THE ENCOUNTER WITH MAITREYA

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Preface: Looking Ahead to the End of the Year: The Challenges We Face.

In cosmic time we have arrived at the end of the age of the *fishermen*, the Age of Pisces. This is the time Jesus foretold when his *Kingdom* would come in the earth. Jesus died upon the cosmic cross of white fire in spirit, while in matter, upon the cross of Golgotha to wipe out death, the last enemy. He fulfilled the requirement of the law. He sacrificed his Christ attainment upon the cross, that Man might live. He gave *mankind* an extended 2000 years to become Christ, in the 1st Resurrection, the second coming in man. Mankind was to have been like him, and seeing him come, welcome him 2000 years ago, as the prophesied Messiah. Instead they rejected him preferring to idolize the *fallen angels* whom they chose over Christ to rule them. They choose to consciously follow the Nephilim and the Watchers and to believe their lies. The lie that God sent his Son, Jesus to wipe out sin, forever, that he died for your sins and no matter what you do, think, feel, or believe, if you believe on him you are saved and will be welcomed in heaven. This is the lie; it is the foundation of Antichrist and the cornerstone of their anti-church with its anti-apostles and false pastors. The end of this is death, the second death. The cancelling out of the soul and its self-created identity, her dweller-on-the-threshold. This is the battle of Armageddon for your soul with Saints of Heaven and the Princes of the Earth vying for your soul.

We are told that we are to come to winter solstice with *the offering of the harvest of our talents*, with *oil in our lamps as the fruits of our vines*, the harvest of 2019, which is to say the accumulation of this year, this lifetime and of all lifetimes, of our soul's attainment in Christ, as the bride of Christ. We lay this offering upon the altar as did Abel and Cain, and as did Abraham. You know the stories; you know the outcomes. This is *the concluding story of 2019*. This is the offering upon the altar of our being.

Years End: Final Tests of the Year 2019

What do we bring to this winter's solstice? 2019 is defined by the chart of winter solstice 2018, December 21st, 2018. See chart on page 2. On that date, the Sun was conjunct the Watchers for the third year in a row at winter solstice. Also, Pluto was conjunct the Part of Fortune and ***Pluto was exactly conjunct Guru Ma's descendant***, the Guru chela relationship in

the solstice seventh house second decant. 2019 is the testing of our souls as to who would come to winter solstice 2019 with the harvest of the declaration of independence from their dweller and stand on Mother's descendant as the faithful chela having slain their dweller. Practically speaking what does this mean?

In 2019 we stand on Mother's descendant with our dwellers at the Y in the road that began in 2018 when the Sun entered Taurus. We face the choice that Hamlet faced to see with the eyes of the secret chamber of the eight petaled heart chakra or with the outer eyes and the twelve petaled heart filled with fear and the darkness of our ambition, that hardness of heart, the salts of the ego, the calcified heart. This is *the initiation of the heart on the path of personal Christhood*, both of these cosmic cycles are in Leo in 2019 in the 32nd year *to clear the heart of the ignorance of the hatred of the Guru, in the subconscious* accrued down through the ages. So that when the cycle of the Path of Personal Christhood changed on November 1st, 2019 onto the eight o'clock line in Virgo and the cycle of the initiation of our eight petaled heart chakra moves into Virgo in the 33rd year on February 21st, 2020 we will willingly face our dweller that stands before the Divine Mother and her Daughter giving birth to Christ within our Hearts as we stand upon the mountain of Maitreya in Capricorn at the Y in the road *and slay the dweller*.

