - South Node and Pluto in Capricorn conjunct Saturn.)*

All are called to stand with Jesus upon the mountain with his father and cast out Satan/Serpent on the East Gate **or** to bow before him, (Satan) in order to rule his kingdom, Babylon. Hence the Reformation of the Church and therefore the Nation. As Mother and her chelas go, so mirrors the nation. We are the trigger, for good or ill. So we may choose to stand at 12 Pisces in the Part of Fortune (Joy and Harmony) and renounce in the third decant of the sixth house that aspect of self in oneself and others that follows the Black Moon (soul) Lilith that declares their separateness from God, Guru, and Twin Flame, those who are not true (verity) to the real self in 2019 standing upon the mountain on the East Gate in the 35<sup>th</sup> - 36<sup>th</sup> year of Maitreya's Mystery School.

We stand at the apex of the YOD conjunct Chiron till next February to break the tie of our conditioning to follow the Nephilim hierarchy and to follow instead the Hierarchy of the Ruby Ray. Those who do will be sealed in the coming storm. Many of those who do will see the birth of the man-child and all the promises fulfilled through them. They will partake in or witness the mass ascensions from the hillsides of Terra. As the man-children finish their cycles and return home in glory. This is the birth on the East Gate to the Office of Man by the true Christs and true prophets. These are destined to rule with Christ, the Golden Age for the next 1000 years; that is to re-incarnate to rule the nations and the Church as the Sons of Solitude.

**Taurus: Sun in Emotional Plane-Body in 2019**

2019, all on earth are being initiated in Leo on the seven o'clock line of God-Gratitude in the 19<sup>th</sup> year of the 21<sup>st</sup> century, in the 6<sup>th</sup> year of the evolution of the soul in the God mastery of the emotional plane and her emotional (desire) body. (See Mighty Victory, The Mandate of Victory, on cycles). In a moment of soul searching do you, Americans, and communicants desire God more than the self-justification and self-preservation of the ego and her ambition? Do we desire God enough to sacrifice self to obey the law and the lawgiver, the Guru (Guru MA-Morya) and your calling in *this hour*? Why is this so important, now? We are in the sixth year of demonstrating our mastery of the water body of the planet and of our four lower bodies. As Jesus demonstrated, can you walk on the astral sea and calm the storms of your emotions when they are manipulated by witchcraft and your returning karma into vortexes of emotional disturbances, tyranny and ingratitude sent to overwhelm you to cause you to fail your tests? Are you consciously aware that this is the testing of your souls, day-by-day in 2019? We will see why this is important, shortly.

Now the Sun of Helios is come in the Spring Quarter to sprout your seeds of God Obedience and the seeds you have planted of disobedience and for many their defiance and rebellion. This acceleration of the descent of the light is manifest first in the church (CUT) and the nation (USA) which share the exact same Sun Sign – 10 Taurus within a 1-minute orb.

7

Against this backdrop, the Sun entered the emotional plane on Sunday May 5<sup>th</sup> for seven solar days – until 9 am ET on Monday May 13<sup>th</sup> when Helios entered the physical plane in Taurus. Earth is the realm of karma. It is our karmic realm to which we have fallen where we learn the mastery of the law of karma and of the way of selfless love (Aquarius, ruled by Uranus). We have been told you are your karma. Pass your karmic tests and dharma will increase (Sanat Kumara). Astrology, then is the science of calculating the precise mathematical formula of the daily, hourly return of (y)our karma. It is applied to master your karma and the solar rays of God's divine plan and will each day, i.e. the life that beats your heart, each and every beat. Alternatively, it is applied by the world to dodge (to avoid or escape) their karma, to be in the best possible position to escape the laws of recompense and karma. Beware those who by their serpent logic and black magic project their karma onto the holy innocents who are deceived to submit to their will (group think – co-dependency), as Caiaphas did the people with the Master Jesus (Guru).

What is the applied science of astrology, given the corruption of worldly astrology today? Esoteric astrology, comes down throughout the ages from the mystery schools. It teaches that astrology is our Clock of Destiny. It tells, the time of our returning *debts of destiny*. The Masters teach us many aspects of Divine Astrology and Mother has taught us how to apply astrology to

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

meet our karma by applying the teachings. Mother has taught us the divine science of the Cosmic Clock.

There are many techniques taught by the ascended masters that apply to translate astrology. The one that is significant here is the teaching by Morya El that all lines (of the clock) converge at the six o'clock line (Cancer). We are dimensional beings. We exist on all four planes using our four lower bodies here in matter. We exist for dharma and karma. We live for the Sangha, the Buddha, the Stupa, and the dharma. The Christ (higher) mind can function on multiple dimensions simultaneously. In this case on the vertical axis the Cosmic clock, on the horizontal axis the astrology of our electronic belt, our Clock of Destiny. Mother has taught us that we are our karma. Sanat Kumara teaches that when we pass our (karmic) tests, the dharma will increase. The path is a matter of perspective. It is also a matter of heart. We are taught in song that it is Love's Victory, that it is Love's Opportunity.

See figure 1 on page 12. Print out page 12. Use it as a reference as you read further.

*All lines converge on the six o'clock line, Cancer.* The eleven converge forming lines to Cancer. They form cups or chalices that must be mastered to hold the light. Seven and five o'clock (Leo and Gemini) converge on Cancer, Virgo and Taurus converge; Aries and Libra; until we come to Capricorn converging on Cancer as Alpha merges with Omega. Through this lens of consciousness, we discover the following when applying Kuthumi's teachings on the 28-day solar cycle viewed through the filter of esoteric astrology translated using the everlasting gospel applied by the higher mind of Christ, in you:

8

The Sun of Helios transits 15Taurus00 to 22Taurus30 as it passes through the emotional plane to re-align and shape our feeling-desire bodies. This requires free will co-operation with God. The soul's alignment with the logos, her real self, the God flame within the heart.

Cancer mirrors the Six O'clock line and expresses itself positively in Pisces as God Mastery because of the soul's one pointed, single eyed (Scorpio) God Vision. The soul remains true to her real self by sacrificing self on the rock of Christ as she casts herself upon the cross, as taught by Maitreya and Jesus.

