What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.

National Challenges and You

You are not alone. Standing seemingly alone, you are far from alone. You are a Temple of the Most High God. God is in your heart. He made you in his image, a spark of his flame. He sent you out into matter as his son and daughter to individualize that flame, the Logos, the Word. In the flame you are one with God. The soul left off the flame in the Garden of Eden the path of union, the path of initiation to attain to that union. He came not so long ago and through Abraham he made a promise and a covenant with *you*. When we failed him, he came again in his Son, Jesus as the Cosmic Christ *to reconnect you to him as his sons and daughters*, your *Universal Christ* identity. It is called the Second Coming...in man. He taught us through his Son, Jesus, to walk the path of initiation to become Christ. He paid the price to give us 2,000 years to reach the goal. The goal of Christ attainment come for the judgment of the fallen angels who *had been* bound since the flood, but not all. They were released from the Pit beginning in 1930s and 40s. You heard talk of them, they were called the Hitler Youth, The Communist Youth of Russia and Red China. Today, since the late 80s and 90s they are called the Millennials. The world population increased, doubling between 1940 and 1990. It doubled again between 1990 and 2018. The goal of Judgment and the second coming is NOW and it is occurring within you-within each one.

Now he, the Cosmic Christ, is coming in Jupiter, the Teacher, Master, Raboni as the Sun behind the Sun of our system, Helios sends his Son to work through individuals and events. He is coming to anoint, as he did David, from among the people to raise them up to go before him that he may work through them. He delivers the karma of the planet that has been withheld from the planet these last 2000 years because of Jesus' sacrifice for you and I. This karma that has been called the Vials of the Seven Last Plagues is being delivered to all who reject the Father in the Son, *in you*. The Son in the flame burning upon the altar within the Secret Chamber of your heart, within your Temple, your four lower bodies. Revelations describes these in the Opening of the Seventh Seal, the Seven Trumpet Judgments, chapters 8 and 9. Now Jupiter enters Capricorn on December 2nd, 2019 to carry out what will begin a period of great change, some are calling *the Great Transformation*. Daniel describes this period in chapters 8-12 as *the Great Tribulation*.

Esoteric astrology is an applied science of esoteric theology we have come to call the mystery schools. These are advanced teachings given to the soul on the path home, walking in the footsteps of the Masters. Esoteric astrology is a language of symbology and mathematics, the geometry of creation, it is, Mother describes, an *inner astrology*. This language is replete with mystery and magic. We are speaking of the occult science of the alchemy of light. You are not your physical body or any of the other lower bodies, memory, mind, or feelings. You are a soul with a spirit and a destiny. You have for your use in this embodiment four sheaths, vibrating frequencies or bodies, you wear to live and breathe and to interact on each of the four lower planes of Matter, simultaneously.

Esoteric astrology has been called the message of the stars. It is the mathematics of creation. It is the language of cycles, cosmic cycles, the cycles of creation. Genesis tells us of these cycles and on the seventh day God rested. It is given as a guide to the soul to align her four lower bodies and chakras or to bring them back into alignment. This is an applied science of solar astrology. It tells us of the alignment and the out of alignment state with the cycles of pure light, creation. Its purpose is to align the soul with the manifestation of God in spirit. The alignment of esoteric astrology with the cosmic clock aligns the soul with the will of God. This alignment creates a chalice, the Holy Grail of the Round Table, to receive the mystery teachings that Jesus promised would be delivered as the everlasting gospel known today as *the teachings of the Ascended Masters through their Messengers*¹. The teachings are directions, they are to be followed. Esoteric astrology reveals the opportunity to apply and assimilate a way of life. It is the applied science of the Golden Rule. It creates parallel worlds, your future, distinct one from another. It is the means to transcend worlds until you merge with the light as the saints did before us. On the way we have a golden age to build, out of the ashes of Babylon the Great, the anti-state, the anti-city and the anti-church. We have *a nation to finish building* that will transform a world. <http://SummitLighthouse.org>¹

Jesus' promise, that his Church could not be destroyed is a cosmic geometry and a cycle. This is because his church is in the heart of the soul, your soul, hence we say, in heart and soul. He appeared to John the Revelator and dictated the Book of Revelations with a judgment upon all in the church, who following him home, would attempt to change this teaching. So, whereas the history of the church documents the altering of all in the New Testament, creating its doctrine and dogma that denies Christ *in you*, this book was not altered, nor was Daniel's. Revelations chapter 10 verse 7 tells us that *the Seventh Angel would send his prophets* to give the Everlasting Gospel that no man shall change. These teachings when applied would bring us to *the Kingdom Age*, the promised Golden Age of Peace, following the judgment. What is the judgment? It is the judgment of the kingdoms of the Princes of this world in whom God has placed within their hearts to deliver his judgment upon themselves, see Revelations 17 verse 17. He will tear down everything they have built and after the winds of the Holy Spirit removes the debris, see Daniel chapters 8-12, then will come his kingdom. Revelations teaches in Chapter 18 that the judgment will come in one day, and in one hour during that day his judgment will descend. What is the context of this judgment?

The prophecies of the last 2,000 years of the Western civilization promised this revolution, the alignment with higher consciousness and the reunion with God we call today, the *Coming Revolution in Higher Consciousness*². Jesus taught us, the 13th tribe of Israel the Levites, these teachings 2,000 years ago, known as the Everlasting Gospel that were removed from the world and hidden or destroyed by the churches until we came to what has been called the dark ages and later the Reformation, of *the Church Age*. Jesus knew that this encounter of the light, he revealed to his disciples, with the darkness of embodied evil in the earth would destroy his teachings, that it remained for his disciples to embody them. So, it is today in America. We were given the principles and purposes enshrined in this nation, in her Constitution by the generations that gave birth to the Founding Fathers to be upheld by the morality of religion, in the generations today. People are choosing. Ever given thought to why we affectionately call this Nation, Uncle Sam? The spirit of this nation is a God Being, a Son of God, we call him Uncle Sam. His name is Saint Germain. He is coming. Will you prepare him room, or will he find no room in the inn? <http://SummitLighthouse.org>²

We stand today having been taught who we really are, while in and out of embodiment for the last 2,000 years. We have embodied these teachings of Jesus and the Masters and now have a sense of who we are. Jesus taught us about the light, that we came from the light and we return to the light, the white light that when put through a prism becomes the seven rays, of creation, your mansions in heaven.

