(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Introduction: Warring Members, Gemini II

The seed of Abraham have come full circle to reconciliation with their God. The Americas and Europe are called by God to pay their debt of destiny. There is warring in her members as *'we the people'* battle for America. *'The people'* having learned their lesson under the prophet Samuel now stand with Uncle Sam against the loyalists and their Nephilim gods and their corporate dialectical materialism, their promise of a brave new world, without religion, without God and his Son. The prophet Samuel is come again in Uncle Sam, known in the 21st century as Saint Germain. His love is manifest as Americans' love for America and their willingness to defend her, the Motherland come again, against the Loyalists and their Redcoats.

1

The American Revolution is the manifestation of the shot heard around the world that the Son of Man, Jesus Christ, announced to a world, awaiting the coming of Christ. Jesus has been vilified in state and corporate religions that have made him an unattainable God, instead of that which he is, the Son of Man who by choice attained, lifetime after lifetime, to fulfill his clock of destiny and to lead us home. The soul of Jesus Christ over many embodiments evolved to become one with his Father, the God Flame within *his Sacred Heart*, to free man from the shackles of *human* slavery. He told us who he/we are, sons and daughters of the most high God, created by God to expand his Presence of self. Moses told us long ago, *"You are Gods"*. He taught us how to free ourselves. He told us that everything he did we *would* do and more because he said, *"I go unto my Father"*. He told us that his kingdom was to come in the earth, not of this, the Roman-Greek and Persian-Babylonian world but of his Father's Kingdom that was to come at the end of the Age of Pisces. Pisces, the Age of the fishermen of men, shepherds empowered by the Holy Spirit to cast down the Roman-Greek/Persian-Babylonian kingdom of the Nephilim gods and their seed, the humans.

Humans are mechanization man. He told us to feed His sheep that they may come apart and be a separate and chosen people united in God. Humans, created as laborers, beasts of burden, programmed by conditioning mankind to the influences of lunar forces, the dragon force to pull down mankind's consciousness from the higher mental plane and consciousness of God in the Christ mind. We were told by Father Enoch that when the clock of destiny comes full circle, in the fulness of time that the Dragon would be standing before the Divine Mother as she gave

birth to the Christ in Man, the man-child. These are *words* written down having been spoken in the Courts of Heaven that paint the picture i.e. describe what was foreseen as the Divine Plan of God. We call this Divine Plan, evolution, although wrongly understood.

The seed of Abraham were warned not to intermarry with the Nephilim and their mechanization man, the hu-mans (genetically created in test tubes as is reoccurring today). The genetically cloned homo sapiens who were created by the Nephilim were derived from animal DNA and the seed of the Nephilim in the womb of their ‘Nephilim goddesses’. Hence, they have always taught that the people are animals that evolved to think and that the Nephilim are their creators, NOT God. They were created and programmed as the Nephilim’s slaves and have *always* been slaves, conditioned as Darwin teaches, by the survival of the fittest, natural selection. Only the strong survive. This instinct bred into humans, created to be laborers in their socialist economy based on this principal, that only the strong survive under the economic law of scarcity as the Nephilim hoard the wealth and the riches of the planet as taught in Revelations chapter 18. Humans were also created and bred to be warriors. They were created to be the frontline soldier in the wars of the gods. These wars were designed to make war against the civilizations and cultures of the Divine Mother, mankind. Being inferior, the Nephilim known today as the Illuminati, could only defeat the Sons of God, mankind, from within, hence the warring in the members as in America today. Divide and conqueror is their age-old strategy.

Another strategy of darkness is the war of ideas, an example is the rule of law, a principle with two diabolical opposite meanings and results. Great Britain and the Commonwealth, including the American colonies were founded on the Common Law as opposed the rest of the world based on what we have come to call Civil Law or Roman Law, the Nephilim Law codes of Socialism, the ideology of state capitalism, the rule of elitists and their wars. Socialist economy is a war economy. It is the nature of the Nephilim warlords and their economic law of scarcity. These elites have many names in many different cultures but all have in common their origin in the fallen angels tied directly to that one who came from the vortex of evil in the Matter Universe. So, we find Egyptians in Australia, Israelites in ancient North America, and Africans in ancient Central America, the Olmecs, to name just a few.