The soul is called in 2019 to demonstrate publicly her God mastery of the Vision of our original blueprint as manifest in the divine plan for 2019. Look around you, what you see is the playing out of this plan for the church, the nation, and for your life. You are being measured against criteria written in the everlasting gospel. This is prelude to your standing at the river Jordan before the Guru to be anointed in 2021. The measure being taken of each and every one in 2019 is the fulfillment of the prophecy that to those who have multiplied their talents more are

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

given and to those who have hidden their (Christ) talents, they are taken away and the fruitless vine is uprooted. What plays out in the Church in 2019 will determine how the twelve tribes will do in the nation as they gear up to determine if Christ will govern this nation in 2020 or we will be ruled in church and nation by Antichrist. The criteria being measured is whether the Elders have **attained** to the Office of Christ and defend the Guru from the lesser selves of those who claim the right given them on the mountain to rule. This is the battle for the Spirit and Soul of the Church and the Nation. If we will defend the Guru and the office of Christ, as the 24 and 70 Elders then the people will defend Uncle Sam from attack in 2019 and 2020. Then we will see the Nation and the Church moving on and fulfilling the promises and all that is written.

People are choosing (Hamlet) to be once again Loyalists instead of Patriots. They are still tied to the Red Coats and their Capitalist system, as we enter the final battle of Armageddon that began with the first shot heard around the world, in 1776. It is a matter of perspective. One relies on technology, the other on exalting the God Flame and the equality of woman and their role as Teacher. The former believe technology will solve issues of economic equality by the will of the State. Even when it is evident that instead technology is being used to monitor, track and control people to make them dependent on the state NOT God. The latter are persecuted, as in China and America, today. All civilizations fail because they come to the initiation and fail to spiritualize (Arnold Toynbee).

People are standing at the Y in the Church and the Nation(s) and are deciding as did Hamlet (Mother's Prophecy of every KOF, 7/4/1996). Everyone is deciding in 2019 and through 2020 to be governed by Christ and climb the highest mountain to the Summit, embodying the Divine Mother as every embodied master before us (Sanat Kumara) or they are deciding to worship the ego and the golden calf and to go back down the mountain with their dweller to rule a material kingdom, church and state as did Peter. This is occurring in the 35-36<sup>th</sup> years of the Judgment of Helios (1984).

Helios is coming on July 4<sup>th</sup>, 2019 (36<sup>th</sup> year Sagittarius) to deliver the judgment (20.12) on all who are hiding from Maitreya in the Garden of his Mystery School in the Western Shambala (Capricorn, the South Gate). Helios is coming to cast out of the Garden (America) all who are the fruitless vine and who have hidden their talents; all who have come to the wedding ceremony without the proper attire.

Spring 2019 is the hour of the standing in the shoes of Hamlet, every Keeper of the Flame. We stand in a bubble of time, a window as all people choose to inherit the Kingdom or to be cast down, back into the kingdom of Babylon. The latter having been called and chosen to be Elders betray the Guru by letting down the Arms (Gemini) of the Guru in the Judgment of the not self and those who attack the Guru and Community and by those representatives of the

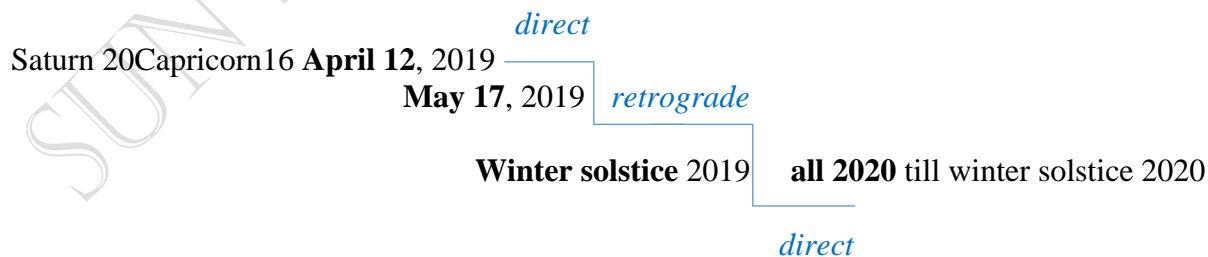

**BATTLE FOR AMERICA**

People and the States who do not uphold the law and the Constitution but betray Uncle Sam. This is the prophecy of the Book of Revelations 10:7-11:7. It is always the leaders of the people, representing the state of consciousness of the majority of the people who betray the Lawgiver, the Guru Mother, Teacher.

The Suns ingress into the emotional plane has the MC at 13Gemini and the IC at 13Sagittarius conjunct the US Conceptual IC. This is the karma returning a.) to defend the birth of the man-child, to manifest in public as demonstrated by Krishna or b) as we face our dwellers on Mother's MC and DSC come to devour our Christ Self in the hour of its birth. The former, Maitreya teaches us call upon the Lord, the Ascended Masters to bind our dweller in this hour when the masters will enter in and occupy those who are not yet ready. Those who are will demonstrate as did Krishna the casting out (to be bound and taken) the dragon and its beasts our dweller (directly tied to that one come to the Middle East directly from the Black hole in the Matter universe. Those who bow before their dweller upon the mountain with the Guru (Saturn, South Node, Pluto conjunct Mother's DSC) are choosing to fall back down the mountain. They are choosing to depart the Mystery School because they believe the lie at the East Gate of the logic of the Serpent mind and go to reform the church and the nation and make all dependent upon them and the state, not God.

Those determined to persevere will **attain** the victory over this energy (a weight, mass conscious, a density) that is the rising sea manifesting as the consciousness of all who are/have fallen into decay. It is a poison that now begins to fester, and as a blight will destroy the entire crop if the field (vines, talents) is not consumed by the flame. This festering is the sealing in their karma. The danger we have been told is imperil, like the blight it spreads rapidly and can destroy the innocent.

