

# FINAL TEST OF THE YEAR 2019

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

## Lunar Dragon Conjunct Mother's Chelas

November 29<sup>th</sup>, 2019 the Dragon's tail conjuncts Mother's celestial Mars at 9 Capricorn 57 in the 3<sup>rd</sup> decant of the 11<sup>th</sup> house. Beware, the backlash of the Dragon's Tail. See the dictations in the reference section at the end of this document, see what the Masters have said about the backlash to discern how it might apply to you in the events in your life happening at that time.

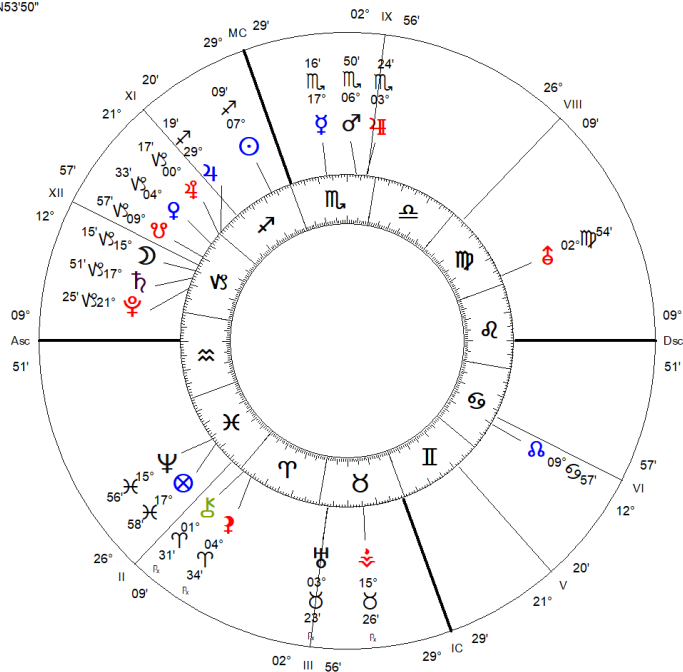

The soul must meet the Dragon under an intercept heart chakra in the 8<sup>th</sup> and 2<sup>nd</sup> houses. We are being tested at the end of the year to claim our soul's victory in the initiation of our hearts in 32<sup>nd</sup> year in Leo as we begin our 33<sup>rd</sup> year in Virgo on the Path of our Personal Christhood on November 1<sup>st</sup>, 2019 under an intercept heart chakra. We have come to the 5<sup>th</sup> and final year of God Mastery of the five secret rays to slay our dweller, Pluto, in Capricorn.

## Heart Chakra Intercept

All our cycles are converging in 2020 in Capricorn with the Guru, Jupiter. We must meet these coming major challenges of this lifetime from the inner heart chamber, the 8 petaled

chakra not the outer heart that is intercept. We must stand on the mastery of the secret rays by the 8<sup>th</sup> ray standing in the 8-petal chakra in Virgo on the cusp of the 8<sup>th</sup> house with Pisces on the cusp of the 2<sup>nd</sup> house. We are called to out picture God Justice by using our attainment of the secret rays to pay our debts in Virgo that are come due in the 33<sup>rd</sup> year on the path. *This is the test of Job*. It is the test of the soul's bond to God, the Guru. We are called to demonstrate our soul's mastery by renunciation (Virgo 3<sup>rd</sup> decant) of that which came through Leo and emerged as *Ambition* in Virgo that is conjoined Transpluto at the Y in the road having taken the outer path that seemeth right. Now the soul faces Transpluto in Virgo in the 33<sup>rd</sup> year bonded to the soul's ambition and must now face her returning karma on the Virgo Pisces axis in the second and eighth houses as the fallen call in our debts to them, the karma of rejecting God on the mountain with Saturn, Maitreya and Satan.

There are, Mother tells us, 33 initiations. This is the 33<sup>rd</sup>. It begins on November 1<sup>st</sup>, 2019 when the Path of Personal Christhood enters the 33<sup>rd</sup> year in Virgo. It will test our soul's union with God as Jupiter comes to close a twelve-year cycle as she leaves Sagittarius and begins anew the cycle of twelve on December 2<sup>nd</sup> and she enters Capricorn for the Turning of Worlds. We enter the new year to meet this challenge, those who pass their initiations in 2019 on the Path in Leo, the Heart of the Sun and their tests of the initiation of their hearts by the Holy Spirit in the 32<sup>nd</sup> year in Leo will now stand on their attainment in 2020 of their Heart's union with God's heart, their Son, one with the Sun Presence to meet the confrontations in Capricorn when the soul enters the 33<sup>rd</sup> year of the initiation of the Heart by the Holy Spirit on Feb 21<sup>st</sup>, 2020. It is then that the test of Job will intensify, the 33<sup>rd</sup> initiation and the soul's testing. Study the 33<sup>rd</sup> lesson of the Keepers of the Flame lessons and commune with El Morya to pass, through this testing of our souls. As said in the beginning, "that will try every man's soul", so in the ending.

2

Those who stand apart, having *renounced* Transpluto and taken the inner spiritual path now stand in the 1<sup>st</sup> decant of the 9<sup>th</sup> house in *devotion* to the Guru and meet the challenge of *Abaddon* we call Apollyon at 2 Scorpio. We are able to meet this challenge because we stand in the secret chamber of the heart by the mastery of the secret rays. The soul is able to stand in the final testing of the year and *renunciate* the *lies and propaganda* of those who stand in Pisces in the 3<sup>rd</sup> decant of the 1<sup>st</sup> house. These are the lies of those who claim their victory in 2019 who have achieved their outer gains at the expense of their souls. They stand in Neptune in Pisces in the 3<sup>rd</sup> decant of 1<sup>st</sup> house having *believed the lies* (3<sup>rd</sup> decant 1<sup>st</sup> house) having deceived themselves believing that their sacrifice has (Pisces 2<sup>nd</sup> decant) won them their victory. Having believed the lie they have given identity and consciousness (outer personality) to the lie. Now they must lie down with their dweller to whom they have given their power. See Mother, Jesus and Kuthumi in, *The Enemy Within*.

This is the final testing of the year. The soul standing in Leo in the 32<sup>nd</sup> year of the initiation of the heart by the Holy Spirit having assimilated the Guru, the Teachings, and the law, demonstrates her mastery of the all-pervading Wisdom of the Dharmakaya having transformed this consciousness of the outer personality of the synthetic self, her dweller. The soul has assimilated the Guru and the teachings invoking illuminations ray that consumes ignorance in the 32<sup>nd</sup> year in Leo imparting, Maitreya teaches, wisdom. The soul stands at the Y in the road in the final phase of our souls testing on the Mountain with the initiator Maitreya and the Satans and demonstrates her mastery of the law and the path of initiation of the heart.

# FINAL TEST OF THE YEAR 2019

[ note: all discussion in this document is addressing this November 29<sup>th</sup> chart.]

## The Dragon's Tail

The Dragon conjuncts the chelas of Mother. Mother taught us that her Mars at 9 Capricorn 57 is her chelas. They are in her celestial sixth house of the chelas' service to the Guru. She also taught us that her chelas consistently fail their initiations on their weakest point in the Alpha cycle of their astrology. The Alpha cycle is from 0 Capricorn to 30 Gemini. The Dragon conjoins the chelas in the 1<sup>st</sup> decant of Capricorn, *organization*, in the 3<sup>rd</sup> decant of the 11<sup>th</sup> house of the *Community* and of those who are *elected to represent the chelas* to uphold the Guru, the 24 Elders, the Board, the 70 Elders, and the staff. This 3<sup>rd</sup> decant of the 11<sup>th</sup> house is where the chelas face the *repression by the Gentiles*, those in *the outer Organization* who have gone to war with the Messengers, the prophets of the Seventh Angel in the nation (Rev 10:7 – 11:7).

Now the Dragon stands before the Divine Mother giving birth to Christ in you, the faithful chela, to devour the Christ as soon as it is born. This is the initiation of the hearts testing in Capricorn of the soul's birth in Christ in the secret chamber. The soul is called to publicly demonstrate the mastery of the five secret rays to defend the Christ born in you by calling upon the Hierarchy of Capricorn, the Great Divine Director and the Seven Archangels and of the Sun in Sagittarius, Lord Maitreya and the Lords of Mind to take up the sword of the Cosmic Virgin and slay all attacking the birth of Christ in you. Call to Krishna to stand with you to slay your dweller. Defend the Christ child. Mother teaches in *The Enemy Within* that in the Garden of Eden we faced the Serpent, the creation of our dweller and that now at the end of our evolution *the Serpent of our dweller has evolved to become the Dragon of Revelations*. The Dragon and his tail is our personal dweller and the collective (un)consciousness of our planetary dweller.

