(What follows is intended for those who would understand and apply the science of cosmic cycles derived from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you that my cup might be emptied that it might be filled again and again. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date.

It is my intention and purpose that you sit under your own vine and fig tree, use the material and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

The Fog of *Spiritual Warfare: We See Through the Glass ...*

Summer solstice heralds the Helios cycle of the year, delivering to the planet the divine plan for the evolution of earth's life waves. This is the Omega return that will define the summer and fall of 2020. Omega is God as Mother who nurtures the Christ in man to bring about a harvest of fruit upon the vines of souls (in the fall) who love the Bridegroom and are able to open their hearts to receive the light of Helios' illumination that waters the soul in the summer. These souls are washed in the light, the fire from heaven, that consumes *their ignorance of the ages* since the days of the Serpent in the Garden who has come again in the ending to deceive the souls of the elect, in *the final testing* prior to the coming of the bridegroom, in the physical quadrant of the year 2020. This is the fulfilment of the prophecy of the foolish vestal virgins and their lamps without oil. This refers to the accumulation of the light of Helios in their seven chakras and the assimilation over the years of this illumination that consumes ignorance, imparting wisdom. Wisdom is the light of Christ come in man, as the bride (your soul) prepares for the coming of the Bridegroom (your Christ Self, your real self).

Summer solstice this year occurs under a solar eclipse. This occurred in America intercepted in the 8th house of the chart drawn for the White House. I draw all event charts for the planet and her evolutions using the White House as it represents *the highest and lowest* aspirations on man on planet earth. It is the symbol of man's greatest hopes. It represents God Government to the planet. We, you, are not animals as the fallen angels, their church doctrines and dogmas and their state ideologies would have you believe.

Summer solstice 2020 occurred in the 8th house intercepted by Gemini on the cusp under a solar eclipse by the moon of man's personality and his attachments, Master Kuthumi teaches us, to material substance and the substance of the ego, the lesser self. In other words, we are being tested under this *eclipse window* that is being called "the ring of fire", whether man's personality will be allowed to eclipse the Sun of our soul, our I AM Presence. I AM That I AM, the name of God for all time, as taught to Moses. I AM That I AM, the God nature within man,

in whose image we were created. Will man allow their human will and desires, the cause of all man suffers, to cover over his God nature, in the hour of the second coming of Christ in man? The last time an eclipse fell on summer solstice was in 2001. During that eclipse window we saw the second attack on the Twin Towers under the watch of the Bush family, on 9/11. This eclipse will play a role for the next few months, especially July and August. The eclipse passed over China who on June 30th passed security laws to take control of Hong Kong. This was the manifestation of the second conjunction this year of Jupiter and Pluto that occurred on the 30th. Both planets were retrograde. This action was taken as a reaction to the cry of Freedom heard in heaven by the people of Hong Kong. China is being forced by the Ascended Masters (Jupiter) to confront its personal and collective dweller on the threshold (Pluto). China is being prepared to play its role under the four angels released from the Euphrates river (Hades) to kill a third of men, Revelations chapter 9 verses 13-16.

We are given the choice in the summer of 2020 prior to the fall elections when we are required by law, cosmic law, divine law, to choose who will rule us going forward in 2021, Christ or Antichrist. Will we elect to rule ourselves, our lesser self, or will we elect, as we are seeing in America's cities, to be ruled by Lunar Forces that *Drag-on* you, pulling you down into anarchy that leads to Wormwood and to Abaddon, the king of the Locusts (Revelations chapter 9 verses 1-12). The latter are pawns in the game whose plan runs counter to the Divine Plan of the Second Coming of Christ in Man, in 2020. We stand in the 33rd year on the path of personal Christhood under the initiation of our hearts and the heart of the planet, by the Holy Spirit, America.

We stand at summer solstice, in the Omega Return of the year in the 33rd year of the forging of the Diamond Heart. This is the final requirement of the law to determine who will have the oil in their lamps when the Bridegroom comes in the dark night of the spirit in 2020 in the 33rd year. And the 46th year when the Sun behind the Sun of Helios delivers the solar system from the Galactic alignment with the Galactic equator *into* the light of the area of the Galaxy that contains immense light we call photons that will become known as the fulfillment of *the second coming* of Christ in man. Man, who has risen to meet the coming of Jesus Christ and his Father, the Cosmic Christ, Maitreya, in the air. We will see him coming because we are like him. These three, the Christ come in you, Jesus and Maitreya are Emmanuel, Mother taught us. And together the three come in you who have prepared the Grail of the Heart as the Diamond Shining Mind of God. These will be called to the River Jordan in 2021 to be anointed by the Guru and Master, as Jesus was by John the Baptist, fulfilling the promise of Sanat Kumara.

This coincides in 2020 with the freeing of Merlin on summer solstice and the solar eclipse that is called *the Ring of Fire*, from the prison of the crystal that has held him since the days of old, Camelot when Vivian the Black Magician trapped him in a moment of letting down his guard, in the hour of the victory, the eleventh hour. Merlin is free.

Merlin, Saint Germain tells us, is coming to fulfill his destiny. He is coming to cast out the Black Magicians from Camelot. Camelot is come again, President John F. Kennedy declared by his example in America, come again as the rising of Atlantis. Now is the hour of the

fulfillment of the prophecy. *Camelot is come again* and the *Once and Future King* is returning with Merlin and Mother coinciding with *the second coming of Christ in Man*, all who are responding to the heart of Liberty at summer solstice 2020 and beyond. They are returning to fulfill their promise, their prophecy to us. Many can and will bear witness.

The test in this cycle is to publicly demonstrate in the 33rd year our Christ mastery as taught by Mighty Victory, of the 12 God qualities, the twelve rays, the seven and the five secret rays of the twelve solar hierarchies of the Sun, the twelve astrological signs of the Zodiac. This is occurring in the Helios cycle of the year in 2020 under a solar eclipse of the Sun/Son, the Father in the Son, Maitreya and Jesus, in the 8th house intercepting Cancer (the Mother) for the bride to show herself approved to the bridegroom, the Christ child in man. That she (the soul) has oil in her lamps (meaning light in her chakras) and can and will hold fast what has been given in 2020 as the Alpha Thrust, the divine plan of 2020 for America the heart of the planet, for the judgment upon the mountain in Capricorn of the Fallen Angels and will anchor in the earth Divine Justice. The judgment is delivered by the coming of Christ in man as the right handed path of Capricorn, of the earth trine in Virgo. We stand in the 33rd year in Virgo on the path of Personal Christhood in the 33rd year of the initiation of our hearts and the heart of the planet by the Holy Spirit for the forging of the Diamond Heart of the mind of Christ that was is Christ Jesus. Emmanuel is come.