We have entered a **Saturn Period** for the sealing of karma, as a weight around the neck. People have made choices, *now* begins the period of consequences as they are sealed in their karma, both good and bad. Saturn exactly conjoins Mother's Celestial Descendent, while conjoined the Dragon's Tail and Pluto, your dweller.

This period takes us to 2021 when we will have emerged from the last 46 years on the galactic equator for the birth of the man-child in those called to Maitreya's Mystery School and to America. It converges with the initiation of our hearts by the Holy Spirit and the cycle of the Path of Personal Christhood **in Libra** in the 34<sup>th</sup> year at the West Gate when we are called to appear before the Guru at the River Jordan to be anointed, having multiplied our talents. There we must come *while* standing in Virgo (1/1/1989) in the Safe Passage of Ye all at the place of Christ Peace in the Mantle of Learning, Illumination, and Self-Knowledge, knowing it is your destiny to fulfill the promises given by God to this planet's evolutions. To be the heart, head, and hand of the Lord for the fulfilling of prophecy that God may work his mighty works coming upon the earth.

This comes in the hour of Wesak (5/18/2019) at 27 Scorpio in the second decant of the second house. The Elohim came in Spring 1993 to place their seven casual bodies over the seven planets in Capricorn; so, in the ending Gautama comes to place his casual body for the casting out of the Dweller on the mountain of (with) the Guru (Ma's Descendent). This is a window of opportunity (of divine justice) upon the mountain to

- i. Bind the dweller
- ii. Cast the Serpent out of the East Gate, our karma with the Messengers, the two Witnesses
- iii. Slay the Dragon standing before the Divine Mother giving birth within you

11

---

**Attainment** manifests as the demonstration of the mastery of the law in those who have maintained their fidelity to the Guru, their God Presence. We are on the mountain with Maitreya and we are found **not** hiding from him in the garden. We are standing at the Y in the road to slay the Dweller or become the Dweller. Now, we will see the strong getting stronger as they balance this mountain of karma descending because they stand on this mountain with the Guru and choose to walk in her footsteps as she guides us in the way...home. Especially given that we will enter the 33<sup>rd</sup> year in Virgo at winter solstice, as the foretold avalanche of karma cascades down the mountain upon all who have forsaken their God, his seventh angel and his prophets. (see Rev10:7 – 11:7).

We are being tested in Maitreya's mystery school to identify those evolutions who have mastered the knowledge of good and evil, the Liberty Tree. In 2018 we stood at the Y in the road in the **Pluto Period** (Cancer 31<sup>st</sup> year on the path of personal Christhood in the initiation of the Heart.) Pluto conjoined Mother's Descendant three times in 2018, 2/15, 7/2, and winter solstice ruling all of 2019. The Pluto Period is 2018 – 2019, 24 months. It overlaps the **Saturn Period** 4/12/19 – winter solstice 2019 therefore all of 2020, 20 months.

**2019**

Winter solstice 2020, ruling all of 2021, sees a new *Saturn Jupiter* conjunction initiating *a new 20-year period* that will restore order, laying the foundation for the Aquarian Age to rise out of the ashes of the Babylonian Civilization. We are being measured to determine who will play a role (Rev 20:4,6) and who will pass away (Rev 20:5). 2019 sees an overlapping of the Saturn Period and the Pluto Period, culminating on January 12<sup>th</sup> 2020 with the *Saturn Pluto* conjunction at 21 Capricorn. This confrontation has been foretold. It is the confrontation of absolute good and absolute evil. Many will begin to awaken to their God Presence and the truth and the fulfillment of the prophecy that *the truth will set them free*.

This is occurring during the three-year cycle of the dispensation of *the Safe Passage of Ye All, the Mantle of Learning, Illumination, and Self-Knowledge* (1/1/1989). Beginning 1/1/2019 this cycle entered the 31<sup>st</sup> year in Cancer through to 1/1/2022. Three years in Cancer, Leo, and Virgo, 2019, 2020, 2021 of the soul's testing in the public demonstration of the five secret ray's mastery of the law. The soul demonstrates her mastery of God's law over man's. Just as Thomas More demonstrated his mastery of God's law over the king's will and the reformation of the Church Universal, creating by a second attempt, to take the scepter of the Vicar of Christ. This is the initiation and the karma of 2019, 2020, 2021.

This will see the victory of the offering over the Cain civilization and the vibration of his seed. Vibration is a measure of mass and density that vibrates at a frequency and amplitude, resonating at a number of cycles that rules gravity holding the soul earthbound. It can be seen and measured. The Atlanteans mastered this with their machinery. We are only beginning to see this in Quantum Physics that one day will leap ahead in the Aquarian Age under its Hierarchy, Saint Germain, in the not too far distance future, under the succeeding Jupiter Saturn conjunctions in the 21<sup>st</sup> century. This will come to pass by those who have attained (Scorpio) mastery (Pisces) over the Cain civilization (Cancer). These are those who are today clearing away the mass density of their beings, the dust clouding the glass darkly between the nucleus of the atom and the electrons of their being. While others accommodating the Guru are driven by ambition to power, wealth of material substance and the substance of self as taught by the World Teacher Kuthumi. The former will bring forth from their casual bodies and the retreats of Saint Germain his science and technology to rebuild the civilization of the Divine Mother (Cancer) once all written by the Prophet Daniel comes to pass, in the coming months and years. (see Daniel ch 7-12). This is the fulfillment of the prophecy of Atlantis come again, the rising of Atlantis, a story to be told to the incoming children under the new Jupiter Saturn conjunction. Atlantis rising will begin following the sweeping away of the debris of the Cain civilization by the coming winds of the Holy Spirit.

America, 1776 to 1976, 200 years *the initiatic period*, the thrust followed by the next 200 years foretold by Saint Germain and by Mother as the Pioneer Period, the love when we must

gird up our loins to prepare to survive while attending the altar. This period, our period will see much change. It will be followed Mother tells us by the Builders period, the wisdom period wise dominion, 2176-2376. Four hundred years and twelve generations bring us to the final century and three final generations before the incarnation, in 500 years and after 15 generations lay down *the foundation*, for the Coming Buddha, the Buddha of a thousand faces, Maitreya Buddha.

