THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and cosmic astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

**December 26<sup>th</sup>, 2019, Solar Eclipse at 4 Capricorn 7, New Moon #1**

This eclipse of the I AM Presence (Sun) of the soul is to test the soul, who has come to solstice the victor in 2019 and received the reward and a gift, if they will use the light given, to bind their dwellers. The test is whether or not the soul who has attained a level of Christhood will guard that light from your own dweller and from those who came to solstice and were rejected as the fruitless vine, without oil in their lamps.

This is the message of the Sun from the messenger, Mercury in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house. Can the soul pass the test of the confrontation with the Serpent and *the serpentine mind and logic* in 2020, in those who are failing their initiations? Can the soul guard her chakras and hold the balance for a nation and a people throughout the window of the eclipse...to August 2023 and gather the people to Maitreya and to Saint Germain?

Mercury, *Watchers*, Moon, Sun (eclipse) and Jupiter are in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house, of the reasoning of the lower mind. This is the reasoning that caused the fall of the soul from the mystery school, the Garden of Eden. The soul is being tested as to right reasoning, logic, motive, and cause as taught by El Morya. To whom much has been given much is expected. Those who are faithful in the things given them to do, greater things are given the soul to rule; as once one's

karma is balanced, the greater dharma is given. This is the testing of our souls in Virgo in the 33<sup>rd</sup> year on *the Path of Personal Christhood*. Will the soul be influenced by the Watchers and the Serpentine logic of the 2020s that Mighty Victory warned us about in the Mandate of Victory?

We are called to face the subconscious records of our old patterns, our mood momentums of our past attachments to materialism and our egos. Saint Germain tells us that every Golden Age fell because of our attachment to materialism or re-stated, we fell causing the Golden Age to fall because of our attachments (possessiveness) to materialism...God's

energy. As our consciousness fell, we were invaded by the fallen angels and their hate creation. We are being tested in 2020 to see who so desires the Kingdom, so that the TARES can be separated and cast into the fire, *because* we have cut our ties to them that has allowed them to rule us, instead of Christ. The corollary is that the tares are eclipsed and judged, cut off. The issue is can we the people be cut free from them to hasten *the day* or will we continue to drag this out, risking everything, our community, our nation, even our souls. We are taking risks in Leo in the 32<sup>nd</sup>-year of the initiation of our hearts because of those aspects of our soul's insensitivity to life, they are blocks to the call of the Mother's love and the courting of our Holy Christ Self. Why because of the natal placement of our Pluto, for many in positions of authority today, it is in LEO. Leo the conscious *desire* of the personality to rule.

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

During this eclipse of the Sun of our Presence, that is *conjunct Jupiter the Guru*; the Son with the soul must face her dweller in Capricorn and cast it out as the eclipse of the Sun eclipses the Guru. The soul faces this initiation of her heart on her bond to her Christ self, the soul's integration in Christ. This is the testing of the Christ in Virgo on the Path of the fruit of the Tree of the Knowledge of Good and Evil. The Christ is given to be judge over the fallen angels and our dwellers. Can we pass this test in 2020? Can we cast out our dweller? The dweller knows his time is up. He has prepared to this hour. He has gathered his forces (allies) in Capricorn, to take his stand. Long has it been written, "the meek shall inherit the earth", to the victors is the Kingdom given.

Note, the midpoint of Mercury Saturn is conjunct the Dragon's tail. Mercury in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house (serpentine logic and reasoning) of the lower mind that argues that the materialism of **Saturn conjunct Mother's descendant**, the guru chela relationship is not "really" the issue nor is it impacted by the choices we make or put another way, the mystery school is not affected by the choices we make. "Surely we will not die". The Dragon represents all our past choices that began with our fall from *Heaven* for some and from the *Garden* for others. The common link between the two is the hatred of the Guru, the law giver, our Father, Saturn by the dweller of the chelas that vibrates with Abaddon and the Watchers. The Watchers at 1 Capricorn is conjunct the Galactic Center, *the black hole* at the center of the galaxy. The Watcher Galactic Center conjunction is midpoint the Messengers (Mercury) and the Guru (Jupiter). We stand in the fourth year under the eclipse of our Sun to finally face Abaddon on the 6 o'clock line in Cancer to cast him out of the Mystery School, Camelot and North America. We stand in the fourth year of the Sun conjunct the Watchers at winter solstice for the final battle. To the prepared goes the victory.