Let us look at the astrology of these cosmic cycles manifesting on the planet in the hearts of (some of) the people. We see then what happens when Christ comes in the earth. We saw it then 2000 years ago and we see in *Saint Germain on Prophecy*, book 2 chapter 2 what may happen, if the second coming of Christ in man in America, if the light is not sufficient to hold the balance for the rising astral tide of evil, the energy veil. This light is come for the judgment of the darkness that is rising to separate man from God. This energy veil must be rent in twain, if light, goodness, and love is to triumph over man's hearts and bring in the dawn of a new age of Christ Peace as has been promised, if man will accept Christ into their hearts.

What is coming upon the earth, as measured by the promise of Cosmic Christ cycles and measured by the astrological configurations of the alignment of the planets and the stars is the final cycle of the Dark Night of the Soul and the Spirit in the earth. This final cycle is described by Daniel and John the Revelator and is known as the *Tribulation*, which concludes in the final battle of Armageddon, the battle between Absolute Good and Absolute Evil. This has been spoken of by many as *the three days of darkness* and by the prophets of old as *the Great Day of The Lord*. This has been described in the teachings of the mystery schools that have opened to illumine the planet and her people since 1875 which has delivered to man since 1958 the Everlasting Gospel by the seventh angel through *his prophets* as promised these last 2000 years by the Revelation given to God's people on earth through the Apostle John. All for the purpose of preparing us for the final battle between Christ and Antichrist, in man and *in you*, each and every one. To determine who will rule earth, Christ or antichrist; God or the Dragon; love or hate; Heaven or Hell. It is man's choice; it is your choice. You were given dominion over the earth. You can invoke it as the Word Incarnate or you can abdicate, aborting your Sun Center, the Son who is bridegroom to your soul. You have been invited to the wedding and have had

2000 years to prepare the wedding garment. Who will come to the wedding in 2020? This is the final test in Virgo, in 2020. All gathering in Capricorn, *the prominent personages* described in the Book of Revelations (Rev. Chapter 12) are playing out within man and are taking to the stage in 2020 to play their choices in either Virgo (God-Justice) or in Taurus (Rebellion against God's Will and his Law).

The soul stands in 2020 in Virgo in the 46th year of the Galactic Alignment to receive the Christ, the Son (Sun) of Man as the Divine Mother has been in labor giving birth and nurturing the Christ in Man, the Man Child, for the last 46 years. The soul stands in Virgo in 2020 in the 33rd year of training. The Christ in Man has trained the soul to be his bride these last 33 years while the Holy Spirit has been initiating our hearts to assimilate our Christ Self and the Teacher sent by Jesus and his Father as promised in Revelations who would deliver the Everlasting Gospel through the Seventh Angel and his prophets (Revelations chapter 10 verse 7).

In juxtaposition to Christ come in *man*, man is choosing to stand in Taurus in Uranus as Anarchists, Terrorists, and in their Associations and Societies that are pedaling their Idea-ologies of dialectic materialism to a people that do not believe in God or his Christ but only in themselves, their personalities, ruled by the Moon Forces, Lunar Forces that pervert the light of the Sun into Death. The Death brought by the Pale Horse, Neptune, described in the Book of Revelations is the personification of the fallen angel Wormwood and the Beast who is come out of the sea. This is world communism, ruled by Neptune. This is the lie the Serpent poisoned our souls with *in the beginning*, in the Garden of Eden that has come down to us through the ages as the story of Adam and Eve, the Serpent and the Apple from the Tree of the Knowledge of Good and Evil. *Now in the ending* after a long journey preparing our souls to be the Bride of Christ, we are ready in the ending to confront the Serpent that has become the Dragon at the Four Gates of the City Four Square and pass our final tests in the Garden in the Wilderness prepared for the Woman and her manchild (Christ in Man). Christ in you, is come to command the earth to come to her aid (Rev. 12:16) as we meet this challenge of the Earth Trine in 2020 to take dominion in America in 2020, the Government is upon His Shoulders, Christ in You, government of the people, by the people, for the people. We are called in 2020 to publicly demonstrate our Christ mastery. This is an election year. America will *NEVER* be the same, from here on.

The past is prolog. The future is being determined by God's people in America, as in the beginning (in the 1770s) so in the ending (in the 2020s) 10 % of the people will give birth to the Christ in man. For ten good people God will spare your city. This is the test of ten, yet it is written that one with God is a majority. A single Christ is given to rule by and with the full authority and power of Heaven over man. This is why the world fears and hates America. Jesus teaches then and now that Loves Victory conquers hatred.

Summer Solstice

Occurred at 5:43:44 PM EDT in the 8th house of America's White House (chart), Washington DC. From a spiritual perspective, the White House chart represents the highest and

Seeing with Eyes Clearly / Darkly

lowest aspirations of the heart of the planet, America. It is the chart for the I AM Race on the planet. And it represents the divine plan for God government and the raising up of Christ midst the communities of *our* people.

Solstice occurred in the **5th** hour of the Omega cycle of the day. This is the ***Gemini* hour**, God Wisdom ruled by Mercury, the messenger of the Sun, your Holy Christ Self, the Son of Man on the East Gate. The Son of your soul is required to invoke illuminations flame from the octave of the ascended masters to consume the ignorance of animal magnetism that is flooding the mental plane of the earth from the mouth of the Serpent (Rev 12:16), to sweep the devotees of the Mother from the wilderness, causing the people to give their energy (the light of the heart) of the acceptance of their mental bodies to the social movements sweeping the land, that is intent to sweep away the Freedom and Liberty that make up the foundation of this nation. The souls who are bonded to the heart of the Son of Man (to Christ in you) is called in 2020 in the **5th year** of inner initiations to master the ***five secret rays***, 2016 to 2020, to demonstrate in public (7th house) the transfiguration of the wedding of soul and Christ to fulfill the prophecy of the second coming first in the 13th tribe, then in the 12 tribes. These initiations of the last five years, coinciding with the elections of 2016 and 2020, are a critical cycle for the raising up of the Liberty flame in the hearts of the I AM Race in America and on Terra.

Souls are called in 2020 on the path of personal Christhood in the initiation of their hearts to publicly demonstrate in the 7th house (***Venus 5 Gemini***) their Christ mastery of the 12 rays of the Sun, the 7 and the 5, the 12 God qualities of the 12 signs of the Zodiac, the 12 constellations of the Sun behind the Sun. The soul is called in 2020 to demonstrate to the public in the 7th house through Venus, their assimilation of the teachings of personal Christhood under the 12 solar hierarchies of the Sun and their Hierarchs, the 12 God qualities to invoke the light to consume the darkness that is the ignorance of the law poisoning the people, imparting Wisdom and Truth that will set the people free. The latter means, to cut the people of God on Earth free from the fallen angels and their seed, known on Atlantis as the Sons of Belial, the sons of darkness.

