THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 4 OF 5

(What follows is intended for those who would understand and apply the science of cosmic cycles derived from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you that my cup might be emptied that it might be filled again and again. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date.

It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Summer Solstice Sun in the Mental Plane: Part 4 of 5

*This document Summer Solstice 2019 The Woman Clothed with the Sun has been divided into five parts. This is Part 4, the fourth of five, **Summer Solstice Mental Plane in Cancer***

Part 1, Helios Cycle of The Year

Part 2, Summer Solstice 2019

Part 3, Sun in Etheric Plane of Cancer

Part 5, Sun in Emotional & Physical Planes of Cancer

1

The sun enters the mental plane in Cancer on June 29, 2019 with the configuration of the six-pointed star formed by the **Midheaven** and the **Nadir** conjunct **Apollyon**, the **Part of Fortune**, the **Black Moon Lilith**, **Transpluto**, and the **Watchers** at 0° Capricorn. Maitreya teaches us that the six-pointed star of the Lord of the World heralds' souls who are prepared for many embodiments on the inner who are warriors of spirit who defend the community by challenging the lie.

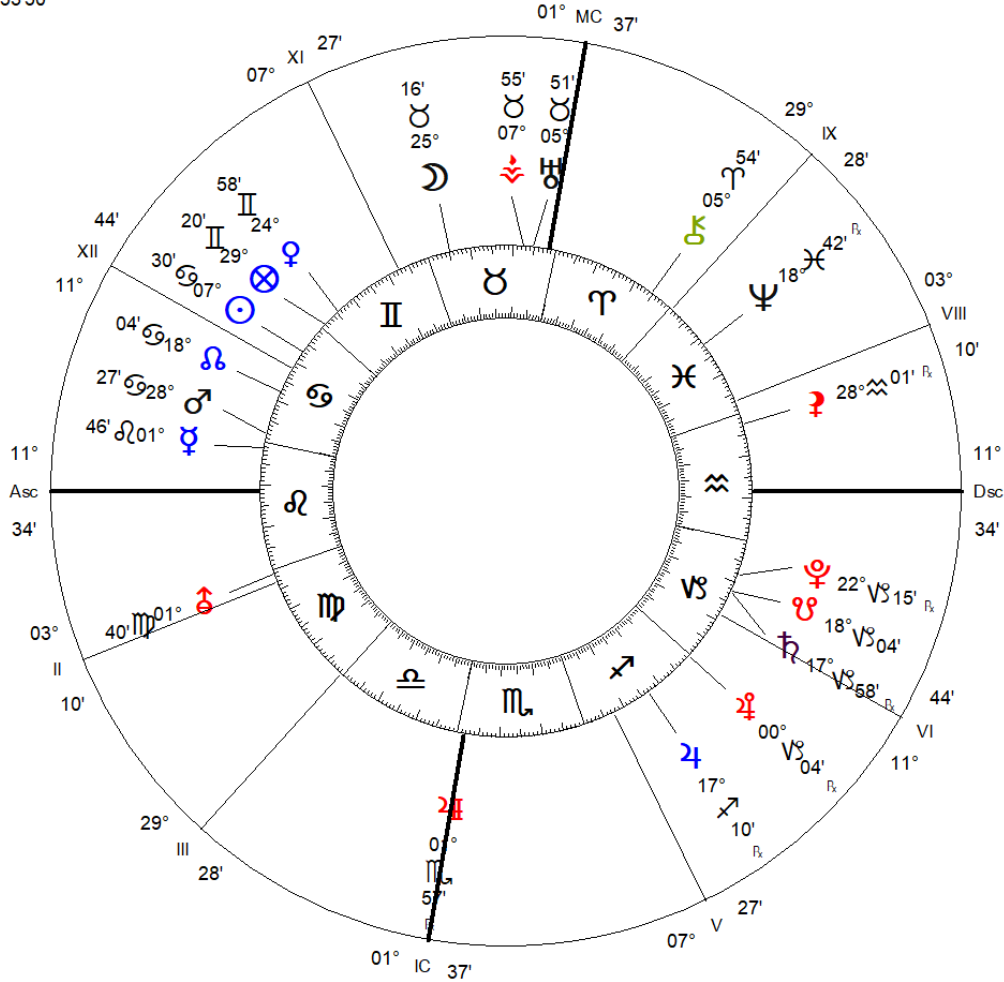

The message of Helios as the sun enters the mental plane to nurture our mental bodies is:

