

ENCOUNTER WITH THE DWELLER  
AT THE Y IN THE ROAD  
THE MANDATE OF VICTORY IN 2019

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

The Sun's journey entered Virgo on August 23<sup>rd</sup> at 6:02 am EDT. The Sun's journey in 2019 began at winter solstice with the Sun in the third decant of the sixth house conjunct the Watchers [Cupid/Psyche] at 29° Sagittarius. Pluto, representing the personal and planetary dweller on the threshold, at the time was exactly conjunct Mother's descendent with Saturn conjunct Mother's Mars, her chelas within a 15-minute orb. This set the stage for the Alpha thrust for the year on January 1, 2019, launching the divine plan for the year. Kuthumi teaches that the Alpha thrust is the Vesta cycle of the year. Under the hierarchy of the Ruby Ray Capricorn is the Office of the Mother and it is occupied in matter by Guru MA and her chelas.

With the Sun in Virgo, the soul is called to renunciate, in the sixth house of service to the guru, the influence of the Watchers upon self to separate the Guru and chela and upon those who stand in the seventh house confronted and overtaken by the dweller. We are also called to renunciate those who now go to war against the Lamb and the Lamb's wife, attacking the guru. This is the meaning of Pluto exactly conjunct Mothers descendent in the seventh house, second decant.

2019 is about the encounter with the dweller and the outcome, the consequences that follow. The soul of the faithful stands with the guru on *her* descendent at winter solstice in the second decant of the seventh house and declares their independence from those who have cut their tie to the guru and the spirit of our God. 2019 is about the dividing of the way, separating the wheat from the tares. 2019 is the fulfillment of the prophecy of the book of Revelation 18:4. It is about the initiation of the soul forced to stand at the Y in the road and choose the Seventh Angel and his prophets or to stand on the mountain with Maitreya and the Satans in Capricorn and bend the knee before their dweller taking the road that seemeth right, but the end of which is death. The soul of the latter chooses the *outer* path blinded by their karma instead of the *inner* path of the inner man. The soul must choose, as prophesied by Mother to all Keepers of the Flame on July 4, 1996. She stated then that every Keeper the Flame would stand in the shoes of Hamlet tormented by their ghosts (karma) in the dark night (of the spirit) and must choose the way of Christ and the encounter or overcome by (worst) fear, fail to rise to meet the encounter with one's personal and planetary dweller.

ENCOUNTER WITH THE DWELLER  
AT THE **Y** IN THE ROAD  
THE MANDATE OF VICTORY IN 2019

This confrontation is described in great detail in Climb the Highest Mountain series, *Christ and Antichrist*. Also, in *The Enemy Within* by Kuthumi, Mother and Jesus Christ. They describe this encounter with the dweller as the choice the soul must make between Christ and Antichrist. They describe how this encounter is the precursor to the Transfiguration when the Christ comes and fills the vacuum left by the slaying of the dweller. The Transfiguration is the marriage of Christ and the soul and precedes the three-year mission of Christ that ends in the crucifixion and the resurrection.

These teachings were given to this generation who are called out to come apart and be fishers of men. El Morya and Saint Germain sent their Messengers to gather the sons and daughters of God to fulfill their destiny in this lifetime and to return home in the ascension at the end of this life. We were called in the 60s and the 70s, we were called in the 80s and the 90s. Here we stand in the Omega cycle of our years having been on the path from 30 to 60 years. We were told in the 80s and 90s that the hourglass was nearly empty. Here we stand in 2019 with the forces of darkness gathered in Capricorn and the Four Horsemen running their race delivering the darkness to counter the light of the coming revolution in higher consciousness in our church, in our nation and planet. We stand at the end of the road facing the choice to the left or to the right, as the sun enters Virgo in the first decant of the first house where we take action to receive our Holy Christ self and the guru, or to receive our dweller, our synthetic self, to work the works of the ages. We stand in Virgo in 2019 to prepare to play our role having chosen that role from amongst the players in the book of Revelation. We stand in 2019 with the Sun in Virgo on the karmic axis of the solar plexus to stand with Morya and Saint Germain to carry out the divine plan or we stand facing the encounter with the dweller, the outcome certain in some; yet to be determined by others in the fall of 2019 and in the coming confrontations in 2020.

