

WINTER SOLSTICE  
THE DIVINE PLAN  
2020  
IN CONSCIOUS AWARENESS AND THOUGHT

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

***The Divine Plan - The Mental Plane - In Conscious Awareness and Thought***

The mental plane is where we can stand in the higher mental plane in our Christ mind to be God taught and filled with the consciousness of the Father that was in Christ Jesus. It is where we first begin to understand cosmic cycles. We are in the 32<sup>nd</sup> year in Leo of the cosmic cycle of the “*safe passage of ye all*”, “*the mantle of learning, illumination, and self-knowledge*” we call gnosis. This cycle was given on January 1<sup>st</sup>, 1989.

In 2020 we are seeing all the releases through the Messenger in 1984 now playing out in their 37<sup>th</sup> year, the year when your Buddhahood can attain enlightenment, following the previous three years. The cycles now move to fulfill God's purposes. 1984 was the year that many judgments went forth. It was the year that the ascension flame was placed in Mother's heart for the next 33 years to play out through her and her chelas. The latter are those who would assimilate the Guru and the path of initiation over the next 33 years, 1984 - 2017. Mother and her chelas came to 2017 having been prepared for the solar eclipse at 28 Leo in the 9<sup>th</sup> house 2<sup>nd</sup> decant over the Church and the Nation. This is the first of five eclipses over America in the 35-year period that began in 2017- 2052.

2020 is the 34<sup>th</sup> year in Libra for all cycles that began in 1987 (approximately the fall of 1986 to summer 1987). These cycles have now entered the Buddhist cycle and the Christ mission, for the next three years.

2020 is the 33<sup>rd</sup> year in Virgo for cycles that began in the fall of 1987 through the Summer of 1988. This includes the *Path of Personal Christhood*. And beginning on Feb 21<sup>st</sup>, 2020, *the initiation of our hearts*. We are in the 5<sup>th</sup> year of five years that began on winter solstice 2015 of the inner initiations of the five secret rays to demonstrate the Christ mastery of the center of the circle, the Monad, our I AM Presence.

2020 is the Saturn Return for most releases of light and their dispensations given in the fall of 1991 through the summer of 1992. These cycles have also entered their 29<sup>th</sup> year for the

next 5 years of inner initiations for the demonstration of Christ mastery by the secret chamber of the heart of our oneness with our God Presence. He worketh hitherto and I, the Christ in me and you work...the works of the Ages...the slaying of our dweller and the marriage of our soul to our Holy Christ Self. Many will see this victory in these next 5 years that will bring a Christed one into the White House in January 2025.

2020 is the 42<sup>nd</sup> year, the conclusion of three 14-year cycles of initiation on the path for those who committed to the path in 1978. Much will be asked of these ones in the coming months and years. As much has been given them, much will be expected of them.

2020 we have said is now in the 37<sup>th</sup> year on the 12 o'clock line for the dispensations released in 1984. We will see the return of our karma and many of the same challenges we experienced in 1984 and every 12 years thereafter, in 1996, 2008 and now 2020. All election years. The last one, 12 years ago saw the betrayal of Saint Germain by the American people as they elected the foreign prince, as they did 70,000 years ago in Africa ending the Golden Age there. These records must be washed if the American people are to rally to Saint Germain in the 2020 elections. In 1984 Ronald Reagan was elected President. In 1996 Bill Clinton was re-elected. In 2008 Barack Obama was elected President. During this last 12-year cycle beginning on the 12 o'clock line, we began a new national cycle, of the heart of the planet, America, what were you doing in your life at the time? Is there a pattern, '84, '96, '08? Will it repeat in 2020? Or will we break the cycle of manipulating the people in 2020 because we have broken the pattern within ourselves?

2

---

2020, will see waves of returning karma breaking on our shores, both good and bad karma. These will rise to the surface to be cleansed by the violet flame invoked by the priesthood of the 12 tribes and they will play out through events as the salvation of the people and the mitigation of the effects of the judgment of the Watchers and the Laggards or it will play out as God's judgment for the peoples' rejection of their God, see *Saint Germain on Prophecy*, Book Two, chapter two.

While events are being manipulated and influenced by the fallen ones with the willing support of their mechanization man, their outcomes are determined by the people of God's creation, his sons and daughters created in his image. The outcome is determined by whether or not our souls have evolved to become the bride of Christ, as the soul follows in Christ's footsteps. Are we passing the initiation of our hearts, purged by his Holy Communion and the Holy Spirit, of the poison of the hatred of the fallen angels and their seed that has separated us from God?

What we are seeing play out in this drama is *the psychology of the soul*. Mankind, the old testament tells us, intermarried with the Nephilim Tribes. Add to this the genetic engineering that has been going on, on this planet for 10,000s of years and what we have come to understand of the psychic programming through the media and their marketing programs, their HAARP like

technologies and the psychic generators that Archangel Gabriel has taught us to protect ourselves against.

The Masters teach us about the programming of our minds by the computers of the alien's technologies. We know that the Watchers and the fallen one used terror and trauma to condition the souls (Chiron) throughout earth's known history. We know we have evolved under the programming of the Moon and its phases manipulating our desires, as taught by Kuthumi.

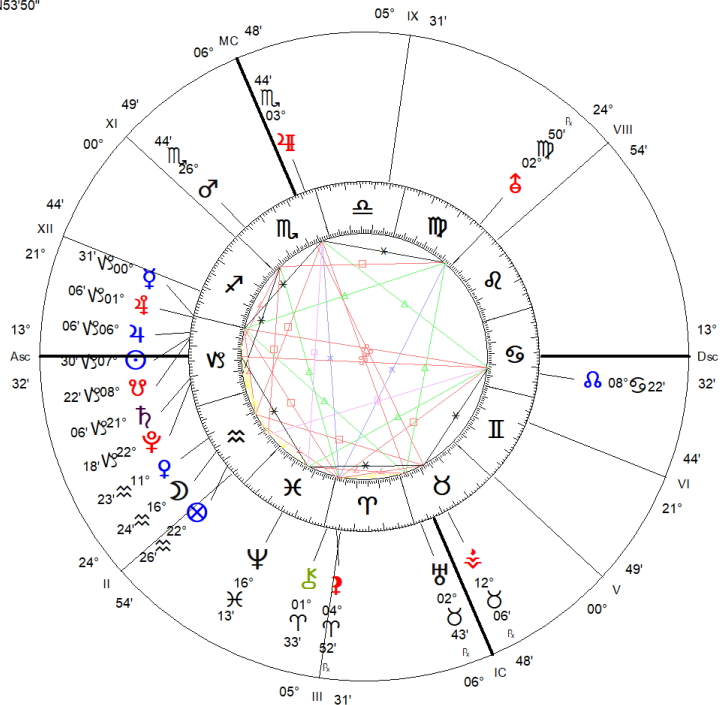

All this and more, including the law of karma and reincarnation, along with the teachings of the nine-headed Hydra and that of the Five Dhyani Buddhas on the components of Personality and its poisons. Brings us to the realization that the soul needs help.

The soul needs healing. The soul is programmed (Transpluto), conditioned (Chiron), to labor (Transpluto Virgo), to build (Apollyon in Scorpio) the Nephilim kingdom, Babylon the Great of the Cain civilization. God sent Abraham, Noah, Moses, and Jesus to give us back our true identity and a path to free us of our chains, by free will and the works of our hearts and hands. Our souls have been evolving so that we could stand in 2020 in the casual bodies of the outer planets bonded to the heart of Maitreya (Saturn) the Cosmic Christ. In the heart of the Guru Jupiter, so that we could make the transits in 2020 having attained to Christ Love, the casual body of Uranus in the mind of Christ, Neptune's casual body and slay the Dragon over America and cast out our dweller from Camelot and North America.

We are called to stand and bind the personal and planetary forces of anti-love, the electronic belt of Uranus, the White Horse, the karma made in the etheric plane. This is the

karma of Taurus in the third house. The logic of the Satans who fell on the line of Taurus in the third house of the lower mind and the logic of the Serpent mind. This is the karma of our rebellion and disobedience of the law of our Father in Heaven. The karma that got us each one, kicked out of the mystery school (Eden) in the etheric plane, cast down into the physical plane.