Jesus understood this battle and called it Armageddon. He taught that this battle will end in a final battle. And that the meek will inherit the earth. He taught his apostles and disciples, the 12 and the 500 that his kingdom was not of this world, the world of Rome in 33 A.D. He taught us that his kingdom would come at the end of the age of Pisces, the beginning of the age of Aquarius.

An astrological age in cosmic cycles of time is approximately 2100 years. Astrology teaches us of the 12 signs or ages. The 12 comprising the 360° of our cosmology for 25,800 years called a Grand Sidereal year. The Masters teach us that we are at the congruence of cycles of the ending of one cycle of 25,800 years and the beginning of a new. They teach us that we are at the congruence of the end of a 10,000-year cycle. These cycles of time comprise our entire written history and much of our mythology. They are but a moment in cosmic time, a cosmic second if you will. The Mayan prophecy tells us that in 2012 their calendar ended. Their calendar covered a cycle of time of one billion years. We are taught by the Masters and by Plato that 10,000 years ago Atlantis disappeared beneath the ocean. And *you* were there. See Edgar Cayce, the Sleeping Prophet and a Baptist Minister.

We were given the name of God by Moses who was given it upon Mount Horeb by God in the burning bush. His name for all time is I AM THAT I AM. When you say, "*I am...and fill I the blank*", you are creating your world, when aligned with your mind's eye, your third eye. You were created as a co-creator with God. Christ, your Christ Self, your higher self was given to be

judge over angels, the fallen angels who rebelled in heaven and were cast down into the matter universe to embody, amongst you, as Princes of this world. So, they came to earth and made war with the Woman and her seed. They came and created humans as slaves and as their armies to make war against woman. They came, as ancient Greek mythology tells us, to the Mediterranean. The world they came to was the civilization of the Mother, it was called Lemuria and the land, the continent, was called Mu. The ancient Nagas tell us about Mu and it is recorded by Colonel Churchward who traced them from the Americas across the Pacific to India. The fallen angels seduced woman and intermarried *their human race* with the I AM Race, called *mankind*. Now is come the time after Ages of Time, for the harvesting of *the wheat* and *the tares*. This means the ancient Root Races of Mu and Atlantis are being called home. These are the old souls that you hear talked about, but not all. The tares are also old souls if you will. The singular difference is that their names are not in the Book of Life. The result is that they are not sealed in their foreheads. Instead they have the mark of Cain and or the Beast.

Jesus taught mankind how to pray, in the Sermon on the Mount. He taught us to pray according to his Father's will. He taught us to command heaven, that is to speak with the authority of the Son, the Logos, the Word. That whatever you ask in his name, our Father in Heaven will grant it. Whatever you judge in the earth is judged in heaven, always according to his will. This is your armor, your shield with which to protect the innocent and the children. It is given to protect your families, your communities, your congregations and your nations. It is not a weapon to use against *your* enemies. It is the power of heaven given to their Sons and Daughters who embody the law and are the instruments of its justice, God is the judge, the deliverer. Those who do so claiming to do so in his name are by the evil of their hearts, judged. There is a big difference between God acting through individuals to carry out his will in events and those who act on the outer carrying out their own willfulness, claiming in word only to do his will. The latter is man claiming to be god, their pagan andromorphic gods, the Nephilim gods, the Harlot who rides the Four Beasts of Rome, of Babylon, of Greece, of Persia that came forth out of the mouth of the Red Dragon, described by Daniel.

This fall is time to clarify in your mind where you stand. It is time to check the course you have been on and make any necessary changes. It is time to evaluate what you hold dear. It is a time to assess your strengths and weaknesses that you might know them. Put them to paper. Assess the results. Which are the pearls of great price? Which ones will see you through the tough times that are coming?

When we started down this road in America, it was written that it would be a time "to try men's souls", now in the ending it still holds true. It is said about Americans and the I AM Race, that when the going gets tough, the *tough* get going. United we stand, divided we fall.

Our strength is in our Unity. Our unity is in Community. Community begins by understanding *this* community. The key to community is hidden within the word itself, the word is fohat. Community means to come into unity, *com-in-unity*. This unity is in God. The soul united with God, in the flame on their heart, following his will and doing his work as directed by

the flame within comes into unity with others of like mind and they work in harmony towards the one goal, God's. One times one is always one.

This is distinct from community as it has been engineered today in America as we have been divided (Gemini) and conquered (Sagittarius) having given over our self-rule to being ruled by the Gentiles, the Nephilim and their mechanized man, humans and the soulless ones, the castaways. The new wine of the harvest of this fall and beyond cannot be put in this old wine skin. God has sent his Sons to cast the money changers out of the Temple.

The key is unity in God who directs his work through his Son's Temples to carry out his Divine Plan. So, all one needs is God and all else will follow as he is the Great Director, the Great Conductor of civilization and Nations and individuals. Seek him and you will find him, so it has been taught throughout the ages. Start your search for God, the Ascended Masters, and the Coming Revolution in Higher Consciousness, go to <https://SummitLighthouse.Org>. And begin a journey down a path where God will direct you, raising you to the full stature of your individual Christhood. He is your armor and your shield. Christhood is the empowerment of the faithful of every faith, Christian, Muslim, Jew, Hindu or Buddhist. Christ is the true identity of man, no matter your faith. There is only one God and ye are all Sons of the most High God.

2019 Theme

Throughout 2019 we face *the challenge* of our dweller rising to interfere with our relationship to the Messenger as chela aspiring to the office of Christ, given on February 3rd, 1985. This is especially true of the 24 Elders called to attain to the office of Christ and the 70 Elders called to wear 1/70th of the mantle of teacher, worn by the Messenger given April 1st, 1994. This conjunction of Pluto, our personal dwellers on Mother's *celestial* descendant, as described by God Surya, underlies all we encounter in 2019 and beyond in 2020. It is the nature of a winter solstice chart. It governs the upcoming year and seals the previous. Pluto was conjunct Mother's descendant on Winter Solstice 2018. On Winter Solstice 2019, Saturn conjuncts Mother's descendant, exactly, defining 2020.

Sun in Libra

See the document, "Fall Equinox 2019" to understand the harvest of the year. More will be revealed as we journey with the Sun, Helios and Lady Vesta on the 28 Solar day journey through the twelve solar houses of the Solar Hierarchs. Check the Sun Star Lunar Dragon blog as we take this journey starting Monday Sept 23rd until Oct 23rd.

