HARVEST CYCLE OF THE YEAR

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Introduction

This document describes the conditions and the challenges that are culminating this fall, during the harvest cycle not only of this year, but the last five years, and also the last 33 and 46 years, ...of *your* lives. It is the hour of *loves victory*. It is prelude to what is coming upon the nation and the planet. It is the hour for you to claim your victory, as the individualization of the God Flame within your hearts, as well as, within your Communities and Nations. This ending this fall, heralds a new beginning. It is the separating out of the Wheat and the Tares, as promised by Mother Kali 33 years ago, now in its 34th year cycle of Christ's initiation by Gautama Buddha on the 9 o'clock line, Libra, on the West Gate, to begin the final initiation of the Summit Lighthouse, to bring Saint Germain's name into every household in America. This is to fulfill the prophecy that the second coming will divide every household, father against son and mother against daughter. As those who Declare their Independence to be ruled by Christ, in the fall of 2020, will take their stand for *the return of Merlin*, as prophesied. We have entered *the age of miracles* and *the fulfillment of prophecy*. Are you ready?

Fall Equinox September 22nd, 2020

Fall equinox Sun is in the 11th house 3rd decant. This is the house of the communities of the people across the land (planet) and their elected Representatives in Congress, in the 50 states, and at local levels. It represents the state of the consciousness of the people playing out in an election year as the people have *already chosen* to be ruled by, Christ or Antichrist. It also represents the *opposition or repression* of the Sun, who is Christ the Son, as taught by Kuthumi, within those communities and their Representatives who have come to the harvest cycle of the year having elected to be ruled by Christ. Call for the of Christ consciousness in the people.

Christ has come forth in the second coming prepared to fasten himself, herself to the cross, the cosmic cross of white fire to demonstrate the victory over death, beginning in the fall of 2020 throughout the succeeding three years. The victory *over* those, who have chosen upon the mountain in Capricorn, to be ruled by Antichrist, in 2020. This is the dividing of the way.

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

Mother foretold this when she stated that we would live to see the veil torn and that we would come to know the confrontation between absolute good and absolute evil. Jesus has told us that *he* is come, in the 2nd coming, for the judgment, as a two-edged sword to divide the real from the unreal. The judgment is come as salvation, for the light bearers and as judgment, for the reprobate.

The Libra Sun is opposed by the carnal mind of the people in Aries, as all Americans have been on the path of initiation in this lifetime at least since 1984, the return of Maitreya's mystery school. All Americans Saint Germain has told us are required to submit to the seven initiations under the hierarchy of the Ruby Ray. Many Americans have taken the left-handed path of the adepts, on the mountain in 2020. This includes Keepers of the Flame worldwide as foretold by Guru Ma in her July 4th Address in 1996. These ones are represented by the Black Moon Lilith. They have stood upon the mountain (*these last four years*) and denied Christ, affirming their dwellers outer personality, driven by the ambition of their hearts for the outer reward, to rule others, to rule over the Community and the Nations. They stand conjunct Chiron affirming their age-old conditioning which Gautama has told us they have been want to do across the millennium, rejecting the Great White Brotherhood.

Venus is conjunct Vesta at 18 Leo, within a 4-minute orb. Both are in the 2nd decant of the 10th house, *martyrdom*. Venus is confronted by the laggard evolution from Maldek upon the mountain of initiation of their karma. The MC Nadir axis of the 10th house-4th house cusps represents the personal karma of the soul. The initiation of the soul on the Leo Aquarius axis, on the MC is to stand on the mountain *ruling the self*, choosing to be in God control, affirming God is the doer and not allowing the soul to be martyred *by those* whose hatred of God, rules them. Venus is not silent in the face of persecution. The soul rejects both *silence* and the *laggards* and affirms that only God can act in her temple. She knows the teachings, of *the test of ten* and the *penitent heart* and makes the call. She casts into the flame all projections and the imperil of the sense of lack of self-worth, the denial of God worth where I AM.

The soul stands on the MC and calls upon the Lord to bind all ties to the fallen ones across the ages, all sympathy, all spiritual blindness and all ambition that stands between the soul and her Holy Christ Self and the Guru Teacher. Many have allowed their personality to surface from their subconscious to poison their consciousness and feeling worlds as old desires and fears play out once again instead of being cast into the flame. They allowed ancient records of the last 25,800 years surfacing daily at sunrise to come between the Guru and their soul as chela and between the soul and her beloved, Christ self, even between twin flames united once again in love, by Sanat Kumara.

