THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 3 OF 5

(What follows is intended for those who would understand and apply the science of cosmic cycles derived from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you that my cup might be emptied that it might be filled again and again. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date.

It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Summer Solstice Sun in the Etheric Plane: Part 3 of 5

*This document Summer Solstice 2019 The Woman Clothed with the Sun has been divided into five parts. This is **Part 3**, the third of five, **Summer Solstice Etheric Plane in Cancer***

Part 1, Helios Cycle of The Year

Part 2, Summer Solstice 2019

Part 4, Sun in Mental Plane of Cancer

Part 5, Sun in Emotional & Physical Planes of Cancer

Esoteric astrology is the astrology of the soul who has committed herself to the path of seeking God, on the journey home. What follows here is an approach founded on the science of esoteric astrological principles but based on the Ascended Masters Teachings and the science of the Cosmic-Clock. This astrology I have coined, Sun Star Lunar Dragon. It follows the teachings of the soul's friend and personal psychologist, Master Kuthumi. It follows the Sun on its journey in the signs (Cancer) through each of the four planes of matter, the four lower bodies of the soul and her spirit. It follows the Sun's or *solar* time, not earth time. Astronomically we measure this as the exact moment of the Sun's ingress into a sign. Beginning, Kuthumi teaches us, a cycle of 28 *solar* days, seven days in each of the planes of matter, fire (etheric), air (mental), water (emotional), and earth (physical). Each day is one of the seven rays, seven chakras, seven heavens, seven mansions of your casual body. Each sign and house has three decants with very specific esoteric meanings that have their correlation to the ascended masters teachings, known of old as the promised, everlasting gospel. Promised by Jesus in the Book of Revelation by the Seventh Angel in Rev chapter 10 verse 7.

This is the astrology of the soul's initiation and testing on her return to the mystery school that she left so long ago. This is the astrology, the science of soul navigation day by day on the path of the soul's Odyssey to get home on the path of the initiation of her heart with the Guru. This is the astrology of the encounter with the counterfeit self (New Testament view) known today as the synthetic self, the dweller on the threshold of consciousness.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 3 OF 5

The sun enters each sign (Cancer) in the etheric plane of that sign, the memory body, the seamless solar body of the soul to nurture, initiate and test the soul's mastery of her weaving. The soul is being initiated to see [Sagittarius] the soul's origins in the schoolroom of the Mother to be the bride of Christ. We know this as the transformation in Scorpio, the eighth house from the scorpion, rising as the Eagle then transfiguring in the sun to the Phoenix. This is the occult laboratory of self of Pisces and Scorpio that rules the 12th and 8th houses. The soul, beginning at summer solstice is being tested to claim the victory of her origins as chela (disciple) of the Guru (Teacher), bonded to the heart of the Guru, in the highest love.

The messenger of the Sun, Mercury in Cancer conjunct Mars, delivers the message to the soul standing at the North Node on the apex of the YOD to Jupiter the Guru conjunct the nadir and to the Moon at 19° Aquarius in the first decant of the sixth house. The message is to hold fast the light delivered by the July class in 2019 at the Grand Teton while our physical and emotional bodies sat meditating on the message delivered by Helios from the July class of 1984. The light, delivered in 2019, illumined the higher mind and our etheric bodies of all those who stand in 2019 bonded to the heart of the Guru (the Teacher). Illumination's flame revealed to the soul an understanding of the prophecies of the Book of Revelations as taught to us in the Everlasting Gospel. This *revelation of summer solstice 2019*, delivered by Helios is to guide the soul in the coming initiations when the soul will be sorely tested. The soul is being initiated in the seven initiations on the path of the Ruby Ray, as taught by Sanat Kumara.

The light illumined our origins in God and our destiny in Christ congruent with *the return of the Guru*, the Teacher. The soul is taught to surrender into the flame all karma with the guru throughout the ages, particularly the last 12,000 years, also the last 25,800 years as we stood with the Messengers and the lineage of the gurus known today as the ascended masters through many an embodiment. Phyllos the Tibetan teaches that the heritage, the lineage of Americans today goes back to the tribes of Abraham, and beyond to the ancient people of Suern (India) and to the people of Atlantis who rebelled against the Sons of Solitude and the Emperor Jesus Christ, during the last golden age.