The Solstice Sun occurred in the 8th house 1st decant. This means that the highest evolved souls on earth, particularly in America are called to meet their destiny in the second half of the year. These souls have been initiated for millennia to be the 13th Tribe of priests of the sacred fire of our God and to uphold the arms (Gemini) of the Guru and the teachings. This is the Omega return for 2020, called the Helios cycle of the year by Master Kuthumi. Our souls are called to stand in the 8th house having paid our debt of destiny, to become Christ in the second coming in man, to lead the nation(s) to meet the challenge of all who are being gathered in Capricorn to play out as the prominent personages of the Book of Revelations (see chapter 12). We are called to the 8th house at summer solstice 2020 having paid our debt of destiny to receive *our inheritance* (Personal Christhood, 11/1/1987) after 33 years on the path of initiation to forge the Diamond Heart (12/25/1987) under the initiation of our hearts and that of the planet, America, by the Holy Spirit (since 2/21/1988). We are called to receive our inheritance in the 1st decant of the 8th house and of Cancer under the solar eclipse of all opposition and whose eclipse heralded the coming of Christ under the sign of *the Ring of Fire*.

This means that the soul is being tested, to publicly demonstrate her Christ mastery by meeting the challenges facing the nation(s) in July and in the summer of 2020 by calling upon all the resources that have been given the souls who have received and assimilated the everlasting gospel promised by Jesus Christ and delivered by the seventh angel through his prophets (Rev 10:7). We are called to use these resources made available to the soul who accepts her Christ as Lord and walks in the shoes of Jesus Christ to do all things that he did and more because He went to his Father. The three in one, *your Christ working while Jesus and his Father Maitreya* worketh hitherto, in and through you, to deliver the judgment upon the fallen angels and their children on the planet. *The three in one, Emmanuel is come with Helios at Summer Solstice.*

What do the stars portend?

1. Sun Conjoined North Node

The Sun is conjunct the North Node at 29 Gemini 8 minutes in the 1st decant (*Resourcefulness*) of the 8th house. These are those who have worked the works of their Holy Christ Self and the Guru these last 33 years sacrificing their lesser self upon the altar to forge the diamond heart:

- a. having paid their debts of destiny, their karma as well as fulfilling their dharma, in service to the Guru, as just stewards. Now, their inheritance is proportionate to the light they have invoked and can hold, in God Harmony.
- b. having paid their debts these last 33 years they are able to stand in the Helios cycle of the year (2020) and anchor the judgment (Capricorn) in Virgo in the 33rd year by demonstrating their Christ mastery of the 12 signs and their energies to hold the balance against all the karma being delivered in the summer 2020 through the fall by the Four Horsemen, *as seven angels came out of the temple, having the seven plagues, clothed in pure and white linen...and the Four Creatures gave unto the seven angels seven golden bowls full of the wrath of God...and no man was able to enter into the temple until the seven plagues of the seven angels were fulfilled (Rev chapter 15)*. Morya teaches that when this occurs, as you take your stand you may get hit, but it won't stick to you. Christ has taught that you may drink any deadly thing but it will not hurt you. Christ has also taught that when the karma (*of the fallen angels is released for their final judgment and removal from the earth*) is released (as seven bowls of wrath) and the fallen angels rise up against the Lamb and his chosen, and the Lamb and the Lamb's Wife, they will find nothing in you. You will be unmoved, sealed in God Harmony.
- c. now standing in 2020 with their Sun and the sun behind the Sun, Helios, they have come prepared to stand in Hamlet's shoes and meet the debt of destiny, to choose to be, rejecting the Serpent who returned to Maitreya's mystery school (5/31/1984) to

strip the chela from the Sun of her I AM Presence and the Son of her soul (1985 prophecy ~ Guru MA). While others who have accommodated the Guru and Uncle Sam and the opportunity given them in America and by Jesus Christ worldwide, by their words and works, they are now judged. Revelations chapter 22 verse 11 and 12 are fulfilled, *he that is unjust let him be unjust still; and he that is filthy let him be filthy still; and he that is righteous let him be righteous still, and he that is holy, let him be holy still. Behold, I come quickly, and my reward is with me, to give every man according as his work shall be.*

We are called (in the summer of 2020) to meet the challenges of those who “*are not killed by these plagues yet repented not of the works of their hand, that they should not worship demons and idols of gold, and silver, bronze and stone...which neither see nor hear nor walk*” “*Neither repented they of their murders (including psychic), nor their sorceries, nor their fornication, nor their thefts.*” (Revelations chapter 9 verse 20 and 21).

2. North Node

We are called to fulfill our destiny, to stand at summer solstice 2020 at 29 Gemini in the 8th house on the North Node (throughout the Helios cycle of the year). Those who have:

a- paid their debt of destiny, having balanced their karma - of past failures, of past avoidance of the initiation, and of past leaving off the initiation once the price to be paid was understood (*Mother's July 4th Address, 1993*). They have *transmuted the past* by the 7th ray of the Holy Spirit and *have drunk of the waters of Aquarius* and **been transformed** these last 33 years, even these last 46 years. Now as the planetary karma delivered by Helios of the Sun arrives, they are prepared to play their roles to fulfill their destinies so that all that is written shall be fulfilled. And having paid their debts of destiny accordingly, *portion for portion*, they now receive in the 8th house at summer solstice (during the summer and fall), their inheritance, their Holy Christ Self in the second coming of Christ, first of those chosen in the ending from those of whom were first called and chosen in the beginning of the dispensation of the Seventh Angel and his prophets 46 to 33 years ago (Revelations chapter 10, verse 7) to demonstrate Love's Victory, at the end of this 33 to 46 year cycle, now ending (in 2020).

b- These are now able to pay their debt of destiny that has come due in the Helios cycle of the year, 2020.

c- they now stand with the Sun, the Son of Man their Holy Christ Self in Hamlet's shoes as prophesied by Guru Ma in her July Fourth Address, 1996 and they choose to be...the fulfillment of the second coming of Christ in Man as they rise to meet the coming of Jesus Christ and his Father, Maitreya, the Cosmic Christ, the three in one, Emmanuel *as described to us* in the July Class 2020, that was given on July 1st, 1976. They now stand with Helios who came on July 4th, 2020 to the Royal Teton Retreat and delivered the mandate of God. They have heard the call and answered. They have prepared these last 46 to 33 years and choose to receive Christ who

has transformed their hearts into the crystallization of the God Flame, into the diamond heart to fulfill the promise given at the beginning of the dispensation of the diamond heart 33 years ago on the path of personal Christhood under the initiation of their hearts by the Holy Spirit. This is the ending known from the beginning and these ones have come prepared with the wedding garment, with oil in their lamps, and fruit upon their vines having multiplied their talents.

