(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Quite a year so far? Hold on! We are still under way. Do you remember? Mother Mary urged us...to remember...

Helios came on the 36<sup>th</sup> anniversary of 20:12. August 26<sup>th</sup> was the 36<sup>th</sup> anniversary of the judgment of the right hand of the Cosmic Virgin. Do you remember, Pentecost was the 36<sup>th</sup> anniversary of Maitreya's Mystery School? Forty days in the upper room of our homes, beginning on Easter, April 12<sup>th</sup>, 2020. The country and the planet retreated to their homes for 40 days...to prepare on the inner, for the coming of the Holy Spirit. The Holy Spirit came on May 31<sup>st</sup>, the 36<sup>th</sup> anniversary of Maitreya's Mystery School. Some only saw Covid-19 and trembled. They trembled then rallied to the subliminal call to take to the streets; as in Africa once called Necropan so in Minneapolis. A red flag? Certainly, a trigger. A sign and a signal of the Illuminati's Covid-19 plan to pre-empt Saint Germain's plan of 2020 and the Great White Brotherhood of the ascended masters.

Helios came at summer solstice to begin, Kuthumi teaches us, the Helios cycle of the year, as Lady Vesta's cycle, that began at winter solstice, ended. Helios came and within 8 hours initiated an eclipse, cutting off from the Son of our Presence those who have stood upon the Mountain of Maitreya in Capricorn since winter solstice 2016 when we entered the 29<sup>th</sup> year on the path of personal Christhood under the initiation of the Holy Spirit to forge the diamond heart, that began in the Fall of 1987 and winter of 1988.

Saint Germain tells us that all have been called to America to be initiated by Maitreya on the path of the Ruby Ray. Mother and Mark came, Jesus tells us as the prophets of the Seventh Angel, Rev 10 verse 7. Mother taught us the 2000-year ride of the Four Horsemen. Morya El taught us of the 3 cycles of 14 years beginning in 1972 that began our testing under the fourteen tests of the crucifixion, ending on June 27<sup>th</sup>, 2014. Saint Germain came in 1989 and told us that we had begun the dark night of our soul and that it would be followed immediately with the dark night of our spirit.

These cosmic cycles of *initiation* of every man, woman, and child in America and of the I AM race were accompanied by the *testing* of our souls throughout this period through the astrology of the stars and the planets, manifest in events and through people. People who

rejected the love of the Divine Mother, embodied in the Mother of the Flame, the Woman Clothed with the Sun (Surya), the daughter of the Cosmic Virgin (Summit University, Great Divine Director's Quarter).

The message of the stars announced in 1975 the Galactic Alignment. This began a period on Earth of 46 years of the Divine Mother giving birth to Christ in Man, the second coming. This period ends in 2020. This corresponds with the cycle of the Maha Chohan that began in February 1988 of the initiation of our hearts by the Holy Spirit to forge our diamond hearts in preparation of the soul for the coming of the Bridegroom in 2020. This path has brought us in 2020 to the 33<sup>rd</sup> year on the path of personal Christhood forging our diamond heart to prepare us for 2021 when we will have emerged from the Galactic Alignment of the Sun's Solar System with the galactic equator that gave birth to Christ in the people so that together with the 13<sup>th</sup> tribe of priests, the twelve tribes would emerge into the greater light of the galaxy. This cycle occurs every 10,000 years. 10,000 years ago, Atlantis, Lemuria, united Africa and Suern (India) sank beneath the sea, literally and figuratively.

So, what now?

The Holy Spirit came, The Bridegroom comes and Sanat Kumara promised to anoint us. He told us to prepare for the coming day when he would no longer look upon us as our karma, but would bestow upon us the mantles we wore on Atlantis before the last golden age fell. Revelations tells us in Rev 20 verse 6 that *blessed is he that hath part in the 1<sup>st</sup> resurrection; on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a 1000 years.* The seven initiations on the path of the Ruby Ray teaches us that under our initiation on the North Gate (6 o'clock) in Cancer, we would face Apollyon who is called Abaddon (2 Scorpio). He is called the god of plagues and he is the king of the locusts out of the bottomless pit who come forth to make war with the Lamb and his chosen and faithful. These latter are those who came with Mother into embodiment to serve and were called out by Mother and her Guru Morya in the 60s, 70s, and 80s to fulfill the 1<sup>st</sup> -2/3rds of the mission of the Summit Lighthouse. We were called to serve the Guru in publishing the Everlasting Gospel. Now, in the ending of cycles of opportunity the chosen and faithful stand in the 33<sup>rd</sup> year awaiting the coming of the Bridegroom. They await in anticipation with oil in their lamps, having multiplied their talents and having cultivated fruit upon their vines. They have come to the wedding with the wedding garment. We heard from Saint Germain on July 4<sup>th</sup> (2020) that the legions of Hades (9 Cancer) came forth in 1990. This saw a surge in planetary population growth. In 1776 we were 700,000 to 1 billion. In 1932 we were 2.5 billion, in 1990 we were 5.5 billion and beginning in 1990 till now we are 7.8 billion. These last roughly 2.5 billion are the legions of Hades, Saint Germain tells us. Jesus tells us in Revelations they are the Locusts whose king is Abaddon, the god of plagues. Since we were born, we have seen the Illuminati plan to abort God in man while flooding the earth, out of the mouth of the Serpent, with almost 4 billion 500 million embodied out of Hades. The Illuminati call them the Millennials. They outnumber Gods children today, 10:1. They were released, Archangel Gabriel tells us in *the Mysteries of the Holy Grail*, to re-visit their decision to follow Lucifer in the original rebellion.

So, we see a convergence in 2020 of the assimilators and the accommodators of cosmic cycles of initiation and the astrological testing of our souls. The I AM race and the sons of Belial

both stand under Helios of the Sun and one is taken and another left...behind. This is the solar eclipse of summer solstice in the 8<sup>th</sup> house, the cause of their death. The one taken has paid their debts in the 8<sup>th</sup> house and now receive their inheritance, the kingdom.

There is a danger, though. Mother taught us on July 4<sup>th</sup> from an excerpt she gave on July 1<sup>st</sup>, 1976 that the lightbearers, the Keepers of the Flame and the chelas turn victory into defeat because of their DOOMSDAY consciousness. This manifests because we are still tied to the fallen ones, the Watchers and the Nephilim.

How is this so? The answer lies in the psychology of the soul. It forms a coil of our psychology wound around our spine. How does this come about? We know Mother's and Kuthumi's teachings. How does this manifest in life experiences? Here is what Cosmic Astrology teaches us.

What is cosmic astrology and how does it differ from worldly astrology? The latter is planetary astrology, ego centric whereas cosmic astrology is Sun centered. The Sun Helios is a star and it revolves around the central sun of the Galaxy. This central sun is located at 1-degree Capricorn (currently conjunct the Watchers, called Psyche). The galaxy revolves around its own central sun, located at 1-degree Libra. This sun behind the Sun repeats till we come to the Great Central Sun. Mother teaches how this all works in *Predict Your Future*.

Kuthumi teaches us in his *Expose of False Teachings* that the devotee masters the planetary forces by calling upon the Solar Hierarchies of the Sun to release the light to consume the forces of the Moon that magnifies and amplifies our residual Martian desires. So, what does this have to do with the psychology of our soul?