The Dweller's Dragon's Tail is conjunct the chelas of the Messengers and the Masters to *repress* the soul's union with her Christ Self, the alchemical marriage. The Dragon has come to devour the new Christ child. This is the test Krishna faced with Pootna and her brother. The chela stands facing the challenge of the Dragon, her dweller on *the midpoint* between:

- i. Moon and Venus
- ii. Pluto (dweller) and Jupiter
- iii. Pluto and Watchers (Psyche)

The chela and her dweller are midpoint between Venus and the Moon. The chela must face the opposing forces of her assimilation of the Guru (Venus), the love between Guru and chela that is key to assimilating the teachings of the Guru, to become like her. She faces also the chelas' failures because of the influence of the Moon on her residual desires now manifesting in Scorpio (I Desire) as the Personality's perception of the Guru and her unredeemed passions or lust for the light of the Guru in transiting Mars at 6 Scorpio in the 9<sup>th</sup> house 1<sup>st</sup> decant of her soul's *devotion* to the Guru. The Moon is in the 2<sup>nd</sup> decant of Capricorn in the 12<sup>th</sup> house 1<sup>st</sup> decant, *Verity* in the face of *Martyrdom*. Venus is in the 1<sup>st</sup> decant of Capricorn, *Organization* in

# FINAL TEST OF THE YEAR 2019

the 11<sup>th</sup> house 2<sup>nd</sup> decant of the Guru's and the Masters' *Inspiring* the soul who is receptive, who has fastened herself to the cross, the Cosmic Cross of White Fire. The alternative is the soul governed by Mars' desire and her Passions in Scorpio, ruled by the Moon and whose mind is programmed on the lower mental plane to the mass consciousness of the collective conscious as described by Mother, Jesus, and Kuthumi in *the Enemy Within*.

The chela also faces the Dragon at the midpoint of her Dweller's confrontation with the Guru, Jupiter and the Watchers at 0 Capricorn. The dweller, Pluto, is in the 3<sup>rd</sup> decant of Capricorn in the 12<sup>th</sup> house 1<sup>st</sup> decant, *Verity*. The Soul faces the judgment of evil in the Matter universe and our tie, on planet Earth to that one whose focus is in the Middle East who came directly from the vortex of the Wicked One who is sealed in the Black Hole in the Matter universe by Seraphim and Elohim. We on Earth have been given a four-year cycle of testing to choose to follow our *Sun* (Son, Christ) or the *Watchers* beginning on winter solstice 2016 governing the divine plan of 2017 as we faced the TSQ at 28 Sagittarius of the midpoint of the Sun and the Watchers. 2018 saw the Watchers trigger the ghost of the 2017 TSQ on winter solstice 2017. Then on winter solstice 2018 the Watchers conjunct the Sun at 29 Sagittarius defining our challenge in 2019. Now at winter solstice 2019 the Watchers will conjoin the Sun at 0 Capricorn, defining the challenge and the divine plan for 2020 as Jupiter enters Capricorn to deliver the judgment of evil in the matter universe upon the power elite and false hierarchies of Terra. Jupiter transits Capricorn throughout 2020 to conjunct all who have been gathered in Capricorn, the Dragon, the Watchers, the Satans, and the Planetary False Hierarchies, the Illuminati, the ICCC and world bankers and financiers. For co-measurement read Archangel Zadkiel, *The Vials of the Seven Last Plagues* to understand what is coming upon the earth and your initiation and testing in 2020. Jupiter enters Aquarius conjunct Saturn on winter solstice 2020. The test of the chela and every soul in 2020 is to keep the eye on the goal, the light at the end of the tunnel and know the promise of the teachings, the Teacher, the Path...the flame in the heart, *not* the outer organization. Those who keep the vision are the nucleus of the white cube of the Church Universal and Triumphant.

The harvest of 2019 is the fruit of lifetimes of striving on the path, of personal Christhood. The soul enters the 33<sup>rd</sup> year in Virgo on the Path of Personal Christhood that began on November 1<sup>st</sup>, 1987. This harvest this year will determine what the Great White Brotherhood can do for the Planet and her evolutions and this Nation as we prepare to go into 2020 at winter solstice and the light cycle of the year of the confrontation with the False Hierarchies of Terra. The outcome will be a Golden Age of Light or an Age of Great Darkness that the world is calling "the Great Transformation" and "the Fourth Turning", some might even remember, "the Brave New World".

This fall we are producing the harvest of chelas who give birth to Christ in their hearts who will emerge from 2020 to stand at the River Jordan before the Guru to receive the mantle and the anointing to begin their 3-year Christ mission in the 34<sup>th</sup> year on the Path in the initiation of the Heart, of the Chela and America, the Heart of the Planet...Earth. Some must bear the fruit for life to continue on Terra. It all depends on you. You can count on none other. We stand in the fall harvest cycle of the year 2019, in the third year of the Sun's judgment of the Watchers. The judgment comes in 2019 as Jupiter conjuncts the Watchers at 0 Capricorn 25' on December 4<sup>th</sup> in the 11<sup>th</sup> house, 3<sup>rd</sup> decant. The Watchers have re-entered Capricorn *to organize* an attack on

# FINAL TEST OF THE YEAR 2019

the Guru, the Seventh Angel (Uncle Sam) and his prophets, the Lamb and his chosen and faithful. The key to delivering the judgment is Christ in man, the harvest of the Son of Man, his chosen. The Guru comes in the night of Capricorn and takes those with oil in their lamps. He has chosen. *Now the Guru and Chelas move to fulfill all that is written, beginning in 2020.* This is the final test of the year of souls who have prepared to this hour. They stand in Venus at 4 Capricorn midpoint between the Dragon and the Masters (Jupiter) or the Watchers. The chela must stand in the night and choose whom to follow, which road to take.

## Y in the Road

The predominant configuration is the Yod. This is the Y in the road as taught by Mother and the Masters. The point on the path when we must face the confrontation with our dweller on the threshold of consciousness. Please see Climb the Highest Mountain Series, *Christ and Antichrist; The Enemy Within*; and the *Lost Teachings*. We are standing at the point of decision upon the mountain as did Jesus with Satan and Maitreya, Saturn as taught by Mother. You must choose to take the left-handed path or the right-handed path, going forward. All is not as it appears.

We entered this testing of our souls as the Sun entered Taurus in 2018. The soul stood at the Y in the road having prepared she came to Pentecost 2018 filled with the Holy Spirit in the 31<sup>st</sup> year of the initiation of our Hearts by the Holy Spirit in Cancer for the public demonstration of the God Mastery of the secret rays standing in the secret chamber of the heart. Please review the initiation of our hearts on the path of personal Christhood in 2018, see the documents from the spring of 2018 in the archive on the web site.

This initiation at the Y in the road began in 2018 when Chiron entered 1 degree of Aries on May 17<sup>th</sup>, 2018 and lasts until February 13<sup>th</sup>, 2020 when Chiron leaves the 1-degree orb to Mother's midheaven. This window of time is for the testing of our soul's bond to the heart of the Messengers for the purpose of testing the bond of our hearts to Lord Maitreya. See Goddess of Liberty August 10<sup>th</sup>, 1985, "The Twenty-Four Year Plan". We are called to slay the dweller to meet the challenges of the soul in the Test of Job in the 33<sup>rd</sup> year of the Initiation of our Hearts in the 33<sup>rd</sup> year on the Path of our Personal Christhood, in Virgo.

We stand on the apex of the Yod, the point where the road branches, in the initiation of our hearts and must choose. Mother gave this prophecy to all Keepers of the Flame in her July 4<sup>th</sup> Address in 1996, titled, "To Be, or Not to Be". Please review. We stand on Mother's midheaven at 2 Aries 7' facing her Nadir and our karma of the ages with her. As we have stood at this exact point with her in this same initiation so many times and have failed the test because of our karma of the hatred of the Guru. We have not entered the heart's secret chamber on the 8<sup>th</sup> ray to surrender to love, to love's obedience and cast our ruby ray anchor into the octave of the Sun behind the Sun of Mother's celestial Presence and arc the light to consume the darkness rising as the astral sea to overcome the soul causing her to betray the Guru by failing our test.

We stand on the midheaven and must choose during the dark night of our soul while we are confronted by Chiron. Chiron represents complex patterns of the conditioning of our souls so

# FINAL TEST OF THE YEAR 2019

that we are preconditioned to fail the Guru, the Ascended Masters and their unascended representatives these last two million years as we have come to stand with Mother during her sojourn in matter.

