(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

The Sun enters the physical plane in Taurus affecting our physical bodies, the works of our hands; conceiving in the physical realm what we have been thinking about these last few months. We are visualizing, conceptualizing and imagining what will be in the physical in six months. We are creating in our minds the state of consciousness that we will have to live with in October and November.

We are setting the stage now, in May, as the Sun transits the physical plane in Taurus. We are determining today how America will vote on November 4<sup>th</sup>, 2020. Will the American people stand in Capricorn on the mountain in the initiation of their hearts in selfless love (Aquarius) or are we today so caught up in ourselves in coping with what 2020 has delivered to our doorsteps. How are we dealing with Covid-19? What does Covid-19 have to do with the 2020 US elections?

What is playing out in the subconscious of the people that has us willingly confined to our homes in an election year. One that we could argue is the defining moment in American history. Why then has the American people been confined to their homes, a political prisoner like Aung San Suu Kyi or Martin Luther King Jr. in a year of a defining national election? Or are the American people playing out subconsciously what is just beneath the surface of their consciousness. A just excuse not to face the issues beseeching America today. An excuse to avoid the elections and their civic responsibility as an American citizen to defend freedom and uphold liberty for all mankind? *Will global governance destroy national sovereignty of the I AM Race, in 2020?* That is to say will the twelve Tribes of Israel be overtaken by the Nephilim and Watchers and the events surrounding them. *Will the people of God forsake their destiny because of the price to be paid?*

These are the issues of 2020 playing out as the Sun transits Taurus. What began as the outer plan and the direction being carried out in January through March is now being conceived in April through June, as the second wave of Covid-19 sweeps the land. People are re-acting to confinement and the destruction of the final remnants of a free market economy of private businesses, the heart and backbone of the economy that built America and upon which she was founded. This free market economy includes the promise of her future destiny to lead the nations into the promised Aquarian Age, the golden age that Jesus and his Father promised the I

AM Race. The Serpents' seed, the Satans, and the Luciferians, backed by the Watchers and the Archdeceivers behind them have come up with their plan to oppose Jesus Christ and his Father. Jesus prophesied this day would come at the end of the Age of Pisces as he dictated this, our story of (2020) the end times of the tares midst the wheat. He called this story, the Book of Revelations. He told us he came to add to the law not replace the law of our fathers. He told us then and he tells us now that The Book of Revelations, is built upon the Books of our Father Enoch and the Prophet Daniel, who describes this period, even giving it a name, the Tribulation.

For a more contemporary view of these times we must turn to Nostradamus who describes these times. He particularly describes these events as being centered around, Saturn and Mars, "equally fiery". He is telling us to pay particular attention to Saturn entering the fire sign Aries between 2026 and 2028. During this time Mars will trigger events through individuals, the archetypes, the voices of the people, the players of the Book of Revelations and the one Daniel calls the "little horn". Nostradamus refers to the false prophet by name, *Mabus*, who leads the people to the third antichrist. He even gave us the time of his birth, February 1964. In the fall of 1996, the Buddha of the Ruby Ray, gave a dictation (*progressive revelation*) through the prophets referred to in the Book of Revelations, chapter 10:7, Mark and Elizabeth Clare Prophet. He stated then that we were to watch for the coming of the third Antichrist and that we would know him when he comes. That was 24 years ago this fall.

The people know the truth about what is being said today, that the world will never return to what it was before Covid-19. Some call this the Great Transformation. While others are calling it the Coming Revolution in Higher Consciousness, prophesied by Jesus Christ 2000 years ago, before his works were hijacked by the Roman Empire of the Illuminati. This is the astrology of Capricorn in 2020, replaying what took place 1800 years ago (292 AD). The persecution of the Gnostics. The end of the freedom to rule yourself to prepare for the resurrection in you of the second coming of Christ in Man. They called this abomination in high places, the Apostles Creed, the Nicaean Creed. The conception of Nicaean Council under the leadership of Emperor Constantine, the fourth of the Tetrarchs who led the final persecution of the Christians that ended in the genocide of the Gnostic communities across the Mediterranean; home to the Laggard Evolution who came to Earth from Maldek.