Many have squandered their inheritance, sold their birthright and their birth place. Now they face the initiation of the soul's self-worth or the denial of the God flame within. Some will stand in this hour in Leo upon the midheaven in the penitent heart and bend the knee upon the mountain in Capricorn and call upon the Lord God for mercy and he will answer as taught by Brahma, Vishnu, and Shiva (*the Father, Son, and Holy Spirit*).

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

The faithful devotee, Venus, stands in Leo 2nd decant and enters into the initiation *transforming self*, creating the oil that feeds the flame within the heart. Venus stands in Leo to cut the children free from despair and the projections of the lack of self-worth, in the hour of *the election sure*. The denial of God within the heart flame of the child. Cut the child free from all condemnation and judgment of the God flame within the heart of the child by the laggard evolution in the community and *by those who are silent* who are their parents, care givers and teachers. Children see you as you are and *silence is consent*.

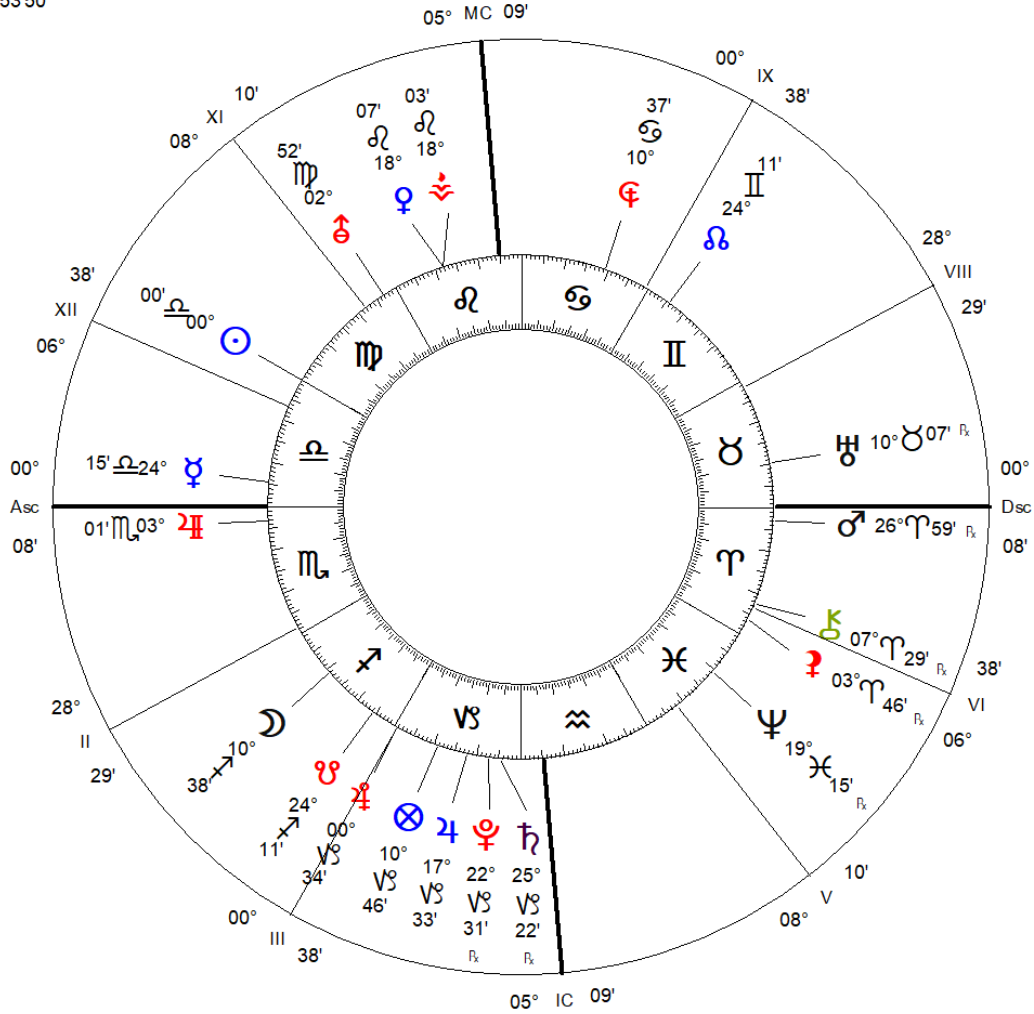

The 8th house cusp 28 Taurus intercepts Gemini, God Wisdom that is the requirement of the law for the North Node at 24 Gemini in the 3rd decant of the 8th house. Before we can stand on *the attainment* of our God Wisdom to defeat the serpentine reasoning, logic, and motives of the carnal mind. We must first exercise our mastership of all the resources provided us and demonstrate our resourcefulness in receiving Christ and stand on the higher mental plane and invoke illuminations flame. We are called to demonstrate in public our mastery of our 3rd eye chakra, being single eyed vision on the goal through this fall, then we shall stand in the diamond shining mind of God.

North Node is intercept in Gemini because we are being tested of our mastership of the resources of the teacher and the teachings. Many lack the resourcefulness needed in this hour of cycles turning. They have not practiced or as Morya says, “made plain the teachings”. The message is to *begin now*, a new beginning, the soul is co-creator with God. Call upon the Lord, the penitent heart.

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

The cause behind the intercept at 28 Taurus is the square to 28 Leo, *our ambition*. This is the ghosts of our wrong decisions on the path of personal Christhood in 2017, when we stood in Gemini on the lower mental plane and fell for the reasoning of our carnal mind and its serpent logic and motives. This is our conditioning from early childhood playing out as the conditions in our old age. These are conditions reinforced from age 5, 17, 29, 41, 53, 65, 77 when we were in our Gemini year as taught by the science of the cosmic clock. These momentums, Kuthumi