

WINTER SOLSTICE  
THE DIVINE PLAN  
2020  
ETHERIC RECORD AND MEMORY

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

***Winter Solstice 2019 – The Etheric Record and Memory***

*Winter Solstice* is the sun's entry into Capricorn. We map the ingress to study the outer physical positions of the planets and stars to get insight into the spiritual intent of God's will, his plan and direction for the new year cycle. We use the star map to attune our hearts with God. We also map the ingress to understand God's cosmic clock, and how to anchor the divine plan in the mental and physical planes, by knowing what will oppose us and the challenges we will face. We start with the ingress chart, to focus our attention and the meditation of our hearts on the etheric blueprint for the year, to know and understand our Father's will. We do this to anchor our consciousness in the etheric plane so that we can lodge in our memory the record for the year. We do this to align our will with his will.

Ascended Master Kuthumi teaches us in his *Expose on the False Teachings*, how the Sun cycle in each sign works. The Sun spends 28 *solar* days in each sign. Seven *solar* days in each plane. So, we map the star's ingress into each plane. This allows each of our four lower bodies to align with his will, so that we can be the instruments of that will as God carries out his divine plan for the year through individuals and in events.

Each sign has four ingress charts. The etheric provides God's purpose and intent that we are to mirror onto the new blank page as we carry the plan forward in our memories because we have aligned with his will and super consciousness, called the super physical in Pisces.

The ingress into the mental plane at 7.5 degrees of the sign on the 3 o'clock line is mapped to know his will in our higher mental body where we receive and understand his will as we conceptualize his plan bringing it down into mental patterns and deal with all that opposes that plan by the ego and the princes of the air. Now that we have the blueprint, the architectural design, a mental representation of the thoughtform for the year we are ready to focus on what God desires to do with this. How does he intend to use this to accomplish his will? We surrender to his will and dedicate ourselves to carrying it out as our will, one with the Father.

WINTER SOLSTICE  
THE DIVINE PLAN  
2020  
ETHERIC RECORD AND MEMORY

As the Sun enters the emotional plane at 15 degrees of each sign on the 6 o'clock line, we feel his desiring and we empty ourselves of our own desires in gratitude in Leo to be filled with his desiring in us. We are filled with the wisdom of his divine justice as all receive the karma of our alignment and mis-alignment with his blueprint. We understand his desires that guide us in implementing his plan carrying it into the physical knowing the opposition that his will fosters in the pride of the human ego that follows its own agenda and plans.

We come to the Sun's entry into the physical plane in Capricorn at 22.5 degrees on the 9 o'clock line. We invoke Mighty Victory and the Lords of Individuality to counter all the forces working through the pride of all egos opposing God's will being carried out in the physical, driven by their ambition. These opposing forces and their agents, the ego of the human personality and its feelings of pride are they who are driven by their ambition to take what Satan has given them on the mountain to oppose God's plan coming into the physical through individuals, because it signals their judgment. This is spiritual warfare, after all. The soul who keeps the vision, single eyed in their determination (Taurus) is able by the magnet of the heart to gather and organize others to achieve His goals. This is love's victory. This is the God Victory under the Great Initiator, Lord Maitreya and the Lords of Mind. Love's victory of the soul's union with her Christ Self, her real self. This is the second coming in man.

This journey of the Sun, the Sun behind the Son, of our God Presence and his Son, our Holy Christ Self is the same whether we move with the Sun through the signs each year to write upon the new blank page or we are moving through our natal year, month to month on our birth day. The latter defines who and what we are writing upon the blank page of the year as taught by Saint Germain on January 1<sup>st</sup>, 1984. This is a critical teaching dedicated to God's victory and your own.

2

---

Master Kuthumi teaches us how to use these star charts of our Sun, Helios, to counter the opposing forces that use the 28 day Moon charts of its Phases so that we can have our victory over the forces of the fallen angels and the energies that they wield against you, our organizations, and our nations.

We will follow the Sun through each ingress chart into each of the four planes of matter to understand God's will and the rescue mission of our Holy Christ Self to gather *our* soul to his heart, the 8 petaled chakra on the path of the Ruby Ray. We then follow the Sun to demonstrate publicly, in the 7<sup>th</sup> house in 2020, our Christ mastery, *that we attained to on the circumference of our four lower bodies of our soul's journey through our birth-progressed-solar return-transit charts over the 28-year period 1987-2015*, of the center of our circle, the place of the Monad, our God Presence. We have been doing this since 2016 and in 2020 we are in the 5<sup>th</sup> and final year of demonstrating our mastery of the five secret rays, to carry out our Father's will, ending this year in the Transfiguration of the alchemical marriage of our soul and Christ Self (first in the one, Mother) now in the many (her true chelas).

WINTER SOLSTICE  
THE DIVINE PLAN

ETHERIC RECORD AND MEMORY

Life is a path. The path of the evolution of the soul. It is also the path of initiation on the journey home and when the soul is ready, the path of the Guru chela relationship that is needed to finish the journey, the crossing of the chasm. The latter is necessary to demonstrate to the soul of the disciple, the chela, or servant of the Guru how to achieve by learning from her experiences and to walk in the footsteps of the Master, in Love's Victory. Also, the path is necessary so that the soul must take the hand of the Guru to cross the abyss. And when the disciple falls on the road under the cross, the master carries the faithful chela, knowing first-hand the love of the Guru for the chela. The chela knows then that at that moment in time, the footsteps in the sand are our Lord's while he carries *you*, as he heals *you* and *you* regain *your* strength. The chela stands in the 6<sup>th</sup> house in service to the Guru...to carry out God's divine plan to bind the fallen angels and rescue his children. These last 2,000 years, the last 200, and the last 45 in particular, demonstrate this to mankind and to those called to be chelas in this lifetime. We have walked with the great lights who have demonstrated to us how to serve...the discipline, the love, the wisdom and the diamond heart that is needed to be the Temple of God that enables God to work through individuals, *now you*, through whom he will play out his will ***in the coming events***. These are the events portended by the mega conjunction in Capricorn of all being gathered there by the Seven Archangels in 2020, as all that is written in the Book of Revelation comes to its conclusion. We were given 33 years for the playing out of many of these prophecies of the Book of Revelation, 1985-2019, 404 verses, 404 months.

2020 is a year of vision. It will take 2020 vision to get through it and bring to the harvest in the fall, our Christ victory that will see ***the Turning of Worlds*** as we enter Libra on the Path of Personal Christhood in the 34<sup>th</sup> year on November 1<sup>st</sup>, 2020. Three days before the elections on November 4<sup>th</sup>, 2020. We must face the opposing forces upon the mountain in Capricorn who are gathering their own *for these elections, to take heaven by storm* and many of God's own into their camp to counter God's Plan with their own, *the Fourth Turning for the Great Transformation*. Educate yourselves, research God's cycles coming into manifestation in you and those of the fallen ones. Do a google search on these latter terms. Everything is connected. There are no coincidences. Your thoughts, your actions, your victory is having a ripple effect on the water bodies, the desire bodies of mankind, of Americans. Your calls and your vision, your visualization of God's will and his plan, are the prime factors that is *Turning the Tide*, as with God all things are possible. Without him nothing is possible. We are bearing witness to *the Turning of Worlds*.