Now is the time to cut the ties to this karma after all these years of service to the Guru and to Uncle Sam. This is the etheric karma of doubt and fear that causes our paralysis (Aquarius) and hypnosis (Pisces) to cause us not to act (Aries) or to actively surrender (Taurus), or to be single-eyed (Taurus) and single-minded (Gemini). Instead that which I would not do, I do. I passively (Pisces) appear to succumb, to surrender while I am rebelling. This conditioning of our souls has caused us to develop a soul psychology of rebellion, within our hearts to authority, the chain of command, in fact to the Great White Brotherhood. So that with Saint Paul, we can say, that which I would do, I do not and that which I would not, I do. Surrender actually becomes rebellion, passive resistance. The conditioning of the heartless, who works without love. This is Uranus.

This manifests in Taurus in the 2<sup>nd</sup> house, as codependency, group think as the soul has not developed the heart of Christ, Brotherly love of the giving of self, Uranus, ruler of Aquarius. Instead it is only the heartless drudgery of the task master, Saturn, the night ruler of Aquarius, and the Satans who fell in Taurus.

We have been conditioned to be programmed to group think. The collective consciousness in the mental body on the lower mental plane. The collective consciousness of the hive mind, the group mind of an animal, mechanization man.

4

---

Under the solar hierarchy of Taurus, the soul is taught to evolve God determination to serve in loving obedience to the law. We are taught to love life free, through service to the general welfare of all. The Taurus bull is love in motion, steady constant, humble in all conditions, unmoved and unperturbed. The bull keeps his eye, his third eye chakra, on the goal, the light at the end of the tunnel. He provides the community the strength of mission and constancy to finish what we start as the task. Every day is a new day as he labors in the field with the heart that is solid and constant in his Fathers will. His eye never wanders from the goal, the will of the Father. His heart is a magnet that draws the community forward.

The soul in Taurus declares I have the love that is determined to be one-pointed, forging the diamond heart of his will. This will is anchored in loving obedience to continue, of one mind, to labor in the field till I reach the goal, the light at the end of the tunnel, home. The bull is the disciplined mind. This is where it is forged. This is love's vision of the future. Ever moving toward the destination, the light.

Oposing this mind is the human questioning and doubt that hypnotizes the soul into passive existence. This manifests in Gemini as the reasoning mind of serpentine logic. That if I break the law surely, I won't die. I won't get caught. I won't lose my place in hierarchy in the etheric plane.

THE DIVINE PLAN  
2020  
IN CONSCIOUS AWARENESS AND THOUGHT

Without love, there is no heart. It hardens and people do not work because they have no desire to. This eventually, kills the spirit of man, who loses the vision becoming spiritually blind in Leo and Gemini. Love is the key to heaven, combined with wisdom it is the energy in motion needed to transit the cycles to get there. Because wisdom knows the way.

**Uranus is the key.** It maps the cycles of advanced souls called to serve their brothers and who do not weary on the way. Their heart becomes the heart upholding a community, a people, a nation. Opposing them are they who outpicture the archetype of Uranus' electronic belt. These also began the journey to Aquarius with hope that has over time become hopeless, without vision. Those who began with promise came to the mega conjunction at 0 Capricorn in 1988, the Saturn Uranus conjunction and the initiation of their hearts by the Holy Spirit, the Maha Chohan. They came face to face with the day side and the night side of Aquarius, their hate creation and hatred of the Guru. Their karma of the ages rose and *flooded their consciousness*. Slowly they became distracted in Taurus and the possessiveness of their hardness of heart surfaced. Instead of keeping the eye on the vision of the future, they were caught in the flood waters cast out of the mouth of the Serpent (Rev 12:15) that caused them to be carried away by the flood, from the wilderness that is America and Montana. In time we are told in Revelations, the earth will open its mouth to help the Woman and her faithful seed, swallowing this flood. This is when the Dragon in its anger goes to make war with the remnant of her seed. Here in lies the fault. Some failed in the constancy of their love.

As **Saturn and Uranus transit** from 1988, they arrived in 2008 on election day November 4<sup>th</sup> to the first of five Saturn Uranus oppositions. They played out their rebellion in Taurus electing the foreign prince, rejecting Saint Germain. This first step of defiance and rebellion played out through the months until July 2009 when the fifth opposition occurred, as the Book of Revelations released the Beast of our dwellers from out of the bottomless pit. In Revelations 17:13, on August 21<sup>st</sup>, 2009 Saturn Uranus, rulers of Aquarius were of one mind, to give their power and strength (Taurus) to the beast. These declare war against the Lamb, and the Lamb SHALL (in a future cycle) overcome them.

Mother taught us in 1988 that Saturn conjunct Uranus was an indicator of war. She gave us three indicators and showed us that Nostradamus also, had three indicators of war. This cycle Mother taught us would end by 2032 when the next Saturn Uranus conjunction would occur.

The consciousness continued to be flooded with the returning karma following all the events of 2008 and 2009. We came to the Mayan prophecy of the return of the Feathered Serpent during the Precession of the Equinox, an ending and a new beginning of a Grand Sidereal year of 25,800 years. A new cycle of 12 ages began that coincided with the ending of the Mayan calendar of 1 billion years. This coincided with the return to the Mystery School of

2020  
IN CONSCIOUS AWARENESS AND THOUGHT

the Serpent, now a Dragon. This played out through **the Uranus Pluto squares, seven in number**. That began in June 2012 through March 2015.

We battled our consciousness of the rising tide of our dwellers (Pluto) and its rebellion (Uranus) during this period. It was compounded by the TETRAD, the Four Blood Moons, lunar eclipses that fell on the four Jewish holidays, from the spring of 2014 through the fall of 2015. This coincided with the election cycle of 2016. People discredit the prophecies of the TETRAD. They want immediate recompense, so that in their superstitious belief systems they would begin a witch hunt, that will only end in a holocaust.

These astrological configurations from the fall of 2008 to the spring of 2015 and those of 1988 – 1994 describe the returning karma come to test our souls for the next 500 years in preparation for the incarnation of Maitreya Buddha, who I believe will, shape our future government and law. He will restore the Maxim light. The ascended masters will walk once again with man. They will head the 14 departments of our government, as they did long ago on Terra.

These configurations are for the testing of our souls. They have been provided to allow the sons and daughters of God to cut their ties to these the TARES, prior to the harvest of the TARES as taught by Mother Kali.

Now, in 2020 **Saturn and Pluto** are conjunct in Capricorn on January 12<sup>th</sup> conjunct the **Sun** at 22 Capricorn. Following the fourth winter solstice in a row with the Watchers conjunct the Sun. The most recent is 12/21/2019 that governs 2020 with Sun Watchers Jupiter conjunct at winter solstice. We are witnessing **the gathering of the kings and their armies** as taught by Archangel Zadkiel in the book, *Vials of the Seven Last Plagues*, a publication of the Summit Lighthouse. We are witnessing the Seven Trumpet Judgments, the times of the Gentiles chapter 11 of Revelations and the entry onto the stage of the prominent personages of Revelations in chapter 12. All this in preparation in 2020 for the rise and reign of the Beast and the False Prophet in chapter 13. It is in chapter 9 of Revelations that **the four kings are released from the Euphrates who will lead the army of the Far East**. These kings and their army are discussed in the Book of Enoch, speaking of the latter days upon earth, he says that, the angels return and hurl themselves upon the East...to stir up the kings...and that they will march up to and tread underfoot the land of *His elect ones* (America). It is then that he says, they will begin to fight amongst themselves...their punishment no idle one.

**The kite**, Taurus, Virgo, Capricorn, to Scorpio forms the grand earth trine of Mercury Watchers to Transpluto to Uranus to **Apollyon** in Scorpio, referred to in Revelations chapter 9:1-11 by his Greek name, Apollyon and by his Hebrew name, Abaddon. We see by chapter 9 that we are called to rise above Abaddon on the North Gate as we keep the White Cube of the Church Universal and Triumphant on the wings of Eagles in Scorpio. We are called to flee to the wilderness, the place prepared.

WINTER SOLSTICE

The kite tells us, that Love is the key to the violet flame and to the winds of the Holy Spirit so that the rebellion of the fallen angels will find nothing in you. And if you get hit by the returning karma, Morya says, it won't stick. We heard this from Paul the Venetian and Lady Master Ruth Hawkins during the New Year's Class.