Thus, by our words and works in 2020 are we judged.

d- this debt is the debt we created in the Garden of Eden with Maitreya as we took of the fruit of the Tree of the Knowledge of Good and Evil from the Serpent. We were not then ready under Maitreya's path of initiation of our souls to be wed to our Christ self who is judge of Good and Evil. We usurped our Christ Self and became poisoned by this separation from Absolute Good of our God, now knowing evil, the energy veil that separates us from pure Good that knows no evil. Poisoned, we were naked, no longer protected by the white garment of purity, our soul took the first step in the fall of the feminine principle of man, we hid in the Garden from the Great Guru, Maitreya. By God's decree we were cast out of the Garden into the realm of the princes of **the air**, Lucifer (Aries), Satan (Taurus) and the Serpent (Gemini) having been pulled down into the lower mental plane and the mass consciousness where we were no match for the Serpent's logic and reasoning. So we came to idolize and sympathize with the fallen angels and reject our Christ Self and I AM Presence of God with us who has sent his Sons many times to save us. The history of the hatred and war, death and disease followed upon Earth from the time of our fall.

The price of the return to the mystery school, to begin again where we left off, the initiation of our souls on the path of Personal Christhood under the initiation of our hearts by the Holy Spirit, is to once again take up this path (46 to 33 years ago) and be prepared to encounter the Serpent, who has returned to the Mystery School come again (May 31st, 1984). The Serpent, the Mayans prophesied, would return on May 20th, 2012 on the eve of the seven Pluto Uranus squares (June 2012 – March 2015) under the Four Blood Moons, the TETRA. This has tested our souls to see who would emerge from 2015 at winter solstice having mastered by Christ mastery having taken dominion over the physical plane, the realm of the fallen angels.

These came to the divine plan for 2016 through 2020 prepared for the inner initiations of the five secret rays and for the last five years, to demonstrate in public their mastery of the 12 rays. These are the seven and the five God qualities of the Tree of Life, to demonstrate the perfection of our wedding (seamless) garment. We were called to the path of initiation of our hearts to be prepared in the hour (in 2020) when Christ would come in the night, the dark night of the Spirit when they were called to stand alone, a Son of Solitude, a Pillar in the Community of the Holy Spirit and keep the White Cube of the Church Universal and Triumphant on the North Gate under the seven initiations of the Ruby Ray. We were called and chosen to come to America (by birth or immigration) and to Maitreya's initiation once again, these last 36 years, since 1984.

So many were called but, in the end, few are chosen as taught by the Maha Chohan on Feb 21st, 1988 when he released the dispensation of the initiation of our hearts, the heart of the planet, by the Holy Spirit. He told us then we would have to assimilate the Guru and the teachings and play out our Sun, Jupiter, and Venus, or we would accommodate the Guru and Teachings and play out the karma delivered by the Four Horsemen. So, the 13th Tribe has been initiated and tested these last 36 years. Now all stand upon the mountain in Capricorn in 2020 to face our dwellers as prophesied by Guru Ma in her July 4th Address, 1996 to the Keepers of the Flame. The Messengers of the Seventh Angel delivered the teachings in the Climb the Highest Mountain Series, volume *Christ and Antichrist* that all chelas (disciples) are forced by the Masters to face their dwellers on the mountain in Maitreya's Mystery School. Maitreya uses the casual body of the planet Saturn that rules Capricorn to teach and train the soul to walk the earth under their I AM Presence and the direction of their Holy Christ Self and to face and conquer in Sagittarius, the Serpent who fell with his seed in Gemini creating duality, relative good and evil, thus justifying itself before angels and men. This is the debt and the lie that is due in 2020 after 46, 36, and the last 33 years on the path.

3. Moon, Represents Our Soul, The Fallen Feminine Principle in Man and Woman

It is written, "Thou it were dead, yet shall it live". Our soul stands upon the Moon at 25 Gemini conjunct the 8th house cusp in the 1st decant of the 8th house. The astrology portends that we must now face, "*the test of the people of the lie*", the Serpent and his seed in the most pivotal election year in America's history. Maybe even in the history of the I AM Race on Terra since the fall. We will decide in 2020 and in the elections whom we will follow into the third decade of the 21st century, *Christ or Antichrist*. We will decide in 2020 who will rule us, individually and collectively, *Christ or Antichrist*.

The lines will be drawn in 2020 that will play out in 2021 when we will have emerged from the Galactic Alignment with the galactic equator and the Divine Mother who has been in labor giving birth to Christ in Man these 46 years (*and in you personally*). We will emerge into such light in 2021 that all that is written will now manifest and be fulfilled. For this we have come into the earth in this lifetime, for this is our destiny, "*Blessed and holy is he that hath part in the first resurrection; on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a 1000 years*" (*Revelations chapter 20 verse 6, April 21st, 2014, Completion of the 1st Resurrection, Beginning of the Kingdom Age*).

The soul has entered in 2020 the final cyclic phase, the Helios cycle of the year in the 33rd year of the Path of Personal Christhood under the initiation of our hearts by the Holy Spirit. This is manifest as the closing cycle of Jupiter Saturn, ending the last 20 years (June 2020 – December 2020), the first of five 20-year cycles of this century that will see the reign of Christ over the nations of the earth, and the beginning of the reign of the Kingdom Age.

We are in the final stage of the cycle of the Galactic Alignment that began in 1975, 46 years ago. We have entered the final testing of our souls to see who has elected to be ruled by

Summer Solstice 2020

Christ. This is the second coming of Christ in Man. The test is to determine who qualifies as is written in the parable of the vestal virgins (Virgo, in the 33rd year) as those with oil in their lamps and those without. Who qualifies? *Who has come prepared to fulfill the promises, the prophecies?*

The moon represents the fallen state of our souls, and its synthetic identity it has forged, our *personality*. The evolution of the soul is measured in the testing in the first house of our state of mind and its condition in 2020. It now measures our ability to meet the cycles of initiation that are come with the dispensation of light that is the Savior, Emmanuel. Emmanuel that is come in you who have prepared for his coming in your hearts and for the coming of Merlin who is returning to Camelot.

4. Moon, Midpoint of Venus and Mercury.

The soul (Moon) is being tested in 2020. It is *midpoint between Mercury and Venus* at 14 Cancer and 5 Gemini. Mercury at 14 Cancer is conjunct transiting God Star, Sirius. The midpoint between the revelation of the Messenger to us, individually and collectively and the ability of the soul who has assimilated the Guru to listen and obey. The soul having attained to personal Christhood as the Bride of Christ, in listening grace, obeys immediately in the loving embrace of the Beloved.