Revelations teaches that it was the dweller that rose out of the bottomless pit and established the reign of the gentiles beginning in the year 2000 in Chapter 11 by attacking the prophets and killing them. In Chapter 11 the verb used is future tense. This plays out in the summer and fall of 2009 in chapter 17 when the dweller out of the bottomless pit of the gentiles has taken hold (nine years later) in the encounter between their dwellers and the prophets. Now the encounter with the beasts out of the bottomless pit moves from the past to the present to the future tense (all) in the fall of 2009 when Revelations tells us that the prophets are killed during the reign of the gentiles. This is the crucifixion, as the Lamb overcomes them by the blood of the Lamb...and they that are with him are called, and chosen, and the faithful Rev 17:14 (fall equinox 2009). Herein lies the mystery of God.

The reign of the gentiles began as soon as the voice of the seventh angel shall begin to sound and the mystery of God should be finished as he has declared to his servants, the prophets (Rev. 10:7). The Gentiles are those who have rejected the love of the Divine Mother and her daughter. Jesus Christ describes these in great detail in the book, *The Enemy Within*. This is a must read for those who would meet the challenge that we will face beginning with the delivery of divine justice with the Sun's entry into Virgo in 2019. This challenge will play out throughout the fall as well as all of 2020, as every member of this church and this nation America (and the

THE MANDATE OF VICTORY IN 2019

planet ) elect Christ or Antichrist to govern their worlds. This is the election year (2019-2020) that will determine the future of each one.

The problem that we face is the problem we faced 2000 years ago when Jesus gave us these exact same teachings for our mastery in the Piscean age for our resurrection and ascension. Kuthumi teaches that many stood with him in his final embodiment and determined with him that he would go before us and that we would remain to this day to fulfill the divine plan that is even now playing out as the judgment of evil in the Matter universe, now in its 36<sup>th</sup> year in Sagittarius for the mandate of victory. Archangel Gabriel teaches that all fallen angels were given the final opportunity [with the opening of the pit that increased the global population by 5 billion since 1940] to revisit the decision to follow Lucifer. Archangel Gabriel teaches that many of these fallen angels were given the opportunity to support Mother and this community, or to attack Mother and this community. Many others were given the opportunity to embody or migrate to America to support America and Saint Germain, or to attack America and Saint Germain.

This is the battle of Armageddon for the spirit and the soul of the people, the inner man. This is the final battle of Armageddon between the revolution in higher consciousness and the world revolution of world communism, the death of spirit, the Holy Spirit in man, or it is the great awakening in man of the inner man. What do you see? This is the choice between the kingdom of God and materialism. The dialectical materialism of the community, and the organization, and nations built by man, not God. This is spoken in the book of Revelations as the Dragon that revived the beast of Rome creating *the new Roman church*. Revelations begins by addressing the seven churches, delivering their judgment while delivering the message of salvation to the remnant of the faithful. Revelations enters chapter 17, the 17<sup>th</sup> letter of the Hebrew alphabet and in 2009 we see that the seven churches are the seven heads of the beast and that there is the eighth head which is the beast itself, making eight churches or states of rebellion.

Now is the hour and the power of heaven, the judgment of our God, called the Tribulation. This refers to the judgment of the reprobate and the period of the salvation of the faithful. This is the period of the pouring out of the seven vials of the last plagues. Today and the months to come will mirror what took place in Egypt, with the coming of the Guru Moses. We were sealed in our homes in those days prior to our fleeing and our wandering in the desert. Today we are sealed in the dispensation of the *safe passage of ye all, under the mantle of learning, illumination, and self-knowledge* delivered as the divine plan on January 1 of 1989. In 2019 we stand in the 31<sup>st</sup> year in Cancer. We are standing, Mighty Victory teaches us in *The Mandate of Victory*, in the third of five years to master the law by the five secret rays.

We stand in the cosmic cycles of this planet and her evolutions, and of this nation (America) and this church in the 32<sup>nd</sup> year on the path of our personal Christhood that began on November 1<sup>st</sup>, 1987. We also stand in the 32<sup>nd</sup> year on the path of the initiation of our hearts by the Holy Spirit that began on February 21<sup>st</sup>, 1988. Mighty Victory teaches that we stand in the fourth year in Leo to publicly demonstrate our mastery of the five secret rays. Beginning on November 1<sup>st</sup> and then February 21<sup>st</sup> next year we enter Virgo and the 33<sup>rd</sup> year, the fifth and

final year to demonstrate our mastery of the secret rays by our Christ mastery in order to demonstrate to the world the Transfiguration.