So, one could ask again, what is playing out as the people are in the safety of their homes? Has God sealed *his people* in their homes while he releases the seven last plagues as taught by Jesus in the Book of Revelations chapter 15 and 16? Is God behind Covid-19 as it is written that God has placed in their hearts to do his will until all that is written comes to pass, Rev 17:17.

There are, we are told, always two sides to a story. So, the question remains, which story are you reading. Which story are you playing out your role, in May 2020 as the Sun enters the physical plane of Taurus?

*Note: My charts are always run for the US White House. I do this for a number of reasons, primarily because America is the Promised Land for the Woman and her Seed, the place prepared, the place in the wilderness for the I AM Race, the 12 Tribes of Israel. America is by*

*cosmic law and design, the heart of the planet. The Nation was conceived to give birth in the second coming to Christ in her people. The President resides in the White House. Both the office and the House have a role in Cosmic Law. The Presidency is an Office and a Mantle that is bestowed upon the occupant. This office and mantle are in the solar hierarchy of the planet and in the God Government of the Galaxies. Also, the White House itself is a spiritual focus of the Great White Brotherhood, called the Ascended Masters. These latter are those singular individuals who have realized their God Reality and balanced 100% of their karma. We have known them of old as the Sons of Solitude and more recently as the Saints in Heaven and as Angels. The White House holds for me the highest and the lowest aspirations of man in America, the heart of the planet and therefore the highest and the lowest on the planet, itself. I use the White House as the indicator of God's Divine Plan for the Nation, the Planet and the People of Earth.*

*What is written here and in all my writings applies to every man, woman, and child on the planet. Never-the-less the highest hope is for those singular individuals who have made the commitment to God and have come to America by birth or by naturalization. Possibly, even some of those here illegally. The souls of God's people are called to return to the mystery school, we once knew as the Garden of Eden. Today, it is called Maitreya's Mystery School. And every American, Saint Germain tells us, is an initiate of Lord Maitreya, by virtue of birth and by your commitment to being here.*

*America is called to give birth to Christ in her people and bring in a Golden Age upon Terra in the Aquarian Age of Brotherly Love. This is the prophecy and the promise of the Ages and of our Father and His Son, Jesus the Christ.*

The Sun enters the physical plane of Taurus on May 12<sup>th</sup>. Draw a circle, a clock. The circle is squared formed by the cross in the center of the circle. In this circle from 12 to 3 o'clock is the etheric plane where our memories of the ages of the soul's incarnations resides. From 3 to 6 o'clock is the mental plane where resides the higher Christ mind and the lower mind ruled by the Serpent logic of the carnal mind, the personality, that is earthbound. From 6 to 9 o'clock is the astral plane of our feeling body where resides our desires that are the source of all suffering, as taught by Christ and Buddha. Now, from 9 to 12 o'clock is the physical plane where we live in the reality we have created for ourselves according to our following the Golden Rule, do unto others as you would have them do unto you; the law of karma. We are co-creators with God. And we create our own future because we are the law of our being. What we send out in the four planes of matter through our four lower bodies returns to us multiplied.

So, The Sun enters each sign for one earth month (*earth time*) at the zero degree of each sign, in astrology called the ingress. Yet, the Sun does NOT march to man's time. The Sun is the giver of life. The sun spends 28 Solar days in each sign, (*solar time*). This is the fundamental difference between Cosmic Astrology and planetary astrology. The truth is that they work together. And you are that synergy, when you follow your star (Sun). Kuthumi teaches that you are your Sun Sign by birth, progression, and by transit (*solar return*) when you are your SON, your Holy Christ Self.

SUN IN TAURUS  
PHYSICAL PLANE

So, the hour hand, is the Sun in the Physical plane of Taurus. Now let's look at the clock of the hours. We are standing between worlds. We can choose to follow Christ or we choose to follow man and be led by the nose, by the dominant egos, we call ministers, pastors, priests, mullahs, rabbis or maybe a politician we call senator, congressman or even president.

The Sun in the physical quadrant in Taurus is in the 9<sup>th</sup> house, in the 1<sup>st</sup> decant, *devotion*. We are in the 3<sup>rd</sup> decant of Taurus to gain our *mastership* over the forces moving in the land. We gain that mastership over our crew and the challenges we face together in our nations as did Odysseus in the Odyssey. Everyone you see or hear are *your* crew and *you* are all Odysseus. You must choose every hour to be the *master of your ship* or to be one of the crew.

