(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

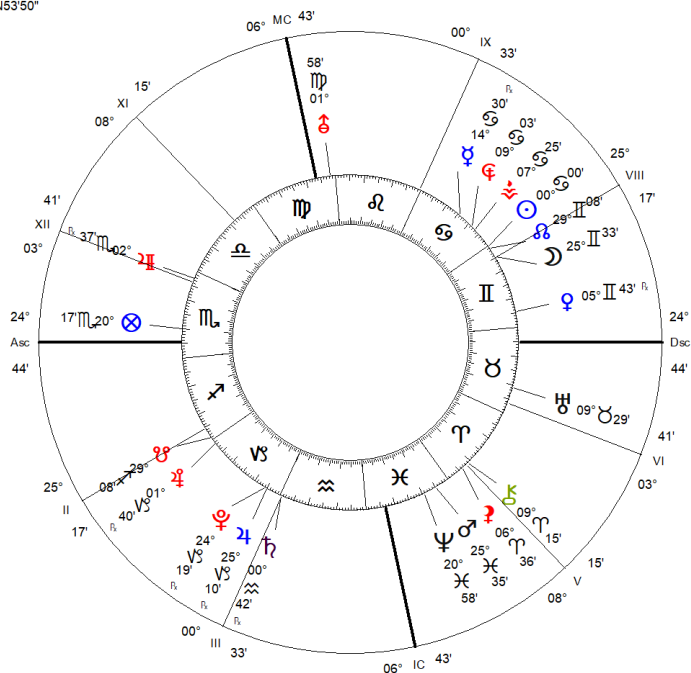

We saw in the previous document, "[*Seeing with Eyes Clearly, or Darkly*](#)" that all on earth and certainly in America are come to the **ABYSS** that must be crossed if we are to fulfill America's Destiny, her promise to a planet, of the coming of Christ in man (*the second coming of Christ*). Many do not believe this. They still expect Christ to continue to die for them that they may continue to sin. They have transferred their burden of responsibility onto Jesus Christ. All is illusion.

But not all. Many have not lost the vision in 2020 and they see clearly...what must be done. They see clearly what is happening. They have *prepared* these last 2000 years in their *walk with the Master*. They have come to 2020 having demonstrated their Christ mastery on the 12 lines of the Cosmic Clock these last 33 years. They have been called and chosen and have submitted to the twelve solar hierarchs who have been initiating their hearts to forge the Diamond Heart of their Christ Mastery **that is now responsible for transforming the world**. It is this diamond heart being forged in

America, the heart of the living planet, we call Mother, and in the hearts of God's people in the nations, the I AM Race that are called and chosen to fulfill the prophecies through Emmanuel with us, in this hour of *World's Turning*.

We are called in 2020 to see with eyes clearly and to dissipate or cut through *the fog of spiritual warfare* that is raging across the planet. As the Mayans and the Satans, the Serpent and his seed have been released from the Bottomless PIT, called *HADES* (at 9 Cancer) since 1939 and earlier who have come out of the pit to receive their final opportunity, that Archangel Gabriel tells us in "*The Mysteries of the Holy Grail*", is to re-visit the decision they made in heaven, to follow LUCIFER, (to) here on earth. This is the hour of fulfillment of prophecy, of all that is written. God has written, in Revelations chapter 17 verse 17, "*For God hath put in their hearts to fulfill his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.*"

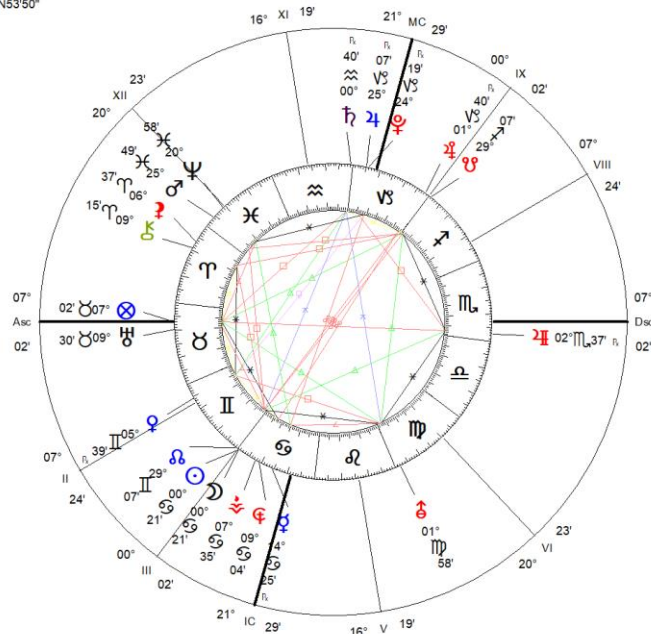

All that we see happening is by the hand of God. God the Father sent his Son to find us and to cut us free from our ties to these fallen ones whose final hour, has come. We are here today, to play our role, *our destiny*, upon this stage, in the scenes that are to come. We were called and chosen by Jesus Christ himself, 2000 years ago to choose by free will and by walking in the Masters footsteps to play our scripts given us by God, our destiny we call in astrology the debt of destiny (Pisces ruling the 12th house). It is a two-edged sword. You must pay your debt to Christ to play your destiny with Jesus and his Father, all three, Emmanuel with us.

Astrology is the science of the clock of destiny. It foretells the timing of initiation, describing the challenges that will manifest each day as events, through the clock of the hours. The law of karma is precise. It is a tool useful only to those who take accountability and responsibility for creating it. They understand that it is *the* tool to fulfill destiny on the path of initiation through the cycles of initiation in the twelve solar houses, as taught by Lord Maitreya.

Many have come to the abyss in this hour and are filled with fear, while others come to this hour holding the hand of God. They have stood at the **Y** in the road, the YOD *since* the Son (Sun) entered our *temple*, the four quadrants of being, (*fire, air, water, and earth*) when the sun entered Taurus in 2018. We stand and still stand in 2020 at the **Y** in the road climbing the highest of mountain of God, and are forced by the Masters (Jupiter) to face our *dwellers* (Pluto). This is our personal and collective consciousness of the creation we have created since our fall from the mystery school (the Garden of Eden).

This creation (the consciousness of our *Personality*) is at war with all that is pure and holy in man, the Mother light of the Feminine ray, called the Moon Mother that is a mirror reflecting the pure image of the Sun that is Mother in Matter, the embodiment of the Father in the Son. Only the Mother in embodiment may mount the Summit to rule the nations as Christ and rebuild the civilization and culture of the Mother that these fallen angels destroyed on the continents of MU and Atlantis and on the continent of AFRA and in the Mediterranean Sea basin that in their corruption of the feminine ray sank 10,000 years ago. This is a story that must be told for Atlantis is rising is this hour. Colonel Churchward compiled the remnants of the history of MU, while the Greeks captured their invasion of the Mediterranean with their embodied gods on Mount Olympus in their history that has become mythology. It is here that we have taken up the story with our Father Abraham as the remnant of the 4th and 5th root races were gathered for their salvation from certain death (second).

