

WINTER SOLSTICE 2020 A NEW YEAR A NEW CYCLE JUPITER SATURN THE STAR OF BETHLEHEM

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

(What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Where to start? The chela comes to the Guru having completed a cycle of initiation, 2020. The soul brings the harvest of her Christ attainment, the fruits of her labor to the Guru, who partakes. (Kuthumi – *“The Light of Winter Solstice”*).

We begin by looking at the Midheaven. This is the point where on the chela's soul stands beneath the starry heavens and receives the light from the Masters octave. Next, we look at the Sun, Jupiter, and Venus as these are what the chela out pictures as the soul assimilates the Guru and the path of initiation on the soul's journey home. (Maha Chohan – *“The Mandate of the Holy Spirit, Loves Testing of a Planet and a People”*).

1. **The Midheaven**

The Midheaven is 12 Virgo, where the (*Vestal*) Virgins with the Guru review their lessons learned from their experiences in 2020. What we have learned from our experiences will play a pivotal role in 2021. The soul faced major, and for some, extreme challenges in 2020. In the face of such challenges the faithful turned to heaven to *Call Upon the Lord*, to face and conquer these challenges. And they have won the victory. The midheaven is in the 2nd decant of Virgo, *experience*. Learning from our experiences in 2020 will be the foundation upon which the Guru Chela relationship will be built upon in 2021. The soul of the chela cast her Ruby Ray anchor upon the ascended master's octave and invoked the light, while standing in 2020 on the *2019 winter solstice midheaven at 19 Gemini*. Now at winter solstice 2020, for the year 2021 the soul stands on the *North Node at 19 Gemini* in the 7th house having learned from their experience in 2020. She is now prepared for the coming challenge of the initiations she will now face in the seventh house.

The midheaven nadir axis, 12 Virgo Pisces, represents the axis of personal karma. The soul invokes the light to consume the energy veil and planetary karma on the nadir at 12 Pisces. The soul of the chela stands on the nadir in the 2nd decant of Pisces, willing to *sacrifice herself, the lesser self* and stand as the Bride of Christ, on the path of personal Christhood in the 34th year on the 9 o'clock line. She is ready to be initiated by Gautama Buddha to finish the mission of the Summit Lighthouse, as she fulfills her own Christ Mission. She stands on the winter solstice Nadir for 2021 to publicly demonstrate her mastery of the subconscious and its *Lunar Moods* and

the passions of Mars, that rules Scorpio and Aries. The nadir rules the subconscious and our feeling body, our moods, that Kuthumi teaches us are our *mood momentums* which, he says, exist because they are our *attachments to substance*, substance of materialism and our ego, our vanity.

2. **Solar Plexus Axis**

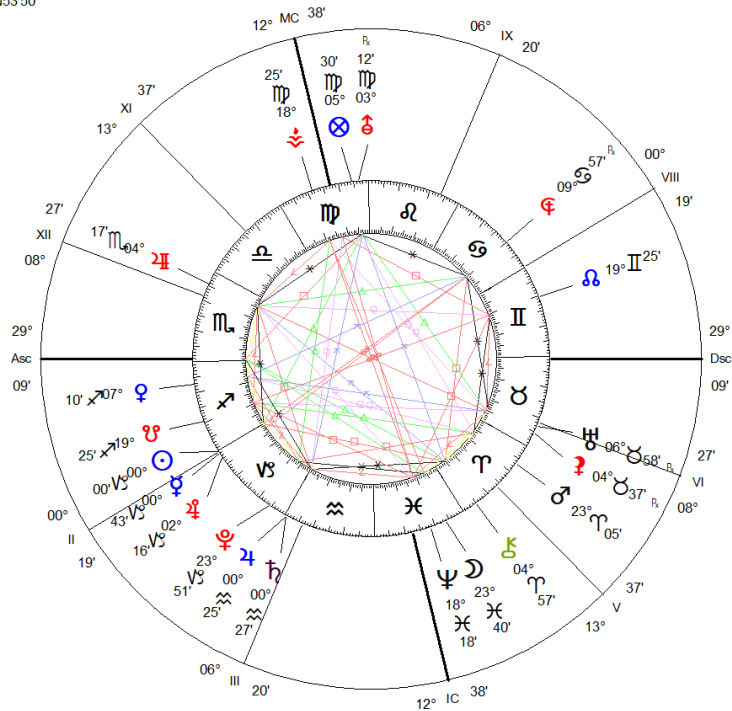

We will face the challenge of our Solar Plexus on the MC-Nadir axis in 2021. Our Holy Christ Self came in 2020 at the conclusion of 33 years on the path of our personal Christhood on November 1st to take his bride who has prepared these 33 years, so that at winter solstice 2020, he could stand on the MC in Virgo to anchor the Judgment of Our Father in Capricorn. Virgo is the right-handed path of Capricorn. As we prepare to pass through the records of the karma of the fallen angels. Mother stated on July 4th, 2020, “this is NOT your karma...Doomsday”.