We are witness to a landmark, Wesak 2019, on May 18<sup>th</sup>, 2019. The full moon with the Sun in Taurus is at 27 Scorpio, in the first decant of the second house. This is the ghost of the 1994 Pluto during the mega-conjunction of seven planets in Capricorn, within a nine-degree orb. This is occurring on Wesak during the second Saturn exact conjunction with Mother's Descendant, the Guru-chela relationship of the love of the Guru for the chela and the chela for the Guru, the highest love. This occurs on Wesak as Venus exactly conjuncts Uranus, the higher octave of (divine) love. This indicates the testing of our soul's bond to the Guru while Saturn, Dragon's Tail, and Pluto conjunct Mother's Descendant while we stand at the Y in the road on Mother's MC conjunct Chiron in the second phase of our confrontation with the dweller on the mountain with the Guru that began in 2018 and now in phase two beginning March 10<sup>th</sup>, 2019 through February 13<sup>th</sup>, 2020 [Mar 10 – April 13; Oct 8/2019 – 2/13, 2020]. We stand at the Y in the road and must decide, each one, to take the right-hand path or the left-hand path. See Climb the Highest Mountain Series, *Christ and Antichrist*. This period, 2019 & 2020 we are deciding in church and state who rules, Christ or Antichrist, the soul. This will manifest in the outer in the coming elections in our church and Nation.

14

Wesak 2019 is preceded by the six-pointed star described for us by Maitreya in his dictation, "The Six-Pointed Star of the Lord of The World". A coincidence, I think not. This star appearing always heralds, Mother tells us, the incarnation of the WORD. It occurred on Friday at 2:09 pm ET 15 hours before Wesak during the second conjunction of Saturn with Mother's Descendant in the *Saturn Period* discussed earlier. (Mars, Venus conjunct Uranus, Part of Fortune (Harmony), Watchers (Psyche), Nephilim (Apollyon), Transpluto). It is driven by the T Square at 20 degrees 20 minutes of the Lunar Nodes (Dragon Head, and Tail) in Cancer Capricorn and Vesta, planetoid of Maldek in Aries. The Lunar nodes are in a four-minute orb to exact conjunction with Mother's Ascendant (20Cancer) and her Descendant (20Capricorn).

What is the significance to you today from this landmark conjoining Mother's Astrology. Some may argue that Mother is gone, ascended. Those bonded to her heart know the truth of it. They know the meaning of God Surya's teachings that Mother's astrology is her celestial astrology, not her terrestrial astrology, as is ours. Also, Mother taught us her astrology instructing us to measure our astrology against hers and Mark's (Lanello) to understand our karma with the Guru. Those who have bonded to her heart during the twenty-four-year period (1985 – 2009) understand this teaching and that of our karmic story with the Guru, "Phylos the

Tibetan”. They have come to Wesak 2019 prepared to stand on Mother’s Descendant and at the Y on her MC to meet this challenge of our soul’s odyssey. Many will fail in this challenge because they have enmity with the Guru. They have accommodated the Guru and the path of initiation in our church, in our nation (*Saint Germain teaches all in America are chelas (Initiates) of Maitreya, it is the price to be in America, even of those who would take heaven by storm, being here illegally, in answer to the call, to elevate the State over God, to rule in place of Christ*). They are not prepared to meet this initiation of our hearts in Leo on the path of personal Christhood in 2019 standing upon the mountain with the Serpent and the Satans and Maitreya to cast out the dweller as they find themselves standing at the Y in the road in 2019.

They are facing the choice prophesied by Mother to every Keeper of the Flame in her July 4<sup>th</sup> Address, 1996 that all will stand in Hamlet’s shoes and have to decide to follow the Guru up the mountain to Maitreya ( see 4-10 axis clearance) or go back down the mountain following their dweller to fulfill the promise of Satan on the Mountain with Maitreya. There to meet the reward, the seven last plagues. Helios comes at summer solstice (2020) in the eclipse of the sun of their Presence to deliver their karma at 0 Cancer in the first decant of the third house. They are cut off from their I AM Presence and Holy Christ Self as their group and individual karma descends and the fruitless vines are uprooted and cast into the flame.

This is all occurring during the 36<sup>th</sup> year of the coming of Helios for the Judgment (1984). This is the year (Summer solstice 2019 – summer solstice 2020) of victory, the 36<sup>th</sup> year of the ascension flame that began on Mother’s birthday 1984, 33 years concluding in 2017 and now concluding with the culmination of the 33<sup>rd</sup> year on the Path and in the heart’s initiation by the Holy Spirit in November 2020, under the solar eclipse at summer solstice 2020. Spring 2019 has seen the seeds of lifetimes sown. For good or ill they are sprouting and will come to fruition in the fall.

**Taurus: Sun in Physical Plane & Body in 2019**

Chiron at the apex of the Yod, the Y in the road within a one-degree orb of Mother’s Midheaven, at 2 Aries 7 minutes, began in May 2018. Now in 2019 Chiron having retrograded out of a 1-degree orb *has returned* to begin a second phase in 2019 conjunct Mother’s MC at the apex of the Yod to Apollyon (Nephilim Hierarchy – 12<sup>th</sup> Planet) and Transpluto (*Inter Galactic False Hierarchy and Dweller and the 118 alien civilizations (planets) whose motherships orbit earth waging the final battle of Armageddon against the Great White Brotherhood and their chelas.*)

**BATTLE FOR AMERICA**

**2019**

Chiron re-entered the one-degree orb to Mothers MC on March 10<sup>th</sup>, 2019 leaving the orb at 3 Aries on April 13<sup>th</sup> (Elders Meeting the 12-13<sup>th</sup> April). Chiron goes retrograde and returns to the one-degree orb on October 8<sup>th</sup>, 2019 and continues unabated through February 13<sup>th</sup>, 2020. This is not the end of it because on Winter solstice 2019, Chiron is at 1 Aries 28 minutes conjoined Mothers MC. This along with Saturn conjoined exactly Mothers Descendant defines all of our challenges in 2020. Exacerbating this at winter solstice is the Sun Watchers (Psyche) conjunction, the Saturn Pluto conjunction, the Chiron Lilith conjunction which forms the exact midpoint to Mother's MC, the apex of the Yod, the Y in the road throughout all of 2020. The final year (2020) of the 46-year period of the Galactic Alignment of Helios to the Galactic Equator for the birth of the man-child by the Woman clothed with the Sun, the Divine Mother in Guru MA's chelas. We have arrived at the evolutionary moment of our souls destiny to ascend back to God. Confucius tells us that if we miss the wave, we will have to wait one million years until the next opportunity.