***The Divine Plan Etheric Plane, The Record and Memory of The Thought Form***

The sun entered Capricorn at 11:20 pm ET. Please note. I have colored the planetary bodies, blue, black, and red. The blue, the Maha Chohan describes as those planetary bodies that the disciple or chela plays out who assimilates the path and the will of God. The black are the Four Horsemen and the Moon. These are the planetary forces that those who accommodate the Guru and the path in America outpicture, as all Americans are initiates of the Cosmic Christ Maitreya per Saint Germain. These the Black forces, play out in our consciousness and

subconscious when we fail to assimilate the Sun of our Presence and the Son behind the Sun, our Christ Self. We do this, Master Kuthumi teaches us, because of our mood momentums that are our attachments to material substance and the substance of the ego, our vanity. These are the enemy within and without. The Founding Fathers made it clear that the nation cannot fall from without, only from within. The axiom is that a nation falls, Arnold Toynbee tells us, by the dominant minority who oppose the creative minority. The former triumph over the latter because the people choose to follow the lie of the serpent logic and reasoning of the carnal mind, the lower mind, in the third house, for immediate gain and because of spiritual blindness. Kuthumi teaches us that this is attachment to material substance, and that of self. This plays out in Capricorn at the birth of all cycles as their ambition seeks a position in leadership, displacing Christ, being concerned with their status in the community, instead of service to God and country in the 6<sup>th</sup> house, Virgo.

We see this in the government as people apply for positions seeking greater salary and status. It is a rule of government today that 80 percent of government workers do 20 percent of the work and 20 percent does 80 percent of the work, nations worldwide. These are OPM statistics given to me in 2002. It could be worse today as International Corporations (10<sup>th</sup> house) are displacing Americans in our government bureaucracies, with foreigners. A conspiracy that began with the Bush Administration *controlled* by the 107<sup>th</sup> Congress. If one thing is clear, it is that the US Congress runs America and the Executive Agencies. Follow the money. Congress is remaking America, departing from its original purpose and the blueprint of its principles. This also applies to the State and county legislatures or Councils. This is where the battle for America is being fought. This is where the *front line is being drawn* both by the fallen ones and by Sanat Kumara, **the LAW**.

4

---

These elections in 2020 are about who we send to the front lines where the battle is being fought across this nation. The Presidency is a screen to deceive the people and misdirect the people from the true front lines in this Battle. This nation was won because we controlled our local governments and ruled ourselves. We controlled our local magistrates and sheriffs and could defend ourselves. These are the very mechanisms the Normans put in place in Britain to overthrow the Feudal system of the Great White Brotherhood. Government is how the Masters provide us the means to build civilization, as above so below, and to defend ourselves from a dark planet controlled by fallen angels and their hordes, 85 percent of the planet's population as told us by Morya El. After all, the presidential race has become a travesty, it is sold to the highest bidder. It now costs over one billion dollars to win a presidency. And we have learned in the last election in 2016 that this is foreign money. This is because Corporations have been given the vote even though since 2008, they are no longer American Corporations but International Corporations, part of the New Economic Order of the Illuminati.

They are foreign corporations that are now battling to determine in 2020 who will rule America. They are monopoly Capitalism and Capitalist Socialism. These are the Beast out of the Earth that gives life to the image of the Beast out of the Sea, Communism. Ordering all to

worship the Beast out of the Sea or to be killed. Forcing all to take the mark of the Beast in their hands or foreheads in order to buy and sell. Rev 13:15.

*This is what is at stake* in the 2020 elections. We must pass our initiations to manifest the second coming of Christ in Man. Only we can do it. Christianity does not believe in Christ in Man. They believe he will come again and die once again for their sins and save them. They believe as did the evolutions of Maldek, influenced by the remnant Vesta, having rejected the love of the Divine Mother Mary and her messenger the Prophets, Guru Ma and Lanello.

The future rests squarely in the hands of the called-out ones. We are told, one with God is a majority. We are told that first one, then many, will achieve the victory for the Turning of Worlds. The hour is come.

We are called in 2020 to stand on **the Part of Fortune**, the part of harmony and joy at 11 Scorpio to fulfill our responsibility in the 2<sup>nd</sup> house 3<sup>rd</sup> decant, our mastership. That is to say we are called to demonstrate on the path of personal Christhood in Virgo in the 33<sup>rd</sup> year our mastership of our God Presence with us. As we stand in Virgo on the 9<sup>th</sup> station of the cross and fall under the weight of world karma, the 3<sup>rd</sup> time as we bear the cross of planetary karma.

We are standing at 11 Scorpio on the midpoint between Mars and Apollyon at 3 Scorpio. We are called to demonstrate our attainment over Mars in 3<sup>rd</sup> decant of Scorpio by following our

Cosmic Astrology

intuition, not our desires as we stand at **the Y in the road on the apex of the Yod** conjunct Mother's MC and *call upon the Lord* to make the right choice *to take the Hand of God* and take the right handed path at the Y. We are called to stand on the mountain with Maitreya, the casual body of Saturn and cast out our dweller, Saturn conjunct Pluto.

The Yod is formed by the two branches in the road on the right, Apollyon called Abaddon in Revelations, with Mars conjunct the midpoint the Part of Fortune and on the left, Transpluto at 2 Virgo in the 2<sup>nd</sup> decant of the 12<sup>th</sup> house, our subconscious where occult forces oppose the soul's obligation to pay her debts of destiny. These debts are *to cut* our ties in the 2<sup>nd</sup> house to Abaddon and his army of locusts, Mars, the Red Horse. This is the karma we made in the emotional desire body because of our idolatry to the lesser self, our carnal mind in rebellion against Christ. So, we face the struggle to surrender our possessiveness, our attachments in the second house of our debts to the fallen angels and their inflated credit economy. There stand the victors over death, one with the Part of Fortune, to cut their ties to Abaddon and come out of her Rev 18:4. So, that when the judgment in Virgo descends upon the new economic order, we may get hit, Morya tells us, but it won't stick.