2021 is a year of God’s Justice descending upon all whom the Archangels have gathered upon the mountain of Capricorn. These are the Watchers at 2 Capricorn and the dwellers of all the 13th Tribe called to the initiation of personal Christhood these last 46 and 33 years. (Rev 11:1)

Winter Solstice 2020 ends what began in 2000 under the Saturn Jupiter conjunction of May that year. This began the period known as the Reign of the Gentiles. It is the period when our dwellers came out of *our* PIT, on the Nadir to attack Guru MA and her unascended chelas on the 12 o’clock line of Capricorn. This coincided with the mega conjunction in May 2000 of seven planetary bodies in Taurus to test our God Obedience to the wheel of the law and the teachings. This would play out in Leo on the 1st secret ray under the Dhyani Buddha, Vairochana as the consciousness of the soul’s self-created personality that has *been poisoned with ignorance* of the law and the teachings. This has resulted in poisoning the subconscious and

the consciousness bodies on man and the planet for the last 20 years. All because the soul has ignored the wheel of the law and the teachings so that we would come in 2020, without oil in our lamps, the desire to be the bride of Christ. This cycle of Saturn Jupiter that just ended was one of accelerated materialism, evident in the amount of credit or debt and the inflated value of land and homes. This Saint Germain tells us is the primary cause behind the failure of every Golden Age, when Christ failed to sacrifice himself, instead played out their attainment in this world, that was dying all around them. The year 2000 began a new cycle of Saturn Jupiter that launched a new century, a new millennia, and *a New Age*. It also began *a 20-year cycle of the Gurus*, Saturn and Jupiter, come to *measure* the chelas who would sacrifice on the altar of their Temple their lesser self and slay the dweller in preparation for the coming of Christ, in 2020, having forged the Diamond Heart, whose 33rd anniversary is Christmas Eve 2020. This is the fulfillment of the prophecy of the Book of Revelations, Chapter 11 verse 1.

As John went to the seventh angel who gave him a reed like a rod. ***John was told to measure the Temple of God, and the altar, and them that worship in it. But the court, which is outside the temple, leave out and measure it not. For it, the court is given unto the nations, and the holy city (America) shall be trod under foot 42 months.*** This is the judgment of the Church Age, the Antichurch and the anti-apostles and false pastors. This period is a biblical period and may mean 42 years. *Saint Germain* tells us that, “it is Merlin’s destiny to be freed from his imprisonment in the crystal by Vivian and to return to Camelot to cast out the Black Magicians. Those who were called to the path of initiation under the ascended masters and who choose to become their dwellers, Pluto in Capricorn preferring power to rule over others than become a world teacher. These will now betray their Christ self, beginning in 2021 through the next three and a half-years remaining in the mission of the Summit Lighthouse. See Climb the Highest Mountain Series, Christ and Antichrist.

3

Christ is *come to deliver the sword*, the sacred word, to deliver the Divine Justice of Heaven upon the Watchers and the Black Magicians. *Goddess of Liberty*, spokesperson of the Great Karmic Board, has told us, that this justice will cast these Black Magicians out of North America. *Morya* has told us that Christ is tasked with gathering one million lightbearers who he has raised up, who must be gathered to fill the vacuum that will be left when one million fallen angels, *Watchers and Black Magicians in Capricorn* are taken by the ascended masters and Archangels. This is the Christ mission that began on November 1st, 2020 as the Order of the Diamond Heart of Jesus Christ enters its 33rd anniversary, on Christmas Eve, under the Star of Bethlehem. *Morya* told us that we must aspire (in Sagittarius) to attain the office and mantle of our Christhood on February 3rd, 1985 that is now in its 36th year and will celebrate its 36th anniversary on February 3rd, 2021.