The Y in the road is for the public demonstration of the mastery over Pluto (dweller), the South Node (Dragon), and Saturn (Serpent) on the South Gate in Capricorn, while standing on the East Gate choosing between materialism, the business aspect of karma versus the Guru and Dharma. It is the modern-day choice of the Elders and the golden calf. Which way to go to sustain the organization in 2018, 2019, and 2020. Three years of the public demonstration of the mastery of the law on the path of personal Christhood in the initiation of the Heart all occurring in Leo in 2019.

16

---

Those who choose the left-hand path face their karma as Vesta at 18 Aries conjunct Mother's Sun at 17 Aries. They will face the karma of the rejection of the love of the Divine Mother because they have chosen the path of self-love. The end is that of the Black Moon Lilith, separated from God and Twin Flame, a castaway. There is another group that takes the left-hand path by default of doing nothing. This is the sin of omission often, Portia tells us, more grievous than wrong. This is the karma of non-action for failing to take a stand for the Guru and one's chelaship with the fire of the heart plunging the sword of truth into the lie. This is the karma of the laggard evolution of Maldek that came to the Middle East and now have been judged and are being cast off the planet. Such is the fate of the sin of omission in this hour. This is Chiron on Mother's MC at the apex of the Yod, the Y in the road with one's dweller on Mother's Descendant with the dragon who stands before the Divine Mother giving birth to the Christ in YOU. This is the price that will be paid by all who reject the love of the Divine Mother and allow her SON to be killed, or her daughter, Guru Ma to be killed in YOU. That is why Mother gave her chelas her lecture titled, *"To Kill a Mockingbird, or 100 Ways to Kill the Messenger."* Get this lecture and study it for now is the hour and we are accountable for all our choices in this hour.

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

Mother prophesied this hour in 1985 she told us the fallen (*falling- back down the mountain from Maitreya's mystery school – the Garden come again*) ones would change their strategy and attack the Guru by stripping her of her chelas. This prophecy is being fulfilled in this hour and since 1985. We are called to stand with the Elders to defend the Guru while occupying the office of Christ. We are, Morya taught us, occupying the office of chela and must strive to fill the office of Christ. (Morya, Feb 3<sup>rd</sup>, 1985). The problem is many on the path come to the Y in the road and are forced to slay the dweller or become the dweller overnight Mother teaches us all while standing at the MC with Mother and on her Descendant in the Guru-chela relationship. Thus, becoming the ones who attack the Guru because they take the path of materialism and are forced by their dweller to permanently separate the chelas from the Guru and make them dependent upon the State/Church. This is the principle of our karma in the 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> houses.

We are being initiated in Leo in the initiation of the heart that began on Feb 21<sup>st</sup>, 1988 by the Maha Chohan...the initiation of the heart by the Holy Spirit. The Maha Chohan told us that those who walk the path of initiation assimilating the heart of the Guru would out picture their SUN, VENUS, JUPITER and for some the MOON. While those who walk this path of initiation of their hearts by accommodating the Guru and the path of initiation would out picture the Four Horsemen, Mars, Saturn, Uranus, Neptune, the Red, Black, White, and Pale Horses.

This initiation of our hearts in Leo in 2019, in the 32<sup>nd</sup> year is the public demonstration of our mastery over the challenges all face (as *all we encounter are our crew* on our ship trying to return home in the Odyssey of our Souls). We face the mastery of the law over the physical world, labor, money, position. Do we depend of our SELF to gather by hoarding, out picturing our attachment to material substance in Taurus as possessiveness, taking by our passions (Scorpio) through greed and covetness, driven by ambition (Portia, John Beloved, Gabriel), our lust for power. Thereby opening ourselves to Lunar forces that magnetize our desires and amplifying them (Kuthumi) making us vulnerable to the programing on the lower mental plane (Aries, Taurus, Gemini) of the mass consciousness by the computers and machines of the Aliens. As well as the conditioning of our souls by Chiron to habits of emotional disturbance accentuated by food that make the body YIN and susceptible to all manner of fantasy, virtual reality (devachan), illusion, drugs, alcohol, disease and ultimately all manners of vice and depravity, (*Neptune Black Moon Lilith* conjunction) from which many have come (from), making the trek up the mountain and now are vulnerable, susceptible, to return ....back down the mountain from whence they came.

The solution is to wash seven times of this karma, so it finds nothing in you or as Morya says, hitting you it does not stick. This is why Morya and Jesus admonish us to not leave off the ALTAR. Because as karma descends daily, from day-to-day you do not know when it will pull

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

at you with *strong illusion* so that unless the days are shortened, even the elect will be lost. You just don't know when today's karma will try men's souls, you being one of them.

So, given that all this is true, why is this so important. To the point, why are YOU so important to the Great White Brotherhood? It is because God has a plan and your names are in it. He created this path for you to prepare you to be ready in 2021 to stand in the 34<sup>th</sup> year in Libra to begin your Christ mission. He is preparing you for the culmination in 2023 of the crucifixion and the resurrection so that you will stand in 2024 in Capricorn in your 37<sup>th</sup> year in resurrection's flame to begin the next fifty years of your life as world teacher to the one million who are ready, Morya says, to come into the Church. These are your cycles, of the initiation of your hearts (Maha Chohan 2/21/1988) on the path of your personal Christhood (11/1/1987).

