(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

2020 in Cosmic History

The new year begins and the old is sealed at winter solstice, the Sun's ingress into Capricorn. This is a new beginning, a new cosmic cycle at the 12 o'clock line, manifesting as a new solar cycle for the evolution of the planetary life waves. The next step on the spiral staircase of life ascending, expanding.

Master Kuthumi and Lord Maitreya set the stage for our understanding of the spiritual purpose and the cosmic pattern of the laws governing the mechanics of the solar cycle of the year. The ascended master Kuthumi, teaches us in his discourse titled, "The Light of Winter Solstice", the laws governing the period we are so familiar with, yet know so little about, *winter solstice though Christmas, New Year's Eve, and New Year's Day*. Lord Maitreya teaches us in his teachings on the law titled, "*The Light Cycle and the Dark Cycle of The Year*", the interchange between the laws governing the mechanics of solar cycles and their application by free will, on the path of initiation. He teaches us the application of free will to ascend or descend the spiral of time and space as we experience the interchange called the sine wave as life interacts with *choices made* and *choices being made* by billions of life streams, whose actions, thoughts, feelings and memories and records (karma) impact all of life we call the collective consciousness and unconscious of all kingdoms on the planet, the solar system, within countless galaxies. Life on earth is a microcosm of the matter macrocosm.

There are many teachings woven into this **tapestry** of the vast Matter Universe, intertwined with the two mentioned above. They are woven together to create the laws governing the life of the soul, here on earth. One such other is the teaching by Saint Germain delivered on January 1st, 1984 during the Class of the Solar Ring. He teaches us of the application of the law of cosmos we call the New Year. On New Year's Day we begin a new blank page for that year to write the divine plan, the blueprint of the Father's will for the year. We write by our actions on this page carrying out his will or misqualifying his energy given us to carry out his will. Thus, begins the new cycle of the year given as the Thought Form of the Year by Gautama Buddha.

Winter solstice provides us the stage, and *Act One* of four for the year (solstices and equinoxes) and *sets the stage* for the year *in the first scene (Capricorn)* of the great drama to be played out in the new year, 2020. All the characters, *you*, come upon the stage having chosen to play the role destined by your soul's destiny, preparing you to be the bride of Christ and to carry out our Father's will and work the works of the Ages. Or we come in ignorance of the laws governing the Light of Winter Solstice and the Light Cycle and Dark Cycle of the Year and we act out our soul's disobedience of the laws through the collective mind and its mass consciousness, programmed by the Moon to our mood momentums and habit patterns of our past. This leaves us vulnerable and unprotected from the psychic generators and the computers programming our minds by Transpluto and the fallen angels in our midst with the vast magnetism of their feeling bodies and their control of the media and entertainment. These souls come to the New Year rebelling against the law and will of the Father. We willingly or unwillingly carry out the agendas of the fallen angels who have divided us into *factions* within two *opposing forces*, Gog and Magog; for example, the Democrats and the Republicans. This latter divides us into opposing camps capturing our consciousness into an alternate path of initiation and evolution on Terra. Today we are clearly seeing their handiwork in the Republicans and Democrats and their opposing views of America and of our future, religion and state, individual and the state, freedom and communism, the new cold war in the middle east with radical Islam, or with China and Russia against America. Two opposing forces each with factions warring in their members. This is the battle field for the minds and hearts of the people. The western civilization calls this Christ and Antichrist.

The ascended masters teach us in the Everlasting Gospel through their Messengers, the Prophets of the Seventh Angel, that these opposing forces dividing humanity into warring factions are the spiritual manifestation of the false hierarchy of the Ruby Ray which is the hierarchical organization of the fallen angels we have historically known as the pantheon of the gods. There is vast evidence that this is a single pantheon over every nation and civilization cloaked in the language and cultural norms that divide us. This false hierarchy is setup to mirror the Hierarchy of the Ruby Ray who teach the initiates under Sanat Kumara, the Ancient of Days, the seven initiations on the Path of the Ruby Ray. The seven initiations prepare the soul of the initiates to win the race and complete the works of the ages, midst the opposition from the False Hierarchy who wage the spiritual warfare here on earth that they began in heaven and which we call Armageddon. The Works of the Ages is to rescue our own soul and then those of God's people, from *the prison house on earth, we call hell and the ancients call Hades*. This path is laid out before us as the manifestation of the law. It provides the soul by freewill, to come out of her, Babylon the Great Whore, which is the anti-state and the anti-city and return to the Father's fields. We were told 2,000 years ago to forsake being an *unjust steward*, and to come apart to be fishers of men and to feed "my sheep". We are called to come out of her and to build the New Jerusalem, the City Four Square *in America*, the land sponsored by God for his people to come apart and be a separate and chosen people, elect unto God; one nation, one people, one God. This is the light cycle and the dark cycle of the year, that we have entered **2020**.

The Cosmic Import of 2020

We need to know the cosmic import of 2020 and its requirements of the law so that we will have a harvest in the fourth Act of the year, the fall cycle of the year. The victors are winning the race to bring in a Golden Age in Aquarius taking dominion in America leading the people who will *elect Christ or Antichrist in the 2020 elections*¹ to lead them into their destined future. Versus the fallen angels turning *the tide of light coming upon the earth* as we emerge from the Galactic Equator and the Rift having *given birth* to the second coming of Christ in man as the Divine Mother has been in labor these last 45 years, since 1975. The Divine Mother is giving birth, the re-birth in man known to exoteric religion as the second coming but known to esoteric religions as the second coming of Christ in Man. These latter saints of all religions, know the white light of the Great White Brotherhood. They know the seven initiations on the path of the Ruby Ray. They know *the initiation of the soul in 2020* to meet the initiation of the casting out of the *Serpent* from the mystery school under Lord Maitreya, known today as the *Dragon* who stands before the Divine Mother giving birth to Christ in you, to devour you as soon as Christ in *you* is born. You stand on the Mountain in Capricorn as the mountain goat facing all who have gathered there in 2020 to test your soul's preparation for the alchemical wedding of your soul to your Christ Self and your ability to walk in Jesus Christ's footsteps, in 2020 and beyond, and do everything he has done and *more*, because he told *you*, he has gone to his Father. This year will require 2020 vision. Your discernment of the Father's will in these federal elections in 2020 at the end of the Galactic Alignment on the galactic equator with the Divine Mother as you face *your dweller* and those of 7.3 billion others on the mountain of initiation, to cast out the dweller. First in you, then to take a stand in 2021 to cast out of Camelot with Saint Germain and out of North America with the Goddess of Liberty, spokesperson for the Great Karmic Board, *all* who stand today on the mountain and in 2020 bow before Satan to rule the material nations believing the lie, once again of the Serpent that the kingdom is come *in this world*. Having rejected Christ, choosing to follow Antichrist.

2020 is about vision. What vision and visionaries do we choose to elect to follow in this election year in America. The 3rd house media would have you believe that it is about President Trump. It is NOT. He was chosen, Daniel tells us, by the Ancient of Days in chapter seven to fulfill the prophecy, delivered to us through his Son, Jesus Christ through John in the Book of Revelations chapter 17 verse 17, "for God hath put in *their hearts* to fulfill his will, and to agree, and give *their kingdom* unto the beast, until the words of God shall be fulfilled".

Footnote 1:

We are called in 2020 to come to these elections with clear sight (Scorpio, God Vision) to see (Sagittarius, I See) whom Saint Germain, Uncle Sam has prepared for the coming battle, to run for office in certain races at the city, county, state, and Congressional levels across this land, America. We are expected to know God's will in 2020 and have the discernment and the discrimination (Virgo) to see the battle playing out for the souls of the people. Seeing, we are given the authority and the power to make the call and to "Call Upon the Lord", in prayer and by fiat and decree. As Jesus taught us "that whatsoever ye shall bind on earth shall be bound in heaven"; "whatsoever ye shall ask in my name, that will I do"; "ask me of the things to come concerning my sons, and concerning the work of my hands COMMAND YE ME"; "thou shalt make thy prayer unto him, and he shall hear thee...thou shall also decree a thing, and it shall be established unto thee. And the light shall shine upon thy ways".

We have been sent into the world to fight this battle for America, in its third century, the century of LOVE. The love of Aquarius of the BROTHERHOOD of MAN, selfless love. We are called to see with eyes clearly. Seeing, take dominion of America in 2020. We are called to see and to know who is Christ come in the second coming, born in a manger, come with a sheepskin garment and a sling, born in humble beginnings and running in these elections across this nation in 2020 and to call:

- *For their protection, of those running*
- *For the people whose responsibility it is to vote for them, midst all the voter fraud of the political parties and their machines.*
- *To pass your tests in 2020 and elect in your hearts these, the chosen, so that we may stand with each and every one of these who are called to sacrifice their lives, their fortunes to stand with Uncle Sam, Saint Germain, in 2021 and beyond...to TAKE BACK AMERICA in the intervening years (2021 – 2024). So that we can take our stand in 2024 and elect Christ to rule us in the Presidential elections, as a priest king. Those who cannot see, have lost their VISION and we are told, their hearts will fail them for fear...of what is coming in the battle for America/*

2020 vision is required by the advanced initiates this year, to pass their initiations on the mountain to cast out their dweller, created by the soul as her false god. The soul is called to demonstrate her love of mankind (Aquarian, through Uranus in Taurus) to sacrifice herself on the rock of Christ in preparation in 2021 to fasten her Christ Self on the cross, at the nexus between personal and planetary karma and carry the cross of planetary karma. The soul is called to the 14 tests of the crucifixion *to lead the people as a priest king, to gather the 144,000 disciples* of the Once and Future King whose time is come to lead his army to gather the 856,000. These latter, Morya tells us, are they who are ready to become the congregation at the altar. They are ready, Archangel Zadkiel tells us, on the path of initiation to invoke Saint Germain's gift of the seventh ray to transmute the darkness and stand with Archangel Zadkiel on the west coast of America (*which may or may not be fulfilled at Livingston, Montana as prophesied by the Sleeping Prophet, Edgar Cayce and ratified by the Ascended Masters in the Everlasting Gospel*) and roll up the darkness from North to South, from West to East. Mighty Victory tells us this will begin in *Chicago* and spread in concentric rings from *the heart of America* to encompass the continent, then the planet.

4

How is your vision in 2020? We have been told that without vision the people (the initiates) will perish. Their HEARTS will fail them for fear. Fear, Mother tells us in the four planes, the four seasons, their four lower bodies, manifests as the fear of sacrificing their free will to God (Uranus in Taurus) in the etheric plane and surrendering to his will and his plan to reduce this nation America to its foundation as told us by Uncle Sam, Saint Germain. Fear of the future and what is coming upon the earth as their own karmic patterns of rebellion as they elect to follow the fallen angels instead of the election sure, electing to follow Christ, in 2020. God who sends souls prepared to serve Him in Congress, the House and the Senate and in the Governors' mansions of the nation, into the state legislators and the county councils who will stand fearless under the Six Pointed Star to be the temple through whom God will act to affect events in 2021 and beyond that will see the fulfillment of the Word. All because we pray for His will and to protect those jurisdictions where these chosen individuals, the shepherds, the plumbers, the maids, the clerks, the students are running for office in the land as representatives of the people and our God. And if we are in those jurisdictions, have the discernment to see with 2020 vision whom God has chosen, as he did David, to be his servant in God Government of this nation under God. The people fear change in the heart (Leo) of their emotional bodies. They would rather continue to elect the fallen angels to protect their economy to which their

economies, their jobs, their savings, and their possessions are tied. They fear to become selfless and to TRUST IN GOD in the second house of their finances and the economy of the nation and to pay the price, their debts. They fear what the fallen angels will do if they act to cut their ties (debts) to the global economy, or to defend freedom in Taiwan, Hong Kong or Tibet or even to defend their embassies in the Middle East. They fear to be Christ and to come out of her, that harlot who rides the Beast...they fear to defy the Beast who *will* blaspheme God and at the threat of death demand they worship the Beast out of the sea, communism, Wormwood, Rev 13:1-15. Why is this? Why the sudden shift in America in the lives of the Boomers and Bob Hope generations (1900-1966)?