Each one's *causal body* contains within its rings, all the victories of the soul in service to the Great White Brotherhood and their messengers, the Sons of Solitude. Each one also contains within their *electronic belt* all the records, the memories, the feelings, thoughts and deeds of our unlawful negative desires, the soul's rebellion, disobedience of the law and the law giver. Master Kuthumi teaches us in his *Exposé of the False Teachings*, numbers nine through thirteen that these desires manifest in matter as attachment to material substance and to substance of the self, vanity. He teaches that attachment is residual desire stored in the electronic belt within the subconscious that feeds, Mother teaches us, the collective unconscious of the planet. This substance is released by the magnetic force of the moon and amplified by the water body of the planet and the soul's emotional (water) body, as feelings of attachment manifest as *change* known as mood momentums. These manifest as emotional disturbance that agitate the mind. These desires are of the lesser self, the synthetic self, and the carnal mind. They are represented in the image of the homeless soul. They are manifest today in many of our cities as seen in Seattle, Portland, and Los Angeles as the images of the tent cities of the homeless. These

represent on the screen of life, to the soul, the image of the soul's very own prodigal son and daughter.

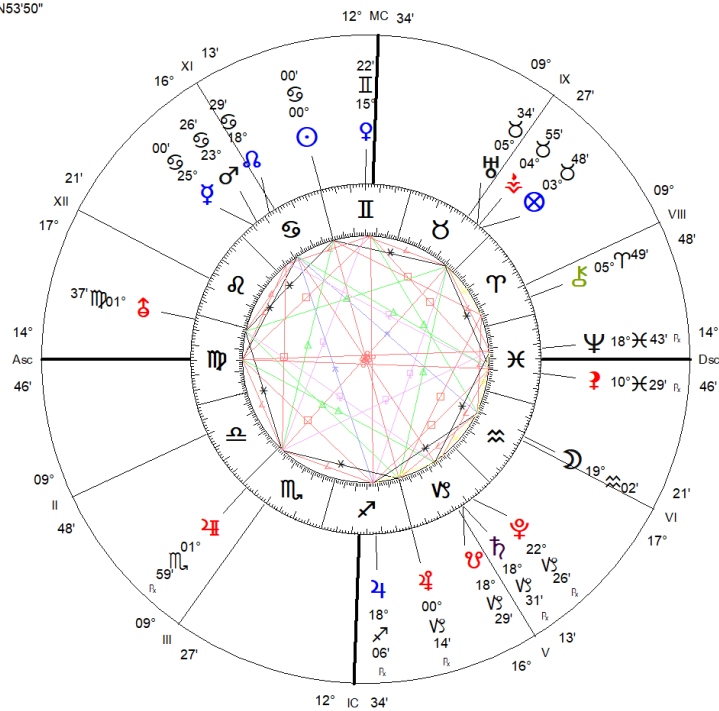

This message of the sun to the individual soul is that all good deeds are stored in heaven to be called upon as a fire from heaven from the heart of the guru into all returning karma that is coming upon the earth. The soul is taught to release all this karma into the flame to invoke the light to consume the tie that binds the soul to the earth. For this is the kingdom age and the passing of the church age. This is the kingdom of God come in the earth. In the cycle of time it will consume all vibrations, all thoughts and feelings and all memories that are not of the kingdom of God. In polarity the fallen ones stand in the earth re-asserting their kingdom of Babylon the Great [in Capricorn – South Gate] launched in America by the NEOCONS in the early 1990s, the New World Order. The soul is taught that she must choose. She must cut herself free from all idolatry and all sympathy for the lesser self, in oneself or another, as these are human and the product of desire and genetic engineering and intermarriage throughout the ages represented by the Old Testament and continuing today to thwart the destiny of the soul, the nation, and the church.

Revelations, the book of Daniel and the book of Isaiah all teach what will play out in these the end times during which we have embodied. The coming of Helios in 2019 released illumination's flame to illuminate these prophecies of the prophets who have gone before us and of the Prophets who stand with us, today.

Maitreya Buddha teaches us to speak the truth of the light that is coming into the earth into the face of those who once again hide in the garden from the light of the Guru, in Maitreya's mystery school in the community of the Holy Spirit in the Western Shambala. Archangel Uriel then teaches us to be silent as was Mother (see *The Vials of the Seven Last Plagues*). Maitreya Buddha teaches us that having spoken the truth to

recede into the secret chamber of the heart, the eight-petal chakra on the eighth ray and be God taught by the Lord of the World. These are the cycles of the soul on the path of personal Christhood on the path of the initiation of the heart in Leo in 2019 in the 32nd year to prepare the soul for the Transfiguration leading up to her Christ mission in the 34th year in Libra in 2021 when the soul must stand before the guru who returns to anoint the soul with the mission and the mantle as promised by Sanat Kumara. This will begin the three-year mission of the Christ of those who are anointed as the victorious ones, in 24 months (2021).