Sun enters Scorpio October 23rd

Sun is conjunct the Nephilim, Apollyon or Abaddon, the god of plagues in the 3rd decant of the ninth house, *illumination*. The Sun is illuminating the Sons of God to the plots and plays

of the Nephilim in all their false hierarchies opposing the hierarchies of light of the Ruby Ray. This illuminating light of the heart plays out in Scorpio as the single eyed vision of the higher mind on the high mental plane where the one who loves self-less-ly stands in polarity to the Sun in the 3rd house in Uranus, the higher octave of Venus. The casual body of Uranus, the love of the Guru for the chela and chela for the Guru, the Teacher. This love stands in the earth and sees what is happening in the world around her, the soul sees what is coming upon the nation as she stands in the tight configuration *0 Scorpio to 24 Scorpio* to cast her anchor into the higher planes where Uncle Sam as Saint Germain dwells and arcs the light of his heart of Freedom's Love and anchors it in the earth to consume the energy veil and the planetary karma of the Ascendant Descendant axis. All this is by love, the higher love of the casual body of Uranus manifesting through the Part of Fortune (Joy and Harmony) midpoint of Sun Mercury and Venus, the midpoint between Mercury and the Part of Fortune.

Venus is in the 2nd decant of the 10th house to fulfill her *responsibility*, 2nd decant of Scorpio to speak the Truth as taught by Archaei Aurora in *Vials of the Seven Last Plagues*. The soul upholds the Guru chela relationship in the face of those in the *organization*, Part of Fortune in 1st decant 10th house who oppose the Messengers' office and authority at the East Gate, Mercury opposed Vesta (Maldek) in Taurus at 24 degrees. These are they who are becoming the laggard evolution, those who have left off the flame, lagging behind the evolving evolutions of earth having remained silent, failing to take a stand against the Modreds in our midst upheld by Vivien and her like sorceresses. The latter, fail to uphold Uncle Sam and his messengers.

Venus calls upon the Lord, for the Emerald Teal ray to seal her upper chakras from all black magic of the hatred and anger of the laggards in our midst who are rebelling in Taurus against the Messengers and the two witnesses and true Christs on the East Gate, the Father in the Son. Now is the time for the 4-10 axis clearance.

The axis of planetary karma, the Ascendant Descendant, we see playing out for transmutation the Dragon of the people's subconscious momentums of their attachments to material substance and the substance of their ego's vanity at 11 Capricorn emphasizing the revelations of their state of mind and the condition of the people's consciousness conjunct Saturn, the cause of all current and *oncoming* suffering and pain. These stand in the status quo of their current states of consciousness attached to materialism and the outer path and organization, possessive in Taurus of their material gain and their position and status driven by ambition in Capricorn. This is their personal dweller acting out to satisfy its deep-seated desire to attack Christ in the followers of the Masters. This configuration in Capricorn in the 1st house opposes the devotee who is working to complete her works and ascend in this life.

The faithful stand on the descendant in the Guru chela relationship and with her Twin Flame near or far, two halves of one heart in Cancer defending the Guru and her soul's right to stand in the office of the Lion in the authority of the Father occupied by these faithful who keep the White Cube of the Church Universal and Triumphant. The faithful are told, 11 degrees, in Revelation of the Hope and the Promise of the message of Revelations to the Remnants of the Seven Churches. Please review. The North Node occupies the 11th degree of Cancer in the 3rd decant of the 6th house, to *Renunciate* those unjust stewards who have taken the Father's fields to their own. Now after 2,000 years of this parable, the Father comes as Jupiter enters Capricorn on December 2nd, 2019. Jupiter comes to deliver the judgment to all gathered in Capricorn, playing out the orbits of their planets Saturn, Pluto, Psyche the Watchers and the Dragon of their electronic belts, drunk on power. These are the abusers of the Word on the First Ray whose judgment is in the 36th year, given May 27, 1984. Please review this judgment so that you may wash 7 times so when it comes, it finds nothing in you and if it does hit you, it won't stick, per El Morya.

The faithful gather on the descendant on the North Gate in Cancer in service to the Guru, 6th house North Node, 3rd decant with Uncle Sam, Saint Germain, to defend the US conceptual Sun at 13 Cancer and the fall equinox North Node. These are they who stand and rally to Saint Germain this fall to defend America and the White Cube of the Church against all gathering in Capricorn who would take heaven by storm, usurping the authority of the Mother and subverting her office in Capricorn on the South Gate occupied by Guru MA and her chelas and by the Woman Clothed by the Sun and her manchild who keep the mystery school in the community of the Holy Spirit. This is the meaning of the North Node in the eleventh degree of Cancer on the Descendant conjoined the Mighty Blue Eagle from Sirius and God Surya at 13 Cancer, the US conceptual Sun. This the Hope and the Promise. Saint Germain is coming, in Jupiter who heralds, his return to Camelot to cast out the Black Magicians, as he prophesied.

Who are these Black Magicians? See the Climb the Highest Mountain Series, *Christ and Antichrist*. These are they who stood on the mountain with Maitreya and Satan, Saturn in Capricorn, its casual body and electronic belt and left off the path and have come to the fork in the road, the Y in the road and choose the left-handed path, becoming their dwellers overnight. You saw their states of conscious change. These now stand in Capricorn to take heaven by storm...if they could, they are drunken pawns who believe they are Christ and now portray themselves as such. Daniel describes this as Blasphemy.

These Black Magicians stand with Chiron trained and conditioned to stand on Mother's Midheaven at 2 Aries on *the APEX of the YOD* to the Nephilim, Abaddon at 2 Scorpio conjoined the Sun and to Transpluto conjoined the Moon, the fallen women, the daughters of men at 28 Leo in the 1st decant of the 8th house. This apex is in the 2nd house 3rd decant, *mastership* and in the 1st decant of the sign Aries, *Activity*...to receive the Holy Christ Self and the Guru and work the work of the Ages...the Individualization of the God Flame. We stand with Guru Ma on the APEX as the *master of our ship*, Odysseus, the Odyssey of the Soul for the judgment as we slay our own DWELLER at the Y in the road. While others stand at the Y becoming their Dwellers. So, the stage is being set for the harvest of the wheat and the tares as the latter are separated out at the harvest this fall. Moreover, these who take the left-handed path now go to meet their karmic destiny, their debt of destiny in the 8th house of paying one's debts and the cause of death...the death of the soul. They now face the eclipse of their Sun at 28 Leo, conjunct their Moon that delivered their karma beginning on August 21st 2017 over America and Montana; now receive the judgment. The Moon at 28 Leo represents all who are ruled by their personality and the fallen feminine principle, their dweller. They are being programmed by the Aliens and their computers and their machine generators described by Archangel Gabriel in the *Holy Grail*.