It begins in early childhood in our childhood home and early environment. It begins in our natal astrology's 1<sup>st</sup> house. What begins in the 1<sup>st</sup> house in early childhood plays out in Leo in the 5<sup>th</sup> house of children, as selfish love. How we are *formed* in our childhood shapes our lives and conditions us to replay in our later relationships and how we form our own concepts of home in Cancer in the 4<sup>th</sup> house. These processes are subconscious. They act in our worlds subconsciously shaping our revolving memories, our thought patterns, our feeling world, and repeated physical encounters and challenges until we consciously address them head on and replace these habits and mood momentums with Christ like habits and momentums (Lunar North Node).

The soul was created as a co-creator in the image of God. Aries ruling the 1<sup>st</sup> house is where we define ourselves. The word incarnate, I am. What we declare, what we think, we become. What we thought yesterday we become today. Therefore, when we were cast out of EDEN, we continued to create, now misqualifying the light of our Son, our Sun Presence. This energy descends as a coil descending our spine beneath the heart creating the electronic belt. It is this energy that chains us to earth, keeping us earthbound. The Egyptian black brotherhood memorialized this by embalming us, entombing us with material substance (wealth) and substance of the ego (slaves).

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

This creates in us a synthetic self, a conscious awareness of self as Personality. We describe this in the 1<sup>st</sup> house as, our mask. We project a self-image of our lesser self to others. While others perceive our actions and see the lesser self of the soul for what it is. The two perceptions do not usually match up.

This synthetic self and its carnal mind is a collective. It is how we devolved to ape men from Christ, long ago. It is a hive mind subject to its animal nature (animal magnetisms). It is subject to Lunar forces amplifying and magnetizing these mood momentums that Kuthumi teaches are our attachment to material substance and the substance of the ego. The synthetic self, the lesser self is Doctor Jekyll. It has a consciousness separate from the soul that created it. This consciousness is indulgent and partakes of the four animal magnetisms that self-perpetuates itself. Its nature is self-preservation, the survival of the fittest, believing that only the strong survive. The ego is ruled by Mars in Aries on the 3 o'clock line. Mars in esoteric astrology is the base love of self-love, selfish love in Leo in the 5<sup>th</sup> house of the child, our children and our inner children. This is in contrast to its polarity in Aquarius that is selfless love, brotherly love of Christ, our real, higher self. The soul stands in juxtaposition between these 2 selves, lower and higher and must choose, hour by hour as the cycles turn in the clock of the hours.

So, every mis-qualification has consciousness. The collective consciousness is called the dweller that resides in the unconscious levels of the 33 levels of the astral plane. It surfaces in the subconscious to challenge the soul in the moment of decision. The soul is tempted to indulge in the unconscious in Scorpio that rules the 8<sup>th</sup> house on the 10 o'clock line. The only way out is on the wings of the eagle that carries the soul to the wilderness. That is to say, the soul must expiate herself from the challenge of relationships that brought us to that state of consciousness. To expiate is to transmute and to transform, change our form of personality as taught by Akshobhya Buddha on the second secret ray in Virgo the line of the vestal virgins and the Cosmic Virgin.

The soul has been creating and redefining this personality since EDEN when she hid from Maitreya Buddha. The mask is created by the soul to insulate the soul from the evil of the fallen angels. Once she believed the lie, creating duality, she no longer knew the pure state of consciousness of the realm of absolute good. The soul was cast down into the earth where the fallen angels were cast down to. She quickly learned about absolute evil. The soul was naked. She had no protection. She was easily manipulated by the Serpent mind and the satanic antichrist, and the luciferian ego and its pride. So, the soul created Jekyll to insulate herself from Hyde. This is the drama playing out within the soul. It is described as the Book of Revelations, as the battle of Armageddon, the battle for the soul. This is the realm of Gemini where the soul faces the choice to be or not to be, one pointed on the higher mental plane in the Christ mind filled with God consciousness or to be on the lower mental plane controlled by the influence of the Moon on Martian emotions that play out in the mental body as the 8 A's and as the imagination of the heart. This I magic is black magic and it takes the soul on the path of the adepts on the left-handed path. Opening the unconscious to the occult realm of the lower astral plane, called Hades.

The soul has continually been rescued as our Father has sent his Son to teach us who we really are. The consciousness of Personality having become so dominant, the creativity and

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

memory of the soul's origins becoming forgotten. This is the purpose and function of Aquarius in the 11<sup>th</sup> house on the 1 o'clock line where Saint Germain and the angels teach us selfless love of brotherly love and we enter in to the love of the Guru for the chela and the chela for the Guru. It is also where community is formed to prepare the individuals to form families where Truth reigns and individuals learn to hold the immaculate concept for the Christ incarnate in Man.

The soul on her journey home, incarnates in families to balance her karma. These are karmic (+/-) relationships. As the soul evolves over lifetimes her karma recedes and her dharma increases. And when the soul is ready, the guru appears. The closer the soul gets to her Christ self, the more active the dweller becomes. The dweller acts through the collective consciousness of the hive mind, through Neptune, Uranus, Saturn and Mars, the Four Horsemen. The dweller acts through the planetary karma of the collective unconscious. The movie the Matrix captured this. The dweller steps through the veil to attack the soul through people the soul is *familiar* with. Familiars are an occult practice of conditioning a soul to embed triggers in her psychology that is the mutation of the souls four lower bodies and her 12 lines of her clock. See the 6.04 decree, mis-qualifications.

This is especially important today as the Guru Jupiter is on the mountain in Capricorn with the Satans and the Great Guru Maitreya, forcing the soul of the chela to face her dweller, Pluto and to revisit the decision to follow the Serpent from the Mystery School, EDEN. We celebrated the 36<sup>th</sup> anniversary of the return to Maitreya's Mystery School (America) on Pentecost, May 31<sup>st</sup>, 2020. We are in the 37<sup>th</sup> year in Capricorn of the return to the Mystery School (EDEN) to cast out the Serpent on the East Gate, on the path of the 7 Ruby Ray initiations under the hierarchy of the Ruby Ray. These initiations are to prepare the soul to receive her Holy Christ Self in the second coming in 2020 as she concludes 33 years on the path of her personal Christhood under the initiation of her heart by the holy Spirit to forge the diamond heart where abides the Christ self in the secret ray chakra of the heart. The soul stands in the 46<sup>th</sup> year concluding the cycle of child birth by the Divine Mother giving birth to Christ in the people in the second coming. These are the Vestal Virgins who have the oil in their lamps that are the seven chakras, filled by the fires of the Ruby Ray and the Christ mastery of the souls bond to Christ and Guru having assimilated them for the last 33 years and worked the work of the ages...dissolve by the transmutation fires the dweller so that in the hour of the encounter on the mountain 2018-2020 the soul will be victorious and the Bridegroom come to fill the vacuum, the second coming.

The soul's untransmuted karma is a grave cloth that holds the soul earthbound. It is self-perpetuating because it has the consciousness of the Personality or mask that is the manifest subconscious of the dweller. Mother teaches this principle in detail in *Fallen Angels Amongst Us*, as well as, in *Predict Your Future*.

