THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and cosmic astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

February 19th, 2020 Sun Enters Pisces

Sun enters Pisces in the 1st decant of the 4th house. The Sun will test the souls of the people and the God Mastery of their moods. Kuthumi teaches us to call upon the solar hierarchy of Pisces, Jesus and the Ascended Masters to master our mood momentums that he describes as our attachments to material substance and substance of self, our vanity. Mother and Lanello have taught us about our habit patterns and momentums that make up the misqualified energy in our four lower bodies.

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

Mercury, the messenger of the Son and the Sun behind the Son, are conjunct to point out to us *our synthetic self* and how we have created and defended her. The messenger points out that this is the identity we have created as our own personalization, our mask of personality that is manifest as our own Black Moon Lilith. This archetype is an archetypal pattern represented by the Black Moon Lilith. Mythology tells us that she was the original twin flame of Adam who was lost because she denied God and the Holy Spirit. God then created Eve from the rib of Adam. She has been the archenemy of Eve ever since. This is the origin of the hatred of the Gurus and the hatred of Man who came from Adam and Eve, from Noah and his wife and their children. Mercury is conjunct Lilith in the 2nd decant of the 4th house of our land and our homes, our homeland, to show the soul how Revelations (*is playing out in 2020 and beyond*) describes the seven initiations on the Path of the Ruby Ray on the Path of Personal Christhood in Virgo, in the 33rd year (2020) to slay the dweller.

We stand in this cycle on the Mountain (in Capricorn) and *must* choose to be or not to be. We must let go, or fulfill the prophecy of Revelations chapter 18 verse 4, “Come out of her or receive her karma”. She is the Scarlet Woman who rides the Scarlet Beast who has seven heads, the Beast is the eighth head and they have 10 horns. Chapter 18 describes in detail how the karma will descend and play out. Read Mother’s lecture, “*The 2000 Year Ride of the Four Horsemen*” consequence of...our habits and momentums...our mood momentums. See Maha Chohan, February 21st, 1988, *The Initiation of the Heart by the Holy Spirit*, now in the 32nd year in Leo *and about* (2 days) to enter its 33rd year on February 21st, 2020. The Maha Chohan describes *how the chelas* choose to play out the Four Horsemen, described in the Book of Revelation in chapter six as the opening of the First Four Seals (the 4 Horsemen) of the seven sealed scroll. Mother and Maha Chohan describe these as the Four Planets, Mars, Saturn, Uranus, and Neptune. The mega-conjunction in Capricorn in 1988 – 1994.

2

We are the protagonists and antagonists in the Church and the Nation(s). Those who choose *not to be* are the testers as described by the Maha Chohan, of those who choose to be. Morya teaches us that all lines converge on the 6 o’clock line, God Harmony and Supply. So that when the winds of the Holy Spirit come, we will bend as a reed, a blade of grass and not be uprooted like the Oak tree. He says, they (*testers*) are our opportunity to pass our tests in overcoming this ancient karma that they have not mastered so that once again it plays out. He says conquer this energy, it is the chains that binds us to them, by love. Then he says, we will be able to thank them for the opportunity they have provided us for our victory. It is an illusion that they are in control, it is their time, *the time of the gentiles (Rev 11:1)*. It comes to an end when we are no longer tied to them, when we have raised up Christ to reign, in the Church and in the Nation.

Venus is in the 2nd decant of Aries (exaltation of the God Flame and working the works of the ages) in Leo by the power of the Sun in the 2nd decant of the 5th house, reformation of *self* on the *inner* path by casting the soul on the rock of Christ, or it is of the *outer* mastery of the work of our hands, self-mastery of organizational standing, taking dominion over others by projecting onto others as done in the Protestant Reformation, the Catholic Reformation, both a counter revolution by the carnal mind to the Renaissance (*man and nation*). The Illuminati met the first time in 1776 funded by the Rothschilds, launching what they term, “The Age of Reason

2020

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

or Humanism”, founded on the Industrial Revolution that was based on *corporate* capitalism and its paradigm of *national and international socialism*, controlled by the anti-state and anti-city through monopoly capitalism, central banks and money funds. Two revolutions, two paths, still ongoing, still vying for the souls of men. The one driven by illuminations flame and selfless love, the other by illusion, deception and the ambition of self-love for organizational position and standing driven by ambition.

The soul came to the harvest cycle (fall) of 2019 to reap the harvest of the year (*years of effort, this lifetime and more*) and to take their place in the coming events in 2020. They have prepared to play the roles they have taken to themselves for good or ill. The forces of absolute good and evil prepare to wage *the final battle* of Armageddon through their sons, the Sons of the Law of the One and the sons of Belial as described by Edgar Cayce, the Sleeping Prophet. The soul stands at 5 Capricorn and Cancer in polarity, out picturing through the Part of Fortune and the North Node a degree of Christ Harmony, a measure of the discipline of their white cube, the ascension flame burning upon their heart’s altar. They now stand on the mountain (Capricorn) conjoined Mother’s Mars at 9 Capricorn 57 minutes with mastery of the lunar forces and demonstrate their mastery in harmony and joy to carry the Church and the Nation(s) through the initiation on the mountain with Maitreya and the Serpent, described in Revelations as the Dragon, come at the end of the age of Pisces to devour the manchild, that is come in the second coming of Christ in Man. (*See Sanat Kumara, the Seven Initiations on the Path of the Ruby Ray, South Gate*). These are holding the balance through the dark night with their finger in the dike, lest the church and the nation perish.