calls “mood momentums” or attachments to material substance or substance of the ego, are our outer possessiveness. It is the proverbial “love of money” *i.e. materialism*. It is our wants driven by our ambition. They were eclipsed at 28 Leo in 2017 over America and the Church. Those who saw the light of the eclipse, call to Helios to eclipse all opposition from these momentums of our Gemini years to our mastership at 28 Taurus to being *single eyed* on our goal, one pointed in the diamond heart of Morya, our teacher of God Wisdom.

What is ambition? It is self-love, selfish love. It is the outer, the letter of the law without entering in to the flame, the heart flame. It is the office without the initiation to handle the authority. It is lust after the power and authority. It is the denial of hierarchy and the path of initiation. It is the denial of the Guru chela relationship. It is the affirmation of the dweller, Pluto in Leo, since birth.

The key to the 8th house cusp, therefore to God’s Wisdom is surrender, the technique of surrender, the ability to surrender because of obedience to the will of God and his law. The soul has learnt to *ignore the law* in Gemini because of her disobedience to the law, the wheel of the law and the teachings in Taurus.

5

This is playing out in the Venus-Vesta confrontation at 18 Leo in the 2nd decant of the 10th house. This is the confrontation in the 10th house between those who have *transformed* themselves to receive Christ and those who *are transforming* the organization in the 10th house and the nation. The Sun North Node midpoint is at 12 Leo and the Mercury North Node midpoint is at 24 Leo. Venus-Vesta is conjunct the midpoint between Sun North Node and Mercury North Node. ***This is the battle for America in 2020.*** Who will rule America and the Church in 2020, Christ or Antichrist, the laggards, the Modreds. Only by God Wisdom in Gemini can the bride of Christ prevent the carnal mind and its serpent reasoning from denying Christ in the Son, *our Sun* as taught by Kuthumi. The Sun is in the 3rd decant of the 11th house, *repression*. Mercury delivers the message of the Sun, telling the soul to *expiate* her karma and remain constant and humble before the Guru, our God. In this way you will obey the law, remain protected because you surrender to His will. Instead of facing one’s ignorance of the law in Gemini and spiritual blindness, the soul stands with Christ on the higher mental plane in God’s Wisdom, *his consciousness*.

The alternative message is that if you do nothing, if you remain silent, you will become the laggard evolution of Terra. You will be left behind the evolution of planet earth. You will become *castaways*. You will fulfill the prophecy of Mother to every Keeper of the Flame, having *chosen not to be, you will lose everything you love*.