Today, America is waking up to the God given realization (*illumination rays of Helios in alignment with the Galactic Equator for the last 45 years*) that Saint Germain and the armies of heaven, *made up of angels and men under the banner of our God Elohim*, are engaged in the **American Revolution**, now in its third century (that began in 1976). We are at the cusp of Aquarius, the Age of Divine Love, come in the Kingdom that Jesus Christ said would come at the end of the Age of Pisces. This is the third century, completing the threefold flame for the birth of Christ in *the second coming* in the people as foretold by Jesus. Christ’s teachings have been purged from the earth by the state religions of Rome, revived by the Dragon, as the Holy Roman Empire, the rebirth of the evil empire. Once again reborn as Rome, come again in Russian and Chinese Communism that now threatens America, Europe and the world as *international* socialism, the new economic order of the new world order of the Bush NeoCONS (right wing conservatives, Nazis and Fascists. The common thread in all this is the Nephilim, the Illuminati and their world Capitalism and its state religion, communism. We are familiar with it as the social justice of the Roman Church, not God in Man, but subservience to an ideology of an

organization i. e. the state (organization) that replaces God and his Son as the Nephilim/Illuminati elite wage the **war of Armageddon** against the armies of Heaven, in the continuing saga of the **War in Heaven** because of their hatred of Christ, the Son of God made higher than angels and their Archangels, whose destiny was to serve and protect and to teach the Sons of Man, the Sons and Daughters of God. The battle wages today in America in the electoral field for the hearts and spirit of America and her people.

The simple rule of divine law, given to guide the Sons of Man is “Choose Life not Death” in all your dealings love each other as you love God. This law separates the Sons of the Law of the One from the sons of Belial, **life** that promises immortal life attained by loving obedience to the Laws of God and his Cycles versus **death**. Laws that implement population controls and programming, through chemicals in the air, water, food, drugs, building materials, even in the earth, itself. They enshrine death in our laws, the right of woman to kill the child in the womb, even at birth, to murder God in the birth of the manchild (mankind). They enshrine it in abolishing the death penalty, given by God as his law, “*thou shall not kill*”, we know this as the adage, if you live by the gun you will die by the gun. Thus, the fallen angels encourage the soul pulling her down to the depths of the astral plane, **Hades** and the second death. They would take as many of the Sons of God, twin flames, with them in the second death as their final vengeance against God who created his children both after and above the angels and their leaders the Archangels.

The Nephilim *breed* into humans and mankind alike, hatred, to divide and conqueror souls and the minds and hearts of the people. Saint Germain as Uncle Sam and the Son of God, Jesus teach the laws of our Father, Divine Love, the love of Aquarius, the love of mankind. Love each other as you love God. It is enshrined in our civilization and culture in our Constitution as **the Greater Good**. President Kennedy, a Son of God, epitomized it by leading Americans to, “ask not what your country can do for you (Socialism-Communism) but ask what you can do for your country”. This leadership principle is what got him killed by the hand of the American Illuminati. It is the same principle that got Confucius expelled from his country by the Chinese Illuminati. So today Saint Germain and Confucius teach this principle in the etheric retreat over the Rockies, the Grand Tetons drawing the souls of the Sons of Man from all nations to America as prophesied by Jesus Christ where they are called to embody and to immigrate to re-unite the Tribes of Israel, long ago defeated by the Nephilim because of their rebellion against their God, his laws and the Sons of Man, know as the Sons of Solitude, whom he gave as judges, prophets and kings.

Come Full Circle in 2019

We are come full circle in 2019, in America, with the Sun in Gemini as we conclude the Alpha thrust in the Vesta cycle of the year as taught by Kuthumi, to determine who are *the just stewards*, who have multiplied their talents, which vines bear fruit? Who has come apart to be a separate and chosen people; one people, one nation, one God? They come, as of old when all people returned to their city for census or other various cultural reasons. Today, we have come to America and we carry on this tradition, in our national elections, every fourth year. It is then

 IN 2019

that we are counted by God and Nephilim, as step-by-step every four years we march into the future we are creating for ourselves and our children, *in the Gemini cycle each year.*

In 2020 those who have come apart will be empowered by God and Saint Germain as we finally emerge from the Galactic Alignment with the galactic equator, in the 46th-year (in Sagittarius). Emergence will see *the people* rallying to Uncle Sam to unite under the banner of Saint Germain as the armies of heaven acting through events and man in the 2020 elections will set the stage for what will come as the Great Change beginning in 2021.