The soul has been called in this our final lifetime having prepared for many lifetimes to meet this final challenge. We stand having been initiated and tested during the 24-year Plan (1985 – 2009) and now having our attainment in the heart of the Guru tested from August 2009 till the present. These are the ones who are the proverbial vestal virgins who have arc'd the light at the midheaven and have stored the *oil* in their *lamps*. They now stand in the end of cycles on Mother's midheaven and face the great central sun around which our Galaxy revolves at 1 Libra, standing in the Secret Chamber of their Hearts, in Leo in the 32<sup>nd</sup> year of the Initiation of their Hearts by the Holy Spirit and arc the light of the Great Central Sun of Alpha and Omega into the energy veil and their planetary karma *to slay their dweller*. Souls who have not yet arrived at this level of attainment, Maitreya tells us, but who never-the-less have bonded to the heart of the Guru, stand in this final testing of the soul and *Call Upon The Lord*, the ascended masters who come, Maitreya teaches us in his dictation, "The Six Pointed Star of the Lord of the World", and bind the dweller and occupy the vacuum until the chela can attain to her Christhood.

The soul stands at the Y in the road conjunct the midpoint of Chiron and the Black Moon Lilith. The soul stands in God Control at 3 Aries 2' of her mental body in God *determination*, 1<sup>st</sup> decant of the second house over the records of the past and is able to meet the challenge of those around her who are out picturing Lilith, the souls who deny the masters by claiming they will do it their way. This is the Black Moon Lilith, the Castaway. This is our test at the Y in the road, to sit under our own vine and fig tree and bear the fruit of the vine and not follow after these fruitless vines. We must meet this challenge in the harvest cycle of the year 2019 for the public demonstration of our mastery of the five secret rays in Leo, the initiation of God Gratitude. Here we stand with Job preparing to meet his test, *The Test of Job*, beginning on November 1<sup>st</sup>, 2019. We are making our choice and moving forward at the Y in the road, on the Path of Personal Christhood, into Virgo, the 33<sup>rd</sup> year of initiation of our soul's preparing the wedding garment to qualify our soul for the alchemical marriage, the Transfiguration. We are preparing for the coming initiation and testing of our personal Christhood to stand with the Lamb and face Abaddon and his legions, who come in 2020 to make war with the Lamb and his faithful. As we meet the challenges on the Path of the Ruby Ray on the Path of the Bodhisattva.

At each fork in the road we face challenges. At 3 Scorpio we stand on the 9<sup>th</sup> house cusp of *devotion* to the Guru, the teachings and the law, one with our Christ self and the Guru to judge our dweller. Here we face the Nephilim pantheon of gods and Apollyon, who we call Abaddon, with the Lamb to meet the test of the judgment of our dweller. At 2 Virgo we stand in the 7<sup>th</sup> house 2<sup>nd</sup> decant to declare our *independence* from the programming, the genetic engineering of our four lower bodies and declare our final Declaration of Independence as we stand with Archangel Uriel on the 6<sup>th</sup> ray to cast down our dweller. The soul stands on Mother's Midheaven and casts her *Ruby Ray Anchor*, given us by Archangel Michael and Gautama Buddha to enhance the 12 God qualities of the twelve constellations, the twelve Hierarchs on the twelve lines of the clock. We are casting the ruby ray anchor to the octave of the 12 Hierarchs and the Great Central Sun at 1 Libra, the Sun behind the Sun. Our slaying or binding of our dweller is synonymous with the casting into the flame, our karma with Mother whose nadir is 2

# FINAL TEST OF THE YEAR 2019

Libra. This prepares us to stand before the Guru at the River Jordan in 2021 on the 9 o'clock line of Libra in the 34<sup>th</sup> year on the path of our Personal Christhood to be anointed by the Guru with the mantle of our Christ's mission as promised by Sanat Kumara.

## Sun in the Etheric Plane of Sagittarius

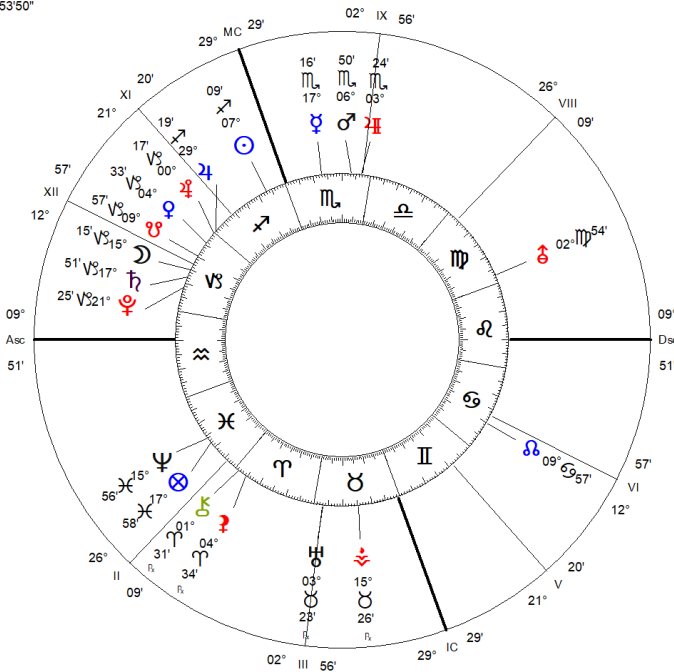

During this final test of the year the Sun is at 7 Sagittarius 9' in the 1<sup>st</sup> decant of the 10<sup>th</sup> house. Maitreya and the Lords of Mind are initiating the soul in the God victory over the dweller in the eleventh hour. Maitreya is teaching us how to win the victory over the dweller who rises in the final moments to devour the Christ, as soon as it is born. The lesson Maitreya teaches is to hold fast to the law in *devotion* to the Guru who guides the soul through the labyrinth of the

complexities of the law and the testing within the Organization and the organization of the law and how we have organized ourselves by the decisions we have made to this date, individually and collectively.

The Sun is on day 7 of the sun in the etheric plane of Sagittarius testing the soul in the 7<sup>th</sup> ray in her etheric body to wash clean by the 7<sup>th</sup> ray all that opposes the soul's *devotion* to the Guru and the law, the line that protects the soul's alignment with her Christ Self and I AM Presence within the Organization and in how we are organized to meet the challenge at the Y in the road as both Apollyon 3 Scorpio and Transpluto at 2 Virgo stand in the 7<sup>th</sup> and 8<sup>th</sup> houses in the doorway to prevent the soul's victory in 2019. The power of the multiplication of Community in meeting this challenge cannot be underestimated, by the power of the trine, the Grand Trines of the casual bodies those in Community, as taught us by Mother Mary.

The Sun (Son) is come on the 7<sup>th</sup> day in the etheric plane of Sagittarius to test the soul in her etheric body in the physical plane of the year's harvest to overcome the obstacles of the new Moon (Nov 26<sup>th</sup> – Dec 4<sup>th</sup>) and to call upon the light of the Hierarchy of Sagittarius to consume the influence of the Moon on the residual desires of Mars, the as yet unredeemed boy child. The Moon is at 15 Capricorn in the 1<sup>st</sup> decant of the 12<sup>th</sup> house influencing Mars at 6 Scorpio in the 1<sup>st</sup> decant of the 9<sup>th</sup> house. The Moon is magnetizing and amplifying the soul's residual karma of her Scorpio *perceptions* of her personality and its poisons of the untransmuted Martian *passions*.

# FINAL TEST OF THE YEAR 2019

The soul's coveting the light, therefore her debts of the misuse of the light of Mother and her representatives. This unresolved karma with the Mother's light can undo the soul's *devotion* to the Mother and her testing on Mother's midheaven at the Y in the road. It can be used by the planetary dweller to magnetize the grids and forcefields of the Hatred of Mother and the feminine ray of which Mars is the fall. This is the teaching of Master Kuthumi in *The Expose of the False Teachings*.

## **Mercury, Messenger of the Sun**

Mercury represents the Messengers. It also represents the messenger of the Sun's purpose. It is the voice of the Sun as was Aaron for Moses. Mercury delivers the message of the stars, the teachings. Mercury is at 17 Scorpio in the 2<sup>nd</sup> decant of the 9<sup>th</sup> house. Mercury instills in the soul who will listen her *responsibilities* as ruler of herself as she meets the challenges in the fall of 2019 at the Y in the road with those to whom she is tied. These latter are her crew in the Odyssey of her soul's journey home. The soul must she is told be single eyed, the pure of heart to hold fast her single mindedness to the law and the path in the 9<sup>th</sup> house. There are many distractions for the soul in Taurus on the lower mental plane that trap the soul pulling her down into her lower mind in the lower mental plane in the 3<sup>rd</sup> house. Many are seeking the passions of their desires in Scorpio blinded by their karma, they don't see the dangers of the karmic web that is entangling them in its grasp as the dweller takes total control of their souls, at the Y in the road. The end of which is death, the death of the soul in Scorpio that manifests in the 8<sup>th</sup> house in Libra, intercept, the death of the Holy Spirit, the three-fold flame of the heart.