These are the cycles of Saint Germain's prophecy that by 2024 the mission of the Summit Lighthouse will be finished and the ascended master names will be household words. **How will this occur between May 2019 and August 2024?** Much will be happening in these next five years. Will you be ready? Will you be ready, for Saint Germain when Merlin escapes his crystal prison, to return with him to Camelot to cast out the black magicians? You won't want to miss this cosmic and planetary event. Nor will you want to miss being a part of the sealing of North America and your role in casting the black magicians out of the City Four Square as taught by the spokeswoman for the Great Karmic Board, the Goddess of Liberty. ***This is your destiny***; it is written in the stars and this is its timing. Will you rise to meet your rendezvous with destiny?

18

These prophecies are to be fulfilled by you. Call to ratify them daily until your destiny is fulfilled and your journey in this life is done. Until you see Christ in the White House and you bear witness to the Great Day of the Lord. Pray that you are ready and with Mark be humble enough when you aren't, that the Guru will come and fill in the difference. This is the promise. And it all depends on you, you who are of supreme value to our God. Esoteric astrology teaches that we must research the teachings and the law and Maitreya teaches having spoken the truth with the fire of your hearts recede into the secret chamber of the heart and commune with *Gautama Buddha so that you are ready to stand on the West Gate* where the multitudes await you. Study the role of woman that is fundamental to the everlasting gospel and her role in making Atlantis great. Atlantis is rising and coming again. Woman is rising to once again stand beside man, as an equal as twin flames once again rising to bring in a Golden Age by exalting the God Flame within by the whirling T'ai Chi.

On the way to this destiny, we first meet the antichrist on the way who stands upon the Mountain with *the Serpent on the East Gate* and *Maitreya on the North Gate* and cast out the dweller that stands before the Divine Mother giving birth to Christ in you (April 12<sup>th</sup>, May 17<sup>th</sup>) Pluto, Dragon's Tail, Saturn in Capricorn on Mother's Descendant manifesting as *Guru Ma* and

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

*her chelas on the South Gate.* The Serpent must be met and defeated in Matter on the mountain with Maitreya as Jesus defeated Satan on the mountain in Spirit. The antichrists are come to lead the novitiates from the mystery school. Christ is not a bystander watching the guru and community or Saint Germain as Uncle Sam be rejected by this wicked generation. Lady Portia tells us that the sin of omission is often more grievous than wrong.

Morya El taught us on Feb 3<sup>rd</sup>, 1985 that he created the Twenty-Four Elders of the church and that the chelas, who hold the office of chela, should apply to be an elder. He taught that they must aspire to the next higher office, the office of Christ. It is from this office of the aspiring one that they must fulfill their commission to defend the Guru from attack. Thus, the initiations of our hearts began on the path of our personal Christhood (Feb 21, 1988; and Nov 1, 1987) respectively. We were taught that you would either assimilate the Guru or accommodate the Guru on the path of initiation. Therefore, we are the enemy, the enemy is within the chela and the church. It is the Christ that must stand up and in his cycle in the fire of his heart plunge the sword of truth into the lie. Speak the truth and the truth will set you free. This is the logos. The all power of heaven and earth. Then Archangel Uriel teaches you must be silent as the Elders lead you (put you) away, as they did Mother. See *Vials of the Seven Last Plagues*.

The Goddess of Liberty taught us that in August 1985, in *the Twenty-Four Year Plan*, that we must bond to the heart of the messengers to bond to the heart of Maitreya, the initiator. This cycle ended twenty-four years later in August 2009 following which Mother took her leave of this octave (to ensure) that you might have your victory. So that you might fulfill your destiny in this hour to fulfill her prophecy made many times to many people in many situations, that she will return.

Saint Germain tells us that Merlin will return to Camelot from his crystal prison. You have a rendezvous to meet in 2021, to meet the Guru at the River Jordan in the 34<sup>th</sup> year of the initiation of your heart on your path of personal Christhood when you must be found standing before the Guru at the river for the PASSING OF THE TORCH from the Guru to the Chela. Three years of your Christ mission (2021-2022-2023) to call out the 144,000 who Morya El tells us are ready to be his chelas on the path and who will become the White Cube of the Church Universal and Triumphant on the North Gate and will, following your crucifixion (15<sup>th</sup> rosary) and resurrection in 2024 become the apostles and disciples of *the anointed ones* who will lead the church and gather the remainder of the one million, the eight hundred and fifty six thousand who Morya tells us are ready to join the church. These one million are the fruit of your labors between 2021 and 2023 when the ascended master's names will become household words in EVERY house in America. Every household will be divided, father against son, mother against daughter that the prophecy might be fulfilled. We are told that all will know the masters' names, many will rally to Saint Germain, many more will hate his name. But the Coming Revolution in

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

Higher Consciousness will divide the way as God's people rally to the Great White Brotherhood. Then will the harvest of the TARES begin in earnest beginning with the Presidential race in the 60<sup>th</sup> quadrennial U.S. presidential election to elect the 46<sup>th</sup> President of the United States as the people elect Saint Germain's anointed one, Christ, in 2024.

Morya El also taught us that on June 27<sup>th</sup>, 1986, the first fourteen-year cycle of the stations of the cross ended and the second fourteen years began on that date. This second cycle he said would end on June 27<sup>th</sup>, 2000 when the third and final fourteen-year cycle would begin. That final cycle ended on June 27<sup>th</sup>, 2014. This was the cycle of preparation of our souls in the initiation of our hearts on the path of our personal Christhood to attain to the office of Christ to defend the Guru, the Woman clothed with the Sun, Guru Ma who has been in labor all these years to give birth to the man-child in you. Why, that we might meet this challenge on the odyssey of our souls on our journey home...to the Kingdom age that began in Revelations 20:4, on February 21, 2014, the day the CHURCH AGE ended and the KINGDOM AGE began...the end of 42 years of three times the fourteen stations on the cross, the Cosmic Cross of White Fire.