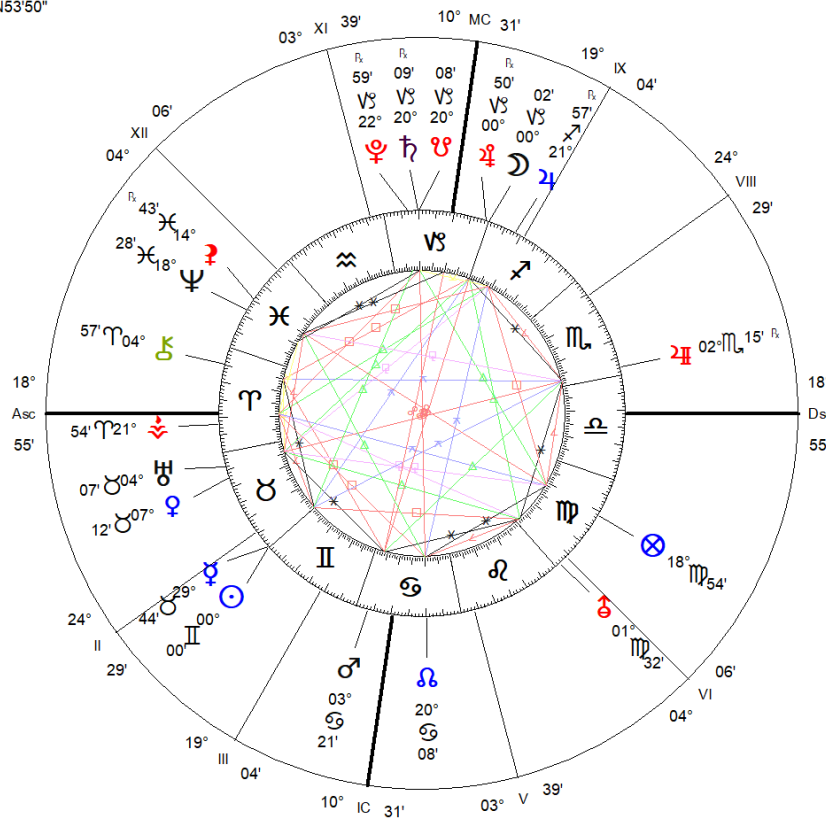

This great change will cast out the black magicians, the American Illuminati from America, even Canada which together makes up the City Four Square, prophesied by the Goddess of Liberty. We shall then see Christ, an anointed by God, a Son of Man (son or daughter) elected to the Office of President in 2024. Then all shall see the prophecies of John the Revelator and of Jerimiah and Ezekiel come to pass as that which is written down in the Book of Daniel and in the Books of Enoch. As we rally to our God, one nation, one people to continue this American Revolution under the

Everlasting Gospel, promised by Jesus to come at the end of the Piscean age, the Aquarian Age. This is the Coming Revolution in Higher Consciousness, in Americas third century the third plume of the flame, Wisdom's flame of Illumination, the Great Awakening (Neptune) and the

new age of enlightenment. It awoke the Dragon who raised its head known as the illuminati. The Dragon can be seen in the events of the Crusades and the industrial Revolution of the Illuminati Capitalists known as the Barons of Industry who were financed by their Central Banks. These international bankers of Renaissance Italy financed the Nouveau Rich, the sons of the Aristocracy who sold out feudalism of the Great White Brotherhood for industrial wealth and power. Thus, capitalism replaced feudalism, backed by the Military Industrial financial complex and their wars to counter Jesus Christ and his Father, as his shepherds led the way out of the dark ages of corporate religion and they faced the religious wars of the Dragon, its religious Reformation and its Inquisition.

The Dragon with its Capitalism and Communist religion rose up to stop the restoration of the Culture and Civilization of the Divine Mother and her restoration of the divine feminine (the fallen soul) and woman as equal partners of man. It rose to kill the first born, the establishment of the **Renaissance man and its nation**, America, born to restore Twin Flames and the whirling T'AI CHI that will in the cycle of time consume evil in the matter plane, *beginning* on Planet earth, in the heart of the planet, America.

Gemini, Warring in The Members II

Gemini is ruled by the solar hierarchy of the Sun, El Morya and the Legions of Mercury who teach mankind to evolve their soul's throat chakra in the power of God through God Wisdom. The one-pointed diamond heart. Man is taught to take wise dominion of their mental body by choosing wisely (right choice) to be on the higher mental plane influenced by the consciousness of God that was in Christ Jesus. In Gemini we do this as the soul stands in juxtaposition between the two lines of forces represented by the symbol Gemini, the Great White Brotherhood and the forces of the hierarchies of the fallen angels and must choose immortal **Life** or the second **Death**. Gemini reminds the soul that all is illusion, we stand in the battle of Armageddon between the forces of light and those of darkness and must choose.

The soul chooses in Gemini which line the soul will follow, to be trained as Teacher by God or in lines of Power by the Nephilim, the Princes of the Air who rule the earth through the False Hierarchies of the Ruby Ray as taught by Lord Sanat Kumara, hence be trained as warrior under the *centaurs in Sagittarius*. This is the test of every soul as described in *Phylos the Tibetan* and in *a Man for All Seasons* (Thomas More). The latter, Thomas More, who died the king's good servant but who obeyed a higher law of God above Man, the common law. A law that states that man, the king (government) is subject to the law; it is embedded in the American Constitution. All must choose in the culmination of the Vesta cycle of the year in Gemini. What line they will take that will end in Sagittarius, in December (Nov 21st – Dec 21st) as the God Victory of Life over Death, in 2019? Because despite outer appearances God governs life, the three-fold flame and the crystal cord. God governs life in the solar system through Helios of the Sun. God governs time and space whereas the Nephilim only deny him in culture and civilization, in daily life, vehemently doing so now that they are cut off from the crystal cord and three-fold flame as of the Judgement of Helios in 1984 and 1991 (July 4th).