For the Transfiguration to occur we must meet and finally slay, after hundreds of thousands of years our dweller on the threshold of consciousness. How do the cosmic cycles and the astrology, called *the clock of destiny* in esoteric astrology describe this time of initiation?

Mother taught us, about the mega conjunction at 0° Capricorn in February 1988 when the Maha Chohan announced the initiation of our hearts by the Holy Spirit. He stated that those who assimilate the Guru and the teachings would out picture the Sun, Venus and Jupiter and that those who accommodate the Guru and the teachings would play out the karma being delivered by the four Horsemen as described in the book of Revelations and the book of Daniel. In 1989, Saint Germain announced the cycle of the dark night of the soul (the descent of our karma delivered by the four Horsemen), that it would be followed immediately by the cycle of the dark night of the spirit when the soul would be cut off from the Guru, the I AM Presence and the Christ Self. In 1991 it was announced that we completed the first two thirds of the mission of the Summit Lighthouse, the publishing of the word and that we were given 33 years beginning on August 7, 1991, to fulfill the mission of the Summit Lighthouse, to deliver these teachings into every home in America so that the ascended Master names became household words. This cycle of opportunity for the fulfillment of this dispensation ends in August 2024. We are now in the final five years. Much ground will be covered from today to the end of this five-year period that will demonstrate our Christ mastery of the five secret rays, to a world waiting. The missing ingredient is the Transfiguration. This is the harvest of the wheat spoken by Mother Kali in 1987 as the Divine Mother returns for the harvest of the Tares and the judgment of the reprobate. This is the mission of Christ in the three years that begins in 2021, the final 3 ½ years of the mission of the Summit Lighthouse.

In 1993, the Jesus and Morya and the Masters came at Easter to align us with the mission and the cosmic cycles, *please revisit these dictations*. This was followed up by the coming of the Seven Elohim in the spring (of 1993) to place their causal bodies over the coming mega conjunction of the seven planets in Capricorn on January 11<sup>th</sup>, 1994. Mother elaborated upon the teachings given by the Seven Elohim in the spring, during her July 4<sup>th</sup> Address, 1993 when she stated that we must reorganize the church and the nation if they are to survive what was coming upon the earth. What was coming upon the earth was the encounter, by the American people and the Keepers of the Flame and the chelas of the Great White Brotherhood, with their dwellers upon the threshold of our consciousness that would play out in Revelations in Chapters 11 through 19 (*covering the period 2000-2013*) and in the book of Daniel chapters 7 through 12 (2016 -to the present). Mother taught us that as Mother and her chelas go so goes the nation, America. The Goddess of Liberty told us in August 1985 in her dictation titled, “*The 24 Year Plan*”, that as the Keepers of the Flame go (in every nation), so go *the nations*.

We are called to the final confrontation with our dwellers and as we go, so goes America and the nations in 2019 and beyond. We have nobody to blame but ourselves if we do not present

ENCOUNTER WITH THE DWELLER  
AT THE Y IN THE ROAD  
THE MANDATE OF VICTORY IN 2019

ourselves before the Guru at the river Jordan in 2021 standing on the 9 o'clock line of Libra having passed through the 33<sup>rd</sup> year in Virgo, in the Transfiguration.

In January 1994 seven planets conjoined in Capricorn within a nine-degree orb, with Pluto at 27° Scorpio squaring Saturn at 27° Aquarius. Mother told us this configuration would destroy the church and the nation if we did not re-organize to give birth to the Christ in our church and in this nation. Mother in her July 4 Address 1996 addressed every Keeper of the Flame and told us that we would all come to stand in the shoes of Hamlet in the dark night of the spirit tormented by our ghosts of un-transmitted karma and must decide to be or not to be, the Christ.

We stand on the cusp of *great change* coming upon the nation and the planet. We all stand on the ladder of initiation supporting those who are ahead of us on the ladder who must bear the initiation of the cross. We stand on that ladder upholding all who are beneath us on the ladder, that none be lost. Our challenge is to meet the coming changes without fear having transmuted the records of long ago with Moses as we fled and wandered in fear and rebellion against our God, *in his guru*.

Sanat Kumara in the spring of 1979 told us that if there is to be a golden age on Terra, that America must survive, with her technology. Sanat Kumara told us that if the fallen ones destroy this church and this nation, that he would not sacrifice the faithful but that he would turn the dial and remove us to the etheric plane as he did in Shambala and in the golden age civilization of the Sahara, leaving behind once again the reprobate. He told us he would seal the planet from the fallen angels so that the *entire* physical realm was uninhabitable. Lanello tells us that the Great White Brotherhood have a backup plan. We are told by Elohim not to be martyrs. Saint Germain tells us that we must survive what is coming. Mother has told us that we must survive for the continuity of the word and the continuation of the capstone on the pyramid of America, by the fire of our hearts. Mother delivered this message in a staff meeting, in the fall of 1996.

