(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Saint Germain was always the champion of the path of individualism leading to the individualization of the God flame which Mother teaches us, the Christians called "paganism". He planted his flame where Christ achievement could flower and devotion to the One could prosper in the quest for the Holy Grail. His efforts would bear fruit in the nineteenth century as the British Isles became the place where individual initiative and industry could thrive as never before in the last 12,000 years.

As Camelot budded and bloomed, Mother writes, nightshade twined about its roots. *Witchcraft, intrigue and treachery (9 o'clock) destroyed Camelot.* The truth hidden behind Tom Malory's myth, sown to obscure the real culprits throughout the centuries. So, it continues in Camelot, to today.

Saint Germain's quest to bring *the tribes freedom* continues as Columbus (1451 – 1506). This lifetime was set two centuries earlier as Roger Bacon wrote in *Opus Majus* that the sea between Spain on the west and India on the east is navigable, the winds being favorable. Columbus believed that God made him, the messenger of the new heaven and the new earth, referred to in the Apocalypse of St. John, originally spoken of, out of the mouth of Isaiah. He believed that he was God's instrument in discovering the New World whereby God would, *"recover the remnant of his people, assembling the outcasts of Israel and the dispersed of Judah from the four corners of the earth.* Christopher Columbus was the fulfillment of this prophecy, 22 centuries later. Encyclopedia Britannica states *that Columbus discovered America by prophecy rather than by astronomy.*

As Francis Bacon (1561 – 1626) Saint Germain's many achievements *in every field* catapulted the world onto the stage set for the children of Aquarius. He believed that the Great Instauration or restoration would change the world. This idea, conceived as a child and crystallized in 1607, launched the English Renaissance. Sir Francis gathered around himself a group of "illuminati", Mother writes. This group was responsible for almost all Elizabethan literature. Some of them were members of a secret society, that Francis formed with his brother, called the Knights of the Helmet whose goal was the advancement of learning by expanding the English language and creating a new literature written not in Latin but in the common tongue, English. Francis Bacon was behind many of the political ideas on which the Western civilization

is based. Bacon would write, that men are not erect animals but immortal Gods. Francis continued what he started as Columbus by colonizing the New World. He convinced the king, James I to charter Newfoundland and was an officer of the Virginia Company that sponsored the settlement of Jamestown, England's 1st permanent settlement in America. He founded Freemasonry, dedicated to the freedom and enlightenment of mankind that played a large part in the founding of the new nation. Francis chose the course that led to universal enlightenment instead of rebelling against his mother and her successor. Thus, Mother tells us, reestablishing the thread of contact with the ancient mystery schools. He captured in his cipher writings his longings for a future age.

This is paramount today in the hour of the second coming simultaneously of both Christ and Guru, and of Merlin and the Once and Future King. This lesson, Saint Germain has transmitted to us down through the ages of his embodiments, was transferred to his disciples so that they could *understand prophecy* and know with a sure gnosis the meaning as did Daniel of Belshazzar's dream, who was the son of Nebuchadnezzar. Thus, we came to fulfill the prophecy given by the Messenger to every Keeper of the Flame on July 4th, 1996. That we too would stand in Hamlet's shoes facing the same dilemma that Francis Bacon and Hamlet faced. Each a choice, each a different outcome. We also were called to the trail by fire, to rebel under the Uranus Neptune conjunction or to walk the 14 tests of the crucifixion on the path of the rose cross, the cosmic cross of white fire. To walk the path of divine love that would prepare the soul's lamps with the oil of sacred fire to light up the dark night for the coming Bridegroom.

So, it is once again that Saint Germain prepared the way for his disciples to follow in his footsteps. For the hour of the trial by fire is come upon us and *only love* can pass through the eye of the needle. Saint Germain made his transition unrecognized for his many talents in 1626. Mother teaches us that throughout his labors as the Comte Saint Germain in the 1700s he was constantly in service in far off lands, including America. Even Mother tells us that he had seen America as his last hope for a second golden age of learning.

Saint Germain has been *the invisible hand* behind the Mystical Origins of the United States of America. He was behind the Masons. George Washington wrote in his First Inaugural Address, that "no people can be bound to acknowledge and adore *the Invisible Hand* which conducts the affairs of men more than those of the United States." John Adams wrote, "America was designed by Providence". Patrick Henry wrote that, "There is a just God who presides over the destinies of nations." This as Mother tells us is clearly apparent in the swift ascent of the American Republic, nothing less than miraculous. Rising from a tiny preindustrial community to the world's preeminent economic, technological and military power in less than two centuries." A land of freedom to all, a beacon of hope to the nations, and **a stage**, Mother tells us, *for the playing out of a great historical epic*.

We are told that America emerged from the 1950s into heavy seas. This was the beginning of the Summit Lighthouse 1958 and *the relentless wave of light*, 1959. This ignited into flames and violence in our inner cities and on our campuses. A gulf opened up between youth and aged, black and white. Revolution swept across the wilderness as drugs, rock music and rebellion erupted. JFK was struck down and the nation was never the same from then on.