Your Christ mission is about to begin on January 1st, 2021. Are you ready? Will you be one with Christ, his bride, and prepare to become the Lamb’s Wife in Capricorn on New Year’s Eve 2020? Or will He pass by, leaving behind the soul who has not kept the vigil, having no oil in her lamps. The latter are the Temple of the 13th Tribe of the called-out ones whose altar has no flame. The vestal virgins in Virgo have instead become the unjust stewards in the 6th house ruled by Virgo’s Vestal Virgins and taken the Masters house, his Temple to themselves. This is the karmic history of the ages as the clock of betrayers on the 6 o’clock line of Cancer has

forsaken the office of Saint, who keep the White Cube of the Church Universal and Triumphant. This is the teaching of Sanat Kumara and the Hierarchy of the Ruby Ray to the initiates of the seven initiations on the path of the Ruby Ray. Look to the lives of Mother and Lanello and you will see how those closest to them have failed their initiations throughout their embodiments. We are the same personages re-appearing across time with the messengers. We are called to break the cycle in 2021, in this embodiment.

3. The Midpoint

The midheaven at **12 Virgo 38 minutes** is conjoined *the midpoint of Vesta, the Laggards of Maldek and our Part of Fortune our part of Joy and Harmony*. The midpoint is at **11 Virgo 57 minutes**, a conjunction with a 41-minute orb. We are called to stand on the midheaven to arc the light to counter the challenge of the laggard evolution in America and on the planet, who have chosen to rule over Christ as Herod and Kamsa did. The mega conjunction in Capricorn, these last four years, since the fall of 2016 and winter solstice 2016 when the Watchers conjoined the Sun at winter solstice. This approaching conjunction will now play out as the laggards and the fallen angels move to persecute the remnant of the woman's seed. Revelations chapter 12 verse 17 tells us the Dragon (Serpent) is angry with the woman and goes to war with the remnant of her seed. This cycle of war, 1988- 2032 is the Saturn Uranus cycle, as taught by *Mother and Nostradamus* in 1988. The *Maha Chohan* taught us on February 21st, 1988, in "*The Mandate of the Holy Spirit, Loves Testing of a Planet and a People*" how this would play out as the chelas who were given responsibility for how this would play out on the planet. Those who failed to become the Christ, would play out the Four Horsemen all because of the karma of accommodation. They would misuse the flame of Freedom that sponsors this nation and people.

4

Zarathustra and the Great Divine Director have taught us about the opportunity the laggard evolution of Maldek were given to uphold America as the place prepared in the Wilderness for the evolution of the Tribes of Israel, to give birth to Christ in the seed of Joseph, Ephraim and Manasseh. It is the destiny of this evolution of laggards to defend the Divine Mother in giving birth to Christ in man in the wilderness, in America. The time period for this birth is the Galactic Alignment, 1975 to 2020. The Mayans prophesied that the Serpent, that old Dragon would return to Maitreya's Mystery School in 2012 during the Precession of the Equinox into the Age of Aquarius and a new Grand Sidereal Year of 25,800 years. The ascended masters have also taught us that the Age of Aquarius would coincide with the emergence of our solar system from the galactic equator into the light not seen for 10,000 on Terra.

We are called in 2021 to stand, midst this convergence of cycles that one might call *the gathering by the Archangels*, on the Part of Fortune at 5 Virgo and demonstrate Divine Justice as our God Mastery that we have achieved, embodying Wisdom in Virgo under the *Hierarchs Lord Lanto and the Lords of Wisdom and under the Buddha, Akshobhya's* mirrorlike Wisdom to counter the anger and hatred of this laggard evolution and the aliens in their space bases and the intergalactic dwellers represented by Transpluto, and the 12th, and 13th planets in our solar system. See *Morya El* August 1987. *Maitreya Buddha* teaches us to invoke illuminations flame to consume our ignorance of the wheel of the law and the teachings, that the *Maha Chohan* teaches is the ignorance of the Teacher, the Path, and the teachings; and impart wisdom.

A NEW CYCLE JUPITER SATURN
THE STAR OF BETHLEHEM

The Part of Fortune is the place in our cycles where we stand in the Joy and Harmony to face the challenges before us. This is where heaven works through us and we know the joy of life's sine wave. Here is where cycles turn, *for the turning of worlds*. Here is where intercession from the ascended master octave occurs as we cast our Ruby Ray Anchor onto their octave. The test is to hold our part...of Harmony when the light descends into our Temple, into our Congregations, our homes, our Communities and in our nation. This will define the power of heaven to deliver Divine Justice in 2021.