The soul is creator of her own prison and the chains that bind her. This accumulated consciousness is a force that conditions the soul and is easily manipulated on the Nadir by the fallen angels and their curses that bind and shape this consciousness. Mother and Mark taught us about these habits and momentums. Kuthumi the Master Psychologist teaches us that these are mood momentums, the attachments of the soul. These attachments are taught the soul in early childhood in the home and early environment. Parents condition the soul to the world they live

in, be it materialism or the ego or the ESSENE Community. Families are karmic ties. They are our mackerels. But let's look back one or two million years ago. We were incarnate with the fallen angels whom we followed, in our rebellion in the Mystery School, into the earth.

They practiced genetic engineering upon us, cloning our soul as taught by Morya in August 1987 during the harmonic convergence. They created as much as one million clones of each one of us, using our DNA. It has been our responsibility to go after this DNA and recover it as taught by Mother in Summit University (Great Divine Director Quarter).

This force we have created conditions our soul by our responses to external stimuli from parents and siblings and extended family, even friends of the family. These habits are ruled by the Lunar South Node in your charts. They are Moon Momentums, mood momentums, attachments that the soul has formed. They make up the state or condition of the soul in the 1<sup>st</sup> house. They are calculated to hold the soul slave to the Personality, as her identity apart from God. It is the MATRIX, to milk you of your light. The key is to have souls transformed on the path, then to gather in Community of the Holy Spirit (ESSENES) and by the immaculate Concept in Scorpio on the 10 o'clock line parent children in the first house who will stand in the 5<sup>th</sup> house ruled by Leo as Christ children who will in one 12 year cycle embody the teachings and teach in the Temple, then go on to advanced initiations so that by 18 the soul is ready for Morya's initiations. The soul then comes to Maitreya's initiations during the Saturn Return preparing the soul by the age 33 to incarnate Christ and begin his/her 3-year Christ Mission and the 14 tests of the crucifixion. So that those whom Christ has gathered and taught will continue on in the work of the ages to build first the ESSENE communities then the nation of God-Government then the culture and civilization of the Divine Mother, come again.

This creation of the mask, of the Personality, to insulate the soul from absolute evil is really the relative good and evil of Jekyll and Hyde. It plays out this great drama within the psyche of the soul we call psychology of the soul. It is twisted and seeks to preserve itself in Libra in the 7<sup>th</sup> house on the 9 o'clock line in our relationships with the marriage partner, the Guru and the chelas and even with Twin Flames. We saw this since 1990 when Sanat Kumara re-united Twin Flames, their karma has overwhelmed many in the last 30 years.

This psychology hides our dark side. It is the dweller and it hides in the unconscious, surfacing to just below the surface of consciousness. This is when we indulge as does Jekyll in the perversions of the 12 lines of the clock according to our natal, progressed and transits triggering our solar return charts. We satisfy our desires (appetites) thinking (serpent) that surely, we won't die, yet Mother teaches us that each time we are deceived because the dweller gets stronger each time yet portrays to the chela that the chela is master and the dweller is under control. When in fact the soul is not master but slave to the dweller and the day will come when the dweller is stronger than the soul who has become slave to the Personality who is the puppet on the string controlled by the dweller. The Masters, we are taught force the chela to face her dweller before this shift occurs. Or for those who have rejected the love of the Divine Mother and the path of initiation, the Masters force them to face their dweller and become what they have created and have refused to slay. Thereby are the scriptures fulfilled in 2020, the sons of perdition.

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

We are seeing this happen in the summer of 2020 with the interceptions as all are forced to stand in Hamlets shoes on the mountain with the Gurus and face the Watchers, the Satans, the Serpent and his seed and our own dwellers and choose whether we will fulfill our destinies next year or become the sons of perdition, antichrist and oppose those whom the Christ has chosen, those who have oil in their lamps. We are being tested in 2020 to determine who rules him or her selves and who has bowed on the mountain to rule over others. We are being tested in 2020 to determine who will rally to Uncle Sam, Saint Germain as he sends Merlin back to Camelot to cast out the Black Magicians and who will rally to the embodied archetypes of Antichrist who are rising up against those rallying to Uncle Sam, to Saint Germain.

The key, Maitreya teaches us is to call upon the Lord, the ascended masters who will come in answer to our call and bind the dweller and occupy in its stead until the soul is capable of occupying the office of Christ. The soul calls in the 1<sup>st</sup> house to the Christ self and the Guru in adoration and exaltation of the God Flame individualized in the soul's heart flame that is being initiated, since 1988, to form the crystallization of the diamond heart. The crystallization of the God Flame, the Father in the Sun, our Son. This is occurring to correspond with the coming confrontation with Abaddon (Apollyon) and the locusts out of the bottomless pit on the 6 o'clock line at the North Gate who comes to make war upon the Lamb and those chosen, in 2020 and beyond. They do this to fulfill prophecy and to prevent the Chosen from fulfilling their Missions and their mantles that Sanat Kumara promises to bestow. Saint Germain told us on July 4<sup>th</sup> (a replay from 1976) these locusts incarnated beginning in 1990, he called them the Legions of Hades. They are now approaching 30 years old and are called the Millennials. 2.3 billion have incarnated since 1990.

We have been initiated these last 33 years, 36 and 46 years so that we would stand in 2020 having multiplied out talents, born fruit upon the vine, and produced oil for our lamps so that when these locusts come, to play out through Lilith (the Black Moon), Chiron and Mars we will not be silenced, referred to as the silencing of the lambs. The key is to stand in Leo and rule the lesser self, determined not to be ruled by the collective consciousness of the personal and planetary dweller that forms our MC Nadir and Ascendant Descendant axis but to fasten Self to the cosmic cross of white fire and fulfill our missions that are unique to the individualized God Flame within the heart of the soul.

The soul comes to 2020 prepared to meet the Watchers, the Satans (Saturn), the Serpent (Dragon) and the dweller (Pluto) on the mountain in Capricorn, who have gathered in Capricorn to silence the Lamb and the Lambs Wife on the South Gate. They are using malicious animal magnetism to intimidate the soul who comes in 2020 to be tested to show herself approved. The key to the test is to stand in Capricorn on the midheaven as the Logos and release the Word, the science of Invocation calling upon heaven in a public demonstration of Gods Power over men. This was demonstrated to the Suernis by Rai Ernon who went alone to stand before the Sald, the Chaldean army. We have come to the hour of the judgment. It will be delivered through Christ in man Emmanuel with us, through the word spoken.

The four angels released from the Euphrates river in Iraq since 1991 and 2003 (two Iraqi wars of the Bush family) are playing out through the Watchers, Pluto and Saturn at the Y in the road on the Mountain Path as the collective consciousness emerging from the unconscious into

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

the subconscious causing many to take the left handed path and to follow the Locusts, the Legions of Hades we call the Millennials today and play out through Mars, Chiron, and Lilith on the East Gate. This is where we are confronting the Serpents seed who are aggressively silencing the lambs, the true Christs and true prophets and friends of God. The test is “NOT to Engage” but to invoke the light of Heaven for intercession and the judgment.

Call for the cutting free of the people from the records and psychology of their early childhood environment that formed the chains that still hold the soul bound as the condition and state of mind, as feelings and moods that suddenly surface in old age, rising from the subconscious as revolving memories, as mental patterns, as feelings and as physical vibrations that place the soul out of alignment with the Divine Mother and her Christ. Call to Lord Krishna to come to each one at the age of their childhood trauma to heal and to release the light of judgment so that the little child can come forth to lead.