The testing of the soul in the Helios cycle of 2019 is to determine if the soul can stand on the apex of the YOD of the North Node at 18° Cancer conjunct Mars, standing at the Y in the road where the soul must choose to balance her karma with the Guru, represented by Jupiter conjunct the nadir or choose to be influenced by the magnetism of the moon that amplifies her attachment to material substance ending in Capricorn as the soul's position and standing in society and the organization out of the internal drive of the synthetic self, the lesser self for self-preservation, the survival of the lesser self. (see Kuthumi, chapter one, *The Enemy Within*).

The soul stands in juxtaposition between spiritual survival and physical survival as the soul stands on the North Node in the 31st year in Cancer on the 6 o'clock line of the initiation of the soul in the safe passage of ye all in the mantle of learning, of illumination and of self-knowledge. This is the initiation of the safe passage of the soul given on January 1, 1989 as the divine plan for 1989 as we entered the shelter cycle, and as the soul entered the dark night of the soul that Saint Germain told us would be followed immediately by the dark night of the spirit. The latter he told us would end with the last 3 ½ years known as *the tribulation* which would end in the final battle of Armageddon, within and without the soul. Saint Germain taught us that while we must prepare to survive spiritually, he taught us to prepare to survive physically, four scenarios. They taught us that the first key to survival is community, and to come apart and be a separate and chosen people...who will lead them in 2019-2024? Christ born again in you, in the second coming, will lead them as you are sent forth from the river Jordan anointed by the Guru. This is the destiny of the prepared ones.

The soul is taught to stand in the light and pass her initiations to receive that light. The soul is taught to hold onto that light in the face of the daily testings of the soul as she stands in her Odyssey with her companions, her partners in the community and the nations. Her companions are those who choose by the rationalization of the serpent mind in Gemini and in the third house to follow the logic and the reasoning of the serpent mind (outer mind) that is the test of the garden of Eden and is now the test of the return of the soul to the mystery school in the community of the Holy Spirit in the Western Shambala. This is taking place as we stand upon the mountain of Capricorn with the goats, the inverted five-pointed stars of the Satans and the Serpent on the East Gate to pass the initiations of the Ruby Ray. Mighty Victory teaches us that these are the initiations of the secret rays, beginning in the 29th year (for five years beginning in 2016). We are standing in the 32nd year in Leo in the fourth year of initiation in the secret rays to demonstrate the mastery of the law of all cycles from the fall of 1987 through the summer of 1988. We also stand in the 31st year in Cancer of the cycles from the latter part of 1988 and 1989. Therefore, this five-year cycle of initiation going on now in the five-secret rays, for the public

THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 3 OF 5

demonstration of the mastery of the law is precursor to the Transfiguration and the Christ mission of each soul, that must begin in 2021.

1. All dispensations given in late 1990 and early 1991 are in the 29th year in Taurus on the first of five years of the inner teachings of the soul on the five secret rays.
2. All dispensations given in late 1989 and early 1990 are in the 30th year in Gemini on the second of the five years of the inner teachings of the soul on the five secret rays.
3. All dispensations given in late 1988 and early 1989 are in the 31st year in Cancer on the third of the five years of the inner teachings of the soul on the five secret rays.
4. ***All dispensations given in late 1987 and early 1988 are in the 32nd year in Leo on the fourth of the five years of the inner teachings of the soul on the five secret rays.***
5. All dispensations given in late 1986 and early 1987 are in the 33rd year in Virgo on the fifth of the five years of the inner teachings of the soul on the five secret rays.

Number four, contains the dispensations of the initiation of our soul on the path of personal Christhood (11 /1/1987) in the initiation of our hearts by the Holy Spirit (2/21/1988). This initiation will bring the soul in 2021 to the 34th year in Libra at the river Jordan to stand before the Guru to be anointed to begin their Christ mission, the soul's three-year mission of personal Christhood to prepare for the crucifixion and the resurrection that will begin for these souls who are being initiated as the fruits on the tree of the Guru and the teachings, to walk the earth in the resurrection's flame for the next 50 years (2024-2074) as world teachers wearing the mantles they wore on Atlantis before the golden age fell as prophesied by Lord Sanat Kumara.