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

We are given the choice in Gemini to take God's plan for you, the 13th Tribe, to be world teachers, or to take man's plan for you to rule the organization and nations, the blind leaders of the blind. Greg Braden calls this the "zero point". Maslow and Arnold Toynbee call this the *point of spiritualization* vs materialism. It is the choice of the creative minority, we call the 13th Tribe, to spiritualize in the 2nd coming of Christ in man and lead the 12 Tribes into the Kingdom Age. Or allow the laggard evolution to pull down western civilization and culture of Freedom and Liberty that is we are told the rising Mother light and *the elevation of woman*, an equal partner. This is the playing out of the dividing of the way of earths evolutions, Revelations chapter 20 verses 4 and 5. *Blessed and holy is he that hath part in the first resurrection; on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years, verse 6.*

We are in the 36th year of all dispensations and releases of light, in 1985. This is loves victory of the bond to the heart of Guru MA and Lanello, to the heart of Maitreya. Or it is the year of being stripped from the Guru and *being left behind*. We were called in 1985 *to be Elders of the Church* and to aspire to the office of Christ so that in the cycles of time we would come to the second coming of Christ to be able to defend the Guru when Saint Germain and his messengers and Morya return with Merlin *to cast out these black magicians* who have stood upon the mountain and chosen to take the left-handed path and become black magicians, *adepts* on the left-handed path.

This is playing out this fall. Venus North Node midpoint is 21 Cancer 9 minutes in the 2nd decant of the 9th house. We are told to *research* the teachings to be God taught in order to pass this test of Venus and the North Node. Also, the Sun Uranus is midpoint at 19 Cancer 3 minutes in the 2nd decant 9th house. Uranus is conjunct CUT and USA Sun in the 2nd decant 7th house, *Independence*. We are call at fall equinox to stand in selfless love in the Guru-chela relationship and publicly demonstrate our mastery of the 12 rays, the 12 lines of the clock and receive Christ and Guru, our Father and work the works of the age. The midpoint between these two midpoints Venus North Node and Sun Uranus is *Mother's Ascendant*. We are called to take the hand of the Guru as Mother's Ascendant at 20 Cancer 16 minutes, midpoint between these two is also opposite the midpoint of Jupiter Pluto in the 2nd decant of the 3rd house, *fidelity conjunct Mother's Descendant, the love of the Guru for the chela and chela for the Guru, the highest love, Uranus in esoteric astrology*. Only those of the 13th Tribe who take the hand of the Guru in the Guru-chela relationship on the path of personal Christhood will pass their initiations this fall. Others will fail their initiations in the 6th house of service to the Guru. This is Mother has taught us where the chelas fail their initiations.

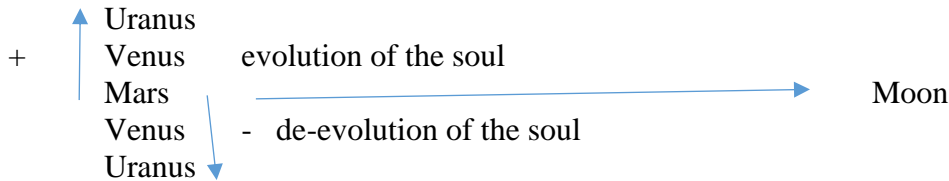

The Summit Lighthouse Venus is 19 Cancer conjunct the midpoint of the Sun Uranus which is 10 Taurus, conjunct CUT Sun and USA Sun. These two Suns are conjunct with a 1-minute orb. Every Keeper of the Flame stands as Venus in the Summit Lighthouse conjunct this midpoint Sun Uranus. We are forced to face our dwellers in 2020, 3 times as Jupiter the Guru conjuncts Pluto our dwellers, first on April 5th, then on June 30th during the July Class (our Doomsday consciousness), finally on November 12th, tomorrow. Who has the selfless love to cast out the dweller or *to make the call to the Guru to cast out our dweller* so that Christ might

enter. So that we might declare our independence from the fallen ones in 2020 and elect to rule ourselves under Christ, in 2021 and beyond.