In 1987, Morya taught us about the HARMONIC CONVERGENCE and the attempt to align planetary consciousness with the aliens (scientific – technological materialism) to open our consciousness to the brave new world of the alien solution to the world dilemma. Technology to solve the problems of poverty and disease. This is and was the lie of the Serpent in the Garden of Eden. Jose Arguelles argued that the harmonic convergence did not fail in 1987 but achieved its purpose to prepare the way for the return of the Feathered Serpent in 25 years dated from 1987, or in 2012 during the precession of the equinox on May 20<sup>th</sup>, 2012 during a solar eclipse of Helios at zero Gemini. This occurred eight years ago, we are now in Leo. Also, on November 1<sup>st</sup>, 1987 we began the path of our personal Christhood. Now in 2019, 32 years later, we are facing the initiation of the public demonstration of the law in Leo on the path of our personal Christhood in the initiation of our hearts in Leo. We are in a race with the false hierarchy of the Ruby Ray for the hearts and souls of the people.

In 1988 on Feb 21<sup>st</sup> during the mega-conjunction of Mars, Saturn, Uranus at Zero Capricorn with Neptune at 9 Capricorn conjunct Mother's Mars, which she taught us represents her chelas in her sixth house of their service to the Guru, where they repeatedly fail their initiations (unjust stewards). The assimilators of the Guru outpicture the Sun, Venus, and Jupiter, whereas the accommodators of the Guru the initiator of our souls on the path, outpicture Mars, Saturn, Uranus, and Neptune, the Four Horsemen. This has been playing out *these last 32 years* within the community, the nation(s), and the Church.

Then in 1989, Saint Germain taught us that the cycle of the dark night of the soul began that represented the descent of our karma. Karma that blinds the soul. We saw this cycle play

**BATTLE FOR AMERICA**  
*Spirit and Soul of America*  
**AT WAR**  
**2019**

out in the shelter cycle of 1989 and 1990 when half the membership left the church, following the shelter cycle and the Hercules Labors that followed the shelter cycle. These Labors occurred because the Twelfth Planet had launched an invasion of Earth from the twelfth planet. They sent an armada of 100,000 motherships containing 10 billion aliens (mechanization man, androids). Morya taught us all about this fleet and its occupants and their intention to occupy earth. In fact, the alien watcher community who expose the alien conspiracy of our government since the spaceship crash in Roswell, New Mexico, where exposing this coming invasion teaching that the US Government and the US Navy and the CIA were preparing huge underground bases for this invasion force. The US Navy and the CIA being at odds with each other over the base preparations. Many on staff followed these alien conspiracy theorists. During time period of our Labor the conspiracy theorists were exposing the bases and the coming invasion. The Labor itself provided sufficient light to the angels and Archangels who defeated this armada. Once the Armada was defeated these theorists changed their story saying that there was NO alien conspiracy. They argued that it was a conspiracy of the Majestic Twelve to create a threat to enable creation of the New Economic Order, the One World Government of the Neocons who emerged out of Chicago as the group that created in 1991 the new Cold War with the Arabs and the first Twin Tower attack, the first Iraq invasion (war).

Following the defeat of the armada by the combined effort of the Great White Brotherhood and the Labor in KAC, the Twelfth Planet appealed, Morya told us, to the Pleiades to send reinforcements. This was followed immediately, by the attack on the Heart of The Inner Retreat by an alien force hidden in the subterranean levels beneath Australia. This attack force comprised, Morya told us, 100,000 planetary space ships (disks) with 10 million aliens who attacked the Ranch for many days. The Ranch was protected by the wall and dome over the ranch. The aliens mined under the walls where the angels fought them, many of which died, we were told. After this Labor and the secondary defeat of the aliens, half the membership left the church. This was the same struggle the early American patriots faced as Washington could not get the militia or the arms he needed. This eventually led to the winter at Valley Forge, the darkest hour. So, we are approaching our darkest hour, that will last until the time when some are prepared to sacrifice themselves, their egos and their pride and its ambition to pass their tests and their initiations and come prepared to the River Jordan before the Guru in 2021.

This dark night of the soul that began in 1989 was followed immediately by *the dark night of the spirit*. This coincided with the end of the DARK CYCLE, 2000 years to become the Christ. The Dark Cycle began in 2 AD as mankind's karma of the last Grand Sidereal Year, the last 25,800 years descended. Jesus Christ sacrificed himself to win us an additional 2000 years to balance this karma and become Christ. His sacrifice gave us from 2 AD to 1302 AD to balance our karma made in the etheric plane, 75% to be balanced in the etheric and 25% in the physical. Then in 1302 AD the karma descended into the mental plane 50% while the remaining 50% was

**2019**

physical. Then in 1969, the karma made in the emotional plane descended, 25% in the emotional plane while 75% in the physical. In **1990** the karma descended 100% into the physical that we made in the physical plane and with our physical bodies. That is when we saw on staff and Mother taught of the “difficult to diagnose diseases”. The Dark Cycle ended on April 23<sup>rd</sup>, 2002 after 12 years of the descent of all our physical karma of the last 25,800 years of our karma with the Guru.

All our karma that remained untransmuted during these four periods plays out in people’s lives under the Dark Night of the Spirit. Hence, we saw the second Iraq Invasion and the start of the longest war in American history...the last 16 years. We have seen people go from chela as servant to the Guru to claiming they would do it their way, while hiding from Maitreya in the Mystery School. All the while facing the Serpent to once again play out the Great Drama of believing the lie of the Serpent in the Garden that is about to result in their going back down the mountain to fulfill the promise of the Serpent, as Satan promised Jesus. They would rule if they would bow down before their dweller (Saturn, Dragon Tail, Pluto) on Mother’s Descendant as all three form a *close to exact* conjunction between them and between Mother’s descendant (April 12<sup>th</sup>, May 17<sup>th</sup> (Wesak). All the while, (they) standing on Mother’s Midheaven with Chiron at the Y in the road forced to confront their Dweller (Saturn, Dragon Tail, Pluto) on Mother’s Descendant.

Pluto is your personal and the planetary DWELLER, it hides in the unconscious and rises when Christ threatens to take his bride. It is come in 2019 because we are at the end of the cycle of the birth of Christ in you as the Manchild, 18 months left in the 46-year cycle that began in 1975.