1. The soul must submit to be governed by Christ or they will be ruled by antichrist.
2. The soul must be constant and humble in the coming days, months and years because to **lapse** into emotional disturbance will prove costly. It could even cost you your life, a lifetime of striving.
3. Mercury conjunct Mars in Leo. Mercury delivers the message to Mars. Mars represents the unloving boy child, the unredeemed soul. Mars also represents, mother teaches us, her chelas. Mars also represents the red horse, war. Mars represents the conditioning of the soul to satisfy her wants, her desires in Scorpio, the passions. Mercury's message to Mars is to sacrifice the real self to be free of the lesser self. We are taught by the messengers and by Jesus to cast the soul on the rock of Christ and to fasten the real self to the cross,

to undergo the 14 tests of the crucifixion on the cosmic cross of white fire to die of the outer man to resurrect the inner man. Mercury tells Mars to receive the Christ and the guru and to work the work of the ages. Mercury tells Mars to defend the Guru. The Guru is your salvation and guide.

4. Mercury forms the T-square to the midheaven and nadir conjoined Apollyon, Abaddon the king of the locusts and the beasts who come out of the bottomless pit to go to war against the Lamb in the Lamb's wife. Mercury at 1° Leo squares the midheaven at 1° Taurus and the nadir at 1° Scorpio conjunct Apollyon. The midheaven nadir axis represents the return of our personal karma that ties us to Abaddon from down through the ages. This is the opportunity to cut the ties to these fallen ones. It is the initiation of the Ruby Ray to lie down with Lions. This is the test of the fearless ones who are cast into the lion's den as was Daniel. This is initiation of the raising of the right hand of the Cosmic Virgin. The soul calls on the sword of the Cosmic Virgin to cut the soul free from all that assails the birth of the Christ. This is the initiation of the invoking of the bricks of the Ruby Ray to curtail the activities of the fallen angels. The soul stands on the apex of the YOD at 2° Aries conjunct Mother's midheaven and chooses the right-handed path to cut the tie to Abaddon known in the Greek tongue as Apollyon. Mercury's message is to stand with Helios to deliver the judgment upon the fallen angels whose karma is come due and cut the ties of the people from their idolatry and sympathy to these fallen angels. Helios stands in Sagittarius in the 36th year of the judgment of the fallen angels and stands in the 29th year in Taurus for the judgment of the power elite whose karma is descending upon them and all that has been done in secret will now be exposed.
5. Mercury's message is that the fallen angels with Abaddon on the nadir in the fourth house of the people will try to get the people to break the law, creating anarchy [Uranus] as they did in the French and Russian revolutions. They will also get the sons of God to abandon the Christed One's and to abdicate their roles and responsibilities to enforce the law. Saint Germain tells us when this karma descends to get to the mountains for the hour of judgment is come.
6. The Mayan prophecy states that they are the children of the aliens and that they will escape the planet (*the judgment*), rescued by the Feathered Serpent but they will not leave the planet to the light bearers. They will destroy the planet. Mercury's message to the soul is to invoke the **Ruby Ray bricks with the cones and rods** to curtail these activities of the fallen angels. Mercury's message is to invoke **the golden chain mail** to seal the planet so that they cannot escape, so that they cannot be reinforced. This is the prophecy of the Goddess of Liberty in the fall of 1979. Mercury's message to the incarnate Christ on the path of the Ruby Ray on the path of the seven initiations that lie ahead of us as the Vials of the Seven Last Plagues are delivered upon the civilization of the fallen angels, is to study to show yourselves as the approved ones.

This is our hour on the path of personal Christhood, in the initiation of the heart in the 32nd year in Leo for the public demonstration of Christ mastery of the five secure rays, as taught by Mighty Victory. This is the initiation, as we pass through the election campaigning of the

PART 4 OF 5

fallen angels vying to lead the people, to calm the waters of the emotional bodies of the people as the masks are torn from the faces of evil incarnate. This is the initiation of the Christ's mastery of Cosmic Christ peace to seal the emotional bodies of the people and to bathe them and their cities in Violet flame and to seal them in spheres of blue flame protection.