4. **Yellow Cross**

The cross is the cosmic cross of white fire. It holds the key to 2021. Yet we heard *Jesus* tells us of Christmas Day that the key in hand will avail nothing until it is internalized in the heart. We stand on the cross to be initiated in 2021-2023 as we emerge into the light of the galaxy, the light of the Divine Mother. It will avail us nothing unless internalized as the flame of the heart. *Lanello* tells us what will happen if it is not. It will manifest as boils and sores in the body. This is the fulfillment of the prophecy, Revelations chapter 9 verses 4-6. *Archeia Aurora* tells us that *Lanello* has prophesied that many will turn away from the flame of the Mother because her love will draw out the toxins of hatred from their *four lower bodies* which must be extracted so that their souls can be saved from the karma of their own hatred. Those, she says, who commit their karma into the sacred fire before it turns to boils and sores upon their bodies will remain in the mandala of the Mother.

Archeia Aurora tells us that we are being *measured*. Who will fasten themselves in the timing of their cycles to the cosmic cross of white fire. She tells us to weigh ourselves before *the emissaries of the Lord is upon you and the accounting of your works is being tallied*. *Archeia Aurora* urges us to *measure* ourselves beforehand to determine what the accounting will be. Revelations chapter 11 verse 1 tells us in January 2000 that the Saturn Jupiter cycle that began in 2000 was for *the measuring rod* of the Temple and the altar and them that worship in it. *Jesus* spoke on Christmas 2020 about the *measuring rod* that becomes his Sheppard's staff.

The cosmic cycles of the fall 1987 and early 1988 are now on or about to enter, the 9 o'clock line where we are being initiated by Gautama Buddha on the mission of Christ upon the cross, the cosmic cross of white fire for Christ's 3-year mission in year 34, 35, and 36 of the soul's timing on the path of personal Christhood. These cycles correspond with the final 3 1/2 years of the Mission of the Summit Lighthouse, which is our Christ mission that will place the Ascended Masters names in every household in America, that will deliver the judgment, dividing father and son. These three years also correspond with President Trump's 2nd Term. These latter are the backdrop upon the stage for the actors who are called to the Act of the 2nd Coming of Christ for the judgment. The Path of Personal Christhood Nov 1st, 1987, now on the 9 o'clock, in the 34th year and Order of Diamond Heart Dec 25, 1987, now on the 9 o'clock, in the 34th year.

The chelas are called to the cross. Those who choose not to instead will face the challenge of the grand square. As Vesta 18 Virgo represents the Laggards and their anger and hatred. Their sense of injustice is directed at the vestal virgins who have become the target of their rebellion in Taurus against God and his Christ. The chelas on the path strive under the

persecution, the rejection of the grand square of those playing out the four horsemen and by the Watchers and the laggard evolution, even the castaways and those who have chosen their dwellers over Christ to be adepts on the left-handed path of Black Magicians.

Chelas who take their Christ attainment and fasten themselves to the cross stand on the cross at the center, under the four Hierarchies of the Yellow cross and bear the karma of the planet and the people. They cast their Ruby Ray Anchor onto the ascended master's octave and arc the light of illumination to light up the night consuming ignorance of the wheel of the law and the teachings. Thus, the masters impart wisdom through Gemini, Virgo, and the yellow cross. This is the measure of the love of the heart of the mandala of the chelas, whose combined efforts make up the Order of The Diamond Heart. The chelas *exalt* in 1st house, the flame of the heart of the Holy Christ Self as she stands in polarity to the Guru in the 7th house declaring her Independence from all, even *Archeia Aurora* says, the weeping of the women to pass through the 14 tests of the crucifixion. For judgment I AM come. See *Archeia Aurora, in Vials of the Seven Last Plagues, page 245 Bound Vol of Pearls # 18.*

The chela stands intercept on the Sagittarius Gemini axis in the 1st and 7th houses as Sons of Solitude cut off from those *who know not what they do*. Whereas others are cut off from the intercept until they balance their karma and master the Scorpio Ascendant and the Taurus Descendant. They have not yet mastered their personalities and their perceptions that become the poisons of their passions. They are unable to master the self-hypnosis of Neptune in Pisces. Nor have they renounced their possessive consciousness of Taurus *distractions* of those substances, either material or of the ego, of our mood momentums.

6

The *Cross* and those who choose to bear the karma of a nation, a people, a planet is for them a *Sword*. Christ is come to deliver the judgment. They hold the balance for planetary karma, the Ascendant Descendant axis that is the challenge the people face in the 1-7 house intercept, cut off from the illumination flame *except through intercession of the faithful devotees*. Those who have taken to the cross. Their mission will bring the masters into the homes of the people. As the masters have been denied to the people by the leadership ruled by the 9th house, the supposed guardians of the higher mind and the aspirations of the people in church and state.