Saint Germain told us to prepare to survive physically, four scenarios, flooding, earthquakes and volcanoes, nuclear radiation, and no growing seasons. Mother and Morya told us to secure land 100 feet above the Yellowstone River. Nothing will survive for a time below 100 feet. The Masters told us that Livingston will become the West Coast and semi tropical. Noah prophesied the coming flood for one 100 years. We know that the faithful prepared and migrated to many places around the world. But the reprobate ignored the warnings and condemned Noah and they were lost. This generation of Atlantis have reincarnated in America and the world. Still, they do not believe nor will they, Revelations teaches us. Revelation teaches that when the tribulation comes, they will not repent. Gautama Buddha gave a New Year's Eve dictation in King Arthur's court in the early 90s to a packed crowd. He presented the scenario that may come to pass that the ascended Masters would open up the earth and call the faithful to enter and travel to the Grand Teton Retreat for safety. In his dictation he pointed at the congregation and said many of you here will refuse to go and that this occurrence of opening up the earth for the fleeing to safety of the faithful has occurred many times over the eons. He stated

that those in the court had had that opportunity many times and refused in the past and they would refuse in this coming future. He stated that those left behind would stay on the surface and take their chances with the aliens.

This is our story. It has been playing out for millions of years. This is the end of the road for the fallen ones on the planet. The problem we face is we have been trapped in reincarnating on this planet with these fallen angels whom we have set up as our gods and upheld their civilization as our own. Our initiation with the coming of Jesus 2000 years ago is to come apart and be a separate chosen people elect unto God, to walk the path of initiation and return home. Time is running out to separate out from the Tares. Their judgment has descended and even now is cycling through the four planes of matter into the physical. We have little time left to prepare. Those who prepare will survive. To prepare we must prepare spiritually and physically. To physically survive we must be in Community. This is the meaning of the congregation of the planets now in Capricorn, *for the coming of the guru Jupiter*.

There are two congruent cycles playing out over the next year. The first cycle is a four-year cycle between the Sun at winter solstice and the Watchers [*Cupid/Psyche*]. The cycle began at winter solstice 2016 to play out in 2017 with the Sun Watcher midpoint at 28° Sagittarius in the 1<sup>st</sup> house forming a T-square to the midpoint at 27° Virgo and the midpoint at 28° Pisces. The midpoint in Virgo was between the guru Jupiter (10<sup>th</sup> house) and the North Node (9<sup>th</sup> house). The midpoint in Pisces was between the South Node (3<sup>rd</sup> house) and Uranus (4<sup>th</sup> house). This T-square played out throughout 2017 culminating with the eclipse over America and the church in August 2017. This was the first eclipse of its kind since 1776. The last in this cycle occurred two months before the Spanish flu outbreak in 1918. It was the first eclipse over America in 35 years and the first of five eclipses over America in the next 35 years. It was the seventh eclipse over Montana, the most of any state. The Elohim have told us that they have kept Montana free from the fallen ones. These five eclipses are for *the clearing of America*, and the Goddess of Liberty tells us, the clearing of North America, of these fallen angels, these black magicians.

Saint Germain tells us that his chelas are to call for the cutting free of *Merlin* from the crystal that entraps him still, that he may return to Camelot to fulfill his destiny to cast the black magicians out of Camelot. The Goddess of Liberty tells us that the coming judgment of the black magicians will result in them being cast out of North America, that they would flee to Europe to meet their karma. The Goddess of Liberty taught us in the fall of 1979 that within 100 years [2079] there will be very few fallen angels left on the planet. Those remaining would be hiding in the subterranean levels of the planet. They would be unable to be reinforced or to escape the planet because the planet would be sealed. Neither would they be able to reproduce.