The Mercury T-square, at 1° Leo to the Taurus Scorpio axis is the initiation by the magnet of the heart to draw nigh all unto me (Jesus), to Saint Germain in the hierarchy of the Great White Brotherhood. This is the initiation of the heart, by the magnet of the three-fold flame burning upon the altar of the heart to draw all God's people to the eye of the storm of the returning karma of the fallen angels. Thus, the lightbearers are sealed during the judgment of the seven last plagues.

God is gathering by the six-pointed star of the incarnate Word, those who are prepared to this hour to demonstrate publicly the mastery of the law. God is sending his sons to free his people and to gather the 1 million to his heart, "to sacrifice unto me" and to gather and lead the people through the seven last plagues. Helios has come at summer solstice 2019 to deliver these seven initiations to the Sons of God and the seven plagues to the sons of Belial, the fallen angels.

God tells his sons and daughters through his messenger Mercury that "by passing the seven initiations on the path of the Ruby Ray you will deliver my people unto me and I will be their God", saith the Lord. God has said, "I will deliver the judgment upon the fallen watchers and the Nephilim, their wives and daughters and their creations the mechanization man." We are to hold the balance in the eye of the storm with the Cosmic Christ. The Lord God will work through the flame blazing upon the altar of the hearts of the anointed ones, by the flame in the hearts of the anointed God will gather his people by the magnet of your hearts. God will anoint at the river the victors on the six points of the law who will go before me, saith the Lord. Revelation tells us that the Lord God will lead us and anoint us to cast out the devils from North America and Saint Germain tells us that he will send Merlin to lead us to cast the devils out of Camelot. Elohim have told us that they will make every house know of Saint Germain and his son Jesus with his mother Mary. Revelations tells us that all who are devoted to the Sacred Heart of Jesus and to the immaculate heart of the Woman Clothed with the Sun will know peace. The hour is come when all must choose life or death. Come out of her or receive her karma, Revelations chapter 18 verse four.

The hour has come, Helios has delivered the judgment that is now cycling through the four planes of matter into the physical. It is time to prepare. You have come prepared to summer solstice 2019, to the six-pointed star of your anointing. You have a path, "walk ye in it" saith the Lord. Know the teachings and thy God will lead you, Venus conjunct the Part of Fortune in the second decant of the 11th house, inspired by God. The Guru Jupiter at 17 Sagittarius in the first decant of the fifth house, inspires the chela to sit under her own vine and fig tree and be God taught as the soul stands in Cancer in the 31st year of the safe passage of ye all, under the mantle of learning, illumination and self-knowledge which is to say, gnosis. We arrived at the Saturn return of this cycle on November 9th, 2018. It was delivered on January 1st, 1989.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 4 OF 5

There is a message to the prodigal sons and daughters who were called and chosen to this activity, to serve Mother and the community beginning in the 60s. The message is also for those who have been called to America to serve Saint Germain in the coming revolution in higher consciousness, that will cast out the black magicians from North America. It is to come out of her or receive her karma, Revelations chapter 18 verse four. All who have been called to this church and this nation, worldwide are the prodigal sons and daughters of God. We are called to return home to our Father's mansion. Many have fallen to the illusion, that America and the church as is, is the mansion, as did Simon Peter. With Marpa, this church and this nation has seen many houses and there will be many more to come, as we work in our Father's fields. Some have fallen on the mountain and have become the unjust stewards. Our Father's mansion is the upper etheric. Our initiation is to lay the foundation for the city foursquare and to build the etheric cities here below. The message of the guru Jupiter (to all living today) is to choose this day whom you serve.

Call for illumination's flame, Maitreya teaches us to visualize it as a spinning fire enfolding itself and within it rings of light drawing in, consuming ignorance, imparting wisdom. Maitreya teaches us to break the iron bands around the heart, especially the intercepted heart chakra, that would hold back the fire of cosmic light within the heart. Preventing the release of energy from the heart chakra for the illumination of a world. Maitreya teaches us to invoke the sword of the cosmic virgin planted in the earth, Maitreya says, "let it go forth to slay the demons assailing the birth of Christ in every heart". These are the means, illuminations flame and the sword of the cosmic virgin, to cut free the hearts of the 1 million who are called to rally to Saint Germain and El Morya. We have been given the tools and prepared over the decades to use them. Now our souls are awakening to the divine plan in 2019 and of our own individual personal cycles on the path of personal Christhood in the initiation of our hearts to our own divine plan progressed and in the solar return of 2019 that God may work through individuals, the individualization of the God flame within your heart to affect events in the earth. Maitreya teaches us in his dictation titled, "The Six-Pointed Star of the Lord of the World" that when you stand face to face with your dweller on the threshold in the initiation of your hearts that the test is to call upon the Ascended Masters to bind your dweller until such time as the souls marriage to the Lamb when your Holy Christ self is able to bind the dweller. The Masters, Maitreya tells us, will bind your dweller in answer to your call and occupy the vacuum until the soul is wedded to Christ. Many souls, Maitreya tells us, failed to make the call, they failed to recede into the secret chamber of their hearts to be God taught and they remain alone to be crucified. The key to those who make the call is that they are bonded to the heart of the Guru, as taught by the Goddess of Liberty in August 1985 her dictation, "The 24-Year Plan".