We were given 2000 years to become the Christ, 2 AD – 2002 AD, that some would stand at the end of the Age, Pisces, at the transition into Aquarius when our karma of past Ages (12), a Grand Sidereal year, approximately 25, 800 years, would come due *that would try men's souls*. This period is called *the dark night of the soul*, followed Saint Germain teaches us, immediately by *the dark night of the spirit*. This time period is for the fulfillment of the word written in the prophecy of the Book of Revelation and described by Daniel, as his dreams. As we balance the last 49 percent of our karma, cutting our ties to all who are freed from **Hades** (Rev 6:8) that follows the returning karma delivered by the Pale Horse, death; and the opening of the bottomless pit (Rev 9:1-3). See *Fallen Angels Among Us* by Elizabeth Clare Prophet, Summit University Press.

Mother Mary and her messenger Elizabeth Clare Prophet gave us the science of the cosmic clock. This is the science of the mathematics of the universe, of *sacred geometry* in particular. It is governed by the laws that are described in the science of the cosmic clock. The laws of constancy and precision, we call clockwork. This science teaches us that Jesus came to herald the Piscean Age, the age of the *fishermen* and *shepherds* of God's people. He told the apostles that his Kingdom is **not** of this world and that he would send his prophets to deliver the everlasting gospel **at the end** of the age (of Pisces). He taught us that we were given 2,000 years for the Levites, the 13th tribe of the priesthood and the remnant of the 12 tribes, *to become the Christ*. We have called this **the second coming of Christ**. We are called to personal Christhood on the path of initiation of our hearts under Jesus' Father, Lord Maitreya. We are called to be the shepherds of God's people to lead them into the Aquarian Age under Jesus paternal father, Saint Joseph, we know as Uncle Sam, Saint Germain, *hierarch of the Aquarian Age*. We are called to leave our footsteps in the sands of time that they might show the way to the people that they might follow, into the Kingdom Age, as Revelations teaches us the Church Age **has ended**. We are called to show the way into the Kingdom, by our example. And as Jesus teaches us, having been faithful in small things, he will make these, the called-out ones, rulers over many (Matt 25:23).

Winter Solstice 2019 – The Divine Plan 2020

Winter Solstice is the sun's entry into Capricorn. We map the ingress to study the outer physical positions of the planets and stars to get insight into the spiritual intent of God's will, his plan and direction for the new year cycle. We also map the ingress to understand God's cosmic clock, and how to anchor the divine plan in the mental and physical planes, by knowing what will oppose us and the challenges we will face. We start with the ingress chart, to focus our attention and the meditation of our hearts on the etheric blueprint for the year, to know and understand our Father's will. We do this to anchor our consciousness in the etheric plane so that we can lodge in our memory the record for the year. We do this to align our will with his will.

Ascended Master Kuthumi teaches us in his *Expose on the False Teachings*, how the Sun cycle in each sign works. The Sun spends 28 solar days in each sign. Seven solar days in each plane. So, we map the star's ingress into each plane. This allows each of our four lower bodies to align with his will, so that we can be the instruments of that will as God carries out his divine plan for the year through individuals and in events.

Each sign has four ingress charts. The etheric provides God's purpose and intent that we are to mirror onto the new blank page as we carry the plan forward in our memories because we have aligned with his will and super consciousness, called the super physical in Pisces.

The ingress into the mental plane at 7.5 degrees of the sign on the 3 o'clock line is mapped to know his will in our higher mental body where we receive and understand his will as we conceptualize his plan bringing it down into mental patterns and deal with all that opposes that plan by the ego and the princes of the air. Now that we have the blueprint, the architectural design, a mental representation of the thoughtform for the year we are ready to focus on what God desires to do with this. How does he intend to use this to accomplish his will? We surrender to his will and dedicate ourselves to carrying it out as our will, one with the Father.

As the Sun enters the emotional plane at 15 degrees of each sign on the 6 o'clock line, we feel his desiring and we empty ourselves of our desires in gratitude in Leo to be filled with his desiring in us. We are filled with the wisdom of his divine justice as all receive the karma of our alignment and mis-alignment with his blueprint. We understand his desires that guide us in implementing his plan carrying it into the physical knowing the opposition that his will fosters in the pride of the human ego that follows its own agenda and plans.

We come to the Sun's entry into the physical plane in Capricorn at 22.5 degrees on the 9 o'clock line. We invoke Mighty Victory and the Lords of Individuality to counter all the forces working through the pride of all egos opposing God's will being carried out in the physical, driven by their ambition. These opposing forces and their agents, the ego of the human personality and its feelings of pride are they who are driven by their ambition to take what Satan has given them on the mountain opposed to God's plan coming into the physical because it signals their judgment. This is spiritual warfare after all. The soul who keeps the vision, single

eyed in their determination (Taurus) is able by the magnet of the heart to gather and organize others to achieve the goal. This is love's victory. This is the God Victory under the Great Initiator, Lord Maitreya and the Lords of Mind. Love's victory of the soul's union with her Christ Self, her real self.

This journey of the Sun, the Sun behind the Son, of our God Presence and his Son, our Holy Christ Self is the same whether we move with the Sun through the signs each year to write upon the new blank page or we are moving through our natal year, month to month on our birth day. The latter defines who and what we are writing upon the blank page of the year as taught by Saint Germain on January 1st, 1984. This is a critical teaching dedicated to God's victory and your own.

Master Kuthumi teaches us how to use these star charts of our Sun, Helios, and to counter the opposing forces that use the 28-day Moon charts (Phases) so that we can have our victory over the forces used by the fallen angels and the energies that they wield against you, our organizations, and our nations.

We will follow the Sun through each ingress chart into each plane of matter to understand God's will and the rescue mission of our Holy Christ Self to gather *your* soul to his heart, the 8 petaled chakra on the path of the Ruby Ray. Then to demonstrate publicly, in the 7th house, your Christ mastery, that you demonstrated on the circumference of your four lower bodies over your birth-progressed-solar return-transit charts over the 28-year period 1987-2015, of the center of your circle, the place of the Monad, your God Presence. We have been doing this since 2016 and in 2020 we are in the 5th and final year of demonstrating our mastery of the seven and the five secret rays, to carry out our Father's will, ending this year (2020) in the Transfiguration of the alchemical marriage of our soul and Christ Self (*first in the one, Mother*) now in the many (*her true chelas*).

Life is a path. The path of the evolution of the soul. It is also the path of initiation on the journey and when the soul is ready, the path of the Guru chela relationship. The latter is necessary to demonstrate to the soul of the disciple, the chela, or servant of the Guru how to achieve by learning from her experiences to walk in the footsteps of the Master. Also, that the soul must take the hand of the Guru to cross the abyss. And when the disciple falls on the road under the cross, the master carries the faithful chela, knowing first-hand, the love of the Guru for the chela. The chela knows then that at that moment in time, the footsteps in the sand are our Lord's while he carries *you*, as he heals *you* and *you* regain *your* strength. The chela stands in the 6th house in service to the Guru...to carry out God's divine plan to bind the fallen angels and rescue his children. These last 2,000 years, the last 200, and the last 46 in particular, demonstrate this to mankind and to those called to be chelas in this lifetime. We have walked with the great lights who have demonstrated to us how to serve...the discipline, the love, the wisdom and the diamond heart that is needed to be the Temple of God that enables God to work through individuals, *now you*, through whom he will play out his will ***in the coming events***. These are the events portended by the mega conjunction in Capricorn of all being gathered there

by the Seven Archangels, as all that is written in the Book of Revelation comes to its conclusion. We were given 33 years for the playing out of many of these prophecies 1985-2019, 404 verses, 404 months.

2020 is a year of vision. It will take 2020 vision to get through it and bring to the harvest in the fall, our Christ victory that will see *the Turning of Worlds* as we enter Libra on the Path of Personal Christhood in the 34th year on November 1st, 2020. Three days before the elections on November 4th, 2020. We must face the opposing forces upon the mountain in Capricorn who are gathering their own *for these elections, to take heaven by storm* and many of God's own into their camp to counter God's Plan with their own, *the Fourth Turning for the Great Transformation*. Educate yourselves, research God's cycles coming into manifestation in you and those of the fallen ones. Do a google search on these latter terms. Everything is connected. There are no coincidences. Your thoughts, your actions, your victory is having a ripple effect on the water bodies, the desire bodies of mankind, of Americans and by your calls and your vision, your visualization of God's will and his plan, is the prime factor that is *Turning the Tide*, as with God all things are possible. Without him nothing is possible. We are bearing witness to *the Turning of Worlds*.

The Divine Plan Etheric Plane – The Record and Memory

I have colored the planetary bodies, blue, black, and red. The blue, the Maha Chohan describes as those planetary bodies that the disciple or chela plays out who assimilates the path and the will of God. The black are the Four Horsemen and the Moon. These are the planetary forces that those who accommodate the Guru and the path in America outpicture, as all Americans are initiates of the Cosmic Christ Maitreya per Saint Germain. These are the Black forces that play out in our consciousness and subconscious when we fail to assimilate the Sun of our Presence and the Son behind the Sun, our Christ Self. We do this, Master Kuthumi teaches us, because of our mood momentums that are our attachments to material substance and the substance of the ego, our vanity. These are the enemy within and without. The Founding Fathers made it clear that the nation cannot fall from without, only from within. The axiom is that a nation falls, Arnold Toynbee tells us, by the *dominant minority who oppose the creative minority*. The former triumph over the latter because the people choose to follow the lie of the serpent logic and reasoning of the carnal mind, the lower mind, in the third house, for immediate gain and because of spiritual blindness. Kuthumi teaches us that this is attachment to material substance, and that of self. This plays out in Capricorn at the birth of all cycles as their ambition seeks a position in leadership, displacing Christ, being concerned with their status in the community, instead of service to God and country in the 6th house, Virgo. See a Man for All Seasons, Thomas More and Rich Richards.

We see this in the government as people apply for positions because of salary and status. It is a rule of government today that 80 percent of government workers do 20 percent of the work and 20 percent does 80 percent of the work, worldwide. These are OPM statistics given to me in

2002. It could be worse today as International Corporations (10th house) are displacing Americans in our government bureaucracies, with foreigners. A conspiracy that began with the Bush Administration *controlled* by the 107th Congress. If one thing is clear, it is that the US Congress runs America and the Executive Agencies. Follow the money. Congress is remaking America, departing from its original purpose and the blueprint of its principles. This also applies to the State and county legislatures or Councils. This is where the battle for America is being fought. This is where the *front line is being drawn* both by the fallen ones and by Sanat Kumara, **the LAW**.