So, we see that our story goes back 1000's of years. Our planet is very old. Our story began in EDEN, on the etheric plane, where we fell through our disobedience into the physical plane and have been sinking in vibration (*frequency*) ever since. That is to say, we have been de-evolving in our soul's evolution under the Serpent and the Dragon (the Red and the Black). These represent the false hierarchy of the Ruby Ray, imposters of the Masters. They are cast down into the matter universe. These embody spiritual wickedness and have been imprisoned in the black holes in the matter universe. They are contained in prisons of LIGHT. See the black hole in the center of the Milky Way. You see only light.

We stand in 2020 at the edge of the ABYSS. It must be crossed to reach the Kingdom of God, the promised land. Only by grace can we cross. Only by forging the wedding garment, the diamond heart by our steadfast constancy and humility on the path that Jesus walked under the initiations of his Father, Maitreya, can we acquire the price of passage, the oil in our lamps, the fruit on our vines (God qualities of the 12 signs of the Zodiac, the 12 God Qualities of the Cosmic Clock) that have become the multiplication of our Christ talents, "because I go to my Father, *all I have done* you shall do and **more**...". All must take the hand of the Guru (Master) in 2020. This bond has been forged these last 36 years since the cycle of opportunity was offered in August 1985. We are approaching the 36th anniversary and only those who have assimilated the heart of the Guru will have forged the diamond heart under the initiation of the Holy Spirit these last 33 years that began in February 1988 during the mega-conjunction at zero Capricorn.

Many still follow the seven churches to whom Jesus sent his message in the Book of Revelations, judging their seven states of rebellion against his Father by those who worship the woman, “*whom thou sawest (who) is that great city, which reigneth over the kings of the earth*” Revelations chapter 17 verse 18. Jesus fulfilled his mission to cut us free by *the WAY* he showed us, a path to walk that would be the salvation of the lost sheep. Lost since Eden. Lost to the Antichrist who has perverted the *Way of Christ*. We call this the anthropomorphic god. Though we have a label for it and understand it in principle we do not apply it in our lives because we choose not to follow in *the Way*.

Instead, many today choose the way of Dialectic Materialism, the death of the Holy Spirit in man. This is Chinese and Russian Communism. This is Corporate (State) Capitalism. This is the Dragon over America. Michelangelo painted this picture of the churches feeble attempt and lack of God Gratitude. He captured their intent to take the hand of God. He painted in the Sistine Chapel man’s and the church’s projection of their conscious human relationship onto God. It depicts the churches intention and purpose is material existence not spiritual, not the Kingdom Age. Thus, Christ sent the Seventh Angel and his prophets to deliver his Everlasting Gospel at the close of the church age. This occurred in 2014 during the Vesta cycle of the year, the Alpha thrust to fulfill the divine plan that laid the foundation for all that was to follow, the Kingdom Age, Revelations chapter 20 verse 4.

To understand what is written here two questions need answering. First how does God fulfill his word that is written? Second, what is the ABYSS and how do we cross it? In other words what is the practical tangible means, so that we can play our part?

4

The answers to both questions have as their foundation the four planes of matter, fire, air, water, earth. This is the soul’s realm of existence until she ascends back to God. Man, therefore has a soul, the tangible and the intangible. The soul is the heart of man. The soul is also co-creator with God, in whose image it is made. The soul having fallen no longer creates according to the will of God in the sun. Instead she creates according to desires under the influence of the moon, the Lunar Forces that gorge her perceptions, her consciousness, even her form, her volition and feelings. The soul, astrology teaches us, creates a mask, her personality to present an image to the world. This is the mirror of the moon mother. The soul projects onto the screen of life an image, her intentions. What the world sees is something different. We see the soul’s psychology, her motives, her logic and reasoning, her selfish desires. That states, “*I know what is best for you.*” This is man’s psychology that is his conditioning (under Chiron), his programming (under Transpluto), and his habits and momentums formed under the Moon and its influence upon Mars. Astrology defines the mechanism through which we misqualify the light energy, the life-giving energy, of the SUN which we qualify as death and destruction, materialism and greed.

The first question, *how does God fulfill his word?* He does this through you. God works, we believe, through people and events. God works through those who have walked in the footsteps of Jesus Christ and all that God did through him, God will do through you who have attained to Christ consciousness. That is to say, attained conscious self-awareness of Christ.

This is *the second coming*. This occurs according to the word when God will move through the earth for the Turning of Worlds, the final judgment of the fallen angels who have been cast down. This is *the second death*. We are told that we will see him coming, Emmanuel with us, because we are like him. The Father comes in the “*consciousness*” of the Son. This is the cosmic consciousness called the Super Physical consciousness in Pisces ruler of the 12th house.

We therefore will know his will and by the Christ mastery of the 12 rays of the 12 solar hierarchies, whose houses (mansions) are the 12 signs of the zodiac. God carries out his plan delivered to the planet through the sacred geometry of creation. Creation is a Cosmic Clock comprising seasons. The word is creation, by which all things were made. Astrology is a memory, that has come down to us, as has the Bible, that contains the Holy Spirit of the original Word.

God fulfills his Word through this sacred geometry. As the word takes first consciousness, then form. In the seven days of creation, the seven rays of the Sun. God carries out his divine plan each year through each of the four seasons using this sacred science of creation, spirit (word) into matter (creation). Therefore, God carries out his judgment of the fallen angels through the word made manifest as the release of karma from the Bottomless Pit. He decrees that man face his creation as he comes (Helios of the Sun) to consume this karma whose time is up. Each one deciding to let go of our karma and return as the prodigal son and daughter, or to continue in the original rebellion in heaven. The Bible tells us of three falls. The first is of Lucifer and his lieutenants with a third of the angels. The second was of the Watchers who took the daughters of man, to wife. The third is man who fell in Eden and were cast out. These latter have been replayed over and over, planet by planet as the time comes to an end for the fallen ones imprisoned on that planet, as we are seeing occur on planet Earth today.

God uses solar phenomenon, eclipses, interceptions and lunar phenomenon, such as the blue moons, the red moons, the TETRA moons to carry out his word. He uses solar phenomenon such as comets, asteroids, solar flares causing solar storms, the solar magnetic field that allows cosmic rays into the solar system, and solar radiation, and sun spots. There is also evidence that dark matter and dark energy are appearing near our planet in the solar system. The universe is very old and life on earth has been evolving here for billions of years. In that time the planet has seen many strange solar and lunar phenomenon. The Bible and mythology have recorded many phenomenon that we call supernatural, but are they? They are just cycles of God’s sacred geometry, albeit, very large cycles of time. Is this any different than the Mayan calendar of one billion years...that ended on May 12th, 2012?