They have disobeyed God and his laws and are in *open* rebellion once again **in the earth**, as long ago they were **in Heaven**. All are given the choice today to choose life not death. All are given the understanding and knowledge to sit under their own vine and fig tree, the Liberty Tree or to follow the dominant egos who follow the Serpent in the Garden (America and the Inner Retreat) once again. The latter are those who believe the lie of the Serpent who returned to Maitreya's Mystery School (1984, May 31st now in it 36th year) on May 20th 2012 now in its 8th year in **Leo**. The Serpent returned to tempt those who stand in CUT and in America (as the I Am Race) on the Path of Personal Christhood (1987) and in the Initiation of their Heart (1988) in **Leo** in the 32nd year for the public demonstration of the law of the five secret rays. Simultaneously as they stand at the Y in the road, forced to slay their dweller and cast down the Satans and the Serpent in the Garden upon the mountain on the East Gate of the City Four Square who would destroy CUT/TSL and America as prophesied by ELOHIM and their Messenger in 1993. Manifest in those in the Church and in America, i.e. midst the I Am Race worldwide, who choose in Gemini in 2019 the line that leads to rule the nations and the organization as offered to Jesus Christ and Rich Richards, whose outcomes is prophesied in Rev 20:4-5.

Understand the congruence of cycles in 2019: *ignore at the peril of your soul*

- i. Path of Initiation on the Path of Personal Christhood (Leo) 2019
- ii. Cycles of Initiation of each Century (first 33 years) by Mighty Victory 2019 (Leo)
- iii. Initiation of the heart by the Holy Spirit (Leo) 2019
- iv. The Galactic Alignment entering the 46th final year (Sagittarius) as the Divine Mother gives Birth in 2019
- v. The Judgment of Evil in the Matter Universe (36th Sagittarius)2019
- vi. Serpent Return to the Mystery School in 2012 during the Precession of the Equinox (Aquarius) and Solar Eclipse at 0 degrees Gemini, now in its Leo year.
- vii. You stand at the Y in the road on Mother's MC conjoined Chiron conditioned to reject the love of the Guru (Phylos), the daughter of the Cosmic Virgin. The soul is conditioned to reject the love of the Divine Mother giving birth in the womb of the soul to the Manchild. The soul's creation, her dweller, stands as the Dragon before the Divine Mother giving birth to devour the manchild as soon as it is born from the womb of your Soul in the last year of the 46 years of the galactic alignment for the birth of Christ in you, the second coming.

You are your own worst enemy. The enemy is within. This is the public demonstration of the law as you are called to demonstrate your Christ mastery over your dweller and those of the Elders who are called to demonstrate their CHRIST mastery of the Law and defend Guru Ma and Morya from those in our midst who argue the lie that it is their turn and want to lead you to Christ.

Matthew 24, many antichrists will come in the end times to lead you, follow them Not! They are antichrist, they have stood at the Y in the road, forced to meet their dweller, Satan(s) and Serpent at the East Gate and have chosen as did Rich Richards. How will you choose? Choose Life not Death, this is the Pale Horse, Neptune, the

decisions you make in the Physical plane in the Organization and Nation, Hades follows with him, your dweller Rev 6:7. See Mother's Climb the Highest Mountain Series, *Christ and Antichrist*. Chelas can become their dweller overnight. Trust no man, trust the God in man, the God Flame within the Heart exalted in some and denied in others. Guru Ma embodies the I AM Presence in our Church; **you** are your karma until Christ is born in you by the Divine Mother during the appointed cycle at the end times. All that is playing out is the Great Drama of the souls choosing Life or Death. All is illusion, strong illusion woven by those who stand in the electronic belt of Neptune in the end who have failed to assimilate the Guru, now in the 32nd year of the initiation of our hearts by the Holy Spirit. They have failed to evolve to receive and outpicture the casual body of Neptune, the Christ mastery of the Mind, the Christ Mind. They have taken their inheritance and gone their way as the unjust stewards, the fruitless vines. They are the foolish virgins called to attend the flame who have let their lamps empty of oil. This is the state of some in the hour of the coming of the bridegroom who comes suddenly in the night, as the coming of the Divine Mother whose light is dark energy, dark matter as taught by Phyllos.