We stand at the Y in the road on the mountain in Capricorn at the apex with the Guru. We stand on Mother's MC at 2 Aries with the ONE, to become the MANY who defeat their dwellers. We stand with the Guru to cast out the black magicians who have stood on the mountain and chosen to take Satan's offer to rule over Christ in the people. We stand with Saint Germain to fulfill prophecy in 2020. We stand on the midpoint between our Black Moon Lilith and Chiron, the conditioning of our four lower bodies through the ages to become the Black Soul, Moon and like Lilith *declare our separation*, Saturn Pluto, from our Guru, the Masters, our Presence, Christ Self, declaring to all that "***I will do it MY WAY***". This is Lilith, the castaway, and many are choosing and falling under her spell, to become castaways in 2020 with the Sun in Capricorn. Both Lilith and Chiron are in the 7<sup>th</sup> house in the second decant. We are called in Capricorn throughout 2020 *to declare our independence* from these karmic chains that have bound us to Earth and to these fallen ones<sup>1</sup>. We stand to declare our bond to the Guru, Guru Ma and Lanello and to Maitreya. We stand on the mountain to slay our dweller in 2020, Saturn Pluto conjunct and Sun conjunct the Watchers at 0 Capricorn.

*Footnote 1: Please understand that a chart, is but a two-dimensional representation of the reality it conveys. The chart is a symbolic representation of the state and condition of your soul. In this document and all proceeding documents, charts represent symbolically the Cosmic Astrology and the Cosmic Clock of the soul. Astrology as it is known today is adapted from a science that has come down to us from the mystery schools and from the Watchers and Nephilim who have perverted the science to cast karmic webs, nets to entangle and entrap God's children. Properly understood it guides us to the everlasting gospel and to sitting under our own vine and fig tree to be God taught. The science of cosmic astrology and the cosmic clock is written within your hearts. Clear the heart. Invoke the seventh ray, the violet flame and be free.*

*We are called in Capricorn in 2020 means specifically two things. In cosmic astrology it means that Capricorn contains the cosmic seed that has written within its DNA the divine plan of our Father's will for 2020, for the victory of light over darkness in 2020. It therefore means that all 12 signs are active not passive which means that it is not only where and when the Sun is in a sign that it is active. All signs are always on and always acting. They act through the Sun's ingress and transit through a sign, as well as in polarity to the opposite sign. Each sign operates under the grand square, the balancing of the four planes of matter and especially the four Cosmic Forces that stand before the Throne of God. Each sign also operates simultaneously through the grand trine to form the Grail. There are other configurations that the cosmic clock and its astrology initiate us under, the six-pointed star and the Yod, the Finger or Hand of God. All creation which includes the soul is created using sacred geometry, we have come to call the angles. The take away here is that with God we follow laws. In this case the Law of the One. This is the law of the star chart. You are everywhere in the consciousness of God. This means you stand every second of every minute in every*

*hour of every day on all 360 degrees of your being, represented by your chart. Mother teaches, "you are your karma". Sanat Kumara teaches, "balance your karma and the dharma will increase".*

*When planets occupy a sign, you are being tested as to how you will meet the challenge they present. Whether or not you will choose to hold onto and defend the light or sell your inheritance for a morsel of meat.*

*In the science of the Cosmic Clock, when we say we are called in Capricorn in 2020 means that applying the law of the one Mother teaches in her book, *Predict Your Future*, a Summit Lighthouse Publication, that as we begin the year then progress through the year beginning in Capricorn that each succeeding month, sign is mastered by applying your mastery of each preceding months sign. An example is that the Sun in Aquarius between 15 and 22 degrees is educating the soul then testing the soul to gain her mastery of her feeling body in Aquarius. Success means the application of God Love as the Brotherhood of man founded upon the mastery of God Power won in the Sun's transit of Capricorn. Therefore, Capricorn is the foundation of our soul's victory in Aquarius. As is Aquarius Capricorn to our victory over our lessons and challenges that are coming in Pisces. This is not a pass through and forget application of the science. It is the science of conscious awareness. It is the awakening of the soul merging with her Christ to the enlightenment of the Christ mind that is filled with the consciousness of God, the Father.*

*Astrology is the science of consciousness. The awakening of the soul to her origins and her destiny. Made in the image and likeness of the Creator, co-creator with God. The soul is made the Son and Daughter of God, in the image of the Universal Christ and the Cosmic Christ. Jesus and his Father Maitreya who represent in the spirit and matter universes this principle of Christ to Man. This principle has been lost on earth within the religions of this dark star because Man has fallen. He fell in the Garden of Eden, believing the lie of the Serpent that if we broke God's law and took of the Knowledge of good and evil, we surely won't die. This lie caused our separation from God. God only knows pure Good. He does not know evil. Absolute Good does not know absolute evil. When the angels, a third, rebelled by free will because they refused to serve God's Sons and Daughters, they were cast out of Heaven into the earth to embody and crawl on the earth, on two legs. We were also cast out to walk the earth on two legs because now we knew evil. Evil is the use of free will to choose to not to do Absolute Good, but to choose to act outside the laws that govern Heaven. They are Harmony with all life. We were given these laws, the Ten Commandments, by Moses. Jesus came to show the way of applying these laws to free the soul from the prison house we call earth, or Hades and Dante called Hell. There are many levels to the matter universe. There are 33 levels to Hell and there are 7 Heavens with an intervening zone, a transition zone of 10 levels called Devachan. The latter is for the soul's journey by free will to live the pure life and walk in the footsteps of Jesus Christ and become like him. We are called to walk in his footsteps freeing our soul from the chains that tie us to absolute evil, we call relative good and evil, and climb the spiral staircase of initiation to transmute every jot and tittle of God's energy we misqualified under our chains to these fallen angel who rule the earth. We are called by the everlasting gospel to "Climb the Highest Mountain" and there once again stand on the mountain as did Jesus with Satan and his Father Maitreya, Saturn and pass the test of free will...to build and rule God's Kingdom or believe the lie of the Serpent returned as the Dragon of Revelations and use God's energy to build the Great Transformation, the Fourth Turning here in the earth. The latter is designed to close the open doorway to Heaven that has been opened since 1975 we call the Galactic Alignment; The Divine Mother giving birth to Christ in the Sons and Daughters of man and the Dragon standing before the Woman giving birth to devour the Christ as soon as it is born.*

7

We have come to this initiation, of our hearts on the path of personal Christhood on the mountain in Capricorn with **Saturn, Maitreya, conjunct Mother's Descendant** at 20 Capricorn 16 minutes, an *exact* conjunction. We stand on Mothers 7<sup>th</sup> house cusp in the Guru chela relationship or we stand on the South Gate in our initiation of the Ruby Ray bound to our dwellers, subverting the authority of the Mother, the embodied Lamb and the Lamb's wife, Guru Ma and her unascended chelas, and usurp the office of the flying Eagle occupied in Matter by the Woman clothed with the Sun and **her Manchild** embodied in the initiates of the Ruby Ray who are keeping the flame of the Mystery School in the Community of the Holy Spirit.