The second question, “what is the ABYSS,” derives from the answer to the first question. Here is what we know in part, God has imprisoned the darkest of the Wicked ones in the 33rd level of the Bottomless Pit. We have carried down to us generation to generation descriptions of this as hell, Hades, the River Euphrates, there are others. Science also tells us about Black Holes in the universe. They arrive at this through their calculations of God’s creation, measuring his Sacred Geometry, or the structure of creation. Such is the science of navigation, planetary or

celestial. The black holes are the prison houses of these wicked ones as we were taught during the Class of The Solar Ring in 1984. These represent this biblical bottomless pit. It is a state, a condition, and a location where consciousness is sealed in light to contain its affectation on all life. Man, by design and by his curiosity seeks these places that have a deadly effect on the soul whose mind is weak because she has not entered the alchemical marriage with her Christ mind to rule the realm of the Air, her mind and control by God's will, the mental plane.

The ABYSS is this realm of conscious lies. It contains all our chains that bind us to be earthbound, unable to ascend until the chains are broken and the consciousness transmuted, every last jot and tittle. This is the abode of our dwellers-on-the-threshold, we call it the unconscious realm that erupts into the subconsciousness in the water trine, Pisces, Cancer, Scorpio and the 3 houses they rule, 12th, 4th, and the 8th. This is our debt of destiny that must be paid in Scorpio to earn our inheritance, the Kingdom of God.

The geometry responsible for the release of this misqualified *energy – consciousness* we call the Dweller, personal and planetary that takes form through the 4 cardinal points and the 2 axis that they form, is controlled by the solar phenomenon and manipulated to coat our soul using the fallen feminine energies that make up the lunar forces that use lunar phenomenon to pull down man's consciousness.

The moon rules Cancer and the 4th house which is called the Nadir or I.C. It represents what is beneath our feet, the subconscious and beyond, the unconscious. It is this ABYSS, the bottomless pit where lies those imprisoned and our dweller who hold the ends of our chains that bind us to the Serpent that old Dragon until he is defeated by Christ in our temple. These are the teachings of the seven initiations on the Path of the Ruby Ray.

6

In astrology the chart represents the circumference of our consciousness. Beneath the surface lies our Nadir, our subconscious and below that our bottomless pit that holds our dweller, personal and planetary, our collective consciousness beneath which is our collective unconsciousness, the ABYSS. All is one, all is tied. These chains are our ties to these Fallen Ones. The North Gate teaches us of the Office of the Lion whose authority is that of the Father. The usurpers and subverters of this authority of this Office of the Lion on the six o'clock line in Cancer is the Accuser of the Brethren; the Laggards; and Abaddon who is Apollyon and the *beasts out of the bottomless pit* that is our individual dwellers that collectively make up our planetary dweller that we are responsible for, to bind and cast out by the spoken word, the Word Incarnate in you, Emmanuel with us. (Your Christ Self, Jesus, his father Maitreya)

Solstice and Eclipse Intercept

The message of the Solstice Sun is that of *the midpoint* between the messenger Mercury and the faithful, Venus at **25 Gemini 6**. The midpoint is conjunct the 8th house cusp at **25 Gemini 17**. The Mercury Venus midpoint conjunct 8th house cusp intercepts the Solstice Sun

and the solar eclipse. The message of the sun is that the 36th anniversary of the judgment of evil in the matter universe is manifesting as the cutting off of all out of the bottomless pit who have chosen to reject the love of the Divine Mother. They are become laggards and are cast out. They are as whited sepulchers. The prophecy is being fulfilled.

Vesta at 7 Cancer and Hades at 9 Cancer represent the bottomless pit. These are midpoint between Mercury and Sun conjunct North Node. The message of the Sun is *cut your ties (chains) and come out of her or receive her karma*, Revelations 18 verse 4. The Pit is open and all are now being taken, the Divine Mother is returning to harvest the Tares, as foretold by Mother Kali, in summer 1987.

The messenger, Mercury, tells us to hold fast to the God Star Sirius and to God Surya transiting at 14 Cancer conjunct Mercury. Call to God Surya to stand with you and your Christ Self through all that is now coming upon the earth as the light comes to consume the darkness. Call to God Surya to cut all ties you individually have and that will now surface in the months and years (12) to come. Call to God Surya to cut you free from the planetary karma of our collective consciousness that Mother teaches us about in *Predict Your Future* and in *Fallen Angels Among Us*. The light is dissolving Hades, the Bottomless Pit, the ABYSS. We are being forced to confront our personal dweller on the mountain. Following which we will confront our planetary dweller in whom we are all responsible for, as Christ comes to fulfill our soul's destiny during our three-year Christ Mission that will fulfill the Mission of the Summit Lighthouse, 2021 through 2024. The three and a half years that will prepare us to meet the Tribulation.

7

We are told that unless the days are shortened, even the elect will be deceived. This is Vesta & Hades conjunct the midpoint of Mercury & Sun North Node. We are called to pay our debts so that we can inherit the Kingdom Age.

The message to the faithful, Venus in the 2nd decant of the 7th house *Independence*, is hold fast to God Surya and hold the balance in the earth at the midpoint at 25 Gemini for the people, that none be lost, especially the one million that Morya El has told us to gather, filling the vacuum left by the light taking one million fallen ones, as Merlin returns to cast them out of Camelot and North America, to fulfill the prophecy. Stand in this hour as the Son of Solitude, this is your hour, this is your time. This is our debt of destiny. For Christ to fulfill his mission in you, in the second coming, you must cut free those apostles and disciples Morya spoke to us about of whom you are called to go and gather to fulfill your mission. Can you imagine that having attained Christhood after 33 years on the path and after being anointed by our Father to begin the mission he will give you, along with the mantle of authority to carry it out, but when you go to gather the one million they are not there because they have been deceived.

Work with the Messengers, God Surya and the Mighty Blue Eagle from Sirius to consume the reasoning of the Serpent returned to Maitreya's Mystery School to strip the chelas from the Guru. This prophecy given by Mother in the winter of 1985 is in its 36th year. It was in 1985 that Archangel Michael released the 33-year cycle to play out many of the prophecies of

the book of Revelation. Goddess of Liberty released to us on August 10th 1985 the 24-year plan to bond to the hearts of the Messengers so we could bond to the heart of Maitreya. So that when we would stand on the mountain in 2018 through 2020 with Maitreya, having assimilated the teachings and the path of initiation, we would cast out the Serpent and our dwellers because of the bond, manifest as the call in that hour.