The soul stands in the second house, to demonstrate the mastery of supply. They have demonstrated the mastery of the flow of energy as water through their desire body. They are not possessive of material substance having mastered the flow of energy and trusting in God to provide by alchemy as was described by Phyllos in Suern, present day India. They understand and trust that when the global economy of Babylon collapses, they will have nothing to fear because with God all things are possible as their Guru demonstrated throughout the last 4 decades of the 20th century, when she gathered all (of us) to create community to write and publish the Everlasting Gospel. They are prepared to follow in her footsteps and those of George Washington and John Adams and rebuild our Church and Nation by drawing on the one substance to manifest every need to survive what is coming upon the nation and the earth. (see Phyllos, The Thibetan to understand the one substance and the power of precipitation of the Suernis).

These souls are the product of *the harvest* of the labors of heaven working through the Great White Brotherhood. The harvest of souls who have come to the promised second coming as the fruit on the vine, with oil in their lamps, having prepared the wedding garment. They stand in February 2020 with the Sun in Pisces the incarnation of the six-pointed star (2 *Virgo*, 5 *Cancer*, 3 *Taurus*, 0 *Pisces*, 1-2-4-5 *Capricorn*, 3 *Scorpio*), always Mother says the indication of the incarnation of Christ in Man. Lord Maitreya teaches us in his dictation titled, *The Six-Pointed Star of the Lord of the World*, that the 6-pointed star indicates those singular individuals who are the warriors, teacher, healers, priests...who have come having prepared on the path of Personal Christhood to challenge the lie in the community. This is the lie of the original liar, materialism,

and its dialectic logic of the Serpent returned to the mystery school and to Camelot to destroy the Kingdom come in the Earth, ruled by Christ with the rod of iron. The iron rod of the will of the Father through the diamond heart. This star appearing in February 2020 heralds the incarnation of the Word in man, individuals who stand on the Path of Personal Christhood in Virgo in the 33rd year who have prepared and who have come to the 33rd year of the initiation of our (their) hearts by the Holy Spirit, in Virgo on February 21st, 2020. This is the culmination of the work of the ages.

Now begins the transfiguration within man. Sons and Daughters who will come to the initiation in Libra in 2021 to the river Jordan to be anointed by the Guru to begin their mission to conclude all the prophecies and the promises. This is the gathering of the believers and the non-believers in the final battle ending in the Great Day of the Lord and the dawn of the Aquarian Age, the Kingdom Age.

Next the Initiation of the heart by the Holy Spirit enters the 33rd Year in Virgo

THE ENCOUNTER WITH MAITREYA

Feb 21st, 2020 Initiation of the Heart by the Holy Spirit Enters Virgo, the 33rd Year

Thirty-two years ago, the Maha Chohan announced the beginning of the initiation of our hearts and the heart of the planet by the Holy Spirit. On February 21st, 2020 we enter the 33rd year of initiation of our hearts in Virgo. We stand in the 33rd year on the path of Christhood in the initiation of our hearts, the secret chamber of our hearts to demonstrate in public (7th house) mastery by the five secret rays, of our Christhood in the center of our circle, the Monad of our Presence as taught by Mother in *Predict Your Future*. Who qualifies having passed their initiations and having come to winter solstice 2019 the victor? Who will experience in 2020 upon the mountain with Maitreya, the transfiguration having met all the requirements of the law? Who will pass their tests in 2020 in Virgo, the solar plexus, and enter Cosmic Christ Peace and leap into the 8-petal chakra of the heart?

Now begins the test of Christ mastery over the returning karma of the Garden of Eden, in the return to Maitreya's Mystery School to defeat the Feathered Serpent, who has returned. Mother teaches that the Serpent of Eden was the collective consciousness of our synthetic selves, whom we call the dweller-on-the-threshold. The serpent, Mother teaches, has evolved to the present, called the Dragon in the Book of Revelation. All will meet their dweller on the way. Not all are prepared. Many have squandered their inheritance and their opportunity. Now the karma of neglect is come due.

Some, who are destined to rule, stand at 5 Cancer in the 3rd decant of the 8th house in the attainment of their personal Christhood to undergo the initiation of their hearts that will *transfigure* them, having slain their dweller and cast him out of the subconscious. These stand on the 2nd house cusp in the 3rd decant of the 1st house having demonstrated mastery over the lies of the Serpent mind. They have stood on the mountain as did Jesus with his Father and knowing the law they cast the Dragon out and slay their dweller. Now is come the infilling of the indwelling Christ in the *transfiguration*.

The chela stands with the Guru Jupiter at 17 Capricorn in 2nd decant of the 3rd house, *fidelity*, square the Guru Ma's Sun in Aries (Venus is conjunct Mother's Sun at 17 Aries) in the 1st decant of the 6th house, of our *achievement* based on the assimilation of the Guru and the path,

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY

in contrast to outer *achievement* based on *ambition* as taught by Portia and John the Beloved. The chela stands in Venus in service to the Guru in the 6th house and renounces the way of those who have come having accommodated the Guru and who stand at 3 Taurus in rebellion and defiance having usurped the Guru and the true Christs out picturing the unjust stewards, fulfilling the prophecy. These latter fulfill the prophecy of the Maha Chohan on Feb 21st, 1988 as those who would accommodate the initiation of the heart and the Guru and outpicture Uranus, the false Christs. They who have fallen because they would possess the Guru, her office and her authority on the East Gate, under the seven initiations of the path of the Ruby ray.

The Sun, our Son, our Holy Christ Self is at 1 Pisces in the 2nd decant of the 4th house of all who were called and chosen since the 1960s to be measured of the fruit of the vine of personal Christ mastery over the flow of energy in their water bodies. We who are measured in time, now in our old age, the 4th house, are being measured by the coming tests as to who qualifies for the union with the bridegroom by demonstrating the victory over their dweller.

