The Sun in Aries in the physical quadrant means that we expect to see the sons and daughters of God exerting the control of their minds over their Martian emotions, the A words, anger, aggression, argumentation, agitation etcetera. Whereas we will see out picturing in the personalities of the vast majority, the pride of their ego willfulness. Aries brings this full range into the physical realm. The proverbial "in your face".

The moon joins the Sun in the physical quadrant of the 4<sup>th</sup> Lunar cycle of the year, tomorrow. Here in the physical, the moon is at its weakest influence over Mar's unsatisfied desires. Now is the time to exert your soul's dominion over the moon's influence over Mars. Break the habit. Call on heaven to intercede. Unwind the grave cloth of our Egyptian captivity, holding us earth bound by attachment to material substance, and Kuthumi teaches us, the substance of the ego.

The MC is at 14 Cancer, conjunct the God Star Sirius. Look overhead where you stand, there is Sirius. Where Sirius is there is God Surya and Cuzco. Call upon the God Star and the Mighty Blue Eagle to defend God Government in America and to defend in Cancer this government of the people (4<sup>th</sup> house) by the people for the people...in the coming elections.

Cast your anchor of the Ruby Ray into the octaves of the ascended masters at the MC and arc their light and anchor it to consume the energy veil, they call COVID-19 on the Nadir, 14 Capricorn.

We see emerging out of the unconscious into the subconscious of the people on the nadir, flooding the 4<sup>th</sup> house of the nations. As their dwellers on the threshold of their consciousness, their conscious awareness conjuncts The Master, Rabboni at Easter, the Resurrection flame announcing to the people the rolling away of the stone that sealed the Tomb. The people are called to rally in 2020, in these elections to Uncle Sam. In particular they are called to turn within and for the next 40 days beginning on the 13<sup>th</sup>, Easter Sunday, be God Taught by the God Star in the UPPER Room until Pentecost on May 31<sup>st</sup>, 2020 when the Holy Spirit will descend upon the people to enlighten

them. This is the Great Awakening of the I AM Race, God's people. They are called to rally to Saint Germain, Uncle Sam, and his Prophets, the Messengers. See Revelations 10:7 – 11:7.

We are called to call upon the Lord to take dominion in the earth over the Nations and the Power Elite, Pluto Jupiter Saturn, Mars in the 4<sup>th</sup> house in Capricorn and Aquarius. We are called to consume the energy veil they have weaved over the minds (Sun Aries) of the people. And we are called to consume the midpoint Saturn to Pluto and Mars and to Jupiter and Mars. All are standing on the mountain in Capricorn in 2020 ruled by Saturn's causal body, Maitreya to choose to follow Christ in the Resurrection (Jupiter) over the death, unleashed upon an unsuspecting world, in the most critical election year in America's history or to follow Saturn the electronic belt, the Satan(s) and Pluto Mars midpoint. And betray the Guru, Rabboni, and the Resurrection Flame, rejecting the call to rise into the Upper Room to be God Taught these next 40 days.

These latter will become the clock of betrayers (Cancer) on the North Gate. Those who stand with Apollyon at 3 Scorpio having believed the lie, they espouse the lies and propaganda of the god of plagues and the plan of the Watchers in Capricorn in the 3<sup>rd</sup> house, COVID-19, the plan to defraud Americans of their Nation and their hearts bond to Jesus Christ and Uncle Sam, Saint Germain at Easter 2020. They expose the *propaganda* in the 3<sup>rd</sup> decant of the 1<sup>st</sup> house because they desire to rule, having bowed on the mountain before Saturn (Satan) when Saturn conjunct Pluto in January, when COVID-19 was launched as the counter plan to the Divine Plan for America and the Nations in 2020, on January 1<sup>st</sup>.

---

The Watchers are conjunct the Dragon, its tail at 2 Capricorn in the 2<sup>nd</sup> decant of the 3<sup>rd</sup> house, *fidelity*. Will the soul when face with absolute evil in 2020 remain true to the origin of the soul in God and as an American, remain an initiate of Maitreya, Saturn's causal body, the Great Guru and Initiator of our souls. Will we remain faithful under the attack of Abaddon (Apollyon, 3 Scorpio) who has launched war against the Lamb in Cancer and his Chosen and Faithful in 2020. They call this, the first campaign in their war against Saint Germain, COVID-19. This falls within the 1<sup>st</sup> decant of Capricorn, within the *organization*, even our government.

The midpoint at 20 Capricorn is conjunct Mother's Celestial Descendant, the Guru-chela relationship and the bond to the hearts of the Messengers for the purpose of bonding to the heart of Maitreya, Saturn's causal body. The Guru is midpoint between Nadir and Jupiter and the Nadir and Pluto. We must face our MOODS, our attachments to material substance and the substance of the ego as taught by the World Teachers, Jesus Christ and Kuthumi. The Guru is also midpoint between the Watchers conjunct the Dragon, the Serpent on the East Gate and of the Garden of Eden where we tied ourselves to the serpent logic of separation from God by internalizing, the volition of doing it "My Way" instead of following "The Way" of Jesus our savior, and Mars. This is the choice every American, I AM Race, and Keeper of the Flame of life

is being forced to make in the spring 2020, and in America. Will the soul stand in the Physical in Aries and undo the pride and ego that is prelude to the fall, in 2020.