We are standing on Mothers descendant with Maitreya and Satan, Saturn, conjunct our dwellers in the 4<sup>th</sup> house 3<sup>rd</sup> decant. Those who are bonded to the Guru are called to research the law and the teachings to understand what is asked of us in 2020 to have the victory over our dwellers in 2020. This victory is critical, that some defeat their dwellers and for others to defeat *the battle of 2020 to strip the chelas* from the Guru. Mother taught us in 1985 following her trial that the fallen angels would change their strategy and begin to attack the chelas to strip them from the Guru. Archeia Aurora describes this in the book, *The Vials of the Seven Last Plagues*. This is the meaning of the Saturn Pluto conjunction of 2020. We are called to defend our

chelaship and our personal Christhood from the forces rising in Capricorn that are come to confront you, playing out the Dragon.

The fallen ones are attacking the one force in the earth that is the catalyst of their judgment. The word incarnate, those who are called to attain Christhood in 2020, in Virgo, the first fruits of the harvest of Christ in the second coming of Christ in man. Why is this so threatening? Because it is the sound that will be heard around the world. It will launch *the Turning of Worlds*, and it will ignite *the Revolution in Higher Consciousness* that is destined to come in 2021. The wait is nearly over. The fallen ones know it. We have been told for Ages now, that the Dragon stands before the Divine Mother giving birth to Christ in man and that as soon as he is born, the Dragon attacks to devour **the Manchild**. The fallen ones are planning to lead this people against Saint Germain in this elections, to elect their own to fulfill the prophecy of the mark of the Beast in the hand and forehead to buy and sell. This is in direct opposition to Saint Germain's plan in 2020 to elect his own who will stand in 2021 fearless and unmovable as Sanat Kumara sends his Messengers to anoint the chelas in the 34<sup>th</sup> year at the river Jordan to begin their mission, to gather the one million to the path, as the one million fallen ones are taken. This will launch the Coming Revolution in Higher Consciousness that will sweep America and then the world as Saint Germain sends Merlin, riding this wave to cast the Black Magicians out of Camelot and as Goddess of Liberty has prophesied, out of North America. As the illuminati flee North America, to escape justice, to Europe where they will face Divine Justice.

This is the fulfillment of the prophecy of the 33 years to complete the mission of the Summit Lighthouse. The prophecy that the Ascended Masters names will become household words in America by Aug 2024. This is in preparation for the 2024 elections when America is destined to elect Christ to the Office of the President of these United States.

8

---

If we fail in 2020 to elect those chosen and trained on the inner, Saint Germain tells us in his book, *Saint Germain on Prophecy*, that the coming of the Cosmic Christ will manifest during a war between the fallen angels, as a nuclear first strike on America. This is prophesied by Nostradamus to occur on the 45<sup>th</sup> parallel. The Sleeping Prophet, Edgar Cayce prophesied that New York was being rebuilt in 2100. The Masters have prophesied that every city and town that supports abortion will face cataclysm. This is part of the grand scheme of the Illuminati to destroy America and the I AM Race on Terra. The Mayans prophesied that they would flee this judgment, rescued by the Feathered Serpent in spacecraft, destroying the earth as they leave, so that the Sons of the Law of the One do not inherit the earth. This is in contrast to Sanat Kumara's promise that the meek will inherit the earth. All are choosing their future in 2020. Those with 2020 vision are choosing to stand with the Guru, the lineage of the Guru, the hierarchy of the Gurus to take back North America then the planet. Yet those who choose on the mountain in 2020 to **not slay** their dwellers their hearts will fail them for fear as the initiation of our hearts by the holy Spirit enters the 33<sup>rd</sup> year in Virgo on February 21<sup>st</sup>, 2020, because they have lost the VISION. They have come to 2020 without vision, save their own greed, lusting after the light of the Guru in Capricorn, taking all freedom to themselves, coveting the light of the chelas and the people. Two vastly separate worlds now undergoing the judgment of the

WINTER SOLSTICE  
THE DIVINE PLAN  
2020  
ETHERIC RECORD AND MEMORY

dividing of the way. Judgment is for the salvation of the lightbearers and for the judgment of the reprobate. Sanat Kumara has promised that the line is drawn and that all who keep the law, the line CAN'T be crossed by the fallen ones. Their strategy in 2020 is to get you and the American people to cross the line to their side in this election year and to follow them to the second death instead of the second coming of Christ in them and the ascension in the light.

Sun and the Watchers are conjunct at 0 Capricorn; Jupiter the Guru is at 4 degrees and the Dragon's tail is 8 Capricorn. The **Guru is midpoint** between the South Node of the chelas and the American people, in the 4<sup>th</sup> house, the people and the choice being made between their Christ Self - the Sun, and the Watchers. All are standing, as prophesied by Guru Ma, in the shoes of Hamlet to decide if they will stand to take back the nation with the Guru, or in fear of the usurpers, do nothing or attack the Sons of God anointed by Sanat Kumara, as pawns. The South Node is yours and the people's bad habits and momentums that are standing in the way of your victory in 2020. They will, if not conquered in 2020, strip you from the Guru.

The Sun your Son Self, your Christ Self conjunct the Watchers at winter solstice is occurring for the 4<sup>th</sup> winter solstice in a row. We have been under this initiation since the sealing of the harvest of 2016 at winter solstice 2016. That is to say since Donald Trump became President, the alternative being Hilary Clinton. We came through the seven Pluto Uranus squares, beginning in June 2012 following the return of the Feathered Serpent to the Garden of Eden, the Mystery School through spring equinox 2015 during the solar eclipse at 29 Pisces, which was conjunct the MC at winter solstice 2014. This is the fourth year, the final cycle of opportunity to cut our ties to the Watchers and their wives, the daughters of men, the progeny of the fallen angels, *Lucifer, Satan and the Serpent*, the Nephilim.

We are called to stand with the Guru, Saint Germain in 2020 and elect his representatives so he can send Merlin to cast out these Black Magicians in 2021 and beyond. We are called to stand in the organization in the 1<sup>st</sup> decant of Capricorn in the 2<sup>nd</sup> decant of the 4<sup>th</sup> house to fulfill Revelation's prophecies in 2020. We are called to sit under our own vine and fig tree and be God taught to take the path of the safe passage of ye all, as the cycle has entered its 32<sup>nd</sup> year in Leo. We are called to stand united in the organization and challenge the Watchers and those who follow their past, the South Node habits and momentums and have given their power to the Dragon who spits out of its mouth the four beasts; the four horsemen who are delivering our karma, our state of consciousness. The momentums of our accommodation of the Watchers attack on America, the church and the Guru, Uncle Sam and his chelas, the American Patriots. We have given our light to their economy, their financial system, their banking system, even their real estate system as they take over America and Montana.