Mercury the messenger of the Sun Presence at 11 Pisces tells us to research the teachings, to know the law. Knowing the law, stand on the mountain in Capricorn with the dwellers of the crew of *your* ship, you know the characters, you know the challenges of your soul, standing in Revelations, as Odysseus stood in the Odyssey and cast out the Satans, the Serpent from Camelot, the Mystery School.

The faithful stand on the 2nd house cusp on the Part of Fortune, centered in harmony and joy of the bond to their beloved, Christ. They stand in *devotion*, at 2 Sagittarius faithful to America having rejected the *lies* about America being the Dragon. They know it is the Nephilim and the fallen angels who have infiltrated every area of America to destroy the birth of Christ in her people. They also know the prophecy and the promise, of our God and his Son. They are still faithful to Uncle Sam, in the 2nd decant 3rd house, *fidelity*.

These are the faithful remnant of the Woman's seed, the Sons and Daughters of God, and the 144,000 standing on the North Gate in Cancer. They are *the first generation* and *the second generation* who now stand in the initiation of Christ in the inner initiations of the five secret rays on the path of personal Christhood in the initiations of their hearts by the Holy Spirit. They are the remnant of the original devotees called and chosen beginning (incarnating) in the 50s and the 60s who have remained faithful, these have come to their second opportunity at age 58 to age 66. The second generation are they who are age 29 to age 33, today. These life waves are waves breaking upon the shores of the Kingdom, leading others who will follow in their footsteps. Those who hold the hand of the Guru and assimilated the teachings passing their initiations to arrive as the Lamb's wife, safely upon the shore. Others of these life waves who have accommodated the Guru refusing her love and her hand (helping), determined to do it "*my way*", will find that their ships are destroyed on the rocks of Christ that guard the shores. These have no oil in their Lamps and the Bridegroom denies them.

There are *others* who are the faithful remnant of the Woman's seed who are the first generation and the second generation who now stand in *the initiation of the Buddha to fulfill their mission*. These are between the ages of 68 and 72 and between the age of 34 and 36 years

2020

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY

of age, today. These generations were born between 1948 and 1952 in the first life wave called to serve and between 1983 and 1985 in the second life wave called to serve. Both waves stand in the Buddhic initiations as taught by Mother in “Predict Your Future”. ***This is a very important cycle for these life waves.*** As they are directly tied to the coming events that will now begin to play out to the fulfillment of all that is written.

It is also not a coincidence that these are called to stand during this planetary cycle on the mountain with Maitreya to slay the dweller during the 36th year of the solar ring for the judgment of evil in the matter universe, that has now entered its 37th year during this year’s New Year’s Class, starting December 29th, 2020. We stand in the year 2020 at the Y in the road *to cut our ties* to these black holes, also at the center of our galaxy (1 Capricorn) and in the Middle East. This is by Divine Design that these life waves have been called and initiated to be integral parts of the judgment of evil in this sector of the matter universe, as taught by the masters in the Class of the Solar Ring.

2020

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

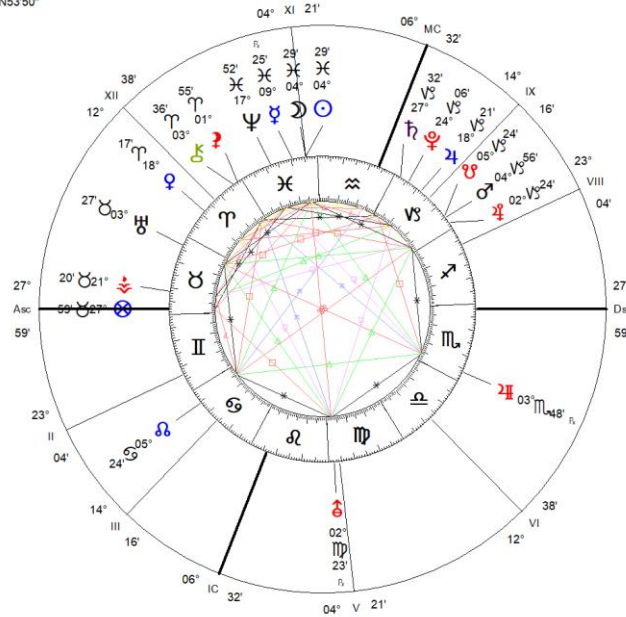

February 23rd, 2020 New Moon #3 at 4 Pisces 29

The third New Moon is at 4 Pisces 29 minutes in the 1st decant of the 11th house. The new moon presents the challenge in Pisces to those who would take the initiative who sit under their own vine and fig tree and can think original creative thoughts, independent of those dominant egos who Arnold Toynbee tells us destroy every civilization at its height when Self Realization is to become Spiritualization, under the creative minority, a new birth. Born anew in Christ, launching a Golden Age. So, it is today, the hierarch of Aquarius sent his Prophets to deliver his teachings for the Age. Now it is a race to the finish line. Can those called in the 40's and 50's take the torch and pass it on to *the coming generation*? Can those called in the 80's take the torch and pass it on to their children's generation? The moon amplifies our desires by magnifying our attachments to our mood momentums as described by Master Kuthumi. The new moon magnifies and amplifies our residual Martian desires that emerge in the subconscious on the nadir that plays out through our water body in the four planes of matter, our four lower bodies.