The grand square presents the challenge of the Vesta-Neptune opposition by the Nation's leadership, to their people, their homeland, and their homes. The illusion of MARA, is the MAYA that surfeits the people in their mood momentums. Their attachments hold the people in enthrallment, indecisive, unable to act. Shatter the illusion of Neptune and in the great drama being played out by Vesta, the laggards. Neptune is the Pale Horse death and Revelations tells us that *Hades follows*, in the homes and homeland of those who reject their God. See *Saint Germain on Prophecy* Book 2 Chapter 2. The grand square also presents the challenge of the opposing Lunar Nodes that will require the people to control their unruly tongue, as the misuse of the throat chakra on the Sagittarius Gemini axis in the 1st – 7th houses. An unbridled tongue is the expression of self-justification of why the people cannot *rally to defend* the nation's Office of the President and those who occupy it, *Trump and Morya*. See *Morya, My Candidacy for President, New Year's Eve, December 31st, 1987*. On this date in 2020, the cycle of the chelas

electing *Morya* President in their hearts, celebrates its 33rd anniversary as it moves into the 34th year on the 9 o'clock line, as all cycles of 1987 and 1988 converge for the beginning of the fulfillment of the mission of our personal Christhood that will see to completion the mission of the Summit Lighthouse.

We are being tested in 2021 whether we have learned our lessons of the last 20 years, the Jupiter Saturn cycle from our experiences with the laggards in the *organization*, 1st decant 10th house, who we have elected and appointed to office, to lead us. *The Laggards are the Modreds, the seed of Abrahams bond woman*. If we have not learned from our experiences these last 20 years, then we will face in 2021 and beyond their rule over us, as Antichrist, in church and state. The Key, *Jesus* told us on Christmas, we hold in our hands. It must be in the heart as the joy and harmony as we stand on the Part of Fortune at 5 Virgo versus *the materialism* of the 9th house subject to the programming of the Alien computers (Transpluto). On one hand, we stand in *illuminations flame* in the 3rd decant of the 9th house, while others choose to hold on to their possessions, their possessiveness, their attachments making them vulnerable to the programming, to the illusion of the MAYA of Neptune in our homes and homelands, Neptune in the 4th house. *The choice is wisdom versus ignorance*. Ignorance will leave the people subject to the plots of the power elites to defraud the people of their Liberty and the Four Pillars of Freedom, including free elections. The plot to defraud the people of their homelands, by dissolving national sovereignty, their Independence, for their one world order. This is the counter revolution to the American Revolution in the third century, the Coming Revolution in Higher Consciousness that Mother taught us about.

The intercepted Sagittarius in the 1st house and Gemini in the 7th house is because of the state or condition of the mind of the people in the 1st house, because of their ignorance of the wheel of the law and the teachings *and therefore the Teacher* in the 7th house. They have rejected the path, for power as did Rich Richardson with Thomas More. Their souls poisoned by envy and jealousy, as was Cain must pay the price, by attacking in Gemini the object of their jealousy in Cancer, the child-man. Repeating history, as the karma rises into the subconscious on the Nadir as the record of 1,890 years ago, during the 10th persecution of the Christians. That ended in the *State taking over the new religion, Christianity*. We are called to learn our lessons well or we, the generation of called out ones will repeat the past.

This intercept of Sagittarius Gemini, the throat chakra, in the 1st and 7th houses is to test our God Victory by God Wisdom of the Guru-Chela relationship. It is the test or *Measure* of the 29th degree. In this case, in Scorpio, of our mastery over our personality, created under the influence of the Moon. Our *attainment*, 3rd decant of Scorpio, is being tested over the poisons of our past perceptions of President Trump 2015-2020, passion that has become fanaticism. A poison creating zealots, as was Simon who wanted Jesus to lead Judah against the Romans. Misguided, he believed the lie that Christ's Kingdom was of this world (of karma). This condition or state of mind is the collective mind of Neptune's electronic belt versus the Individualization of the God Flame which is Neptune's causal body.