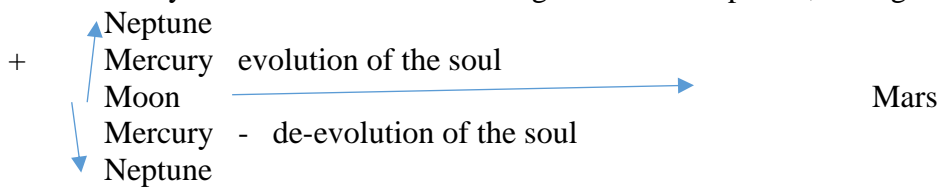

What is a priest scientist? What is the meaning of science and religion? What is the relationship between Cosmic Cycles and Cosmic Astrology? The answers to these questions lie in the relationship between Cosmic Cycles (dispensations) and the Everlasting Gospel. The answer lies in the mind's journey on the cosmic highways in Cosmic Consciousness on the higher mental plane. It has been called Gnosis, also called being God taught, as was Saint Paul, as we sit under our own vine and fig tree. This is the Guru-chela relationship, the path of initiation. Therefore, cosmic astrology is a vehicle of the Everlasting Gospel. The study of the cyclic nature of cycles through the four planes and four lower bodies. Cosmic astrology is an Aquarian Age science of the applied Everlasting Gospel of the Cosmic Clock of the soul's Odyssey on her journey home as she climbs out of the Pit of Hades, on the path of initiation under the guidance of the masters all the way back up the mountain of our God. Cosmic astrology as the clock of destiny of the soul and the Cosmic Clock will be better understood in the Aquarian Age. They are the new age sciences of the clock of the hours of our karma, our initiations, our testings, and our dharma. They are *the tools* of the chela on the path.

Ambition in service to the Guru takes the soul to the outer states of consciousness, the realm of the personality, as taught by *Vairochana* making the soul subject to Lunar influences acting upon our Martian residual desires, as taught by *Kuthumi*. This is the lower nature where selfish love, self-love abides. Esoteric astrology teaches us that love ranges from

The soul evolves from Mar's love of self to the love of another, Venus (divine feminine) who teaches the aspiring soul to love beauty and purity of the feminine principle in man. Uranus is the higher love, selfless love of the soul and bridegroom and between Guru and chela. When on the path we fail to surrender and keep climbing we look to the outer perceptions that poison the soul with past passions that drag on us pulling us down to self-love. We are pulled down into the electronic belt patterns of the planets. We become ruled by the Moon and the animal nature of Hades.

The lower nature on the lower mental plane is ruled by the princes of the air, Luciferian pride of the ego, Satanic rebellion and refusal to surrender and be obedient, and Serpentine logic and motive of the Dragon that lusts after the power of the Guru, the office and the authority, instead of the destiny of the soul. Here knowledge has become power, it ranges from

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

Here we evolve from the collective consciousness to the mercurial mind able to understand and act upon the world of cause and effect. The soul is able to sit under her own vine and fig tree and be God taught, gnosis. Now the soul comes to the path of personal Christhood able to walk the path in loving obedience to the law, she puts on Christhood daily. When the soul comes to a point on the path and begins to struggle with surrendering her mood momentums, her attachments and possessions then she stagnates and the moon activates our residual Martian desires and the soul begins to separate from her beloved and her Guru. Over a period of 20-60 years the slow process of separation Mother told us can result in the belief that the soul is a chela still but a vast distance can separate the soul and Guru. This is because Sanat Kumara taught us in 1974 that over a period of 20-60 years on the path you can cover 250,000 years of karma. If not handled it can accumulate rapidly and turn the soul on the path on a *de-evolutionary* path, repeating the past. While the cycles are missed. Confucius has told us that if we miss *this relentless wave*, we will have to wait *one million* years for another opportunity.

Ambition on the path is selfish love and the sign of the chela usurping the Guru and Christ Self. The sign that the ego is taking credit for the work that the Father and Mother are doing. It puts the soul in direct relationship to the false hierarchy that eventually becomes willful (self-will) as the soul believes the lie of Serpent, once again.

Ambition is the poison of serpent. It is a *venom* and Brahma Vishnu and Shiva taught us that it is *imperial* that is deadly to the soul. It's poison manifests as lack of self-worth, the denial of the God Flame in the heart. John the Beloved delivered a teaching on ambition, as did Portia and Archangel Gabriel.