We stand in the concluding days of the year 2019, standing in the shoes of Hamlet in *the dark night of the spirit* for some and *the dark night of the soul* for others. We are taught that those who have balanced 51% of their karma enter *the dark night of the soul* to face their dweller, the personality and identity of their not self, their egos and must choose to walk the inner path of the inner heart or remain in the outer and face their dweller, who comes to devour our Christ self, that the soul has rejected. Those who slay their dweller or who call upon the Lord to bind their dweller, as taught by Maitreya, become the Christ in service to the Guru in Virgo in

the 33rd year. Whereas, those who have stood upon the mountain with Maitreya and the scarlet beast in 2019, as God gathers the fallen ones to Capricorn for the coming of the Lord, and are standing at the Y in the road and choose as did Hamlet to bow to their dweller, rejecting Maitreya, have begun the dark night of their spirits. The latter are cut off from God until the second resurrection, they will be, we are told, sealed in hell for the next 1000 years as foretold in Revelations 20:5.

Saint Germain taught us that in 1989 the dark night of the soul began, to be followed immediately by the dark night of the spirit. The dark night of our soul is the return of our karma, to face the conscious identity of our karma we call the personality of the soul, our dweller on the threshold of consciousness. The dark night of the spirit is to stand alone in the outer, all one on the inner and slay the dweller *or* become the dweller and be cast out of the mystery school, the Garden of Eden, America, again.

All are choosing in 2019 where they will stand in 2020, on the mountain with Maitreya. We are preparing to play our roles to fulfill our destinies in casting out the serpent on the East Gate that we call the Dragon over America. This is the very Dragon that stands before the Divine Mother to devour the Christ self of the I AM race. **Here is how 2019 is ending. These are our final tests that will determine where we stand at winter solstice to bring in the new year.**

➤ **Psyche (the Watchers) enters Capricorn**

on November 17th, 2019 in the 3rd decant 6th house on the 7th house cusp. The soul is called to renunciate the leadership of the Watchers and follow the Masters. We are given the simple choice in the 6th house; follow the Masters and their standards or follow individuals that claim to lead by policy in the 7th house cusp. We are given the choice follow God, the inner man or individuals who have power within organizations. Some are following the inner path; others are following outer dominant egos within organizations. ➤ **Venus (chelas) enters Capricorn** on November 25th, 2019 at 7:28 pm ET in the 2nd decant 6th house, to learn from her experiences in dealing with those who prefer to follow people instead of sitting under their own vine and fig tree and being God taught by the Masters. *Venus is conjunct the Watchers* at 0 Capricorn, a 12-minute orb. The Sun is conjunct the US natal nadir at 3 Sagittarius in the 5th house 3rd decant, ambition. **Venus is called to choose** between devotion to the flame or her devotion to ambition within the organization, the first decant of Capricorn. The ascendant is conjunct US conceptual Sun at 13 Cancer as the soul is called to stand on the ascendant and receive her Holy Christ Self or wear the mask of the *personality* of the synthetic self and carnal mind. Mars is conjunct the Nephilim and Abaddon in the 5th house 1st decant to take to himself the rulership of this nation and church and her people. The people desire power as did Rich Richards over being a teacher, a World Teacher. The price to pay is the betrayal of Saint Germain. All are given the choice to work while we have the light to build the foundation of the Golden Age or to take freedom, freely given and use it to take control of the Organization and the Nation. All stand on the mountain with Satan and Maitreya and decide who rules and how we will rule. All are being tested and writing their future. As you sow, so shall you reap, Revelations 20:4-5.