Jesus also gave us a key to the call he gave us in his last embodiment seven calls, each of which is given in the decree 33.01, "scouring hell". This is the power of the mantle given to the chela by the Guru that is the power of the spoken word, the logos, the continuity of the word. We have been trained these many decades to believe the word, to become the word. We have been taught that what you visualize and hold in the third eye, you become. Many have prepared to this hour. Now is the hour of the great convergence of light and darkness.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 4 OF 5

We are called to make the call to consume the origin of the rebellion playing out in Revelations that is described by *the message of the stars*, the planets in Capricorn and in Cancer in July 2019. We are called to break the iron bands around the hearts of the people, to invoke illumination flame consuming the ignorance of the law as spiritual blindness and emotional disturbances within the emotional body of the people and the emotional plane of the planet. We are called to wield the sword of the Cosmic Virgin to slay all that is assailing the birth of the Christ in the final months of the galactic alignment as Saturn, the Dragon's tail, and Pluto stand on the mountain in Capricorn with Maitreya in the mystery school in the community of the Holy Spirit, the Western Shambala. The sons and daughters of God stand on the mountain with Maitreya and keep the authority of the Father in the office of the Lion in Cancer on the 6 o'clock line at summer solstice, illuminating the world by the flame blazing within their hearts in the 32nd year in Leo of the initiation of their hearts by the Holy Spirit that began in February 1988 with a mega-conjunction at 0° Capricorn of Mars, Saturn, and Uranus with Neptune at 9° Capricorn conjunct Mother's chelas, her Mars.

We have prepared for lifetimes and many decades in this life for this moment on our path of personal Christhood to demonstrate the law in advance of the dissent of the avalanche of karma that mother prophesied was coming and that the Masters have taught us was coming, the dissent of the karma upon the fallen angels in our midst. Saint Germain and Jesus described this in Revelations and the everlasting gospel, also by Daniel, as the tribulation, the final 3 ½ years of the dark night of the spirit ending with the final battle of Armageddon in the great day of the Lord.

We come to the summer of 2019 when the initiates are determined to pass their initiations on the mountain with Maitreya and their dwellers, standing at the Y in the road to slay their dweller and move on in preparation to receive the anointing by the Guru who is returning. The Guru returns to anoint the chela as Christ, Chela with the big C. Archeia Aurora and Archangel Uriel describes what will happen when the guru returns within the four lower bodies of those chelas who have accommodated the guru instead of assimilating the guru. The latter will see her because they are like her, whereas the former we are told will blaspheme the guru because of the pain in their four lower bodies when the light of Mother contacts their hatred of the mother, the hatred of the guru. Saint Germain is returning he tells us, as Merlin returns to Camelot to cast out the black magicians. The Goddess of Liberty tells us that these black magicians will flee North America to Europe where they will receive their karma. The Masters will seal North America and establish an economy based on trade with South America while the economy of the new economic order of the one world government that the Neocons set in motion in the 1990s will collapse, as described in Revelations chapter 18. This is the astrology of Saturn's transit in Capricorn conjunct the Dragon's tail and Pluto, the planetary (and personal...ties) dweller on the threshold of the illuminati, the false hierarchy of the Ruby Ray as described by Sanat Kumara in his book *The Seven Initiations on the Path of the Ruby Ray* and in *the Ritual of Exorcism*.

The initiates stand at the Y and take the right-handed path speaking the truth into the lie of those who have taken the left-handed path in the church and in the nation and then they recede through the doorway, the mystical rectangle into the secret chamber of their hearts in the birth of

PART 4 OF 5

the Christ in the final hours of the Galactic alignment heralded by the six pointed star, the message of the stars of the incarnation of the word.