Thirty-five years is from 2017 is 2052. El Morya told our generation that with proper lifestyle, diet, exercise and spiritual practice and service mankind has been granted a lifespan of 120 years. If you are born in the 50s you have a lifespan ahead of you lasting until 2070. This is your story and we have been given mile markers or milestones to set as goals before us. Those who are the victors we are told will be the goal setters. There's no time to waste. There is a victory to be won, in God's name, to his glory. Those who will fall by the wayside are those who

try and do it alone, their way, blind to the spirit, the Holy Spirit's initiation of their hearts. This is the dialectical materialism that Saint Germain has told us *has destroyed* every Golden Age on the planet. The cycle has come full circle, *we* faced it in Russia in 1917, *we* now face the same challenge in America in 2017 and beyond. Are *we* ready? Have *we* prepared?

This cycle of the Sun conjunct the Watchers at winter solstice has played out throughout 2017 (1<sup>st</sup> year). Then at winter solstice 2017 (2<sup>nd</sup> year) the Sun was conjunct the Watchers at 28° *Sagittarius*, conjunct the ghost of the T-square of 2017. What was begun in 2017 would play out again in 2018 as it says in the book of Revelation, the evil would do evil still and the good will do good still. At winter solstice 2018 (3<sup>rd</sup> year) the Sun conjunct the Watchers at 29° *Sagittarius* and what began in 2017 and 2018 would continue to play out in 2019. Now at winter solstice 2019 (4<sup>th</sup> year) the Sun will conjunct the Watchers at 0° *Capricorn* while Saturn is *exactly* conjunct Mother's descendent. You will recall that when this cycle began at winter solstice 2016, Pluto was *exactly* conjunct Mother's descendent.

This four-year initiation is ***for the determination of who is still bonded to the heart of the Messengers to the heart of Maitreya, in the safety of the ark for the safe passage of ye all through all that is coming upon the earth.*** What is coming upon the earth has begun with the Sun's entry into Virgo in 2019, that will play out through the remaining years of *the indicators of war* that began in February 1988 with the Saturn Uranus conjunction (Mother).

This coming winter solstice will see the Sun conjunct the Watchers at 0° Capricorn to play out the divine plan for the judgment of the Watchers in 2020 that concludes the 46 year cycle that began in 1975 of the Galactic Alignment for the birth of Christ in (you) this generation, in America, the planet and in this church. *This is the judgment* of all that has opposed the birth of Christ. 2020 also concludes 36 years (3 cycles of 12) of the judgment of evil in the Matter universe that began with the Class of the Solar Ring. 2020 will see the end of the current Jupiter Saturn conjunction that began in May 2000 with seven planets in Taurus that played out as the rebellion of the Gentiles who rose up against the prophets sent by the seventh angel.

A new cycle will begin at winter solstice 2020 when Jupiter Saturn conjunct at 0° Aquarius for the gathering together once again of the community of the Holy Spirit for the raising up of the Christ in the church and the nation. As the devotees gather to Saint Germain to return to Camelot to cast out these black magicians. The great gathering of the new Jupiter Saturn conjunction will see the conclusion of the mission of the Summit Lighthouse in August 2024. This is heralded by the next solar eclipse over America on Mother's birthday (2024), when we will elect Christ to the White House in the 2024 elections (*by divine timetable*). This New President will inaugurate an eight-year term 2025-2032 during which we will seal North America and cast out the black magicians from this continent and establish an economy based on trade between North and South America as prophesied by the Goddess of Liberty while the karma descends on the fallen ones on the planet. This is the cycle of the Sun of Helios' judgment of the Watchers. (*2032 is the year prophesied by Mother to be the end of the cycle of war, 1988 – 2032 ~ Mother*).

ENCOUNTER WITH THE DWELLER  
AT THE **Y** IN THE ROAD  
THE MANDATE OF VICTORY IN 2019

This first cycle, *the Sun conjunct the Watchers* set the stage and the scenes backdrop for the second cycle. The second cycle is *the Y in the road*. This second cycle began in 2018 with the Sun's entry into Taurus. This began *the first phase of the Y in the road* at 2° Aries conjunct Mother's midheaven. The first phase lasted until the Sun entered the emotional plane, the emotional body of the Sun in Virgo in 2018.

The first cycle of the sun conjunct Watchers tests the bond between the guru and the chelas between 2017 and the end of 2020. The stage being set, the second cycle began in Taurus in 2018 for the faithful's confrontation and final defeat of the dweller in preparation for the cycles to come (see Mother and Morya's 4-10 axis clearance to greater understand this initiation). 2018 also saw that those who came to the initiation of the first cycle in 2017 and the confrontation with the Guru and the faithful would now come to the second cycle firmly tied to the Watchers as they now must confront their dweller. Many are turning to the left-handed path overnight as taught by the Masters. This is the confrontation described as the Tribulation. It is between the devotees and the patriots and those that oppose them in the church and in the nation. The former follow spiritual path of initiation and are imbued with spiritual powers whereas the latter follow an outward material path on the left-handed path as black magicians, devoid of spirit but fearful of the spiritual powers of the Incarnate Word. They know that the Word Incarnate in the devotee and the people has the power to overthrow them and to deliver their judgment. They *know* that their hour is come.