The dweller, Pluto is playing out through the Pale Horse Neptune, as Antichrist, having rejected the love of the Divine Mother, still chained to the Earth Mother, that Kuthumi teaches we see in the Mirror of the Moon Mother when we are the lesser self, the Personality. Neptune rules the Christ Mind and the collective mind, the collective consciousness that is ruled by the Moon Mother as the mass consciousness.

The 12<sup>th</sup> planet, also known as the Egyptian Black Brotherhood practiced genetic engineering to shape our four lower bodies to separate the soul from her Christ self. This played out at conception through the gestation period and then in the early childhood home and environment. Pulling down the consciousness of the soul-child onto the plane of the mass consciousness, the realm of animals. Hence, we were called goiem. Society (Neptune) was shaped politically and economically by the communist state to purge the Holy Spirit from man.

We have come full circle. The masters (Jupiter) are conjoined our dwellers (Pluto) on the mountain at the Y in the road to fulfill prophecy and the promise. We stand in 2020 in the hour of the second coming in man at the conclusion of cycles. We stand in Pisces in God mastery or in the fear of the Fallen Angels in Pisces. We stand in the consciousness of the second coming or in the DOOMSDAY consciousness, Mother spoke about in her lecture on July 4<sup>th</sup>, 2020, replayed from 7/1/1976 called “the Responsibility of Freedom, the Karma of a Planet”. Those who stand in this hour in fear, it is very tangible, it radiates out of our pores, and the animal nature in man can smell and taste another’s fear and like vampires smelling blood it ignites the berserker response in them. This is the product of our childhood in our families throughout the ages and it has conditioned the soul to automatic responses that were programmed into the soul in early childhood. These patterns of early childhood continue with us throughout the lifetime. It is the work of the Ages of the Guru and the chela to break these chains as the chela assimilates the teachings and the Teacher.

Our psychology results in and can be described as:

1. Mutation of the souls four lower bodies that follow the soul through her evolution till broken. See 6.04 decree

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

2. The conditioning of the soul to automatic (subconscious) responses, reactions... (Chiron).
3. The programming of the soul's four lower bodies, memory, mind, feelings, physical body (Transpluto)
4. The soul's desires, her passions (Mars) rules Aries (3 o'clock), Scorpio (10 o'clock) and the feeling body (Cancer, Leo, and Virgo, the 6, 7, and 8 o'clock lines).
5. Our mood momentums that are our attachments to material substance and substance of self, ego. (Moon)
6. Our revolving memories and records showing up in our dreams, the night time experiences from the retreats and the astral plane we call dreams (Uranus).
7. Our thoughts, reasoning and our motives that play out as our imagination, I-Magic (Saturn).
8. As physical disease that can be mental, and emotional (Neptune).

These shape the soul in early childhood and follow her throughout the life time that define her experiences and form her relationships (1<sup>st</sup> house – 7<sup>th</sup> house axis of the heart, the Aries Libra axis, the heart chakra). These conditions magnetize to the soul forces that use her parents, siblings and extended family and family friends, called significant others that attack the Christ child come from God, that consciously shape the child's four lower bodies to align with her karmic patterns. It takes the community of the Holy Spirit and the Holy Family to break the soul coil that twists the spine, deforming the soul breaking the soul's alignment with her Christ Self and I AM Presence. The soul-child is helpless in the hands of her mother and father and is a blank slate for the first seven years. These are the years that the child is formed to her divine plan or that of Babylon the Great. It all depends on the parents and the evolutionary state of the soul.

Astrology uses symbols. Symbols are pictures or pictographs which tell stories. You have heard the saying; a picture is worth a 1000 words. A symbol also contains a wealth of meaning. Meaning is relevant to multiple frequencies and octaves. You have heard that El Morya's dictation and written words have meaning on 40 separate levels. The issue is that astrology books are linear not spherical. Symbols like Mercury, the nervous system are also pathways that once freed, our electrons become unpredictable and controlled by the mind. As different octaves have different forces that Phylos the Tibetan instructs us, are and can be in the future harnessed and controlled by the mind. Rai Ernon, the ascended master Ernon today teaches us that all substance comprises only one element shaped by the mind into all matter. In contrast the scientific mind today breaks matter down into a table of 144 elements.

The Christ mind, once it comes forth will revolutionize life on planet earth to a far greater extent than the American Revolution which saw the economics of Christ Abundance begin to appear that shaped America and the world ten years after the revolutionary war ended. It must be made clear that the end of the war did not end the Revolution. We have entered the third century on the third ray of the revolution in 1976. The revolution is to restore God Government that will restore the feminine principle in man and rebuild the culture and civilization of the Divine Mother on Terra.

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

The second coming of Christ in man is the fulfillment of the prophecy that first there will be the one then the many. Christ illumination will consume ignorance (Leo, Gemini, mental body) imparting wisdom. Invoke it, prove the law. We are all Priests of the most high God.

The coil of psychology of the soul, states that God created me like this, I can't change. Change is in the emotional quadrant. I can't change because I will have to undo all MY work. All my comfortability, my compromise that allows me my position and status. It will require that I give up all my possessions, my attachments, my desires. I will have to give up all my baggage. The analogy is the homeless and their shopping carts. The emotional quadrant (plane) corresponds to our water body, Cancer, Pisces, Scorpio. The coil is a counter clockwise energy coil. It's frequency states I fear (Pisces), I can't (Cancer), so I take what I see because I want (Scorpio). We came to the masters and their Messenger and entered the Path of the chela on the path of Initiation with this coil of our psychology. It framed our path and our service and continues to today. It is responsible for the conditions in the 4<sup>th</sup> house that are shaping the conditions we find ourselves in, in our old age. 2020 is shaped by COVID and the planned response. It is shaped by Congress and the two opposing political parties that have since 1790s been at war, that led America to Civil War and two world wars, two Iraqi wars and is programmed to bring us to a final Civil War and to a third and final world war.

Christ, the Cosmic Christ, the Universal Christ is come to break this cycle and the coil. In the 1970s we returned to the Mother Land of MU and we served. The Dark Cycle had entered the emotional plane in 1969 creating a sense of urgency for the Great White Brotherhood as time was running out for mankind. In the 1980s we fled on the wings of a great eagle to the wilderness when the Serpent spewed out of its mouth a great flood to sweep the Woman and her seed away. They put Mother on Trial in LA. In the 1990s, the Dark Cycle entered the physical plane and it became apparent that the die was cast. The Dragon went to war against the remnant of her seed, to strip the chelas from the Guru as prophesied by Mother in 1985 as Archangel Michael announced the 33 year cycle of the playing out of the prophecies of the Book of Revelation and Goddess of Liberty, head of the Karmic Board announced the 24 year plan to bond to the heart of the Messengers in order to bond to the heart of the Cosmic Christ Maitreya. This was the Maha Chohan told us in 1988 the initiation of our hearts to forge the diamond heart so that we would walk the path all the way up the mountain to the great encounter to play out the great drama by assimilating the Guru or to continue in our astrology, our psychology, our serpents coil around our spine that denies the love of the Guru for the chela therefore never allowing the chela to know the highest love that is Loves Victory over our past momentums and the habits that chain the soul to her creation, her dweller.