These elections in 2020 are about who we send to the front lines where the battle is being fought across this nation. The Presidency is a counter-balance or a screen to deceive the people and misdirect the people from the true front lines in this Battle. This nation was won because we controlled our local governments and ruled ourselves. We controlled our local magistrates and sheriffs and could defend ourselves. These are the very mechanisms the Normans put in place in Britain to overthrow the Feudal system of the Great White Brotherhood. Government is how the Masters provide us the means to build civilization, as above so below, and to defend ourselves from a dark planet controlled by fallen angels and their hordes, 85 percent of the planet's population as told us by Morya El. After all, the Presidential race has become a travesty, it is sold to the highest bidder. It now costs over one billion dollars to win a presidency. And we have learned in the last election in 2016 this is foreign money. This is because Corporations have been given the vote even though since 2008, they are no longer American Corporations but International Corporations, part of the New Economic Order of the Illuminati.

9

They are foreign corporations that are now battling to rule America. The Beast out of the Earth that gives life to the image of the Beast out of the Sea, Communism. Ordering all to worship the Beast out of the Sea or to be killed. Forcing all to take the mark of the Beast in their hands or foreheads in order to buy and sell. Rev 13:15.

This is what is at stake in the 2020 elections. We must pass our initiations to manifest the second coming of Christ in Man. Only we can do it. Christianity does not believe in Christ in Man. They believe he will come again and die once again for their sins. They believe as did the evolutions of Maldek, influenced by the remnant Vesta, having rejected the love of the Divine Mother Mary and her messenger the Prophets, Guru Ma and Lanello.

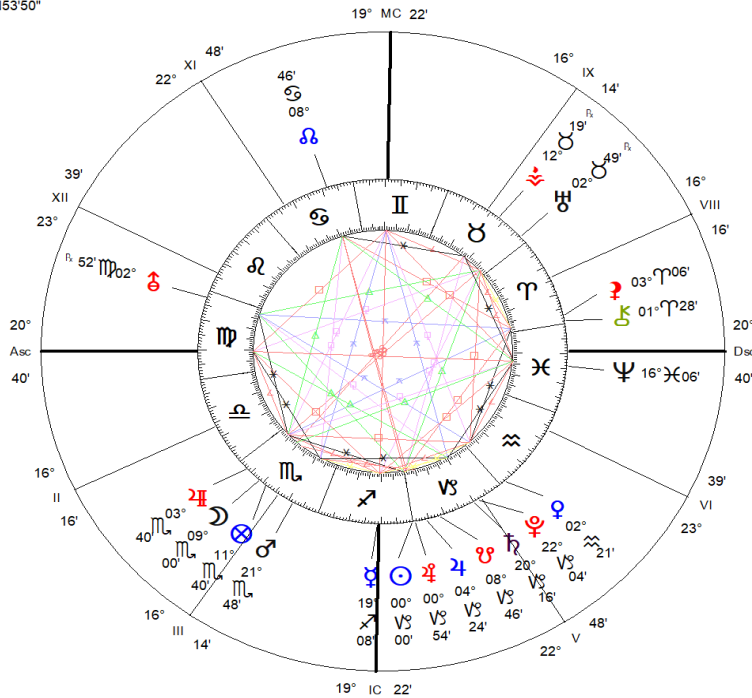

The future rests squarely in the hands of the called-out ones. We are told, one with God is a majority. We are told that first one, then many, will achieve the victory for the Turning of Worlds. The hour is come.

As we stand in Virgo on the 9th station of the cross and fall under the weight of world karma, the 3rd time as we bear the cross of planetary karma.

We are standing at 11 Scorpio on the midpoint between Mars and Apollyon at 3 Scorpio. We are called to demonstrate our attainment over Mars in 3rd decant of Scorpio by following our intuition, not our desires as we stand at **the Y in the road on the apex of the Yod** conjunct Mother's MC and call upon the Lord to make the right choice to take the right handed path at the Y. We are called to stand on the mountain with Maitreya, casual body of Saturn and cast out our dweller, Saturn conjunct Pluto.

The Yod is formed by the two branches in the road, on the right Apollyon called Abaddon in Revelations, with Mars conjunct the midpoint the Part of Fortune and on the left, Transpluto at 2 Virgo in the 2nd decant of the 12th house, our subconscious where occult forces oppose the soul's obligation to pay her debts of destiny. These debts are to cut our ties in the 2nd house to Abaddon and his army of locusts, Mars, the Red Horse. This is the karma we made in the emotional desire body out of our idolatry to the lesser self, our carnal mind in rebellion against Christ. So, we face the struggle to surrender our possessiveness, our attachments in the second house of our debts to the fallen angels and their economy. There stand the victors over death, one with the Part of Fortune, to cut their ties to Abaddon and come out of her Rev 18:4. So, that when the judgment in Virgo descends upon the new economic order, we may get hit, Morya tells us, but it won't stick.

We stand at the Y in the road on the mountain in Capricorn at the apex with the Guru. We stand on Mother's MC at 2 Aries with the ONE to become the MANY who defeat their dwellers. We stand with the Guru to cast out the black magicians who have stood on the mountain and chosen to take Satan's offer to rule over the Christ in the people. We stand with Saint Germain to fulfill prophecy in 2020. We stand on the midpoint between our Black Moon Lilith and Chiron, the conditioning of our four lower bodies through the ages to become the Black Soul, Moon and like Lilith *declare our separation*, Saturn Pluto, from our Guru, the Masters, our Presence, Christ Self, declaring to all that I will do it MY WAY. This is Lilith, the castaway, and many are choosing to become castaways in 2020 with the Sun in Capricorn. Both Lilith and Chiron are in the 7th house in the second decant. We are called in Capricorn in 2020 *to declare our independence* from these karmic chains that have bound us to Earth and to these fallen ones. We stand to declare our bond to the Guru, Guru Ma and Lanello and to Maitreya. We stand on the mountain to slay our dweller in 2020, Saturn Pluto conjunct and Sun conjunct the Watchers at 0 Capricorn.

We have come to this initiation, of our hearts on the path of personal Christhood on the mountain in Capricorn with **Saturn, Maitreya, conjunct Mother's Descendant** at 20 Capricorn 16 minutes, an exact conjunction. We stand on Mothers 7th house cusp in the Guru chela relationship or we stand on the South Gate in our initiation of the Ruby Ray bound to our dwellers subverting the authority of the Mother, the embodied Lamb and the Lamb's wife, Guru Ma and her unascended chelas, and usurp the office of the flying Eagle occupied in Matter by the Woman clothed with the Sun and **her Manchild** embodied in the initiates of the Ruby Ray who are keeping the flame of the Mystery School in the Community of the Holy Spirit.

We are standing on Mothers descendant with Maitreya and Satan, Saturn, conjunct our dwellers in the 4th house 3rd decant. Those who are bonded to the Guru are called to research the law and the teachings to understand (*assimilate*) what is asked of us in 2020 to have the victory over our dwellers in 2020. This victory is critical for some to defeat their dwellers and for others to defeat the battle of 2020 to strip the chelas from the Guru. Mother taught us in 1985 following her trial that the fallen angels would change their strategy and begin to attack the chelas to strip

them from the Guru. Archeia Aurora describes this in the book, *The Vials of the Seven Last Plagues*. This is the meaning of the Saturn Pluto conjunction in 2020.

The fallen ones are attacking the one force in the earth that is the trigger of their judgment. The word incarnate, who are called to attain Christhood in 2020, in Virgo, the first fruits of the harvest of Christ in the second coming of Christ in man. **Why is this so threatening?** Because it is the sound that will be heard around the world. It will launch *the Turning of Worlds*, and it will ignite *the Revolution in Higher Consciousness* that is destined to *come* in 2021. The wait is nearly over. The fallen ones know it. We have been told for Ages now, that the Dragon stands before the Divine Mother giving birth to Christ in man and that as soon as he is born, the Dragon attacks to devour **the Manchild**. *The fallen ones are planning to lead this people against Saint Germain in this elections to elect their own to fulfill the prophecy of the mark of the Beast in the hand and forehead to buy and sell.* This is in direct opposition to Saint Germain's plan in 2020 to elect his own who will stand in 2021 fearless and unmovable as Sanat Kumara sends his Messengers to anoint the chelas in the 34th year at the river Jordan to begin their missions to gather the one million to the path as the one million fallen ones are taken. This will launch the Coming Revolution in Higher Consciousness that will sweep America and then the world as Saint Germain sends Merlin riding this wave to cast the Black Magicians out of Camelot and as Goddess of Liberty has prophesied, out of North America. As the illuminati flee North America to escape justice, to Europe where they will face Divine Justice.

This is the fulfillment of the prophecy of the 33 years to complete the mission of the Summit Lighthouse. The prophecy that the Ascended Masters names will become household words by Aug 2024. This is in preparation for the 2024 elections when America is destined to elect Christ to the Office of the President of these United States.

12

If we fail in 2020 to elect those chosen and trained on the inner, Saint Germain tells us in his book, *Saint Germain on Prophecy*, that the coming of the Cosmic Christ will manifest during a war between the fallen angels, as a nuclear first strike on America. This is prophesied by Nostradamus to occur on the 45th parallel. The Sleeping Prophet, Edgar Cayce prophesied that New York was being rebuilt in 2100. The Masters have prophesied that every city and town that supports abortion will face cataclysm. This is part of the grand scheme of the illuminati to destroy America and the I AM Race on Terra. The Mayans prophesied that they would flee this judgment, rescued by the Feathered Serpent in spacecraft, destroying the earth as they leave, so that the Sons of the Law of the One do not inherit the earth. This is in contrast to Sanat Kumara's promise that the meek will inherit the earth. All are choosing their future in 2020. Those with 2020 vision are choosing to stand with the Guru, the lineage of the Guru, the hierarchy of the Gurus to take back North America then the planet. Yet those who choose on the mountain in 2020 to **not slay** their dwellers their hearts will fail them for fear as the initiation of our hearts by the holy Spirit enters the 33rd year in Virgo on February 21st, 2020, because they have lost the VISION. *They have come to 2020 without vision, save their own greed, lusting after the light of the Guru, taking all freedom to themselves, coveting the light of the chelas and the people.* Two vastly separate worlds now undergoing the judgment of the dividing of the way.

Sanat Kumara has promised that the line is drawn and that all who keep the law, the line CAN'T be crossed by the fallen ones. Their strategy in 2020 is to get you and the American people to cross the line to their side in this election year and to follow them to the second death instead of the second coming of Christ in them and the ascension in the light.

Sun and the Watchers are conjunct at 0 Capricorn, Jupiter the Guru is at 4 degrees and the Dragon's tail is 8 Capricorn. The **Guru is midpoint** between the South Node of the chelas and the American people, 4th house, the people of the planet and their choice between their Christ Self, the Sun, and the Watchers. All are standing, as prophesied by Guru Ma, in the shoes of Hamlet to decide if they will stand to take back the nation with the Guru, or in fear of the usurper, do nothing or attack the Sons of God anointed by Sanat Kumara. The South Node is yours and the people's bad habits and momentums that are standing in the way of your victory in 2020. They will, if not conquered in 2020, strip you from the Guru.