5. North Node

We are called to leave off standing alone on the 1st house South Node that is triggering all our past habits and mood momentums of exalting our ego and take our stand in the 7th house, having received Christ in 2020; now prepared to work the works of the ages on the North Node at 19 Gemini in God Wisdom, free of our ignorance and work together. We declare our *Independence in the 2nd decant of the 7th house*, fulfilling the prophecy, Rev 18:4; 20:4. We stand in the 7th house in Gemini 2nd decant, in the *Fidelity* of our *Independence* to declare our **Christ self-rule** and to call for the eclipsing of all opposing forces, in our relationships within the nation and our communities that would deter us. See *Archeia Aurora* in Vials of the Seven Last Plagues, page 245 par 4. Call for the sealing by the interception from all forces that oppose you **on the Cross**, within and without, in 2021. It will take being one-pointed, single minded, with single eyed vision in 2021 as we stand at 29 Scorpio & Taurus on the Ascendant-Descendant, intercepting Sagittarius-Gemini.

Unless these opposing forces opposing Christ, rule are renounced in the 6th house 3rd decant by the perfection of wisdom, Virgo on the MC we will not change the future nor the *policies* that perpetuate the present conditions. We are called at 29 Taurus to change the future by demonstrating our mastership, the 3rd decant of Taurus, of existing *policies* by changing those that block the guru chela relationship within the organization and the nation so that the synergy of the Guru-chela relationship can give birth to Christ, the Chela. A Chela able to defend the Guru and their position on the Cross. See *Morya 2/3/1985*, now in the 36th year.

8

We are called in 2021 to the master-ship of *Policy* that will deliver Divine Justice because we have surrendered in Taurus to the Guru Chela relationship, within the community of the Holy Spirit and the Nation. We are called to the Love of the Guru for the Chela and chela for the Guru, in 2021. We are called to receive our Holy Christ Self and the Guru and work the works of the ages in 2021, the mission of the ages, your Christ destiny.

We are called in 2021 to choose the higher mind in Sagittarius over the lower mind in Gemini. The reason, logic, motive of the Christ mind over the reason, logic, and motives of the Serpent mind as we stand on the East Gate. *2021 is the dividing of the way while 2020 was the choice*. Now intercept, the Tares have been separated from the Wheat. The Bridegroom has come in the 33rd year in Virgo on the Path of Personal Christhood in forging the Diamond Heart under the Mandate of the Holy Spirit. The vestal virgins in Virgo have been separated. Now the *called and chosen* of the 60s and 70s have been measured and the Lamb and the *chosen and faithful*, those standing on the North Gate in polarity to the Lamb and the Lamb's Wife standing on the South Gate in 2021, have been selected to meet the challenge of the Cross and the Mission. This is the way. Serapis Bey as Leonidas of Sparta measured the Spartan army, and chose the faithful, the 300 Spartans. This is the path of initiation and this is the test,

We are being measured, winter solstice to New Year's Day, as we stand on the North Node, see Rev 11:1 and *Jesus Christmas 2020*, in Gemini to ascertain the measure of God Wisdom, of our *Fidelity*, and our *Independence as Christ Dominion* over the lesser self. The

WINTER SOLSTICE 2020 A NEW YEAR
A NEW CYCLE JUPITER SATURN
THE STAR OF BETHLEHEM

measure will determine whether we have attained to Christ rule over ourselves by the renunciation of our past rebellion and exaltation of the ego instead of the Christ flame in the heart. We are being measured to determine whether we can stand in the face of the present rebellion of others without diverging from the path of the Cross's 14 tests that we will face on our Mission that begins on January 1st, if we are to gather the one million and save our nation and its people. Can we stand in Taurus and keep our *Eye* on the light at the end of the tunnel? Does the wisdom of the North Node outweigh the rebellion in Taurus against the law by the serpent logic of our lower mind that is susceptible to the mass media propaganda of Trump's defying the Democrats election claims based on facts of mass election fraud. Democrats and Republicans, media and courts have joined the Luciferian and the Satans in their mass rejection of Christ here on Earth, particularly in America in their final rebellion before they are taken to the Court of Sacred Fire and their final judgment, the second death. This is the power elite in the 10th house and those in the 9th house who are those responsible to God and the people who have declared war on Heaven, here on earth, declaring their intent to take heaven by storm. Congress and the Media have turned truth into a lie. The powers that be have made absolute evil into good and have made absolute good, evil. This is *the Great Reset*. This is the illusion of Neptune in the 4th house of the people. And if the coming days are not shortened, even the elect may be deceived, i.e., accept the lie.