Mercury is opposed by Vesta at 15 Taurus in the 2<sup>nd</sup> decant of the 3<sup>rd</sup> house. Vesta is named after a very large part of the once planet, Maldek, between Mars and Jupiter. It represents the midpoint between the chela Mars and the Guru Jupiter. It represents the failure of the bond to the Guru and the price that was paid, the death of a planet and its evolutions in the second death. It also represents by its name, the rejection of the love of the Divine Mother of this system of worlds Lady Vesta and the price that was paid. It speaks of the laggard evolution of Maldek who the Masters tell us remained silent and did not take a stand to declare their Independence thinking to bury their heads in the sands to thereby avoid the confrontation with their dweller and those of others to whom they were tied. They were not *true to themselves*, their real self. They failed in the test of *fidelity* to their Christ mind.

Mercury warns the soul to be single eyed. To surrender in loving obedience to choose to be on the higher mental plane filled with the consciousness of God in the 9<sup>th</sup> house in *devotion* to the God Flame. And to wash 7 times in Taurus Scorpio and to use the 4-10 axis clearance to surrender all residual Martian energies so that when the Moon comes it will find nothing in me and as El Morya teaches in the 4-10 axis clearance that if the Moon does magnetize and amplify remaining residual karma, it won't stick.

The key, Mercury points out, is that the Moon at 15 Capricorn, midpoint between Venus and her dweller and the collective unconscious of the planet. There is great risk here as the Moon is magnetizing and amplifying our Dweller, to overcome the faithful soul. The challenge will take single eyed vision and loving obedience and, Mother teaches us, immediate obedience.

# FINAL TEST OF THE YEAR 2019

## Jupiter, The Guru, Raboni, Master

Jupiter is come. We the people and the chelas have had the last 12 years being prepared for this, 2007 - 2019. Twelve is a complete cycle of the clock. Twelve is the cycle of the Guru, Jupiter. Twelve is the number of the heart, the heart center, the heart chakra. The Jupiter cycle is wheels within wheels. As such Jupiter is at 29 Sagittarius, ending a complete cycle of *twelves*. Moving outward that is 12 years in each of the twelve solar hierarchies or 12 x 12, or 144 years of initiation of the soul and we are come in 2019 to the line of victory, the line of the Test of Job. Does the soul have what it takes to claim the victory or will she fall short in the 11<sup>th</sup> hour between the cup and the lip. We have prepared since 1875, for the last 144 years since the opening of the Mystery Schools and the grace of God that now only requires the soul balancing 51% of her karma to make the ascension to immortal life. God expects the multiplication of our talents and is come to taste of the fruit of our vines at winter solstice, 2019. See Kuthumi, "The Light of Winter Solstice".

What does the soul see (I see, Sagittarius) standing with the Guru in 2019 at 29 Sagittarius? Is she one pointed, Sagittarius Gemini axis, the word incarnate, single minded with her eye on the goal until she is crowned in Capricorn with love's victory having completed Omega's return. Or does the soul stand on life's journey in the fall of 2019 with a meagre harvest or worse a fruitless vine, with no oil in her lamps. Having come to the wedding without a wedding garment, Revelations chapter 19 verse 7.

Jupiter is in the 11<sup>th</sup> house 2<sup>nd</sup> decant conjoined the Watchers at 0 Capricorn. To the open, receptive hearts Jupiter *inspires*, filling their hearts with illumination's flame, the 3<sup>rd</sup> decant of Sagittarius, *illumination*. The Guru fills the hearts and minds of the chelas illuminating the darkness of the Watchers returned to Capricorn to deceive the people into believing they have their victory, before the fact. The Watchers come having laid their traps while retrograde in Sagittarius of *delicious animal magnetism*. Now they have returned to Capricorn to launch their attack, *malicious animal magnetism*. They have come to Capricorn to gather their forces represented by the Dragon, Saturn, and Pluto. They gather them, Revelations teaches us, under Abaddon, Apollyon, at 3 Scorpio to attack the Lamb (Jupiter) and his chosen and faithful, the victors in 2019. See Revelations chapter 17 verse 14.

Jupiter conjuncts the Watchers on December 4<sup>th</sup> and Helios of the Sun conjuncts the Watchers on winter solstice, 2019, on December 21<sup>st</sup>. The Watchers have been contending for the chelas these last three years, since winter solstice 2016, the beginning of *the Trump Administration* and *the 115<sup>th</sup> Congress* that began on January 3<sup>rd</sup> 2017. We are currently in the 116<sup>th</sup> Congress. The Watchers have been in contention for the Office of the President and its mantle and authority since Winter Solstice 2016. This coming solstice will be the fourth consecutive winter solstice as the Watchers war with the Lamb to take heaven by storm, the Office of the President, an office in the hierarchy of the Great White Brotherhood, among whom is Jesus Christ, the Son of God, Hierarch of the Ruby Ray under his Father, Maitreya.

The Dragon, the manifestation of mankind's misqualified energies we describe as their negative habits and momentums. These momentums taken as a collective consciousness of the

# FINAL TEST OF THE YEAR 2019

people throughout history are, Mother describes, as the rings of our tree of life, the collective unconscious in the physical plane, see *The Enemy Within* and *Predict Your Future*. The Dragon is, Mother tells us, the current evolution of the Serpent we once knew in the Garden of Eden. The Serpent back then represented the state of mankind's consciousness regarding the Guru, the Father of the Son of Man, Jesus Christ. They were in a state of rebellion whose consciousness reasoned that they were charged to bring in God's kingdom into *the world as it was then and is now*. This was the lie that they believed giving it a conscious identity we have come to know as the Serpent in the Garden, the collective unconscious of mankind.

The Dragon's Tail is the revenge and retaliation of the planetary false hierarchy that has personified the personality of the Dragon, making it personal. The Dragon's Tail, our soul's entire evolutionary momentums of misqualified energy is now being manipulated as the Tail's whip to attack the Lamb and his chosen, the victors who have come to 2019 to claim their victory this fall, sealing their victory at winter solstice. The Dragon has come to strip the chelas from the Guru as prophesied by the Guru in 1985, following her trial.

This is *the Test of Job*, beginning on November 1<sup>st</sup>, 2019. It is a window that will be open till February 21<sup>st</sup>, 2021. Study the Book of Job and El Morya's teachings on the Test of Job in the 33<sup>rd</sup> lesson of the Keepers of the Flame. Pay special attention to your dreams, they are memories of your inner retreat experiences inspired by the Guru to occupy your glass darkly when you return to your body in the morning. Pay them heed. Write them down, ask your Christ Self to awaken your inner memory to unlock the lesson of the parable of your dreams.

The Dragon's Tail is the backlash as taught by the Masters, see the section on the backlash in the Ascended Master References at the back of this document. The Dragon is midpoint between Pluto and Jupiter. Pluto is the soul's conscious identity of her conglomerate of misqualified energy that has been growing with every misuse of God's energy throughout the soul's evolution. It has been bound in the lower levels of Hades, Hell. Now it is released to go into the flame as the soul has evolved to take the initiation of Personal Christhood, in her 32<sup>nd</sup> year in Leo under the initiation of her heart flame having been called to be a Keeper of the Flame, many for decades now. Some for up to 70 years now. The forces gather, the Bible tells us, as the Dragon stands before the Divine Mother giving birth to Christ in you, the second coming when we are called to rise up as eagles to meet Him in the Second Coming. The test is we will know him because *we are like him*. The attack is coming upon the Renaissance Nation, America, the place prepared and upon you, the Soul born again in Christ, not as taught of old, but born to the original blue print of the soul made in his likeness, as a Son and Daughter of God.

The Dragon comes as the dweller, personal and planetary to devour your soul in the hour of its rebirth and the manger, that gives the soul freedom to love, the heart of the planet, America. That is their story. It is not the real story. We are told that when this hour is come that they would be as whited sepulchers. They are not real and have no power, only God has power and can act. This is the affirmation of the victors. God is acting and with him all things are possible.

The reality of the events taking place is that *the prophecies are being fulfilled* and the *promises are becoming realized*. The Dragon midpoint Pluto and Jupiter is having the exact

# FINAL TEST OF THE YEAR 2019

opposite effect. God has sent Jupiter, his Son, the Lamb to bind them, the Tares and cast them into the fire. This will happen as God works through the coming events as he acts through his Sons and Daughters who have prepared to this hour to receive Him.