The *first phase of the Y in the road* was from the Sun in Taurus through the Sun in Virgo in 2018. This was when Chiron entered a 1° orb of Mother's midheaven. *The second phase* began on March 10<sup>th</sup>, 2019 through April 13<sup>th</sup>, 2019 with the exact conjunction on March 27<sup>th</sup>, 2019. *The third phase of this initiation at the Y in the road* with Chiron conjunct Mother's midheaven will begin on October 8<sup>th</sup>, 2019 with the exact conjunction on November 3<sup>rd</sup>, 2019 and again on January 21<sup>st</sup>, 2020 until it leaves a 1° orb on February 13<sup>th</sup>, 2020.

*Phase three of the Y in the road* includes this coming winter solstice when the midpoint of Chiron and the Black Moon Lilith will conjunct Mother's midheaven with a 10-minute orb [Chiron 1° Aries, the Black Moon Lilith 3° Aries]. This midpoint activates the apex of the YOD conjunct Mother's midheaven at 2° Aries in the seventh house, *second decant*. The faithful are called to stand in the seventh house in the Guru chela relationship in the second decant and declare their *Independence* from those who are conditioned by Chiron to take the left-handed path, and do so.

The soul stands on the apex of the YOD conjunct Mother's midheaven conjunct Chiron and the Black Moon Lilith and is forced to make a choice, to take the right-handed path and confront Apollyon, known in the False Hierarchy of the Ruby Ray (in the Ritual of Exorcism) as Abaddon at 2° Scorpio or to take the left-handed path conditioned by Transpluto to be programmed by the generators and computers of the aliens in their space stations.

This is the initiation of the separating out of the wheat from the Tares. In Revelations 18:4, it says come out of her, the harlot, the soul who rides the beast (their dweller) believing to

control it, yet it states in Revelations 17 that they that make up the beast hate *the harlot (the anti-church and its anti-apostles and false pastors number four in the Ritual of Exorcism and from Babylon the Great, number eight in the Ritual of Exorcism both of which are in Capricorn on the 12 o'clock line)*. Babylon opposes Guru Ma and her chelas who occupy the Southgate in the office of the flying Eagle in Matter while the anti-church and its anti-apostles and false pastors usurp the office of the flying Eagle and the authority of the Mother occupied by Sanat Kumara and the Ascended Masters.

This midpoint of Chiron and Black Moon Lilith conjuncts Mother's midheaven within a 10-minute orb. (*The Black Moon Lilith is the soul who casts herself away from her God Flame, the one who stands alone, apart from God. "I will do it my way".*) While this is occurring in the seventh house, the Sun is conjunct the Watchers at 0° Capricorn with the Watchers in the second decant of the fourth house (the Sun is in the first decant). In esoteric astrology this second decant of the fourth house is Revelations. It describes the playing out of the coming drama described in the book of Revelations. While this is occurring, it calls in the seventh house second decant for the faithful to declare their independence from these who are devoid of spirit, that is to say, have no oil in their lamps, who have taken the *materialist* road, *the socialist road of serfdom* instead of soul freedom. This is how Atlantis fell and Saint Germain says, every activity of the Great White Brotherhood, as well as, every Golden Age. You know them by their fruits, their works, by their emotional tyranny, their outbursts of anger, a thin disguise of their hatred for the Christ in man. When, Archangel Michael confronts these he has told us that he only engages by saying, "the Lord Rebuke thee". El Morya tells us that with each outburst (by their words) and their actions of the betrayal of Christ (their works) their crystal cord and three-fold flame is reduced.

Those who declare their independence from their dweller and the dwellers of others will be sealed in the secret chamber of their hearts while the judgment descends. Their faith will seal them and protect them from the Angels delivering the seven last plagues, called the Reapers. It has been revealed across the planet, that the devotees in their faithfulness to Jesus Christ and his Mother Mary are sealed in the very presence of the judgment as they gather in their homes during the three days of darkness and recite the rosary. Many miracles have been recorded across the nations, even in America of communities sealed and protected in the hour of the judgment.