Mercury is in the 2nd decant of Cancer (*Revelation*); Venus is in the 1st decant of Gemini (*Intuition*). Thus, the soul is prepared to stand in public in the 7th house as disciple (chela) of Christ and the Father, the Great Guru to demonstrate their individualization of the God Flame within their hearts and meet the challenges threatening the birth of Christ within the people in the nation(s), America in 2020.

God works through individuals to shape the coming events that will be the *Turning of Worlds* unleashing the *Revolution of Higher Consciousness* to fulfill the law decreed by Saint Germain who has demanded *equal time* to communicate to his people who must be allowed to freely choose whom they will serve. So that his people might be free to rally to him, Hierarch of the Aquarian Age, the Kingdom Age. Ratify, ratify!

This will manifest as their rallying to Merlin come again to cast out the Black Magicians from North America as taught by the Mother of Liberty. Manifest as the second coming of Christ in Man to gather the one million advanced souls who are ready for the coming of Christ in them. These will fill the vacuum left by the judgement of one million fallen angels for whom Merlin is coming to deliver the judgment. Saint Germain has decreed that *the Everlasting Gospel* for the *Turning of Worlds* shall have equal time as the fallen ones and their dialectic materialism for the *Fourth Turning (Google it)*.

The faithful chela-disciple, Venus is in the 7th house 2nd decant (*Independence, declaration of*) is able to maintain their independence in the coming trails by the listening grace of their bond to Christ and Guru. They stand in 7th house in Gemini, one pointed and single eyed, ruled by Taurus in loving obedience, with their eye on the goal...the light at the end of the tunnel, the Christ in the 2nd coming and their destiny having arrived HOME, ruled by Cancer in the 4th house, to the Kingdom Age.

The 7th house is ruled by Taurus 3rd decant (*Mastership*). The soul is tested in the 7th house to see who will pass the tests this summer and fall, and pass through the coming challenges as the master of their ship as the soul journeys home in the Odyssey of the Soul's confrontation with those of her crew (her associations, relationships) who are being left behind. Odysseus, the soul is helped by the Masters, the soul who has forged the relationship with the Great White Brotherhood of Light to overcome the odds of the Watchers and their wives and their black magic and witchcraft waged against the soul who is determined to get HOME in this lifetime. The soul demonstrates in Public (7th house) that he/she is master of her ship, the four planes of matter, by her mastery of the 12 rays of God Qualities, the 12 signs of the Zodiac.

The soul stands in the 8th house as her Sun/Son in the 1st decant demonstrating her mastery of the resources provided the soul (Everlasting Gospel) and her mastery of the Science of Invocation as the Logos, the Word Incarnate to defeat all forces she meets that challenge the second coming of Christ in Man, and in to her own soul. These challenges in 2020 are self-evident. They are playing out across all nations in 2020. They are the policies (1st decant of the 7th house and of Libra) of the plan of the fallen angels to stop Saint Germain by stripping the disciples of Christ from the second coming in man so there is no one to come to the WEDDING.

This *plan* and these *policies* they call COVID-19. It is both a virus (man-made) and a plan and the conspiracy behind it. Saint Germain told us on July 4th, 2020 and through his Messenger the importance of the mastery of the Science of Invocation as demonstrated to us by the Messenger for 30 years and more, “***Let the Fiat of The Lord (fill in) Be with Me***”. This is the test of our souls in the Helios cycle of the year 2020, in the hour of our soul’s victory, the wedding of the Bride and Bridegroom, our soul and personal Christ.

The soul calls upon all the resources provided by the Teachings of the Everlasting Gospel to forge the Grail of the heart’s chalice for the coming of Christ into the Temple. These souls are bonded to the heart of the Guru in the 7th house and to Twin Flames to give birth to the man-child on the East Gate (Aries, Taurus, and Gemini). The Guru by grace illumines the soul of the chela who has remained faithful through all the trials of the last 33 to 46 years. The soul is able to deal with the unloving children, those who have squandered their inheritance and are still chained to the fallen angels and their civilization and culture of hatred and materialism. They are still in the ending Earthbound and unable to break free of the rounds of karma and reincarnation. So, they remain chained in the ending.

5. Mercury Messenger of the Sun, Your Son

Mercury is in the 2nd decant of Cancer (*Revelation*) in the 2nd decant of the 8th house (*Responsibility*). The message of the Sun/Son to the soul of the faithful (***remnant of the faithful of the seven states of consciousness, the seven churches of Revelations***) Venus is:

Fulfill your *responsibility* (8th house 2nd decant) to pay in full your debts and *to move on* as the Masters have. This is the dividing of the way of souls who have evolved and are deemed faithful and are chosen to be part of the Kingdom Age that is come and of those souls who have not multiplied their talents and have no oil or a wedding garment. They are being left behind in this hour and are being cast out of the Mystery School until the final opportunity of the second Resurrection in 1000 years. See Revelations chapter 18 verse 4 and chapter 20 verse 5.

Now it is time for the fulfillment of all promises through the chelas. Mercury’s message of the Sun of Helios through the 12 Solar Hierarchs of Earth to their chelas (disciples) is by grace your works are measured by the quality of your heart flame that has been individualized, internalized and now is able to judge fallen angels, as Emmanuel with us.

Call upon the Sun Star Sirius congruent with Mercury, messenger of the Sun Star Helios. Call upon the Mighty Blue Eagle from Sirius for Legions of angels, the armies of the God Star, and of God Government of the Galaxies. Call for them to descend into battle to bind the forces gathering in Capricorn to fulfill the prophesies of the Seven Archangels, in *The Vials of the Seven Last Plagues*. Read this little book and wash clean seven times as taught us by Jesus Christ that we have no part with the judgement of the reprobate but enter into the salvation as Saviors through Emmanuel with us to a planet and her people.

Call upon the God Star, God Surya and the Mighty Blue Eagle from Sirius for legions of God Government of Galaxies to take control over:

- a. The US Senate, ruled by the 8th house
- b. The 50 US State governments, Governors Mansions and State Legislatures and Legislators, ruled by the 8th house.
- c. All areas of responsibility governed by the 8th house (*research, make a list*). Rule these by Christ decree as Jesus taught to his disciples (captured in 33:01 as the seven commands that are ratified in heaven) ...*"if two shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven"*. Christ in you has been given dominion over the earth. Christ in you is judge over the fallen angels. *"Whatsoever ye shall bind on earth shall be bound in heaven. And whatsoever ye shall loose on earth shall be loosed in heaven"*. Therefore, break their curses and their witch craft, their psychic murder (death wish) by these who have chosen to become Adepts...of the left-handed path, Black Magicians. They stand on the mountain in Capricorn and are waging war against God's best servants. These are the accommodators of the path at 10 Taurus these last 33 to 46 years in the Church and in the nation(s).