We are called to stand with Jesus Christ and the Hierarchy of the Ruby Ray and with Uncle Sam and squarely face the prophecies of Revelations on the mountain of Pluto, Saturn, the Dragon, the Watchers and to bear the cross of our personal karma and planetary karma, the grand

cross of the midheaven nadir and the ascendant descendant, the four cardinal points. This is the yellow cross of Christ wisdom.

Christ is born. Wise men must discern the state of the nation and its leaders and their fear of the people. This has always led to holocaust in the past. We saw this with communism under Stalin and Mao, 100 million killed, 6 million under Hitler; with Herod and Kamsa. Revelation prophecies a third of men. Saint Germain has a plan to save America, North America as the place prepared for the 12 Tribes to come apart and be one people, one nation under God.

For Christ to be born, the dweller must be cast out. This is the meaning of 2020 as **Saturn conjuncts Pluto**. This is the fulfillment of the prophecy of 1994 by Elohim and their Messenger in the spring of 1993 and during her July 4<sup>th</sup> Address, 1993. This is the 1994 mega conjunction of seven planets in Capricorn within a 9-degree orb with Pluto square Saturn at 27 Scorpio and 27 Aquarius, respectively. It was this square, Saturn Pluto that was prophesied to destroy America if Christ was not born to fulfill America's destiny. That was January 1994. Now Saturn and Pluto have transited to be conjunct at 22 Capricorn on January 12<sup>th</sup> 2020. We are called to stand with Maitreya and our dweller on the mountain and choose whom to become, Christ or our Dweller, the Antichrist. See Mother and Mark, Climb the Highest Mountain Series, *Christ and Antichrist*. The destiny of the soul is to become Christ and to ascend or become the dweller and go to the second death, see Mother's lecture "The 2,000 Year Ride of the Four Horsemen".

The Sun, Watchers and Jupiter, midpoint to Jupiter the Guru is our initiation to choose, standing on the mountain, to call on the light and arc it into the earth and anchor it to consume the energy veil at the nadir, to wash all past choices when we defended the Watchers instead of our Christ Self, the Sun. We have defended the Watchers in the past, it is our conditioning under Chiron. It is our programming under Transpluto. It is our habits under the Dragon. It comes natural to us, but we must break the chains that bind us in 2020. We are called home, in the 4<sup>th</sup> house. This is the final hour; it is our last chance. We are called in Capricorn to sacrifice our past records and memories of death and to outpicture the wisdom of our Christ Self, the consciousness of our God, in 2020. As the cycles turn and we stand in Virgo in 2020 and in 2021 under the safe passage of ye all. Major change is in the wind. Life on earth will *never* be the same.

**Venus the loving chela**, at 2 Aquarius is in the 1<sup>st</sup> decant of the 5<sup>th</sup> house. The soul born to love's victory faces the challenge in 2020, of who rules the soul, Christ or the Personality of the synthetic self. Venus the loving chela is captain of her ship, her temple. The soul faces the desires of her electronic belt crew. Her crew is a projection of all tied to us with whom we are traveling, to get home. Each crew has its desires, developed as past habits and momentums, our attachments and possessiveness, our grasping nature. The question in 2020 is who rules? Do you rule your electronic belt crew or do they rule you. The key is God Love. Our weak link is our

records and the memories surfacing into our subconscious in 2020 of our hardness of heart, as we finish our 32<sup>nd</sup> year in Leo of the initiation of our hearts by the Holy Spirit. This will manifest unless cast it into the flame, as the insensitivity of Venus to the call of the Guru to rally to the battle or to call on the Guru in the battle. You know it. You were there at Bunker Hill, and at Valley Forge. This energy is being released in 2020 to go into the flame or to play out as paralysis of the soul to act in the face of all the witchcraft being practiced in this election year against the Spirit of America and our own representatives running for office to lead us in this battle. It is being practiced against the Spirit of the People, the flame within their hearts and the heart of the nation, the Heart of the Planet.

The fourth house is the battle field. It will play out in the homes of the people. It will play out across the land, presenting a major threat to our homeland. It has to do with our position and honors in the community. It affects everyone who are the Bob Hope and the Boomer generations as it is these who are being called, now in their old age, *to battle*. Having spent a lifetime training under the Gurus, now they are coming into their own, the Anointing and the Wedding. The question for these in their old age is have they come to the battle and to their Christ self, having assimilated or accommodated Christ. This will determine who will face and conqueror the challenge of the 1994 Prophecy, of Saturn and Pluto.

**Sagittarius on the Nadir** at 19 degrees represents the returning karma of the people's aspirations. Those who aspire to fulfill the destiny of America to give birth to Christ will receive their good karma in 2020. Those who aspire to fulfill past desires taking advantage of the freedom afforded their soul in this lifetime, to deny the freedom of the American people to govern themselves and elect their own representatives, will reap the karma of neglect.

Those who aspire to serve Christ and the Ascended Master Saint Germain to bring in the golden age will organize themselves to survive what is coming upon the nation and to hold the balance for the people and the nation. They are become catalysts that are igniting a world to the *revolution in higher consciousness*. They are letting go of the dialectical materialism of this global economy and in the appointed hour will fill the vacuum by concerted, united action. It begins with the 2020 elections.

Those who aspire to material gain will use the law and power to secure their preservation having devolved as an animal under the law of the survival of the fittest, taking the wealth of the people to themselves. These will fall prey to the two Beasts as portrayed in Revelations.

ETHERIC RECORD AND MEMORY

2020 will see the harvest of the people's aspirations. Either they will bear the fruit of aspiring to the **Sun**, their **SON**. Or they will bear the fruit of their aspirations under the **Watchers**, materialism. The latter whose fruit is sweet in the mouth as the passions of delicious animal magnetism that has driven their cravings, *will turn to bitter in their stomach* (Cancer, under the solar eclipse on summer solstice) as what was delicious *turns into the malicious intent of the Watchers* as the two beasts play out the Great Drama. The drama for the heart of the planet and her people, with Saint Germain the seventh angel of Revelations and Sanat Kumara and the hierarchy of the Ruby Ray. We have been told that it is a race and there is only one victor.

We are now seeing waves of the Watcher's (Psyche now at 0 Capricorn) desires for the light of the people, sweeping out of the subconsciousness on the nadir at 19 Sagittarius. This consciousness is flooding the wilderness (America) to sweep the Woman and her seed away, as described in Revelations 12:15. This is manifest as threads of desire in the seed of the Woman presenting as the challenge, Sun conjunct the Watchers conjunct Jupiter, the Guru. This has been going on for the last three years since winter solstice 2016 (2017) and will come to a critical mass, a zero point as described by Gregg Braden, in 2020 as all gathered in Capricorn play out their karma, good and bad.