These two cycles, the *Sun Watchers* and the *Y in the road* are preparing our souls to meet the coming challenge of the confrontation of the mega conjunctions in Capricorn. Archangel Zadkiel in *The Vials of the Seven Last Plagues* states, that he stands on the side of the West of the City Foursquare, standing on the West Coast of America facing the east and the fallen angels, the kings and queens of the East to gather them to the battle of that great day of God Almighty.

They are gathering the kings and queens in Capricorn, they are ruled by Saturn, the Dragon (tail), Pluto, and the Watchers (Cupid). The guru Jupiter is sent by Helios the Sun to deliver the judgment in Capricorn. The Sun enters Capricorn (2019) at winter solstice conjunct the Watchers. Jupiter the guru enters Capricorn on December 2<sup>nd</sup>, 2019. Jupiter will conjunct the Watchers on December 4<sup>th</sup>, 2019. On December 7<sup>th</sup>, 2019 Jupiter will conjunct the galactic center at 1° Capricorn. Jupiter conjuncts the Dragon [tail] on January 6<sup>th</sup>, 2020. On January 12<sup>th</sup>, 2020

AT THE Y IN THE ROAD  
THE MANDATE OF VICTORY IN 2019

Saturn conjuncts Pluto. On January 15<sup>th</sup>, 2020 Jupiter conjuncts Mother's Mars at 9° Capricorn 57 minutes, *her chelas*. On February 26<sup>th</sup>, 2020 Jupiter stands at 19° Capricorn in polarity to the Summit Lighthouse Venus. Then on March 4<sup>th</sup>, 2020 Jupiter conjuncts Mother's ascendant for the first of three exact conjunctions [July 30<sup>th</sup> and October 26<sup>th</sup>]. On April 4<sup>th</sup>, 2020 Jupiter conjuncts Pluto, the personal and planetary dweller on the threshold of consciousness. This is the first of three exact conjunctions, the second on June 30<sup>th</sup> and the third on November 12<sup>th</sup>, 2020. Then on with winter solstice December 21<sup>st</sup>, 2020 Jupiter conjuncts Saturn at 0° Aquarius. The Guru is returning to cast out the dweller of the black magicians, harbingers of death who have murdered the saints throughout the ages. Study the Seven Initiations on the Path of the Ruby Ray by Sanat Kumara and *study* the Ritual of Exorcism to know the False Hierarchy of the Ruby Ray.

All that will play out in 2020 will set the stage for the divine plan of **2021** when Helios and the solar system will emerge from the galactic equator ushered in by a new Jupiter Saturn conjunction in Aquarius. This is the backdrop for the light bearers of America and the devotees of the Ascended Masters who are rallying to Saint Germain as we stand at the West gate in Libra on the 9 o'clock line in the 34<sup>th</sup> year on the path of our personal Christhood, in the initiation of our hearts to begin the three year mission of the destiny of our souls to fulfill *the mission of our personal Christhood* congruent with the final three and a half years of the mission of the Summit Lighthouse. The torch has been passed to fulfill our destiny for the turning of worlds that will result in the elections in 2024 at the end of the mission of the Summit Lighthouse under an eclipse of the Sun over America on Mother's birthday. This is the second of five eclipses over America in the 35-year period 2017-2052. The key to a solar eclipse Mother taught us is to call for the eclipsing of all opposition to the I AM Presence of the soul of the people.