The key to the initiation in 2019 is to call upon the Lord, the God flame, the solar hierarchies of the sun who govern the 12 lines of o'clock. The key to our tests is to call upon the tools that are given us, illumination flame to consume ignorance and dissolve the iron bands around the heart and wield the sword of the Cosmic Virgin to defend the birth of Christ in you and in mankind. We have been taught to call upon the emerald teal ray to seal the mind, of Christ. We have been taught to master the five secret rays to consume the components of personality and their poisons [consciousness, form, feelings, perceptions, volition and their poisons- ignorance, hatred, pride, passions, envy and jealousy]. We have been taught to invoke the twin pillars of Elohim, of the Messengers, of twin flames, as the whirling T'ai Chi to consume the cause and core of evil, the energy veil in the matter universe and in the microcosm of our being as we stand on the mountain with the guru, Maitreya and our dwellers.

It is by wisdom's flame, imparted Maitreya tells us by invoking illumination flame that consumes ignorance. Wise dominion as we face Revelations, that is to say as we experience Revelations, the repression by others and by our own dwellers of the second coming of Christ in you in the community of the Holy Spirit and in America the heart of the planet. This is the confrontation described in Revelations of those souls who have prepared who were called and chosen who have come to the (appointed) hour for the breaking of the iron bands surrounding the heart of America and the church universal and triumphant, the planet. These are the saints whose Christ confronts the repression of the Father's will by the not self (within) and by those who stand on the mountain who do not have the mastery over their desires, Kuthumi teaches, their mood momentums of attachment to material substance and the substance of self, their vanity. This substance is manifesting in this hour as emotional disturbance, the manifestation of the iron bands surrounding the hearts manifesting as repression, the eleventh station of the cross. The Christ is nailed to the cross of personal and planetary karma, by the unloving soul. Once again, the soul rejects her savior and crucifies her lord. The initiates in wise dominion invoke the God flame released from their hearts to break these iron bands and to consume by illumination flame and by the sword of the Cosmic Virgin all that is assailing the birth of Christ in their hearts and those of the people and the saints of the church.

7

By the release of cosmic fire from within the secret chamber of the heart, the initiates demonstrate the mastery of the law to purify the hearts of the people and the nation by breaking the iron bands around their hearts, the heart of the planet. This is the beginning of the coming revolution in higher consciousness in the months and years ahead. In the years remaining to these initiates who yet walk in the earth in embodiment. They have been called and chosen and the divine plan has prepared them year by year for the individualization of the God flame to the divine plan of their individual birth cycles as taught by Saint Germain on January 1st 2019 during the New Year's class, the replay of the January 1, 1984 dictation given by Saint Germain. These souls stand in the 36th year for the victory of their Christ mission in the demonstration of the law for the judgment of evil in the matter universe in America and in the church as taught by El Morya and by Saint Germain as they return to cast out, the Mordred's and Vivienne and her like sorceresses, that are the black magicians from Camelot. These latter are the abusers of the word

PART 4 OF 5

on the first Ray, Capricorn whose judgment went forth on April 27, 1984 and is now in the 36th year in Sagittarius. Release the cosmic fire from the secret chamber of your hearts to purify the hearts of the people, the congregation and bind their dwellers and seal them in seraphic rings, at all angles and call upon the twin pillars of the causal bodies of Elohim and twin flames to consume the causing core of evil and the energy veil in the church in the nation, in the body of God and prepare the way for the Revolution in Higher Consciousness as God illuminates the night consuming the darkness and in the great awakening of his people, deliver the people, the children to the Divine Mother in answer to the call of Mother Mary. Cut free all who stand on the mountain with Maitreya bind their dwellers and prepare the way for the incarnation of Maitreya Buddha (in 500 years or in 15 generations.)