There is an opposing measure or scale. It is the Venus-South Node conjunction in the 1st House in Sagittarius. Venus rules Taurus. These are the past habits and mood momentums of Venus that drag her down into rebellion against the law of her being, keeping her from *exalting* the God Flame upon the altar within her heart's Temple. All the while she holds the Key in her hand. Venus in the 1st decant of Sagittarius stands at the altar of the Temple in *devotion* to the flame and the heart of the Guru...*but does not enter in* to the heart of the Guru. See the 4-10 axis clearance, also see Jesus' dictation on Christmas Day 2020. This is because Venus, *the fallen feminine principle in man*, in the passions of her perceptions has not transmuted i.e., transformed the square to the US Ascendent of the American people. The soul of the chela is called to follow Jesus and bear the CROSS of the planetary karma of the American people, to set them free from the fallen angels that have enslaved them. America is fast becoming a slave nation; a people of slaves forcefully being returned to Egypt. Venus is called to a higher love.

Venus is called to bear the cross of the American people as she stands on the Part of Fortune in joy and harmony to hold the balance on the midpoint or scales between the US Ascendent at 7 Virgo and Transpluto that is programming the minds of the people to the lies of the power elite and the mass media, the social mass media's propaganda, the Solstice Sun in the 3rd decant 1st house, *propaganda*. Venus' devotion to the flame of the heart where she receives Christ at winter solstice with the Guru, the Father in the Son, comes to 2021 prepared to work the works of the Age. Venus is called to be the Holy Grail in 2021, to be restored to the majestic cosmic virginity of the original feminine principle of her soul's origin, as Christ's bride, the Lamb's Wife.

6. **Winter Solstice Sun**

The Sun (Son) comes at winter solstice as Christ in the office of Man with the authority of the Son as the Christ comes for his bride who has prepared to be the Lamb's Wife. This is announced by the Star of Bethlehem as Jupiter Saturn come to anoint the SON of Man to begin their Christ Mission on January 1st, 2021.

The Son of Man comes to stand in America in the 3rd decant of the 1st house to deliver the judgment in Capricorn upon the lies and the *propaganda* that paints the Truth as a **lie**. This is the sin against the Holy Spirit. This is the trigger that will deliver the judgment in 2021 and the next 3 years upon the Watchers at 2 Capricorn and the Laggards at 18 Virgo. The judgment is descending upon the Modreds, the Laggard evolution and their *propaganda*, the illusion of Neptune over the people in the 4th house by the media in Gemini about the truth of the elections and the people's right to rule themselves as their *declaration of independence* in these elections in the 2nd decant of the 7th house is erased as if it never occurred. GOD IS NOT MOCKED. He has weighed the election results, by the Recording Angels. God knows the truth. His WORD has gone forth and will be delivered on New Year's Eve and will begin to play out as the Divine Plan for 2021 on New Year's Day as the new blank page, as described by *Saint Germain* on January 1st, 1984 in the Class of the Solar Ring.

The Liar and his lies and the murderous intent casts out of their mouth, the Sagittarius Gemini axis of the Serpent, that old Dragon, the South Node a flood to carry away the Woman. But God intercedes. He delivers a dispensation whereby the earth helps the Woman. The earth opens **Her, TERRA's** mouth, the Sagittarius Gemini axis and swallows up the flood, which the Dragon, the South Node cast out of its mouth. This occurs in the 4th house where the illusion of the lies of voter fraud originate with Neptune, the astral sea, rising as a flood to sweep away the People's Liberty, Mother Liberty. This will manifest in the 4th house, the house where cataclysm and earth changes originate. This occurred in the days of Moses when the leaders of the people deceived the people and led them in the opposite direction that God was taking his people. So, it is today. The HIDDEN HAND behind America will play out according to *the measure* of the harvest of 2020. We could see the shaking of the land with Trump being given a second term or we could see a nuclear first strike against America, per *Saint Germain* with the coming of the Cosmic Christ, Jesus. *Nostradamus* tells us that it will occur on the 45th parallel, that runs through Yellowstone, south of the Heart of the Inner Retreat.

The results of *the Measure of the Temple, the altar, and them that worship at it*, the 13th *Tribe* will determine the outcome as a new cycle of Jupiter Saturn occurs in Aquarius in the second house of the Nation's finances, the people's debt due to our government's credit policy that has replaced traditional fiscal and monetary policy. *Mother* teaches in the 2000 Year Ride of the Four Horsemen that *Morya* teaches us that the judgment will begin with the collapse of the economy of the fallen ones, Babylon the Great in Capricorn on the 12 o'clock line. This will be followed *Morya* tells us, by war. Revelations tells us that when the earth swallows the flood, the Dragon is angry with the woman and goes to war with the remnant of her seed who keep the commandments of God, and have the testimony of Jesus Christ, see Rev 12:17.