5

It is important to understand the timing of the cosmic cycles of the dispensations given each year beginning with the founding of the Summit Lighthouse in 1958. This timing of all cosmic cycles and dispensations given governs our lives, your life in 2019 going forward. They can be studied prior to 2019 to understand how the soap opera of life on earth has been the playing out of the acceptance and the rejection of the relentless wave of light that is for the judgment, the salvation of the lightbearers and the judgment of the reprobate. The timing of the cycles must be understood, of the preparation of the soul for the second coming and the return of the guru, prophesied by Mother as her return and by Saint Germain as the return of Merlin. They are returning, they tell us, to restore the church and to cast the black magicians out of Camelot and the Goddess of Liberty tells us, out of North America.

The guru returns to stand at the river, as John the Baptist stood before Jesus who presented himself to the guru to be baptized to begin his mission. So, in 2021 at the end of the Galactic Alignment of 46 years, the initiates must come prepared to stand before the Guru, to receive the light. So that they may stand, in the final years of the dark night of the spirit known as the ***tribulation***, as the light of the world. By the light of their hearts flame they are called to stand in the eye of the coming storm and by the magnet of their hearts, gather all to the waters of

PART 3 OF 5

life to seal them in the safe passage of ye all from all that is coming upon the earth as the judgment upon the power elite and the fallen angels, the return of their karma. Revelations teaches us in chapter 18 verse 4 to come out of her, the anti-church and Babylon the Great or receive her karma.

Summer solstice reveals to us that Revelation teaches that there is a price to pay if we choose to save our souls instead of sacrificing our real self upon the cross. It teaches that if we choose the path of vanity, attachment to the substance of self, to save the personality we will experience the repeating of the past. If we choose to save our life we will experience the records of the soul in the destruction of the first opportunity to bring in the golden age, in Russia in 1917 and of the end of the golden age civilization of Africa known as Necropan, in the Sahara as taught by Phyllos the Tibetan, also of the destruction of the tribes of Israel, of the destruction of the Suernis, and of the destruction of the golden age of Atlantis and of Lemuria.

Revelations teaches that the soul must choose, the end of which is Revelations chapter 20 verse four or five. Mother taught in her July 4 address 1996 that every Keeper of the Flame will come to stand in the shoes of Hamlet and must choose in the dark night to be or not to be. Mother also taught in her address titled “The 2000-Year Ride of the Four Horsemen” [see reference] that the soul stands in juxtaposition between the forces of light and the forces of darkness and must choose eternal life or the second death. This is the great drama playing out in 2019 as we stand in America on the eve of the elections of 2020, the end of the Galactic alignment and the end of the current Saturn Jupiter cycle. We stand on the cusp of the new cycles beginning at winter solstice 2020, heralding the year 2021 of all who stand sealed in the light in the safe passage into the golden age while the light descends to consume the Tares as prophesied by Mother Kali in 1987.

6

The bottom line of the message of summer solstice and of the Helios cycle of 2019 is:

1. *Do not go along to get along!* This is groupthink. It is founded upon codependency upon what Arnold Toynbee, the historian of civilizations, teaches are the dominant minorities responsible for the destruction of every civilization which were created by creative minorities.
2. *Come out of her or receive her karma* that Helios has delivered and that is now cycling through the four planes of matter into the physical, Revelations chapter 18 verse four and the ritual of exorcism number four and number eight in Capricorn, the 12 o'clock line, the South Gate. Number four is the anti-church and its anti-apostles and false pastors this is the beast of Rome come again as taught in Revelations that the beast has seven heads and 10 horns and the beast is the eighth head. Revelations starts with a message delivered to the seven states of consciousness of the church and of the eighth because the beast of Rome was revived by the Dragon as it rose out of the Pit, as we gave it our power.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 3 OF 5

3. *The message to the nation is to come apart and be a separate (Saturn) and chosen people; one people, one nation, one God. The people of the world and of America are being called to unite (rally) in the name of Saint Germain. They are being called to literally unite and to receive Merlin and El Morya, the Once and Future King.*

They are being called to rally for the second coming of Saint Germain and Morya and their messenger Guru Ma. As Saint Germain and Jesus return in the second coming, all who have come apart will see them because they are like them as they stand at the river Jordan in 2021.