We must master the 8th house cusp that is intercepting the 8th house Solstice that is eclipsed so that we will make the call as described by Maitreya in his dictation “The Six-Pointed Star of the Lord of the World”. We must make the call to eclipse all opposition to the Sun of our I AM Presence, as taught us by the Messenger. We must be free to win our victory in the 33rd year on the path to complete the wedding garment as we stand on the North Node at 29 Sagittarius in this propitious moment of our soul’s victory.

Moreover, we must face the Moon and the lunar forces under the eclipse of the Son of our soul, the Lunar eclipse window that opened on June 5th at 15 Sagittarius in the 1st decant of the 3rd house. The summer solstice moon is conjunct the 8th house cusp intercepting the Solstice during a Solar eclipse. The midpoint of Mercury and Venus is conjunct the 8th house cusp conjunct the Moon that is under its own eclipse to meet the challenge of cutting free ourselves and those to whom we are tied, to fulfill our destinies.

The Moon is amplifying and magnetizing, *during the new moon solar eclipse, our Mars’ residual desires that are now rising as the astral sea out of the unconscious into our subconscious*, the logic, reasoning and motives of the Serpent mind that we have called our personality, our carnal mind, our synthetic self. It is this reasoning that states that we will do it *our way* instead of *the way of Christ*, the path of initiation by our Father Maitreya, under the hierarch of Gemini, Morya El. Many were called and chosen in the beginning but in the ending, few are chosen. Lanello has prophesied that only a handful will remain faithful. So, we have a fight on our hands to save those to whom we are tied so that we can fulfill our mission with those who will take up the torch, we eventually must pass on, for the continuity of the word incarnate with us.

8

Solar Eclipse

The eclipse occurred at 2:41 am EDT on the 21st in the 8th hour of summer solstice. Master Kuthumi teaches that the Sun’s ingress into a sign is for 28 *solar days*, 7 days in each plane to initiate and test our souls, each day 1 ray 1 test, 7 days 7 rays. Solstice is a seven solar day affair in the etheric plane. The seven solar days of the sun in the etheric plane lasts an average of 26 hours 57 minutes of earth time. The eclipse occurred in the 8th hour 58 minutes of the first solar day of Solstice on the blue ray, on the line of Leo.

This sets the stage for the intent and purpose of our Father for the eclipse on summer solstice that heralds the coming of Helios to deliver the judgment on the 36th anniversary of the

cycles of judgment that went forth in 1984, the judgment of evil in the matter universe; 56.00 Elohim Cyclopea's challenge of the fallen angels; as the judgment of Helios 20.12; and 56.02 the judgment of the Right Hand of the Cosmic Virgin. Now is the judgment of *the fallen women and of homosexuals* as declared by Mother Mary. This judgment begins on August 26th, 2020. It is the beginning of the sounding of the seventh trumpet that heralds the seven bowl judgments being poured out into the physical plane. Long have they been cycling through matter in the etheric, mental, and emotional planes as we have born witness in our corresponding memory, mental and feeling bodies...these last 36 years. Now begins, the cycling through of our physical world. Covid-19 has been the precursor of what is to come. The seven bowl judgments state, "*Who shall not fear thee, O Lord, and glorify thy name? For thou only art holy; for all nations shall come and worship before thee; for thy judgments are made manifest. Rev 15:4.*"

These seven bowl judgments are filled with *the wrath of God*. They are the seven plagues of the seven angels (Rev 15:8). They are called the Vials of the Seven Last Plagues and they are delivered by the Seven Archangels and their Archeia. The Bowls of wrath are the returning karma of the fallen angels of all their infamy against the Woman and her seed and against the saints and the prophets. It is not the karma of God's people. It is come for their salvation. The danger lies in man's idolatry and his sympathy for the devil, deified evil in the ones we love. These ties bind us to those for whom the judgment is come in this hour. "And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues; Rev 18:4".

We must look at where we stand at Summer Solstice, as Venus is in the 2nd decant of the 7th house (*independence*), with Mercury in the 2nd decant, 8th house where we are called to fulfill our *responsibilities on the midpoint of Venus Mercury* that is conjunct the 8th house cusp conjunct the Moon. The Moon stands eclipsed under the window that opened on June 5th. We see that we have a responsibility as *independent* Sons and Daughters of God to declare our independence in 2020 as Christ, the second coming in us. We Venus, the Vestal Virgins are called by initiation on the path of personal Christhood that is now in its 33rd year, to declare in public in the 7th house our declaration of independence and to call for the eclipsing of all opposition to our Christ, *the proverbial Big Me*, manifest in our temples and in all who are called in this hour to rise to meet Jesus Christ and his Father in the Air and rally to Uncle Sam in this hour of the return of Merlin who has been freed from his prison in the crystal. Now is the hour of the fulfillment of prophecy. We have entered the Age of Miracles. Victory is to those who have forged the diamond heart these last 33 years, since the fall of 1987. *Their mission begins on November 1st, 2020 with the miracles of this upcoming election on November 4th*. Uncle Sam is rallying the patriots and patriarchs of America and the I AM Race worldwide to the banner of Christ Freedom and the Liberty Tree. Winter solstice will bear witness under the new cycle of Jupiter Saturn as the Solar System emerges into the light that heralds the new day, **Rev 15:4**.

Now, we must compare where we stand with the Guru, the relationship of Venus and Mercury, in the Guru chela relationship, on their midpoint conjunct the Moon in the Solstice chart with our standing on that same point under the eclipse of our Sun center in the eclipse

chart, on Summer Solstice. This contrast is for our testing. Will we *declare our Independence* in our 33rd year on the path? Will we stand in the summer-fall of 2020 with oil in our lamps in this dark night in the hour of the second coming? Or will we be so busy being about our business that we have not taken the time, or perhaps we no longer believe.

*We call to heaven for Helios, through the twelve solar hierarchies of the twelve signs, to eclipse all opposition in the 3rd house whose cusp is 0 Cancer 2 minutes. Summer solstice in the eclipse chart falls in the 3rd decant of the 2nd house, the soul's *mastership*, over all opposing Venus in the eclipse 1st house 3rd decant. This latter is the *propaganda* of the lies of those in America and those on the path's journey who have declared that *they do it their way*. They are thereby effectively taking heaven by storm instead of walking the path of initiation, forging their diamond hearts under the Holy Spirit, in *the final year* of opportunity in 2020, for this generation of called out ones. We were called out of the 12 Tribes of Israel and out of the bottomless pit. All were called to serve. The just and the unjust servants. Now is the hour of the harvest. This election year is the turning of the tide for *the Turning of Worlds* or *the 4th Turning*. This is the dividing of the way. Each one now in 2020 elects to go his or hers own way, and so the future awaits each one. Many futures are opening, the destinations all differ. Only one future leads home. "Blessed and holy is he that hath part in the first resurrection; on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years." Rev 20:6.*

We stand in the eclipse on the North Node, as did Hamlet, calling for the eclipsing of all opposition to our souls at 29 Sagittarius in the 2nd house 3rd decant, demonstrating our *mastership* over our crew in the solstice 7th house of all to whom we are tied. And declare our will as captain of our ship, *to lead by example all who will follow* to escape the challenges that we are facing this summer, and fall. The eclipse chart tells us that this is a test of our fidelity on the path after all these years. Will we face *Vesta and Hades* in the 2nd decant of the 3rd house, *fidelity* over our mood momentums, our attachments to material substance and the substance of the ego? Vesta is at 7 Cancer and Hades is at 9 Cancer. This is the Hades of the Book of Revelations 20:13; and it is the place of all our misqualified energy that are our feeling momentums (*bad habits*); that are our desires. These desires are ruled by the new moon's influence over Mars, magnetizing and amplifying our residual desires that are bound in Hades, as taught us by Kuthumi.