9

The solution to every YOD and the challenge we all face having taken the right-hand path is the challenge from those who have taken the left-hand path, vengeance and retaliation as did Cain. This plays out as the attack on the Guru Jupiter at 21 Sagittarius in the 3rd decant of the 11th house, *repression*...of the Knight Commander and his faithful Keepers of the Flame. This *repression* is met by the release of the light of *illumination* by Saint Germain 3rd decant Sagittarius. Enabling the faithful Keepers to conqueror in Sagittarius in God Victory in wise dominion. We are able to assimilate the all accomplishing wisdom of perfected action of Amoghasiddhi, the 5th secret ray, over the component of Personality of these on the left-hand path, their *volition* or self-will that produces the poison of envy and jealousy that manifests as revenge and retaliation in Sagittarius. Mother taught us that this Sagittarius envy and jealousy plays their revenge out in Gemini where the envy and jealousy play out patterns in the mind of ancient repetitive histories of attacking the Woman and her seed and the sons and daughters of God and the 144,000 in Cancer who keep the White Cube of the Church Universal and Triumphant. They are jealous of the bond between the Guru and the disciple. Their hearts are hardened in Aquarius by their hate creation. The hatred that poisoned their hearts in Virgo as the component of their personality of their dweller took *form*. Call on Amitabha Buddha for the mirrorlike wisdom to antidote this *form* by *renunciation*...not silence, and consume this hatred of the Guru. Archangel Michael taught us, the Ruby Ray amplify the 12 God Qualities in our four lower bodies, to meet this coming challenge.

We are bearing witness within ourselves and others of the public demonstration in Leo in the 32nd year on the path of personal Christhood in the initiation of our hearts by the Holy Spirit of the mastery of the five secret rays to meet all that is coming in our worlds and upon the planet. We are being prepared for the higher initiations once the dweller is slain, at the Y in the road.

Sanat Kumara has promised to anoint souls, of whom he will no longer look upon them as their karma but will bestow upon them the mantles they wore on Atlantis before the last Golden Age fell. We are called to rendezvous at the river Jordan to stand before the Guru in 2021 when we will enter on the path of our personal Christhood in the 34th year in Libra for the 3-year mission of your Christ. The final 3 ½ years of the mission of the Summit Lighthouse. The same 3 ½ years Daniel speaks of as the Tribulation. Two events playing out simultaneously, the Light and the Darkness. Leading up to, Saint Germain tells us, the final battle of Armageddon, the Great Day of the Lord. The election in 2024 of a Christed one to the Office of the President of The United States.

Let's get through the fall of 2019 and prepare for the 33rd year in Virgo in 2020 as Jupiter the Guru confronts the darkness in Capricorn. The darkness gathering as Archangel Zadkiel tells us in *Vials of the Seven Last Plagues*, as he stands on the side of the west of the City Four Square, *in Libra in 2020*, "on the west coast of the United States of America, facing the East and the kings and queens of the East to gather them to the battle of that great day of God Almighty".

Watchers Enter Capricorn

The Watchers are gathering in Capricorn, beginning on November 17th, 2019. This is their return having retrograde out on July 3rd, during the July Class in the 1st decant of the 9th house, *devotion*. The Watchers re-entered Sagittarius to exact their vengeance on the devoted chelas and patriots in America and the countries where the freedom flame is blazing, Hong Kong, Moscow, Kashmiri, and Venezuela. Now, the Watchers return to Capricorn to seize Power and use it to suppress freedom, *if* unchallenged by the lightbearers and Keepers of the Flame.

The Watchers at 0 Capricorn in the 3rd decant of the 6th house, will take what does not belong to them, the office and authority of the Mother, occupied by Guru MA and her chelas and by the Woman Clothed with the Sun and her Manchild, who keep the mystery School in the community of the Holy Spirit, on the South Gate. The chelas in service to the Guru in the 6th house, stand in the 6th house 3rd decant and *renunciate* the actions of these, the unjust stewards. These are the faithful represented by Venus also in the 3rd decant at 20 Sagittarius by *illumination's flame*, 3rd decant of Sagittarius. But not all, as Venus is intercept in Sagittarius in the 6th house. Some chelas and patriots still idolize the Watchers and stand with them having failed to "come out of her, the harlot". They still have not bent the knee in Gemini in the 12th

house of their subconscious, casting out and binding their dwellers. Now they stand in the 6th house under the 3rd decant of Scorpio drowning in their passions in tides of greed, lust and their unbridled cravings for the light of the Mother in Capricorn on the South Gate. They believe they serve Mother because they occupy an outer appointment in the Organization, that rules the descendant conjunct the center of the galaxy at 1 Capricorn conjoined the Watchers.

The chelas of Mother ruled by her Mars at 9 Capricorn 57 minutes is conjoined the Lunar Dragon at 10 Capricorn in the 2nd decant of the 7th house. They are called to face this challenge by riding the wave of initiation on the mountain in Capricorn with Maitreya and the Satans, Saturn and with the Dragon, the South Node and our dwellers, Pluto and declare our *Independence*. Some are able to do this, but not all. Those that do, wash 7x in the 3rd decant of the 7th house occupied by Saturn conjunct Pluto. Here in the 3rd decant of the 7th house, we must *expiate our karma* and have the wisdom of the Divine Mother to know the law and cycles of opportunity and take the crest of this wave of initiation to slay the dweller prior to this confrontation in Capricorn.

The faithful stand on the descendant in the Guru chela relationship conjunct the Galactic Center at 1 Capricorn to cast their Ruby Ray Anchor into the octaves of the Masters and our Guru and arc the light and anchor it to consume the energy veil and planetary karma on the Ascendant Descendant axis to consume these forces gathering in Capricorn on the South Gate to fulfill the prophecy of the judgement and the casting out of the dweller and the planetary Dragon, the dweller in the collective unconscious of the planet. These stand in Venus conjunct the Guru, Jupiter in the 3rd decant of Sagittarius and the 6th house, who are able to invoke *illuminations* flame to *renunciate* the actions of the Watchers taking heaven by storm, the abomination in high places that ought not to be.