Mars is conjunct the Dragon's tail at 4 Capricorn, conjoined the Solar Eclipse of December 26th, 2019. The soul is eclipsed of her Sun to test whether she will stand up and call upon the Lord to eclipse all opposition...or whether she will stand eclipsed of her God Flame in her heart and looking into the rising wave of darkness (returning karma) of the past, *possibly ancient*, desires that caused the soul to betray the Guru or to miss the wave of light that came with the Guru to catch up the soul, and once again become overwhelmed by tidal wave of darkness. The soul stands ***in the eight house to pay her debts*** under the solar eclipse of her I AM Presence at 4 Capricorn. The soul stands facing Mars, the Red Horse (4 CAP), out pictured in one's synthetic self and in those who have rejected the Guru and the opportunity to be free. The Moon amplifies and magnifies Martian desires that awaken the Dragon (5 CAP) of past habits, appetites, and momentums that are manipulated by the Watchers (2 CAP). The soul stands eclipsed to test the soul, which way she will go. Will the soul stay the course and fulfill her responsibilities as chela and cast herself on the rock of Christ on the path of personal Christhood in the 33rd year in Virgo and seal the initiation of the heart as the 32nd year ends on New Year's Eve when the 33rd year begins, also in Virgo?

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

The soul bonded to the Guru (Jupiter) and her beloved Christ self, stands as her Sun at 4 Pisces standing on the mountain with Maitreya (Saturn's casual body) and Satan (Saturn's electronic belt) to face her past (Dragon) that created her dweller (Pluto). The soul stands in the 1st decant of Pisces, *Verity*, in the 1st decant of the 11th house, originality of the Christ mind filled with the consciousness of God in Christ Jesus, able to think creatively, independently, original thoughts of God's solution to the challenges you will face. The soul stands under the eclipse to face the new moon cycle (28 days) of 4 phases whose influence on Mars amplifies her past emotions and attachments throughout the Sun's cycle in Pisces of 28 *solar* days of 4 phases, as taught by Master Kuthumi. The soul meets this challenge to publicly demonstrate her Christ mastery of the white fire core, her oneness with the Divine Monad, the center of oneness with our I AM Presence through the mastery of the five secret rays. In 2020 the soul will move through *the returning karma* to the place in the solar plexus chakra (Virgo-Pisces) of *Cosmic Christ Peace* and leap into the secret chamber of the heart. The soul is one pointed, single eyed in forging her seamless *solar* garment. Mother teaches in "*Predict Your Future*" that these five years, the 29th through the 33rd of our cycles are the forging of our Christhood, the alchemical marriage, the transfiguration of the soul. The soul is determined not to miss the cycle as Jupiter Saturn ends the last 20 years, determined that it wasn't for naught, ready to stand in 2021 in Libra to begin a new Jupiter Saturn cycle of the next 20 years in the Buddhist cycle of initiation, 2021-2024, coinciding with the final 3 years of the 33 year cycle *to complete* the mission of the Summit Lighthouse (Aug '91- Aug '24). These years will try every man's soul, which way they will go.

This is the age of miracles and it begins with the mastery of the water body, the emotions (Mars-Moon connection). Astrology is not linear. It is holistic, interconnected and is the science of the flow of energy; you are your Karma (astrology), Mother teaches us. You are everywhere simultaneously at every point in your chart that is only a 2D representation of the spherical representation of you here below. We have been earthbound for so long that we have become (Pluto) what we have thought in the Past (Mars, Dragon, Watchers). And as our karma returns it conditions how we think today sending out that which returns to us forging what we think today, as taught in the Dhammapada and by Mother in chapter 9 of "*Predict Your Future*", on Cosmic Accountability.

This lunar cycle of 28 days is a play on our emotions (Mars) that Mother and Elohim prophesied in 1993 about the 1994 mega-conjunction in Capricorn. They taught us that Pluto at 27 Scorpio (Lunar Descendant) square Saturn 27 Aquarius would destroy the Church and America if they were not *re-organized* to give birth to Christ (in you) thereby fulfill their destinies at 10 Taurus within a 1-minute orb of each other. We stand in the Cosmic Cycles of becoming to give birth at Christmas 2019 throughout 2020 as the Divine Plan (of 2020) to be revealed on New Year's Eve and Day, to the soul. The soul stands on the Ascendant at 27 Taurus in loving Obedience to her Guru and Christ Self and is about our Father's business, and works the work of the ages in humility and constancy sealed in the Part of Harmony, having internalized the God Flame to a new level and now confident and one pointed, determined to meet the challenges of 2020 in her Christ mind, filled with God's solutions that she is now prepared to work (as miracles) because my Father worketh hitherto. The soul in Pisces

demonstrates God Mastery of the Super Physical, **very dark occult energies** that are scheduled to emerge in 2020 to balance her debts of destiny and defeat the occult forces of the fallen angels and the black magicians, adepts on the left-handed path who have fallen on the mountain in Capricorn, and of the witches, the daughters of men trained by the Watchers to bring down the feminine principle of Man, Man as Mother, as woman. This is the challenge on the mountain, with all gathered in Capricorn by the Seven Archangels for the final battle and the Great Day of the Lord.

The Divine Plan for 2020 enters the mental plane at 0 Aries in the 3rd decant of the 4th house. The soul receives the Father in the Son, our Christ Self on the higher mental plane, in the initiation of the heart in the 33rd year in Virgo. We are called to balance our returning karma surfacing in the subconscious as doubt and fear, human questioning and records of death. These are surfacing as Neptune conjunct Black Moon Lilith, as self-deception and illusion that my offering (my works, done my way) is acceptable in God's sight. We are called to research the conditioning of our soul to the pride and ego of the Luciferians and our carnal mind that masquerades as Christ which we project to the world or as we project our not self, upon others.