This is the true nature of God Government, the rule of Christ for the next 1000 years. This is the true nature of Representative Government...of the people, for the people, by the people. Take control (by the armies of Heaven by the Science of Invocation, backed up with decrees to invoke light from the Ascended Masters Octave) over:

- a. *The National Debt and the money supply of the nation. Demand a balanced budget and a monetary system based on the Gold Standard and fair exchange of value light (energy) = mater. We must be rid of inflation where material value demands more of your light than is warranted. Credit policy is debt policy to enslave the people to their dialectic materialism.*
- b. Over all Rioters...the Clock of Betrayers on the 6 o'clock line, they are the embodied Millennials, the Locusts out of the Pit whose king is Abaddon whom we call Apollyon, the god of plagues. Apollyon is at 2 Scorpio. Name these prominent personages named in Revelations and by Daniel in your judgement calls (20.07) and bind their archetypal patterns that play out in individuals through the astrology of Saturn Uranus, Pluto Uranus and Neptune in Pisces. Also, bind the Dragon by taking up Serpents by the Tail (South Node, Dragon's Tail at 28 Sagittarius). Bind the Watchers at 1 Capricorn conjunct the Wicked One who is bound in the black hole at the center of our Galaxy at 1 Capricorn, cut all ties between this one to those on the planet, including to the false hierarchy of the Ruby Ray on Terra. These rioters are playing out Uranus, as Anarchists, Traitors to Uncle Sam as they are pawns in the final battle of Armageddon. They have been released from Hades during the fifth

trumpet judgment, Revelations chapter 9 verse 1 through 11. Their king is Apollyon. This occurred beginning in January 1997. This was the beginning of accelerated change in the earth. These riots and anarchy occurring in the States is ruled by the 8th house driven by the Illuminati in Capricorn against the Mother in Cancer who has given birth to Christ in Man. This occurred in the hour of Jesus birth and that of Krishna. This is *treason* against America and Uncle Sam who is Saint Germain, the seventh angel in the Book of Revelations and will be dealt with by heaven who has decreed the penalty for treason. The Seven Archangels (Capricorn) are come to deliver the sentence, the vials of the bowls of God's wrath, the seven last plagues (see Revelations chapter 15. Chapter 15 describes the first six bowls of God's wrath while chapter 18 describes the seventh). These are the Locusts, the Millennials who took embodiment in the late 80s and throughout the 90s and beyond. They came to silence the lambs, those life waves comprising those life streams who came in this period to rally to Merlin and the Once and Future King who is prophesied to return to cast out these Black Magicians from North America and from Camelot.

- c. Take control by calling on Heaven to cut the people free by invoking transmutation; ray, the seventh ray to wash them seven times on all seven rays from all ties to the fallen angels, from all desire for materialism that they might receive in their hearts chalice that has been emptied, the Waters of Aquarius. These are the waters of the Tree of Life that are being given freely (Revelations chapter 21 verse 6). This is the message delivered to the soul by the Messenger of the Sun, Mercury. The violet ray is a flame that is closest in frequency to our physical plane and now accessible to our physical bodies to wash our sins away and dissolve our ties, our desires, that we sin no more. The violet flame is the closest to man and the most accessible in answer to our calls and invocations. It also produces therefore the fastest results.

We are called in 2020 to command the armies of Heaven to take control of America and the lives of the people by the Logos with us and by the spoken word invoke Perfected Action (Sagittarius) of the fifth secret ray and casual body of Amoghasiddhi that by wisdom we may accomplish perfected action by demonstrating our mastery the five secret rays to take dominion over the four planes of matter and the four lower bodies of man. Wash them, cut them free, this is the public demonstration of which we are called in 2020. So that when you are called to fulfill your mission next year, the people will be free to be converted by the Holy Spirit, with you.

Summer Solstice, Cancer is Intercept in 8th House

The 8th house represents our debts, the 50 States and their Representatives, the US Senate and Senators. It represents the control of America's budget, the allocation of our tax dollars. It represents our National Debt, our collective and personal karmic debt. Especially, debt due to abortion, state by state, city by city. It represents the 50 states of being that allows the soul to move between the states of consciousness. Hence the evolution of souls. All are born with equal opportunity. Only, the few come apart to be a separate and chosen people, who elect to be

God...each year. The law requires a minimum of one ascension each year. The 8th house and Scorpio represent transcendence, the transformation from *Scorpion* to *Eagles* who carry the soul to the wilderness (Revelations chapter 12 verse 14) where they are initiated to transfigure into the *Phoenix*. This is the final requirement of our souls in 2020 after 33 to 46 years on the path.

The Covid-19 Plan was implemented to pre-empt the divine plan for your wedding to Christ in 2020. These cycles of attainment (8th house 3rd decant) were foreseen as taught by Lord Maitreya. The false hierarchy of the Ruby Ray use science and technology to chart the cycles (map the stars) to know the divine plan and to put their plans in place in advance to be able to pre-empt God's plan. Mother prophesied in 1985 that they would change their plans from attacking the Messengers to attacking the chelas...to strip them from the Guru. The chelas are the 13th Tribe of the Priesthood without whom the Masters and their Messengers told us the 12 Tribes standing up for Saint Germain and Uncle Sam would be slaughtered. This is the lesson of Aaron and Samson holding up the arms (in Gemini) of the Guru in the judgment while the 12 tribes circumvented the walls of Jericho seven times.

Covid-19 plan is to insert a calcification of consciousness in Gemini of the survival of the fittest, each man for himself. The dissolution of the community of the Holy Spirit and strength in UNITY. Dissolving the coming into unity that is occurring on the inner under the initiation of our hearts and the heart of the planet since 2016 through 2020, under the five secret rays. We have been called to demonstrate our Christ mastery of the 12 rays, the seven and the five and to bind those who have been gathering in Capricorn on the mountain since 2018 and who have bowed down before the electronic belt of Saturn, the Satans, rejecting (hiding from) Maitreya once again in the Mystery School, the Garden that is the wilderness.