Mother and the Maha Chohan taught us that we must assimilate the Guru and the path to arrive at the office of Christ by entering into the tide in the affairs of man or be left behind. We were given the choice to bond to the heart of the Guru or be stripped from the Guru. We would in the last 33 years on the path of personal Christhood heal the inner child and receive her love or we would reject the Guru's love determined to do it our way, by leaving off the path, by avoiding our initiations these last 33 years or by failing our initiations that El Morya teaches us is how we justify failure by blaming others as we project our psychology upon our mothers and fathers, our siblings or significant others. Morya says we plan to fail. This implies a conscious effort to avoid the Guru as we continue to hide from the GURU in the Mystery School, returned in 1984.

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

We argue we are doing it our way. The cycle of opportunity to put on Christ is closing as the first wave breaks upon the shores of the Kingdom on November 1<sup>st</sup>, 2020. Subsequent waves will break as the prophecy is fulfilled, first the one, then the many. As the dispensations given the soul in each year since 1958 cycles onto the shores of the Kingdom. The next 12 years will see the fulfillment of many of the dispensations, their prophecies and their promises.

In the 1990s we saw the Herculean Labors, the failed Planetary Invasion and the leaving off of half the worldwide church members. We saw the conclusion of 2/3rds of the mission of the Summit Lighthouse and the beginning of the final 33 years of TSL Mission to get the published teachings into every Home in America, by August 2024. Today we see the story of the Illuminati's COVID revolution to bring in world communism in America. It was launched in 2019 and they gave it a code naming it COVID-19. It was launched on winter solstice 2019, hence the name. They are attempting to pre-empt the cycle of initiation that is destined to produce the second coming of Christ in man, in 2020.

In the 1990's we saw the backlash to the cycle of the Summit Lighthouse to prevent the teachings and the ascended master's names getting into every household in America and to strip the chelas from the service to the Guru, in the 6<sup>th</sup> house. So that they would leave off the path, justifying why and failing to produce the oil in their lamps, multiplying their talents on the North Node, as they played out their past habits and momentums in their betrayal of the Guru on their South Nodes. This is in multiple prophecies, Mothers in 1985 following her trail, the forming of the 24 elders, and the bonding to the Guru in the face of the playing out of the prophecies of the Book of Revelations that warned the chelas of the rising of their dwellers that would come forth to slay the Guru. Mother gave her lecture titled, "to kill a mockingbird or 100 ways the chela can kill the messenger". If you were on staff then you know without a doubt if this is figurative or the prophecy of the Guru to the chelas as Jesus prophesied to the 12 Apostles at the last supper. In 1993 the seven Elohim and Mother taught us about the mega conjunction in Capricorn that would play out in the chelas and KOF that began when the Maha Chohan began to initiate our hearts to create the diamond heart on the path of personal Christhood. Mother taught us we needed to re-organize our church and nation to spread the teachings to give birth to Christ on time or they would be destroyed. Mother taught us that this is the lightbearers "DOOMSDAY" consciousness in her July 1<sup>st</sup> 1976 lecture. The USA and CUT charts are linked by conjunction, a one-minute orb at 10 Taurus. Uranus is now conjunct 10 Taurus. Uranus rules Aquarius and Divine Love, the highest love. It also rules anarchy and terrorism and idea-o-logy. It rules selflove (its electronic belt) and the hate creation of the fallen angels for the Divine Mother who gave birth to the Universal Christ that caused them to rebel in Heaven. They have been released from Hades since the discovery of Uranus in 1781, Neptune in 1846, and Pluto in 1932. Do a Google search on world population and you will see the rate of increase is exponential.

As people began to leave off the path in the 1990's they sold their inheritance in Paradise to the Nephilim who believe that everyone has a price and those who don't they planned to bury them, in materialism as the Dragon attacked the remnant of the seed of the woman (Rev 12:17). It has been 30 years now since the peak of the activity in Paradise Valley. Saint Germain told us that every activity of the Great White Brotherhood has been infiltrated by Vivian and the Modreds and fallen from within. He also said that every Golden Age was destroyed by

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

materialism. Archangel Zadkiel addresses this in *Vials of the Seven Last Plagues* that Materialism is how people today will sell their inheritance. This was triggered at summer solstice 2020 with the solstice intercept in the 8<sup>th</sup> house under a solar eclipse with the Moon at exact conjunction to the 8<sup>th</sup> house cusp intercepting the solstice eclipse.

Christ is coming to deliver the judgment upon the Tares. Christ of every man is judge of the soul. One is taken another left behind. Christ comes to every man's heart and knocks. For many in 2020, he is not welcome. He comes to the door of our homes and is turned away because in Cancer in the 4<sup>th</sup> house he comes as judge. He comes he tells us to divide father against son and mother against daughter. He comes Saint Germain tells us to fulfill the mission of the Summit Lighthouse. To get the ascended master names and their teachings into every home in America. Where their names will be welcomed and cursed. This is the Coming Revolution in Higher Consciousness. ***Have you given it any thought as to how this will launch the revolution in the 3<sup>rd</sup> century of America that will result in the taking back of America from the Dragon over America?*** Do you see the revolution of the Master's illumination sweeping this land in the next 3 ½ years that will put Christ in the White House in the 2024 elections at the fulfillment of the mission of TSL, as Pluto leaves Capricorn and the second of 5 solar eclipses occurs over America in the 35 year period 2017 – 2052? These are come to eclipse the Illuminati in America clearing the way for the fulfillment of the prophecies of Saint Germain and the Goddess of Liberty, that the black magicians will be cast out of Camelot and out of North America, by Merlin as the second coming of Christ in man coinciding with the return of Jesus and his father the Cosmic Christ, Maitreya converge as Emmanuel with us? The second coming of Christ is destined to cut the souls of the people free from the chains that bind them.

The astrological configurations in the 4<sup>th</sup> house in 2020 are affecting the conditions in old age of the aging Boomers and beginning to affect the so-called X generation. Call to the solar hierarchies of the Sun to release the light to consume these generation's fear of the coming changes and the future they portend. Also call to consume their ignorance so that they will elect to be ruled by Christ and not Antichrist at this juncture foretold throughout the age and now upon them.

Another measure of life waves come to earth are by the sign that their Pluto or dweller falls in. The Leo generation incarnated with Mother, 1939-1958; Virgo 1958-1972; Libra 1972-1984; Scorpio 1984-1995; Sagittarius 1995-2008; Capricorn 2008-2024. Each wave has karma with the Guru, defined by the sign Pluto occupied at birth. The Guru of America is Uncle Sam, the prophet Samuel, Saint Germain.