We are called to stand with Guru MA and Lanello on the 5th house cusp and to rule the lesser self, the ego with a rod of iron. The 5th house cusp is conjunct Mother's Mercury, the Office of the Messenger. We are called to stand on the apex of the Yod, at the Y in the road at 2 Aries on Mother's midheaven conjunct the midpoint of the Equinox Sun and Chiron, the conditioning of our soul throughout the ages of substituting our carnal mind for our Christ mind, our synthetic self for our Christ Self, and our dweller for our I AM Presence, *in service to the Guru*. This year we face the karma of our past violations of the second commandment. As Jesus said on December 29th, 2019 (Dec 28th, 1996), we have allowed in the past doubt and questioning to where no one in heaven can talk to us. We just won't listen; we can't receive any intercession. If you see this revolving of injustice or fear, know it is the energy of the astral plane cycling forth to go into the flame, give it no power. Mercury delivers the message that it is our erroneous reasoning that is separating us from our true self.

We must especially examine our debts to our Guru (Jupiter). Mars, the boy child (unloving boy child) is conjunct the Guru at 22 Capricorn. We are called to demonstrate the power of God over self-condemnation and the condemnation, criticism and judgment of anyone, even those we or others perceive as our enemies. We stand on the Part of Fortune at 11 Capricorn in the 2nd house 2nd decant, of the soul's struggle to pay her debts in the 8th house. Jesus told us during the New Year's Class to give freely what is demanded of you. He said this

will free us of a great burden that you do not want to carry in 2020. We struggle in the 2nd house because we are possessive of our material substance, especially our money. We may seek to gain unfair advantage, buy low sell high mentality of the unequal exchange of value. We have become poisoned by the greed of the Robber Barons whom we have come to emulate. This is the modern-day economy of Babylon The Great, the New Economic Order of the One Worlders. The Brave New world of the Dominant Minority and their corporate capitalism, come to destroy the Golden Age of Aquarius.

As *Saturn conjuncts Pluto* in January (12th) we will face the prophecy of the Messengers and Elohim from 1993 regarding ***the Pluto Saturn Square*** during the conjunction of seven planets in Capricorn in January 1994. Now we must face this (prophecy) challenge with the admonishment of Jesus Christ from the New Year's Class. Morya teaches that the Modreds must have their say because by their words and deeds they are judged. Their judgment reduces their crystal cord and three-fold flame. We are called to stand with the Guru in 2020 in the 3rd decant of the 2nd house, the master-of-our-ship (mastership), over Mars and our past karmic ties (debts) to the Masters (Jupiter). As we stand facing the ***Pluto Saturn conjunction with Mars Jupiter*** all in the 3rd decant to demonstrate our mastership of the initiation of our hearts on the path of personal Christhood in Virgo year (33rd). All this while our Dragon of past habits and mood momentums conjuncts the Watchers, to war against us...to devour the Man-Child, born of the Woman Clothed with the Sun.

We must stand on the 3rd house cusp in listening grace and obey immediately by the intuition of our soul's sensitivity to the original thoughts of God's consciousness as he directs the Son in playing out his will, the Divine Plan of 2020 and not the thoughts of the past now returning to haunt our souls as we stand in Hamlet's shoes, the rightful heirs. We must decide to meet the challenge of 2020 and what it will bring in the remaining years of the Mission of the Summit Lighthouse. We face the prophecy of the Messengers from Mother's July 4th Address 1996.

We stand in 2020 with the Guru Jupiter at 22 CAP to demonstrate the mastery (22) of our initiation with the mastership (2nd house, 3rd decant) over the returning karma of Mars Pluto Saturn in CAP in the 2nd house of our money supply, our finances, and our economy of our local exchange of goods and services. These characteristics of our individual and collective 2nd houses will determine the viability of the community...of the Holy Spirit and locally where ever we are. This is determined in the 3rd house in Aquarius. Can we outpicture Christ in our dealings with others or will it be every man for himself, the survival of the fittest. Where only the strong survive, conditioned (Chiron) by the Watchers and the Nephilim to sustain their civilization and sacrifice the Son and the Messengers sent by the Guru Sanat Kumara.

The issue in 2020 at Spring Equinox as the Divine Plan and the karmic pattern of 2020 cycles into the mental plane and into our minds is that not only are we under a solar eclipse in Capricorn for the next 3 years until the conclusion of the Mission of the Summit Lighthouse (4 CAP on Dec 26th, 2019) but we stand in 2020 to meet this challenge in Capricorn with ***Capricorn and Cancer intercepted in the 2nd and 8th houses***, of paying our debts. This will

2020

THE ENCOUNTER WITH MAITREYA

make it difficult for many to be willing, or even aware, that they must PAY their DEBTS, the 2nd and 8th houses respectively.

The soul is being tested to demonstrate her Christ mastery, having assimilated the Guru (Jupiter) by standing on the 2nd house cusp in the 3rd decant of the 1st house and calling upon the Lord invoking illuminations flame to consume ignorance and impart wisdom, as taught by Lord Maitreya, to counter the propaganda of the carnal mind and of those who have accommodated the Guru (Guru Ma and Saint Germain) in the Church and the Nation(s). Those who stand in illuminations flame to meet the challenges of 2020 will stand on the 3rd house cusp in the 1st decant of Aquarius in listening grace and have the insight to know what will happen and willingly, lovingly, obey the Divine Direction given, free of anxiety, apprehension and worry. The soul will stand with the cognition, the knowledge and conviction gained through their intuition and soul awareness of all of heaven standing with them. This is the knowledge gained standing in the 8-petal chakra of the secret chamber of the heart having attained the mastery of oneness with the Monad in the center of one's circle of being. The soul is demonstrating the mastery of the mantle given on January 1st, 1989 now in its 32nd year in Leo. Demonstrating the mastery (*of the Safe Passage of Ye All,*) of the mantle of Learning, Illumination, and Self-Knowledge.