You gain mastery by devotion to the flame in your heart. Your heart is being initiated in Virgo in the 33<sup>rd</sup> year, and in the fifth year in the mastery of the five secret rays and the seven rays to publicly demonstrate in 2020 your mastery of your personal Christhood...this is the final year of the Second Coming of Christ in Mankind. All are being tested across the entire planet in 2020 and God's people are being sealed in their homes as were our ancestors.

Mercury at 1 Gemini is conjunct the Part of Fortune, also at 1 Gemini, within a 43-minute orb. Both are in the 2<sup>nd</sup> decant of the 9<sup>th</sup> house, *exploration*. You are facing a major challenge of the Odyssey of your soul's journey home, the mystery school on the etheric plane as you explore your way by right choice. Those who uphold the arms of the Messenger (Mercury) in Gemini (the messenger of your Holy Christ Self and I AM Presence) will outpicture their Sun at 22 Taurus, as Christ *the master* of your ship in the 3<sup>rd</sup> decant of Taurus.

4

---

Mercury and Part of Fortune are conjunct the apex of the YOD, the Hand of God, the Guru and Teacher, as the soul faces which way to go at the Y in the road, that the YOD presents as the challenge. Do I take the road (by choice) that leads to Apollyon (Abaddon) at 2 Scorpio or do I take the road that leads (by choice) to the Watchers at 2 Capricorn in the 4<sup>th</sup> house. In worldly astrology you may be tempted to choose the lesser of two evils. Christ teaches the middle road so you have a third option the point opposite the apex of the Yod. This point is 1 Sagittarius. It is the 1<sup>st</sup> decant of SAG, *devotion* in the 2<sup>nd</sup> decant of the 3<sup>rd</sup> house, *fidelity*. The soul faces this challenge in May 2020 in Taurus in the physical to choose to be the BULL, stout hearted, one pointed, single eyed (Taurus Scorpio, the 3<sup>rd</sup> eye chakra) on the goal of home, the resurrection and the ascension. But first the resurrection and the focus of the mind and the eye, the mind's eye on being God taught for the 50 days from Easter to Pentecost on May 31<sup>st</sup>, 2020 when the cycles will turn and the Holy Spirit will anoint the Christs who have completed their cycles by being the victors on the mountain in Capricorn with the Watchers and the Dragon, and standing on the Ascendant in the 3<sup>rd</sup> decant of Virgo and renouncing Satan (Saturn) and the Serpent on the mountain of initiation with Maitreya (Saturn, its causal body).

Mercury and Part of Fortune represent your soul exploring your way home guided by your soul's intuition and relationship to your SON, your Christ Self, i.e. listening grace. Your attention is on your goal and like Odysseus you are sponsored as he was by Athena, Goddess of

Truth. You are sponsored by your guiding masters. This is your mastery by which you meet your challenges in 2020.

The midpoint between Vesta, 20 Gemini and Uranus, 7 Taurus is 29 Taurus in the 2<sup>nd</sup> decant of 9<sup>th</sup> house, *exploration*, by Taurus mastery of her ship's crew. That is to say, the soul rules herself, her residual desires in the subconscious that are rising as the astral sea on the nadir. The soul rules her personality and its components that poison the soul, separating the soul from her beloved, her Bridegroom, her Holy Christ Self, to whom she is betrothed to be wed in 2020. The soul knows the story of the wedding garment, the multiplication of talents, the fruit on the vine, and the oil in the lamps and is one pointed with her eye on the goal, in May 2020 as the Holy Spirit approaches, arriving on May 31<sup>st</sup>, 2020.

The midpoint Vesta Uranus is the mastery over Vesta (Maldek, the rejection of the love of the Divine Mother, the rising feminine ray. Vesta is in the 3<sup>rd</sup> decant of Gemini, *reasoning* of the serpent mind, the lower mind in Gemini, driven by Uranus lower nature, selfish love, self-love competing in the 9<sup>th</sup> house for scarce resources and for Venus' position (faithful, the chosen by the bridegroom, the saints on the 6 o'clock line, at the North Gate and the chelas on the 12 o'clock line, at the South Gate). These latter want Venus' position that is rightfully hers by attainment and by destiny. They want what was promised but not earned. They would take heaven by storm, if they could.