All are standing on the mountain at the Y in the road with Maitreya and are choosing...to take his hand or to ignore him because they are spiritually blind and bow to the Satans. The elections are the physical manifestation. The consequences follow. Revelations tells us that if Neptune, the Pale Horse proceeds...to defraud the American people of their right to a free and open elections (Neptune) to elect their own Representatives, then Hades will follow (Rev 6:8).

We are standing on the South Gate of the New Jerusalem out playing our Sun (SON, our Christ Self) in the Guru chela relationship conjunct Jupiter to deliver God's Divine Plan in 2020 for the judgment of the Watchers and the Laggard evolution of the Cain civilization, in 2020.

We are standing in 2020 and choosing to elect to follow Sun Jupiter or sun Watchers. Two separate futures unfold simultaneously from 2020. Each one chooses his future in 2020. Each one is deciding in 2020 which role they will play, that which is the destiny of the soul or that offered on the mountain with Maitreya, by the Satans. All this plays out with the Sun in Capricorn which will then play out in February in Aquarius, later in March in Pisces and so on.

The tide of light is manifesting as waves of our aspirations rising, as the subconscious waters rise on the Nadir in Sagittarius. The soul will see the victory in 2020 of the cycles of her labors, the work of the ages. Or the soul will be poisoned by the components of her personality of her synthetic self, her dweller and its carnal mind. This poison is the envy and jealousy of the Watchers, rising as a tide on the Nadir to play out as their revenge and retaliation through those whose consciousness is poisoned by their ties to the Watchers (Rev 18:4). This will play out in the 4<sup>th</sup> house, our Homeland, midst our homes and our land. It will affect our food supply,

poisoned by Saturn, the Black Horse (Rev 6:5-6) causing famine to sweep the land as they attack the Woman and her seed in their envy and jealousy of the love of God for his sons and daughters, as they play out their revenge in Gemini as their jealousy attacks the Woman and her children in Cancer (ruling the 4<sup>th</sup> house). This is their karma. It must be met with the Sons of Solitude with their finger in the dike as they stand the watch on the walls (the new city, the New Jerusalem) through the dark night of the soul. The people (4<sup>th</sup> house) are rallying to Uncle Sam, to Saint Germain and must take up the Violet Flame to consume the rising tide of darkness of the Watchers and the dwellers of all on the mountain of Maitreya who bow before the lies of the Serpent-Dragon and accept the offer of Saturn's electronic belt (the Satans) conjunct Pluto (your dweller) on January 12<sup>th</sup>, and beyond. We are called to wash 7 times at the well, to be cleansed by our Holy Christ Self and Jesus Christ in the seventh ray. Some will while others are blinded by ambition, Capricorn, within the organization of our nation and church.

People are electing in 2020 to follow the original purpose and principles for which this nation was created by God. They see (Sagittarius, I See) the hand of God playing out and they are rallying to Saint Germain, Uncle Sam to provide him their Temple (Venus), which has become the Individualization of their God Flame within the inner chamber of their hearts. They are standing in the 32<sup>nd</sup> year of the initiation of their hearts by the Holy Spirit on the Path of Personal Christhood now in Virgo in the 33<sup>rd</sup> year of the Transfiguration, the alchemical marriage of soul and Christ Self.

Alternatively, people are electing in their spiritual blindness in Gemini and in the 5<sup>th</sup> house, ruled by Leo to aspire, driven by their mood momentums that are now manifesting as attachments to counterfeit ideas and ideals in Capricorn in their lust for power, they once knew, that is now threatened with being taken from them. The Mayans prophesied that they would come to realize that they had to flee to survive and that the Feathered Serpent had returned for that purpose, but that they would not leave the planet nor America, to the lightbearers, they would destroy both the planet and the lightbearers. The Ascended Masters have warned us that only the initiates passing their initiations to become Christ incarnate gathering the people, the multitudes on the West Gate, can stop this from happening. Archangel Zadkiel, in *The Vials of the Seven Last Plagues*, a Summit Lighthouse publication, tells us that these must gather on the West Gate and invoke the Violet Flame in sufficient quantity and quality. Once a critical mass is invoked; he will release SEVEN additional Vials...of Violet Flame that will roll up the darkness of the planet beginning on the west coast of America, west to east and north to south. This is the destiny of America and her people that has begun to play out in 2020. It is the responsibility of the Priests, the 13th Tribe of the Levites, the called-out ones, to invoke the light to seal the darkness before it sweeps the Woman and her seed in a flood from America and the Wilderness from which she has flown on the wings of a Great Eagle. The flying Eagle on the South Gate in Capricorn.

We are seeing the I AM Race organize themselves, in Moscow, in Tehran, in Taipei, in Hong Kong. We are also seeing that without the March of the Priests and those upholding the Arms of the Guru (in Gemini, Morya EL) then the people perish under the military might of the

Watchers and the laggard Cain civilization. We see this in Syria, in Tibet, in Palestine, in Armenia, the Kurds, the Uighurs, all whose land has been taken by the Dragon. Their agenda has America, North America, next. So, it is next on the agenda of the Great White Brotherhood as they are preparing for the awakening of Merlin, in answer to the call of the called out ones, who is destined to return to Camelot to cast out the Black Magicians who have taken Camelot under the Modreds, Modred and his seed. We are in a race for the souls and Spirit of America. Each is called to play their part. Each one is a majority with God and irreplaceable. Each one's role is critical and essential to the victory. Each one IS making a difference. This is the envy sweeping the land as we speak, the hatred of the Watchers for you, God's sons and daughters, because now is the hour of your transformation, some are calling it "*the Great Transformation*", While the Ascended Masters are calling it "*the Coming Revolution in Higher Consciousness*".

You, each one, are "*catalysts*" that by our stand in 2020 for America and Uncle Sam are igniting a world revolution of God Consciousness as the dispensation for 2020 is released to play out as the alchemical marriage as the opening of the Crown Chakra (Capricorn) as told us by Sanat Kumara. The hour is come.

This will *ignite the world* that is called, "*the Turning of Worlds*" because "*the Torch is Passed*" as Christ takes dominion in the earth, first in America, and rules with a *Rod of Iron*, his diamond heart of the will of our Father, in you. 2020 is the first shot fired in "*the Revolution of Higher Consciousness*, that is *Come*". Each one is called to do his and her part. It begins with your daily prayer for the protection of this land given to the I AM Race, according to God's will. And it is followed up with action, passing our initiations and tests in 2020 to defend the Office of Christ, the Office of the President, that belongs to Christ, called to represent us and which must be returned to our Father that he may send his Son to rule us in the 2024 Elections. God has a schedule, it is a Relentless Wave of Light and it must be taken at its crest to fulfill our destinies and that of this Nation, America. All can be lost, it is up to you and I. God works through Individuals and Events. He works through the individualization of the God Flame, your Sun. In the one who has slain his outer personality on the Rock of Christ, his Son. Kuthumi tells us that you are your SUN, when you are your SON, your Christ Self.