4. *We are called in the initiations of the five secret rays to master the Ruby Ray and to call upon the Ruby Ray bricks, rods, and cones to curtail the activities of the fallen ones in the church and states and to hold fast what has been given in this nation and church, “until I come”, saith the Lord. We stand in the 36th year in Sagittarius of the judgment of Helios of all dispensations delivered in 1984 of the God Victory of our souls on the path of initiation, in the initiation of our hearts. We are being prepared to stand in the cycles of initiation in Virgo in 2020 as divine justice descends upon the not self, poisoned by hatred of the guru and her man child, the Christ in the chelas. We stand in an election year to choose who will govern us, Christ or antichrist.*

5. *We are called in the Helios cycle of 2019 in the initiation of our hearts on the path of our personal Christhood to publicly demonstrate the law of wise dominion, wisdom. Lord Maitreya teaches us to call upon illumination’s ray as the flame indwells upon itself and the rings of yellow fire draw all ignorance into the flame to be consumed and in its stead imparts wisdom. We are called to stand in illumination’s flame in 2019 in the golden pink glow ray in Leo as we prepare for the karmic cycles returning upon the planet in 2020. We are called to stand constant and humble before the flame in our hearts and the heart of the Guru and declare our independence from those in the seventh house who choose to follow policy that denies Christ the right to govern but solidifies the rule of the human ego, the lesser self that is determined to do it her way. This is the influence of the Black Moon Lilith, the daughters of men, the wives of the watchers, and the mothers of the Giants, the Titans and the demons that masquerade as Christ leadership claiming their right to rule.... without God, without the Holy Spirit, without Christ. These are the antichrist.*

Those who demonstrate their mastery of the law demonstrate their soul’s attainment, that they are true to their real self and are ready for the transfiguration. They research the teachings to know the law and in the testing of their souls pass their initiations, in 2019. They are able to publicly demonstrate the law of implementing the God solution to turn the tide between light and darkness. They are the instruments of God Victory in the earth, by the God flame in their hearts.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN

PART 3 OF 5

The ascended masters use this flame in the hearts of the chelas, to inspire right action, thought, feeling, and memory in the people. These heart flames are the leaven that leavens the whole loaf. Their sacrifice, their attainment ignites in the people *the great awakening* to the Revolution in Higher Consciousness now manifesting, as the coming apart to be a separate people in 2020 and in the election sure of Christ to the offices at the local, state, and federal levels that will magnetize God's people to separate out from the mass consciousness. These heart flames will be the magnet of the heart that draws the people to the eye of the storm that is coming upon the earth to consume evil.

The soul stands at summer solstice in the second half of the year to fulfill the divine plan and will of the Father. The soul stands on the North Node at the apex of the Yod holding up the Grail formed by the convergence of Sagittarius and Aquarius to Cancer as taught by El Morya. This Grail contains the chela and the Guru, it is the heart of the chela and it contains the three-fold flame in the secret chamber of the heart. The eight-petal chakra, the mastery of the eighth ray. These are the souls who know their origin and who have assimilated the Guru for 31 years and now in the 32nd year in Leo publicly demonstrate their mastery of the Guru-chela relationship, the God flame within the heart, one with the guru to affect great change that is coming upon the earth. The guru is able to step through the veil in the heart flame of these chelas. This convergence of the Guru and the chela is the Grail. This is the test of the YOD as we stand at the Y in the road on the mountain with Maitreya and the Satans, the Serpent, the Dragon and the Dweller in Capricorn in the summer and fall of 2019. As the Divine Mother in the Woman Clothed with the Sun gives birth to the man child, in the faithful chelas. Concurrent with this initiation of the chelas is the initiation of the hearts of the nine Buddhas and the Christed Ones that incarnated in the 1962, as well as, the life waves of the souls born in 1976 who came to lead the nations into the golden age. They are congruent with our cycles in 2019 and will converge at the river Jordan in 2021, in their 58th year and 46th year, respectively.