The kite is fueled by love's fire that is carried on the winds of the Holy Spirit above the karmic encounters in the earth plane in 2020 and beyond.

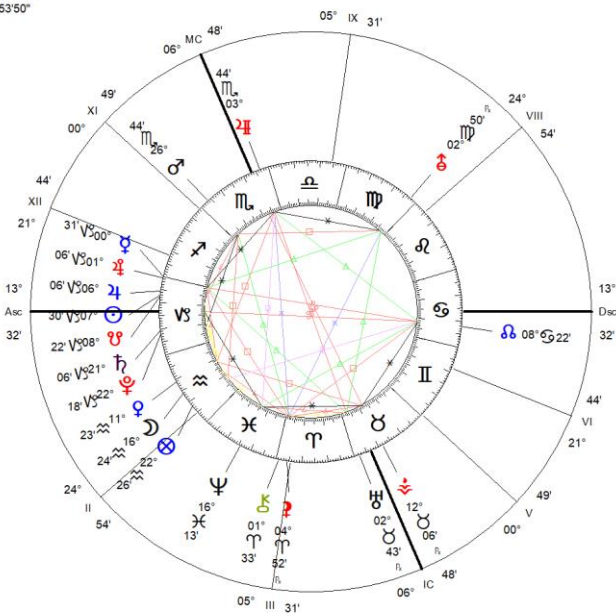

This is critical to our journey in 2020 through our solar plexus to enable us to arrive at the place of Cosmic Christ Peace. This is because the Pisces Virgo axis, our solar plexus chakra is in the 2<sup>nd</sup> and 8<sup>th</sup> houses. We are required to pay our debts of destiny in 2020 but cannot unless and until we master love's vision and love's victory. As we focus in Aquarius on love's call as we stand in Venus and on the Part of Fortune, our soul is inspired by the Guru to separate out from the propaganda of those on the mountain in Capricorn. We stand with the Guru as our Son, embodying our Sun, conjunct at 6 & 7 Capricorn as we cast ourselves on the rock of Christ in the 2<sup>nd</sup> decant of the 12<sup>th</sup> house and sacrifice ourselves, our personalities and stand as our Sun to face the Dragon over America in 2020 that would devour Christ born in you.

As the Son, your Sun, you can stand on the 2<sup>nd</sup> house cusp and in God love unperturbed by the forces moving to repress Christ, to displace Christ as governor and teacher of our people by the Satans, the night ruler, Saturn of Aquarius. We are now able to pay our debts in the 2<sup>nd</sup> and 8<sup>th</sup> houses and rise on the winds of the Holy Spirit, using the resources provided, the kite to fly to safety having won the safe passage of ye all now in Leo in the 32<sup>nd</sup> year, Capricorn month, Jan 1<sup>st</sup> to Feb 1<sup>st</sup>, 2020. The kite is given to pass through the intercept Pisces Virgo axis, to the place of Christ Peace. Love is the key to the vision of the means of safe passage and once taken, to the victory of illuminations flame lighting the way to safety and to sustaining the kite in flight.

We keep the focus on the divine plan for the year 2020, in Leo in the cycle of Safe Passage (1/1/89) under the mantle of learning, illumination and self-knowledge, we know as

gnosis. Instead of replaying our karma returning in Taurus on the nadir, of all manner of distractions that manifest as disobedience. This is the test in the 5<sup>th</sup> house cusp at 0 Gemini. The test of who rules the soul, Christ and the law, or believing the lie and serpentine logic, we are ruled by antichrist. The latter manifests as warring in our members, spiritually blind to the divine plan of the year, unable to avoid the karmic recompense of standing on the mountain at the Y in the road and making the right decision or refusing to make any at all, given our perception of the options.

***The Divine Plan in the Emotional Plane – Feelings and Desires***

The Sun ingresses into the astral plane of our desire bodies on January 5<sup>th</sup>, 2020, in the 1<sup>st</sup> decant of the 7<sup>th</sup> house at 15 degrees Capricorn. The six-pointed star continues, announcing the incarnate word in the sons and daughters who are aligned with the Divine Plan in 2020. These come to counter balance the drama just beginning to play out on the planet and in the Middle East. The Watchers continue to manipulate the returning karma playing out in the Middle and Far East. The fallen angels are acting behind the scenes to trigger a harmonic convergence to align our consciousness with the wicked one in the Middle East. This one is come directly to planet earth from the Wicked One bound by Elohim and Seraphim in the black hole in the matter universe, 1/1/1984, now in its 37<sup>th</sup> year, in Capricorn. The fallen one, in particular the Watchers at 1 Capricorn conjunct the Galactic Center at 1 Capricorn are trying to align our consciousness with Iraq on the nadir, at 19 Virgo to unleash the four angels bound in the Euphrates Rev 9:14 who, Enoch tells us will hurl themselves upon the East... stirring up the kings provoking them to unrest...to march up to and tread underfoot the “*land of His elect ones*”.

8

---

The Watchers are stirring up the kings of the East. Revelations and Nostradamus tells us that this is the Far East where the four angels go to gather their army of 200 million, Revelations 9:16. We can see this as China is reeling under Apollyon god of plagues, during China’s New Year celebrations, as the world prepares to quarantine this unrest.

They are doing this in Taurus with the Moon, Vesta, and Uranus at 14, 12 and 2 respectively all in the 11<sup>th</sup> house, *intercept*. Moreover, the Watchers are stirring up emotions to cause a harmonic convergence between the fallen angels bound in the Euphrates (Iraq, ruled by Virgo) to align with the Wicked one bound in the black hole at ***the center of our Galaxy***. They are trying to trigger an explosion that will release the four kings from the Euphrates in Iraq (Virgo) on the nadir.

The six-pointed star is come in Capricorn as all are gathered on the mountain, to be the counter balance. These are the initiates passing their tests enabling them to bring Cosmic Christ Peace to the East and the nations through diplomacy instead of unleashing the engines of war controlled by the Watchers and the Laggards, as taught by Mother in, “*Fallen Angels Among Us What You Need To Know*”, a Summit Lighthouse Publication.

We must deal with the axis of personal karma, the MC Nadir, at 19 Pisces Virgo. This axis is delivering our personal karma to be washed 7 times, at the well, by casting our ruby ray anchor into the ascended master octave and arcing the light by the science of invocation, prayer and decrees and anchoring it on the nadir of our subconscious to consume the energy veil and planetary karma. The axis of world karma is the Ascendant Descendant at 9 Cancer Capricorn.

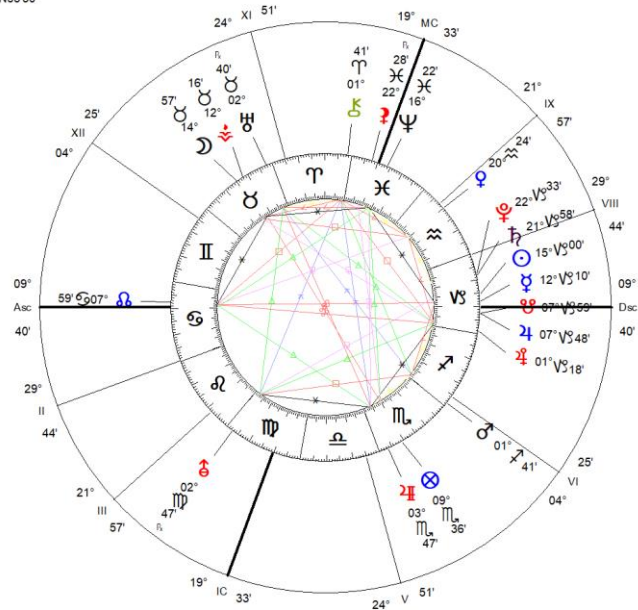

What took place in the mental body of each one during the Sun's transit of the mental plane with Pisces Virgo intercept in our mental bodies now plays out as our desires and emotions are being stirred up by powers and principalities behind the scenes in Taurus intercept ruling Iran while Israel and Washington DC ruled by Scorpio, are also *intercept*. There is a tendency we saw as the events played out for members of the House of Representatives to be ruled by their passions causing them to react to events involving Iran in Taurus in the 11<sup>th</sup> house. What level of Cosmic Christ Peace we achieved in the mental plane now allows God desiring, in the chosen ones, to incarnate in the six-pointed star, to play out in the planet to calm the waters. And to thwart the Watchers and their occult manipulations going on behind the scenes.