Think of it this way. God is sending His Sons, the Ascended Masters with Jesus, the Son of God in the second coming as he did Moses to deliver the judgment of the Seven Last Plagues, the Seven Trumpet Judgments to cast out the darkness from the promised land, America. Declaring through his Sons and Daughters, "LET MY PEOPLE GO!" This is the promised, "*Coming Revolution in Higher Consciousness*".

## **Venus, the Faithful chela, Chosen by the Lamb, the Guru**

The requirement of the soul seeking the office of chela under the Guru is to fulfill the law of the office in obedience to the Guru. The soul is required also to strive to fulfill the next higher office on her path, that of Christ. Venus is the striver, giving and serving, walking the Path of Initiation under the Guru. Venus assimilates the Guru and the teachings of the Guru. Thereby knows within her soul the challenge of the initiation and is able to shed the not self, the dweller that caused the soul to fall on that step, so long ago.

Venus stands on the midpoint at the Galactic Center (1 Capricorn) to Venus and Jupiter. It is said that the Galactic Center is a Black Hole. One may ask, how so? Given that the Galaxy is pictured to be a great concentration of such dense light at the center. What you see is a great concentration of light, but what mathematics and pure science sees is a Black Hole.

We were taught during the Class of the Solar Ring in the New Year's Class of 1983 the Black Hole is encompassed around with Elohim and Seraphim, hence the intense concentration of light. A light so concentrated that we actually see it in outer manifestation. This Black Hole represents to our Galaxy the Wicked One in the Matter Universe that has been judged. He has a representative in the False Hierarchy of the Ruby Ray in our Galaxy that has been bound. This center, 1 Capricorn is where the Dragon and his representative in the Earth is being bound beginning on December 4<sup>th</sup>, 2019. We are at the starting gate of a race to see who will finish. Who has the endurance to see it through the coming changes. Who has the Vision of the Goal, Love's Victory? Who is prepared to pass the Test of Job?

What forces are gathering to oppose our soul, to be bound in answer to the call of our Venus?

1. Dragon's Tail conjunct Mother's Mars, her chelas and the records of their failure in their service to the Guru. This conjunction is midpoint the Moon and Venus.
2. Moon is midpoint Pluto and Venus.
3. The US Nadir, at 3 Sagittarius is midpoint Venus and Abaddon called Apollyon conjoined the 9<sup>th</sup> house cusp. The collective unconscious of the people is playing out

# FINAL TEST OF THE YEAR 2019

- in the subconscious of the nation. As the chelas go, so goes the nation, America. As the Keepers of the Flame go, so goes the Nations.
4. Venus is midpoint between the Dragon and Watchers, as well as, between the Dragon and the Guru, Jupiter.
  5. Venus is trine Transpluto and Uranus forming a *Grand Earth Trine*. Uranus is midpoint the Black Moon Lilith and the Nadir. We stand united in God and Guru firmly anchored in the earth, practical. We have assimilated the teachings, the path, the Teacher and we know the law. We embody the flame of illumination, one with our Christ self and the Lamb. For Judgment we are come. Jesus has taught us for 2000 years and Archangel Chamuel and Charity has come to stand with us as we give 33.01 and affirm Jesus' *seven* judgment calls. See Jesus seven statements he gave us to empower us because he went to his Father. See page 15.

We have a lot on our plate but with God all things are possible, without God, nothing is possible. Herein lies the key to meeting these challenges of the Odyssey of our soul's journey home and *the Test of Job*.

#1: Dragon's Tail conjunct Mother's Mars, her chelas and the records of their failure in their service to the Guru. This conjunction is midpoint the Moon and Venus. Here we see the records of the past return to haunt the soul as she stands, Mother Prophesied in her July 4<sup>th</sup>, 1996 Address, in Hamlet's shoes in the Dark Night and must face the coming challenge, of our own creation. Call to the Guru to stand with you and to wield *the scepter* given us by Helios to judge these who usurp the Office in the Hierarchy of the Ruby Ray and subvert the Authority of those who rightfully hold that office. See the reference section at the end of the document.

We are called to stand on our attainment of the Word Incarnate and meet this challenge of service to the Guru as we meet this judgment of Evil together with the Guru, The Lamb. We stand to face and conquer our dweller in our subconscious and the collective unconscious of man. We stand on the midpoint of Venus and the Moon. The devotee must have mastery of the moon's Lunar Forces by mastery of the Solar Forces at her command. The soul knows the law and teachings of the Science of the Clock. She knows Master Kuthumi's teachings in *the Expose of the False Teachings*, # 9 - #13. She knows Mother's and Lanello's teachings in *Predict Your Future* and is able to chart the cycles on the Clock, to know their timing and their meaning.

Venus is called to demonstrate her mastery over the Moon and its influence over Mars, at 6 Scorpio and her *devotion*, 9<sup>th</sup> house 1<sup>st</sup> decant. The mastery over the cause and core of our desires and attachments that are the origin of our soul's past failures in service to the Guru. So that when the Dragon of our soul's Dweller, that is conjunct Mother's Mars, comes it has no power over the soul who stands in the eye of the storm in Cosmic Christ Peace in Virgo, in the 33<sup>rd</sup> year on the path beginning on November 1<sup>st</sup>, 2019. The soul demonstrates that she can't be moved in Virgo. She is Immovable and Imperturbable as she stands with Akshobhya in Virgo in the mastery of the second secret ray. She has mastery over the *Form* of her outer personality and

# FINAL TEST OF THE YEAR 2019

its poison, the anger and hatred of the Betrayers of the Word, whose judgment is come in the 36<sup>th</sup> year of their judgment. The chela is come with the Guru to seal the victory of the judgment *in the ending of their cycles* and is prepared to stand with the Lamb as the Great Drama plays out. The soul has sufficient self-worth that her past cannot override her present initiation having transmuted all sense of guilt and self-condemnation in Capricorn. Venus stands having cast herself upon the rock of Christ knowing the mistakes of the past and washing 7 times she stands with the Lamb as the Lamb's wife. The Guru has cast out her dweller and moved in to occupy the temple. See Maitreya, "The Six-Pointed Star of the Lord of the World".

#2: Moon is midpoint Pluto and Venus. The Moon at 15 Capricorn represents the soul's persona, her personality she has put on, of her synthetic self, her mask. The consciousness of her outer form that is the identity of her dweller. The Lunar Forces of magnification and amplification are acting upon the emotions and desires both spiritual and material to attract to the soul, by the magnetism of the electronic belt, by the force of the human will, deceiving the soul in her service to the Guru. Venus is called to understand the nature of the dweller's consciousness and identity apart from God and slay it upon the mountain with the Guru, Maitreya. The Guru allows the soul to understand the true nature of the outer personality once she has attained enough self-worth to cast herself on the rock of Christ. Then the soul must learn the difference between Christ and his Father's will *and* the outer personality and its identity, the dweller apart from God. Now the soul must choose, standing at the Y in the road. The *key* is Love's Victory.

#3: The US Nadir, at 3 Sagittarius is midpoint Venus and Abaddon called Apollyon conjoined the 9<sup>th</sup> house cusp. The collective unconscious of the people is playing out in the subconscious of the nation. As the chelas go, so goes the nation, America. As the Keepers of the Flame go, so goes the nations. The US Nadir is also midpoint between the Sun and the MC. Venus stands within the organization *inspired* by the Guru Jupiter both in the 11<sup>th</sup> house 2<sup>nd</sup> decant and in her *devotion*, 9<sup>th</sup> house cusp 1<sup>st</sup> decant and casts her Ruby Ray Anchor into the ascended masters octave and arcs the light to wash the American people of her karma on the US Nadir. The devoted soul calls on heaven to awaken the American people to their first love, Uncle Sam. This awakens the people on the US Nadir midpoint to Sun and MC to receive God's blessings.

Venus performs this selfless love in service to the Guru who is striving to defend the nation and her people from Abaddon and his legions who have gone to war with the Lamb and his chosen and faithful. See Revelations chapter 9 verse 11. This battle can be seen in the tight configuration of Sun Jupiter and Venus, *a 27 degrees 24 minutes arc* in the 10<sup>th</sup> and 11<sup>th</sup> houses. This is in contrast to the dark forces gathering in Capricorn now within an arc of *21 degrees 8 minutes*. The forces of light and darkness are aligning. This is the battle for America. It is under way for the hearts of the American people. As we enter the final 12 months of the election year that will determine the future of America *and the planet*. Everything you see and hear and read about with the five outer senses are only the outer manifestations of the inner battle raging between the forces of absolute evil and the forces of the Great White Brotherhood, the forces of absolute good. *No matter the outer drama*, defend the Office of the President, it is an Office

# FINAL TEST OF THE YEAR 2019

within the Great White Brotherhood and the White House is their focus. The Office is the seat of Christ authority for God Government in America and the Planet. It is Planet Earth's seat of representation within the God Government of an unspecified number Galaxies. This attack on America and the I AM Race is the attack on the heart of the planet. America is the spiritual heart center of the planet. This the proverbial attack that is set to cause men's hearts to fail them for fear. The antidote is to declare from the rooftops the VISION, less the people perish for fear.