These souls stand on the Part of Fortune, Joy and Harmony at 25 Libra in the wisdom of equality and with courage and patience and exercise their Christ Mastery and rule of their feelings and the poison of the ego and its ambition and work the work of the ages in Mars at 29 Libra having washed 7 times to *expiate her karma* so that when the Red Horse, Mars, comes it finds nothing, no place or polarity to anchor the karma being now delivered by the Red Horse, the Desire for power and rule over others. These souls walk the inner path of initiation riding the wave at the crest to victory over the dweller and the corollary the coming of the Bridegroom for his bride who has prepared herself, emptying herself of the dweller, to make room in the Inn. This is prelude to the Transfiguration in 2020 on the Path in Virgo. Mars is in the 2nd decant of the 5th house, Trans-Form_{ing}-action.

The soul stands on the midheaven at 9 Pisces in God Mastery over the emotions and her water body having anchored the light invoked in Virgo on the Nadir to consume all negative karma, the energy veil and the planetary karma of the dweller's rebellion against the Guru and his and her chelas in the church and in the nation. Venus is conjunct Mother's celestial Venus, these are her faithful chelas who have assimilated her body and blood in communion to attain their victory over their dweller and those in the Organization who have taken the outer path

putting more value on their standing and position in the Organization than on achieving oneness with their Christ Mind, the casual body of Neptune in Pisces, God Mastery. Instead they have chosen on the Mountain with Satan and Maitreya, Saturn in Capricorn, to bow before the gods of power to rule the organization and in government's organizations. This is the source of the abuse of power rampant in the halls of government in Washington DC. This is the outer manifestation of the judgment of the Abusers of the Word on the 1st Ray now in its 36th year that began on May 27th, 1984. Their eyes have been blinded by their karma, as God has blinded their eyes and closed their ears. They stand intercept in the 6th house on the Sagittarius Gemini axis of the throat chakra and enter Capricorn with the Watchers to claim their reward. Instead they move as God has put into their hearts to do, until all that is written is fulfilled, Rev 17:17. Sons and Daughters of the Republic look and listen...see and hear, by listening grace, your dreams, and your understanding of cycles and the wisdom of the Divine Mother, what is coming upon the earth...and hold the balance of light that life does not perish from the earth.

Sun Enters Sagittarius

The sun enters Sagittarius in the 1st decant of the 11th house on Nov 22nd. The sun comes in 2019 at the harvest cycle of what was sown to restore the soul to her *original* estate the path of personal Christhood, by casting out the tares and casting them into the flame. We stand in the 1st decant, of the 11th house and of Sagittarius in *devotion*, to cast out the final enemy, the *original* sin that separated the soul from Maitreya in the Garden of the Mystery School, Eden.

The messenger of the Sun, Mercury, delivers the message of **Revelations** at **11** Scorpio in the 2nd decant of the 10th house conjoined the Part of Fortune, of the soul's *responsibility* to speak the truth into the lie with the fire of the heart, come what may. The soul hears because she stands on the 9th house cusp in the 3rd decant of Virgo, and *renunciates* the lies of the carnal mind of the personality of the synthetic self she created, that we call the dweller on the threshold of consciousness the proverbial *red devil on your left shoulder, to take the outer path*. The soul also, renounces the lies of those she encounters, those to whom she is karmically tied, those who have stood on the mountain of initiation with us and left off or avoided the initiation of Maitreya and have chosen *the outer path* of ruling over others, having abdicated to the dweller to rule over the faithful who have taken *the inner path of Christ mastery of the five secret rays* on the path of the Bodhisattva.

Mother teaches in, *The Enemy Within* that the lie once believed takes on an identity and consciousness, that once believed gains planetary momentum becoming the dweller. It must be challenged less the dweller replace the Christ rule. America is created to be a government of the people, by the people, for the people. We stand in the third century of America's birth to determine if Christ will rule under God Government and this people return to the mystery school, EDEN and fulfill the destiny of the soul. The soul is destined to attain to immortal life, the wedding of the soul to Christ to fulfill her destiny, in the 14 tests of the crucifixion and rise from the dead in three days in the resurrection flame and walk the earth as a World Teacher for 50 years as did Jesus, then to Ascend. This is the message, of the Sun delivered at 11 Scorpio,

transcendence. Come out of her, the harlot who denies God and rides the Beast out of the Bottomless Pit, the soul's unconscious to make war against the Lamb come in you, in the second coming in man.

Those who have taken *the outer path* stand on Mars on the midheaven conjunct the Nephilim and Abaddon at 3 Scorpio in the Organization and take all power to themselves. Mercury tells the faithful, to come out of her, the harlot, the anti-church and their anti-apostles and false pastors or receive her karma. This is the false hierarchy of the Ruby Ray in Capricorn on the South Gate in Spirit, opposing the Hierarchy of the Ruby Ray occupied by Sanat Kumara and the hosts of his hierarchy.

Jupiter conjunct Venus, Saint Germain the Knight Commander and his Keepers of the Flame are returning to Camelot to cast out these Black Magicians, this is Saint Germain's prophecy. They stand in the 12th house 2nd decant and *sacrifice* themselves to be free of the collective unconscious of the planetary dweller and its subconscious presence within the soul. The chela stands in the office of Christ, striving with the Guru and returns to Camelot to fulfill the destiny of Merlin as taught by Saint Germain. Jupiter is conjunct the midpoint between Venus and Apollyon, the Nephilim pantheon and the God of Plagues. We know him, Revelations teaches us, as Abaddon, in Hebrew, Apollyon in Greek. He stands on the 6 o'clock line in Cancer who comes to make war with the Lamb and his wife, as taught by Sanat Kumara, in the Seven Initiations on the Path of the Ruby Ray. This midpoint represents those who stood and still stand on the Apex of the YOD at the Y in the road and slay the dweller and take the right-hand path, *the inner walk with God* and cut all ties to Abaddon on the South Gate, in Cancer, and keep the White Cube of Church Universal and Triumphant and have prepared to this hour to stand with the Guru to cast out the Black Magicians from Camelot and the Goddess of Liberty tells us, from North America. Jupiter enters Capricorn on December 2nd and the 1st confrontation or challenge is with the Watchers on December 4th, 2019, followed by the Dragon in January, Pluto in April and finally Saturn on winter solstice 2020.