The Sun your Son self, your Christ Self conjunct the Watchers at winter solstice for the 4th winter solstice in a row. We have been under this initiation since the sealing of the harvest of 2016 at winter solstice 2016. That is to say since Donald Trump became President, the alternative being Hilary Clinton. We came through the seven Pluto Uranus squares, June 2012 following the return of the Feathered Serpent to the Garden of Eden, the Mystery School through the solar eclipse at spring equinox 2015 at 29 Pisces, the MC at winter solstice 2014. This is the fourth year, the final opportunity to cut your ties to the Watchers and their wives, the daughters of men, the progeny of the fallen angels, Lucifer and Satan and the Serpent, - the Nephilim.

13

We are called to stand with the Guru, Saint Germain in 2020 and elect his representatives so he can send Merlin to cast out these Black Magicians. We are called to stand in the organization in the 1st decant of Capricorn in the 2nd decant of the 4th house to fulfill Revelations in 2020. We are called to sit under our own vine and fig tree and be God taught to take the path of the safe passage of ye all, as the cycle has entered its 32nd year in Leo. Stand united in the organization and challenge the Watchers and those who follow their past, the South Node habits and momentums that have given their power to the Dragon who spits out of its mouth the four beasts, our four horsemen. The momentums of our accommodation of the Watchers attack on America. We have given our light to their economy, their financial system, their banking system, even their real estate system as they take over America and Montana.

We are called to stand with Jesus Christ and the Hierarchy of the Ruby Ray and with Uncle Sam and squarely face the prophecies of Revelations on the mountain of Pluto, Saturn, Dragon, Watchers and to bear the cross of our personal karma and planetary karma, the grand cross of the midheaven nadir and the ascendant descendant, the four cardinal points. This is the yellow cross of Christ wisdom.

Christ is born. The wise men must discern the state of the nation and its leaders and their fear of the people. This has always led to holocaust in the past. We saw this with communism

under Stalin and Mao, 100 million killed, 6 million under Hitler. Revelation prophecies a third of men. Saint Germain has a plan to save America, North America as the place prepared for the 12 Tribes to come apart and be one people, one nation under God.

For Christ to be born, the dweller must be cast out. This is the meaning of 2020 as **Saturn conjuncts Pluto**. This is the fulfillment of the prophecy of 1994 by Elohim and their Messenger in the spring of 1993 and during the July 4th Address 1993. This 1994 mega conjunction of seven planets in Capricorn within a 9-degree orb with Pluto square Saturn at 27 Scorpio and 27 Aquarius, respectively. It was this square Saturn Pluto that was prophesied to destroy America if Christ was not born to fulfill America's destiny. That was January 1994. Now Saturn and Pluto have transited to conjunct at 22 Capricorn in January 12th 2020. We are called to stand with Maitreya and our dweller on the mountain and choose whom to become, Christ or our Dweller, Antichrist. See Mother and Mark, Climb the Highest Mountain Series, *Christ and Antichrist*. The destiny of the soul is to become Christ and ascend or become the dweller and go to the second death, see Mother's lecture "The 2,000 Year Ride of the Four Horsemen".

The Sun, Watchers and Jupiter midpoint to Jupiter, the Guru is our initiation to choose standing on the mountain to call on the light and arc it into the earth and anchor it to consume the energy veil at the nadir to wash all past choices when we defended the Watchers instead of our Christ Self, the Sun. *We have defended the Watchers in the past, it is our conditioning under Chiron. It is our programming under Transpluto. It is our habits under the Dragon.* It comes natural to us, but we must break the chains that bind us in 2020. We are called home, in the 4th house. This is the final hour; it is our last chance. We are called in Capricorn to sacrifice our past records and memories and to outpicture the wisdom of our Christ Self, the consciousness of our God, in 2020. As the cycles turn and we stand in Virgo in 2020 and in 2021 under the safe passage of ye all. Major change is in the wind. **Life on earth will never be the same.**

Venus the loving chela, at 2 Aquarius is in the 1st decant of the 5th house. The soul born to love's victory faces the challenge in 2020, of who rules the soul, Christ or the Personality of the synthetic self. Venus the loving chela is captain of her ship, our temple. The soul faces the desires of her crew. Her crew is a projection of all tied to us with whom we are traveling, to get home. Each crew has its desires developed as past habits and momentums, our attachments and possessiveness, our grasping nature. The question in 2020 is who rules? Do you rule your crew or do they rule you? The key is God Love. Our weak link is our records and the memories surfacing into our subconscious in 2020 of our hardness of heart, as we finish our 32nd year in Leo of the initiation of our hearts by the Holy Spirit (2019). This will manifest (in 2020) unless cast it into the flame, as the insensitivity of Venus to the call of the Guru to rally to the battle or to call on the Guru in the battle, doing instead "our-way". You know it. You were there at Bunker Hill, and at Valley Forge. This energy is being released in 2020 to go into the flame or

to play out as paralysis of the soul to act in the face of all the witchcraft being practiced in this election year against the Spirit of America and our elected representatives.

The fourth house is the battle field. It will play out in the homes of the people. It will play out across the land, presenting a major threat to our homeland. It has to do with our position and honors in the community. It affects everyone who are the Bob Hope and Boomer generations as it is these who are being called now in their old age, to battle. Having spent a lifetime training under the Gurus, now they are coming into their own, the Anointing and the Wedding. The question for these in their old age is have they come to the battle and to their Christ self, having assimilated or accommodated Christ. This will determine who will face and conqueror the challenge of the 1994 Prophecy, of Saturn Pluto.

Sagittarius on the Nadir at 19 degrees represents the returning karma of the people's aspirations. *Those who aspire to fulfill the destiny of America to give birth to Christ will receive their good karma in 2020.* Those who aspire to fulfill past desires taking advantage of the freedom afforded their soul in this lifetime to deny the freedom of the American people to govern themselves and elect their own representatives, will reap the karma of neglect.

Those who aspire to serve Christ and the Ascended Master Saint Germain to bring in the golden age will organize themselves to survive what is coming upon the nation and to hold the balance for the people and the nation. They are become catalysts that ignite a world to the revolution in higher consciousness. And to let go of the dialectical materialism of this global economy and in the appointed hour fill the vacuum by concerted, united action. It begins with the 2020 elections.

15

Those who aspire to material gain will use the law and power to secure their preservation having evolved as an animal under the law of the survival of the fittest, taking the wealth of the people to themselves. These will fall prey to the two Beasts as portrayed in Revelations.

2020 will see the harvest of the people's aspirations. Either they will bear the fruit of aspiring to the **Sun**, their **SON**. Or they will bear the fruit of their aspirations under the **Watchers**, materialism. The latter whose fruit is sweet in the mouth as the passions of delicious animal magnetism that has driven their cravings, *will turn to bitter in their stomach* (Cancer, under the solar eclipse on summer solstice) as what was delicious *turns into the malicious intent of the Watchers* as the two beasts play out the Great Drama. The drama for the heart of the planet and her people, with Saint Germain the seventh angel of Revelations and Sanat Kumara and the hierarchy of the Ruby Ray. We have been told that it is a race and there is only one victor.

We are now seeing waves of the Watchers (Psyche now at 0 Capricorn) desires for the light of the people, sweeping out of the subconsciousness on the nadir at 19 Sagittarius. This consciousness is flooding the wilderness (America) to sweep the Woman and her seed away, as described in Revelations. This is manifest as threads of desire in the seed of the Woman presenting as the challenge, Sun conjunct the Watchers conjunct Jupiter, the Guru. This has been going on for the last three years since winter solstice 2016 (2017) and will come to a critical mass, a zero point as described by Gregg Braden, in 2020 as all gathered in Capricorn, play out their karma, good and bad.

All are standing on the mountain at the Y in the road with Maitreya and are choosing. The elections are the physical manifestation. The consequences follow. **Revelations tells us that if Neptune, the Pale Horse proceeds...to defraud the American people of their right to a free and open elections (Neptune) to elect their own Representatives, then Hades will follow (Rev 6:8).**

We are standing on the South Gate of the New Jerusalem out playing our Sun (SON, our Christ Self) in the Guru chela relationship conjunct Jupiter to deliver God's Divine Plan in 2020 for the judgment of the Watchers and the Laggard evolution of the Cain civilization, in 2020.

We are standing in 2020 and choosing to elect to follow Sun Jupiter or Sun Watchers. *Two separate futures unfold simultaneously from 2020.* Each one chooses his future in 2020. Each one is deciding in 2020 which role they will play, that which is the destiny of the soul or that offered on the mountain with Maitreya by the Satans. All this plays out with the Sun in Capricorn which will then play out in February in Aquarius, later in March in Pisces and so on.

16

The tide of light is manifesting as our aspirations rising as the subconscious waters rise on the Nadir in Sagittarius. *The soul will see the victory in 2020 of the cycles of her labors, the work of the Ages.* Or the soul will be poisoned by the component of her personality of her synthetic self, her dweller and its carnal mind. This poison is the envy and jealousy of the Watchers, rising as a tide on the Nadir to play out as their revenge and retaliation through those whose consciousness is poisoned by their ties to the Watchers (Rev 18:4). *This will play out in the 4th house, our Homeland, midst our homes and our land. It will affect our food supply, poisoned by Saturn, the Black Horse (Rev 6:5-6) causing famine to sweep the land as they attack the Woman and her seed in their envy and jealousy of the love of God for his sons and daughters, as they play out their revenge in Gemini as their jealousy attacks the Woman and her children in Cancer (ruling the 4th house). This is their karma. It must be met with the Sons of Solitude with their finger in the dike as they stand the watch on the walls (the new city, the New Jerusalem) through the dark night of the soul. The people (4th house) are rallying to Uncle Sam, to Saint Germain and must take up the Violet Flame to consume the rising tide of darkness of the Watchers and the dwellers of all on the mountain of Maitreya who bow before the lies of the Serpent-Dragon and accept the offer of Saturn's electronic belt (Satans) conjunct Pluto (your dweller) on January 12th, and beyond.* We are called to wash 7 times at the well, to be cleansed

by our Holy Christ Self and Jesus Christ. Some will while others are blinded by ambition, Capricorn, within the organization of our nation and church.

People are electing in 2020 to follow the original purpose and principles for which this nation was created by God, because they see (Sagittarius, I See) the hand of God playing out and they are rallying to Saint Germain, Uncle Sam to provide him their Temple of the Individualization of their God Flame within the inner chamber of their hearts in the 32nd year of the initiation of their hearts by the Holy Spirit on their Path of Personal(ization) Christhood now in Virgo in the 33rd year of the Transfiguration, the alchemical marriage of soul and Christ Self.