Helios enters *the solar house* of the Solar *Hierarchy of Gemini* as taught by Lord Maitreya, to teach our souls how to meet the Serpent and defeat him at the East Gate in 2019. The Serpent returned; the Mayans told us, on May 20th 2012 at 0 degrees Gemini. The everlasting gospel tells us that the Serpent and serpent mind, the carnal mind fell on the line of Gemini. We are told it is the logic of the *human intellect* that attacks the *Christ mind* and its wisdom. Esoteric astrology teaches that Gemini and the third house governs the lower mind and that by listening grace, the soul's intuition, she can maintain fidelity, as it faces the reasoning of the lower mind and the choices (temptations) it presents the soul. Choices that in the end is death, because the choices given by the lower mind all have the ego as the doer and pride in the outcome. These choices deny Christ wisdom in any of the options and denies God as co-creator. It is only the serpent reasoning displacing Christ in all activities (Aries first decant) on the East Gate. This is the great drama of the Spirit interplaying with the outer manifestation in the physical world at the East Gate.

The cardinal signs stand on the angles as we stand on the ascendant conjunct Guru MA's Sun (17 Aries). The soul (Moon) is at 0 Capricorn conjunct the Watchers (Psyche) at 0 CAP as she explores ways to meet the challenges the Watchers present the soul who stands with the Guru (Jupiter) in the 9th house together in the Christ mind to publicly demonstrate in Leo the victory over the fallen angels and their Watchers. This is the fulfillment of the mandate of the Elders to defend the Guru.

The chelas (and all in CUT and America are chelas) are initiates on the path, no matter what they say or think. They are called and chosen to the initiatic path whether they agree or not much like the soul born into circumstances in this life (karma). Once on the path, for many now in their fifth decade having entered the path in the 1970's; for others who may have entered the path post 1/1 1997, the latter, now in their 22nd year knowing the teachings from books and videos, knowing only the members of the church in physical relationships. We internalize the

guru and the teachings or we accommodate them. This is the soul's odyssey that has been underway with the messengers and the Great White Brotherhood for 100,000s of years of the soul's journey with the chelas of the white cube of the church, as every master while in incarnation represents to each of us. We have our karma with them that now interferes with our service. This karma makes us vulnerable in the mental plane to Lucifer, his clones and his carbon copies and his children and fallen angels in Solar house of Aries under Helios; to Satan and his seed in the house of Taurus under Godfre; to Serpent and his seed in the house of Gemini under Morya and the legions of Mercury.

The soul is being initiated to choose between Helios and the twelve Solar Hierarchies of the Sun, initiating Earth's evolutions and the chelas of the white fire core and the white cube at the nucleus or to choose the Watchers (*Psyche, Cupido, the seduction of the soul by the watchers who took the daughters of men as wives*) beginning at winter solstice 2016 through to winter solstice 2020 thereby governing the divine plan for the years 1017, 2018, 2019, 2020. This represents the last four years of the galactic alignment, for the birth of Christ in you. You who are called to stand before the Guru in 2021 that begins at winter solstice 2020, on the line of Libra in the 34th year on the path in the initiation of our hearts to bear the fruits of Christ mastery and to begin (y)our mission.

The Gemini Sun is conjunct Mercury (16-minute orb) in the first decant of the second house of the economy and the finances of the US government. (Note the published National Debt in 2019 is 22 Trillion, unpublished version is 116 Trillion.) Ten years ago, it was half that. This is how Congress and the power elite have sold (out) America. In 2007 going into George Bush's last year as president the debt was 5 Trillion, by the end of his last year in office he doubled the debt to 10 Trillion. Obama doubled it again in 8 years to just under 20 Trillion. President in 2 years has increased it to 22 Trillion, one Trillion a year. (*see debtconsolidation.com for how much each president since Bush Senior increased the debt*).

8

El Morya prophesied that the economy would crash (2000 Year Ride of the Four Horsemen lecture by Mother, see Reference section at the end of this document); Nostradamus prophesied the economy would crash and gave the astrological triggers. Mother writes in *Saint Germain on Prophecy* that while the American economy looks rosy it is in fact in a pre-catastrophe syndrome and that was in the mid-1980s. "In a lecture "The Ride of the Black Horse", Mother states that this is the returning karma of a people who have not challenged these spoilers, in the name of God!" Mother writes, "At the end of the ride of the Black Horse (Saturn in Capricorn) is the full weight of mankind's karma of nonaccountability of the light of God", in the church and in the nation. Saturn enters Aquarius on March 22nd, 2020 during which there is a 6-pointed star which Mother teaches always indicates the incarnation of the word. Also, the sun is 2 Aries conjoined Mother's Sun. This follows Saturn conjunct Pluto on January 12, 2020, heralding chaos in the economy. El Morya says the economic collapse is the trigger that leads to war, WWIII. Nostradamus says the astrological trigger is the year that "Mars and Saturn are equally fiery". See *figure 2* on page 13.