Those who cannot do this will play out the karma rising as a tide, a flood referred to in Revelations 12:15. As this tide sweeps the land it will catch up all whose names are NOT written in the Book of Life and all who have taken the mark of the Beast in their hand or foreheads. It will catch up all who are tied to the Watchers who are the two Beasts and the scarlet woman who rides the beast, the antichurch, the accommodators of Christ, in the seven churches, in the seven religions and their seven states of consciousness of which the Book of Revelations opens with and addresses. We are called to come out of her, Rev 18:4, or receive her karma. Revelations and El Morya describe this as beginning with the collapse of the Global Economy of the Watchers and their Laggard, Cain Civilization that is identified by Sanat Kumara, the Ancient of Days, as Babylon the Great, on the South Gate. This is the Office of the flying Eagle in Capricorn on the 12 o'clock line of the Cosmic Clock, occupied in matter by the Woman clothed with the Sun and her Manchild embodied in *the initiates* who keep the flame of the Mystery

School in the Community of the Holy Spirit. The South Gate, the Office of the flying Eagle is the authority of the Mother, the embodied Lamb and the Lamb's wife, the Guru MA and her *unascended chelas*. This is your office. You are called in 2020 to uphold it.

The authority of the Mother is subverted by the materialism and the ambition of those in Capricorn on the 12 o'clock line who gather there to take the power of the Mother, her authority and Office. They are the individualists who declare I will do it "my way". They and their consciousness are described in great detail in the Summit Lighthouse Publication, *Fallen Angels Amongst Us: What You Need To Know*, by Elizabeth Clare Prophet.

God's concern and that of His Messengers are for *the lost sheep* who are tied to the Watchers by desire. Desire is the poison of free will that believes the lie of the Serpent of the soul's separation from God; hence "I'll do it my way". These sons and daughters are poisoned with desires for material attachments, possessiveness, driven by ambition for power over others to ensure the preservation of their egos and its vanity. These who are tied to the Watchers by idolatry or by material attachment are at risk of being lost, Rev 20:5. The Sun Jupiter conjunction at winter solstice 2019 requires of the soul, her mastery of the flow of energy. This mastery is unattachment. It is the mastery of the five secret rays and it understands that what is occurring in Capricorn on the mountain is the judgment of Babylon the Great and the Watchers and their anti-state and anti-city. They are unmoved. They have mastered the flow of energy and know that when the systems of the fallen angels collapse, we will be free to take dominion in our country and establish a free economy based on Christ rule based on the Gold Standard and trade between North and South America as described by Goddess of Liberty, spokesperson for the Great Karmic Board. They bend the knee in Capricorn on the mountain of their karma and invoke God's light and His will.

It is this attachment to the **current economic system**, that controls our jobs, our income, our wealth that is a sticking point for many. **Materialism** is based on the warring in our members in Gemini. The primitive instinct of Mars, the survival instinct, of the fittest. The belief in the lie of the Serpent logic of the carnal mind that only the strong survive, in a dog eat dog civilization. An economy based on one law, the law of scarcity. It is the law of hoarding, the absence of FLOW, and not based on exchange of equal value. It is based on whatever the market can COMMAND. This is greed, and it is driven by passion in Scorpio, blind to God's Plan for a Golden Age. Nothing of this vibration *will* survive. An economy based on a Gold Standard follows the economic laws and principles governing a free market without government intervention and a privately controlled central bank, laissez-faire upon which the abundant life of Jesus Christ was founded in America on the golden rule with a currency backed by gold and defended by the three branches of government.

The karma being released for transmutation in 2020 is the greed and lust of Mars in Scorpio craving the light of the people. Taking the wealth and the power of the people to themselves, in the church and in the state. This is the danger to all, as we pass through Capricorn

in 2020, of God's people who do not aspire to Christ. Especially the 24 Elders who Morya told us when he created the Elders in 1985 on February 3<sup>rd</sup> that they had to aspire to become Christ the next office above that of chela. Mother told us following the coming of the Seven Elohim in the spring of 1993, during her July 4<sup>th</sup> Address in 1993 that if we did not put on Christ, the fallen ones would destroy the church and America. This is the prophecy of the **January 1994 mega conjunction** of seven planets in Capricorn with **Pluto (yours and the planets collective dweller) at 27 Scorpio square Saturn at 27 Aquarius**. Now, in **January 2020 Saturn is conjunct Pluto**. All are now held to an accounting in 2020. This is the front line of the battle, for the Spirit of America, in 2020. We are in the 27<sup>th</sup> year in Pisces, the 2 o'clock line to demonstrate our Christ mastery of the physical plane, on the karmic axis as we meet our karma in our solar plexus chakra. We are called to demonstrate our mastery of the water body, our emotions, energy in motion in the church and the nation. All make their choices on the mountain of Capricorn, during the transits of all gathered there by the Seven Archangels who are the Hierarchs of Capricorn with the Great Divine Director.

We are also standing on the karmic axis in Virgo of our solar plexus on the **Path of Personal Christhood** in our 33<sup>rd</sup> year and soon (Feb 21<sup>st</sup>, 2020) this planet, our Nation, and our hearts will be initiated in Virgo in the 33<sup>rd</sup> year of **the initiation of our hearts** by the Holy Spirit. We must be able to maintain God Harmony as we face the projections of sympathetic and malicious animal magnetism of the Watchers, the Laggard evolutions whose time is up on Terra, as well as, those of the light still tied to them by vibration, sympathy, and idolatry, the Sun Watchers conjunction at winter solstice.

Following winter solstice, on day five of the Sun's entry into Capricorn in the etheric plane, an **eclipse of the Sun** occurred at 4 degrees Capricorn. This eclipse conjoined the Solstice Jupiter. The eclipse occurred during the appearance of a Six-Pointed Star, announcing the incarnation of the Word in 2020. It occurred to eclipse all opposition to the birth of Christ in the people and in their priests, in America and the I AM Race world-wide.

This is the first of thirteen new moons in 2020. The eclipse divides the wheat from the tares. It eclipses all on the mountain who have not assimilated the Guru in the churches and in America. It seals them to their fate.

- Call for the eclipsing of all opposition to the birth of Christ in you in 2020.
- Call for the binding of your dweller and for it to be cast out.
- Call for the binding of the Dragon and its Tail (Lunar South Node at 8 Capricorn) that stands before the Divine Mother in Capricorn giving birth to Christ in YOU, to devour you as soon as Christ is born in you in 2020.
- Call to Lord Krishna to stand with you in your heart during this initiation this year to slay this Dragon as he did Pootna and her Brother. Maitreya taught us in his dictation titled, "The Six-Pointed Star of the Lord of The World", when we would face this initiation, we were to call to the Great White Brotherhood to bind our

dweller. He told us it is the pride of the heart, the Libra - Aries axis that fails to call for the help of the Guru-Teacher-*Raboni*.