---

Also note the midpoint, at 20 Capricorn 43 minutes of the *solar eclipse* (conjunct Jupiter) and *Venus*, the faithful chela. This midpoint is *exactly conjunct Saturn*, representing the choice between Maitreya and Satan, to be the initiator of our souls. Saturn is **conjunct Mother's Descendant**, the Guru chela relationship within a 27-minute orb, activating the exact conjunction on winter solstice. This testing of our souls will last all year, as the result. Venus is in the 3<sup>rd</sup> decant of the 4<sup>th</sup> house, to *research* the teachings and the records of our nation and community and to know (Aquarius) the law, of our safe passage of ye all (1/1/1989) and its mantle of learning, illumination and self-knowledge that will see you through all that is coming upon the earth that leads up to the "Great Day of the Lord". The soul of the faithful must know (Aquarius) whose law they follow. One argues, "surely you will not die".

THE ENCOUNTER WITH MAITREYA

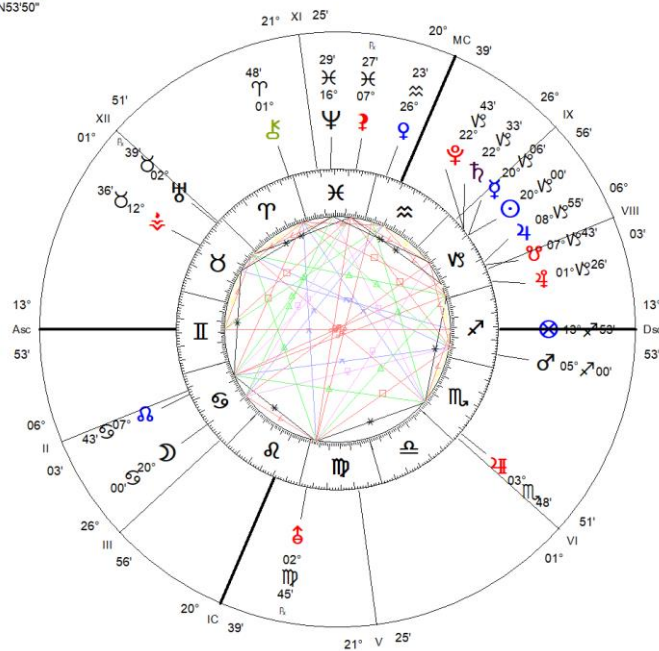

January 10<sup>th</sup>, 2020, Lunar Eclipse 20 Cancer Conjunct Mother’s Ascendant

This eclipse of *the Sun (Son) of our soul*, our Christ self occurs 2 days before the exact conjunction of Saturn Pluto, our personal and planetary dweller on-the-threshold-of-consciousness. We stand in the eclipse for *the testing of our soul’s bond to Christ*. This is to divide the wheat from the tares.

The prepared soul bonded to Guru and Christ stands as a pillar in the community to hold the balance for all those who must face the attack on the Guru and Christ and be unmoved under this eclipse of the Son of the soul. This testing occurs in the second house, second decant to test the mastery of the soul at 20 Cancer conjunct Mother’s Ascendant. Will the soul, facing the coming challenges under this eclipse and the eclipse of the Sun at 4 Capricorn seen previously, call upon the bond to the heart of the Guru as taught by Maitreya or will the soul stand alone to face the challenge of the dweller of those in Mother’s 7<sup>th</sup> house 1<sup>st</sup> decant who make policy to consolidate their control of power within the organization and the nation.

The soul who comes to this initiation prepared, stands in the six-pointed star of the Lord of the World, (see Maitreya’s dictation by that name). The soul stands in the 8<sup>th</sup> house 3<sup>rd</sup> decant with Sun, Mercury, Saturn and Pluto to slay the dweller, to bind, cap, and cast out the dweller within themselves. Once this occurs within one, it will occur within the many, as prophesied. This will then leaven the whole loaf as we wait upon the Lord to release the dispensation promised by Saint Germain that the chelas will call to free Merlin who will return to Camelot to cast out the Black Magicians; those who stood on the mountain and took heaven by storm, Camelot. The binding of the dweller will trigger the dispensation of Merlin’s return that will launch the “*Coming Revolution in Higher Consciousness*”.