Since the coming of Helios in 1984 until the end of the cycle of war described by Guru Ma, in 2032 there are five instances of Mars conjunct Saturn in fire signs, *equally fiery*; 1986,

1998, 2006, 2016, and lastly in 2026. The last Saturn Mars conjunction, in 2026 is on April 19th at 7 Aries 52 minutes in the sixth house second decant. Where will you be in your personal birth year cycles? We will be in our 40th year in Aries on our path of personal Christhood as **Mars** conjuncts **Saturn** and conjuncts transiting **Mercury** at 7 Aries conjoined **Mother's Mercury** at 8 Aries and *with Mother's ASC 20 Cancer on the MC*. Coincidence, I think not. Mother and Morya told staff before they disbanded in 1996 to study Nostradamus. Do you know why?

Y in the Road

The Sun enters Gemini conjunct Mercury at *the apex* of a composite YOD. The Y in the road is the sign and signet that we are forced by the Masters to face and conquer our dwellers. The Y in the road forces the soul to choose between 0 Capricorn conjoined the Watchers conjunct our souls (moon) in the second decant of the ninth house and between 29 Libra (*occupied by the following*):

- i- the natal and progressed Pluto (dweller) of our souls in Maitreya's Mystery School;
- ii- it is the 2019 Spring Equinox full Moon's Ascendant;
- iii- it is the descendant of the first of three encounters as Saturn conjuncts Mother's Descendant (to test our bond to the heart of the messengers and to Maitreya Aug 1985); that occurred on Friday April 12th, 2019 as the Elders met
- iv- it is the ghost of the full moon phase (7 days) that began on April 19, 2019;
- v- it is the US progressed Descendant at 0 Scorpio;
- vi- it is the ghost of the 28-day lunar cycle (ascendant) that began on the new moon on May 9th, 2019.

9

We are called in Gemini to demonstrate our Christ Mastery of the diamond heart. The Order of the Diamond Heart for the saving of America is now in its 32nd year in Leo.

We must take our stand while the Sun is in Gemini at 20 Cancer conjoined North Node conjunct Mother's Ascendant and defend the Guru (Cancer) by receiving our Holy Christ Self and working the works of the Ages. This means stand in polarity to Saturn, Dragon, and Pluto in Capricorn and fulfill the prophecy of Revelations and face Abaddon who with his beasts out of the bottomless pit (dwellers) has gone to war against the Lamb and his faithful. The Nadir, the point of our returning karma rising from the unconscious into our subconscious is midpoint between our North Node and Mars. The Nadir is 10 Cancer in the second decant (of Cancer) signifying that Revelations is playing out as the return of karma delivered by the Four Horsemen. We must stand in the North Node in Cancer's 3rd decant in the fourth house' second decant, and play our designated part in Revelations. We are to research Mother's teachings on Revelations in order to know our role and to have our victory over this challenge presented by Saturn, Dragon's Tail, and Pluto in Capricorn, on Mother's descendant.

This is the hour for the defeat of your dweller and of those who oppose the Guru. It is also the hour for defeating the Serpent and moving on in the initiations in Maitreya's Mystery School. It is the hour for the defeating of the Serpent and casting him out of the Mystery School at the East Gate on the Path of the Ruby Ray. The take away here is that we are witnessing the

SUN IN GEMINI * 5TH LUNAR CYCLE
WAR IN ITS MEMBERS · THE BATTLE FOR AMERICA
IN 2019

return of karma prophesied in Revelations. This is the congruence in Capricorn of the Watchers, the Satans (Saturn), the Dragon (Tail); and of Pluto (personal and planetary dweller) this year and next. This is worthy of the meditation of your hearts and of your communion with the Masters, for this is the hour of fulfillment of your soul's destiny. Jesus said, "for judgment I AM come", this is the hour of the second coming in you. What will you write in the cosmic annals? What will the Aquarian Age Sacred Scriptures of the Everlasting Gospel write about you, *yes you?*

This drama playing out is the fulfillment of the Book of Revelations. The prophet Daniel tells us that this is the beginning of the end, the Tribulation. See Daniel chapters 8 – 12. Saint Germain tells us that this will occur as the last three and a half years of the Dark Night of the Spirit and that the Tribulation will end with the final battle of Armageddon. See Saint Germain in the reference section of this document.