Others, people are electing in their spiritual blindness in Gemini and in the 5th house, Venus, ruled by Leo, to aspire driven by their mood momentums that are now manifesting as attachments to counterfeit ideas and ideals in Capricorn in their lust for power, they once knew, that is now threatened with being taken from them. The Mayans prophesied that they would come to realize that they had to flee to survive and that the Feathered Serpent had returned for that purpose, but that they would not leave the planet, to the lightbearers, they would destroy both the planet and the lightbearers. The Ascended Masters have warned us that only the initiates passing their initiations to become Christ incarnate gathering the people, the multitudes on the West Gate can stop this from happening. Archangel Zadkiel, in *The Vials of the Seven Last Plagues*, a Summit Lighthouse publication, tells us that these must gather on the West Gate and invoke the Violet Flame in sufficient quantity and quality. Once a critical mass is invoked; he will release SEVEN additional Vials...of Violet Flame that will roll up the darkness of the planet beginning on the west coast of America, west to east and north to south. This is the destiny of America and her people that has begun to play out in 2020. It is the responsibility of the Priests, the 13th Tribe of the Levites, the called-out ones, to invoke the light to seal the darkness before it sweeps the Woman and her seed in a flood from America and the Wilderness from which she has flown on the wings of the Eagle. The Flying Eagle on the South Gate in Capricorn.

17

We are seeing the I AM Race organize themselves, in Moscow, in Tehran, Taipei, in Hong Kong. We are also seeing that without the March of the Priests and those upholding the Arms of the Guru (in Gemini, Morya EL) then the people perish under the military might of the Watchers and the laggard Cain civilization. We see this in Syria, in Tibet, in Palestine, in Armenia, the Kurds, the Uighurs, all whose land has been taken by the Dragon. Their agenda has America, North America, next. *So, it is next on the agenda of the Great White Brotherhood as they are preparing for the awakening of Merlin*, in answer to the call of the called-out ones, who is destined to return to Camelot to cast out the Black Magicians who have taken Camelot under the Modreds, Modred and his seed. We are in a race for the souls and Spirit of America. Each is called to play their part. Each one is a majority with God and irreplaceable. Each one's role is critical and essential to the victory. Each one IS making a difference. This is the envy sweeping the land as we speak, the hatred of the Watchers for you, God's sons and daughters, because now is the hour of your transformation, some are calling it "***the Great Transformation***", While the Ascended Masters are calling it "***the Coming Revolution in Higher Consciousness***".

You, each one, are “*catalysts*” that by our stand in 2020 for America and Uncle Sam are igniting a world revolution of God Consciousness as the dispensation for 2020 is released to play out as the alchemical marriage as the opening of the Crown Chakra (Capricorn) as told us by Sanat Kumara. The hour is come.

This will *ignite the world* that is called, “*the Turning of Worlds*” because “*the Torch is Passed*” as Christ takes dominion in the earth, first in America, and rules with a *Rod of Iron*, his diamond heart of the will of our Father, in you. 2020 is the first shot fired in “*the Revolution of Higher Consciousness*, that is *Come*”. Each one is called to do his and her part. It begins with daily prayer for the protection of this land given to the I AM Race, according to God’s will. And it is followed up with action, passing our initiations and tests in 2020 to defend the Office of Christ, the Office of the President, that belongs to Christ, called to represent us and which must be returned to our Father that he may send his Son to rule us in the 2024 Elections. God has a schedule, it is a Relentless Wave of Light and it must be taken at its crest to fulfill our destinies and that of this Nation, America. All can be lost, it is up to you and I. God works through Individuals and Events. He works through the individualization of the God Flame, your Sun. In the one who has slain his outer personality on the Rock of Christ, his Son. Kuthumi tells us that you are your SUN, when you are your SON, your Christ Self.

Those who cannot do this will play out the karma rising as a tide, a flood referred to in Revelations 12:15. As this tide sweeps the land it will catch up all whose names are NOT written in the Book of Life and all who have taken the mark of the Beast in their hand or foreheads. It will catch up all who are tied to the Watchers who are the two Beasts and the scarlet woman who rides the beast, the antichurch, the accommodators of Christ, in the seven churches, in the seven religions and their seven states of consciousness of which the Book of Revelations opens and addresses. We are called to come out of her, Rev 18:4, or receive her karma. Revelations and El Morya describe this as beginning with the collapse of the Global Economy of the Watchers and their Laggard, Cain Civilization that is identified by Sanat Kumara, the Ancient of Days, as Babylon the Great, on the South Gate. This is the Office of the Flying Eagle in Capricorn on the 12 o’clock line of the Cosmic Clock, occupied in matter by the Woman Clothed with the Sun and her Manchild embodied in *the initiates* who keep the flame of the Mystery School in the Community of the Holy Spirit. The South Gate, the Office of the Flying Eagle is the authority of the Mother, the embodied Lamb and the Lamb’s Wife, the Guru MA and her unascended chelas.

The authority of the Mother is subverted by the materialism and the ambition of those in Capricorn on the 12 o’clock line who gather there to take the power of the Mother, her authority and Office. They are the individualists who declare I will do it “*my way*”. They and their consciousness are described in great detail in the Summit Lighthouse Publication, *Fallen Angels Amongst Us: What You Need to Know*, by Elizabeth Clare Prophet.

soul's separation from God, hence "my way". These sons and daughters are poisoned with desires for material attachments, possessiveness, driven by ambition for power over others to ensure the preservation of their egos and its vanity. These who are tied to the Watchers by idolatry or by material attachment are at risk of being lost, Rev 20:5. The Sun Jupiter conjunction at winter solstice 2019 requires of the soul, her mastery of the flow of energy. This mastery is unattached. It is the mastery of the five secret rays and it understands that what is occurring in Capricorn on the mountain is the judgment of Babylon the Great and the Watchers and their anti-state and anti-city. They are unmoved. They have mastered the flow of energy and know that when the systems of the fallen angels collapse, we will be free to take dominion in our country and establish an economy based on Christ rule, based on the Gold Standard and trade between North and South America as described by Goddess of Liberty, spokesperson for the Great Karmic Board.

It is this attachment to the **current economic system**, that controls our jobs, our income, our wealth that is a sticking point for many. **Materialism** is based on the warring in our members in Gemini. The primitive instinct of Mars is the survival instinct of the fittest. The belief of the lie of the Serpent logic of the carnal mind that only the strong survive, a dog-eat-dog civilization. An economy based on one law, the law of scarcity. It is the law of **hoarding**, the absence of FLOW based on exchange of equal value. **Not whatever the market can command**. This is greed, and it is driven by passion in Scorpio, blind to God's Plan for a Golden Age. *Nothing of this vibration will survive*. An economy based on a Gold Standard follows the economic laws, principles governing a free market without government intervention, laissez-faire upon which the abundant life of Jesus Christ was founded in America.

19

The karma being released for transmutation in 2020 is the greed of Mars in Scorpio taking the light of the people to themselves. Taking the wealth and the power of the people to themselves, in the church and in the state. This is the danger to all, as we pass through Capricorn in 2020 of all God's people who do not aspire to Christ. Especially the 24 Elders who Morya told us when he created the Elders in 1985 on February 3rd that they had to aspire to become Christ, the next office above that of chela. Mother told us following the coming of the Seven Elohim in the spring of 1993, during her July 4th Address in 1993 that if we did not put on Christ, the fallen ones would destroy the church and America. This is the prophecy of the **January 1994 mega conjunction** of seven planets in Capricorn with **Pluto (yours and the planets collective dweller) at 27 Scorpio square Saturn at 27 Aquarius**. Now, in **January 2020 Saturn is conjunct Pluto**. All are now held to an accounting in 2020. This is the front line of the battle, for the Spirit of America, in 2020. We are in the 27th year in Pisces, the 2 o'clock line to demonstrate our Christ mastery of the physical plane, on the karmic axis as we meet our karma in our solar plexus chakra. We are called to demonstrate our mastery of the water body, our emotions, energy in motion in the church and the nation. Following winter solstice, on day five of the Sun's entry into Capricorn in the etheric plane, an **eclipse of the Sun** occurred at 4 degrees Capricorn. This eclipse conjoined the Solstice Jupiter. The eclipse occurred during the appearance of a Six-Pointed Star, announcing the incarnation of the Word in 2020. *It occurred to eclipse all opposition the birth of Christ in the people and priests in America and the I AM Race world-wide.*

This is the first of thirteen new moons in 2020. The eclipse divides the wheat from the tares. *It eclipses all on the mountain who have not assimilated the Guru in the churches and in America. It seals them to their fate. Call for the eclipsing of all opposition to the birth of Christ in you in 2020. Call for the binding of your dweller and for it to be cast out. Call for the binding of the Dragon and its Tail (Lunar South Node at 8 Capricorn) that stands before the Divine Mother in Capricorn giving birth to Christ in YOU, to devour you as soon as Christ is born in you in 2020. Call to Lord Krishna to stand with you in your heart during this initiation this year to slay this Dragon as he did Pootna and her Brother. Maitreya taught us in his dictation titled, "The Six-Pointed Star of the Lord of The World", when we would face this initiation, we were to call to the Great White Brotherhood to bind our dweller. He told us it is the pride of the heart, Libra, Aries axis that fails to call for the help of the Guru-Teacher-Raboni. (intercepted in Sagittarius 2020)*

20

This eclipse will play out during the window it is open, Dec 26th, 2019 – August, 2023. A period of three and a half years. *This eclipse is come to eclipse the Saturn Pluto conjunction and all that will play out during this window by all who give their power (Capricorn) to the Beasts, Revelations 13.*

The key during this eclipse window is to assimilate the Guru as **Venus at 7 Aquarius** in the 3rd decant of the 4th house. *We are called to research the teachings of the everlasting gospel (Summit Lighthouse Publications) to receive illumination, that Maitreya teaches us will consume our ignorance, (Leo Gemini) imparting wisdom. Thus, we are able to make choices that will demonstrate our Christ Mastery in the physical plane because we can think creatively, independently in Aquarius 1st decant. We will be free of the collective consciousness of the planetary dweller of all who have the mark of the Beast and are tied to the fate of all who have that mark.*

The eclipse is a divine weapon given to invoke its power to eclipse all opposing the Six-Pointed Star of those called to play their roles in 2020 and beyond. *Eclipsing all opposing the Glory of our God manifesting in the hearts of the planet and her people, in America and her people in the defense of America and the office of the President (Christ) and in the election of those whose Star has appeared at Christmas 2019 who must be elected to public office in November to set the stage for the casting out of the Dragon over America as prophesied by Saint Germain and the Goddess of Liberty.* To you is given the power of Prayer, in **the science of invocation as Priest of the 12 Tribes**. Jesus taught us that, “whatsoever ye shall bind on earth shall be bound in heaven”. “And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it.” “Thus, saith the Lord the Holy One of Israel ...ask me of things to come concerning my sons and concerning the works of my hands command ye me.” “...Thou shalt decree a thing, and it shall be established unto thee. And the light shall shine upon thy ways.” “Again, I say unto you, that if two of you shall agree on earth as touching anything that they shall ask, it shall be done for them of my Father which is in heaven.”

Our Father in heaven has sent his Son to bring to our remembrance the power of heaven that is given to our Christ Self in his name, who is come to take dominion in the earth from the princes of the air. This is the astrology of Capricorn in 2020.