#4: Venus is midpoint between the Dragon and the Watchers, as well as, between the Dragon and the Guru, Jupiter. Venus, the soul of the faithful devotee and the patriot, stands in juxtaposition between the forces within their own being of the dweller on the threshold of her consciousness and the Guru conjunct the Watchers. Venus has a choice, stand by and watch the battle and repeat the past or unite with the Guru to slay her dweller then stand to deliver the judgment upon the Watchers.

It is prophesied that Merlin and the Once and Future King will return to cast out the black magicians out of Camelot. It is also prophesied that the black magicians will be cast out of North America and the continent sealed. While the black magicians flee to Europe where they will receive their karma. This is the prophesy of the Goddess of Liberty.

Venus is called to rally to Uncle Sam, Saint Germain. And as she does, the American people will also rally to Uncle Sam over the next 12 months before the elections. And they will elect those who have been chosen to take a stand for Uncle Sam and behind which the American people will rally to defend America, until God plays his hand. Venus is called to rally to keep the vigil at the altar during this darkest part of the night coming upon the earth. Will the faithful slay their dweller and fulfill their destiny to rally the people to unite behind the chosen who have come forth in these elections having been trained as was David, *a shepherd* to lead the people in their stand with Uncle Sam to cast these black magicians from America? These latter are all those who are attacking America, Mother and the Community as taught by Archangel Gabriel and Saint Germain.

#5: Venus is trine Transpluto and Uranus forming a *Grand Earth Trine*. Uranus is midpoint the Black Moon Lilith and the Nadir. We stand *united* in God and Guru firmly anchored in the earth, in practical ways. We have assimilated the teachings, the path, the Teacher and we know the law. We embody the flame of illumination, one with our Christ self and the Lamb. For Judgment we are come. Jesus has taught us for 2000 years and Archangel Chamuel and Charity has come to stand with us as we give 33.01 and affirm Jesus' *seven* promises to each one. See Jesus seven statements he gave us to empower us because he went to his Father. This means every man, woman, and child whose names is written in the Book of Life has been given the following authority in the earth.

- i. Verily I say unto you: Whatsoever ye shall bind on earth shall be bound in heaven. And whatsoever ye shall loose on earth shall be loosed in heaven.

# FINAL TEST OF THE YEAR 2019

- ii. Whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in my name, I will do it.
- iii. Thus, saith the Lord, the Holy One of Israel, and his Maker: Ask me of things to come concerning my sons, and concerning the works of my hands command ye me.
- iv. So shall my word be that goeth out of my mouth. It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.
- v. Again, I say unto you: That if two of you agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven.
- vi. In my name shall they cast out devils, they shall speak with new tongues, they shall take up serpents, and if they drink any deadly thing, it shall not hurt them.
- vii. These things have I spoken unto you, that my joy might remain in you and that your joy might be full.

It is by this authority and the Office of the Man, the Flying Eagle, the Lion, and the Calf that we are called to take dominion over the earth. It is by this authority that God will act in the earth. So, study the issues and declare God's will. It is not the person, it is their actions, based on right reason, right motive and right cause that we take our stand. We don't judge someone because they made a mistake. What has been judged in heaven must be ratified in the earth.

## **North Node at 9 Cancer 57**

North Node is where we take our stand to make a break from our past momentums and habits. We are being asked to embody the discipline of Cancer over the harmony of our feeling world as we meet our karma of the ambition of our past and our re-action to the ambition in the present, of others. This is occurring as we stand opposed at the midpoints of Jupiter and Pluto; of Pluto and the Watchers; and of Moon and Venus to the Dragon's tail conjoined Mother's Mars, her chelas. How will you act or re-act in service to the Guru in the present initiation and its testings as you contend with, how others you thought of as chelas or who claim to be chelas are acting in this initiation in the fall of 2019. This is your test, the final test of 2019.

Morya El teaches that all lines of the clock converge at the 6 o'clock line. This fall you stand alone in the fifth house, between the nadir and the descendant on the North Node and must choose...to be all one with the Guru or to stand alone, apart from her and the bond to her heart. If all one with the heart of the Mother you will meet the karma of past ambition and cast it into the flame and defend the Mother, Guru Ma, in the face of those who are failing her again in this lifetime. You will sit under your own vine and fig tree in the 5<sup>th</sup> house and defend the Mother who is giving birth to the Christ in her chelas, in the harvest cycle of the year, 2019, in Leo on the Path of Personal Christhood and the initiation of the heart of the chelas by the Holy Spirit.

# FINAL TEST OF THE YEAR 2019

We are called to be, Kuthumi tells us, the Sons and Daughters of Solitude and hold the balance in the earth for the second coming of Christ in man, that the world might know once again, Christ walking the planet anointed to be World Teacher and to wear the mantles we wore during the last Golden Age in Atlantis. We are called, as taught by Mother on July 4<sup>th</sup>, 1996, to walk in Hamlet's shoes and to choose to be or not to be.

## Part of Fortune and Neptune

The Part of Fortune is our point of joy and harmony where our cycles turn. It is a spiritual turning point meaning you can walk right by and not even notice it or it can draw you in when your cycles arrive at its door. It is the most natural thing for you. Why, because it is your Part of good karma, your good fortune. You might say, it is the open door that no man can shut. He calls.

Fortune stands at 18 Pisces conjunct Neptune in the 3<sup>rd</sup> decant of the 1<sup>st</sup> house ruling propaganda or lies. In a spiritual sense it refers to the consciousness and identity, the momentum of belief that the peoples' state of mind is giving these lies about the Guru, Saint Germain and his Prophets. This conscious identity given these lies has become a dweller on the threshold of consciousness, as taught by Mother in, *The Enemy Within*. They are adding to the collective unconscious that separates the Guru from the people, the mists of Avalon.

The Sons and Daughters of God stand on the Part of Fortune conjunct the casual body of Neptune to hold the balance in the White Cube of the Church Universal and Triumphant on the North Gate in the Office of the Lion. They stand in their Christ mind filled with the consciousness of God, our Father. This is the casual body of Neptune in esoteric astrology. They are the most evolved souls on the planet. They keep the flame in the dark night, the flame in their hearts, *becomes* the light of the world. They are the eye of the storm of Worlds Turning.

They are the counter balance to those who propagate the lies about the truth of America and Uncle Sam and about his Messengers, the Prophets, by the usurpers of the Office known as the Time of the Gentiles, Revelations chapter 11. Neptune represents the deception and deceit being practiced by those who claim the office and the authority of the Hierarchy of the Ruby Ray. They are the counter balance to all who have stood and still stand at the Y in the road, the APEX of the YOD at 2 Aries conjunct the midpoint Chiron and the Black Moon Lilith. These have been forced to confront their dwellers. They began on Pentecost 2018 and continue to do so until February 13<sup>th</sup>, 2020. This apex is conjunct Mother's midheaven. This is the dweller of the hatred of the Guru, see Mother's lecture, "To kill a mockingbird, or one hundred ways to kill the messengers". See the book, *Phylos the Thibetan*.

The Part of Fortune stands conjunct the ghost of the eclipse of the Sun at 18 Pisces on March 8<sup>th</sup>, 2016 and has continually called for the eclipsing of all opposition to the self-sacrificing of the outer personality, the dweller, in the 2<sup>nd</sup> decant of the 5<sup>th</sup> house, of the *re-formation*, *the reformation* of self-love of the ego. This is the trans-form-ing-a<sub>ct</sub>ion of the dweller. Whereas others are eclipsed of the Son of their Presence (SUN) and they fall under the self-

# FINAL TEST OF THE YEAR 2019

hypnosis of Neptune's deception. They fall to the daughters of Mara and fail to transform or what we know in the Everlasting Gospel as the *Transfiguration*, having slain the dweller.

This is the separating of the wheat and the tares and, as Morya El says, by their words and their works they are judged. Many stand on Mother's midheaven out picturing the midpoint of Chiron and the Black Moon Lilith. They have taken the teachings and the opportunity America has offered and rejected the Path home. The American population is nearly 330 million. God has kept them busy with their karma of materialism while he has been very busy initiating the faithful to recognize their dwellers and preparing them to pass the coming Test of Job. Our God is raising up shepherds of his people who are willing and able to slay their dwellers to anoint them to go before HIM to gather his harvest of wheat as the cycles turn in **2021** as we stand in Libra in the 34<sup>th</sup> year on the Path of Personal Christhood at the conclusion of the Galactic Alignment and the second decade of the new century, and the conclusion of the first Jupiter Saturn conjunction on this century.