The message of the stars, through the messenger of the sun, Mercury at 1° Leo with 11° on the cusp of the 12 house in Cancer and on the ascendant in Leo is that the soul of those who would have their victory must expiate their karma in the seventh house third decant, ruled by Aquarius at 11°. The soul must expiate all karma of the misuse of illumination flame by the right use of making the call and of the use of the Violet flame to clear the heart. The message is given the soul of the geometry of the numerology of 11, revelation or the awakening. The soul is given to understand Revelations as given to John the Revelator. The soul stands on the ascendant at 11° Leo and must choose to be or not to be, to receive the Christ and the guru and work the works of the ages or to receive the ego, the antichrist and engage in the Reformation of the original blueprint of the church and the nation as the soul stands on the mountain in Capricorn with the guru and her dweller and must choose which way to go the right-handed path or that of the adept on the left-handed path of the black magicians as taught in Climb the Highest Mountain series *Christ and Antichrist*.

8

The message of Mercury at 1° Leo is to choose who you will be - Christ or antichrist. Christ or ego and demonstrate publicly who rules you in the first decant of Leo in the first decant of the fifth house. Will you expiate what has been revealed to you in the attunement of your soul and in your dreams. The vast deception, the illusion of Camelot that all is well and alive. Merlin is coming, Mother is returning, prepare for their coming light for it will consume all darkness. The mirage of Maya, of Mara, in the spiritual blindness of Leo and Gemini converges on Cancer, the 6 o'clock line in the solar cycle of the year at summer solstice in Cancer in the mental plane and the individual mental bodies of all in the community of the Holy Spirit and the nation and the nations of the planet. All is not what it seems. And now all that is hidden, all that has been done in secret will now be revealed. All that is withheld will now be shouted from the house tops and we are told that if it is not, that the very earth [the elementals] will cry out and we will see earth changes. [Cancer the fourth house rules earth changes].

The salvation is to those who are bonded to the heart of the guru, Ma and Lanello, to the heart of Maitreya. The guru is coming, Jupiter in Capricorn, is coming to bind the dweller of the chelas and the planet and cast out the black magicians in Capricorn, from Camelot. Jupiter enters Capricorn in December 2019 until winter solstice 2020, when on that day it conjuncts Saturn's casual body, Maitreya. The guru Jupiter is coming to anoint the chela at the river Jordan for the beginning of her Christ mission. This occurs as the initiation of our hearts on the path of personal Christ enters the 34th year in Libra, the 9 o'clock line to signal the three-year mission of

AND HER MANCHILD
PART 4 OF 5

our personal Christhood to prepare for the crucifixion and the resurrection in 2024. Beginning in the fall of 2024 we enter the 37th year on the path of personal Christhood, when the victors will walk the earth in the resurrection's flame for the final 50 years of the embodiment. This is the destiny of this generation of the called-out ones who have been chosen to be the teachers of those who enter the kingdom for the next thousand years of the golden age of Aquarius.

The message of the stars is to those who are standing with the guru on July 4, 2019 and to those who were standing living the dream of Neptune of the release of light given in 1984 instead of standing with the guru 35 years later on the cusp of the 36th year for the judgment, the salvation of the lightbearers and the judgment of the reprobate. One is taken and another is left as the soul is found in the July conclave at the grand Teton retreat or is in the outer man in the replay of the 1994 July class. This is the fruit of the harvest of souls those who have assimilated the guru and those who have accommodated the guru, in America. This is Revelations playing out as the events of the end times.

Those whose souls, in their etheric bodies, attended the conclave in the Grand Teton retreat have been sealed. They are now preparing to expiate their karma to stand in the day of the judgment, unmoved and unperturbed, the light of the world. They stand in the eye of the storm and by the magnet of the God flame on the altar of their hearts draw all mankind, the faithful and true into the safety of the ark, the safety of the eight-pedal chakra, the Ruby Ray. These are the souls who stand on the ascendant in Leo in selfless love in contrast to those on the ascendant who stand in loving adoration of their own lesser self, their ego, their vanity. Standing in self-love, blinded by their karma.

The message of the stars, (*at the 35th anniversary of the coming of Helios at summer solstice 2019*), to a waiting world, announced what was announced in the conclave at the Grand Teton retreat, that the judgment entering its 36th year in Sagittarius is for the victory over the planets and planetary forces gathering in Capricorn. These are the forces of the personal and planetary dwellers, the Dragon and the Satans, and Wormwood and the Serpent and their dialectical materialism at the East Gate, the original lie. The judgment has gone forth and is cycling into the physical as the karma is descending as an Avalanche. It will come suddenly {*Uranus*} sweeping all the darkness and the debris {*Daniel*}, yet it will be surgical. Neptune in Pisces will now reveal all secrets, all that is done in secret, all that is done in the night, all that has been hiding in the unconscious.