Saturn (Satans) are conjunct Guru Ma’s descendant. They are come to fulfill the prophecy that the fallen ones have changed their strategy of attacking the Guru to attacking the chelas, to strip them from the Guru. Given by Mother in **1985** following her trial. This is the prophecy opposing the 24 Elders that Morya created to defend the Guru and to guide the church Board. This is the prophecy opposing the bond to the heart of the Guru, to bond to the heart of Maitreya, given by the Goddess of Liberty in August **1985**, titled, “the 24 Year Plan”. It is the prophecy that is tied to Archangel Michael’s summer solstice **1985** announcement of the next 33 years for the playing out of many of the prophecies of the Book of Revelations.

2020 is the year of Saturn, Lord Maitreya and the initiates on the path of the seven initiations under the hierarchy of the Ruby Ray. **It is the year of the Guru’s return.** Anticipate, Precipitate. **This is the year of the incarnation of the Word in you.** *Your Star has appeared at Christmas.* This is your Path of Personal Christhood, in its 33rd year in Virgo. And your **Christ Self is come for the judgment of your dweller and the planetary Dweller.**

The Messengers message (Mercury, messenger of the Sun) at 19 Sagittarius conjunct the Nadir, a 5-minute orb, is “**pay your karmic debt**”, of these last 25,800 years, if you will have your Victory in 2020. Your time is come. And *your debt of destiny is due. You must play the role given you as your destiny.* The world awaits the coming of your Christ Self. The Guru is scheduled to rendezvous with your Christ Self at the river Jordan in 2021.

You are called in the 2nd decant of Sagittarius in the 3rd decant of the 3rd house to **make your way to the return of the Guru to anoint you** to begin your mission to save this nation beginning on November 1st, 2020 when we will stand in Libra on the Path of Personal Christhood in our 34th year *to begin our Christ's mission to the nation and the planet as we gather the disciples of Morya and rally to Merlin to cast the black magicians out of Camelot and North America and send a Christed one to the White House in the 2024 elections.*

Many have been on the Path since the 1960s, that's 60 years. This includes all born since 1958. We are in Taurus in the 29th year of the final 33 years to fulfill the Mission of the Summit Lighthouse, to get the Ascended Masters Names into EVERY household in America. This is the divine plan unfolding in you and in America in 2020. We have 4 and a half years to accomplish this. It will play out through individuals and through events. The individuals are called to stand before the Guru to be anointed in the 34th year on the Path of Personal Christhood (11/1/1987). *In one year from now we will be in Libra in the 34th year of the initiation of our hearts by the Holy Spirit. Life is not what we have come to believe. Life itself is God. He is coming into the earth and we have been told we will see him because we are like him. All who are not will be consumed in his presence, this is the foretold, Great Day of The Lord. First, much must be put in place, as we have been taught.*

*Mercury would have us shed the snakeskin of the carnal logic of materialism and our attachments to material and spiritual survival and come to depend on God. It is through God, your I AM Presence with the Ascended Masters that is coming to work his works through you, your Individualization of your God Flame in the secret chamber of your heart that will work the works while working through events, called **the Turning of Worlds**. God demands a return on his investment, he sent his Son into the world to free you and set you on the Path 2,000 years ago. He sent his Prophets as his Messengers to deliver the Everlasting Gospel, which so many have discounted and disregarded, accommodating both the Seventh Angel and his prophets. Now the Mothers are Coming in Capricorn in the Hierarchy of the Ruby Ray on the South Gate in the office of the Flying Eagle, for the judgment of the Watchers and their Cain civilization, under that Devil called Babylon The Great. (Mother Kali prophecy).*

*Mercury the Messenger of Morya in Gemini, and the 3rd house calls us to return to the Community of the Holy Spirit and keep the flame of Morya's Code of Conduct and to cast out the Modreds and restore Morya to head of the Community. We began the final 3 years of the 20th century on January 1st 1997. Three years to stem the tide of the Modreds and Vivien and her like sorceresses. Now we are called to rally to Merlin and the Once and Future King, Saint Germain and Morya to cast out the Modreds and the Black Magicians. **In this coming battle, the Ascended Masters names will become household words and we will elect the anointed one to the Office of the President in 2024.** Six months before these elections there will be an eclipse of the Sun on April 8th on Mother's birthday at 19 Aries in the 9th house. It will be over America and Canada. It is the 2nd of 5 eclipses over America that began in August 2017, covering a 35-year period (2017 – 2052). These are the first eclipses over America in the last 35 years (1982 – 2017). The 2017 eclipse is in a series that occurred last in 1776. **Those who are alive to witness these***

The Divine Plan Mental Plane- In Conscious Awareness and Thought

The mental plane is when we can stand in the higher mental plane in our Christ mind and be God taught and filled with the consciousness that was in Christ Jesus. It is where we first begin to understand cosmic cycles.

In 2020 we are seeing all the releases through the Messenger in 1984 now play out in their 37th year, the year when Christ attains enlightenment. And the cycles now move to fulfill God's purposes. 1984 was the year many judgments went forth. It was the year that the ascension flame was placed in Mother's heart for the next 33 years to play out through her and her chelas. These are those who would assimilate the Guru and the path of initiation over the next 33 years, 1984-2017. Mother and her chelas came to 2017 in preparation for the solar eclipse at 28 Leo in the 9th house 2nd decant over the Church and the Nation. This is the first of five over America in the 35-year period that began in 2017 - 2052.

2020 is the 34th year in Libra for all cycles that began in 1987 (approximately the fall of 1986 through summer 1987). These cycles have now entered the Buddhist cycle and the Christ mission.

2020 is the 33rd year in Virgo for cycles that began in the fall of 1987 through summer of 1988. This includes the path of Personal Christhood. And beginning on Feb 21st, 2020 of the initiation of our hearts. We are in the 5th year of five years that began on winter solstice 2015 of the inner initiations of the five secret rays to demonstrate the Christ mastery of the center of the circle, the Monad. Our I AM Presence.

2020 is the Saturn Return for most releases of light and their dispensations given in the fall of 1991 through the summer of 1992. These cycles have also entered their 29th year for the next 5 years of inner initiations for the demonstration of Christ mastery by the secret chamber of the heart of our oneness with our God Presence. He worketh hitherto and I, the Christ in me works...the works of the Ages...the slaying of our dweller and the marriage of our soul to our Christ self. Many will see the victory in these 5 years that will bring a Christed one into the White House in 2025.

2020 is the 42nd year, the conclusion of three 14-year cycles of initiation on the path for those who came into the path in 1978. Much will be asked of these in the coming months and years. As much has been given them, much will be expected of them.

WINTER SOLSTICE
THE DIVINE PLAN FOR 2020
A RACE TO THE FINISH LINE
FOR YOUR YEAR-END CLEARANCE

2020 we have said is now in the 37th year on the 12 o'clock line for the dispensations released in 1984. We will see the return of our karma and many of the same challenges we experienced in 1984 and every 12 years thereafter, in 1996, 2008 and now 2020. All election years. The last one, 12 years ago saw the betrayal of the American people of Saint Germain as they elected the foreign prince as they did 70,000 years ago in Africa during the Golden Age there. *These records must be washed if the American people are to rally to Saint Germain in the 2020 elections.* In 1984 Ronald Reagan was elected President. In 1996 Bill Clinton was re-elected. In 2008 Barrack Obama was elected President. During this 12-year cycle on the 12 o'clock line of new national cycles of the heart of the planet (1984-2020), America what were you doing in your life at the time? Is there a pattern? Will it repeat in 2020? Or will we break the cycle of manipulating the people in 2020 because we have broken the pattern within ourselves?

2020, will see waves breaking on our shores of returning karma, both good and bad karma. These will rise to the surface to be cleansed by the violet flame invoked by the priesthood of the 12 tribes and they will play out through events as the salvation of the people and mitigation the effects of the judgment of the Watchers and the Laggards **or** it will play out as God's judgment for the people's rejection of their God.

While events are being manipulated and influenced by the fallen ones with the willing support of their mechanization man, *it is the people of God's creation*, his sons and daughters created in his image, and *whether or not they have evolved to Christ maturity* as the soul has followed in Christ's footsteps and are passing their initiation of their hearts being purged by his Holy Communion and the Holy Spirit of the poison of the hatred of the fallen angels and their seed.

24

What we are seeing play out in this drama is ***the psychology of the soul***. Mankind the old testament tells us intermarried with the Nephilim Tribes. Add to this the genetic engineering that has been going on, on this planet for 10,000s of years and what we have come to understand of the psychic programming through the media and their marketing programs, their HAARP like technologies and the psychic generators that Archangel Gabriel has taught us to protect ourselves against.

The Masters teach us about the programming of our minds by the computers of the alien's technologies. We know that the Watchers and the fallen ones used Terror and Trauma to condition the souls (Chiron) throughout earth's known history, in early childhood. We know we have evolved under the programming of the Moon and its phases manipulating our desires, as taught by Kuthumi.

All this and more, including the law of karma and reincarnation, along with the teachings of the nine-headed beast and that of the Five Dhyani Buddhas on the components of Personality and its poisons. **Brings us to the realization that the soul needs help.**

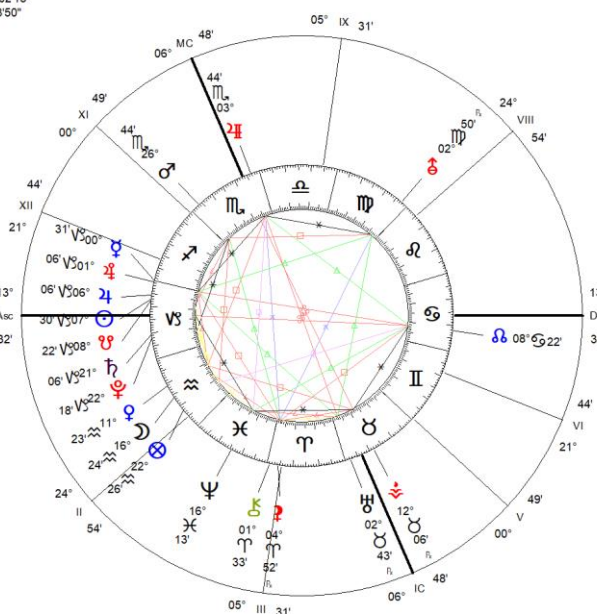

The soul needs healing. The soul is programmed (Transpluto), conditioned (Chiron), to labor (Transpluto Virgo), to build (Apollyon in Scorpio) the Nephilim kingdom Babylon the Great of the Cain civilization. God sent Abraham, Noah, Moses, and Jesus to give us back our true identity and a path to free us of our chains, by free will and the works of our hearts and hands. *Our souls have been evolving so that we could stand in 2020 in the casual bodies of the outer planets bonded to the heart of Maitreya (Saturn) the Cosmic Christ. So that we could stand in the heart of the Guru, Jupiter so that we could make the transits in 2020 having attained to Christ Love, the casual body of Uranus in the mind of Christ, Neptune's casual body and slay the Dragon over America and cast out our dweller from Camelot and North America.*

We are called to stand and bind the personal and planetary forces of antilove, the electronic belt of Uranus, the White Horse, the karma made in the etheric plane. This is the karma of Taurus in the third house. The logic of the Satans who fell on the line of Taurus in the third house of the lower mind and the logic of the Serpent mind. This is our karma of our rebellion and disobedience of the law of our Father in Heaven. The karma that got us each one, kicked out of the mystery school in the etheric plane, cast down into the physical plane.