This calcification of consciousness is occurring because many who are unable to leave their homes are unable to face their karma in the 8th house. They do not have the violet flame so they must engage with those whom they are called to serve to balance their karma. The anxiety and frustration is increasing and calcifying consciousness in the nations. The 13th tribe is also affected because it is calculated to prevent these, the elect ones from fulfilling their dharma. The 8th house and Scorpio is about the souls personality described as perception and the poison of our perceptions described as our passions. Covid-19 is calculated to create in Man, the fanaticism we are seeing manifest in our cities. Beware, we are seeing only half of it. Fanaticism has two sides to it. Soon, if not handled, we will see in America the other half as the lightbearers give their light to the fight, as Mother stated in her lecture on July 4th 2020 an excerpt from her July 1st, 1976 lecture *The Responsibility of Freedom*, the karma of a planet. Lightbearers have a history of being tied to the Watchers and the laggards since their fall in the Garden of Eden. They are the authors of DOOMSDAY. This is the Plan of COVID-19 (2019 when the plan was unleashed). To twist the consciousness of the lightbearers on the Mountain at the Y in the road. Many are being turned, the Illuminati call it the Fourth Turning, *into Fascists*. They are being prepared to give their light to the warlords in the US military, ruled by the 6th house and by VIRGO, as we stand in Virgo in the 33rd year of initiation on the path of personal Christhood. This is a war of *Perception* that is currently underway.

We are seeing the generation of souls with *Pluto in Leo*, the boomers who came with Guru MA in 1939 through the late 1950s (1956-1958) and those with *Pluto in Virgo*, 1956-58 through 1971-1972; *Pluto in Libra* generation of life-waves from 1971-72 through 1983-84; Those with *Pluto in Scorpio* 1983-84 through 1995 and those life waves with *Pluto in Sagittarius* 1995 through 2008, as they come to grips with their dwellers (Pluto) and with their collective consciousness that is now erupting out of their collective unconscious, that Mother goes into great detail to explain in *Predict Your Future* and in *Fallen Angels Amongst Us*. These two books shed the light of illumination upon what is transpiring in 2020.

Each generation is formed by their Pluto in the signs ruled by the five secret rays and that form the foundation of the path of the Bodhisattva because Pluto forms the psychology of the lightbearers. We have come face to face with our dwellers since 2018 when the Sun entered Taurus through all of 2020. We are forced to face playing out in each of our worlds in 2020 the psychology formed in our early childhood homes and environments, the conditions we each found ourselves in during our early childhoods. These are ruled by our first house in our natal, progressed and solar return astrology of our early childhood. They formed our psychology in early childhood that shaped our physical bodies that still today contain the marks for all to see and the personalities we shaped in response, to hide from the world.

These psychologies are playing out in 2020 in our fourth houses which rules each one's conditions in our old age...those in their 50s, 60s, 70s and beyond. This is the dweller we are forced to face in 2020. Maitreya tells us how to meet this challenge when faced. He teaches in his dictation, "The Six Pointed Star of the Lord of the World", that those who have overcome their psychology will realize that God is the doer, "Thou the all, I the nothing", these stand and call upon the Lord as taught by Saint Germain on July 4th during the Freedom Class, "*Let the Fiat of the Lord Be with Me*". The Master come in answer to the call and to bind our dweller and occupy our four lower bodies until our soul weds our Christ. Those, Maitreya teaches us, who by their pride, the poison of the ego, who do not make the call are taken over by the dweller as taught in the Climb the Highest Mountain series, *Christ and Antichrist*.

We are seeing in 2020, the playing out of the conditioning of our souls after 33 years on the path to resolve these issues and to put them into the flame. Those who have assimilated the Guru and the teachings are prepared for this initiation and those who have accommodated them are not ready to stand in Hamlet's shoes and choose to Be.

Another way that we must see through the glass clearly in 2020 is that each one of us has areas we have assimilated and areas where we have accommodated as the battle of Armageddon wages within. We stand in the hour foreseen in the beginning when those who are bonded to the heart of the Guru for the purpose of being bonded to the Heart of Maitreya (see Goddess of Liberty August 10, 1985 "the 24 Year Plan") will call upon the Lord for intercession because of the bond to the heart of the Guru. While those in their pride who decided to do it their own way stand alone, separated from the Guru without oil in their lamps and do not know their Christ Self. And he does not know them. Hold fast what you have been given...the Guru and the Path and bend the knee on the mountain on the 12 o'clock line in Capricorn, that rules the knees.

Summer Solstice
2020
A Solar Eclipse
Seeing with Eyes Clearly / Darkly

So, we have come to summer solstice 2020 with Cancer (the Home and conditions in old age) intercept in the 8th house to face the cycles of the dispensations given us, so that in the 33rd year in 2020 we could stand, face, and conquer our psychologies and put them behind us so that we can stand before the Great Guru to hear the words, *“this is my beloved Son, my beloved Daughter”*. This is the cosmic cycle of our souls in 2020. Some will hear, *“I do not know you”*, in answer of the call of the Vestal Virgins who have no oil in their lamps. This is the fulfillment of the prophecy of Revelations chapter 20 verse 4 and 5. *“Blessed and Holy is he that hath part in the first resurrection...”* verse 6.

Thus, we stand in 2020 to face the conditions (that are apparent and those yet to be revealed) in our old age in the 4th house of the nations. Here we stand to face the Nadir on the cusp of the 4th house ruled by Pisces, the karmic debt to our God. It is called the Debts of Destiny in esoteric astrology. Here we must face our psychology in our old age of our early childhood that is clouding our consciousness with the fog of our subconscious in the 4th house of the nations. Do we see through a glass darkly or do we see with single eyed vision in 2020. Some would say do we see with 2020 vision in 2020 or are we self-deceived by Neptune in Pisces in the 2nd decant of the 4th house, still playing out the battle for our soul in Armageddon. Symbolically unable to leave our homes, our psychological prison to balance our karma by service to the people in the 4th house to bring them the Everlasting Gospel as required by law in 2021, because the elders who are our Representatives of the 12 Tribes have decreed it.

Thus, we see that our karma and that of the nation is calcifying. The momentum of the 20th century appears to be stultifying in the 21st century because the people are giving power to their Pluto, their dwellers. What we are seeing is the karma of the people and the Nation, this is the people of the lie that make up 85 percent of all evolving upon the planet, of 10 billion, or 8.5 billion. This was Mother’s message to the lightbearers on July 4th 2020 in the replay from July 1st, 1976. This is NOT OUR karma; it is the fallen angels and their seed. Deal with your psychology, Both Krishna and Saint Germain have promised to assist you in answer to your call to re-parent your soul, your inner child, at whatever age you remember you were traumatized in childhood to abort the Christ child in you.