Will the soul in the summer 2020 stand at the North Node-Sun-Moon-29 Sagittarius 0 Cancer and by the soul awareness and anticipation know Christ with her and declare it to the world she knows. This is the lesson of Odysseus in his Odyssey to get home, to the kingdom. This is the souls test under an eclipse to exercise her mastery and win her victory and her inheritance in the solstice 8th house.

The souls of the American people are called to take their stand in 2020 to declare their independence from the illuminati who have taken control of America in the US Senate and the 50 States, the Governors and State Legislators. They must claim their inheritance of soul

freedom and the right to elect Christ to rule them. This is their inheritance fought for and won these last 2000 and 200 years. This is the battle for America in the 2020 elections.

The State Governors have created the conditions, psychological-economic-social-political, under Covid-19, for **anarchy and chaos**. The groundwork was set in 1988, 33 years ago when the heart of the planet and her people began the initiation of their hearts upon the path of personal Christhood to forge the diamond heart and the diamond shining mind of God. This occurred under the mega-conjunction at zero-degrees Capricorn. This was the beginning of the *Saturn Uranus Mars – Neptune conjunction*. This was the beginning of the awakening of the beasts out of the bottomless pit...the awakening of *our* personal dwellers come to oppose the birth of Christ in our hearts. The heart of all people on terra. Christ who after 33 years aborning in the heart would come to fulfill his mission on earth in 2021 to finish what Jesus began 2000 years ago and what Saint Germain started 200 years ago.

So, **Anarchy ruled by Uranus** was unleashed by the people in the late 80s under the 40th President Ronald Reagan. This manifest as the people electing George Bush Sr in 1989, head of the American Illuminati and the organization Shull & Bones, the signal and sigma of the underworld Pirates, come to *destabilize* America. Watch "KGB defector Yuri Bezmenov's warning to America (1984)" on YouTube, the Russian defector explains the long-range Russian strategy against America.

This was also when the political left created CNN to begin the process of opposing Saint Germain and Uncle Sam. Mother taught us that this is the 44-year cycle of **Saturn Uranus, 1988 to 2032**. Anarchy took a decided turn in 2012. In 2012 we saw the precession of the equinox, the shift not only from the Age of Pisces to the Age of Aquarius but of an entire cycle of 12 Ages to a new period of 25,800 years, a Grand Sidereal year. We now faced the untransmuted returning karma of the last 25,800 years to sift out those who have not evolved the heart to attain to personal Christhood to meet the challenge of the Soul's Odyssey on her journey home, the return of the Serpent to the Mystery School that was restored on planet earth in 1984 on May 31st.

This is where our journey began, in the Garden of Eden when we left off the path of initiation of our personal Christhood and before we were ready in Christ for the knowledge of Good and Evil, we ate the forbidden fruit. Now as the planetary, solar, and cosmic cycles turn we have evolved as a planetary evolution to follow in Jesus footsteps and return home to the Kingdom Age. During this 44-year cycle of Saturn Uranus, they came into opposition for the first of 5 times, *on election day 2008* when the people elected Obama, the so-called foreign prince. Thus, playing out the ancient karma of this people's rebellion, ruled by Uranus, of the Golden Age in Africa under Saint Germain. The stage was now set for this people to pay their debt to Saint Germain and to fulfill their destiny. They are called to pay their debt of destiny.

The bell tolled for that destiny and its inheritance at summer solstice 2020 under a solar eclipse intercept in the 8th house. This next election is destined to be for *the Turning of Worlds*.

In 2012, following the return of the Serpent prophesied by the Mayans, on May 20th 2012 during an eclipse of the Sun at zero-degrees Gemini, ***Pluto squared Uranus***, the first of seven times. This period from Summer Solstice 2012 through the solar eclipse at Spring Equinox 2015, opened an eclipse window lasting till winter solstice 2017, introduced Chaos and Anarchy. This began a heightened period of challenge for Christ in the people of Terra. Now what began on winter solstice 2017 would play out in 2018 throughout 2020, when we have stood on the mountain with the Watchers ruled by Psyche and the Satans ruled by Saturn, with Maitreya and our dwellers ruled by Pluto at the Y in the road to cast out our dwellers and all ties to the fallen angels and the Watchers and follow Jesus in the second coming to fulfill our destinies. We must face these fallen angels and their anarchy and chaos in the physical one way or another. We are destined to do so as Christ, with Jesus and his Father, Maitreya, Emmanuel with us. The stage is now being set in 2020 for the final battle and the Great Day of the Lord.

We stand in the Helios cycle of the year that began on summer solstice in the 8th house to face the cause of death. The death of this nation at the hands of chaos and anarchy, or the death of our dwellers and those who follow Antichrist. This is the choice all now face as did Hamlet. This is the fulfillment of the prophecy of the Messenger in her July 4th Address in 1996 to all Keepers of the Flame, titled "To Be or Not to Be". The cause of death is indicated by Vesta at 7 Cancer conjunct Hades at 9 Cancer whose midpoint is square The Messenger whose Mercury is 8 Aries. This midpoint presents to the soul the challenge in the 8th house 2nd decant *Responsibility*, to be Christ in the 33rd year on the path forging the diamond heart and to balance out the threat from antichrist of those who follow anarchy and chaos.

We are called in the 36th year of the bonding to the heart of the Messengers and the heart of Maitreya to stand as Elders in the community to uphold Guru Ma and to meet the challenges coming against the Guru, the lineage and hierarchy of the Gurus, i.e. the Teachers, the Saints in Heaven who have followed Jesus Christ home. We have entered the last 3 and a half years to fulfill the mission of the Summit Lighthouse. It is during this 3 ½ year period that the Ascended Masters names *will become* household words and *we will* see the fulfillment of the prophecy in the bible that the coming of Christ will divide father against son and mother against daughter, as the people rally to Saint Germain.