Mars will trigger the attack on the Guru, as taught by the Maha Chohan by the testers who outpicture *the Saturn Pluto conjunction*, in the 2nd house. These are those who are living on borrowed time, accumulating karmic credit, instead of paying their karmic debts.

2020

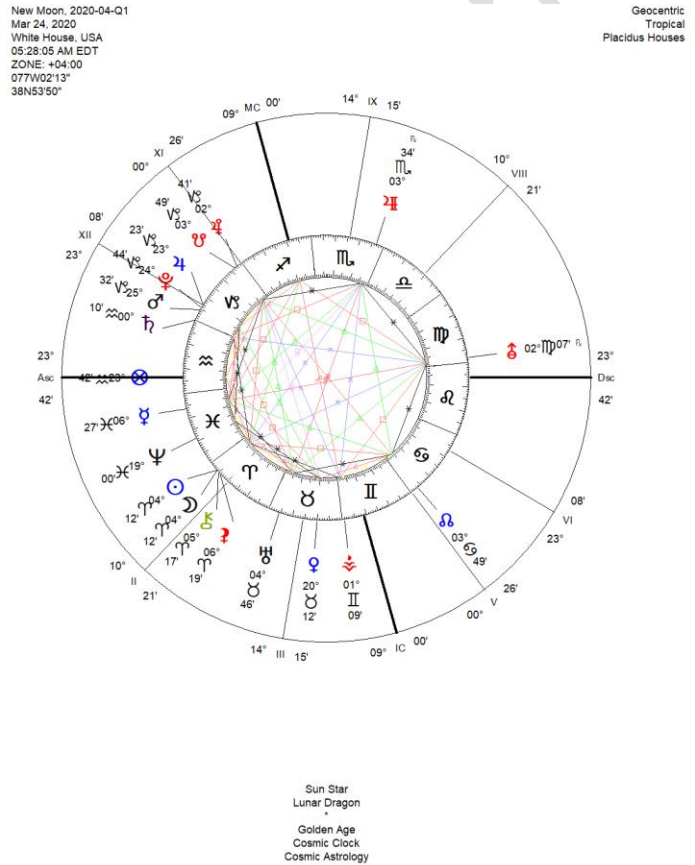

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

March 24th, 2020 New Moon #4 at 4 Aries 12

This is the 4th New Moon of the year and it follows on the Sun’s ingress into Aries. It will test the soul who is determined to follow her Guru home. The new moon magnifies and amplifies our residual desires (Mars at 25 CAP conjunct Pluto and Jupiter in the 12th house), the untransmuted attachments to our mood momentums (emotions), now rising to the surface at the Nadir in Gemini, the untransmuted sex drive and perverted sex practices that subvert the chakras. Sex was used to distract the Sons of God while the attack came upon the Divine Mother in embodiment on MU leading to the fall of the feminine principle of the soul. Gemini is where the Serpent fell. It was the Serpent reasoning and logic that tempted Eve. This is the allegorical story of the fall of the feminine principle. It has a history and each one of us had a hand in writing it. Now it is come for transmutation or to haunt us in the hour of decision on the mountain at the Y in the road...to face our dweller.

The moon at 4 Aries amplifies Martian (25 CAP) desires that play out in the conjunction with Pluto (our dweller) and Jupiter (our Guru) in the 1st decant of the 12th house, *verity* of the soul’s origin. Will the soul in 2020 choose to be or not to be? Mars is the trigger taking heaven by storm, while exercising power derived from the occult or on behalf of those hiding in the background as members of hidden associations and societies that are ruled by Uranus whose axis tilt is 98 degrees and propagating their lies and propaganda of the new moon in the 3rd decant 1st house. Will Mars remain bonded to the Guru or make war with Abaddon against the Lamb and the Lambs wife, at the North Gate?

Jupiter the Guru, comes once again to Capricorn in a twelve-year cyclic return, a 144-year return, and a 1728-year cyclic return, all multiples of twelve, 12x12x12. Twelve years ago, in the 2008 elections we the people elected *the foreign prince* to rule us once again having rejected Saint Germain as we have done throughout the ages (Sahara). One hundred and forty-four years ago in 1876, during the 23rd presidential elections that were, up until then, the most contentious and controversial Presidential elections, Hayes vs Tilden. It was the catalyst for the end of the Reconstruction and the diminishing of due process of the law, affecting property rights and personal liberties. *The results were disputed*. Then, 1728 years ago (144 x 12) in 292 AD we suffered under Emperor Diocletian’s massacre to wipe out the Christians, under the Tetrarchy.

2020

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

Moon, Chiron, and Black Moon Lilith are conjunct in Aries to take action, playing out in the soul's psychology through the returning karma of residual Martian desires and attachments in the 12th house against the soul faithful to her Christ Self. This can play out internally or externally to test the soul's bond to the heart of the Guru and her Christ Self and her qualifications to be an Elder of the people, a pillar in the community and the nation(s). Can the soul qualify by Christ mastery to be an Elder of the race and the nation? This is the final year (33rd in Virgo) of the inner initiation of our heart's fusion of our soul to our Christ Self in the white fire core of the center of our circle. Christ is destined to emerge from the transformation.

The faithful chela and lightbearer stands in the 3rd house 1st decant in listening grace and intuits the wisdom of her heart flame, her Christ mind and does not act having listened to the lies and propaganda of others. The soul sees (9th house) into the future and knows the consequences of her actions and chooses wisely having invoked illuminations flame, guided by love. The soul sees the karmic consequence of the choices the masses are making under the propaganda of their leadership. The blind leading the blind, on the I.C. in Gemini and on the Descendant in Leo, Spiritual Blindness. Founded on emotional and mental density and the retardation of their emotional and mental bodies. They who are capable of sudden very bizarre and dark behaviors.