THE ENCOUNTER WITH MAITREYA

➤ **Venus is exactly conjunct the Watchers**, who caused her to leave off Maitreya and depart the mystery school on November 25th, 2019 at 11:20 pm ET. This occurs 4 hours after Venus enters Capricorn. Venus must choose whom she follows as she stands at the Y in the road on the mountain with Maitreya to slay her dweller or her Christ self and the Guru. See Mother's lecture to staff, "To Kill a Mocking Bird: or 100 ways to kill the Messenger". All are choosing whether to move on in Maitreya's mystery school or be "*Left Behind*". See Revelations 18:4 and 20:4-5. The soul must decide to fulfill her responsibility to use the teachings and the gifts the Masters have given us and be faithful in loving obedience to the Guru and the law. Failing to do so having accommodated (Uranus) the opportunity given us in CUT and USA, rebel against our sponsoring Masters and play out our drama as pawns of Apollyon called Abaddon, triggered by Mars, our unloving boy child. All because of our unwashed debts to the masters thereby taking the Left Handed Path because we are compelled to defend Abaddon and the clock of betrayers. The soul faces her mood momentums that are her attachments to substance, of material and of self instead of facing and slaying her dweller at 27 Scorpio. It is here that Mother prophesied that we would face our dweller having become the Christ or our dweller would destroy the church and the nation, both at 10 Taurus within a 1-minute orb. See Sun Moon at 27 Scorpio and 3 Sagittarius. Slaying the dweller is our debt to Saint Germain to defend this nation and its dispensation to give birth to Christ in her people, by the birth of Christ in you. Venus is conjunct the Watcher(s) in the 1st decant of the 5th house within the organization. This defines the ability to organize the people (KOF) to achieve the Divine Plan because they rule themselves, under Christ or rejecting Christ to rule over others and the Organization they submit to the rule of Antichrist which will not allow them to organize themselves because of the threat that poses. We are determining our future by the decisions and actions we take in 2019. We will reap what we have sown. Mother teaches that we are what we think. We become what we have thought.

➤ On November 29th, 2019 the **Dragon (tail) conjuncts Mother's chelas** at 9 CAP 57 in the 3rd decant of the 11th house, the repression of the Christ in the chela by the soul's personality of her dweller, the synthetic self. Venus the chela must stand on the midpoint between the attack of the *Serpent* become *the Dragon* in 2019 as taught by Mother in the *The Enemy Within* and choose either the Watcher behind her fall from grace, in Maitreya's Mystery School (Eden) or the Guru. We have the choice to follow the way of initiation or the lie of the serpent mind, the carnal mind and all its promises. We stand in 2019 in Maitreya's mystery school to face our decision made in the original mystery school, the Garden of Eden. The same people, the same logic, the same decision point, Gregg Braden calls it "Zero Point". Yet here we stand, and the church is divided. Jesus taught John the Beloved the Book of Revelations because in the end time, our time 2019 we would be divided into SEVEN churches or states of mental defiance and rebellion, one for each of the seven rays. These are the lost sheep amongst the wolves in sheep's clothing in our midst. These are the seven messages to the KOF and American Patriots to leave off our idolatry having squandered our inheritance, bend the knee in the Capricorn cycle that is upon us and come apart and return to our Father's mansions, as the Prodigal Sons and Daughters.

THE ENCOUNTER WITH MAITREYA

➤ The Guru, **Jupiter**, enters **Capricorn** on December 2nd, 2019. The Guru represents the entire spirit of the Great White Brotherhood, and the Hierarchy of the Ruby Ray. The Guru comes to face all who have gathered in Capricorn, having taken God's Power to themselves. They who have usurped the office of the Hierarchies of the Ruby Ray and subverted the authority of its rightful holders of these offices in America and the nations and in the Church. These are they who have gathered together intent on taking heaven by storm, if they could. They are referred to in the bible as the unjust stewards. You know them by their words and by their works. God has put into their hearts (Revelation 17:17) to do his will so that all that is written will come to pass.

The midheaven is at 29 Sagittarius and Jupiter is conjunct the Watchers at 0 Capricorn, a 22-minute orb. God Victory by illumination's flame is the means the Guru will use to enlighten the people to elect leaders whom they will follow to rally to the Gurus. Illumination's flame will reveal to Venus the state of consciousness, those bad habit patterns and mood momentums that are at the root of the chela's failing their initiations. Venus is conjunct the Dragons tail that is poised to devour the Christ in the chela, as foretold of old. *The Dragon (Serpent) stands before the Divine Mother giving birth to the Christ as soon as it is born.* Mother's Mars is at 9 Capricorn 57 within a 10-minute orb of the Dragon in the 2nd decant of the 10th house, martyrdom. The initiation is the 14 tests of the crucifixion as the Christ of the chelas fastens himself to the cross, the cosmic cross of white fire for the judgment. The soul stands at 10 Cancer on the Dragon's head beneath her feet in the fulfillment of the prophecy of the book of Revelations, to crush the serpents head.