We are called, in this cycle of the year, summer and fall, that Kuthumi calls the Helios cycle of the year, to stand with the Messengers ruled by Mercury at 14 Cancer, the God Star. God Surya now stands on the God Star at 14 Cancer. Call upon the God Government of the Galaxies to send the legions of the Mighty Blue Eagle from Sirius and for the twin Pillars of Hercules and Amazonia over America to bind and cast out the Dragon over America. Call on the armies of heaven to intercede to seal our borders, our constitutional government of the people, by the people for the people. Call for these armies to defend our form of government, our free market economy, the four pillars of freedom, religion, assembly, press, speech; and our

educational institutions and the science and technology that Saint Germain has released to us **from** the ICCC, the International Capitalist Communist Conspiracy that has been pirating America since its founding by the Illuminati's *numbered Turning*¹. Adam Weishaupt and the Rothschilds created a Turning in 1776. The Illuminati resurrected in 1600 with the founding of America. See *Bloodlines of the Illuminati* by the CIA at <https://www.cia.gov>; and see "Secular Sabotage: How Liberals are Destroying Religion and Culture" a film by director Ron Howard who chronicles the rise of the Illuminati in 1600s when Sir Walter Raleigh founded the colony in Virginia. Call for the solar eclipsing of this Dragon over America by the first of five eclipses over the next 35 years that began with the eclipse on August 21st 2017 over North America. This eclipse came for the purpose of fulfilling Saint Germain's and the Goddess of Liberty the head of the Great Karmic Board and their spokesperson's prophecy of casting the Black Magicians out of North America. This eclipse at 28 degrees Leo occurred in the 9th house. It was also according to NASA an eclipse is the series both of the eclipse that occurred 2 months before the Spanish flu of 1918 and of the eclipse series that last occurred in 1776. Coincidence?

¹ *The term Fourth Turning is the work of Neil Howe and William Strauss, authors of Millennials Rising, The Next Great Generation; The Fourth Turning; Generations; and 13th Generation. The latter began in 1990 as the 13th, this places the 1st in 1600, corresponding with the rise of the Illuminati to counter Saint Germain's founding of America.*

Kuthumi teaches to call upon the Hierarchy of the Sun on the line of Cancer who is Serapis Bey and the Seraphim and Cherubim to release the light of Cancer, the ascension flame to raise up the Mother light of the kundalini in the people to provide the discipline, the courage the spiritual backbone to take their stand for Saint Germain to meet this coming challenge and to be victorious in the decade of the 20s that is upon us. Mighty Victory in his book, *The Mandate of Victory*, tells us to study the 1920s to understand the strategy of the fallen ones we will face going forward in the 2020s.

Understand history, *history in the making*, COVID-19 and the accompanying anarchy as the rise of communism, as corporate state capitalism destroys the economy. This is the rising of the astral sea manifest as the Beasts out of the sea and earth. The Illuminati have unleashed all this to counter the birth of Christ in you, in the people of America, and in the I AM Race. They have, Lord Maitreya tells us, a keen understanding of the cycles of the Ruby Ray and they use science and technology to discover its secrets which they understand far greater than the sons and daughters of God do. All these things have converged in 2020. This coincides with the astrology and the cosmic cycles. They are all connected in a weave of energies that is the confrontation of light and darkness, of absolute evil and absolute good. Mankind stands in the middle and is forced to choose between Christ and Antichrist. See the Messengers book series *Climb the Highest Mountain*, volume *Christ and Antichrist*. The book series comprise nine volumes, a must read for all who would be victors in the coming battle and fulfill their destinies.

Jesus has taught us in Revelations that Abaddon, who is Apollyon in Greek at 2 degrees Scorpio, is the king of the locusts out of the Hades. Jesus also taught us that four angels are

come out of their prison in the Euphrates who have gone to the far east to raise their army of 200 million. Nostradamus teaches that among the Mongols of China will reincarnate Genghis Khan. Who will lead this army against Europe. Our Father Enoch teaches us that this army will march against the elect. Morya El teaches us in a lecture by his messenger, Elizabeth Clare Prophet that this will begin with the collapse of the global economy of the new economic order, under China. War will quickly follow the collapse. This collapse is described in detail by Jesus in the Book of Revelations in chapter 18. Saint Germain teaches us in his book, *Saint Germain on Prophecy* that this will occur during a war between the warring factions Gog and Magog that will occur during the second coming of Christ and when the Father of Jesus comes, the coming of the Cosmic Christ will manifest, and if the people of America do not receive him, as a nuclear first strike on America. Nostradamus tells us that this will occur on the 45 parallel². Mother discusses this in the book, *Saint Germain on Prophecy*. Saint Germain also teaches us to prepare to live through four scenarios see *Pearl volume 32 number 32*. These scenarios are earth changes, nuclear fallout, flooding and no growing seasons. The key to survival is community. Community means coming-into-unity. Unity is strength. Community provides the division of labor, the professional expertise to survive in today's age. It must be noted that Sanat Kumara said in 1979 that if America is to survive it must do so with her technology. This technology Saint Germain released to lay the foundation of the Aquarian Age. It is the foundation for the coming Age.

² Note the 45th parallel runs just south of the Inner Retreat. There is precedent for this being the target referred to as El Morya taught us in April 1990 when the Heart was targeted by the Russians during the India-Pakistan confrontation that threatened to unleash their nuclear arsenals.

Archangel Zadkiel in the book, *Vials of the Seven Last Plagues*, states that he is standing on the west coast of America on the West Gate and is pouring out the seventh vial of God's wrath upon mankind's misuse of the seventh ray of freedom. This is the karma made by all called to come out to serve and by those called out of the bottomless pit to re-visit their choice to follow Lucifer. The Archangels are gathering the kings and their armies to the Great Day of the Lord. Revelations states in chapter 17 verse 17 that God has placed in their hearts to do his will until all that is written is fulfilled. Archangel Zadkiel also stated that he is standing on the west gate waiting until the saviors of the multitudes on the west gate bring the people to invoke sufficient violet flame to turn back this tide of darkness sweeping the land that was foreseen by George Washington. He stands holding seven vials of violet flame and will release them when sufficient violet flame has been invoked. This will turn the tide and roll up the darkness West to East and North to South.

The solar eclipse is given that each one who has come to 2020 may choose to take the hand of God on the mountain in Capricorn where we face the gathering and choose to make the call to invoke heaven to eclipse all opposition to one's spiritual inheritance, *the Bridegroom*, the second coming of Christ. It is a free will choice each one has to make. First, they must come to resolution with their karma with God.

God is going to give each one, the moment of a clear choice. Greg Braden calls it the *zero point*. All will stand, Mother prophesied, in the shoes of Hamlet to make the choice. Read the play, watch the movie but understand the outcomes, Heaven or Hell. See Revelations chapter 20 verse 4 and 5. Know the victory, described in verse 6.