Mercury at 20 Capricorn 6 minutes, within a 10-minute orb of Mother’s Descendant is conjunct the Sun that eclipses those souls called and chosen to come to America and to the Church, who have failed to prepare and are unable to defeat their dwellers. These are they who

instead have bowed down before Satan and their Dweller on the mountain, as described by the Messengers in the Climb the Highest Mountain Series, Christ and Antichrist. Mother prophesied to every Keeper of the Flame in her July 4<sup>th</sup> Address, 1996 that they would stand in the shoes of Hamlet in the appointed hour and would choose, “*to be or not to be*”, the hour is come.

We stand under this eclipse to call for the eclipsing of all opposition to the Son of our soul, our Christ Self, as taught by Mother. We stand on the descendant at 13 Sagittarius, conjunct the US conceptual ascendant to slay the demons of our unconscious that threaten to kill the Christ aborning in ourselves, the chelas and the people in America. This is the fulfillment of the prophecy that America is to be the place where Christ will be born and upon his shoulders, Gemini on the ascendant, God Government. We stand in the six-pointed star as described by Lord Maitreya in his dictation as the warrior to defend the Community against the lies of the carnal mind of the dwellers in our midst. We are called to be the watchers upon the wall, keeping the vigil through the night of this eclipse window (Jan 10, 2020 – June 5, 2020/July 5, 2020) and the ghosts it will create that will torment souls until transmuted by the violet flame. Call for the violet flame to wash seven times all this opposition to our souls as bride of Christ in this community, America and all nations sponsored by the Great White Brotherhood.

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

January 12, 2020 *Saturn Conjuncts Pluto at 22 Capricorn 46*

Much is written about this conjunction. Many fear it for the challenges it will present. Others look to it for the opportunity it provides as Sun and Mercury converge at the midpoint to conjunct Saturn Pluto, a 14-minute orb.

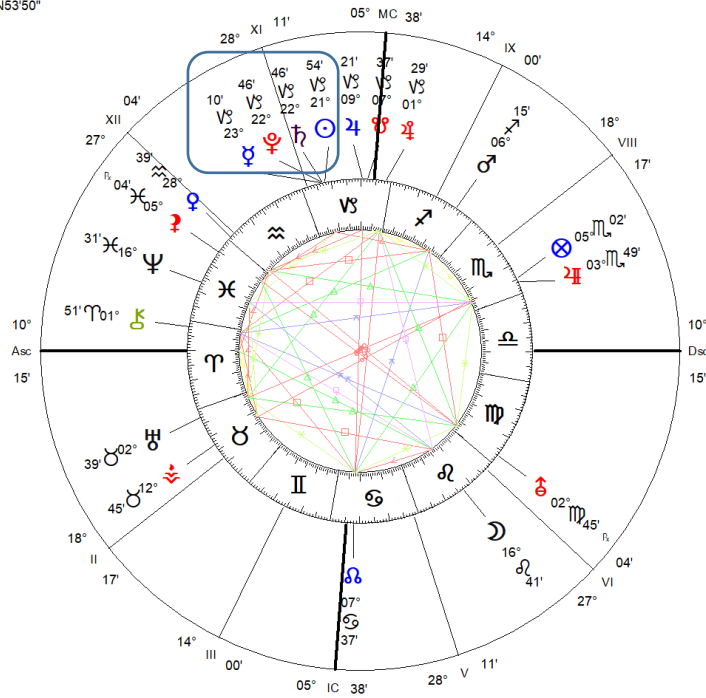

As Saturn transits to conjunct Pluto, Maitreya comes to initiate the American people to cast out the dweller, the black magicians from America and from Camelot. This is the battle of Armageddon prophesied and sealed in the books of Revelation and Daniel till the end of the age of Pisces. Both books were dictated and immediately sealed until their time was come.