We are called to stand in the 6<sup>th</sup> house in service to the Guru, Jupiter at 7 Capricorn and renunciate our past attachments, our mood momentums and habits that are the ties that bind us to the Dragon, the feathered Serpent. We are called to take up serpents by their tail. Those who have come to 2020, able to stand with the Guru in the 6<sup>th</sup> house and cut their ties are able to meet the

challenge of Saturn Pluto conjunct in the 7<sup>th</sup> house of relationships and remain faithful to the Gurus and take their stand declaring their independence from those still bound to Saturn Pluto, the status quo of their separation from God. Still bound to the Watchers and the Nephilim, believing to transform this civilization, Babylon. They still believe they can build God's kingdom in this earth. They still believe the lie of the Serpent in the Garden. They have given their power to the Beast. They have become the Dragon that gave its power to the Beast out of the Bottomless Pit, healing it. They are the blind leaders of the blind.

THE DIVINE PLAN  
2020  
IN CONSCIOUS AWARENESS AND THOUGHT

We are witness to the forging of the diamond hearts of those who see in the 6<sup>th</sup> house, ruled by Sagittarius the fulfillment of the promise of their destinies. These ones have come to 2020 prepared to play their roles as chelas becoming Christ, chela with the big C. They have come prepared to the cycles of 2020 ready to meet the challenges coming upon the nation and the planet. They take their stand on *the 6-pointed star of their Christhood* in the 33<sup>rd</sup> year in Virgo on the Path of Personal Christhood. They stand point counterpoint to those on the mountain in Capricorn who are taking their stand with the Laggards on *the Clock of Betrayers*, having given their power to the Beast. The Beasts, Daniel tells us, that were spit out of the mouth of the Dragon. We are our own worst enemy. It is our rebellion against Christ and Guru, against Jesus and his Father, that is reviving the Beasts that have been slain by the Masters, world communism and the cold war with the Iron and Bamboo Curtains. It is our attachments to material substance and the substance of self, our vanity that is reviving the beast.

The enemy within is the fruit of our separation from God having taken of the fruit of the knowledge of Good and Evil. The lie of the fallen ones that we can do better than God and Guru, the Teacher. That we are acceptable as we are. This is the Cain Syndrome, the syndrome of those becoming the Laggard Evolution of Earth. These souls continue to believe the lie that caused them to be separated from God in the Garden. See Revelations 20:5.

The chela, devotee of Christ, Venus at 20 Aquarius in the 3<sup>rd</sup> decant of the 8<sup>th</sup> house sustains her devotion to the flame demonstrating her Christ attainment in the face of the rising tide on the nadir of the hatred of the Guru that manifests as the repression of Christ, within. This is the tide rising on the nadir in Virgo, out-picturing in Iraq. This drama plays out in the macrocosm of the Middle East as well as, in the microcosm of each one of us as the records of our past surfaces each day from the last 25,800 years to be cast into the flame, blazing upon the altar of our hearts, or to revive the Beast, giving power to the powers and principalities playing out in the nations because we are still attached to material and spiritual substance...of their material civilization. This is the philosophy of survival of what is known to be coming upon the Earth. It is the philosophy of the Serpent, now the Dragon, of the survival of the fittest. They believe that only the strong will survive, in a dog eat dog world. They have become that which they fear. They have become the vibration of death Revelations 6:8, the Pale Horse, and Hades follows, Rev 20:5, after them.

This is the anti-church and the anti-state in Capricorn on the 12 o'clock line representing the false hierarchies of the Ruby Ray numbers 4 and 8 respectively. Sanat Kumara instructs us to study the Ritual of Exorcism to know the enemy within and without in order to pass the Seven Initiations of the Ruby Ray under the Hierarchy of the Ruby Ray.

The Sun Mercury in the 1<sup>st</sup> decant of the 7<sup>th</sup> house, *the policy* of diplomacy to stem the tide of war and to curtail the forces gathering in Capricorn, symbolized by the planets, solar system objects, gathered there, Archangel Zadkiel tells us, for the Great Day of The Lord. See Archangel Zadkiel in the book, *The Vials of the Seven Last Plague*.

IN CONSCIOUS AWARENESS AND THOUGHT

This configuration has a history that would, if unleashed and unchecked, repeat itself, driven by the *four angels* out of the Euphrates, in Iraq. This config was last seen during the Great *Diocletianic* Persecution unleashed around 300 AD by *four Caesars*. The last of the ten great persecutions that began under Nero in 64 AD.

We are called to stay the course of the divine plan in 2020 and not get distracted by fear. Venus faces the returning karma in 2020 that has paralyzed many in the past. This is because their hearts failed them for fear. This is because fear begets human questioning and doubt as the carnal mind seeks survival at *any* cost. This doubt manifests in Pisces through Lilith and Neptune that clouds our vision on the MC of the ascended master's octave and the Christ mind, the casual body of Neptune. This is the fog of war. These are the records of death pulling down the consciousness from God into Hades that follows Neptune's electronic belt.

What we are seeing is the pre-emption of God's cycles by pulling down the chelas from the Guru, stripping them as prophesied by Guru MA in 1985. This is occurring in an election year when the people are called to rally to Saint Germain to work the works of the age. Saint Germain prophesied in his book, *Saint Germain on Prophecy*, that if the American people betray their God, in the hour of the coming of the Cosmic Christ, his coming will manifest as a nuclear first strike against America, during a war *already under way*. This is the danger of the configuration in Capricorn, in 2020 of the Saturn Jupiter Pluto conjunction.

We are called to turn the prophecy around by clearing the people, washing then in the seventh ray, the violet flame, by Cosmic Christ Peace on the Virgo Pisces axis of our solar plexus chakras, in the eye of the storm. We stand in Virgo in the 33<sup>rd</sup> year to publicly demonstrate in the seventh house our Christ Mastery of our God Flame to bring peace, that is the judgement of all that is not peace and of all who have bowed on the mountain who would take peace from the planet.

We see that four beasts came out of the mouth of the Red Dragon per Daniel.  
Greeks – ruled by Capricorn, the Mediterranean.  
Persia – ruled by Taurus, Iran.  
Babylon – ruled by Virgo, Iraq.  
Rome – ruled by Leo, Mediterranean.

The Summit Lighthouse began in 1958. In 1991, we began a 33-year cycle to complete the mission of the Summit. That mission was to bring the Ascended Masters names into every household, the fourth house of the nation. We are on a timetable. We have till August 2024 to complete the mission. How? God has provided. He has given us the teacher and the teachings of the Everlasting Gospel. He has given us a Path of Personal Christhood and is initiating our hearts by the Holy Spirit. We are in the 32<sup>nd</sup> year 12<sup>th</sup> month of the latter. We are standing today in Sagittarius in the Leo year of our heart's initiation. We are in the fourth year of five on this path in our hearts to demonstrate our Christ Mastery of the last 32 years, since February 1988. We stand in 2020 over shadowed by a *six-pointed star* that declares the victory of Christ in you. Christ that is come in Virgo to bring Cosmic Christ Peace to Earth, to America. So that this

people will elect Christ to rule in these elections in strategic locations across the Federal, State, and Local spectrum at the Executive, Legislative and Judicial levels. Man is called in 2020 to align with God who is moving into position to move into the Earth through individuals to play out in the coming events. You are chosen. You are the I AM race. You were created in God's image and likeness. Moses told you that you are Gods. Jesus told you again who you are...to become. Some have come to 2020 and believe. Others have forgotten or rejected his love and that of his Mother and his Father. They believe the lie of the anti-church that there is only one Christ.

While the Sun is in the emotional plane of the planet to free man of his desires and to heal his feeling body, there is an *eclipse of the sun of the soul*, a lunar eclipse on January 10<sup>th</sup>, 2020. The lunar eclipse is at 20 Cancer, the Sun at 20 Capricorn. This eclipse is conjunct Mother's Ascendant in the 3<sup>rd</sup> decant of the 2<sup>nd</sup> house. The Sun is conjunct Mother's Descendant in the 3<sup>rd</sup> decant of the 8<sup>th</sup> house. Mercury the Messenger is conjunct the Sun. The Part of Fortune is conjunct the eclipse descendant at 13 Sagittarius, conjunct the US conceptual Ascendant. This is occurring as Saturn conjuncts Pluto on January 12<sup>th</sup>. Saturn Pluto are within an approaching 10-minute orb of exact conjunction.