Ambition is the poison of the Serpent mind, *duality*, that began in the Garden of Eden. Its venom still remains and is the cause of failure, struggle, and separation from Christ and Guru, for many. Ambition is Martian desire without heart. It is outside God's desiring, the Divine Plan. It becomes man's plan, outside the divine plan.

Uranus at 10 Taurus is conjunct the CUT and the USA Sun. The Seven Elohim came in 1993 to initiate the *re-organization* of both the Church and the Nation so that we would come in the cycle of time on the Odyssey of our soul on the path of personal Christhood to become the bride of Christ, complete the journey and arrive home to the Kingdom. The danger on the path is the amount of karma coming at the soul over a period of 20-60 years. It is easy to fall back into old patterns without the fire of the heart. Desire manifests as mood momentums that are our attachments to substance that pulls down the consciousness to the lower mental plane where the soul is subject to the mass consciousness, the collective mind, Neptune. This is where the mind is programmed by Transpluto and their computers and generators. This occurs during astrological karmic configurations that condition the soul to old patterns that are programmed to appear to be new. They are Maya, illusion, taking teachings and the principles and purposes for which, this nation was created and transform the nation to revive Babylon the Great in Capricorn, under the false hierarchy of the Ruby Ray.

FALL EQUINOX
2020
HARVEST CYCLE OF THE YEAR

It transforms the nation and western civilization in the hour that it is to spiritualize under the creative minority of the 13th Tribe and 12 Tribes, instead it materializes, materialism (Uranus and Neptune) under the leadership of the ambition of the dominant minority in the 4th, 5th, and 6th houses. Revelation teaches us that this is the reviving the Beast out of the Sea. When all will be forced to take the mark of the Beast. These are the findings of Historian Arnold Toynbee and Maslow. These are the teachings of the Everlasting Gospel.

We are called to walk the inner walk with God and climb up out of the Pit of Hades and Climb the Highest Mountain, the Consciousness of God on our journey home. We are called to walk in the Earth as World Teachers to bring in the Golden Age.

At Fall Equinox the throat Chakra in intercept. This will last throughout the fall quarter of the harvest of cycles. It is intercept by the 2nd and 8th house cusps at 28 Taurus and 28 Scorpio. We have been prepared for the Jupiter Pluto conjunction in 2020 on April 4th, June 30th, and November 12th. We have come face-to-face with our dwellers. Will you make the call?

There is more to the story and more will be told. But now is the time for prayer and fasting. We have entered with the Sun into Scorpio, into our emotional bodies on the astral plane to face our fears and our desires *that would* strip us from our God and Guru, even strip our nation and our land from us. The initiation of Wisdom has taken us to a place to test our souls in *the Battle for America*, to see who has kept the Vision, God Vision, midst those who stand in Scorpio in fear, poisoned by their *personality's* perceptions that are her passions, the records of residual desires for the lust after the light of the Mother and her chelas, coveting their authority, craving the power of Heaven given them to ask the Father anything and he will give it, in this hour of the second coming of Christ in the Man-child of the Woman-clothed-with-the Sun.

- Let the victory be sustained...

- Unto you is the cup of victory
- Judgment of the power elite
- Mighty scepter of the Trinity in the hand of the Holy Christ Self
- The **SUN** consumes all unlike itself. You can do anything through the Cosmic Christ consciousness of the **SUN**. Remember that ye are God's, and He holds you close...the only distance you know is time and space conditioned by inharmony.

HARVEST CYCLE OF THE YEAR

- Let not the **eclipse of the sun or moon** in any way mar the blessings of the Sun of your soul and the Sun of your I AM Presence! Defeat that astrology...unto you is the cup of victory. Remind yourself daily, I am a son or daughter of Helios and Vesta.
- *...these wings are **the wings** of the mind...of God Mercury...of Venus. Draw down the SUN into the lowest depths of the physical plane...unto the 33 steps... you can by the power of the SUN rout those fallen ones bind death and hell, cast them into the lake of fire of your own SUN.*
- **Fallen ones remain** until the people (1st house) decide to reject them, for they will no longer worship them, they will no longer accept their standards. It is YOU who have given them haven! Divest yourselves of all that consciousness...they will no longer be able to abide. The earth is ...St Germain's and Portia's and it is their turn with God and Goddess Meru to remake this world into the kingdom of heaven and you assisting...
- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with. Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