Pisces in the 12th house rules the occult, the subconscious, the subterranean levels of the planet and human consciousness. All they are hiding will be revealed. Mother prophesied to us that this would play out as relative evil rises to the surface to play out as **absolute evil** in the presence of absolute good, that flushes out all evil. The oncoming light will expose the evil of men's hearts, rending the veil in the temple of man's being.

Jupiter rules Sagittarius and the ninth house. Jupiter rules religious leadership and all who are in authority or of distinction. It rules the courts, its lawyers and judges. It rules bankers and merchants and the captains of industry [see Revelations chapter 18]. The Sun in Cancer rules all rulers, presidents, the ruling class, the corporate class, the wealthy class, and what we have come

AND HER MANCHILD
PART 4 OF 5

to know as the power elite {*Helios 7/4/1991*}. These are they who follow the antichrist, Karl Marx, and his class society, the proletariat the working class in submission to the ruling classes, the illuminati, the nomenklatura of Russia. This is the ancient ruling ideology of Africa, of the Anunnaki and the Nephilim.

Astrology teaches us who is Aquarian and what initiations and tests we must all face as we move into the Aquarian Age under its hierarch Saint Germain. Aquarians are ruled by Saturn and Uranus. In *cosmic astrology* and in the *cosmic clock* Aquarius is God love, altruistic love, the love of the guru for the chela and the chela for the guru. Saturn rules the forms and structures that must make way for those of Aquarius. Saturn reveals the pain and suffering we will undergo if we resist or if we fail to give expression to these changes. The *cosmic clock* teaches us that Scorpio the 10 o'clock line is ruled by Cyclopea and the Lords of form. This is in contrast to Akshobhya (Virgo) whose wisdom consumes the component of personality, its form. We know this as the synthetic self of the antichrist and its poison of anger and hatred of the guru. Saturn rules the form or structure, the organization of society, its organizations, nations, our governments and our economy. Saturn represents the father and the law, the setting of boundaries and limitations. Uranus rules love, the highest level, Aquarian love in esoteric astrology this love is the causal body of Uranus. It is a higher octave of Venus the love of the chela, the divine feminine principle. It is in contrast to self-love, the love of the synthetic self, vanity. Uranus represents the idea and the flame of freedom. The flame that breaks the bonds that imprisons the soul and keeps her earthbound by the grave cloth that embalms the soul keeping her earthbound by attachment to material substance and Kuthumi teaches us that the substance of self is vanity.

10

Helios comes at summer solstice 2019, the cusp of the 36th year of the judgment delivered in 1984 and the cusp of the 29th year of the judgment of the power elite in 1991, for the judgment of the ruling classes and their secret (*control of*) government. Helios is come for the judgment of all that is done in secret, in the dark of night and in their societies and associations. The latter are ruled by Uranus, their secret societies, their secret government and their control over the money supply, the money systems and the means of industrialization, production and transportation on the planet known as capitalism and the barons of industry, in Revelations called the captains of industry. In astrology we know these as the ruling class, the corporate class, the wealthy class and they are ruled by the Sun and judged by Helios of the Sun behind the Sun. Their secrets will be revealed, their agendas, their societies, their associations and foundations, their organizations and cliques and their mechanisms of control, their mechanization of society and organizations, industry, finance and of government. Make the calls to ratify the judgment, Heaven is on the march. Call for the binding of their ideologies and policies of control through natural selection that are revealed. This is the great awakening and the enlightenment that began when the dark cycle entered the mental plane in 1302 AD and now with the Omega cycle of the dark cycle that began in 1969 is known as the Coming Revolution in Higher Consciousness. Nothing will stop it. All are given to choose to be the temple for the flame of this great illumination or to receive the karma of the fallen whose judgment is now accelerated and is descending through the planes of matter into the physical, as an avalanche of karma.

SUMMER SOLSTICE 2019
THE WOMAN CLOTHED WITH THE SUN
AND HER MANCHILD
PART 4 OF 5

The *revelation* of all that is hidden and done in secret is in juxtaposition to the *awakening* of the people in the coming revolution of higher consciousness to come out, to come apart and to be a separate chosen people elect unto God as we assimilate in the third century of America the third plume of Divine Love, Aquarian love. The second commandment that follows on the first. This is occurring as Jupiter Saturn conclude the first of five secret ray cycles in the 21st century and begin the second with their conjunction that occurs on winter solstice 2020. Jupiter Saturn conjunct heralds the divine plan for 2021 as the solar system emerges from the galactic equator after 46 years of the Divine Mother giving birth to the Christ in the people of America and the church universal and triumphant, both at 10° Taurus within a one-minute orb.