Venus' test, in the third decant Sagittarius conjunct the Guru Jupiter, is of her bonding to the heart (Libra Aries) of the Guru. Venus rules Libra, intercept in the ninth house. The heart chakra is intercept in the nine-third house axis of the higher and lower minds. This is the test in the mental plane in Libra of God Reality. Every man, woman, and child are being tested. All have come to this point in their soul's evolution on the path with Jesus Christ of their personal Christhood, whether or not they will bend the knee in Capricorn and stand with the Guru or against the Guru. We have been told that those who believe that being silent they avoid the confrontation are self-deceived. The lukewarm, we are told, are cast out. The vestal virgins without oil are told by Christ that he does not know them. The fruitless vines are uprooted. Those who come to the wedding feast without a wedding garment are cast out. This is what happened on Maldek and Hedron, the asteroid belts between Mars and Jupiter and between Mercury and the Sun. The lukewarm did not ascend or go to the second death, instead they became the laggard evolution of Maldek who sought refuge on Earth. They were invited and came and took up residence on earth in the countries surrounding the Mediterranean Sea and the Middle East.

Venus is the soul's test of *devotion* to the Office of Christ in service to the Father represented to the soul by the Guru in the first decant of the ninth house. The soul is called to sacrifice her lesser self on the rock of Christ to be emptied so that the Guru can fill the chalice of the heart, the Holy Grail, with illumination's flame, Christ light. The soul is called to be the bride of Christ, she is called to the wedding ceremony. Will she come with her garment prepared? The soul stands in Libra ruler of her God Reality or has come to this initiation and testing concerned for her self-preservation in Libra under an *intercept* heart filled with anger and hatred of the Guru at 29 Virgo on the cusp of the 9th house. The soul stands in the ninth house with the moon beneath her feet as Christ or she stands intercepted unable or blind to the inner man in the secret chamber of the heart. And if she is aware and knocks, he won't answer, stating he does not know her, because she has no oil in her lamps, her chakras. The soul stands completely identifying with the Moon at 6 Libra, in the lower mental plane, identifying with the lower mind.

In Esoteric astrology the soul evolves on the mental plane to form the Christ mind, indicated by out picturing the casual body of Neptune. Having evolved from a Lunar mind of the mass consciousness and the collective consciousness, the animal group mind, the hive mind of the Moon's Lunar forces. The young soul's mind unable to receive the energies from Neptune. When the soul evolves to the next stage having developed her bodie's organs and glandular system to receive higher vibrations or frequencies, she has evolved to Mercury's frequencies and enters a new stage of evolution. The 4th and 5th root races have evolved long ago to the Christ mind, able to assimilate the frequencies of the casual body or the electronic belt of Neptune. The third and final stage of the soul's evolution. Now the soul is called to wed her Christ Self and judge her personal and planetary dweller, embody Christ and judge the fallen angels. This is the initiation of partaking the fruit of the Tree of the Knowledge of Good and Evil that is reserved for the soul's final stage of evolution.

Mankind in the 4th and 5th root races early on in their evolution were deceived by the Serpent in the Garden of Eden, the Mystery School where we were evolving in Matter. The consequence was that our souls not having evolved to Christ attainment, yet, now knew evil but not yet able to conqueror as Christ is called to. So, mankind fell and were cast out of the Garden, the higher frequencies of Matter, the etheric plane. The plane of matter we know as fire, the etheric plane, the FLAME. We know this as our Sun. We were cast down in frequency, in matter to the physical plane and these physical bodies we now wear. We need to weave our seamless solar bodies to enter the resurrections fire to walk the earth as Christ, world teacher then ascend back in the flame to the Flaming World, we call heaven and some call the Seventh Heaven, the idyllic realm.

The Guru and his Chelas come to cast out, the Black Moon Lilith, the Black Magicians and the Castaways who are no longer tied to Gautama Buddha's heart flame. Lilith is conjunct Mother's Sun at 17 Aries in the second decant of Aries and the 3rd house. The faithful chelas stand with Mother to raise the Right Hand of the Cosmic Virgin and defend her Daughter, Guru Ma, as they *exalt* the God Flame within their hearts in the second decant on the Aries Libra axis

of the heart chakra and *exalt* the Guru, challenging the lies of the Castaways, Lilith who *exalt* themselves on the midpoint between Chiron and Uranus. They stand on the apex of the YOD at the Y in the road and take the Left-Hand Path becoming Black Magicians who usurp the office and authority of Guru Ma and her chelas on the twelve o'clock line in Capricorn. They have hardened their hearts and now stand intercepted in the 3rd- 9th houses on the journey of the soul's Odyssey and they are denied entry into the heart. They are being cast away, left behind and now becoming Castaways. They would, if they could, replace the Guru. They can't, this is the hour of their judgment. The Guru is returning to cast them out, Mother's Sun conjunct Lilith. This is the promised return of the Guru. Mother comes with the Master and the Christ, one with the Father who embodies Mother on the South Gate and stands one with the Father on the North Gate as the whirling T'ai Chi to fulfill this prophecy.

By way of context understand that on the night of **May 1, 1776**, the Illuminati met to found the order in a forest Rothschild was a funder and member of the Bavarian Illuminati. Starting out in a Frankfurt banking house, Mayer and his sons became international bankers, establishing branches in London, Paris, Vienna, and Naples by the 1820s. Their first target was France and Maria Antoinette and the French Revolution, opposing Mother and Saint Germain, The Wonder Man of Europe, you know the story. Their second target was America, working through Hamilton and Jefferson to create the civil war. They funded Karl Marx to create a paradigm to indoctrinate the proletariat, the working class, to replace Christianity in the industrial cities rising from the farming lands of agrarian Great Britain. They targeted the Hapsburgs and you know the story of Catherine of Austria. They targeted the Romanovs of Russia to stop Saint Germain and his prophets. Now their target is America and the Church, to finish what they started out to do 2,000 years ago and in their latest attempt 200 years ago in **1776**. This is the spiritual warfare that has been raging on planet earth since the fall of Lemuria and Atlantis. This is the trial by fire that has forged Christ, in you. Now is come the final battle. The stage is set. The players gather. The final scenes are about to get underway.

El Morya gave this dictation in 1974 before the beginning of the 46 years of the Galactic Alignment in 1975. He gave it at the end of the first century of the opening of the mystery schools to mankind in 1875 that latter founded the Theosophical Society. He gave this dictation at the end of Americas second century, the manifestation of Christ Illumination and *he asked us to sacrifice that this nation not perish from the earth*. We stand in the second century of the opening of the mystery schools and we embarked on a path of 46 years for the birth of Christ in Man as we entered the third century, the love fires of the heart to keep the flame for America and the birth of Christ coming in the earth. Here is what he says:

I come with a covenant and with a mandate from the Darjeeling Council.