## The Four Horsemen

The Maha Chohan came on February 21<sup>st</sup>, 1988 during the mega-conjunction at 0 Capricorn to begin to initiate our hearts by the Holy Spirit. He told us that those who would walk this Path and assimilate the Guru and the teachings and pass their initiations on the path would out-picture the Sun Helios, the Guru Jupiter, and the faithful chela Venus.

The Maha Chohan also told us that many who are called and chosen will not assimilate the Guru. Instead they will accommodate the Guru and the teachings and that these would out-picture the FOUR HORSEMEN, Mars, Saturn, Uranus, and Neptune.

What does each of these two groups really mean? Both, groups are now in the fall of 2019, in the 32<sup>nd</sup> year in Leo. We are here to demonstrate in the final 12 months before the elections on November 4<sup>th</sup>, 2020, who will rule our soul, our Church and our Nation, both share the same SUN sign within a 1-minute orb. As Mother and her chelas go, so goes the Nation. We rise, the nation rises, if we fall, we take down the Nation with us. So, what is the State of the Nation in the Fall of 2019 on the eve of All Saints Day, All Hallowed Eve when the cycles on the Path of Initiation *change from Leo to Virgo*? What is the state of the consciousness of *the chela and the citizen*?

It is our karma to raise up this people America, this nation and this Organization. This is an inner criteria and measure of the heart. It is not the measure of the outer halls of power, status, and standing in the Community and the Nation. They had their chance. Now it is up to the faithful remnant to slay the dweller that Christ might enter and occupy the temple and then to stand with the Guru in the second coming and the return of the Seventh Angel and his Prophets as it is written and prophesied.

Where are the Four Horsemen, today? They are influenced by the Moon's Lunar Forces, the emotions. This is our seat of desire. It is desire that the moon amplifies. Our desires take form as our attachments, attachments become momentums, Kuthumi teaches us. The moon thus

# FINAL TEST OF THE YEAR 2019

creates its own personality - what Mother calls the synthetic self and its carnal mind whose identity and consciousness is our dweller. The dweller becomes the antithesis of (our) Christ, it is antichrist. The soul is called to choose between the two, the battle of Armageddon forces the soul to choose by circumstances wherein which the soul finds herself.

The Four Horsemen, the Maha Chohan teaches us, are the planets we out picture when we accommodate the path of personal Christhood and the initiation of the heart. This is the evolution of the I AM Race back to God, the proverbial Garden of Eden, the mystery school.

The Four Horsemen are described in Revelations chapter 6 with the opening of the seven-sealed scrolls. The first seal is the False Christ, the White Horse that Mother describes as **Uranus**, he goes forth to conqueror, war. The second seal is War, the Red Horse that Mother describes as **Mars**, he takes peace from the earth that they should kill one another. The third seal is Famine, the Black Horse that Mother describes as **Saturn**, he has a balance in his hands to measure the price and weight of food. The fourth seal is Death, the Pale Horse, and Hades (Hell) followed him, Mother describes the fourth as **Neptune**, he has power over one fourth of the earth, nearly 2 billion people.

When this was revealed to us by the Maha Chohan on February 21<sup>st</sup>, 1988, Mars, Saturn, Uranus were at 0 Capricorn with Neptune at 9 Capricorn, *conjunct Mother's Mars, her chelas*. Mother taught us that this mega-conjunction initiated a cycle of war as Saturn conjunct Uranus combined with a peak in the solar flare cycle and the opposition of USSR and America's Sun signs. These three indicators of war were, Mother taught us, foreseen by Nostradamus who also named three indicators of war. Mother taught that this cycle will last until Saturn and Uranus come full circle to conjunct again in 2032.

18

This cycle coincided with the initiation of our hearts and the heart of the planet, America. We have cycled from February 1988 to October 2019, 32 years, plus. We are in Leo, in the 32<sup>nd</sup> year of the initiation of our hearts and the heart of the planet. By cosmic law we must give birth to Christ within our hearts in the second coming by our completion of the 33<sup>rd</sup> year, in Virgo next year. That is when the Galactic Alignment of Helios of the Sun and the entire Solar System will emerge from the Galactic equator, the rift where the Divine Mother has been in labor giving birth to Christ in Man since 1975. We are in the 45th year of 46 years for the people to receive Christ in their hearts and in America and our Church, that he may come and rule. Next year is an election year, the final year of the 46. This is *not* a coincidence. It is cosmic precision.

We are at a major planetary juncture for the evolutions of Terra, the Y in the road, when all are choosing between Christ and Antichrist. Many are choosing to out picture Antichrist, inverting this great light that is preceding the second coming of Christ Jesus and the Ascended Masters. Mother told her chelas she would return. Little did we know then that it would be as one of the Ascended hosts coming with Jesus. We are being prepared, initiated to receive them in our hearts and the heart of the planet.

Revelations begins by delivering the judgment to the seven churches, the states of mind of the people who have chosen to not make room in their temple for the Christ to be born in

# FINAL TEST OF THE YEAR 2019

them. They have stood on the Mountain with Christ Jesus and his Father, Maitreya and chosen *the outer way*, of the ego and to follow Lucifer in the second death.

The majority of the people are out picturing the karma delivered by the Four Horsemen.

Mars is at 6 Scorpio  
Saturn is at 17 Capricorn 51  
Uranus is at 3 Taurus  
Neptune is at 15 Pisces

**Mars** is at 6 Scorpio triggering man's tie to Abaddon; we call Apollyon at 3 Scorpio. Mars occupies the 1<sup>st</sup> decant of the 9<sup>th</sup> house, *devotion*. It is attacking by aggressive animal magnetism, its primal nature, those who are faithful to the Lamb, those who are keeping the vision in Scorpio of the divine plan for America and the I AM Race.

Those driven by Mars believe that they are instruments to bring what they call the Great Transformation of civilization. The Brave New World of their youth, (1960s). The Millennials born since the mid-1980s believe that socialism, *the ideology*, or more accurately stated *the theology*, of corporate monopoly capitalism to rule the masses and replace Christianity is the solution to today's problems, that are being blamed on America. *It was never America*, but the One Worlders, Monopoly Capitalism of the illuminati who controlled the British Empire from whom American patriots declared their independence. It was their one world economic order of their global trade economy that included slavery that America broke from but not all, because of their monopoly of central banking and the global financial economy who controlled the money supply and wealth.

*The American Revolution has entered its third century of the war of independence. We have achieved much, we have solidified a number of significant gains, we have abolished their slave economy based on agriculture. Now we face their slave economy based on socialist communism, Wormwood, of corporate capitalist cronyism induced slavery to their dialectical materialism that the Neocons are driving through Communist China and India, their army of 200 million, today. Doesn't it seem odd to you? The nouveau rich of the last millennium have now become billionaires while the world suffers under their karma returning, delivered by the Four Horsemen. They teach the economic laws of scarcity as they horde billions of dollars of the labor of the people removing it from circulation while they deny Christ who brought us to America and the abundant life, the primary law of God's economy of *Laissez Faire and Free Market Economics* as taught by Ludwig von Mises and the Austrian School of Economics which has found a home in America in the Mises Institute in Auburn, Alabama and at George Mason University in the Washington DC Metroplex, to name a few.*

Mars is *the trigger* as taught by the Maha Chohan, of man's desire, the source of all suffering as taught by Buddha and Christ. Mars' desire, our feeling body, the water element is easily ruled by the Lunar Forces that are manipulated by the planetary false hierarchies of the Ruby Ray, imposters of the Four Cosmic Forces. Mars is the Red Horse, war. It is the end of the road that man blinded by desire cannot see coming as they blindly follow their demigods, to get and keep a job, a new house, a car...materialism. Whose financial system will become the

digital “mark of the beast” in their bodies. The price to pay. They have forsaken their God and the call to come out of her, the Harlot, Babylon the Great Whore, the New Economic Order of the One World governance of the illuminati. They have a thousand names as they have infiltrated every aspect of western civilization.

**Uranus** at 3 Taurus is in the 3<sup>rd</sup> decant of the second house, on the cusp of the 3<sup>rd</sup> house. To the evolved soul in 2019, Uranus represents the idea of freedom and soul liberty from the political, economic, and social slavery to the fallen angels, the Princes of this world, Babylon the Great. These are the faithful who stand with the Lamb and now face Abaddon. The majority of people on earth cannot perceive this because they are spiritually blinded by their desire ruled by Scorpio, that is ruled by Mars. Uranus is opposed by Mars in Scorpio squaring the Ascendant Descendant axis of planetary karma.