The 4<sup>th</sup> house at winters solstice saw the Sun conjunct the Watchers conjoined the Guru Jupiter with the Dragon's Tail; Saturn representing Maitreya and the Satans and the personal and planetary dwellers of us all, as we gather in Capricorn upon the mountain that everyone has come to recognize has changed our future. It has created a break with the past and you hear people say things like, "it will never be the same again", or "it will never go back to the way it was". The people are consciously recognizing what is occurring in the subconscious as the karma of the fallen angels and of man's ties to them are brought to the surface through the alignment of the stars and the ability of the soul to read the message of the Stars. It begins as a foreboding and if the priests of the sacred fire are not diligent will manifest in the coming

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

months and years as the DOOMSDAY consciousness, Mother spoke of on July 4<sup>th</sup>. This is history repeating itself. Seen most recently in Russia in 1917. Winter solstice released the memory of the karmic records that we were called upon to cast into the flame in 2020 so that we could be partakers of the divine plan for the second coming of Christ in us in the 33<sup>rd</sup> year on the path of personal Christhood.

Spring Equinox saw Neptune, Lilith, Sun and Chiron in the 4<sup>th</sup> house in the mental body as we came to understand the meaning and the import of COVID and the illuminati's plan being implemented worldwide to pre-empt Saint Germain's plan for Aquarius beginning with the second coming of Christ in man rising to meet Jesus and his Father in the air quadrant, Emmanuel with us. Mars was conjunct the Guru Jupiter in the 2<sup>nd</sup> house at 22 Capricorn to publicly demonstrate their Christ dominion (22 in numerology) over their inner boy child and all hatred of the Guru that represents the parents to the little boy child in its early childhood.

Summer solstice again saw Neptune now triggered by Mars in the 4<sup>th</sup> house with Lilith, all in Pisces, who represents that portion of the soul, and those souls who have stood on the mountain determined to do it their way and to lead the people to follow them. Jesus warned us of these ones in Matthew 24-25. This is truly the warring in the members and is now playing out in the emotional plane in our feeling bodies. You recognize this energy that is rising this summer in the subconscious as the lust after the light of America and her people. You see it as the revenge of those released from the bottomless pit, held there since the sinking of Atlantis and Lemuria, the breakdown of Africa (Necropan), India (Suern), Indochina (ancient Siam), Shambala (China), and Antarctic once the kingdom of the lizard people. All this only 10,000 years ago.

Fall equinox 2020 will play out as the people of the I AM Race are tested to choose to elect Christ or Antichrist to rule each one individually, to receive Christ in the second coming or to elect to be ruled by another and to follow them in the judgment. This the final hour for all released from Hades, in 1990 as taught by Saint Germain in 1976 and by Archangel Gabriel in *the Mysteries of the Holy Grail*. **Will we follow them or Christ and follow Merlin back to Camelot to cast out these Black Magicians?** The catch 22 is that God will leave us to our own demise until some will respond, become the Christ allowing the Father, in Emmanuel to occupy our temples and thereby intercede in the affairs of men. The second coming of Christ in man is prerequisite to Gods intercession. Otherwise his coming will manifest, Saint Germain tells us in, *Saint Germain on Prophecy*, Book 2 Chapter 2 in a nuclear first strike upon America. Nostradamus tells us that this will occur on the 45<sup>th</sup> parallel and against NYC from the sea. And that Russia will change heart and join America to face the challenge together. The people will be tested by listening grace to the soul's intuition, the sensitivity of the soul to the word of the Guru, his/her warning to the soul that will be critical for immediate and loving obedience if the soul is to survive the coming challenge this fall on the mountain with her dweller. The moon is conjoined the apex of a YOD at the Y in the road upon the mountain. **Will the soul (Moon) take the hand of the Guru or act going her own way, leading all who will follow, them.** The YOD branches to Hades at 10 Cancer in the 9<sup>th</sup> house and to Uranus at 10 Taurus governing America's and the Church Universal and Triumphant's Sun sign (separated by a 1-minute orb). Uranus is in the 7<sup>th</sup> house in the second decant to test the soul who loves, if she will declare her independence from the Dragon over America and the Church and be ruled by Christ and go

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

forward from this fall to take back America with Merlin, Saint Germain and the Goddess of Liberty. The time has come. The soul stands upon the mountain with the Guru and is called by the Guru to slay her dweller that Christ might enter in. This is the second coming.

The Guru Jupiter is on the mountain at the midpoint of our past habits and current momentums, our attachments to material substance and ego substance, and is being martyred by souls who have come to this point on the path yet won't let go and as Rich Richards and Thomas More, the soul must sacrifice the Guru instead of the dweller to satisfy the vengeance of the Dragon's (South Node) Tail, the backlash of the Dragon, the accumulated conscious of the collective mind of the Legions out of Hades who have chosen to follow Lucifer not Christ. Jupiter stands on the midpoint of the Moon and her South Node in Sagittarius.

These old habits and momentums make up the psychology of the soul, formed in the early childhood home by the child's early environment. They now oppose Venus the faithful chela conjunct North Node in Gemini in the 1<sup>st</sup> decant of the 9<sup>th</sup> house who is called in the summer of 2020 to stand in devotion to the flame burning within their hearts and take their stand upon the mountain with the Guru. With Saint Paul our soul can truly say, "the good that I would do, I do not. And that which I would not do, I do". The faithful knows this and in humility calls upon the Guru who comes in answer to the call and binds the soul's dweller and occupies, filling in the vacuum. These are the teachings of Maitreya. See *the Six Pointed Star of the Lord of the World*.

We are called to use the resources given us, the everlasting gospel, to bind the dweller that has invaded our home, our land, and our homeland and would take it (Heaven) by storm. This is all occurring in the 4<sup>th</sup> house of the individual, the nation and the church. We are called to deal with the Dragon's Tail and the Moon's mood momentums of the soul who survived life as a helpless child in her childhood by creating coping mechanisms, mood momentums that now stand between the chela and the Guru. Saint Germain and Krishna know this and have answered even before you make the call. They have given you the violet flame to dissolve this coil of the soul's psychology. It must be consumed because these are the same coping mechanism that caused the soul to hide from Maitreya in the Garden of Eden that are now playing out in the ending in Maitreya's Mystery School returned in 1984 and now playing out with the return of the Serpent to the Mystery School that began in 2012 with the precession of the equinoxes and played out through the seven Pluto Uranus squares between June 2012 and March 2015. This has set the stage for the all that has happened, leading up to the 2016 elections and now the 2020 elections. If America and the Church is to survive as taught by Mother and the seven Elohim in 1993, the Soul must attain to the office of Christ in 2020 in the 36 year of the creation of the office of the 24 elders on the path of forging our Christhood in the 33<sup>rd</sup> year. Opportunity for the called-out ones is ending. Morya told us that if he cannot achieve this with those called and chosen in the 60s, 70s, 80s, and 90s then he said he will raise up a new generation. That generation begins to incarnate at winter solstice 2020. This has been the Message of the Stars for 2 cycles or 24 years now.

The soul learns to hide behind a mask to defend herself in early childhood. This triggers the past records and activates the pre-existing coil from previous lifetimes. The child learns quickly. The bad mother replaces the Divine Mother and the soul is caught in the past. All

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

because the child must defend the Christ in the face of the lack of attainment of the parents who become pawns to the dark forces attacking the child. The child is taught to hide from the Guru and learning possessiveness, the child learns to withhold from the Guru who comes to transmute the chains holding the child. The child is conditioned to reject the love of the Divine Mother as she faces the Moon Mother in her parents. Therefore, the soul withdraws to the seat of the soul as conscious awareness of the early childhood environment takes hold.