This eclipse is a *two-edge sword*. It has opened a window for the next 6 months or until the next lunar eclipse this summer for the saints to call for the eclipsing of all opposition to their Sun, *the Son of their soul*, their Holy Christ Self from all within and without that would strip them from the Guru, as prophesied by Mother, Lanello, and by Archeia Aurora in the book, *Vials of the Seven Last Plagues*. This eclipse can assist those who make the call, who "Call upon the Lord".

The second edge is for *the judgment* while the other edge is to *cut us free*. The sword, the sacred word incarnate in you, heralded by *the six-pointed star* is come to bind all on the mountain who bow before the Satans and their own dweller, becoming black magicians. These who are healing the beast of world communism, by their thought, feelings, actions, and memories. These who are leading the people in giving their power to the beast as the four horsemen deliver their karma; they give it to the four angels in the Euphrates who are coming to be the instruments of their judgment.

These whose souls are eclipsed have come to 2020 having *accommodated* Guru Ma and Saint Germain in the Church and in the Nation. They are standing on the mountain with the Dragon come to devour their Personal Christhood. They are standing on the mountain with the Watchers tied to that one in the Middle East and in the Black Hole in the center of our Galaxy. They are standing on the mountain before their Dweller. And they are standing on the mountain having rejected the love of the Guru. They bow before their false gods of materialism and they declare with Abaddon their enmity with the Guru, the Lamb and the Lamb's wife. They go to war with the Lamb and his chosen and faithful. These are the ones who subvert the authority of the Father and usurp the office of the Lion occupied by the saints in matter who are the sons and daughters of God, and the remnant of the Woman's seed, and the 144,000. These are the saints

***The Divine Plan in The Physical Plane – In Works and Action***

As the Sun moves into the physical plane at 22 Capricorn 30 minutes, it conjuncts Saturn and Pluto at 22 Capricorn 48 and 50 minutes, respectively. This is the real meaning of the Saturn Pluto conjunction of January 12th. This conjunction occurs in the third house, 2<sup>nd</sup> decant. Furthermore, the Sun Pluto Saturn conjunction at 22 Capricorn is the midpoint between Jupiter, the Guru and the Nadir at 5 Aquarius. Jupiter the Guru is conjunct the chelas, Mother’s Mars at 9 Capricorn 57 minutes, a 28-minute orb. The Guru and chela are conjunct the chelas’ past records of our karma with the Guru, the records of failing our initiations under the Guru, of failing to become the Christ, our Son, our Sun sign. This karma is come due in 2020. This karma is now being released at the Nadir into our subconscious. This karma is both good karma and bad karma. Also, the six-pointed star from winter solstice continues to be present. So, what does this all mean?

Christ mastery. The soul now in 2020 after 40-60 years on the path faces these records. And if the days are not shortened, even *the elect* will be deceived.

These records of our past, the last 25,800 years are of the last days of Lemuria and Atlantis and our betrayal of the Ascended Masters and their chelas. This betrayal and our failure are of the feminine principal in man, the betrayal of the Divine Mother. These records are now come due and the Sun is come to take them and consume them in the flame or the soul will reject divine love and satisfy her desires playing out through the Saturn Pluto Jupiter conjunction and the Watchers Dragon conjunction. These configurations are the defining moment of our lifetime and all our lifetimes for the last 2000 years. NOT, to be taken lightly. Our future rests in the balance.

These records are of our soul's psychology as taught by the World Teachers, Jesus and Kuthumi. They are of our mood momentums that derive from our attachments to materialism...our ambition, achievements without Christ or the Holy Spirit. Tearing down the civilization and culture of the Divine Mother and the feminine principal of the soul and the heart...America these last 20 years. These are playing out in 2020 through Chiron conjunct Mother's MC in the 5<sup>th</sup> house 3<sup>rd</sup> decant. Those who are bonded to the Guru will stand on the Part of Fortune at 27 Pisces constant and humble through all that will now be playing out in the physical plane in 2020 and beyond. They are the embodiment of the six-pointed star as taught by Lord Maitreya in, "*The Six-Pointed Star of the Lord of the World*". They are the pillars in the community and in America, of the I AM Race. They are the Christ, *the eye in the storm* coming upon America and the Earth through whom Jesus and Kuthumi will draw all whose names are written in the Book of Life to come apart into the Kingdom.

The message of the Sun, your Son the Holy Christ Self is *organize* with the Guru to carry out the Divine Plan of 2020 and work the works of the ages, at the altar. Many will tell you in the days ahead what that is. Heed them not. The truth is written in letters of fire within your hearts. Your initiation is to sit under your own Vine and Fig Tree and be God taught. These are they who have Safe Passage of Ye All under the mantle of Learning (*studying and assimilating the teachings*), Illumination (*consumes ignorance of the past, and the lower mind, revealing the higher mind and etheric plane*), and self-knowledge (*gnosis, you are being taught on the inner by Jesus and Kuthumi as was Paul, in the 32 year of the initiation of our hearts and Safe Passage of Ye all*). We are being told that to meet the challenges of all playing out in Capricorn going forward we need to stand in the flame upon the Altar, the High Altar and the altar of the heart.

We are being taught to meet the coming challenge of Sun Pluto Saturn conjunction we need to stand in the 3<sup>rd</sup> decant of Capricorn, *Idealism*, in the 2<sup>nd</sup> decant of the 3<sup>rd</sup> house, *Fidelity* and by Christ Mastery (22 degrees) carry out the Divine Plan in 2020 and beyond. Capricorn is in the 3<sup>rd</sup> house, the lower mind, separated from the Christ mind and God's consciousness. Here we are vulnerable to absolute evil gathering in Capricorn for the final battle, for your soul. The danger is Sagittarius Gemini, our throat chakra is intercept in the 2<sup>nd</sup> and 8<sup>th</sup> houses. The danger is our indulgences that take us from the higher mind of our Christ Self leaving us vulnerable, blind to heaven and our Christ and his wisdom, dual minded, with 2 eyed vision. The danger is that we do not see (Sagittarius) and we are paralyzed and do not make the call so there can be no intercession. This is the karma of neglect now descending in 2020, the origins of our karma of separation, of our mood momentums that are our attachments to material things and things of the ego (Kuthumi). The solution to the interception of our throat chakra is the 2<sup>nd</sup> and 8<sup>th</sup> house cusps at 28 Scorpio and Taurus, respectively. We must be willing and able, determined to pay our debts, get out of debt by credit. This is the economy of Babylon, increased money supply using credit, causing the inflation or the devaluing of real property. That is to say real value. Your money supply, the abundant life is being circumvented by the machinations of the fallen ones with our economy, using our financial systems in the 2<sup>nd</sup> house. Some believe we can fix it, that if we call, God will fix it. He will. His way, and that has been written, "come out of her, Babylon the Great or receive her karma, Rev 18:4. El Morya, the Guru, has told us to wash 7 times so that when their karma descends, it may hit us but it won't stick to us. It is our participation in their economy these last 23 years, since 1997 that has revived the Beast. Now the Beast has come to bite us, in Capricorn, beginning in 2020.

Sun Pluto Saturn conjunction is our test of mastery. Mastery of the Guru chela relationship over the powers that be that are being gathered in Capricorn as described by Archangel Zadkiel in the book, *Vials of the Seven Last Plagues*. They are gathering to play out the prophecies of the Book of Revelations, their final judgment and removal from the planet.