This victory will play out as the coming of Christ in man, these are the Vestal Virgins in Virgo in the 33rd year who have oil in their lamps. This will be followed by the anointing at the river Jordan to begin their Christ mission in the 34th year on the path of personal Christhood. Their mission is to gather 1 million disciples as described by El Morya. These disciples will fill the vacuum left by the judgment of God upon the fallen angels who sends his Archangels to bind and take these to the Court of Sacred Fire for their final judgment. This will occur as these Christed ones gather the one million and the people of God rally to Saint Germain who sends Merlin back to Camelot to cast out the Black Magicians who have stood on the mountain in Capricorn and faced the Serpent and Satans and made the choice to not slay their dwellers and have, Mother teaches us, become Black Magicians overnight. They have become the Beast out of their bottomless pit, their dweller. This is the choice every soul faces in 2020.

In 1975 we entered the Galactic Alignment of our Sun and solar system with the Galactic Equator. We entered the rift. This represents the womb of the Cosmic Virgin who has been in labor giving birth for 46 years through 2020 to Christ in earths evolutions. In 1984 there began the judgment of evil in the matter universe. Now in its 37th year in Capricorn, but not all. 2020 is the 36th anniversary each day of the year. So, Wednesday August 26th will be the 36th anniversary of Mother Mary's Judgment of the Right Hand of the Cosmic Virgin. When she tells us the judgment of the Tares begins with the fallen women. Those who have turned against the Christ child in the womb and in childhood. Those who are now forcing homosexuality upon God's children in the classroom in elementary school and earlier. This judgment will manifest as the return of karma, suddenly, as an avalanche and slowly as the plagues. It begins as we emerge from the Galactic Alignment this year into the light of an area of the galaxy, we encounter every 10,000 years. The last time saw the judgment of the fallen ones who have been imprisoned in the bottomless pit since the sinking of Atlantis and Lemuria and the destruction of the civilization of Suernis in India, the Necropani in Africa, and the lizard kingdom in Antarctica, all 10,000 years ago.

People in America and the I AM race worldwide will emerge *with Christ* as bride becoming the Lamb's Wife on the South Gate in Capricorn in 2020 able to meet the challenge of the fallen angels who with Abaddon attack the LAMB and the Lamb's Wife. They having rejected the love of the Divine Mother, rally to that Wicked One imprisoned in the black hole in the center of our galaxy. They will repeat on Earth in the matter universe their great Rebellion that they did in Heaven. We were destined to be part of it and some run to meet their destinies in 2020.

We have been prepared for 2000 years and the last 46 years of this lifetime to meet the coming judgment and bring in the golden age to follow, as described in Revelations chapters 20, 21, and 22. It is described by Daniel in chapters 8 through 12.

Helios came at summer solstice 2020 to deliver the conditions necessary for the Christed ones to come, gather their brides and go forth to fulfill their missions and their destinies. Helios has come to prepare the way for the anointing. When all power of heaven and earth is bestowed upon Christ. So that as Rai Ernon with the Sald, whatsoever you ask of my Father will be granted. See *Phylos the Thibetan, A Dweller on Two Planets*. Helios has also delivered the judgment upon the Antichrist. They have been *rendered as whited sepulchers*. All who have gathered in Capricorn on the mountain to take heaven by storm have been eclipsed and stand intercepted in the 8th house sealed in this hour in the cause of their death, the rejection of Christ and the Woman clothed with the Sun and of Guru Ma and her unascended chelas on the South Gate in Capricorn on the path of the Ruby Ray.

Some uphold the Guru in this hour. Their soul stands at 25 Gemini on the cusp of the 8th house at summer solstice and face the Moon's mood momentums within themselves and the people and are faithful to the Guru MA and the Woman clothed with the Sun. They have come to the initiation once failed by Rich Richardson with Thomas More. They now come prepared to be Teacher, Raboni in the second coming one with Jesus and his Father, Emmanuel with us. They stand conjunct the Moon on the 8th house cusp conjoined the midpoint between Venus and Mercury. They are prepared to become Chela, chela with the Capitol C, Christ. They now are able to occupy the office of Christ and uphold the Guru in the earth, the authority of the Father on the North Gate in Cancer. They are able to stand in Cancer where all lines of the Cosmic Clock converge as taught by El Morya and hold the balance in the earth for the transition into the Kingdom Age and to lead the people feeding Christ's sheep through the next 12 years. They are able to invoke heaven to seal and contain the fallen angels in their judgment in the earth under the solar eclipse and intercept in the 8th house of their judgment. Sealing them in their karma that is the judgment of the second death for many.

The Christed ones are sent to call out God's people from amongst the fallen ones so that they do not receive their karma, Revelations 18 verse 4, to come apart and be a separate people, elect unto God. One people, one nation, one God. No longer separated by the fallen angels into races, religions, political and social ideologies. But each race, each religion, each nation a ray of God's light subject to the Law of the ONE. Each with a destiny, to fulfill the law of the ONE, *separation into unity*.

Venus at 5 Gemini in the solstice 7th house 2nd decant stands declaring her Independence as in the beginning now in the ending and rallies to Saint Germain in 2020 who is sending Merlin to fulfill his destiny...cast out the Black Magicians from Camelot. Venus is come to ratify the judgment delivered by Helios on the 36th anniversary of his judgment delivered in 1984, at the Freedom Conclave gathered in the etheric retreat at the Royal Teton on July 4th, 2020. those who have assimilated the Guru. Those who have accommodated the Guru and the path still believe the lie of the Serpent (in the Garden of Eden) today and continue to *do it their way*.

Helios has come to deliver the judgment that will be our salvation. This is manifest through the Guru, Jupiter at 25 Capricorn. They follow the Guru and what they were taught by the Teacher and are able to stand in Capricorn midst the dwellers, their own and those of all gathered in Capricorn. They are able to stand on the mountain with the Watchers, the Dragon, and the Satans and be unmoved, unperturbed, affirming their Independence and knowing their God Freedom. They are ready to rally to Saint Germain (Jupiter) and bring in the Aquarian age and the judgment upon the mountain and save America from the Dragon over America. They know that without their sacrifice, the people, the twelve tribes will perish. They stand on the North Node at 29 Gemini in the 3rd decant of the 2nd house to cast behind them the lie of the serpent returned to the mystery school. They uphold the Guru Jupiter on the mountain and rally to the Guru who comes in 2020 to cast out the Black Magicians in Capricorn. The latter are called the Illuminati. They are legion. The faithful stand in the second house and declare, "In God We Trust".