We are standing at 2 degrees 31 minutes Aries conjunct Mother's MC in the 2<sup>nd</sup> decant of the 6<sup>th</sup> house, of *experience*. Who has learnt from experience to master (Pisces 6<sup>th</sup> house cusp) by God control of the mind all desire (Mars), not God's desire. The flow of water energy, our emotions, our energy-in-motion (e-motion). We are standing on Guru Ma's MC at 2 Aries midpoint between the Black Moon Lilith (the Castaways, the Soulless Ones) and Mercury, the messenger. This is the initiation in the 33<sup>rd</sup> year on the Path of Personal Christhood to prepare the soul for the second coming of Christ in you in Virgo that rules the 6<sup>th</sup> house. It is also the initiation of *our hearts* in the 33<sup>rd</sup> year in Virgo, the Aries Libra axis, the Ascendant Descendant, the axis of planetary karma. Will we rise to the upper room to receive the inner teachings for the next 40 days in preparation for the coming of the cloven tongues of the Holy Spirit on Pentecost which also is congruent in 2020 with the anniversary of Maitreya's Mystery School as we are tested on the South Gate in Capricorn to cast out the dweller (Pluto) and keep the flame of the Office and Authority of the Mother and the Woman Clothed with The Sun and her Manchild in the mystery school in the Community of the Holy Spirit, on the path of the Ruby Ray.

We are standing at the apex of the YOD to Apollyon (*the god of plagues*) and Transpluto (*aliens in their space craft, think the 12<sup>th</sup> planet, the 13<sup>th</sup> planet, the inter-galactic conspiracy of the 118 alien civilizations come to earth to wage the final battle of Armageddon*). We are not helpless. We have the God Star, the seat of God Government of Galaxies and their legions known as the Mighty Blue Eagle from Sirius. We also have the point opposite the apex, the midpoint between Apollyon and Transpluto, 2 degrees 40 minutes Libra in the 2<sup>nd</sup> decant of the 12<sup>th</sup> house, *self-sacrifice*. Who is willing to cast themselves upon the rock of Christ and shed the lower mind in the 3<sup>rd</sup> house that is under the influence of the Watchers and the Dragon.

This is the dividing of the way of those who are the just stewards and the unjust stewards, driven (Mars) by ambition in Leo, Libra, and Capricorn. The Black Moon Lilith is midpoint between Mercury and Chiron. The latter is in the 3<sup>rd</sup> decant of the 6<sup>th</sup> house; the soul is called to *renunciate* all their negative experiences since the Sun entered Taurus in 2018 until the present. This is when Chiron conjunct'd Mother's MC and remained, forming the APEX of the YOD, the Hand of God, at the Y in the road upon the mountain with Maitreya and Satan. We are called to learn from our experiences of these last 2 years. Those who can will rise in Resurrections flame. Those who can't or won't will be consumed by their Dwellers and take their place on the clock of betrayers (Cancer) with Apollyon/Abaddon on the North Gate and go to war against the Lamb and his chosen ones. These latter are those saints who keep the flame of the white cube of the Church Universal and Triumphant. This is the teachings of the initiates of the seven initiations on the path of the Ruby Ray by Sanat Kumara, the Ancient of Days.

The key to the 6<sup>th</sup> house and 12<sup>th</sup> house initiation in the spring of 2020 is Neptune. The causal body of Neptune represents the attainment of the Christ Mind, the highest evolved souls on Terra. These are initiates who have prepared for Resurrections flame. Those who are found on the inner in the Upper Room these next 40 days being God-Taught by Jesus and Maitreya in preparation for the anointing by the Holy Spirit on Pentecost, the 37<sup>th</sup> anniversary of Maitreya's Mystery School, on the North Gate under the authority of the Mother and the Office of the Flying Eagle. Neptune is at 19 Pisces in the 1<sup>st</sup> decant of the 6<sup>th</sup> house, *achievement*. The soul has come to the 6<sup>th</sup> house experiences by achievement. But has that been by the Christ mind, control over desire or by *ambition*, the 5<sup>th</sup> house 3<sup>rd</sup> decant in the 2<sup>nd</sup> decant of Pisces, instead of *self-sacrifice* of the ego's will or volition. The latter achievement is all illusion. Is it acceptable in the sight of God? The ambition of "My Way", Lilith's way of the ego's pride on the East Gate in Aries where we must face and conqueror the Serpent, now called the Dragon, Rev 12:9-17. This is in contrast to the initiation of the heart (Aries-Libra) of self-sacrifice. We are seeing repeated the offering of Cain and Seth, the Cain civilization, the root of the Black Moon Lilith at 3 Aries.

Neptune's electronic belt believes in Pisces after 2000 years of the Piscean Conqueror, that Lilith has accomplished all these things, wealth, power, position, standing in Community, not God. This is the lie of the Serpent in Aries on the East Gate, in the 3<sup>rd</sup> house of the lower mind, materialism of mechanization man. Revelations teaches us that Neptune is the Pale Horse, Death, and Hades follows...in its wake. Hades is at 7 Cancer in the 9<sup>th</sup> house 3<sup>rd</sup> decant...for all who reject the Holy Spirit opportunity of the second coming in man, in you. They reject the *illumination* flame (3<sup>rd</sup> decant of the 9<sup>th</sup> house) of the UPPER ROOM during these next 40 days.