15

---

The cusp of the 3<sup>rd</sup> decant of the 4<sup>th</sup> house is **27 Aquarius**. We are urged to research the prophecies of the Seven Elohim of spring 1993 and of Mother's July 4<sup>th</sup> Address in 1993. The forces gathering in Capricorn and playing out in our organizations are about to unleash what they are describing as a "*Great Transformation*" of our western civilization, see Revelations chapter 13 for details and Daniel chapters 8-12 to understand the coming *Tribulation*...and prepare. You are the front lines in this coming battle...it is your heart flame. You can't escape your destiny. You have but to prepare or hide your head in the sand. How is this so? It is the law of karma. It is your debt of destiny to lead in this battle. It is why you were born. It is who you are. And it is why you were called out in the 60's, 70's, and 80's or even the 90's. And despite what has occurred to all outer appearances over these decades, God and Christ has prepared you on the inner for this battle. Long has it been known that when the going gets tough, the tough get going. That when disaster strikes, the best comes out in Americans. Also, God has prepared the place prepared for the Woman and her seed. Revelations chapter 12 describes this and tells us that when the Serpent casts out of its mouth a great flood to sweep her from her wilderness, by flooding that wilderness with his materialism and his seed...the earth comes to her aid by opening her mouth and swallowing up this flood that has invaded the wilderness since 1990. Particularly the last 20 years, the Jupiter Saturn cycle that is *ending* this year.

The physical danger is our personal karma returning in 2020 into the physical. The axis of our personal karma, the MC Nadir axis is delivering our karma directly to the seat of the soul chakra. Our point of comfortability that has become, Morya tells us, our point of stagnation on the path of personal Christhood. Our Path is now in the 33<sup>rd</sup> year in Virgo under the initiation of our hearts by the Holy Spirit in Leo the 32<sup>nd</sup> year in the 12<sup>th</sup> month in Sagittarius as we face the returning karma delivered by the Red Horse, Mars in Sagittarius. This is the karma of our desire body and its emotions. Kuthumi tells us these are our attachments to material substance and the substance of the ego. They are our mood momentums and habit patterns that are returning in these years and now reaching a critical mass in 2020. They leave us vulnerable in the hour of the victory of our life stream in this embodiment to the forces of the Dragon that are come to devour the Christ being born in you in 2020 and beyond.

Our point of vulnerability is 21 Cancer 26 minutes, the midpoint of our North Node and the MC in polarity to the conjunction of Sun Pluto Saturn. Leaving us vulnerable to the false hierarchies in Cancer and Capricorn. We are vulnerable to the Wicked One and the Laggard evolutions in America who with the Watchers in Capricorn have taken all Power and Supply to themselves and control our economy, our livelihoods, our future. We are now vulnerable to the clock of betrayers and to Abaddon, we call Apollyon at 3 Scorpio, the God of Plagues, king of the locusts in Revelations 9:11. This vulnerability is why Mother prophesied to us in 1985 when the fallen angels changed their strategy from attacking the Guru to attacking the chela. She told us then, now in its 36<sup>th</sup> year, that they would attack the chela to strip the chelas from the Guru. The Bible tells us that if the cycles of time are not shortened, even the elect will be deceived. What is this great deception?

16

---

The deception, Saint Germain tells us is *materialism*. Every golden age has fallen, he tells us, by the decadence of materialism. Morya uses the term, *stagnation*. Mighty Victory tells us to study the 1920s to counter the coming 2020s. The hour of victory on the planet.

### ***New Beginnings***

Capricorn, we are taught is the 12 o'clock line, ***point of new beginnings***. What has God in store? 2020 will see the ending of a 46-year window of the Galactic Alignment and the ending of a 20-year Jupiter Saturn cycle. 2020 will also see a new beginning as we emerge into greater light of the Mother in the Galaxy, as we leave the galactic equator. It will see a new 20-year Jupiter Saturn cycle that will directly impact the economy and the market. In 2020 we will also see a new beginning for all dispensations given in 1984, God's judgment of the Watchers and the Laggards. Especially the judgment of Helios given on July 4<sup>th</sup>, 1984 and the Right Hand of the Cosmic Virgin in August. This summer solstice is significant, there will be a solar eclipse at zero degrees Cancer. The forces of light and darkness are moving on the battle field. 2020 is a year for 2020 Vision in the coming elections. The forces in the land attacking the Woman and her seed are being eclipsed. The tide is turning. It is a year of new beginnings, new heights of idealism in America and the I AM race versus the reasoning and logic of the serpentine mind on the lower mental plane. The Sun's messenger delivers the message, choose life not death in Capricorn, beware ambition. Lady Master Leto teaches us that the right choice in Capricorn is

God Justice in Virgo where we stand in the 33<sup>rd</sup> year on the Path of Personal Christhood and on Feb 21<sup>st</sup>, in the initiation of our hearts. This is our safe passage, of ye all, the heart of the Guru. Those who stand on the mountain in Capricorn separate from the heart of the Guru, refusing to take the Guru's hand at the Y in the road are choosing the left-handed path to Taurus, rebellion, in the church and in the nation, against Christ. They are by their actions giving their power to the third Antichrist who is gathering God's Power to himself to take Heaven by storm, to fulfill Revelations chapter 13. What does this mean? Mother Mary and Lanello have taught us that the fallen ones through the use of sound can pull down from the etheric those not yet ascended. The Buddha of the Ruby Ray told us in the fall of 1996 to watch for the coming Antichrist that we would know him when he came.

Those standing in 2020 with the Guru, holding fast her hand are fulfilling the cycles of the birth of Christ within them for which the Divine Mother has been in labor these last 46 years. This is the star appearing at winter solstice 2019 that remains overhead even to this hour (Feb 15, 2020). This is the six-pointed star of the Lord of the World, taught us by Lord Maitreya. This is Jupiter conjunct Mother's Mars, her chelas, as the Sun conjuncts Pluto Saturn on January 12<sup>th</sup>, 2020. This is the hour of the fulfillment of the law in you, the transfiguration in Virgo, in the 33<sup>rd</sup> year on the path of initiation of your personal Christhood. This is the election year when all are choosing who will rally to Saint Germain, to Merlin who is destined to return to Camelot and cast out these Black Magicians, from North America. Some are prepared for the coming battle while others are hiding, heads in the sand, partying and making merry while America burns. This is the 2020s that Mighty Victory warned us to be prepared for. The latter are drunk on the blood of the saints. Drunk with the power of the office of Christ and Guru that they have subverted. In this drunken state they are being eclipsed in 2020 at the Omega Return so that they will not see the second coming of Christ in man, at the head of the armies of Heaven. As the Once and Future King and Merlin return to cast out these Black Magicians. These next 12 years, 2020-2032 will define the future for the coming evolution.

17

---

This is not a coincidence that we are emerging in 2020 from the Galactic Equator during a critical election, in the 33<sup>rd</sup> year of *the initiation of our hearts* **and** the heart of the planet on *the Path of Personal Christhood*. It is only outlandish to those who deny Christ in their hearts in this hour and in you. Having usurped the office of Christ and subverted the authority of Christ they are now rallying to Apollyon to go to war with the Lamb and his chosen and faithful. See the Ritual of Exorcism number six.

2020 is destined to see the election of Patriots to elected Offices across this land as we emerge from the Galactic Alignment into the light that is manifest as a *Great Awakening* of the America and the I AM race. We are seeing a *New Era of Enlightenment* beginning, we have been taught to call it the Coming Revolution in Higher Consciousness and the next 12 years will transform a continent, a hemisphere and then the planet. The next four years, 2021-2024 will change America. This is the mission of the Summit Lighthouse and of the Keepers of the Flame as taught by Mother in her July 4<sup>th</sup> Address in 1996, "To Be or Not To Be". This is our defining hour. This is the prophecy of Revelations 20:4-5.

Mercury delivers us the message, that we need to take stock of our place on the Path and the state or condition of our consciousness. Mercury also, tells us to choose wisely between our Sun and the Watchers at 1 Capricorn; between Jupiter our Guru and our dweller, *Pluto*; and between Saturn, *Maitreya and Satan* and our dweller *Pluto*. The six-pointed star is made of the earth and sea, water trines. It represents the prophecy in Revelations of the seventh angel standing with one foot on the land and one foot on the sea. He is come to seal the Hemisphere from the prophecies of Revelation 13 of the Beasts out of the Sea and the Earth. The Seventh Angel is come to deliver Camelot and having rallied the people cast out the Beasts from the West Gate who are prophesied to perform miracles, forcing the people to worship the beasts and take their mark, to buy and sell.

2020 is a new beginning for the confrontation, the final battle between Divine Justice and the Rebellion of the fallen angels. This is the meaning of the gathering in Capricorn. Saint Germain prophesied in his book on Prophecy that if the American people reject their God, the coming of the Cosmic Christ will manifest as a nuclear (Pluto) 1<sup>st</sup> strike on America.