This congruence of planets in Capricorn is the indicator of Heavens intercession in matter as the Hierarchy of the Ruby Ray descends as Helios emerges from the Galactic Center to deliver the judgement upon the Watchers at 0 to 1 degree Capricorn as the Watchers conjoin the black hole at the Galactic center. This is the beginning of the final conflagration that is both the trial by fire and also the judgment by fire. Revelations tells us Rev 18:4 "come out of her or receive her karma". So, in 2019 and 2020 on the lines Leo and Virgo (32nd & 33rd years) on the path of personal Christhood in the initiation of our hearts in the Order of the Diamond Heart we will face our dweller (Saturn conjunct Pluto and Dragon conjunct Pluto and Saturn) as the judgement descends upon the Watchers in 2019 at the galactic center.

10

What this means is, we will see an acceleration of the karma descending as the astral sea rises rapidly to be consumed by the violet flame or to play out in the people as Abaddon (Apollyon) goes to war with the Lamb and his faithful (Rev 17:14) as taught in the seven initiations on the path of the ruby ray (Sanat Kumara) and in the Ritual of Exorcism #6 as taught by Sanat Kumara in his book chapter 29. This we saw on Good Friday as Caiaphas persuaded the people to crucify Jesus and release Barabbas. This is the work of the Accusers of the Brethren, the Abusers of the Word on the first ray, now entered into its 36th year of judgment.

There will be a great need in the future for practitioners of the healing arts and sciences as those whose names are written in the Book of Life emerge at the end of this oncoming wave having believed the lie (As Saul of Tarsus, Saint Paul) and who will need healing to get back into the fields of labor to rebuild out Father's Church and his Kingdom. They will need healing because they have not washed seven times as this avalanche of karma descends and their four lower bodies will be in tatters, needing healing. As El Morya teaches in the 4-10 axis clearance, "it may hit you but it won't stick."

Call to the hierarchy of Gemini to consume the influence of the Moon on Mars, residual desires (rising as returning karma and the astral sea) as fear (Sun in Gemini in the feeling body, the emotional plane) of what is coming upon the earth. Let this fear be replaced by God Wisdom in Gemini manifest as devotion to the Guru (Jupiter first decant of the ninth house) and as the bonding to the Guru in the third decant (21 degrees) of Sagittarius, in illuminations flame.

Because you choose to sit under your own vine and fig tree and be God taught as you stand in the 31st year in Cancer for the public demonstration of the law under the mantle of learning, illumination and self-knowledge under the Safe Passage of Ye All, given Jan 1st, 1989.

As Saturn approaches Pluto this year you will see the increase of the intensity of the energy (karma) in some areas, “go through the roof” as the saying goes. This is an indication that the chelas are called to the altar by the Guru. Forsake her not or you will find that you or your family will be caught in the thick of it. The law requires that you wash 7 times daily. Our Muslim brothers and sisters understand this. This is the requirement of the law that as the Sun (Helios) enters a sign it remains for 28 solar days, seven days on the seven rays to test our souls seven times, one day, one ray, one test as taught by Master Kuthumi. Do not let a 24-hour period go by that you do stand at your altar and enter the flame.

Hold fast what you have been given. Defend the Guru in Mother, Morya, in Saint Germain as the North Node conjuncts Mother’s ascendant. Receive the Guru as your Holy Christ Self and work the works of the Ages. This is the beginning of the end. As the adage goes, when the going gets tough, the tough get going! Let us be up and doing. Be unmoved as you witness many repeating what we did in Russia in 1917, first aborting the Christ (Dragon) then abdicating their responsibility as chela to assimilate then defend the Christ, the Guru, the Path, the Community, the Nation (the Buddha, Sangha, Stupa, the Dharma).

Mother prophesied to every Keeper of the Flame in her July Fourth Address, 1996 that they would stand in the shoes of Hamlet and face his choices in the Dark Night of the Spirit. Mother also prophesied that we would face his ghosts, our untransmuted karma and that left untransmuted of the 2000-year Dark Cycle, come back to haunt our soul as we stand on the mountain with Maitreya and the Satans, the Serpent, and our Dweller. A very bad combination, if left untransmuted, daily.

This is what we face at the end of 46 years on the galactic equator with Helios as the Sun behind the Sun aligns with the center of our galaxy (1-degree Capricorn) and with the central sun around which our galaxy revolves at 1-degree Libra. In perspective our sun revolves around the center of our Galaxy in approximately 225 million years, called a cosmic year (a galactic year). This 46 years on the equator marks the precession of the equinoxes, the end of a grand sidereal year (25,800), of our returning karma before a new Grand Sidereal year starting in Aquarius can begin. We have 18 months left (until 2021) to restore our soul in the alchemical marriage, the birth of Christ, the manchild, the restoration of the feminine principle (our soul, Moon) as equal partners as taught by the Rai of Ernon (Phylos) and by Jesus Christ (Easter 1993).

