

Scorpio Sun Transits Physical Plane, Earth Element
Nov 14th to Nov 21st when Sun enters Sagittarius.

Humans are marionettes. Their genetic programming makes *humans* a socialistically inclined animal. But not all are human. God created Man in his image and likeness. Meaning to say that Mankind are, as Moses told us, created to become immortal. The Individualization of the God Flame. Man, the soul, is created to walk a path under the Divine Mother - Teacher to become the Son, his Sun sign. And to fulfill his destiny in the Second Coming of Christ in Man, to rise in the Air quadrant, the air element, the mental plane as the individualization of the God Flame within his heart. And to meet Jesus and his Father in the Air to take dominion in the earth over these *Princes of the Air*, these Fallen Angels and their human creation. This God Flame in the heart is a real physical flame, it beats the heart and rises to open the upper chakras until the Crown opens to become a thousand petal chakra spinning as Christ Illumination, as Buddhist Enlightenment, upon the completion of the Path of Personal Christhood and the 14 tests of the crucifixion that ends in the Resurrection and begins 50 years of walking in the earth as World Teachers with Jesus Christ. This is the promise and the prophecy.

So here we are, November 17th. What in the world is really going on? Many are calling, they are praying, "Oh God, help us!"

Last Saturday, November 14th, the Sun entered the physical plane during its transit of Scorpio. This transit will continue until *this Saturday*, when it enters Sagittarius at 3:39 pm EST. The Sun is acting upon our physical bodies and our physical worlds. The Sun is come in answer to our calls and our prayers, according to his will, to fulfill the Divine Will, his Plan for America, the planet and HIS people for 2020.

The Sun spends seven solar days in each sign during its transit of the sign's physical plane. It comes in answer to our prayers to undo all that was set in motion by those who live as the collective consciousness (Mass consciousness) under the influence of the Moon upon the electronic belts of Neptune and Pluto, i.e. all the outer planets, which number five.

So, we see the warfare for the hearts and minds of God's people in the earth. This site is dedicated to this battle for God's people and to the Wilderness (America) that he has prepared for millennia to renew his covenant with his people. He is gathering them out from among the nations and peoples, to be His People once again, one people, one nation, under the One God. Hence this site is called Sun Star Lunar Dragon.

The Sun in Scorpio transiting the physical plane is healing our physical bodies and our body elemental, in answer to our calls, our prayers. It is also, radiating *for all to see and to know*, God's Vision for 2020, i.e. the outcome of these elections in America and the impact upon the future of the planet that God Desires that this election outcome will have.

How and What does Cosmic Astrology say God Intends to be the outcome that will PLAY OUT, this fall? And what does God require of HIS people, who have dominion over this Earth, to make this happen?

God acts in the earth not through superstitious "miracles" but through Science, the mathematics of his Sacred Geometry. This is the science of the Cosmic Clock and Cosmic Astrology, the ancients call the clock of the soul's destiny, her evolution.

The Sun is transiting conjunct Pluto, our dweller-on-the-threshold of our consciousness (Doctor Jekyll and Mister Hyde) and Saturn. Saturn's casual body represents to the soul, the Father of Jesus. But the electronic belt of Saturn represents Satan and his legions of angels. i.e. the test upon the mountain of our karma and the mountain of God's consciousness for the soul to choose to be or not to be, Christ and to follow on the Path under His Father, rejecting Satan and his temptations or to choose to become our DWELLER. This initiation is NOW, it is planetary wide. This is the hour of the Second Coming of Christ in Man, in 2020. This is *the election sure*. Many only see the outer and under the Sun's transit of Scorpio lust after the light of America and her people, the I AM Race worldwide. They are called out in this lifetime and are known as the American Israelites, the remnant of the 12 Tribes of Israel.

Jupiter made its third and final conjunction of Pluto, all three in 2020. The final encounter now underway began exactly on November 12th. If we take its ORB into account this conjunction began with the elections of 2020.

The Sun's transit of the physical plane, our physical world is to TEST us, individually, who will be ruled by Christ and who by Antichrist. This is the second coming. Christ is come to judge Antichrist, and to bind our DWELLER's in answer to our calls and our prayers.

The Sun is come to TEST our attainment over the influence of the Moon upon the collective consciousness of Neptune's influence over Socialism, Voting Fraud, and all the criminal activities we are seeing as the debauchery of all who outpicture Neptune's electronic belt, i.e. in all areas of life Neptune rules.

The soul who walks in the Earth under the light of the Sun/Son and his Father counters the works of those under the influence of the Moon and by her attainment of the Sun's *energy and will* to manifest God's Vision (Scorpio) of his Divine Plan for America and the Earth in 2020, through his will in these elections (outcome). It is by the soul's attainment of the Sun as Scorpio's God Vision that all these lies and propaganda in the media and the political parties, believed by the people's personalities, their perceptions and its poison, their passions...their lusts and cravings for the light of the American People, worldwide, are overcome. These latter are consumed by the fire of the heart in God's People, who keep the VISION. By those souls who keep their fidelity to the Guru/Teacher on the mountain with their Dwellers and the Satans (Pluto, Jupiter, Saturn in Capricorn).