The Judgment of Almighty God went forth in 1984, and there were many that year. They are now in the 37<sup>th</sup> year in Capricorn, the Gathering, on the 12 o'clock line heralding a new beginning. God has heard the calls of his people and has answered. Following El Morya's teaching that all lines of the clock, converge at the 6 o'clock line in Cancer; then Virgo and Taurus, Divine Justice and Rebellion, the right- and left-hand path of Capricorn, represents the following.

18

---

Those standing on the mountain in Capricorn at the Y in the road with the Guru and the fallen angels who chose the right-hand path in the 33<sup>rd</sup> year in Virgo play out in Virgo, Divine Justice. This manifests as the Priests of Invocation calling to Lord Lanto and the Lords of Wisdom to deliver Divine Justice as the judgment; salvation to the lightbearers and judgment to the reprobate. The soul stands in Virgo in wisdom's flame in the solar plexus chakra, in and as *the eye of the storm*, as karma returns on the karmic axis, Pisces Virgo, to those who created the karma.

The Heart of Christ is the magnet drawing all lightbearers to the eye of the storm, Cosmic Christ Peace in Virgo Pisces for the leap into the heart of the flame of the Guru's heart in the 8-petal heart chakra. The soul stands in Virgo in the 2<sup>nd</sup> secret ray demonstrating as Mighty Victory has taught us, the mastery of the 2<sup>nd</sup> secret ray over all sense of injustice by those standing in Taurus in Rebellion playing out once again their Rebellion in Heaven under Lucifer, having decided to follow Lucifer to the second death. We are standing in Virgo invoking the Wisdom of Akshobhya Buddha, the mirrorlike wisdom and its perfection of renunciation and wisdom to antidote the anger and hate and the hate creation of those in Capricorn choosing the left-handed path of Rebellion in Taurus in 2020.

The soul stands at the convergence of Virgo and Taurus in Cancer on the six-o'clock line of the Cosmic Clock in God Harmony facing those in Capricorn who have taken the Office of the Flying Eagle and the Lion to themselves subverting the authority of Mother and Father,

taking God Power and Supply, all power and money of the people to themselves. Drunk with the blood of the saints they are now in open Rebellion, Uranus in Taurus, displaying and about to display absolute evil in the face of absolute good playing out on the right-handed path in Virgo, Divine Justice, in 2020 and beyond. Uranus is the White Horsemen delivering the karma made in heaven, in the etheric plane that resulted in our being cast out of the Garden of Eden.

These latter, stand in the convergence of Virgo Taurus in Cancer in *Illuminations flame* and *research* the teachings on the path and *renunciate* in Virgo all that they are *inspired* to see as they stand in their Christ mastery, *master of their ship* in the Odyssey of their soul over the members of their crew, all who they stand in relationship to in 2020. In their mastery they wash seven times, *expiating* all ties and all vibrations, karma in the physical so that when Morya and the Masters deliver the karma of Divine Justice into the physical earth and sea, it may hit us but, Morya says, it won't stick to us.

It is important to understand that when this karma rises into the subconscious poisoning our consciousness it will play out unless washed before the dawn of each day. Thus, we are taught, that when the devil, deified evil comes, it finds nothing in you. Nothing in you to tie to. We must free our hearts, our Heart Chakra, Aries Libra axis, of the pride of the ego and its ambition. As the carnal mind of the ego's synthetic-self poisons the heart in Libra on the 3<sup>rd</sup> secret ray with its feelings of self preservation that plays out as betrayal, treachery and intrigue. This is the ambition that usurps and subverts the office of Christ by the chela that kills the Guru as taught by Mother in her lecture, "To Kill a Mockingbird: or One Hundred Ways for the chela to kill the Guru". Portia and John the Beloved also have taught about ambition, on the road of materialism.

We are facing *Transpluto in Virgo*, the intergalactic fallen angels, the aliens in their space ships with their computers and generators, their towers and cubes and their orbs orbiting the planets and the belts of our solar system and *Uranus in Taurus* as we stand on the *North Node at 7 Cancer* in the 1<sup>st</sup> decant of the 9<sup>th</sup> house. We are challenged to master our mood momentums of our attachments to substance both material and of the ego and stand in our *devotion* to the flame in our hearts, to Christ and Guru. We are called to stand in the flame in our hearts in Leo and move into Virgo on February 21<sup>st</sup>, 2020, for the confrontation coming upon the earth beginning in 2020.

We are called to stand in Capricorn at 9 degrees conjoined Mother's chelas and pass our initiations conjunct the Guru. We must pass our initiation in 2020 at the Y in the road, choosing between Virgo and Taurus. Those who choose Virgo and master the second secret ray on the path of personal Christhood in the initiation of our hearts will bear the cross of the karma of the world. We are called to take the initiation of the crucifixion, the three-year mission of our Christhood beginning in 2021. The final three years of the mission of the Summit Lighthouse that began in 1991.

We are standing at *the decision point* in Capricorn in the Guru chela relationship at 9 CAP at the midpoint between Mother's Mars Jupiter and Mercury; between Mars Jupiter and the

Sun; between Mars Jupiter and Pluto conjunct Saturn; between Mars Jupiter and the midpoint of MC and North Node and between the South Node and the Nadir. This is the challenge the soul faces in the 36th year of the cycles of 1985 and the dispensations given to meet this challenge prophesied in 1985 to strip the chelas from the Guru. This includes, Saint Germain has taught us, the American People from Lord Maitreya, our Father. This will play out, unless transmuted by the violet flame, as the rejection once again of the prophet Samuel, Uncle Sam, Saint Germain, as Merlin prepares to return to cast out the Black Magicians from Capricorn in Camelot. This is the prophecy of the coming of the Cosmic Christ in and with Merlin. He is coming, the question is who will rally to him and who will be cast out, becoming castaways, food for serious thought, for all in America, legally or illegally. America is the mystery school of the heart, of the planet. None are exempt.

This story takes up in 1993 when the Seven Elohim came in the spring to warn us of the seven planets gathering in Capricorn with **Pluto square Saturn** at 27 Scorpio and Aquarius, respectively. Mother told us in her July 4<sup>th</sup> Address 1993 that we had to begin reorganizing our church and our nation to give birth to Christ if the church and America were to survive. She spoke of our failing our initiations on the Alpha cycle and how to use the Omega cycle to retake these failed initiations and complete our cycles. The key here is the threat to America by the Pluto Saturn cycle. This began in January 1994. Now it is January 2020 and **Pluto is conjunct Saturn**. The prophecy is come due to fulfill itself or to be turned back. Hence the six-pointed star at winter solstice 2019 that is still overhead as the sun completes her transit of Aquarius, in 2020. The *opportunity of the open door* of the heart still remains. We are in the 27<sup>th</sup> year in Pisces on the 2 o'clock line of the Cosmic Clock, of opportunity, to demonstrate our Christ mastery of the physical plane and our physical bodies.

**Saturn conjunct Uranus** in 1988 during the mega-conjunction at 0 Capricorn. This was when the initiation of our hearts began by the Holy Spirit. This opened a 44-year cycle lasting till 2032 when Saturn and Uranus will be conjunct once again, ending a 44-year cycle of war. Saturn and Uranus entered the opposition of the cycle, five times beginning on election day, November 4<sup>th</sup>, 2008 when the people elected Barrack Obama, the alleged foreign prince. This

was the playing out of the karma of the rebellion of the people of Africa against Saint Germain, the ruler of that golden age that lies under the Sahara Desert. These five oppositions opened a window of returning karma that played out in our four lower bodies rippling across the four planes of matter.

Uranus in esoteric astrology is the highest octave of Love, Divine Love, the Love of Aquarius, the Brotherhood of Man, as above so below. Love your fellow man as you love God. The 1<sup>st</sup> and 2<sup>nd</sup> commandments. From this love comes freedom from Separation from God. From this love comes ideas that free the soul from struggle and limitation, the creativity of man. The perversion of Uranus are rebellion, anarchy and terrorism and the twisting of ideas into ideologies that entrap the soul in karmic webs.