The mega conjunction at 21-23 Capricorn occurs as the Guru Jupiter conjuncts Mother's Mars at 9 Cap 57 minutes with a 36 minute orb in the 1<sup>st</sup> decant of the 10<sup>th</sup> house, within the organization and within the ability of the chelas to rally to the Master to organize a concerted response to those who have gathered in Capricorn to take heaven by storm and overthrow our church and Nation that share the same Sun sign and destiny, within a 1 minute orb.

These are the chelas who stand bonded to the Guru having assimilated the Guru and the teachings to stand on the path in Virgo having erased the face of the lessor self from the mirror of the moon mother and now see in its place the face of the Cosmic Virgin and her daughter, Guru Ma. These stand in Capricorn with Guru Ma and her unascended chelas holding the authority of the Mother, the embodied Lamb and Lamb's wife on the South Gate and those who hold the authority of the Father, The Lamb and his chosen and faithful who are the saints, the sons and daughters of God, the 144,000, and the remnant of the Woman's seed who keep the White Cube of the Church Universal and Triumphant on the North Gate. These are the unascended chelas who stand on the six-pointed star between 2 and 5 degrees of the earth and water trines to bind and cast out the Beasts out of the sea and the earth on the West Gate, and to

cast out the black magicians who make up the ICCC from North America as prophesied by the spokesperson of the Great Karmic Board, the Goddess of Liberty. To understand your role in the coming challenges, study Lord Maitreya's teaching, the Six-Pointed Star of the Lord of the World.

Understand your responsibility as you stand on the MC and cast your anchor into the Ascended Masters octave and arc the light into the earth and anchor it to consume the energy veil, embodied evil, in all who gather in Capricorn, Pluto, Saturn, Dragon (tail) and the Watchers (1 degree Capricorn). This mega-conjunction at 21-22-23 Capricorn is in the 3<sup>rd</sup> decant of the 10<sup>th</sup> house, it must be understood with the highest *ideals* so that you are found in the God Mastery over your own dwellers and the Dragon come to devour your Christ Self. In this way you will stand as Krishna did when Kamsa sent Pootna to destroy him. Of the others who cannot rise as Flying Eagles in Capricorn it is written that their hearts will fail them for fear.

The faithful chela stands at Venus on the 12<sup>th</sup> house cusp, at **27 Aquarius** and faces the ghosts of the 1994 mega conjunction in Capricorn and the Pluto Saturn square at **27 Scorpio and Aquarius**, respectively. Here we all stand as Hamlet to face the untransmuted ghosts in our subconscious as we confront our dweller and those of others as they play out throughout the remainder of our embodiment as the crew of our ship, in the odyssey of our soul's journey home. Many generations to come will face this initiation, that will last for the next few hundred years.

In 1994, Saturn at **27 Aquarius** represents the hardness of heart and the untransmuted hatred that accommodated the Masters and the violet flame. The lost opportunity to transmute our karma and its personality we call the dweller-on-the -threshold-of-consciousness. It lurks just below the surface of consciousness; we call the subconsciousness. Now as we emerge from the Galactic Equator and the Rift into the light of the Galaxy to encounter the light of the Divine Mother, we are forced by the coming light to meet our dwellers as Christ or Antichrist. Venus must remain faithful even as she faces within and without, the self that is apart from God, the portion of the soul that out pictures the Black Moon Lilith at 5 Pisces.

*Next Guru Jupiter Conjuncts Mother's Chelas, Her Mars*

2020

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

January 15<sup>th</sup>, 2020 *Jupiter Conjuncts Mother's chelas, Her Mars*

The Guru Jupiter comes to stand with the chela. Here, Mother taught us is where the chela stands to serve the Guru. It is also in this service that the chela fails their initiations in the Alpha cycle. So forewarned is to be forearmed. We see that Jupiter is conjunct the Dragon's tail, the chelas bad habits and mood momentums. The chelas attachments to material substance and the substance of the ego.