## Wesak 2019

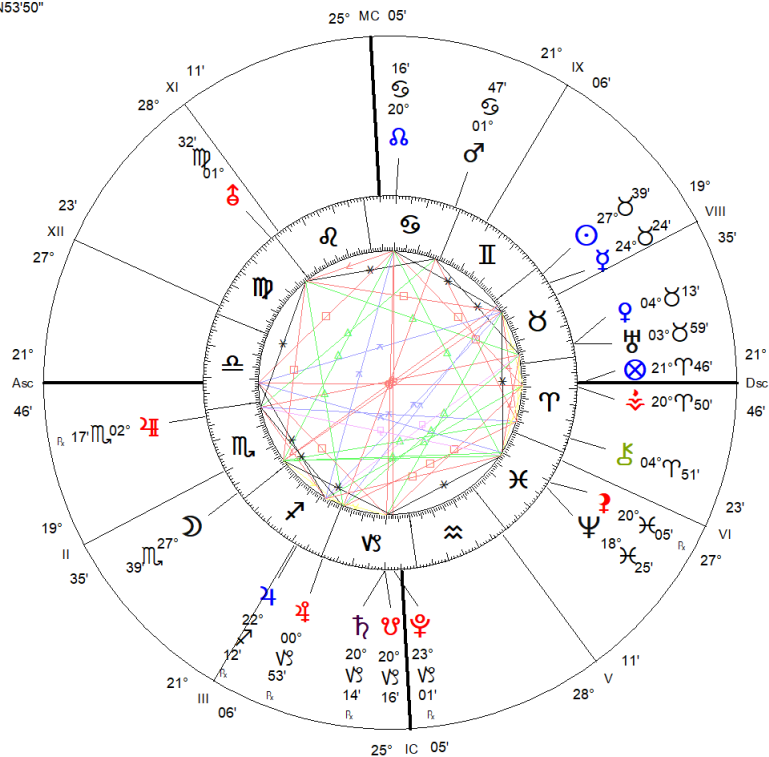

The full moon at 27 Scorpio 39 minutes with Sun in Taurus announced Wesak at 5:11 pm ET Saturday. Significantly, Venus conjuncts Uranus on Wesak in the second decant of the

seventh house, as the soul attains to a level of divine love, Uranus the higher octave of Venus love. The love of Guru for chela and chela for Guru. Wesak announces to the soul that love is the key to the doorway to the secret chamber of the heart in 2019. Love is the key to the public demonstration of the law by the soul standing on Mother's Ascendant and Descendant at 20 Cancer 16 and 20 Capricorn 16, respectively. The soul stands on the North Node in the third decant of the ninth house in illuminations flame to defend the Guru from those in the church and in the nations who having accommodated the Guru these last 32 years and who now stand to attack the Guru. The soul stands in wise dominion and with love's key to meet this challenge of the devotees' momentums and habits that made/make karma with the Guru being manipulated by ones personal dweller, Pluto in Capricorn. This Capricorn mega-

conjunction is exact conjunct to Mother's Descendant. It is in direct relationship to the Guru, as the Guru-chela relationship is playing out on Mother's Ascendant at 20 Cancer (9<sup>th</sup> house) as the accusers of the brethren take their place on the clock of betrayers on the North Gate having

bowed to their dweller and the Dragon (Tail) on the mountain and now fulfill their role as the abusers of the word on the first ray, now in its 36<sup>th</sup> year (April 27<sup>th</sup>, 1984).

Wesak full moon is at 27 Scorpio. It is activating the 1994 mega-conjunction Pluto (27 Scorpio). Threatening in 2019 to destroy the church and the nation unless some claim their victory in this initiation of our hearts on the path of personal Christhood in the 32<sup>nd</sup> year in Leo.

We are witnessing in 2019 the fulfillment of the the law and the prophesy of the fruit of devotion to the Guru and the path of initiation, as well as, those who have come after 32 years on the path of the initiation of their hearts to emnity with the Guru. The latter have come to 2019 having accommodated the guru and the path and are overcome by the light and their dweller combined. They have returned to the mystery school to face the Serpent and his lie that caused the soul to hide from the Guru and go down the mountain to fulfill their lusts and greed. Once again they have not evolved to that state where they can defeat evil and its appetites. They are intoxicated by the hypnotic spell of the Serpent.

The soul stands at 20 Cancer at the North Node conjoined Mother's Ascendant in the third decant of Cancer, called to research the teachings and the law, preparing the soul for:

- a) Their destiny, dharma...the promised anointing.
- b) Their debt of destiny, balance their karma so that the greater dharma may come.

24

Both are coming and met on the way. First, the soul fulfills her responsibility to the Guru on her ascendant to work the works of the ages. As the soul meets her returning karmic debts to the Guru in Capricorn, Saturn, Dragon (Tail), and Pluto with the Watchers (Psyche) at zero Capricorn. The karma is returning at the Nadir, at 25 Capricorn as it rises from the unconscious into the subconscious, daily. Now the karma returning plays out through the Capricorn configuration as the slaying of the dweller or the attack on the Guru and ones Twin Flame by ones dweller.

This is all part of the counter offensive of the planetary and inter-galactic false hierarchy now in its 36<sup>th</sup> year of self preservation in the face of the judgment upon evil in the Matter universe. The Divine Mother is giving birth to Christ in you. The Dragon must attack to prevent this as it did with Jesus and Krishna down through the ages until the end times. The prophesy of the Dragon attacking has been foretold since the beginning. 2019 is the fulfillment of the prophesy. We have been given the everlasting gospel that provides the resource of heaven and our casual body to call upon to protect the soul on her journey of overcoming. Thus, on January 1<sup>st</sup>, 1989, we were given Safe Passage of Ye All and the mantle of learning, illumination, and self-knowledge. Now in its 31<sup>st</sup> year in Cancer for the public demonstration of the Christ mastery of the law over the next three years. It is given during the window of the Galactic