These five Saturn Uranus oppositions:

Nov 4<sup>th</sup>, 2008 with Saturn at 18 Virgo conjunct MC in the 3<sup>rd</sup> decant of the 9<sup>th</sup> house, *illumination* opposing Uranus at 18 Pisces in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house, *serpent reasoning* within a 17-minute orb conjunct the Nadir. This was a karmic return of karma for the people of America and the I AM Race worldwide to balance their Karma with Saint Germain and our Father in Heaven. The next three oppositions were also in Virgo Pisces with the third occurring in the solar cycle of Mother's death. This opposition occurred at 24 Virgo Pisces with Saturn conjunct the Sun at 22 degrees in the 1<sup>st</sup> decant of the 12<sup>th</sup> house, testing the *Verity* of the soul with Mercury at 2 Libra conjunct Mother's Nadir. This was the test of who was faithful to the Guru and stood by her as she made the decision to leave embodiment so that by going to her Father it would provide the opportunity for her chelas to pass their initiations that were causing so many to fall away in 2009. The last opposition occurred with Saturn at 0 Libra conjunct Mars at 28 Virgo in the 3<sup>rd</sup> decant of the 11<sup>th</sup> house, as the soul *repressed* her Holy Christ Self under the returning karma of Saturn Mars, out of self-preservation and a sense of injustice, having projected their state and condition of their minds and feelings upon the Guru Mother, in the rebellion of their synthetic selves in Aries at 0 degrees in the 5<sup>th</sup> house 3<sup>rd</sup> decant, *ambition*. The ambition to take her office and authority and that of the true Christs and true Prophets on the East Gate. They had fallen in the mystery school under the Serpent, on the East Gate. Uranus was at 0 Aries conjunct the Guru Jupiter at 3 Aries in the 1<sup>st</sup> decant of the 6<sup>th</sup> house, lusting after the light of the Guru and her chelas who stand with the Guru in the *achievements* of their service to the Guru.

These **five oppositions** delivered the karma that separated those who truly love the Guru from the tares who stood to preserve their egos instead of surrendering their egos as they cast their souls on the rock of Christ. This drama played out between Nov 4<sup>th</sup>, 2008; Feb 5<sup>th</sup>, 2009; Sept 15<sup>th</sup>, 2009; Apr 26<sup>th</sup>, 2010; and the last on July 26<sup>th</sup>, 2010. These five have played a major role in each of our lives **since that time period** and will continue to play a major role through the Omega cycle of this Saturn Uranus cycle...of war in our members until 2032. If we do not resolve this, we will see World War III, as prophesied.

During the third Saturn Uranus opposition in September 2009, Pluto our personal and planetary dwellers entered Capricorn, lusting after the God Power that rightfully belongs to our Christ Self...to empower the Antichrist in you and me. The battle had begun.

Midst the *Saturn Uranus cycle* and the *Pluto Saturn cycle* there occurred the **Pluto Uranus cycle**. In this cycle we faced the karma that created our dweller that separated us from our God and the ascended masters. This is the origins of our core hatred and rebellion against the Guru.

This cycle began in 1966 with the conjunction. We came to the square in June 2012. This followed immediately upon the return of the Feathered Serpent to Maitreya's mystery school on May 20<sup>th</sup>, 2012 that was re-opened to call us home in 1984 on May 31<sup>st</sup>.

The mystery school presented us a choice, standing on the **Sun at 10 Gemini** in the 10<sup>th</sup> house 2<sup>nd</sup> decant, *martyrdom*, on the apex of a YOD at the Y in the road. We were offered the opportunity to return and pay the price, our karmic debt with the Guru, by taking her hand and through her the hand of her Guru, Morya and uphold the Guru, the arms of the Guru in the judgment. We faced the choice of taking the hand of the Guru to stand at the Y in the road and slay the dweller of our separation from God. The YOD to Saturn and Jupiter with **Uranus** opposing the SUN at **11 Sagittarius** in the 4<sup>th</sup> house of the conditions in our old age. This was to occur at this time in the lives of those born in the 40s, 50s, and 60s, even the 70s. **Saturn was at 11 Scorpio and Jupiter at 11 Capricorn.**

---

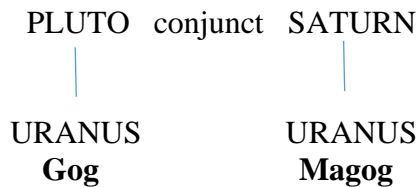

The Pluto Uranus cycle squared following the return of the Serpent to the East Gate to test our souls and divide the wheat from the tares. Whose soul has evolved over eons to God Love and will pass their initiations of slaying the forces of anti-love opposing Love's Victory, our ascension? The **first of seven squares** occurred in June 2012 at 8 Capricorn in the 2<sup>nd</sup> decant of the 8<sup>th</sup> house, *the responsibility* of our souls to pay the price to be on the path of initiation under Lord Maitreya, even Saint Germain tells us, to be an American by birth or Naturalized. Pluto squared Uranus at 8 Aries conjunct Mother's Mercury, her office as Messenger and Guru. This latter occurred in the 3<sup>rd</sup> decant of the 11<sup>th</sup> house, *the repression* of the love of the Guru by our egos and the pride of our carnal minds masquerading as chelas but failing to strive for the office of our Holy Christ Self on the East Gate, where we are called to conquer the Serpent.

There occurred seven Pluto squares to Uranus between 8 Capricorn Aries and 15 Capricorn Aries. This occurred between June 2012 and March 2015 when the seventh square occurred with Pluto in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house, where we faced *the reasoning* of the serpent mind and its carnal logic. Uranus was in the 6<sup>th</sup> house, 3<sup>rd</sup> decant, *renunciation*. We were given the choice, to renounce the hatred of the Guru, as our past records returned and renunciate that which was within and without as *Mother's Sun at 17 Aries* was the midpoint of *Uranus and Mars* at 15 and 19 Aries, respectively. We faced Uranus Mars, the White and Red horseman returning to us our karma with Guru MA and Morya to meet it with loving obedience and service to the Guru in the 6<sup>th</sup> house or we rejected her love and aggressively sought the

office and authority of the Messengers and the two Witnesses, the true Christs and true Prophets on the East Gate in Aries, driven by our ambition.

These cycles of the outer planets have set the stage, since the initiation of our hearts that began during the mega conjunction in Capricorn in 1988. Now we are concluding the 12<sup>th</sup> month in Leo in the 32<sup>nd</sup> year, of God Gratitude for the Guru who has stood by us to wade through our karmic past with the Gurus and the hatred of Mother, God as Mother, The Guru as Mother, the Divine Feminine principle in man. This karma has played out since March 2015 and now as we prepare to enter March 2020, the main players have taken to the stage. These are the prominent personages of the book of Revelations chapter 12.

These two configurations (Pluto Uranus and Saturn Uranus) have defined the two opposing forces and their dividing camps that are about to war upon the planet, devouring all in their path. They are to be bound and removed by the Sons and Daughters of God, the 144,000 and the Remnant of the Woman's seed who keep the white cube of the Church Universal and Triumphant on the North Gate with Lord Maitreya. These are they who are the rightful occupants of the Office of the Lion. These who have attained to the Lamb, who are able to lie down with Lions. They have come to this initiation standing in Cosmic Christ Peace as they lie down with Lions.

These are able to hold the balance of God Harmony and keep the EYE of the STORM for all to seek safety as these who are GOG and MAGOG rally to battle. Archangel Zadkiel tells us in the Summit Lighthouse Book, *Vials of the Seven Last Plagues*, that he stands on the west coast of America on the West Gate and looks to the East and gathers the kings and their armies to the Great Day of the Lord.

We are being initiated to master the secret rays that we may consume the components of our personality and conqueror the force of our dweller that opposes our Mighty I AM Presence in the center of our circle. We are called to come up higher and on the wings of the Eagle in Scorpio, flee to the wilderness and join the Woman and her seed and Trust in God to fulfill his promises.

The world is about to change. The fallen ones will do their part, God is seeing to it. See Revelations 17:17; see the Book of Daniel 7:9. Now, it is up to us. Will we play our parts given us as the destiny of our souls. We have been given 50, 60, 70 years to prepare and to be ready. Now we are called to the six o'clock line, Cancer ruler of the 4<sup>th</sup> house to stand in our old age and fulfill the promise, our debts of destiny in Pisces in the 12<sup>th</sup> house, as the Piscean conqueror.