The soul overcomes the influence of the New Moon upon Mars' residual desires for the light of God's people by murdering the CHRIST and true prophets, the true leaders of God's people. This is warfare for the control of the planet, its nations, peoples, and the church.

The soul stands in the Sun with her Son, her beloved, as HIS Bride, the Lambs Wife in Capricorn. The soul demonstrates in public, the 7th house, her mastership over all past desires and the passions of her synthetic personality, ruled by the Moon. So that as the SUN comes, it finds nothing in the soul that ties us to those who have chosen upon the mountain to fall once again and follow the Watchers and Abaddon, king of the Legions out of Hades whom Saint Germain told us on July 4th, 1976 would begin to incarnate beginning in 1990.

The soul stands with the Sun in Scorpio in polarity in Taurus to face the squares, i.e. the confrontation with those souls playing out in Aquarius and Leo, who are determined to rule the nation under Pluto and Saturn (Satan) and to Martyr the faithful remnant by the repression of Christ, emerging in the second coming that coincides with the second TERM of President Trump.

This is a TEST of Vision (Sun in Scorpio) by souls who have remained to this hour bonded to Christ and his Father, Guru in loving obedience in the 7th house, Taurus. This is a test of the soul's bond to Christ at the end of the Age and the final lifetime of those called home to the Kingdom. All are called to wash 7 times, for seven days of the Sun's transit of the physical plane, and our physical world, here in America, in an election year that will determine the future of the planet.

The soul calls upon the Solar hierarchies of the Sun's transiting Grand Trine, Scorpio, Cancer, and Pisces to release the light of God through these constellations to Helios of the Sun to be released through the 12 Solar Hierarchies behind these twelve signs to transform and transfigure souls who have prepared to this hour for the second coming of Christ that we may cast out Satan and the Dwellers of the sons of Belial from America and the Earth, fulfilling prophecy of the Second Coming.

We are called in the fall of 2020 to pass our initiations and to serve Christ and his Father and fulfill the Divine Plan for America in 2020. We are called *this week* to pass our tests over all past desires and momentums of the soul's evolution to this date in time, from the origin of the soul's beginning. We are called to demonstrate *this week*, prior to the Sun's entry into Sagittarius, on Saturday, our dominion over Ambition that relies upon the personality, thus denying Christ by virtue of not having prepared for his coming, the soul has no oil in her lamps, no fruit upon her vine, and having buried her talents not multiplied them.

The soul calls upon the hierarchy of Cancer for the white fire discipline of God's will to remain ONE Pointed, single eyed Vision of the Victory of God's Plan for America and the Planet in 2020, i.e. the God Desired outcome of these elections. This test will get very real, beginning *this Thursday* through *Saturday* as we face the challenges that will present to the people of God during these three days. As we face our Dwellers and theirs upon the mountain with the Satans

and Jesus' Father, Maitreya. Wash seven times in the violet flame (say, repeatedly the mantra, "I am a being of violet fire, I am the purity God desires"). Be made whole and purified for the coming Bridegroom. Wash clean of all ties and all vibrations that we see in others. They are our mirror of the Moon Mother reflecting back to us our own subconscious that we cannot or refuse to see. We are tied by our desires and our emotions, by our attachments to material substances and substance of the ego that the Moon amplifies and then magnifies as residual Mars desires and as her passions in Scorpio (ruled by Mars).

We are called this week to pass through all these records of the soul and its collective consciousness as we face Pluto and Saturn with the Guru Jupiter and to pass through the current challenges and those, *we will face* in this election in America in 2020, to God's ordained victory at winter solstice.

Our TEST is to attain to God's VISION (Scorpio) of his Divine Plan for these elections and for America in 2020. Our TEST is of our FAITH (Pisces) manifest as our works...receive Christ cast out the Personality of the Dweller "Doctor Jekyll and Mister Hyde". Faith without works is nothing. Our TEST is of our Discipline (Cancer) to follow his will and his law and to defend the nation and the coming of Christ. Therefore, be in polarity with God acting through Man and the coming events.

This is in contrast to those who have and are ABDICATING their destiny to be Christ's Bride, His Wife, to fulfill their destiny upon the Mountain of Capricorn. These are fulfilling the prophecy of DOOMSDAY.

The question we each face is *which prophecy will I fulfill?* Christ or Antichrist? Christ or Doomsday (Pluto)?

The fate of the planet and of America is being determined *this week* by how we pass through the challenges we face. The outcome will be shaped by how we face the coming **LUNAR Eclipse** on November 30th, at 8 degrees Gemini. This will eclipse the SUN (SON) of the soul of all who have chosen SATAN over Christ. They will be cut off. Call for the eclipsing of all opposition to the SON/CHRIST of your soul, who is your Bridegroom. He is standing at the door to your heart and knocks.

This will be followed on December 14th with the **ECLIPSE of the SUN** at 23 Sagittarius come to eclipse all opposition to the Second Coming of Christ in YOU. And coincides with the meeting of the ELECTORAL COLLEGE to determine the VICTOR in the 2020 elections. Call for the eclipsing of all opposition to GOD's Victory in 2020 of His Divine Plan in these Elections and for this Planet and for YOU.