finances of the Organization and the nation. We are to use the wealth of the people, their tithe and taxes to pay our debts to Saint Germain hierarch of Aquarius and America and sponsor of freedom and America's technology. We are to use these resources, while we still can, to counter the lies and propaganda of those who have accommodated Saint Germain in our Church and our nation, those who have out pictured the electronic belt of Uranus and threaten to destroy America as they did Maldek (at 14 Taurus) because they rejected the love of the Divine Mother to forgive them their sins and use the Omega return to balance every jot and tittle of their karmic debt. Instead of paying their debt in Scorpio and the 8th house by cutting their ties to the false hierarchy of the Nephilim on planet Earth they have defended Abaddon and rallied to him and now stand with the king of the locusts out of the pit to make war against the Lamb and his faithful. Mars is midpoint between Uranus and Vesta (Maldek). That is to say Mars is in opposition or polarity to the midpoint. Mars is come to take by force of aggression the resources of the people in the Church and the Nation. They have come to take heaven by storm. This is the intent now emerging from the unconscious in Scorpio into the subconscious. The hand writing is upon the wall. Forewarned is to be forearmed.

For this purpose, the Guru is come to deliver the judgment of the Father upon the unjust stewards in the Church and State.

THE ENCOUNTER WITH MAITREYA

➤ **Venus** takes the Dragon by its tail on December 3rd, 2019 as **she conjuncts the Dragon** the day after the Guru enters Capricorn. Venus is conjunct Mother's Mars, her chelas, within a 13-minute orb to take the Dragon by the tail and demonstrate her mastery. The chela calls upon the Lord, the Gurus, the Ascended Masters of the Great White Brotherhood that we call the ascended saints in heaven, to bind the Dragon over America and the Church that stands before the Divine Mother giving birth to Christ in you and me. We are called to demonstrate that the Dragon has no hold over the soul as past habits and momentums. We are required to do this before it can be cast into the lake of sacred fire on the God Star, Sirius. This test takes place on the third house cusp at 13 Cancer conjunct the US conceptual Sun conjunct Sirius at conception. The soul stands at 9 Cancer in the 3rd decant of the 2nd house, master of her ship (mastership) over all possessiveness, Kuthumi calls attachment to substance, material and of self, in the 3rd decant of the 8th house where Venus takes the Dragon by the tail with the attainment, she has won by the fall of 2019. By her attainment she fulfills her responsibility to our Gurus who are conjunct the Watchers in the 2nd decant of the 8th house. By fulfilling her responsibility to her Guru(s) the soul pays her debts to the Guru who comes to bind the Watcher who was the one who drew the soul from the Garden of Eden, from the Guru. Now the soul and her Guru are ready to face the Dragon and the Watchers the following day, December 4th, 2019.

Fulfilling this responsibility to life and to our Guru(s) is the requirement of the law in order to defeat those who have taken heaven by storm, the unjust stewards in the 6th house. The messenger of the Sun, Mercury at 22 Scorpio tells us that we must master possessiveness (attachment) the substance of the ego and its pride and renunciate all the passions of those who are infatuated with self-love in Scorpio. These are they who out picture Mars conjunct Apollyon, the locusts who rally to their king, Abaddon and go to war with the Lamb to fulfill the imaginations of their hearts. Amitabha tells us they are poisoned by the perceptions of their personalities. Mother teaches us that this is the personality of the dweller on the threshold of consciousness.