Our souls are being tested. This began on Easter Sunday as the Sun entered the physical plane of Aries for the year. This is the testing of our hearts in the 33<sup>rd</sup> year in Virgo by the Holy Spirit in preparation for *his* coming to anoint our souls on Pentecost. This is the initiation of the heart that loves. The testing is to determine the souls that have evolved to the highest love, the vibration of Uranus of the love of the Guru for the chela and chela for the Guru. It is the measure of the heart that loves and is bonded to the heart of Maitreya (vibrates at the level of Saturn's causal body). This is to separate out those for have traveled the road most travelled and have run out of oil for their lamps; those who have come to the wedding of the bridegroom and the soul without a wedding garment; and those who have not multiplied their talents and have come to the harvest without fruit upon the vine. This is the meaning of the mega-conjunction in Capricorn in 2020.

Our souls must be sifted to separate out those to whom the Holy Spirit will come to anoint and bestow his gifts to prepare the soul who is worthy to be called before the Guru on November 1<sup>st</sup> 2020 as the planet cycles into the physical plane in Libra, the 9 o'clock line in the 34<sup>th</sup> year on the path of personal Christhood for the initiation of our hearts in the heart of the Buddha as we begin our three year mission of personal Christhood anointed by God to fulfill our destiny that is tied to this great nation, America and to bringing in the Golden Age of Aquarius, of universal brotherly love. The age of the Mother and the rising once again of the feminine principle of the soul, restored to her original purity. As Atlantis and Ancient MU rise once again on planet earth.

First though, there must come the separating out of the Wheat and the Tares. We have known this period by many names. All are captured by the prophecy of the end times. Not of

life on earth but of the princes of this world and their Babylon the Great and its Harlot, the anti-church whose sign is Capricorn (Illuminati) where they both reside on the South Gate at the point of the nexus between spirit and matter, the crown chakra. Their symbol is Saturn where they rule the nations through their economies and financial systems (Taurus), crying out in their anger and hatred at the injustices of the natural laws, denying natural order and laws of creation.

Archangel Zadkiel told us that he stands on the west coast (of America) at the West Gate looking to the East and gathers the kings and queens and their armies to the Great Day of the Lord. Jesus delivered his Revelations through John that we might know the day was at hand of the Seven Last Plagues. Our Father sent his son Moses to prepare us for the ten plagues of Egypt, sent to free his people. Jesus told John on the island of Patmos that he must rest until the day that all he wrote would come to pass, then John must return to earth to unveil that portion that was sealed from his pen. That day was to come, Jesus told John, at the end of the Age of Pisces, a 2000 year dispensation (called the 2000 year Dark Cycle) to balance every jot and tittle of our karma and to come prepared for the wedding of our soul to our Christ self and be ready in the second coming to see him (to receive him in the one sent by the Seventh Angel, the prophets through whom the lost teachings of Jesus Christ would be given in progressive revelation through his Messengers, the Prophets. All that is written has come to pass, but not all. Their remains the judgment before the dawn of the new day rises. We have been told, and by experience know, that just before the dawn is the hour of the greatest darkness.

This hour was described by Jesus through John, in Revelations. It was described by our Father through his prophet Daniel who was also told that he would return to life to play his role during these end times. This hour has been described by Mother Mary through many of her children who describe her messages of her appearances. Mother Mary also describes in great detail through her son, Michael of our Lady, we call Nostradamus, in French.

---

Many prefer to believe the version of this future taught us by the Watchers and by Apollyon, also called Abaddon, who lusted after the daughters of men and took flesh to have children by these women. These children were known of old as the Giants amongst us and the Titans who made war on Olympus. They were also known as Demons. All three lived amongst us before the flood on Noah, 10,000 years ago when they were destroyed by the Archangels sent to bind them and cast them into Hades sealed beneath the Euphrates river. Jesus teaches us through John the Revelator, in the Book of Revelations that at the end of the Age of Pisces, the end of the 20<sup>th</sup> century that they would be released with their children as the Gates of Hades were unlocked by the angel with the key. Hitler and the Nazis and Stalin and his communists believed that that time had come in their day and they taught about the Hitler and Communist youth as did Mao Tse Tung in China who launched the Cultural Revolution in the 1960s and 1970s, killing over 60 million Chinese, including the Tibetan Buddhist civilization. Global population doubled during this period, 1935 – 1990. The population in Hitler's day was 2.5 billion by 1990 it was 5.5 billion. This was the first wave out of Hades who were born amongst us. They were called the Baby BOOMERS with their drugs, rock music and Jazz. The second wave came beginning in 1990 to the present as the global population increased from 5.5 billion to almost 7.5 billion (in the last 30 years). They call these their children, the Millennials who have come to rally to the red flag of Communism.