Now is the time to cut the ties to this karma after all these years of service to the Guru and to Uncle Sam. This is the etheric karma of doubt and fear that causes our paralysis (Aquarius) and hypnosis (Pisces) to cause me not to act (Aries) and actively surrender (Taurus). Instead that which I would not do, I do. I passively (Pisces) appear to succumb, to surrender while I am rebelling. This conditioning of our souls has caused us to develop a soul psychology of rebellion within our hearts to authority, the chain of command, in fact to the Great White Brotherhood. So that with Saint Paul, that which I would do, I do not and that which I

would not, I do. Surrender actually becomes rebellion, passive resistance. The conditioning of the heartless, works without love. **This is Uranus.**

This manifests in Taurus in the 2nd house, as codependency, group think as the soul has not developed the heart of Christ, Brotherly love of the giving of self, Uranus, ruler of Aquarius. Instead it is only the heartless drudgery of the task master, Saturn, the night ruler of Aquarius, the Satans who fell in Taurus.

We have been conditioned to be programmed to group think. The collective consciousness in the mental body on the lower mental plane. The collective consciousness of the hive mind, the group mind of an animal, mechanization man.

Under the solar hierarchy of Taurus, the soul is taught to evolve God determination to serve in loving obedience to the law. We are taught to love life free, through service to the general welfare of all. The Taurus bull is love in motion, steady constant, humble in all conditions, unmoved and unperturbed. The bull keeps his eye, his third eye chakra, on the goal, the light at the end of the tunnel. He provides the community the strength of mission and constancy to finish what we start as the task. Every day is a new day as he labors in the field with the heart that is solid and constant in his Fathers will. His eye never wanders from the goal, the will of the Father. His heart is a magnet that draws the community forward.

The soul in Taurus declares I have the love that is determined to be one pointed, forging the diamond heart of his will. This will is anchored in loving obedience to continue, of one mind, to labor in the field till I reach the goal, the light at the end of the tunnel, *home*. The bull is the disciplined mind. This is where it is forged. This is love's vision of the future. Ever moving toward the destination, the light.

Opposing this mind is the human questioning and doubt that hypnotizes the soul into passive existence. This manifests in Gemini as the reasoning mind of serpentine logic. That if I break the law surely, I won't die. I won't get caught. I won't lose my place in hierarchy in the etheric plane.

Without love, there is no heart. It hardens and people do not work because they have no desire to. This eventually, kills the spirit of man, who loses the vision becoming spiritually blind in Leo and Gemini.

Love is the key to heaven, combined with wisdom it is the energy in motion needed to transit the cycles to get there. Because wisdom knows the way.

Uranus is the key. It maps the cycles of advanced souls called to serve their brothers and who do not weary on the way. Their heart becomes the heart upholding a community, a people, a nation. Opposing them are they who outpicture the archetype of Uranus' electronic belt. These also began the journey to Aquarius with hope or hopeless, without vision. Those

who began with promise came to the mega conjunction at 0 Capricorn in 1988, the Saturn Uranus conjunction and the initiation of their hearts by the Holy Spirit, the Maha Chohan. They came face to face with the day side and the night side of Aquarius, their hate creation and hatred of the Guru. As their karma of the ages rose and *flooded their consciousness*. Slowly they became distracted in Taurus and the possessiveness of their hardness of heart surfaced. Instead of keeping the eye on the vision of the future, they were caught in the flood waters cast out of the mouth of the Serpent (Rev 12:15) that caused them to be carried away by the flood, from the wilderness that is America and Montana, whose Suns are both within a 1 minute orb of each other. Whereas the earth opened its mouth to help the Woman and her seed, swallowing the flood. This is when the Dragon was angry and went to make war with the remnant of her seed. Here in lies the fault. Some failed in the constancy of their love.

As **Saturn and Uranus transit** from 1988 they arrived in 2008 on November 4th to the first of five Saturn Uranus oppositions, *on election day*. They played out their rebellion in Taurus *electing* the foreign prince, *rejecting* Saint Germain. This first step of defiance and rebellion played out through the months to come to July 2009 when the fifth opposition occurred, as the Book of Revelations released the Beast from out the bottomless pit. In Revelations 17:13, August 21st, 2009 these Saturn Uranus, rulers of Aquarius were of one mind, to give their power and strength (Taurus) to the beast. These declared war against the Lamb, and the Lamb SHALL (in a future cycle) overcome them.

Mother taught us in 1988 that Saturn Uranus were the indicators of war. She gave us three indicators and showed us that Nostradamus also, had three indicators of war. This cycle Mother taught us would end by 2032 when the next Saturn Uranus conjunction would occur.

27

The consciousness continued to be flooded with the returning karma following all the events of 2008 and 2009. We came to the Mayan prophecy of the return of the Feathered Serpent during the Precession of the Equinox, an ending and new beginning of a Grand Sidereal year of 25,800 years. A new cycle of 12 ages began that coincided with the ending of the Mayan calendar of 1 billion years. This coincided with the return to the Mystery School of the Serpent, now a Dragon. This played out through **the Uranus Pluto squares, seven in number**. That began in June 2012 through March 2015.

We battled our consciousness, the rising tide of our dwellers (Pluto) and his rebellion (Uranus) during this period. It was compounded by the TETRAD, the Four Blood Moons, lunar eclipses that fell on the four Jewish holidays, from the spring of 2014 through the fall of 2015. This coincided with the election cycle of 2016. People discredit the prophecies of the TETRAD. They want immediate recompense, then in their superstitious belief systems they would begin a witch hunt, ending in a holocaust. The latter predicted by Mother in 1996 and by Revelations.

He will restore the Maxim light. The ascended masters will walk once again with man. They will head the 14 departments of our government, as they did long ago on Terra.

These configurations are for the testing of our souls. They are provided as they are to allow the sons and daughters of God to cut their ties to these the TARES, prior to the harvest of the TARES as taught by Mother Kali.

Now, in 2020 Saturn and Pluto have come to Capricorn to conjunct on January 12th conjunct the Sun at 22 Capricorn. Following the fourth winter solstice in a row with the Watchers conjunct the Sun. The most recent, 12/21/2019 that governs all of 2020 with Sun Watchers Jupiter conjunct at winter solstice. We are witnessing **the gathering of the kings and their armies** as taught by Archangel Zadkiel in the book, “Vials of the Seven Last Plagues”, a publication of the Summit Lighthouse. *We are witnessing the Seven Trumpet Judgments, the times of the Gentiles chapter 11 of Revelations and the entry onto the stage of the prominent personages of Revelations in chapter 12. All this in preparation in 2020 for the rise and reign of the Beast and the False Prophet in chapter 13.* It is in chapter 9 of Revelations that **the four kings are released from the Euphrates who will lead the army of the Far East.** These king and their army are discussed in the Book of Enoch, speaking of the latter days upon earth, he says that, the angels return and hurl themselves upon the East...to stir up the kings...and they will march up to and tread underfoot the land of His elect ones (America and Europe). It is then that he says, they will begin to fight amongst themselves...their punishment no idle one.

The kite, Taurus, Virgo, Capricorn, to Scorpio forms the grand earth trine of Mercury Watchers to Transpluto to Uranus to Apollyon in Scorpio, referred to in Revelations chapter 9:1-11 by his Greek name, Apollyon and by his Hebrew name, Abaddon. The kite tells us, that Love is the key with the violet flame, to the winds of the Holy Spirit so that the rebellion of the fallen angels will find nothing in you. And if you get hit by the returning karma, Morya says, it won't stick. We heard this from Paul the Venetian and Lady Ruth Hawkins during the New Year's Class.

The kite is fueled by love's fire of the heart that is carried on the winds of the Holy Spirit above the karmic encounters in the earth plane in 2020.

This is critical to our journey in 2020 through our solar plexus to enable us to arrive at the place of Cosmic Christ Peace. This is because the Pisces Virgo axis, our solar plexus chakra is in the 2nd and 8th houses. *We are required to pay our debts of destiny in 2020 but cannot unless and until we master love's vision and love's victory.* As we focus in Aquarius on love's call as we stand in Venus and on the Part of Fortune, our soul is inspired by the Guru to separate out from the propaganda of those on the mountain in Capricorn. We stand with the Guru as our Son, embodying our Sun, conjunct at 6 & 7 Capricorn as we cast ourselves on the rock of Christ in the 2nd decant of the 12th house and sacrifice ourselves, our personalities and stand as our Sun to face the Dragon over America in 2020 that would devour Christ born in you.

As the Son, your Sun, you can stand on the 2nd house cusp and in God love be unperturbed by the forces moving to repress Christ to displace Christ as governor and teacher of our people by the Satans, the night ruler, Saturn of Aquarius. We are now able to pay our debts in the 2nd and 8th houses and rise on the winds of the Holy Spirit, using the resources provided, the kite to fly to safety having won the safe passage of ye all now in Leo in the 32nd year, Capricorn month, Jan 1st to Feb 1st, 2020. *The kite is given to pass through the intercept Pisces Virgo axis, to the place of Christ Peace. THE DIVINE PLAN FOR 2020
A RACE TO THE FINISH LINE
FOR YOUR YEAR-END CLEARANCE

We keep the focus on the divine plan for the year 2020, in Leo in the cycle of Safe Passage (1/1/89) under the mantle of learning, illumination and self-knowledge, we know as gnosis. Instead of the karma returning in Taurus on the nadir as all manner of distractions, manifest as disobedience. This is the test in the 5th house cusp at 0 Gemini. The test of who rules the soul, Christ and the law or believing the lie and serpentine logic, we are ruled by antichrist. The latter manifests as warring in our members, spiritually blind to the divine plan of the year, unable to avoid the karmic recompense of standing on the mountain at the Y in the road and making the wrong decision or refusing to make any at all, given our perception of the options.

The Divine Plan Emotional Plane

The Sun's ingress into the astral plane of our desires began on January 5th, 2020, in the 1st decant of the 7th house at 15 degrees Capricorn. The six-pointed star continues, announcing the incarnate word in the sons and daughters, *come to counter balance the drama just beginning to play out on the planet and in the Middle East*. As the Watchers continue to manipulate the returning karma playing out in the middle and far east. The fallen angels are acting behind the scenes to trigger a harmonic convergence to align our consciousness with the wicked one in the middle east. This one is come directly to planet earth from the Wicked One bound by Elohim and Seraphim in the black hole in the matter universe, 1/1/1984. Now in its 37th year, in Capricorn. The fallen one, in particular the Watchers at 1 Capricorn conjunct the Galactic Center at 1 Capricorn are trying to align our consciousness with Iraq on the nadir, 19 Virgo to unleash the four angels bound in the Euphrates Rev 9:14 who, Enoch tells us will hurl themselves upon the East... stirring up the kings provoking them to unrest...to march up to and tread underfoot the "land of His elect ones".