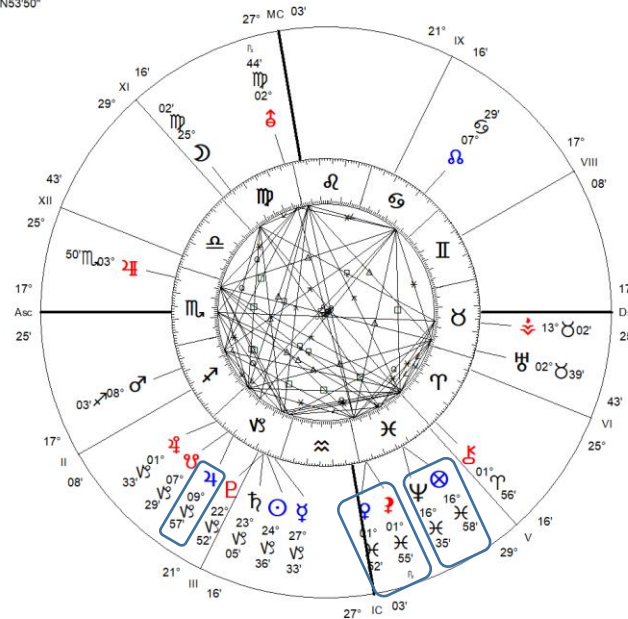

Jupiter is exactly conjunct Mother's Mars, her chelas. Those who have been faithful and bonded to the Guru as taught by Goddess of Liberty in August 1985 and who have assimilated the Guru as taught by Maha Chohan in February 1988, now stand having washed 7 times of the subconscious hatred of the Guru. They now are able to stand with the Guru to defeat their dweller and not be overcome by fear. Whereas, those who have not bonded, who have not assimilated but instead have accommodated the Guru these last 60 years they now face their dweller. They are forced to face their dweller because it suddenly rises in envy and jealousy, the poison of the will of their ego, to attack the Guru and her chelas who come to cast out the dweller, first within themselves then the nation. See Mother's lecture given by Morya and Maitreya as the teachings of the Cosmic Christ at Maitreya's Mystery School, titled, "How to Kill a Mockingbird Or 100 Ways to Kill a Messenger, given on September 15<sup>th</sup>, 1990.

The faithful chela stands at 1 Pisces and must face her mood momentums that are her attachments to materialism. These attachments are manifest as the Black Moon Lilith, also at 1 Pisces. The latter represents the aspects of the soul that has rejected the Guru, refusing to give herself to the Guru. This is all those aspects of the subconscious that the soul has withheld from the Guru. Now they stand between the soul and the Guru and the soul must choose as did Hamlet in his hour of the dark night, tormented by his ghosts, risen out of his subconscious.

The *key* that the faithful chela holds is their Part of Fortune. This is the soul's saving grace, the love of the bride and bride groom. No sacrifice to great, no challenge to big. The soul values something greater than selflove, the love of the Guru for the chela and chela for the Guru

transcends all else. The Part of Fortune is conjunct the casual body of Neptune, the Christ mind and the consciousness of God in the mind of Christ. This conjunction is in the 2<sup>nd</sup> decant of the 4<sup>th</sup> house, Revelations in the 2<sup>nd</sup> decant of Pisces. The soul knows by the Holy Spirit that sacrificing the lesser self by casting the soul on the rock of Christ will slay the dweller purifying the subconscious to be filled with God's desires.

This is the state of the soul who has come with Christ mastery to the inner initiation of the five secret rays since 2016 and now stands in the 5<sup>th</sup> year to demonstrate her mastery in Christ over the personality rooted in her dweller.

The nadir is **27 Aquarius**. Now the soul must face her hatred and hardness of heart and let go or receive her karma, the Black Moon Lilith. This is the Revelation of the Scarlet Beast and the Scarlet Woman in chapters 17 and now in 18. We must come out of her or receive her karma, Revelations 18:4. This is the prophecy of 1994. To counter this prophecy of the cause of the destruction of the nation and the church, the Elohim placed their seven casual bodies over the seven planets gathering in Capricorn. See the Elohim in Spring 1993. See Jesus and Morya Easter 1993. Saturn at **27 Aquarius**, 1994 is the karma of materialism, the cause of the collapse of every Golden Age and of our abandonment, our abdication of personal Christhood previously attained in those ages. Now this karma is returned to those called and chosen to be in the Church and the nation, America.