We see that 2020 is based on 2020 vision. It presents every man, woman, and child the choice to focus their attention on God, as Saint Germain, Uncle Sam, hierarch of Aquarius and the promise of the Kingdom by obedience to the law or to reject the opportunity offered and to focus solely on the outer, materialism driven by ambition subject to programming and manipulation of our minds and emotions. Having become mechanization man.

2020

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

April 4th, 2020 **Jupiter Conjunct Pluto at 24 Capricorn 53**

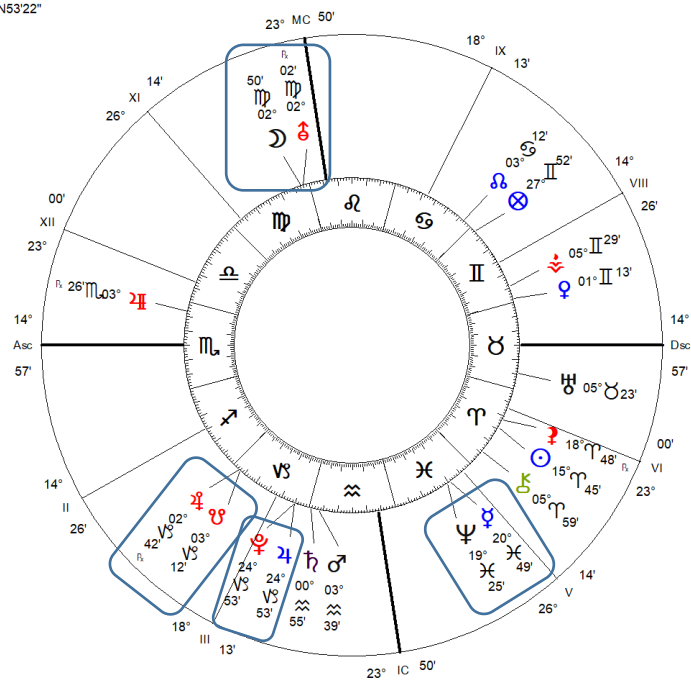

The Sun has entered the emotional plane at 15 Aries in the 3rd decant of the 5th house (5h3d). The soul must decide whether she will sit under her own vine and fig tree under the mantle of learning, illumination and self-knowledge or whether she will listen and follow the dominant minority represented by the Black Moon Lilith and their ambition (5h3d). The test is who will she follow the Christ flame within the heart, the Christ mind and the consciousness of God, or will she pursue her ambitions of the ages denied her by the limitations of her karmic debt.

The Guru Jupiter stands with the lightbearer as Saint Germain and Kuthumi told us during the New Year’s Class of 1996 (replayed in 2019) to break the chains of our past desires. They stand with us to defeat our dweller, Pluto and the planetary collective consciousness of our dweller. We are destined to bind our dwellers and stand with the Guru Jupiter to face the attack of Abaddon who goes to war against the Lamb and the Lamb’s Wife. The faithful stand in the 3rd house with the Guru in the 2nd decant, Fidelity, and faces Saturn Mars, the Black and Red Horses who go to kill the lightbearers.

The Watchers at 2 CAP is conjunct our Dragon, the Serpent of the Garden of Eden returned to Maitreya’s Mystery School to fulfill Mother’s prophecy that the fallen ones would change their strategy of attacking the Guru and instead attack the chelas to strip them from the Guru, Saint Germain and his prophets. We stand in Capricorn with the Guru to bind our dwellers and take up the Serpent by the Tail (Dragon’s Tail). Those who are able in 2020 to do this stand in Aquarius in the 3rd house with Maitreya upon the mountain because they have cast out hardness of heart and the hatred of the fallen ones, lodged in our four lower bodies, especially our mental bodies.

THE 3RD DECADE – THE 21ST YEAR – 21ST CENTURY
THE ENCOUNTER WITH MAITREYA

The messenger (Mercury) of our Son (Sun) our Christ Self (Kuthumi...you are your Sun when you are your SON) stands in the 4th house and warns us to be above all *constant and humble*, through all the pain we must suffer through in order to have our victory (taught by Jesus in the New Year's Class). Our generation has been put under pain management by the pharmaceutical medicine today to dull the consciousness and encourage escapism from the reality of our karma. We stand in the 33rd year on the path of personal Christhood in the initiation of our hearts in VIRGO where the 9 headed hydra has conditioned mankind to fantasy and escapism by Neptunian drugs and illusion, the mists of Avalon clouding the mind to hide from Christ and the unity of efforts (Iwo Jima) and the sacrifice necessary to awaken (Neptune) to Christ reality.

We are called to stand in the Christ mind (Neptune Mercury) in the 3rd decant of the 4th house to *research* the conspiracy of the karmic web entrapping the souls of the people in America and the nations in strong illusion as asked for by Saint Germain in the New Year's Class.