Uranus represents those in Congress, the economy and the media who are the spokespersons for the masses who are rebelling today spreading anarchy in moral values and attacking the children of the light and the America that we won from the Dragon back in 1776. Uranus represents the ideology of their hate creation and their warfare against the Woman Clothed with the Sun in Capricorn. We have called this Armageddon for the last 2000 years.

Uranus is in the 3<sup>rd</sup> decant of the 2<sup>nd</sup> house. Uranus provides the choice each one is making, the promise of Uncle Sam and the idea of freedom or the dialectical materialism of the Dragon over America. We are given the choice to follow and become Christ born in you as Christ wed to the soul, his bride; or to believe the lie that the Kingdom is of this world, a repeat of our initiation in the Garden of Eden and the lie that stripped us from our God and from heaven. So, we have come full circle, now able to discern in Scorpio, 4<sup>th</sup> secret ray, able to *discriminate* absolute good and evil hiding in the mists of Avalon by the mastery of the 4<sup>th</sup> secret ray.

We are called to face Uranus in Taurus as it approaches the USA natal Sun at 10 degrees Taurus and the Sun of the Presence of the Church Universal and Triumphant (CUT), also at 10 degrees Taurus. This will occur beginning on *July 4<sup>th</sup>, 2020 through February 7<sup>th</sup>, 2022*. USA and CUT are one. They are conjunct with a 1-minute orb. America is the heart of the planet, but CUT is the white cube, it is the flame within the secret chamber of the heart, in the hearts of the faithful. The nation is home to the Twelve Tribes of Israel, while CUT is the Keeper of the Flame in the Arc of the Covenant. CUT is the Thirteenth Tribe of the Priests of the Levites.

The Keepers of the Flame keep the flame of freedom alive while the world makes their choice, up until the hour, of the Great Day of the Lord. See Revelations chapter 18 verse 4 where it describes the collapse of the Illuminati’s global One World Economy in one hour, on a particular day that no man knows. The Bridegroom comes in the night, suddenly. See Mother’s lecture, “The 2000 Year Ride of the Four Horsemen” in the reference section at the end of the document.

**Saturn** is in Capricorn transiting to conjunct Pluto in January, 2020. It is at 17 Capricorn, the sign it rules. Saturn’s rings represent the guardian of our inner consciousness from the outer unconscious, the collective unconsciousness of the Princes of the Air and the subconscious of the

# FINAL TEST OF THE YEAR 2019

astral sea, our residual untransmuted desires. Saturn to the faithful represents the bond to the heart of Maitreya, the Great Initiator of our hearts. To the masses, Saturn is the initiator of our souls' *experience* under the testings of Satan and his seed, the Satans or Saturn's electronic belt.

Saturn is *midpoint* between the Moon and Pluto, the individuals and the planetary dweller on the threshold of our consciousness. Saturn is testing the soul to measure her adherence to the divine plan for America and their individual soul's divine plan. This is occurring against the background of our relationships and partnerships, Pluto is at 20 Capricorn conjunct Mother's Descendant within a 9 minute orb. We are called in America along with the 12 Tribes to stand united, bonded to the Great White Brotherhood and to Jesus Christ and his Father to stand in the hour of the judgment of the planetary false hierarchies and to cast them, first out of Camelot and North America, then the planet.

The Moon represents fallen women who today follow the twelve Amazonian Queens, Jezebel and her daughters, Vivien and her like sorceresses; Maru and his daughters. These gather in their covens to practice their arts given them by *the Watchers at 0 Capricorn* in the 11<sup>th</sup> house, 2<sup>nd</sup> decant of *inspiration*. These woman are *inspired* by the Watchers, the bottom 10%, within Congress, in the House of the Peoples Representatives to attack the souls of the faithful and the Lamb who rally to Uncle Sam to hold fast this nation Under God, in whom we Trust.

The Moon also represents the principle of the fallen feminine principle in man. Matter is the realm of the Divine Mother, Gaia, Terra. The fallen angels came to earth with their technology and machinery and waged war against woman, causing her to fall, causing her to eat the proverbial apple...i.e. to believe the lie, a way to make a better mouse trap. Not knowing that to the Serpent, mankind was the mouse. The lie is that there is an easier way than God provides us, that by technology we can take dominion in the earth and solve many of our problems. The lie of technology is very apparent today given the morality of the life waves evolving today, the creators and users of these technological solutions. Their future if left to themselves promises to be very dark and barbaric. Only America and the I AM Race can alter this future that is quickly approaching.

The Saturn *midpoint*, between the Moon and Pluto is exact, at 17 Capricorn 51 minutes. The exactness of this configuration means that there is a fusion between the inner and outer personality of those who have taken power in Capricorn to themselves and are calling themselves the status quo, whether that be Congress or Roe vs Wade or how they claim the right of fallen woman to kill the child at birth. This is the return to barbarism, freed from constraints of morality, that these souls practiced before they were sealed in Hades, so long ago, now released in one of two waves of population explosion, 1940 to 1990 and 1990 to 2019. They have chosen to destroy western civilization and all that Christ Jesus opened the way for. They have chosen to follow Lucifer to the second death. They are fulfilling the promise of their prophecy given when incarnated as the Mayan Civilization, that in the end times in the confrontation with Helios and Sirius they would flee the planet with the Feathered Serpent, but first they would destroy the Race of the Sons of God. This is the story of the Dragon standing before the Woman giving birth to Christ in our People, to devour the Christ child the moment of its birth.

# FINAL TEST OF THE YEAR 2019

Neptune is at 15 Pisces 56 minutes in the 3<sup>rd</sup> decant of the 1<sup>st</sup> house, *propaganda* or *the lie*. Neptune in esoteric astrology in its highest frequency is the Christ mind. It represents the highest evolved souls on the planet who have attained to the Christ mind, filled with the consciousness of God that was in Christ Jesus. The lower frequency of Neptune, its electronic belt, is self-illusion and deception. Neptune represents the individualization of the God Flame within the heart of Christ and the collective consciousness of the animal nature in man. Neptune represents debauchery and crime. It represents all manner of the black widow spider devouring her mate and her children. Neptune is all manner of escape, fantasy, and virtual reality and contagious disease. It represents the collective illusion of communism and its socialist matrix. Religion to rule humanity based on materialism, the dialectical. It is the lie the Serpent used in the Garden of Eden to cause the fall of man which they then used to condition man to blame Eve and her twin flame Adam.

Why blame Eve? Because the Black Moon Lilith sought vengeance against the one to whom she was jealous and of whom she was envious. Adam was faithful to God whom Lilith spurned. God judged Lilith the original twin flame of Adam, according to myth. She denied God and Adam and God cut her free from Adam making her a castaway and then took a rib and formed EVE. The Black Moon Lilith is envious of man and lusts after his light to pull him down like the black widow spider. Lilith represents those in embodiment today who vibrate at the level of the Black Moon Lilith.

The people are called to *come out of her* the harlot, Neptune the collective conscious of mechanization man, the mass of humanity and be a separate and chosen people, one nation (America), one people (Israel), one God (Elohim, the Ancient of Days, El Shaddai, Adonai). We are called to come out of her, that vibration in the seven churches that is Lilith, the lie that Christ's death erased all my sins and no matter what I do, think, feel, or believe, I am saved.

This is manifest in America and the planet today as the karmic accountability of the soul incarnate as women today are called to lead *mankind* in the Coming Revolution in Higher Consciousness. We saw this in the women who led Ireland to end the senseless rebellion against British tyranny and also in the women of Poland that led that nation to stand up against the Communist tyranny of the USSR. So, woman is called today to lead the Revolution in America. This is the calling of EVE, of *womankind* in the 21<sup>st</sup> century. In contrast, the Black Moon Lilith, is embodied in many men and women today who are waging war against God in their final battle of vengeance we call Armageddon as they devour the child in their womb, the conscious murder of God within the Temple. They wage war in their members against Christ being born in themselves and in you and I. They are Antichrist. By their words and deeds, they are judged. As the stars align, the day and the appointed hour of the judgment is coming.

So, we are called to come out of her, the state of consciousness of rebellion (Uranus) and revolution (Neptune) and their warring within the nation's members (Mars) and leave off their dialectical materialism (Saturn). We are called to slay the dweller on the threshold and wed Christ, and as the Lamb's wife fulfill our destiny on the stage to cast out the Dragon over America by the hand of God working through *Individuals*, the individualization of the God flame in you in *the Coming Events*.