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

January 20<sup>th</sup>, 2020 Sun Enters Aquarius

The Sun enters Aquarius in the 11<sup>th</sup> house second decant conjoined the Part of Fortune. The soul finds harmony in the inspiration of the Son (her Christ Self). The Sun is midpoint between Mercury and the Saturn Pluto conjunction. The soul rejoices in the inspiration from the Son about her origin as a God Flame from whence, she came and to which she returns. She also dwells in the knowledge (Aquarius) of the origins of her departure from grace by her attachment to materialism. The nature of God as substance in matter as the flow of energy and how possessiveness, the hording of energy caused the downward spiral that took consciousness as the personality of the dweller. By letting go into the flame, the soul’s attachments, the consciousness of the personality of the dweller is consumed.

The soul learns sitting at the feet of her Christ Self in the 8<sup>th</sup> petaled chakra that desire chains the soul. The soul learns to take wise dominion by exercising the wisdoms of the five secret rays to slay the dweller and his consciousness, day by day. As Saturn Pluto are midpoint Mercury and Jupiter. The soul learns by inspiration how attachment to substance has separated the soul from the Guru in the past, leaving the Guru open to attack and murder, throughout the ages. The soul assimilates Mother’s teachings of El Morya on “How to kill a mockingbird, 100 ways to Kill the Messenger”.

The soul who has not assimilated the Guru stands in this initiation repeating the past on the ascendant as she stands at the Y in the road on the mountain in Capricorn with the Guru, withholding from the guru. The soul rejects the love of the Guru and Holy Christ self as the heart chakra is intercept. The heart is closed off to the Groom and the Guru. The soul stands in Leo in the 32<sup>nd</sup> year of the initiation of the heart having been trapped in the reorganization of the church and nation having achieved her place in the nation and the organization by ambition of the ego not by the attainment of the heart. Alone she faces the dweller who comes to devour the soul’s spirit who stands alone, the Christ having departed, that one.

2020

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

January 24<sup>th</sup> New Moon #2 at 4 Aquarius 22

Call on the solar hierarchy of the Sun in Aquarius to consume the influence of the moon in the second lunar cycle of the year on our residual Mars desires. These desires of Mars originate from the original cause of the fall of the soul. The soul's origin in creating policy (7<sup>th</sup> house 1<sup>st</sup> decant) in response to believing the lie of the Serpent in the Garden. Policy that ruled as Antichrist to repress Christ. This is the root of the soul's rebellion against Christ.

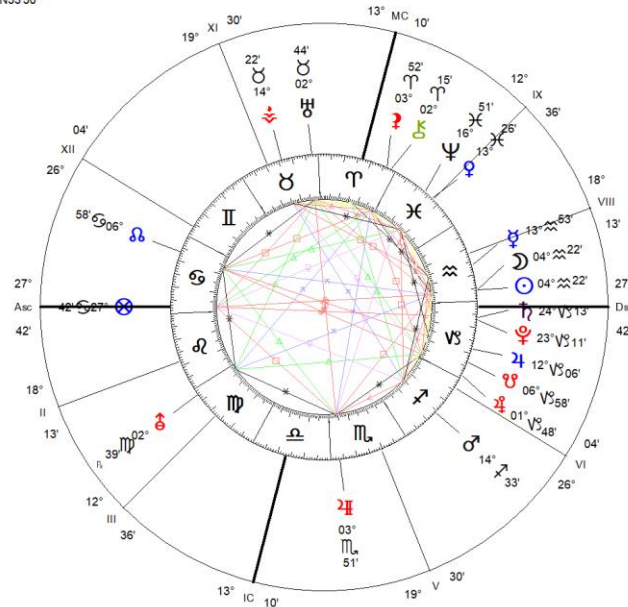

This energy manifests in Aries in the 9<sup>th</sup> house 1<sup>st</sup> decant through the orbits of Chiron and the Black Moon Lilith. This energy plays out to prevent the soul from exalting the flame of the heart on the midheaven within the organization. Instead it manifests as dialectical materialism in the 9<sup>th</sup> house, a kingdom without God or the Holy Spirit.

The Son who is their Sun at 4 Aquarius cuts the soul free from the cause of her fall from grace by standing on the Mountain with Saturn, Maitreya and casts out Satan (Saturn), ruler of Aquarius and invokes the true hierarch of Aquarius, Saint Germain and the angelic hosts to renunciate the rebellion and disobedience of the Satans to our Fathers law. The soul stands in the 6<sup>th</sup> house in service to the Guru, Jupiter to deliver the judgment upon the personal and planetary dweller represented by Pluto. Jupiter is midpoint between the Watchers and Pluto.