This is the plan of the Watchers and their laggard evolution on Terra, that all who have been called to America in this lifetime should come to 2020 and only the few be chosen in the end to lead the nations into the Golden Age. The people have been conditioned to ignore the Masters and their teachings. This is their plan. It has no power; they are whited sepulchers. This is because they are spiritually blind in Leo and in Gemini they are warring in their members. They do not see clearly on the 4-10 axis of the 3rd eye chakra, Taurus and Scorpio. This is because God has placed in their hearts in Revelations chapter 17 verse 17 to do his will until all that is written is fulfilled. Lightbearers have only to accept Mother’s admonition to let go of the past, let it go into the flame, the violet flame and the ruby ray, of our fascination with matter and their dialectic materialism and their doomsday consciousness. And stand on the MC at 6 degrees Virgo conjunct the US Ascendant and cast your anchor of the Ruby Ray into the octave of the Ascended Masters and call upon the Lord and arc the light by the science of invocation into the earth and anchor it (give the decrees) to consume the energy veil of planetary illusion of Neptune

in Pisces in the 4th house of the homes of the people so that they see clearly and rally to Uncle Sam to stand against Gog and Magog (Fascism and Communism) and to cast them out of North America with Saint Germain (Merlin) and the Goddess of Liberty.

There are two forces moving in the nation. It takes seeing through the glass clearly to see them and to choose. Those who see through the glass darkly, see only Gog and Magog, doomsday. Or they in their pride stay out of the battle believing they do God's will and risk becoming the laggard evolution of Terra, the auxiliary plan of the Watchers and the Archdeceivers behind them. Silence is consent in both God and man's law. All must choose.

Mercury

Mercury is conjunct transiting God Star Sirius, intercept in Cancer in the 8th house at 14 degrees. This represents the message of the cause of death for those whose karma is descending as the Vials of the Seven Last Plagues is poured out upon the Egyptian Black Brotherhood and the Beasts out of the mouth of the Red Dragon, Rome, and Babylon the Great, the anti-state and anti-city on the South Gate on the 12 o'clock line in Capricorn that usurps the office of the Flying Eagle occupied in mater by Guru Ma and her unascended chelas. This message is delivered to all on planet earth, the people of the nations and those who control them by the resources of the nations. This karma will play out through Vesta conjunct Hades at 7 and 9 Cancer, upon all who have been released from Hades since Pluto was discovered in the early 1930s when the planetary population was 2.5 billion. Since Hades was opened up the planet population has increased by 5 billion. These ones, the fallen angels, were released from Hades to choose once again whether to follow Lucifer in his rebellion, as taught by Archangel Gabriel in *The Quest for the Holy Grail*. This is the prophecy of Revelations chapter 9 verses 1 through 9.

Helios delivers this judgment (of summer solstice) upon the nations and their controllers on July 4th, the 36th anniversary of 20.12. Helios moves onto the 12 o'clock line in Capricorn to deliver the judgment to all gathered there as prophesied by the Seven Archangels who are the Hierarchs of the 12 o'clock line with the Great Divine Director, as written in the book, *The Vials of the Seven Last Plagues*. This is the gathering of the kings and their armies to the Great Day of the Lord.

The people are without their Priests, the 13th Tribe. They are being denied the Right to Assembly, to Congregation. They are forced to face alone the wrath of God of whom they are being taught is the judge of all, Doomsday. Cut the people free from the people of the lie, Neptune in Pisces in the 4th house of the people and (in) their homes, 4th house.

Invoke illuminations flame to awaken the people and call for their healing by the emerald ray as taught during the Freedom Class of 2020. The people of God have been cut free and are now waiting on the West Gate for the Priests with the power of the Holy Spirit to come to lead them in battle, to rally them to Saint Germain and to Merlin to cast these black magicians out of Camelot and North America.

The next 12 years, 3 four year periods coinciding with election years and Presidential periods 20 (21-24); 24 (25-28); 28 (29-32) are the people's final exams and their public demonstration of their Christ mastery of the 12 rays of Gods Qualities to put an end to the cycle of war that began in 1988 with the Saturn Uranus conjunction and about which Mother and Nostradamus both taught were the three elements of war that would play out during this cycle of Saturn Uranus ending in 2032 when Saturn and Uranus would once again conjoin. We called this first conjunction in 1988, the mega-conjunction at zero Capricorn. What was little understood was that Mars, Saturn and Uranus were at Zero Capricorn, the first three of the Four Horses (karma) of the Four Horsemen, but the fourth Horse, Neptune was at 9 Capricorn conjunct Mother's Mars, representing her chelas. Thus, the dictation of the Maha Chohan on Feb 21st, 1988 and the initiation of our hearts to create the diamond heart on the path of Personal Christhood that began Nov 1st, 1987. All of which is now in the 33rd year of our initiation. The Maha Chohan taught that those who accommodate the Guru and Path and do not assimilate the diamond heart would play out the Four Horsemen. These chelas outpicture Neptune, self-deception and the deceiving of the elect. Thus, it is written that unless time is shortened even the elect will be deceived by them. These latter are those who declare that they do not follow the Guru and Path but do it their way. They are Antichrist and they are the prophesied abomination in high places. They are the reincarnated elders of the 12 tribes who rebelled against Moses of whom the earth opened its mouth and swallow 5000 in one night.

These are the personages who are the players in the Great Drama prophesied since Abraham and are playing out even now this Drama as described by Jesus to John and given by Sanat Kumara to his prophet Daniel. This great drama is now playing out since Summer Solstice, 2020 with the coming of Helios in the 36th anniversary of the judgment of evil in the matter universe, given in 1984.

Vesta at 7 Cancer represents those who have rejected the love of the Divine Mother of this Solar system, Lady Vesta with Helios. These ones became the laggard evolution of Maldek who choose to do nothing, they remained silent, neither for or against and by karmic law were declared accomplice under the law, not warranting the full weight of the law, the second death, but castaways never-the-less. These laggards Mother writes about in her book, *Fallen Angels Amongst Us*.

Vesta is midpoint between Mercury and the Sun and between Mercury and North Node, both in the 8th house. The midpoint of Sun and Messenger is in the 1st decant of Cancer (Moods) in the 3rd decant of the 8th house (attainment). Mother addressed this during the July Class, 2020, the Doomsday consciousness, abdicating their Holy Christ Self because their ties to the fallen angels were not cut. Kuthumi calls these ties Mood Momentums of emotional disturbances and the vanity that becomes insanity when mirrored by the moon. We are attached to our mood momentums. The second midpoint is to our North Node in the 3rd decant of Gemini. Here we reason with the Messenger falling under the human questioning of Neptune's hypnotic illusion in Pisces in the psychology of our 4th house in our old age. Not having come to resolution with the Guru and Messenger. We blame her still, a holdover from Eve and the Apple in the Garden of Eden. We still blame her for our karma of rebellion against the Guru Maitreya in the Garden,

“the proverbial, “she made me do it”. You still hear this today in the devotees. This is the excuse in Cancer for our failures. We project our failures onto others and upon the Guru and her chelas (faithful). This karma is due...to be taken, if we will make the call and surrender it when the angels come to take it.