I address you in order that this government and this nation shall not perish from the earth. I address you to enlist your support of the holy cause of keeping this nation free under God—not for vainglory, not for chauvinism, but solely as the opportunity under the sun for every man and woman to attain the fullness of the Christ-potential.

We see the scroll of the future; we behold the handwriting on the wall.

I say then, our love for this nation is a love that transcends all boundaries and that is for the planet as a whole as a place where man can be free to follow communion with his God, and out of that communion to bring forth a golden age culture. We then have all of humanity in mind when we enlist your support for the final definition of what this government ought to be and shall be. United we stand, divided we fall.

...this government of the United States is a government that represents not only mankind, but also our hierarchy of light; and the office of the president of the United States is a holy office that is sponsored by hierarchy.

*Precious hearts, **we are asking you to call for the reign of the Prince of Peace in the White House, in the Capitol, in every heart.** We are asking you to mount with a holy fervor, to ride with the One on the white horse, with the One out of whose mouth there comes the sword, the sword of the Sacred Word. We are asking you to count yourselves among the saints who love not their lives unto the death. These are they whose names are written in the Book of Life. With all of your heart, with all of your soul and mind., I say, make your vote count for the holding of the focus of light in America.*

*I ask you, in consonance with the directive that came forth from Lanello, to **secure a globe—a lighted globe**—to place it upon your altar, to raise your hands over the globe—knowing that the energies of the secret rays will flow through your hands—to **hold your hands two inches above that globe** and to continue to hold them over the United States as you give your invocations and your service each day. **Know then that God acting through you will hold his hands over America to bless this nation,** to keep it free, to restore harmony, God-government, God-economy.*

There is still time. There is still space. There is still opportunity. We stand on the brink of a destiny that will be either the ushering-in of heaven on earth or hell on earth. Therefore no sacrifice that you make is too great. When you consider your children and the world that they will have to live in, your love will mount for all humanity.

*I say, be infired with this will this day. And **include** in the room where you have your altar **a picture, a photograph, of the White House and of the Capitol Building. Both are necessary** so that in your mind's eye and through the third eye and all of your chakras you can direct with the Elohim the seven rays for the balance of the Holy Spirit. Let it be done, precious hearts; and let this message be published to all members of the company of saints of the Keepers of the Flame.*

*You see, precious hearts, Lucifer and the Luciferians have caused the destruction of a number of worlds in this galaxy. And now they are concentrating the full momentum of their energies upon this earth to destroy the youth, to destroy hope. **They shall not prevail!** They shall not pass! That is the edict of God. **Let it become the edict of man,** and you will see the fusion of light as above, so below.*

Mars is midpoint between Apollyon and the midheaven, triggering the Yod that began on Pentecost 2018 lasting through Feb 11th, 2020. The apex of the Yod is the Y in the Road with the Guru. The apex is 2 Aries, Mother's midheaven. Chiron has been conjunct Mother's MC at the Y in the road with Apollyon or Abaddon and Transpluto since Pentecost 2018. We are called to confront our dweller on the threshold of our consciousness, so Christ might enter to fulfill the prophecies, of all that is written. The judgment of the tares. Mars triggers this in November as the Sun enters Sagittarius on the 22nd. Mars conjuncts Abaddon in the first decant of the 10th house, *Organization*.

We are being called in 2019 to stand at the Y in the road and choose who rules ourselves, our Organization and our Nation, America. We are called, as taught in the Climb the Highest Mountain Series, *Christ and Antichrist*, to slay our dwellers, many having been on the path now since the 1960's and 1970s. We are called to stand in Leo in the 32nd year on the Path of Personal Christhood (Nov 1st, 1987) in the initiation of our hearts (Feb 21st, 1988), in the 20th year of this century in Leo to publicly demonstrate our mastery over who rules us going forward, Christ or Antichrist. We are called to demonstrate our mastery over the dweller by the flame in the heart and by our mastery of the five secret rays, slay the dweller. To determine the outcome of the coming elections. To elect Christ to lead us in battle.

Chiron triggered this initiation at the Y in the road on Pentecost 2018 as he conjoined Mother's Midheaven. Chiron represents all the conditioning of our souls through the ages to the pride of Lucifer that Lanello told us must be cast out or go before the fall. This conditioning comes in all the guise of Aries, self-will, manifest in the chela that fails their initiations in the 6th house of service to the Guru as taught by Mother. This failure is the chela failing in the opening of the heart to Divine Direction to outpicture the divine plan, and the soul's blueprint. The soul having left off the Path of Personal Christhood and the initiation of the heart now stands in the Leo initiation of who rules on the mountain in Capricorn in the warring in the members between the Rams and the Goats as seen by Daniel, the prophet. The soul has come to the initiation for the testing of the bond to the Guru as she faces her dweller. What will be the outcome?

The soul who is bonded to the heart of the Guru standing in the diamond heart in Leo, confronts the dweller in Capricorn with the Guru who enters on December 2nd, 2019. This is the parable of the invitation to the wedding; the invitation went out 2,000 years ago and those invited failed to come. The invitation was sent out later to gather any who would come. Some came without the wedding garment and were cast out. This is the parable of the virgins and the oil in

their lamps, and of the multiplication of the talents, the God qualities of the three-fold flame in the heart, the individualization of the God Flame. And it is the parable of the unjust stewards who have taken the Father's land to themselves no longer following his will. When challenged by the faithful Sons and Daughters they have treated them ill and are attempting to take heaven by storm; Chiron on Mother's Midheaven, Black Moon Lilith on Mother's Sun, and Pluto, our personal dweller on Mother's Descendant. This is the final testing of the year to ascertain the harvest of 2019, the harvest of lifetimes of striving in service with the Guru and the Ascended Masters.