We are told by the ancient Mayans that this marks the return of the Feathered (Air/Mental Body) Serpent which caused the fall from the mystery school on the East Gate. His return followed the restoration of the Mystery School by Maitreya on May 31st, 1984, it is the initiation of our souls in Maitreya’s Mystery School in the hour of our return (lifetime) in the 36th year to face the Serpent that is the root cause of the fall of the feminine principle (the fall of our soul) now come full circle to restore the feminine principle (our soul) as the bride of Christ preparing

the seamless solar garment for the wedding feast. This is the mystery of life on Terra, our purpose and goal in life.

We are preparing our souls for the last three and a half years of the mission of the Summit Lighthouse (*the final 33 years of the mission began 8/7/1991 and ends on 8/7/2024*) that begins on winter solstice 2020 as Jupiter conjuncts Saturn starting a new 20-year cycle. This three-and-a-half-year period will see a new Administration or the second term of this Administration, the end of the Galactic Alignment and it will see, the Elohim told us, with the Ascended Masters names becoming household words in every house in America. We are also told that father will be divided against son and mother against daughter as the faithful rally to the Masters, Saint Germain and El Morya. This will occur when Merlin is freed from his entrapment in the crystal (*by Vivien his chela*) and Saint Germain says he returns to Camelot to cast out the black magicians to fulfill his destiny. He will cast out Vivien and her like sorceresses (Guru Ma) and the Modreds and their black nights (Guru Ma, Morya). This was prophesied by the Goddess of Liberty, stating that North America will be sealed and the black magicians cast out of North America. North America is the City Four Square.

The remainder of the lifespan of all in embodiment will witness or participate in the fulfillment of all that is written (Rev 17:17). Great cosmic events will be written into the annals of this planet, our Sun, and our galaxy. In fact, we are told by the Masters in the Class of the Solar Ring that there are volunteers who came to earth to participate with us and who are in embodiment to participate in the fulfillment of the (Mayan) prophecies, the judgement and sealing of the planet from all alien interference, i.e. the judgement of evil in the matter universe. They have come and will take *our story* our experience (of which they are a part) our victory back to their galaxies, their solar systems and their planets root races to launch their own Coming Revolution in Higher Consciousness.

Many who have accommodated the seventh angel, Saint Germain and his Prophets (Rev 10:7) have not washed daily, have not slain their dweller daily and have played out the karma returned by the Four Horsemen, thus becoming their karma. In becoming their karma, they have become their dwellers (see Climb the Highest Mountain, *Christ and Antichrist*). They have become spiritually blinded by their returning karma. They see everything through the lens of material substance and the substance of self, as Master Kuthumi says, vanity that when amplified by the moon becomes *insanity*. They have, Saint Germain tells us, played out this same karma over and over with Vivien and Modred as they made war against the Great White Brotherhood, infiltrating every one of their (GWB) activities for the last one **million** years. There is a lot of history here. Beware their imperil, see all the references from the Masters at the end of this document. Seal yourself in the AM daily and wash daily in the PM, to free your soul from their strong illusion and their curses. A number of the ascended masters have their stories to tell (Saint Germain as Merlin, Goddess of Freedom).

We have come in 2019 in the cycle of the Summit Lighthouse to the 29th year in Taurus. Having completed, since 1991 four seven-year periods to demonstrate our Christ mastery in the four planes of matter over our four lower bodies as taught by Mighty Victory. Now in 2019, we stand in the first of the next five years till the completion of the mission of the Summit

Lighthouse being initiated in the mastery of the five secret rays to be able to demonstrate the mastery of the law in 2021, 2022, and 2023 until the cycle is complete in August 2024. This coincides with Pluto completing its transit of Capricorn, entering Aquarius in late 2023. This concludes on Mother's birthday in 2024 with the next solar eclipse over America. Its path will intersect the path of the first of these five eclipses over America that began in August 2017. The intersect occurs over the New Madrid Earthquake fault zone. These solar eclipses deliver the karma of the last 25,800 years to those who created the karma. This release of karma is known as the Vials of the Seven Last Plagues. This return of karma is delivered by five solar eclipses over a 35-year period beginning in August 2017, with the last in 2052.

It is time to hold the spiritual focus for this nation and the nations as they pass through the judgment of Babylon. It is time to prepare for the awakening of the American people and their rallying to Saint Germain. It is time to prepare for the return of the Guru and the passing of the mantle, at the river Jordan (Yellowstone, Mississippi...). It is time to prepare to survive the next two hundred years as the pioneers of the Kingdom Age as taught by the Seventh Angel, Saint Germain and his Prophets.