This is the dividing of the way. It is the karma of mankind to re-visit the Garden of Eden scenario with the Serpent on the East Gate to test our souls; to see who has evolved to become Christ at the appointed hour of the second coming of Christ, in man. Who can see what is playing out on the outer as the nations are confined to their homes under the threat of Covid-19 and *who* can see what is playing out on the inner, both behind the scenes and in Spirit and choose to play their appointed part, their soul's destiny of God working through man in events.

There is a subtle difference between the teaching that *God works through man and events* and the spiritual teachings that the soul is destined to become God as God rises from the base chakra through the path of initiation of the soul through the spiritual centers, chakras, to the Crown, the king's chamber in the Great Pyramid. God works through the prepared soul to fulfill prophecy and the Destiny of that soul, your soul, to play out in events, that will Transform Civilization as God gathers to himself his own and casts the TARES into the flame and burns the chaff. This is being called today, ***the Great Transformation***. Daniel was given to call it, the "***Tribulation***". The Seventh Angel, Saint Germain describes it through his prophets, Mark and Elizabeth Clare Prophet, as the last ***three years*** of the dark night of the spirit that would end in the final battle of Armageddon, the Great Day of the Lord.

Many believe this to be a planetary initiation, world war three, as was shown George Washington by the Goddess of Liberty. They believe this is the end of times for a way of life on Terra that has lasted since the dawn of our collective memory on the continent of Mu in the Pacific between Africa's east coast and the west coast of North and South America.

7

There is another memory in the collective consciousness and in the akashic records of earth of this being the story of the path of initiation of the soul's Odyssey home. This is the story of the crystallization of the God Flame, called the individualization of the God Flame, the God Man, called the Son of Man whose office and authority is the East Gate, usurped by the Serpent who must be cast down by Christ in you, the God Flame within your heart. This is the initiation that was interrupted in the Garden of Eden under Lord Maitreya by the Serpent who seduced the seed of Woman described in the analogy of Eve and the Apple.

It is the story of *the dark night of all souls* born since 1935, that is followed immediately by *the dark night of the spirit*. The former is the soul's journey through the solar plexus chakra and the records of the soul's creation of her false gods who are created after the image of the Serpent lie and logic (reasoning) on the lower mind plane, we call Gemini where the Twins of Duality are trained by the centaurs. These are our gods of desire, called mood attachments; in astrology called possessiveness, possessive love, ruled by Mars. The Seventh Angel taught us through his Prophets that the DARK NIGHT OF THE SOUL for the planet began in 1989 and that when this cycle ends it is immediately followed by the Dark Night of the Spirit when the soul who has balanced a major portion of her karma would stand anointed by God to fulfill one's soul's destiny on the West Gate to gather the Multitudes who are ready to separate out from the Beast out of the Sea and the Beast out of the Earth and the International Capitalist Communist Conspiracy (ICCC) and their bankers and financiers. This initiation came on the path of Personal Christhood beginning in the 29<sup>th</sup> year in Taurus (2016) as the Christ must demonstrate

2020

publicly their mastery of the seven rays and the five secret rays. The last three years of this cycle of initiation that is called the Dark Night of the Spirit begins on November 1<sup>st</sup>, three days before the elections on the 4<sup>th</sup> of November, 2020. Beware and Prepare for the year end test. It will be severe. As the initiation of our hearts by the Holy Spirit will still be in Virgo to demonstrate publicly our Christ Mastery until the cycle changes and the wedding TRANSFORMATION is complete. The test is that the virgins in Virgo without oil will want your oil. Any soul who comes to the marriage without her wedding garment will be cast out at Winter Solstice when Jupiter conjuncts Saturn (on the Solstice). The cycle of the heart victory in Virgo concludes on Feb 21<sup>st</sup>, 2021. This is the end of the 46-year period that began in 1975 called the GALACTIC ALIGNMENT as Helios and the solar system transited the Galactic equator and the RIFT. This is the Cosmic Womb where the Divine Mother has been giving birth to Christ in MAN, called the Second Coming of Christ, foretold by Jesus for 2000 years.