The soul who is advanced on the path retains the memory of the Guru and the Divine Mother and like the prophet Samuel, Mark and Mother, they go within finding a quiet personal spot and pray to God to retain consciously the memory that becomes the prayer of the little child. In this manner, an Adept is born and comes into the world to carry out their destiny. The defining factor is the soul's exaltation of the God Flame through the spoken word versus the soul's going within. These latter must transform themselves so that later in life they come out of themselves to fulfill their destiny, having first paid their debts. Transformed in Leo in the 5<sup>th</sup> house and under the initiations of the 7 rays and the 5 secret rays, the soul calls upon the Lord Christ in the time of Troubles.

As the soul of the child faces the South Node & the Moon's past momentums, the dweller of their collective subconscious rises midst our desires and mental patterns that are the return of our karma. In Leo and Gemini this manifests as Spiritual Blindness. This infests our inner and outer worlds. The cosmic clock also teaches us that it manifests as emotional and mental density and eventually, retardation takes hold of the soul. What has occurred is that the soul learns to hide first from the world, which then becomes the soul hiding from her real self, because of the out of alignment state and condition of the mind in the 1<sup>st</sup> house.

This psychology of the soul is calculated by the dark forces, who are working through the parents who usually do not have the spiritual attainment to protect the child from these forces. They do not recognize these forces in themselves. Thereby, the fallen angels coat the soul in her karma and that of their parents, at a very early age. Therefore, the past records surface, through the astrological configurations in the signs that Maitreya teaches us are the houses of the solar hierarchies and in the astrological houses where the karma was originally made, and the soul who has incarnated, Maria Montessori teaches us, has a mind that is a blank slate. This holds true, Saint Germain taught us on January 1<sup>st</sup>, 1984 during the Class of the Solar Ring, for the soul has renewed opportunity on their birthdate each and every year. We have a new blank page upon which to write. Hence the child-man, the child in man. This is not a one-time affair involving our early childhood environment. If left unchanged it will return full circle to plague the soul in old age. We are given a Guru Teacher, a path and a Community, now it is up to us to put the teachings to practical use and to walk the path of Initiation which is the path of self-transformation that becomes the diamond mind and heart in Aries (Libra).

Thus, we are able to magnetize the Beloved who comes and takes his bride. Now the Holy Family can begin, a cycle of birth of the Christ child raised by a Holy Family in a Community of the Holy Spirit. This is the plan and you are the material by which it is being forged. We are called to walk in Jesus' footsteps and fulfill our destiny. Mighty Victory teaches that the path of initiation determines in the first 33 years of every century if Christ will come forth in that century. We were prepared in the 20<sup>th</sup> century for as many as 40 years to ready to

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

walk the path and attain, in Scorpio in the 8<sup>th</sup> house, the Christ mastery to stand with the Guru in 2020 in this hour to face the confrontation between Christ and Antichrist in the Mystery School. Saint Germain teaches us that every American is obligated to walk the path of the Ruby Ray and take the seven initiations of the hierarchy of the Ruby Ray. This initiation is not only for the called-out ones, chosen to be Priests of the Sacred Fire, the 13<sup>th</sup> Tribe. It is also for the 12 Tribes who are called to stand with the 13<sup>th</sup> Tribe who stand with the 12 Tribes and uphold the arms of the Guru before Babylon the Great in Capricorn on the mountain to cast them out of the earth. Thus, it is that in the:

**First Period**, we were called in the beginning to serve the Guru to publish the everlasting gospel, 1958-1991.

**Second Period**, we were given 33 years to get these teachings into every household in America, 1991-2024.

**Third Period**, we are given a cycle of 8 years to cast the Black Magicians out of North America and put an end to the threat of war, that threatens to destroy America from within. 2024-2032. In 1988 and again in 1996 Mother gave us the astrology of the Millennia and specifically addressed the **Saturn Uranus cycle** of war. She gave us the three indicators and supported her prophecy by backing it up with Nostradamus' prophecy of war and his own indicators. The midpoint in this cycle occurred on election day 2008 which saw the first of 5 Saturn Uranus oppositions, through July 2009 that foretold Mother's death corresponding to the playing out of the verse in the Book of Revelations chapter 11 verse 7. The 404 verses began the march on the cosmic clock on summer solstice 1985. It was announced on that day by Archangel Michael. Mother taught us how to place the 404 verses on the clock in her lecture, "the 2000-year ride of the Four Horsemen".

**Fourth Period**, we are given a cycle of eclipses over America that began in 2017. This was the first of five over the following 35 years. It was the first eclipse over America for 35 years. This eclipse was of the series that began in 1776, the founding of the Weishaupt Illuminati that includes the Rothschilds, born to pre-empt Saint Germain and the Destiny of America. This series also saw the eclipse that occurred two months before the outbreak of the Spanish Flu in 1918, which killed millions. The eclipse of 2017 foretold the COVID outbreak and the Illuminati attack on Saint Germain and his disciples in America. The message of the Stars has delivered to us in this eclipse the clock of Destiny as the mystery schools have called esoteric astrology. We are fore warned.

The remaining four eclipses over America are calculated to bind and cast into the flame, the Dragon over America. Prophesied by Saint Germain and the head of the Great Karmic Board, Goddess of Liberty as the casting out of the black magicians out of Camelot and North America. The second eclipse will occur on Mother's birthday in April 2024. It will cross the path of the first at the point of greatest eclipse for that eclipse. It threatens to activate the New Madrid earthquake fault. It is anticipated by the Federal Government. This eclipse corresponds with the third period above, the end of the cycle of war.

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

The final three eclipses will occur between the period 2032-2052. They will occur in 2044, 2045, and 2052. This will see the sealing of the soul of the individual, the sealing of North America and the Western Hemisphere. It will also see the sealing of the planet as described by the Goddess of Liberty in the fall of 1979 during her quarter of Summit University.

**Fifth Period** is the final period covering 2052-2079. This will see three solar eclipses over America, in 2071, 2078, and 2079. This period the Goddess of Liberty tells us will see the removal for earth of most fallen angels. The few remaining will be hiding in the subterranean levels of the planet. Their karma will dictate by then that they cannot reproduce nor escape the planet as it will be sealed by then. This also Mother Liberty tells us will preclude the fallen angels being reinforced in the earth from the aliens who will no longer be able to access the earth.

We also have been told by Mother at Summit University, Great Divine Director quarter, that the Moon which is hollow and dead will, by undefined means, come alive again. This means the rotation of the moon will accelerate, no longer leaving a permanently dark side. This has dire implications for the Alien bases on the far side of the moon. As they will be susceptible to the Priests of the Sacred Fire of the Ruby Ray who will have dominion over the earth and Moon. As well as, the subterranean levels of the planet.

We will see play out the 1984 judgment of Evil in the Matter Universe in this section of the Galaxy and in this solar system. We have been told that if earth has its victory, the dispensation will go forth that will see the victory of every planet in the physical plane in the solar system. Life will return.

The 21<sup>st</sup> century in 2020 has the next 12 years for Christ and his mission to be completed. We stand in 2020 on the path of personal Christhood forging the diamond heart to have the place prepared for the Bridegroom. This period is the completion of the second period (above) and the third period. It coincides with the first generation of the 21<sup>st</sup> century, 2000-2033. The second generation 2033-2066 and the third generation 2066-2099. Mighty Victory teaches that these 33-year cycles of becoming Christ is broken down on the path of initiation into:

2000-2007 seven years to gain and demonstrate (attain) Christ mastery in the etheric plane over our memory body and to weave the seamless solar body. To master the etheric plane and the forces operating there. Especially Uranus which rules the karma we make as unascended beings in the etheric plane, in our etheric bodies.