This eclipse will play out during the window that it has opened, Dec 26<sup>th</sup>, 2019 – August, 2023. A period of three and a half years. This eclipse is come to eclipse the Saturn Pluto conjunction and all that will play out during this window by all who give their power (Capricorn) to the Beasts, in Revelations 13.

The key during this eclipse window is to take the hand of the Guru and assimilate the Guru as Venus at 7 Aquarius in the 3<sup>rd</sup> decant of the 4<sup>th</sup> house. We are called to research the teachings of the everlasting gospel (Summit Lighthouse Publications) to receive illumination, that Maitreya teaches us will consume our ignorance in Leo and Gemini, imparting wisdom. Thus, we are able to make choices that will demonstrate our Christ Mastery in the physical plane because we can think creatively, independently in Aquarius, 1<sup>st</sup> decant. We will be free of the collective consciousness of the planetary dweller of all who have the mark of the Beast and are tied to the fate of all who have that mark.

The eclipse is a divine weapon given to invoke its power to eclipse all opposing the Six-Pointed Star of those called to play their roles in 2020 and beyond. Eclipsing all opposing the Glory of our God manifesting in the hearts of the planet and her people, in America and her people in the defense of America and the office of the President (Christ) and in the election of those whose Star has appeared at Christmas 2019 who must be elected to public office in November to set the stage for the casting out of the Dragon over America as prophesied by Saint Germain and the Goddess of Liberty. To you is given the power of Prayer, in the science of invocation as Priest of the 12 Tribes. Jesus taught us that, *“whatsoever ye shall bind on earth shall be bound in heaven”*. *“And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it.”* *“Thus, saith the Lord the Holy One of Israel ...ask me of things to come concerning my sons and concerning the works of my hands **command ye me.**”* *“...Thou shalt decree a thing, and it shall be established unto thee. And the light shall shine upon thy ways.”* *“Again, I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven.”*

Our Father in heaven has sent his Son to bring to our remembrance the power of heaven that is given to your Christ Self in his name, who is come to take dominion in the earth from the princes of the air. This is the astrology of Capricorn in 2020.

Saturn (the Satans) are conjunct Guru Ma’s descendant. They are come to fulfill the prophecy that the fallen ones have changed their strategy of attacking the Guru to attacking the chelas, *to strip them from the Guru*. Given by Mother in **1985** following her trial. This is the prophecy opposing the 24 Elders that Morya created to defend the Guru and to guide the church Board. This is *the year of the incarnation of the Word in you*. Your Star has appeared at Christmas. This is your Path of Personal Christhood, in its 33<sup>rd</sup> year in Virgo. And *your Christ Self is come for the judgment of your dweller and the planetary Dweller*.

**The Messenger's message** (Mercury, messenger of the Sun) at 19 Sagittarius conjunct the Nadir, a 5-minute orb, is "*pay your karmic debt*", of these last 25,800 years, if you will have your Victory in 2020. *Your time is come. And your debt of destiny is due*. You must play the role given you as your destiny. You are called in the 2<sup>nd</sup> decant of Sagittarius in the 3<sup>rd</sup> decant of the 3<sup>rd</sup> house to make your way to the return of the Guru to anoint you to begin your mission to save this nation beginning on November 1<sup>st</sup>, 2020 when we will stand in Libra on the Path of Personal Christhood in our 34<sup>th</sup> year to begin our Christ's mission to the nation and the planet as we gather the disciples of Morya and rally to Merlin to cast the black magicians out of Camelot and North America and send a Christed one to the White House in the 2024 elections.

Many have been on the Path since the 1960s, that's 60 years. This includes all born since 1958. We are in Taurus in the 29<sup>th</sup> year of the final 33 years to fulfill the Mission of the Summit Lighthouse, to get the Ascended Masters Names into EVERY household in America. This is the divine plan unfolding in you and in America in 2020. We have four and a half years to accomplish this. It will play out through individuals and through events. The individuals are called to stand before the Guru to be anointed in the 34<sup>th</sup> year on the Path of Personal Christhood (11/1/1987). One year from now we will be in Libra in the 34<sup>th</sup> year of the initiation of our hearts by the Holy Spirit. Life is not what we have come to believe. Life itself is God. He is coming into the earth and we have been told we will see him because we are like him. All who are not will be consumed in his presence, this is foretold as the, *Great Day of The Lord*. First, much must be put in place, as we have been taught.

Mercury would have us shed the snakeskin of the carnal logic of materialism and our attachments to material and spiritual survival and come to depend on God. It is through God, your I AM Presence with the Ascended Masters who are coming to work his works through you. It is the Individualization of your God Flame in the secret chamber of your heart that will work the works while working through events, called *the Turning of Worlds*. God demands a return on his investment, he sent his Son into the world to free you and set you on the Path 2,000 years ago. He sent his Prophets as his Messengers to deliver the Everlasting Gospel, which so many have discounted and disregarded, accommodating both the Seventh Angel and his prophets.

Mercury the Messenger of Morya in Gemini, and the 3<sup>rd</sup> house calls us to return to the Community of the Holy Spirit and keep the flame of Morya's Code of Conduct and to cast out the Modreds and restore Morya to head of the Community. We began the final 3 years of the 20<sup>th</sup> century on January 1<sup>st</sup> 1997. Three years to stem the tide of the Modreds and Vivien and her like sorceresses. Now we are called to rally to Merlin and the Once and Future King, Saint Germain and Morya to cast out the Modreds and the Black Magicians. In this coming battle, the Ascended Masters names will become household words and we will elect the anointed one to the Office of the President in 2024. Six months before these elections there will be an eclipse of the Sun on April 8<sup>th</sup> on Mother's birthday at 19 Aries in the 9<sup>th</sup> house. It will be over America and Canada. It is the 2<sup>nd</sup> of 5 eclipses over America that began in August 2017, covering a 35-year period (2017 – 2052). These are the first eclipses over America in the last 35 years (1982 – 2017). The 2017 eclipse is part of a series that last occurred in 1776. Those who are alive to witness these coming events have a role to play in restoring this Community of the Holy Spirit and this Nation to its original purpose and principles. Others will wish they had never been born. Morya tells us in the 10-4 axis clearance to wash 7 times so that when the karma comes, it may hit us but won't stick to us.

- The **SUN** consumes all unlike itself. You can do anything through the Cosmic Christ consciousness of the **SUN**. Remember that ye are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.
- ...the dark clouds of the fallen ones that attempt to cover and **eclipse** the SUN of your I AM Presence.
- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- *...these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1<sup>st</sup> house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