Helios is come to cut the ties of those who separate out from those who defend in sympathy, amplified by the water body of the planet and their emotional bodies, their idolatry to the lesser self, the human creation of their synthetic self and their tie to the Nephilim and the Watchers. The process of coming apart and cutting the ties is the result of Apollyon at 1° Scorpio on the Nadir as the karma returns to all who stand on the 6 o'clock line and face Apollyon, Abaddon and take the left-handed path that plays out in Scorpio what is revealed in Revelations. They play their role revealed by Sanat Kumara as the seven initiations of the initiates on the path of the Ruby Ray as they confront the false hierarchy of the Ruby Ray. The message of the Sun at summer solstice is to prepare to survive what's coming upon the earth. And to choose this day whom you serve.

We are standing on the mountain with the mountain goats, the Satans, and the Watchers at 1° Capricorn in the fifth house with the guru Jupiter. Jupiter is in the first decant and the Watchers in the second decant. The sun is engaged in a four-year window for the judgment of the Watchers. This window began at winter solstice 2016 through winter solstice 2019 to carry out the divine plan for the judgment of evil in the matter universe beginning in 2017 throughout 2020, a four-year period of the conjunction of the Sun and the Watchers at winter solstice. There is one and ½ years left. The fourth-year begins at winter solstice 2019 when the Sun of Helios and Vesta is conjunct the Watchers at 0° Capricorn on winter solstice. {*cycle 1*}

This window of time converges with the YOD formed by the apex at 2° Aries conjunct Chiron conjunct Mother's midheaven to Transpluto 1° Virgo and Apollyon at 1° of Scorpio. At this YOD we stand at the Y in the road with the guru and must confront our dweller by taking the right-hand path. (See Kuthumi chapter one, *The Enemy Within*.) The window standing at the Y in the road began as the Sun entered Taurus in 2018 and lasts until the sun enters Pisces in 2020. This window has two primary phases, the first in 2018, the second beginning in 2019 and ending in 2020 {*cycle 2*}. This cycle corresponds with the astrological cycle of Neptune at 18° Pisces conjunct the solar eclipse at 18° Pisces, that opened a window from *March 8, 2016* through *March 2020*. {*cycle 3*}

These **three cycles** all converge for the greatest testing of our souls probably since the departure from the original mystery school. The cycles will lay the foundation for what will play out beginning in 2021 when we emerge from the galactic equator. This emergence corresponds to the final 3 ½ years of the mission of the Summit Lighthouse. These 3 ½ years correspond to

the three years of our Christ mission beginning in 2021. This is *the end of time* that is spoken of in the Book of Revelations, the Book of Daniel and the Book of Isaiah.

During this eclipse window conjunct Neptune, from 2016 to 2020 we are being tested by all that is hidden that will be revealed and made plain, **but first in our own lives** and **organization**. It is God's way, the Elohim have told us, it is the fairness of the law. Abaddon called Apollyon at 1° Scorpio conjunct the nadir represents the return of karma and the playing out of the final drama of Abaddon who Revelations tells us is the king of the locusts that came out of the bottomless pit {*Rev 9:11*}. The problem astrology reveals is that of avoiding this returning karma, heads buried in the sand as the final drama plays out between absolute good and absolute evil. It was this state of mind that resulted in this destruction of the planets Hedron and Maldek and of the continents of Mu and Atlantis and of the first attempt to bring in the golden age, in Russia in 1917.

The convergence of these three windows of initiation and testing of our souls corresponds to our path of personal Christ (11/1/97) and the initiation of our hearts (2/21/88): these fell in

By August 2024 the Ascended Masters names will be known in every household in America. In 2024 (August) at the conclusion of the mission of the Summit Lighthouse we will have concluded a seven-year period. Beginning in August 2024 we will begin a new seven-year cycle that will bring us to Leo in August 2031. This brings us to the year 2032 at winter solstice 2031 and to Mother's prophecy of the end of the cycle of war, in 2032.