10

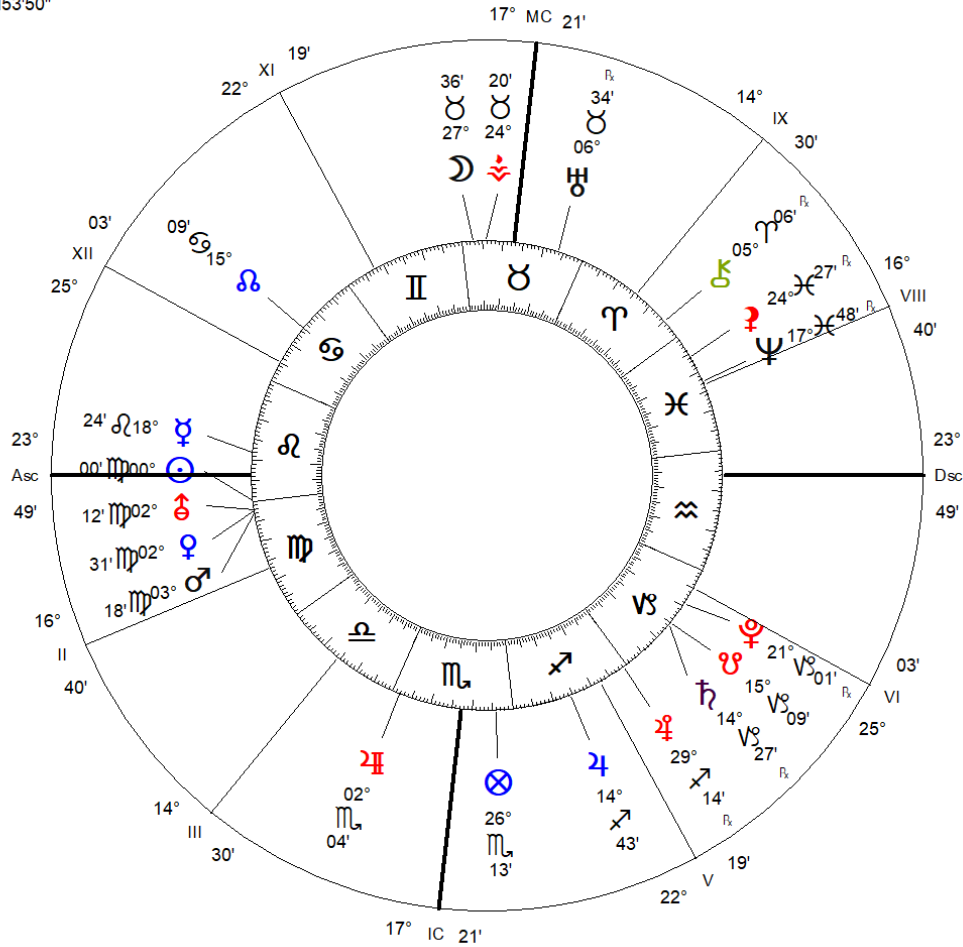

---

These five eclipses are calculated to cast out the black magicians from Camelot and from North America and to elect Christ to the office of the President of United States of America, to lead this nation for the sealing of North America and the Western Hemisphere. Establishing an economy based on the gold standard and trade between North and South America as prophesied by the Goddess of Liberty. This is the **Great Transformation** that people are talking about of this great conjunction in Capricorn. It is not the transformation of the world by communism. It is the transformation of the world by the (*coming*) revolution in higher consciousness, the awakening and sealing of the American people. The Levites, the priesthood called out from the twelve tribes have been called (trained)and chosen (graduates). The stage is set, the scene is under way. It is a matter of faith, belief in one's real self and the Guru with you, all one as you take your stand. The chela, now a graduate of Ascended Master training, has become the (office of) Christ anointed by the Guru to fulfill a mission, the destiny of the soul that will turn the world and bring in the Golden Age, in the face of absolute evil raging in our schools, our cities, our nations.

- Plan to reach the light bearers...tear down the walls of hatred erected by the fallen ones around TSL
- Astrology squares, oppositions, and conjunctions are challenges, not obstacles, conflicts, and opposition
- Sustain the capstone of the pyramid
- Purpose of all time is preserve and protect this activity...gain God-Mastery
- Clear the 7 deadly fears (Napoleon Hill) from your worlds that you may precipitate that supply.
- Alliance with Kuthumi, that psychologist, assist you in transmuting the negatives **by seeing through them, by blowing them away by Love and Mercy**
- **Bless your enemies, all from whom you receive negative vibrations and matrices. They present you the test, you would pass, the initiation you would get through (that obstacle) you one day would overcome; when you no longer carry their challenges.**
- **They are the initiators who come from the dark side. Bless them for the great strengthening you have received [from God as you determine to meet those challenges victoriously]** Bless them for the lessons you have learned so that you could pass the tests of Maitreya and the Cosmic Christ when they did come. Thus God-Gratitude for all who have ever injured you. In that state of mind [trines, sextiles, quintiles] you become invulnerable and invincible, it is then that the ANGELS can permanently mend the holes in your garments.
- Let the word live in you and let the work, as its complement be for the anchoring and the balance. Let our chelas speak the word because they have assimilated it, as part of their total being.

are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.

- ...the dark clouds of the fallen ones that attempt to cover and eclipse the SUN of your I AM Presence.
- Let not the eclipse of the sun or moon in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.
- **Fallen ones remain** until the people (1<sup>st</sup> house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...Saint Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