- **Venus** arrives 4 hours later on December 3rd to **conjunct Mother's Mars**, her chelas at 8:10 pm. The soul of the chela must pay her debts to her Guru, before the Guru conjuncts the Watchers and the one responsible for the soul's departure from the mystery school (Garden of Eden and today in Maitreya's Mystery School in the Community of the Holy Spirit, the Western Shambala.) Many have been called but few are chosen who will pay their debts to return to the mystery school and the ascension. Many more are self-deluded by their self-love.

Venus must be able to learn from her experiences having conjunct the Dragon and taken it up by the tail to pass her initiations in the Alpha cycle on the Omega return as Mother taught us in her July 4th Address in 1993 following the Seven Elohim's dispensation regarding our dwellers and the mega-conjunction in Capricorn in January 1994. Mother taught us that her chelas (her Mars at 9 Capricorn 57 minutes) fail their initiations in the Alpha cycle. This is important because the initiate must stand in Capricorn and precede the Guru to confront all gathered in Capricorn to devour our Church and our Nation. This is an inner initiation of the secret chamber of the heart where we are called to demonstrate our Christ mastery by attainment on the five secret rays. We stand on the mountain in Capricorn in the 32nd year in Leo in the 4th year of our inner initiations within the secret chamber of our hearts having prepared to meet these challenges in the fall of 2019.

THE ENCOUNTER WITH MAITREYA

- The Guru, Jupiter, confronts the Watchers. **Jupiter conjuncts the Watchers** at 0 Capricorn 25 minutes in the 3rd decant of the 11th house, repression. The Watchers deny the Christ in themselves and in the initiates, they deny the office and authority of the Guru, even the Hierarchy of the Ruby Ray. This is the sin against the Holy Spirit of our God. The Guru represents to man, our God the Mighty I AM Presence.

The Sun represents the Father in the SON and Kuthumi teaches us that we are our SUN when we are the SON, our Christ Self. The Sun is at 12 Sagittarius in the 1st decant of the 11th house, the originality of our soul's blueprint, made in the image and likeness of God, our SUN.

The messenger of the Sun comes to the stewards, the chelas, and reminds them of the Father's will. The soul is reminded of their origins in God made in heaven. The soul now must choose between that origin and the origin of their fall from grace. This choice is the choice between obeying the messenger of our Sun, our Guru Jupiter, Guru Ma and the Watcher who is tied to the origin of our fall from the mystery school. We stand at 0 Capricorn 25 minutes and

must choose between the Guru and the Watcher who denies the spirit of our God, our origins in God, and our bond to our Guru. We stand on the mountain with Maitreya and Satans and must choose whom we will cast out. No choice is the choice of silence of denying our God. What we choose, our Guru will ratify by the power of Heaven. Now is the hour to cast out the ties to that one...he was instrumental in our fall from heaven. He is tied to that Wicked One in the Middle East who is tied to that one in the Matter Universe, now in the 36th year, of our soul's final declaration of independence from these fallen ones.

THE ENCOUNTER WITH MAITREYA

- On December 11th, 2019 **Venus conjuncts Saturn** at 19 Capricorn 4 minutes. Venus, the faithful chela who has strived to assimilate the Teacher and the teachings, stands in the initiation of God Power to demonstrate her mastery of her ship (her mastership) of *LIGHT*, that she will not squander it, giving it to the Satans and her own *personality*, her dweller, Pluto. The initiate must stand in the Odyssey of her soul as Odysseus the master of his ship and crew in Capricorn and keep the eye on the goal of getting home and sacrifice the will (volition) of the personality in Sagittarius for the Sun, her SON, in the face of all the lies and propaganda in the 3rd decant of the 1st house occupied by our Sun.