2007-2014 seven years to attain Christ mastery over the mental plane and our mental bodies and the karmic patterns of making karma in the mental plane.

2014-2021 seven years to attain Christ mastery over the astral plane and our emotional bodies, and the karmic patterns of making karma in the astral plane.

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

2021-2028 seven years to attain Christ mastery over the physical plane and our physical bodies, the karmic patterns where we make karma in the physical plane (early Childhood/Old age).

2029-2033 Following these first 28 years, we come to **five years** of inner initiations on the five secret rays to master the challenges we will face through the public demonstration of the 12 rays, the seven and the five. Preparing us for the coming of the Bridegroom in the many to follow.

2034-2036 This prepares us for **the three years** in the Buddhic initiation of Christ Mission on the Cosmic Cross White Fire the 14 tests of the Crucifixion to prepare Christ for enlightenment when he reaches the 12 o'clock line in the 36 anniversary.

2037- 2087 Now the Christ is resurrected to walk the earth in his etheric body as world teacher for **50 years**.

If you compare the previous five periods covering the years 1958-2079 with the initiates becoming Christ and their cycles corresponding to the planetary cycles, we see a correlation. 2000-2089. Those alive today will walk this path and meet the challenges presented becoming Christ in the second coming to fulfill all things, in the Age of Miracles to fulfill Jesus word, that all he did we would do and more.

In astrology the soul evolving to become the bride of Christ walking in the imitation of Christ must master the energies of Neptune and Uranus. These planets provide the testing of our souls to publicly demonstrate our mastery of the mind on the higher mental plane (Neptune) and selfless love (Uranus). This is the path of self-sacrifice, the transformation of the lesser self while receiving her higher self. Neptune is at once both the individualization of the God-flame within the secret chamber of the heart and it is also the collective conscious of the lower animal nature. Neptune rules the underworld, crime and vice in all its manifestations from drugs to sex, fraud and deception. It rules voting and all election fraud. Neptune rules illusion and self-hypnosis. It rules the sleep consciousness, burying one's head in the sand. It represents the death consciousness of indulgence and is the Pale Horse, Death. Neptune is in Pisces to test our souls at the ending of cycles to see who is master of their ship in 2020 and who is self-deceived. Still believing the lie of the Serpent from the Garden of Eden.

We are being tested to see who amongst this evolution on Terra has risen to the casual body of Neptune and Uranus and who has been dragged down into their electronic belts. Those who have transformed themselves have restored to them the lost feminine principle of their soul thereby able to magnetize by the heart flame their Christ Self. This is the second coming.

Those who have fallen into the depression of Neptune's illusion have fallen into the forbidden forest where the beasts of the earth and the sea lay waiting to devour them. Revelations tells us that they will be forced to worship the beast out of the sea and then the beast out of the earth will force them on the pain of death to take the mark of the beast in order to buy

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

and sell. This danger is increasing as Jupiter Saturn conjunct Pluto in Capricorn. Where all are forced to face their dwellers and choose to be or not to be as prophesied to every Keeper of the Flame by Mother in her July 4<sup>th</sup> Address in 1996.

We have seen how the state of mind and the condition of consciousness that manifests in our old age was forged in our childhood where it sets the stage for the conditions of the soul in old age. These were calculated to trip up the soul so she is not prepared for the second coming. Leaving the soul with less than the required talents to bear fruit on the vine or to produce the oil that is necessary to keep the hearth burning and a light on to welcome the bridegroom. Some have no oil and their homes are dark, there is no welcome. Their hearts have grown cold.

The Guru comes in the dark night of the spirit. Jupiter conjoins Mother's descendant at 20 Capricorn three times in 2020. The Guru comes and knocks three times, the last time is in late October 2020. Mother told many, even one on one, that she would return. That prophecy is fulfilled in 2020. Many will have no room in the inn and will turn her away or not answer the door in the night, for fear. This is because they stand in Capricorn on the mountain with Saturn and Jupiter, **as their Pluto** instead of bonded to the Guru and together bind their dweller as prelude to the entering in of the Holy Christ Self. These latter have determined to do it their way instead of the Way of Jesus and walk the path all the way up the mountain to his Father, Maitreya. They have left off the path on the mountain of their karma and have failed to climb the highest mountain of God's consciousness under his illumination in the dark night of the spirit. They have taken the outer path that is the left-handed path of ambition in the outer organizations of the nation and the church, having cycled through once more their past, repeating their karma of the ages. They still believe the lie of the serpent that only the strong survive because of the survival of the fittest. They have believed the lie. They have been conditioned in the old age so that when Emmanuel enters the house, he will divide father and son, mother and daughter.

When the Guru returns, many who occupy the office of chela will reject the Guru, not recognizing her because they have not bonded to her heart to bond to the heart of Maitreya and have not transformed their lesser self. While those who have assimilated the Guru will recognize her and run to meet her as they did in their 20s back in the 1960s, 70s and 1980s.

It is the early childhood home and the child's relationship to the mother and father and her siblings, even significant others, that has forged the soul's psychology that has prepared the soul to reject the Guru or to withhold from the Guru. This conditioning at an early age was determined to be triggered in later life when Chiron transited Mother's Mercury. This is occurring in 2020 and will continue through January 2022. This trial follows upon our testing that began when the Sun entered Taurus in 2018 and continues in 2020 when Chiron tried conditioning our souls as Chiron conjoined Mother's MC at 2 Aries. Here, Chiron stood on Mother's MC conjoined the APEX of the YOD to Transpluto (Aliens programming our minds) and Apollyon (god of plagues, king of the Legions of Hades, the Locusts, the Anunnaki and mechanization man). We have been on the mountain these last 30 months to demonstrate our Christ mastery of the 12 rays to claim our office of Christ and to defend the Guru and uphold her arms in the Judgment in Capricorn of evil in the matter universe beginning here on earth within

our own electronic belts or to bow down upon the mountain before all the fallen ones gathered on the mountain for the judgment.

We have been initiated these last 5 years to demonstrate our Christ Mastery to prepare us for this fall when we must face our dwellers on the mountain. To the victors, our Holy Christ Self waits to occupy the vacuum left by the dweller. For the destiny of the soul waits in 2021, at the river Jordan where the Guru awaits to anoint the soul to fulfill the promise of Sanat Kumara.

- **They are the initiators who come from the dark side. - Unto you is the cup of victory
- Judgment of the power elite
- Mighty scepter of the Trinity in the hand of the Holy Christ Self
- The **SUN** consumes all unlike itself. You can do anything through the Cosmic Christ consciousness of the **SUN**. Remember that ye are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.
- ...the dark clouds of the fallen ones that attempt to cover and eclipse the **SUN** of your I AM Presence.
- Let not the eclipse of the sun or moon in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence!

## CHILDHOOD BAGGAGE AND OUR CONDITION IN OLD AGE

Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.

- *...these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1<sup>st</sup> house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