We are approaching the end of the initiation of our souls under the Galactic Alignment for the birth of Christ in you that began in 1975 as our Solar System entered the rift of the Galactic Equator for the Divine Mother to give birth to Christ in you and in the American people, between 1975 – 2020. This cycle ends in 2020 in Virgo in the 33rd year of the initiation of our hearts by the Holy Spirit on the Path of Personal Christhood. Many are ready and many are not, having failed to become the Christ, having pursued the outer path of the Princes of the Church and the World. They come to this initiation in the fall of 2019 conjoined the Black Moon Lilith conjunct Mother's Sun at 17 Aries in the second decant of Aries, *exaltation* in the second decant of the third house, *fidelity* to be measured in the public demonstration of their mastery over their dweller by the flame in their hearts, mastery of the five secret rays. Mars is triggering Apollyon to action at 2 Scorpio in the 10th house as he fulfills the word in Revelation chapter 9 verse 11. Sanat Kumara teaches us that Abaddon has come out of the pit to make war, Mars, with the Lamb and his chosen and faithful, by subverting the authority of the Father on the North Gate on the 6 O'Clock line, in Cancer. He also usurps the office of the Lion occupied in Matter by the saints who are the sons and daughters of God, Christed Ones, the 144,000, and the remnant of the Woman's seed who keep the flame in the white cube of the Church Universal and Triumphant.

18

The Black Moon Lilith, the soul that God has castaway for her rebellion against God and twin flame, conjuncts Mother's Sun is midpoint between Chiron and Uranus at 3 Taurus in the 4th house. Lilith exalts herself as she stands on the East Gate usurping the authority of the Son in the Office of Man occupied in Matter by the two Witnesses and two Messengers and the true Christs and true Prophets. They are in rebellion, Uranus in Taurus, to the laws of the Father and his Sons who were given the Kingdom to rule at 10 Taurus, the Sun of USA and CUT. This will play out as Uranus conjuncts 10 Taurus beginning on July 4th, 2020 through Feb 7th, 2022 with key dates of 9/26/20, 4/18/21, 5/6/21, and 12/28/21. Read CHM, *Christ and Antichrist* to understand what is happening in the Nation and the Church that you might be the Ruby Ray Anchor to arc the light of the Masters and anchor the light in the energy veil and planetary karma before it plays out to destroy the Nation and the Church as prophesied by Mother and the Seven Elohim in the spring of 1993 and delivered as the July Fourth Address in 1993, by Mother. This is the 1988-1990-1994 Capricorn conjunction of first 4 planets, the Four Horsemen, then 7 planets in Capricorn in January 1994. Call for the arresting of these cycles playing out as the Dragon who stood before the Divine Mother in the Galactic Alignment giving birth to the Christ in you, to devour your Christ self as soon as it was born. Maitreya tells us that we are given the

sword of the Cosmic Virgin to slay all that assails the birth of Christ in you. Many have ascended from this activity, now we who remain, Kuthumi tells us, are bringing up the rear to fulfill the word, see Revelations chapter 17 verse 17.

Cycles of our personal Christhood are coming to its final and glorious conclusion. Guard the heart and guard the oil in your lamps. Study the scriptures to understand the challenges we will soon face and study the Everlasting Gospel, the Wisdom of the Mother, to know your self-worth and have the self-confidence in the flame within your heart to meet these coming challenges of the confrontation with the dwellers in ourselves and the people we are in relationship to. Be prepared to stand with the Guru, Ma and Morya, and Saint Germain as the Guru returns as she promised and as it is written to deliver the judgment and seal Camelot and North America. Study the book, *The Vials of the Seven Last Plagues* by the Seven Archangels and Archeia, the Judgments of Almighty God Delivered by the Seven Archangels. So that when the angel comes, he finds nothing in you. Or as Morya tells us, if it hits you, it won't stick to you, Four Ten Axis Clearance. This clearance is very apropos given Uranus entry into Taurus, from May 15, 2018 - April 25, 2026. The critical dates being Uranus conjoined the Sun of USA and CUT, on July 4th 2020 to Feb 7th, 2022.

Key to this coming judgment is the slaying of the dweller of the chelas and the wedding of the soul and the Bridegroom. Christ comes Mother tells us in the book, *The Enemy Within*, once the dweller is slain to fill the vacuum. Maitreya teaches that for those souls not yet ready to wed their Bridegroom when the confrontation with the dweller befalls the soul, they have but to call upon the Ascended Masters who will come and slay the dweller for the soul and occupy, Maitreya tells us, the vacuum until the soul is ready with the wedding garment. See Maitreya, "The Six-Pointed Star of the Lord of the World".

This is critical to the soul this fall. The bond of the chela to the Guru, to the heart of Maitreya. Goddess of Liberty, spokesperson for the Great Karmic Board delivered a teaching on August 10th, 1985 titled *The 24 Year Plan*. It describes the 24-year path to the bonding to the hearts of the Messengers for the purpose of bonding to the heart of Maitreya. This cycle of initiation ended in August 2009. Where were you in juxtaposition to Guru Ma in August 2009 going into the harvest of hearts in the fall of 2009?

The axis of the Ascendant Descendant at 8 Capricorn and 8 Cancer forms a T-Square to Mother's Mercury, the Messenger at 8 Aries in the 3rd house. Mother's Mercury is midpoint between Chiron on her MC at 2 Aries and the Black Moon Lilith conjunct her Sun at 17 Aries. This midpoint is compounded by Chiron on the midpoint of Neptune (*illusion and self-deception and deceiving others, Neptune's casual body is the Christ mind, her electronic belt is Antichrist*) and Lilith conjoined Mother's Sun. While Lilith is midpoint Chiron and Uranus. This is a very dangerous karmic entanglement that weaves a karmic web to entrap the soul. This initiation and its coming tests require the bond to the heart of the Guru and the mastery of the five secret rays of the flame within the secret chamber of the heart, the 8-petaled chakra. This test is about the soul's attainment to receive the Guru and her Holy Christ Self on the Ascendant and work the

work of the Ages, to slay your dweller who comes, ready or not, to devour your Christ-child, the Divine Mother is giving birth to in you. This is the test of the Inn and the Manger.

These tests with the dweller begin in earnest on December 2nd as Jupiter enters Capricorn and continues throughout 2020 and 2021, because Jupiter conjuncts Saturn on Winter Solstice 2020, setting the stage for the next term or the next President that will decide for America who governs or rules in America and the church in 2021 and beyond. It will determine what the Great White Brotherhood can do or not do for America, for the Turning of Worlds, *that this nation not perish from the earth.*

- The **SUN** consumes all unlike itself. You can do anything through the Cosmic Christ consciousness of the **SUN**. Remember that ye are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.
- ...the dark clouds of the fallen ones that attempt to cover and eclipse the SUN of your I AM Presence.
- Let not the eclipse of the sun or moon in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- *...these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