We stand at solstice on the midpoint of Jupiter the Guru at 25 Capricorn and the Part of Fortune, the point of our joy and happiness where fortune shines on us at 20 Scorpio. We stand on the midpoint at 22 Sagittarius in illuminations flame to counter the lies of the serpentine logic and motives of the carnal mind of the synthetic self of the soul's creation, her personality, its components and their poisons that are the rot that has destabilized and now is attempting to destroy our nation, our people. We stand with the Guru in our Christ mastery to demonstrate the mastery of the 12 rays, the seven and the five secret rays by the attainment of our souls at 20 Scorpio in the 3rd decant of the 12th house in constant and humble service to the guru in the face of the occult practices of the Illuminati and those on the path who have chosen the left handed path of the adepts. We stand demonstrating our mastery of divine Justice in the 33rd year in Virgo.

Standing on the 12 o'clock line of Capricorn to demonstrate our mastery of God's power as Divine Justice on the right-handed path in Virgo over the rebellion of those who have chosen the left-handed path of Capricorn in Taurus, the mis-use of God's Power in Rebellion. We are called to stand as the Scales of Justice to balance the rebels in their *Fourth Turning* with the *Second Coming of Christ and Turning of Worlds*. The rebels are the Locusts of Revelations. The Illuminati call them the Millennials. They have come out of the bottomless pit since 1988 and number roughly 2 billion. They are being programmed to follow the blueprint the Illuminati call the 4th Turning. They are Hitler's and Stalin's youth. They are the legion of Nationalist and Internationalist Socialists. Throughout history on Terra we call them the children of Gog and Magog. On Atlantis they were called the children of Belial.

We must understand the meaning of Pluto Jupiter and Saturn in Capricorn in 2020. Jupiter and Saturn leave Capricorn to conjunct at zero-degrees Aquarius on winter solstice 2020. Pluto will leave Capricorn in 3 ½ years at the conclusion of the mission of the Summit

Lighthouse. So, what does this conjunction in Capricorn in 2020 tell us? Jupiter entered Capricorn on December 2nd, 2019 at the relative start of Covid-19. At Solstice they were in the 3rd decant of the 2nd house while during the eclipse they were in the 1st decant of the 10th house. We are called, in the 33rd year on the path to forge our diamond heart, to demonstrate in public, the seventh house the mastery of our soul to be the bride of Christ as Venus declares her Independence in the 2020 National Elections. This is so well known by the illuminati in the first decant of the 10th house, Pluto Saturn conjunct Jupiter, that the Chairman of the Joint House Intelligence Committee publicly stated that they cannot allow the American people to decide America's future in the 2020 elections. Congress is represented by the US Senate ruled by the 8th house and by the House of Representatives ruled by the 11th house. God, as the entire spirit of the Great white Brotherhood of light, we have traditionally called Saints and Angels, knows the hearts and minds of the fallen angels and has sent Helios to deliver the judgment upon these fallen angels we call the Illuminati. Their Karma is delivered by Jupiter. It begins in the 10th house first decant of those to whom the eclipse has delivered their karma. This will now play out as the prophecy of Revelations 17 verse 17. They will act believing their own lies and will fail in the upcoming elections. They will react to the coming election victories and the Jupiter Saturn conjunction that delivers the collapse of their global economy, their monetary and financial system in 2021 by going to war with the Lamb and his chosen and faithful.

This is the Solstice 8th house and the eclipse's 2nd house occupied by the Sun North Node and Mercury. Their karma will blind them. The test of the lightbearers is will they declare their independence or will they fall under the weight of the karma descending upon the fallen ones because of their ties. These ties range from idolatry, sympathy, economics, political ideologies, relationships and partnerships to sharing their hatred of God and his representatives as described in the parable of the unjust stewards.

Helios came at summer solstice to seal everyone. Revelations chapter 22 verse 11-12 states, "*he that is unjust, let him be unjust still; and he that is filthy let him be filthy still; and he that is righteous, let him be righteous still; and he that is holy, let him be holy still. Behold I come quickly, and my reward is with me, to give every man according as his work shall be*".

During the July Class, 2020 we heard Saint Germain say that this is the moment of the light of Aquarius descending. Aquarius, he said, is the age of *the soul's ability to see prophecy fulfilled*. He told us that on 12/30, 1990 *the legions of Hades arrived*. These are the Millennials discussed above. Saint Germain told us that an angel of Aquarius was assigned to every lightbearer on terra. He urged us to use them to win your victory. He told us to call, commanding "*Let the Fiat of the Lord name him or her be with Me*". Repeat 3x, "***Let the fiat of my Lord Saint Germain be with me***". He cautioned us to not allow the soul to sink beneath the heart. The VIOLET FLAME *is a cushion between you and what is coming upon the planet*.

Worlds turned with the coming of Helios on July 4th, 2020. The Freedom Conclave at the Royal Teton Retreat released the light for the Turning of Worlds and the return of Merlin. The July Class anchored that light for healing on the 5th ray on the 11 o'clock line of Scorpio. This is

the line of the clock whose wisdom of Amitabha antidotes the component of our personality that is our perceptions which poison us with our passions. Our sight that is below the heart. We look and see lust for another, their possessions or their position, instead of seeing God. We have been poisoned by the princes of this world so that we have become dependent upon them and their economy for our livelihood, our retirements, even our homes. To the point that we are so tied to their economy we fear to rock the boat. *God knows this and has brought healing in his wings.* Call to the mighty Blue Eagle from Sirius to cut our economy free. Goddess of Liberty has told us that this will happen, so let go, we will take back America, it cannot be stopped. We will establish an economy on the gold standard and based on trade, seventh house, with South America. **Plan for the future, then change will not cause you to fear and to fall below the heart where the fear will cause our hearts to fail. This is the prophecy.**

Saint Germain told us that in 1990 many Antichrists went out in the world. This is the flood referred to in Revelations in chapter 12 that states that, “*when the Mighty wings of the Great Eagle carried the Woman, who brought forth the man child, to the wilderness, the Serpent cast out of its mouth water like a flood after the woman, that he might cause her to be carried away by the flood. The earth helped the woman, it opened its mouth and swallowed the flood which the dragon cast out of his mouth. This caused the dragon to become angry with the woman. And he went to make war with the remnant of her seed who keep the commandments of God, and have the testimony of Jesus Christ*”. This is the prophecy of what is to come. This flood of the legions of Hades, the locusts whose king is Apollyon at 2 degrees of Scorpio will be swallowed by the earth. And when these changes come the dragon will go to war against the remnant of the faithful in America and the world. Saint Germain tells us we need healing and the violet flame to be the cushion between us and what is coming upon the world. This is the sealing for the coming Vials of the Seven Last Plagues upon the fallen ones to force them to “Let My People Go” to come apart elect their representatives of God Government in America to raise up children to become Christ. The light is coming and the violet flame will wash us clean so that when it comes it finds no unclean thing in us and if it does it may hit us, El Morya says, but it won’t stick.