30

The Watchers are stirring up the kings of the East. Revelations and Nostradamus tells us that this is the Far East where the four angels go to gather their army of 200 million. ***We see this as China is reeling under Apollyon god of plagues, during China's new year celebrations, as the world prepares to quarantine this unrest.***

They are doing this in Taurus with the Moon, Vesta, and Uranus at 14, 12 and 2 respectively all in the 11th house, *intercept*. Moreover, the Watchers ***are stirring up emotions to cause a harmonic convergence*** between the fallen angels bound in the Euphrates (Iraq, ruled by Virgo) to align with the Wicked one bound in the black hole at ***the center of our Galaxy***. They *are trying to trigger an explosion that will release the four kings* from the Euphrates in Iraq (Virgo) on the nadir.

The six-pointed star is come in Capricorn as all are gathered on the mountain to be the counter balance. These are the initiates passing their tests enabling them to bring Cosmic Christ Peace to the East and the nations through diplomacy instead of unleashing the engines of war

controlled by the Watchers and the Laggards, as taught by Mother in, *“Fallen Angels Among Us What You Need to Know”*, a Summit Lighthouse Publication.

We must deal with the axis of personal karma, the MC Nadir, at 19 Pisces Virgo. This axis is delivering our personal karma to be washed 7 times by casting our ruby ray anchor into the ascended master octave and arcing the light by the science of invocation, prayer and decrees and anchoring it on the nadir in the subconscious to consume the energy veil and planetary karma. The axis of world karma is the Ascendant Descendant at 9 Cancer Capricorn.

What took place in the mental body of each one during the Suns transit of the mental plane with *Pisces Virgo intercept in our mental bodies now plays out as our desires and emotions are being stirred up by powers and principalities behind the scenes in Taurus intercept ruling Iran while Israel and Washington DC ruled by Scorpio, are also intercept*. There is a tendency we saw as the events played out for members of the House of Representatives to be ruled by their passions causing them to react to events involving Iran in Taurus in the 11th house. *What level of Cosmic Christ Peace we achieved in the mental plane now allows God desiring, in the chosen ones to incarnate in the six-pointed star, to play out in the planet to calm the waters*. And to thwart the Watchers and their occult manipulations going on behind the scenes.

We are called to stand in the 6th house in service to the Guru, Jupiter at 7 Capricorn and renunciate our past attachments, our mood momentums and habits that are the ties that bind us to the Dragon, the feathered Serpent. We are called to take up serpents by their tail. Those who have come to 2020, able to stand with the Guru in the 6th house and cut their ties, *are able to meet the challenge of Saturn Pluto conjunct in the 7th house of relationships* and remain faithful to the Gurus and take their stand declaring their independence from those still bound to Saturn Pluto, the status quo of their separation from God. Still bound to the Watchers and the Nephilim, **believing to transform this civilization, Babylon**. They still **believe they can build God’s kingdom in this earth**. They still believe the lie of the Serpent in the Garden. They have

given their power to the Beast. They have become the Dragon that gave its power to the Beast out of the Bottomless Pit healing it. They are the blind leaders of the blind.

*We are witness to the forging of the diamond hearts of those who see in the 6th house, ruled by Sagittarius the fulfillment of the promise of their destinies. These ones have come to 2020 prepared to play their roles as chelas becoming Christ, chela with the big C. They have come prepared to the cycles of 2020 ready to meet the challenges coming upon the nation and the planet. They take their stand on the 6-pointed star of their Christhood in the 33rd year in Virgo on the Path of Personal Christhood. They stand point counterpoint to those on the mountain in Capricorn who are taking their stand with the Laggards on the Clock of Betrayers, having given their power to the Beast. The Beasts, Daniel tells us, that was spit out of the mouth of the Dragon. **We are our own worst enemy. It is our rebellion against Christ and Guru, against Jesus and his Father, that is reviving the Beasts that have been slain by the Masters, world communism and the cold war with the Iron and Bamboo Curtains. It is our attachments to material substance and the substance of self, our vanity that is reviving the beast.***

The enemy within is the fruit of our separation from God, having taken of the fruit of the knowledge of Good and Evil. *The lie of the fallen ones that we can do better than God and Guru, the Teacher. That we are acceptable, as we are. This is the Cain Syndrome, the syndrome of those becoming the Laggard Evolution of Earth. These souls continue to believe the lie that caused them to be separated from God in the Garden. See Revelations 20:5.*

The chela, devotee of Christ, Venus at 20 Aquarius in the 3rd decant of the 8th house sustains her devotion to the flame demonstrating her Christ attainment in the face of the rising tide on the nadir, of the hatred of the Guru that manifests as the repression of Christ, within. This is the tide rising on the nadir in Virgo, out picturing in Iraq. This drama plays out in the macrocosm of the Middle East as well as, in the microcosm of each one of us as the records of our past surfaces each day from the last 25,800 years to be cast into the flame, blazing upon the altar of our hearts **or to revive the Beast, giving power to the powers and principalities playing out in the nations because we are still attached to material and spiritual substance...of their material civilization.** This is the philosophy of survival of what is known to be coming upon the Earth. It is the philosophy of the Serpent, now the Dragon, of the survival of the fittest. They believe that only the strong will survive, in a dog eat dog world. They have become that which they fear. They have become the vibration of death Revelations 6:8, the Pale Horse, and Hades follows, Rev 20:5.

This is the anti-church and the anti-state in Capricorn on the 12 o'clock line representing the false hierarchies of the Ruby Ray numbers 4 and 8 respectively. Sanat Kumara instructs us to study the Ritual of Exorcism to know the enemy within and without in order to pass the Seven Initiations of the Ruby Ray under the Hierarchy of the Ruby Ray.

objects, gathered there, Archangel Zadkiel tells us, for the Great Day of The Lord. See Archangel Zadkiel in the book, “*The Vials of the Seven Last Plagues*”.

This configuration has a history that would, if unleashed and unchecked, repeat itself, driven by the four angels out of the Euphrates, in Iraq. This config was last seen during the Great *Diocletianic* Persecution unleashed around 300 AD by four Caesars. The last of the ten great persecutions that began under Nero in 64 AD.

We are called to stay the course of the divine plan in 2020 and not get distracted by fear. Venus faces the returning karma in 2020 that has paralyzed many in the past. This is because of their hearts failed them for fear. This is because fear begets human questioning and doubt as the carnal mind seeks survival at any cost. This doubt manifests in Pisces through Lilith and Neptune that clouds our vision on the MC of the ascended master's octave and the Christ mind, casual body of Neptune. This is the fog of war. This is the records of death pulling down the consciousness from God into Hades that follows.

What we are seeing is the pre-emption of God's cycles by pulling down the chelas from the Guru, stripping them as prophesied by Guru MA in 1985. This is occurring in an election year when the people are called to rally to Saint Germain to work the works of the age. Saint Germain prophesied in his book, *Saint Germain on Prophecy*, that if the American people betray their God, in the hour of the coming of the Cosmic Christ, his coming will manifest as a nuclear first strike against America, during a war already under way. This is the danger of the configuration in Capricorn, in 2020 of the Saturn Jupiter Pluto conjunction.

We are called to turn the prophecy by clearing the people, washing then in the seventh ray, the violet flame, by Cosmic Christ Peace on the Virgo Pisces axis of our solar plexus chakras. We stand in Virgo in the 33rd year to publicly demonstrate in the seventh house our Christ Mastery of our God Flame to bring peace, that is the judgement of all that is not peace and of all who have bowed on the mountain who would take peace from the planet.

We see that four beasts came out of the mouth of the Red Dragon per Daniel.
Greeks – ruled by Capricorn, Matriarchal, Pre-Greek Mediterranean.
Persia – ruled by Taurus, currently Iran.
Babylon – ruled by Virgo, currently Iraq.

The Summit Lighthouse began in 1958. In 1991, we began a 33-year cycle to complete the mission of the Summit Lighthouse. That mission was to bring the Ascended Masters names into every household, the fourth house of the nation. We are on a timetable. We have till August 2024 to complete the mission. How? God has provided. He has given us the teacher, the teachings of the Everlasting Gospel. He has given us a Path of Personal Christhood and is initiating our hearts by the Holy Spirit. We are in the 32nd year 12th month of the latter. We are

standing today in Sagittarius in the Leo year of our heart's initiation. We are in the fourth year of five on this path in our hearts to demonstrate our Christ Mastery of the last 32 years, since February 1988. *We stand in 2020 over shadowed by a six-pointed star that declares the victory of the Christ in you.* Christ that is come in Virgo to bring Cosmic Christ Peace to Earth, to America. *So that this people will elect Christ to rule in these elections in strategic locations across the Federal, State, and Local spectrum at the Executive, Legislative and Judicial levels.* Man is called in 2020 to align with God who is moving into position to move into the Earth through individuals to play out in the coming events of 2021 and beyond. You are chosen. You are the I AM race. You were created in God's image and likeness. Moses told you that you are Gods. Jesus told you again who you are...to become. Some have come to 2020 and believe. Others have forgotten or rejected his love and that of his Mother and his Father. They believe the lie of the anti-church that there is only one Christ.

While the Sun is in the emotional plane of the planet to free man of his desires and to heal his feeling body, there is an ***eclipse of the sun of the soul***, a lunar eclipse on January 10th, 2020. The lunar eclipse is at 20 Cancer, the Sun at 20 Capricorn. This eclipse is conjunct Mother's Ascendant in the 3rd decant of the 2nd house. The Sun is conjunct Mother's Descendant in the 3rd decant of the 8th house. Mercury the Messenger is conjunct the Sun. The Part of Fortune is conjunct the eclipse descendant at 13 Sagittarius, conjunct the US conceptual Ascendant. This is occurring as Saturn conjuncts Pluto on January 12th. Saturn Pluto are within an approaching 10-minute orb of exact conjunction.

This eclipse is a two-edge sword. It has opened a window for the next 6 months or until the next lunar eclipse this summer for the saints *to call for the eclipsing of all opposition to their Sun, the Son of their soul, their Holy Christ Self from all within and without that would strip them from the Guru*, as prophesied by Mother, Lanello, and by Archeia Aurora in the book, "Vials of the Seven Last Plagues". This eclipse can assist those who make the call, who "Call upon the Lord".

The second edge is *for the judgment while the other edge is to cut us free. The sword, the sacred word, incarnate in you, heralded by the six-pointed star is come to bind all on the mountain who bow before the Satans and their own dweller, becoming black magicians.* These latter who are healing the beast of world communism. These who are leading the people in giving their power to the beast as the four horsemen deliver their karma, they give it to the four angels in the Euphrates who are the instruments of their judgment.

These whose souls are eclipsed have come to 2020 having *accommodated* Guru Ma and Saint Germain in the Church and in the Nation. They are standing on the mountain with the Dragon come to devour their Personal Christhood. They are standing on the mountain with the Watchers tied to that one in the Middle East and in the Black Hole in the center of our Galaxy. They are standing on the mountain before their Dweller. And they are standing on the mountain having rejected the love of the Guru. They bow before their false gods of materialism and they declare with Abaddon their enmity with the Guru, the Lamb and the Lambs Wife. They go to

These are the ones who subvert the authority of the Father and usurp the office of the Lion occupied by the saints in matter who are the sons and daughters of God, and the remnant of the Woman's seed, and the 144,000. Those who are the saints who keep the flame through all that is to come, in the white cube of the Church Universal and Triumphant.