The Sun consumes all opposition to the soul coming through the higher ruler of Aquarius, Uranus' electronic belt that challenges the soul as records of historical hatred and hardness of heart, come to challenge the highest love of the soul of the chela for the Guru and Guru for chela. This is the attack come to test the soul's assimilation of the casual body of Uranus, selfless love. Will the soul defend the Guru because she stands integrated with Christ having cast herself upon the rock of Christ and invoked the violet flame? So that in this hour of the karmic return of the soul on the mountain with Maitreya, the soul is pure to the point of choosing Christ to rule her over the false god she has created, the White Horse Uranus, the False Christ of her personality of the synthetic self and its carnal mind and its subconscious identity we call the dweller. defending the Guru as an elder in the Church and a pillar in the Community and a Patriarch within the Nation, the soul bows down under the weight of her karma descending. Unable to fend off the dweller the soul takes the last step being overwhelmed by the dweller, she transforms, Mother tells us in Climb the Highest Mountain Series, Christ and Antichrist...overnight she becomes her dweller. While in contrast others are transfigured and having slain the dweller, having cast him out of the temple, as Jesus did the money changers, the soul becomes Christ in the alchemical marriage. This is awaiting the soul in the 33<sup>rd</sup> year in Virgo on the Path of Personal Christhood of the faithful who pass their initiations. This is the Everlasting Gospel and these are the cycles that have been preparing the protagonists and the antagonists for the final battle to cast the Serpent out of the Mystery School, and the Black Magicians out of Camelot and North America. The Church and the Nation are the place prepared for the final confrontation and the final victory. They share a Sun sign within a 1-minute orb.

Souls who are being over-whelmed are blinded by their karma manifesting as the great illusion and self-deception of Neptune in Pisces, the ruler of Pisces. We have come to the end of the Piscean dispensation to face the deception of the origins of our fall, the serpent logic of materialism in the Church and in the nation as the electronic belt of Neptune. We were prepared, we choose to assimilate or to accommodate the Guru and the teachings. Some have assimilated the Guru and the teachings becoming Christ, having attained the Christ mind, the casual body of Neptune, the higher octave of the Mercurian mind. Others have chosen the outer path under the initiator Satan and the Serpent on the East Gate in Spirit and in Matter. They have chosen the lower mind programmed by the mass consciousness of the collective mind of Neptune, the animal mind of Homo Sapiens, described in the movie, the Matrix, the hive mind of the colony.

THE ENCOUNTER WITH MAITREYA

- Astrology squares, oppositions, and conjunctions are challenges, not obstacles, conflicts, and opposition
- Sustain the capstone of the pyramid
- Purpose of all time is preserve and protect this activity...gain God-Mastery
- Clear the 7 deadly fears (Napoleon Hill) from your worlds that you may precipitate that supply.
- Alliance with Kuthumi, that psychologist, assist you in transmuting the negatives **by seeing through them, by blowing them away by Love and Mercy**
- **Bless your enemies, all from whom you receive negative vibrations and matrices. They present you the test, you would pass, the initiation you would get through (that obstacle) you one day would overcome; when you no longer carry their challenges.**
- **They are the initiators who come from the dark side. Bless them for the great strengthening you have received [from God as you determine to meet those challenges victoriously] Bless them for the lessons you have learned so that you could pass the tests of Maitreya and the Cosmic Christ when they did come. Thus God-Gratitude for all who have ever injured you. In that state of mind [trines, sextiles, quintiles] you become invulnerable and invincible, it is then that the ANGELS can permanently mend the holes in your garments.**
- Let the word live in you and let the work, as its complement be for the anchoring and the balance. Let our chelas speak the word because they have assimilated it, as part of their total being.

THE 3<sup>RD</sup> DECADE – THE 21<sup>ST</sup> YEAR – 21<sup>ST</sup> CENTURY  
THE ENCOUNTER WITH MAITREYA

- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1<sup>st</sup> house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...Saint Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