Our souls were called to meet the challenge standing on Mother's MC at 2 Aries at the Y in the road to slay our Dweller. We face the choice in 2020 to choose the right-handed path or the left-handed path. On one is Apollyon (Abaddon) at 3 Scorpio, on the other is Transpluto (intergalactic Aliens) at 2 Virgo. Now we stand with our dwellers conjunct the Guru as our souls (Moon) and the fallen woman, representing our souls under the influence of the programming of our minds by the alien computers and the generators that Archangel Gabriel told us about in the Mysteries of the Holy Grail. We stand under their influence in the 1st decant of the 10th house, the organization, our ability to organize ourselves under our leadership to achieve a goal. Sanat Kumara told us the thought form of IWO JIMA (1997). The united effort needed to claim the win that is still ours for the taking. These are the forces gathering to oppose yours and our victory in 2020. Mighty Victory told us in *Mandate of Victory*, to study the 1920s to understand how they opened the gates of hell to counter Saint Germain in the twentieth century. He implied that we must learn our lessons from the 1920s or we are fated to repeat them in 2020s. Our President, Valerie told us we would need 2020 vision in 2020 and that IS NOT a play on words. It is an anagram. We must see with the eyes of a child and be willing to follow the Christ child to see the truth. The truth will set us free. Those who in 2020, have lost the vision, their hearts will fail them for fear...of what is coming. Saint Germain talked to us about being a Futurist, to look decades ahead and then look back. See what is coming and how we can avert it by taking action in the present.

The future can be seen because the handwriting is on the wall. Prophecy is meant to be averted if the people will pay the price America paid in WWI & II as taught by Sanat Kumara.

The last time Jupiter Pluto and Saturn were conjunct in Capricorn was in 1894 BC. This was when the city Babylon was created. In 2020 brings the judgment of Babylon and its false hierarchy, Babylon the Great (See Sanat Kumara *The Seven Initiations of the Initiates on the Path of the Ruby Ray*). Hammurabi codified the law given him by Samash the Sun god to create a new socio-economic reality that we have come to know as Babylon the Great, the anti-state and

THE ENCOUNTER WITH MAITREYA

anti-city. Jupiter is come to fulfill the Prophecy of Revelations, by Jesus Christ of the Judgment of the Beast out of the Pit and the Dragon that gave him power, by reviving the beast.

The fallen angels tell their story and only allow their version of reality to be told. But the Great White Brotherhood have told the Story of Sanat Kumara and his story won't be silenced as the fallen attempt to silence the lambs. Saint Germain has released the violet flame and it is the trigger to transform mankind, awakening them to the relentless wave of light of the rising Mother light. The coming of the star of the Divine Mother. In 2020 Helios and the Solar System leave the Galactic Equator and the rift. **We are emerging** into an area of the Galaxy in the super clusters of Virgo-Pisces (Laniakea), as our Galaxy revolves around an even greater central sun, a cluster of over 100,000 galaxies, at 1-degree Libra, the heart. The Masters call this **the Coming Revolution in Higher Consciousness**.

We are here on Terra caught in a web of Babylon whose web has entrapped mankind in an illusion of materialism when all around us the judgment of evil has gone forth in the Mater Universe. Lucifer and Satan have gone with Peshu Alga to the Second Death. *See Lesson 2 Our Cosmic History, storyofsanatkumara.com a Summit Publications ©2017*. They are being followed daily by their lieutenants in answer to your calls. The power elite on Terra are as whited sepulchers. Once the people no longer give them their allegiance they will be taken. We have been on the Galactic Equator since 1975 as the Divine Mother has been in labor to give birth to Christ in Man, the second coming. In 2020 we stand in VIRGO in the 33rd year on the path of personal Christhood in the initiation of our hearts by the Holy Spirit. This is the fifth and final year of our inner initiations to demonstrate Christ mastery of the center of the circle, the Monad, our I AM Presence, to out picture our SUN sign. You are your SUN when you are your SON, Christ ~ Kuthumi.

18

2020 will be intense, seeing a change in man. This is the hand of God; it is his story. The fallen angels and the power elite talk only about the change in the status quo that they lament and of the reign of the Gentiles. God on the other hand talks about the judgment and the ascension of man.

This is the great drama upon the Mountain with Jupiter Saturn and Pluto with the Dragon (Serpent) and the Watchers. Mankind stands on the mountain as did Jesus Christ with Maitreya and Satan(s) the casual body and electronic belt of Saturn and must choose to cast down the devil, our deified evil our dweller, the false gods we created and set before us, our God, Sanat Kumara.

Many will talk about material civilization and how it will affect you, your family, community and nation. All is illusion. All is Babylon the Great. Be prepared. Enter the heart and guard it. It is the safe passage of ye all, January 1st, 1989. It is how those who are sealed will pass through the Vials of the Seven Last Plagues, the Seven Trumpet Judgments. It is how the initiates will fulfill the Mission of the Summit Lighthouse, so that the Ascended Masters names are known and spoken of in every household in America (4th house) triggering the *Coming Revolution in Higher Consciousness*. The alternative we have been told is a nuclear

(Pluto) first strike against America to destroy her. This will happen Saint Germain tells us in, *Saint Germain on Prophecy*, because the American people reject their God.

We were told today by Sanat Kumara and Saint Germain to look into the future to be Futurists see what is written and look back and change it. We have been given dominion in the earth; the Torch has been Passed by Elohim. With God all things are possible. Jesus has taught us, “Thus, saith the Lord...ask me of things to come concerning my sons, and concerning the work of my hands command ye me. Whatsoever ye shall bind on earth shall be bound in heaven. And whatsoever ye shall loose on earth shall be loosed in heaven. If ye shall ask anything in my name, I will do it. Thou shall make thy prayer unto him, and he shall hear thee...thou shall also decree a thing, and it shall be established unto thee. Again I say unto you: that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven...These things have I spoken unto you, that my joy might remain in you and that your joy might be full”. We are on the cusp of the Age of Miracles. It remains to be fulfilled through your words and your deeds. All heaven is watching and recording the history that will be told across the galaxies and across time here on earth as the foundation of the Aquarian Age is laid by you in the coming months and years, remaining to us.

THE ENCOUNTER WITH MAITREYA

- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- ...*these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...Saint Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