The initiate must face the Satans in our midst and cast out Satan as Jesus did with Peter. As Mara's daughters tried with Siddhartha. They will tempt you with materialism, Kuthumi teaches, material substance or substance of self, the vanity of your ego. They will offer you position and standing in the Community or a job in government. It is a buy-out. An offer to sell out the Guru Jupiter who stands at the GALACTIC CENTER, 1 Capricorn conjunct the black hole at the center of the Galaxy. The Guru stands poised to bind the tie to your soul by the chain of false hierarchy that has kept your soul in bondage since your fall from heaven (EDEN). For some this has been 2 million years as with Mother, for others less and for the Fourth Root Race, the remnant it has been at least a half a million years. The Guru is waiting your decision which way you will go, by your own free will.

You stand on the Part of *Your Fortune* at 0 Gemini on the 5 o'clock line of God Wisdom, at the turning point in your path home, the decision point. You stand in the 1st decant of Gemini, in listening grace of your soul's intuition and your mind is one pointed, or you stand dual minded possessive of your relationships to others not your Christ Self and your Guru and are willing to betray your Guru for promised power to rule the organization and the nation, as you stand on the mountain in Capricorn with Maitreya and Satans, in exact conjunction.

You are facing that which is within you, your subconscious at the nadir, 1 Pisces, your personality of your dweller, the Black Moon Lilith. Your personality, as yet unchallenged now confronts you, the faithful chela of Mother at 9 Pisces, Mother's Venus, her chelas who have assimilated her and the path. Now the soul faces that remnant of her personality. Lilith that wants to do it her way. This is the part of the soul, yet unredeemed, that still believes the lie of the Serpent in the Garden of Eden that down through the ages has now evolved, Mother tells us, to become the Dragon of Revelations, our dweller that still competes with Maitreya for your loyalty and loving obedience. Lilith is in the 1st decant of the 4th house, she embodies your untransmuted desires, your mood momentums, your attachments to material substance and your vanity, as taught by Kuthumi. These must be challenged now, by casting your Ruby Ray Anchor into the Ascended Masters octave and calling upon the Lord to arc the light into the unredeemed energy veil to consume all desire and sense of separation from God (Lilith) and Guru Ma. This must be done before it manifests as strong illusion in Neptune and you become an electrode of the collective consciousness of group think and co-dependency of this generation who have swallowed the lie of materialism and its dialectical belief that hu-man can *take* dominion over the earth, in the 4th house.

THE ENCOUNTER WITH MAITREYA

➤ The last test of the year before we are sealed in the victory at Winter Solstice is **Venus conjunct Pluto**. Venus, the faithful chela, conjuncts her dweller on December 13th, 2019. Venus has taken all her experiences on her journey to and now through Capricorn and by the sum of who she has become, what she has thought, she now faces her dweller standing at the Y in the road upon the mountain with Maitreya.

The soul stands at 21 Capricorn 48 minutes in the 2nd decant of the 12th house facing the initiation of sacrificing herself, her personality, by casting *herself* upon the rock of Christ and leaping into the arms of the Guru in the secret chamber of the heart. She stands in the 3rd decant of Capricorn, *idealism*, and trusts in the Guru and the teachings which she understands

by the grace of the Holy Spirit. The soul is ready to slay the dweller. She does not fear or tremble but speaks the FIAT of the I AM Presence. She stands in her SUN as the SON and speaks the Word Incarnate, affirming the original blueprint in the 1st decant of the 11th house and claims her victory over her dweller, like Siddhartha, Mara flees.

The soul stands on her North Node in the 1st decant of Cancer (Mood Momentums) in the 3rd decant of the 5th house, ambition, and casts out the Dragon, that old Serpent and his lie that we can build a better mouse trap, a better civilization.

A lot is going to transpire between now and the end of the year, at winter solstice. It will define who we are. It will determine what God can provide the Masters in terms of dispensations and light to meet the challenges of Jupiter the Guru delivering the judgment to the nations. It will determine what God can do for the lightbearers as he tears down the nations and the churches to their foundations in the coming year and in the years to come.

THE YEAR END THE ENCOUNTER WITH MAITREYA

- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...Saint Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