8

These are they who stand with the guru Jupiter at 18° Sagittarius in the Omega return of the soul's Odyssey to face the mood momentums in the first decant of the fourth house. Here the soul in wise dominion *sees* [Sagittarius] the karmic encounter and in wisdom understands the karmic entanglement and by God Vision sees the karmic web being woven by the fallen angels in the summer of 2019. The soul stands on the North Node in Cancer conjunct Mars in wise dominion understanding the origins of the lesser self and of the serpent logic in the garden of Eden that is still playing out in the mystery school of Maitreya, in America. The soul standing at the Y in the road invokes the light to consume the darkness of the encounter, the entanglement, and the web that encases the people and the chelas. The soul invokes the light to consume the lunar forces and the components of personality by the wisdom of the five Dhyani Buddhas and the five secret ways to consume the poisons of the lesser self, to bind the carnal mind and its synthetic self and to raise up in the people the feminine principle of the purity of the soul from the base chakra to the heart. They draw all God's people in the solar plexus chakra to the place of Cosmic Christ peace for the leap into the heart, of the Guru, Saint Germain.

The key to the Yod, the Y in the road in 2019 is the convergence of the signs forming the Yod and the meridians formed by the signs to their polarities, forming the six-pointed star of

PART 3 OF 5

God Victory. This is the key to passing the test of the initiation of our hearts upon the mountain with the guru as we face the false hierarchy in Capricorn of the Dragon, the Serpent, the Satans, and our personal and planetary dwellers upon the threshold in the 36th year of the judgment of Helios. The soul stands with Jupiter on the Nadir in the karmic encounter at the Y in the road and must choose life not death. We stand with the guru Jupiter in Sagittarius as the logos (the word incarnate) in the throat chakra in the continuity of the word to uphold the capstone on the pyramid of America and the church. We stand in the logos to slay the dweller to wield the sword of the cosmic virgin in the final months of the Divine Mother giving birth to the man child in us during the galactic alignment. This is the public demonstration required by the law of our Christ mastery of the secret rays. The chela stands to defend the Guru against all that assails the teacher and the teachings, the Mother and her son and demonstrates the law of Christ rule over self, the lesser self. The soul demonstrates by the flame within the heart, the magnet of the heart drawing all to the Guru and the safe passage of ye all.

The moon on the Yod represents the fallen women, the fallen feminine principle in man. This is represented by the Black Moon Lilith at 10° Pisces in the third decant of the six house. Here the soul is called to demonstrate the law by the renunciation of the lesser self within/over the soul and those of others who declare their separation from God, the guru, declaring they'll do it their way. Their way is the way of the lesser self declaring that they don't need God or the guru that God has given them the light to do it their way. This is the lie of the serpent in the mystery school. It was the origin of their fall and it is repeating itself, at the end times. They have chosen death, to follow Lucifer to the second death.

The call in the summer of 2019 is to the prodigal sons and daughters of God to come out of her, the Black Moon Lilith, and all that she represents in the revived beast of Rome, made possible by the beasts who come out of the pit, the dweller on the threshold of the chelas and the patriots.

The message to the nation at summer solstice is that we stand in the initiation of the heart on the path of the Ruby Ray in the seven trumpet judgments, the seven initiations of the Ruby Ray to stand with the Guru in Capricorn with the authority of the Mother in the office of the flying Eagle on the Southgate occupied by Guru Ma and her chelas and the Woman Clothed with the Sun and her manchild who keep the mystery school in the community of the Holy Spirit. To stand as the Saints, the sons of solitude in Cancer with the authority of the Father in the office of the Lion occupied in matter by the 144,000, the faithful sons and daughters of God, and the remnant of the woman's seed who keep the white cube of the church universal and triumphant.

We stand in juxtaposition against *the powers and principalities that are gathering in Capricorn*, taking as it were, heaven by storm. They gather, as Archangel Zadkiel tells us in *The Vials of the Seven Last Plagues (Archangel Zadkiel)*, at the command of heaven, as they are gathered to the East Gate, the kings and their armies to the great day of the Lord. We are called to understand the timing of our cycles; the cosmic cycles at the end of the year 2019 and of the roles that our souls are called to play. We were not called into embodiment to be spectators of what is coming upon the earth. We were called and chosen to be shepherds of the people to play

SUMMER SOLSTICE 2019

AND HER MANCHILD
PART 3 OF 5

roles through whom God will move, to play out in events all that is coming upon the earth, the judgment and the salvation.