The last three years of the dark night of the spirit, Daniel and Saint Germain describe as the Tribulation, the separation of the wheat and the burning of the Tares. God is harvesting the souls who have prepared and have evolved beyond the evolution of the common man on terra. These are the remnant of the faithful to whom a message of hope and promise was delivered by Jesus through the Book of Revelation. These last three years coincide with the Path of Personal Christhood entering the West Gate to gather and teach the Everlasting Gospel on the 9 o'clock line of Libra, the axis of the Heart, Aries Libra. This is the three-year mission of Christ who is undertaking the three-year initiation of the Buddha. Saint Germain teaches us that this three years (2021-2023) ends with a personal (and planetary) final battle of Armageddon, as Pluto is cast out of Capricorn to be consumed in the Waters of Aquarius Love, beginning in 2024. It is this election year that will TRANSFORM America or it will cease to exist because the people betray their God. All have free will and all will stand in the shoes of Hamlet and Peter to build the church on the rock of Christ or to deny Christ in the final battle, ...for America.

---

Daniel begins this story in 2016 as the election by the Ancient of Days of the Little Horn. See chapter 7 through 12, to see it through the eyes of a prophet. This is the fulfillment of the prophecy given by Jesus in the Book of Revelation chapter 17 verse 17. This is why Donald was elected not Hilary, despite everyone's belief that Hilary had won. This is the beginning of the end times, the period of greatest darkness before the dawn, a new day. Those who have prepared their hearts, they will illumine the night consuming ignorance and God will impart wisdom through them that will consume the darkness bringing in the new day, literally.

The soul is choosing during this seven-day period of the Sun in the physical plane of Taurus, May 12<sup>th</sup> to May 20<sup>th</sup>, 2020. Our choices are crystallizing creating our individual futures. Mercury's message to Venus at 21 Gemini is to choose wisely. This is where the Serpent fell on the lower mental plane of false logic and reasoning. This is the place where the soul fell in the Garden of Eden resulting in her being cast out into the earth as the soul followed the way of the Serpent instead of the Way of Christ. The soul of the faithful, Venus, is called to cast her anchor upon the Lord and Savior and anchor his light to consume the darkness of the energy veil. Those who can't or won't will see the crystallization of their ignorance of the law and once again to be cast out of the place prepared.

We are seeing the crystallization of the prophecy of 1985, now in its 36<sup>th</sup> year of the chelas being stripped from the Guru. Repeating once again the drama of the Garden of Eden in Maitreya's Mystery School come again on the South Gate of the soul's initiation of the bonding to the heart of the Guru to play out God's Power through divine direction to restore the Kingdom of God and raise up the feminine ray of the soul to her original purity. This drama is ordained to play out the Judgement of Christ over the Serpent and the Satans in Virgo as Divine Justice is delivered to harvest the Seed of the Wicked.

The soul of mankind is called in Virgo to stand in Hamlet's shoes and choose "to be or not to be". This is the fulfillment of the prophecy given on July 4<sup>th</sup>, 1996 during the July Fourth Address by the Messenger, Elizabeth Clare Prophet, of the Seventh Angel (Rev 10:7). We approach the 24<sup>th</sup> anniversary of this prophecy this July 4<sup>th</sup>. All are called to choose in 2020 who will rule them, Christ or Antichrist. None shall escape the judgment, all are choosing their future, salvation of the faithful, judgment of the reprobate.

Mercury, the Messenger, is telling Mars, the boy child, to surrender *desire*, the soul's Jekyll and Hyde. Mars at 29 Aquarius is being asked to demonstrate her mastery of selfless love. So that by divine love we shall see the dawn of Aquarius. All must pay their debts in the 8<sup>th</sup> house or face the cause of the death of the soul. This manifests as the ambition of desire, the fallen feminine principal as the soul was taught in Gemini to lust after the light of Mother, in Cancer. If not consumed the soul will be caught up in the repression of Christ in 2020, the replay of the records of 1800 years ago, the persecution of the Gnostics, the Sons of Solitude, the second coming of Christ in man. This is the Tribulation.