OPPOSITION TO COLUMBUS THEN AND NOW

Darkness covered the land, seen by George Washington two centuries earlier. Yet, was it? Or Mother asks, was it *a brooding spirit*? Who could, she asks, see the outworking of an inner design, * the glean of hope, even she writes, *the turning of the tide*. *(a spiral of inner initiations in the 29th to 33rd years of all cycles and dispensations of light that have come forth as the RELENTLESS WAVE OF LIGHT, that began in August 1959).

This tide began to turn with Ronald Reagan as the American Spirit began to awaken. He rode the tide into the White House. His election campaign stood on the premise of *making America great again*. Mother pointed out a key factor, Reagan rode the tide into the office, he did not cause the tide. He promised to lead America to a restoration, a revival if you will. It was *the Invisible Hand* in the affairs of the Nation propelling the nation forward towards some unnamed goal. Mother calls this, *the awakening of the dormant American Spirit* to a dawn of a resurrection. Mother stated that this patriotism was more of a feeling than a than a conscious *articulation of values*. Stating that there was no clear course of action *that we the people should take*. The issue she stated was that there was no clear identity of who we are as a people. She taught us that *when you know who you are, you know what to do*. Our Founding Fathers knew who we were. Our pastors and congregations then, knew who we were. Today, the Luciferians and the Serpent have spewed out of their mouth a great flood of hatred of the emerging Christ in the American people, denying God in the people. This cloud is the Mists that came over Avalon and destroyed Camelot. Brahma, Vishnu, and Shiva came on July 5th, 1991 to describe this process of this poison of the snakes in America and the planet that Sanat Kumara would have us cast out, in the name of Christ. It is he describes, a chemical cloud that gases the people with an intense lack of self-worth that manifests as spiritual suicide, the denial of God within the heart, the very God Presence of Brahma, Vishnu, and Shiva, in our hearts. He says that if you and this people will call to him, the Penitent Heart, saying, "*Oh My God, Help Me*"! He promises he will answer, he promises that *the Soul's Call for Deliverance*, will be answered, the soul will hear "I Shall Receive Thee in the cycles of my law and your fulfillment of the law (of Karma)".

3

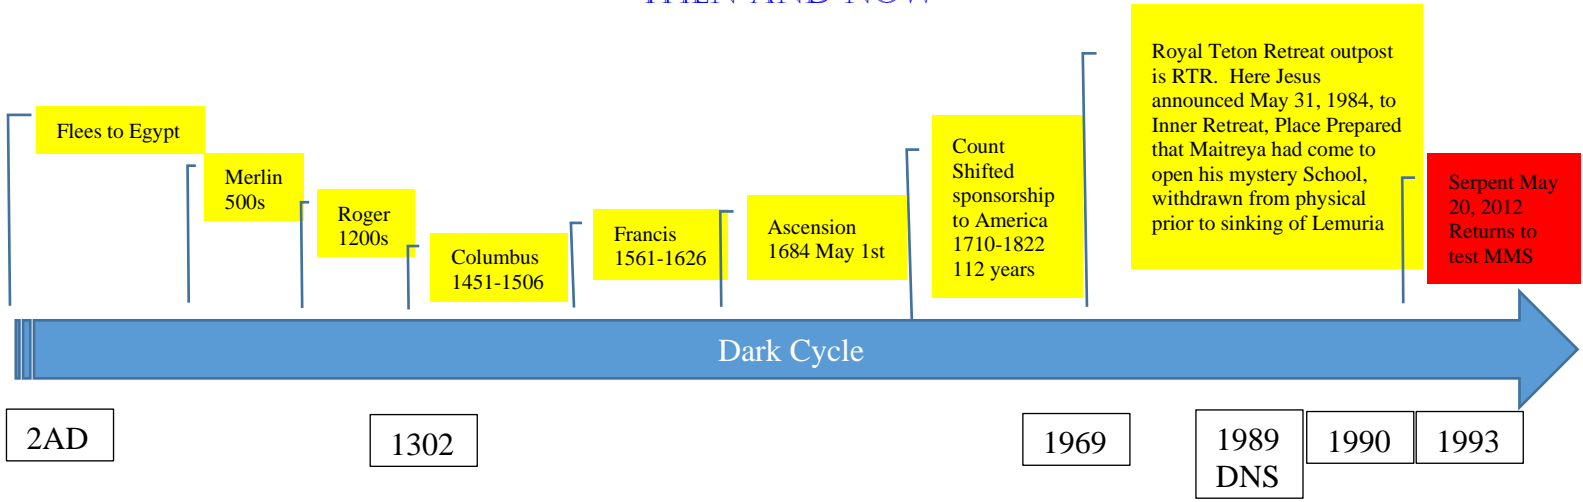

We see the Invisible Hand today, we saw it in the last elections on election day 2016 that closed in apparent defeat, yet on the morrow we awoke to the dawn of victory. So ever has it been in the history of America, the Invisible Hand. In God We Trust! We are HIS people and united, we stand.

Who are we as a people? Are we black and white? Hispanic perhaps? By 1776 we preached in our sermons that we were *the new American Israel*; in sermons titled, "The Republic of the Israelites." The message is that if God's people are obedient to him, all goes well.

We are comforted in knowing that the Invisible Hand has always been with the American Israelites and plays a tangible role in critical events when *the people Call Upon the Lord!*

Events outpicture cosmic cycles of opportunity and karma. Events are the measure of the soul's evolution.