We are called to stand on the North Node in Cancer in the office of **the Lion**. The lion rules Leo, the heart. The emotional body rules (contains) our feelings, the mood momentums of emotional disturbance. The karmic conditioning of our entanglements and the karmic webs have conditioned the soul to fear God. This translates as the genetic fear of the lambs to lie down with the Lions. The soul must submit to the initiations that transforms the soul in the alchemical marriage to the Christ Self who is one with the Father, therefore **the office of the Lion** and is able to stand with Daniel in **the lion's den** without fear and to lie down with Lions. The soul must meet and conquer this initiation and her testings with the Lions, the predators, the imposters who have taken heaven by storm and sit in the seat of authority of the Christ. The soul must stand in the shoes of Hamlet to cast out these imposters from the seat of authority of the Christ, the King.

The Guru is returning and those that she loves must prepare to receive the guru and to fulfill their destiny to stand with Merlin and his messengers and cast the black magicians out of Camelot. This will manifest in the nations as the casting out the black magicians from North America as taught by the Goddess of Liberty. This will play out during the Jupiter transit of Capricorn as the people rally to Saint Germain in the election year 2020 as they gather to elect the Christ as King in 2024. This concludes the mission, the final 33 years of the Summit Lighthouse, when all will know the names of the Ascended Masters and all in America and the church will stand with Saint Germain and his prophets, and the Once and Future King will reign in Camelot, once again.

We are called to pay our (karmic) debts. This means expiation or to willingly, lovingly, wisely enter the karmic situation with eyes wide open and give of self to balance that karma. So that we can move on with the cycles and so that you can rendezvous with (your) destiny. We have been told we are in a race between light and darkness. We cannot allow ourselves to get distracted by our karma, meaning to re-engage in our karma.

The message is that the life waves on earth today must respond to the light that would cut them free, if they will but open their hearts. The wave of light has been oncoming since August 1959. Souls must prepare for the coming judgment and the incarnation of the word. They must be open and able to rally to Saint Germain and Merlin when he comes. Nature is prepared to cry out to receive Saint Germain if Christ does not (cannot) step forward in the chelas, to lead. Nature is speaking now, but will increase in volume as the time draws nearer. Pay attention to God in nature, it is oftentimes a warning. Pay attention to your dreams and to the meditations of your heart. Saint Germain has told us he will send us warning when to flee to the mountains. **Now is the time to listen.** Mother has taught us that the 6-pointed star is always the sign and signal of the star appearing of the incarnation of the incarnate word. It is stated that, "***if these shall hold their peace, the very earth shall cry out.***"

We must research the teachings to understand what the cycles of initiation mean. We must understand what the seven initiations on the path of the Ruby Ray mean for the soul to recognize when they are occurring and to understand the forces opposing the soul. To master these initiations the soul must be purified of all fear of God, of the future and of change so that ***the soul as the Lamb can lie down with Lions.*** The authority of the Father in the office of the Lion is ***occupied by the saints*** in matter. Man fears the authority of the Father in the office of the Lion. He must learn to lie down with [to live with] the cosmic forces manifest as the will of the Father, his authority. The soul must learn as we were taught in the July Class replay of 1984 that ***we must enter the flame, the white fire core of the flame and not forever stay on the periphery of the flame.*** Man learns by experience and the five secret rays to lie down with lions, the authority of the Father because the soul has receded into the secret chamber of the heart to stand in the white fire core, fearless he receives the Father. This initiation is of the state of mind wherein the soul in the golden pink glow ray has entered the Cosmic Christ Peace, one with the Father. This

is the soul who, Kuthumi says has become their Sun sign because they have become the Son on the East Gate, come to cast out the money changers, dialectic materialism.

We are being taught with the Sun in Cancer in the 11th house of the community of the Holy Spirit to lie down with lions and be at peace. We see the **four planets** in **Cancer**, Sun, Node, Mars, and Mercury as the planets in Capricorn converge on the 6 o'clock line of the saints who occupy in matter the authority of the Father in the office of the Lion and keep the white cube of the Church Universal and Triumphant. This initiation is of the Lamb lying down with the lions in Capricorn, **the four planets** of **Capricorn**. The chelas in Capricorn lie down with the Lions of Cancer to keep the mystery school in the community of the Holy Spirit as they face those who would be king who believe the lie of the Serpent and the offer of Satan on the mountain at the Y in the road (the path) and meet the four planets of Capricorn. This initiation coming upon this church and this nation are the seven initiations on the path of the Ruby Ray as taught by Sanat Kumara. The soul of the chela must enter in to the heart of the guru into communion with the Holy Spirit in the secret chamber of the heart to understand the seven initiations to lead this people back to God and to his promised land.