THE STAR OF BETHLEHEM

The second house of the people's finances and of the nations has been taken by their stewards in government and banking and finance that plays out in the 4th house of the people. In the 4th house Neptune is conjunct the Moon. The people are called to demonstrate their Christ mastery over their mood momentums, their attachments to material substance and the ego's vanity and cut all ties to the illusion, the lies, the fantasy that the peoples Representatives are casting out of their mouths to deceive and defraud the people of their right to rule themselves in Liberty, under the Four Sacred Freedoms. The test is whether the people, the *12 Tribes* will rise up to defend these freedoms and to meet the Cosmic Christ in the air.

Together the 13th and the 12 Tribes are called to rally to Saint Germain, Uncle Sam at winter solstice to begin a new cycle of opportunity. The harvest of the last year, the last twenty years will determine what Heaven can do with what we have laid upon the altar of the heart at winter solstice.

The Sun and Mercury are conjunct the Watchers (2 Capricorn). Mercury is the messenger of our Son, our Christ self, as well as, the messenger of Helios whose cycle ended and Lady Vesta's began on winter solstice. Lady Vesta came with a gift for the expansion of our Christ self. This will allow the bride of Christ to deliver Divine Justice upon the Watchers, whose judgment is nigh. Mercury tells us to keep our EYE in the 2nd house of the economy and the nations finances, on the light at the end of the tunnel, as we face the Divine Justice descending. Mercury delivers the warning about the Watchers to the nation. We are warned to cut our ties, Revelations chapter 18, as the judgment begins with the economy, per *Morya*. We are warned that this will be followed by war. As the four angels imprisoned in the river Euphrates will be released, see Revelations chapter 9 verse 14.

11

Mercury warns the people that both Christ and the Watchers are vying for the hearts and souls of the people. This is playing out in the 10th house for the White House, by the Laggards who were called to lead the people into the Golden Age, see *Zarathustra and Great Divine Director' teachings on the Laggards*. Christ is opposed in this by the Legions of Hades in the 8th house at 9 Cancer 57. As Hades opposes Mother's chelas, her Mars at 9 Capricorn 57 minutes, an exact opposition. This is because some of Mother's chelas have come to the cusp of the year 2021 and the start of their Christ's mission to deliver the judgment in the earth, unprepared to meet the challenge of the Legions of Hades, the Millennials who began to incarnate on December 31st, 1990 per *Saint Germain*. These latter are not prepared to defend the Guru as taught by *Morya* on Feb 3rd, 1985, because they have not aspired to become Christ given the time provided by the cycles of opportunity. They have come to 2020 and to Christmas 2020 and the Star of their Christhood appearing without oil in their lamps or the fruit of Christ consciousness upon the vine.

Christ and Guru have come to unite with our soul at years end. Together, they now face the challenge of the dweller of the soul's making and that of others. The Gurus, *Jupiter and Saturn* are in 3rd decant 2nd house, of the soul's *mastership*. The Guru has come to eat of the fruit of our soul's mastery of our ship's crew, her personalities and their components over the major challenges we are yet to face on our journey home on each line of the clock in our natal and solstice charts. We *live* in the etheric with the master on the line of the Cosmic Clock, while we

are tested as we *walk* in the earth through our planetary houses facing the challenges of our planet's odyssey. One is on the etheric the other the astral plane, as we descend the spiral staircase to free our soul from the coils, the curses, the attachments and our ties.

The Gurus are initiating a new cycle of opportunity for our soul's. They stand in the 1st decant of Aquarius with those who have aspired and assimilated the Gurus over the last 33 years and are now ready to begin initiation under *Gautama Buddha* on the 9 o'clock line of their God Reality, their 3-year Christ Mission. They are ready to meet the challenge of all unreality opposing God's Reality blazing upon the altar of their hearts and the heart of the planet, America. They have passed their initiation at **9 Capricorn 57 minutes** and now able to meet the challenge of the Legions of Hades at **9 Cancer 57 minutes**. These are they who have assimilated the hearts of *Guru MA and Lanello and Maitreya* under *the Mandate of the Holy Spirit* since Feb 21st, 1988. These Chelas are now able to stand in the *originality* of their origins, in the 1st decant Aquarius, as the creative minority ready to launch a new golden age civilization. They are ready to walk the 14 tests of the crucifixion and complete their soul's destiny, her Christ's Mission. These are the creative minority that *Arnold Toynbee teaches are responsible for creating every new civilization*. Out of the chaos of the 2020s they will together with the Masters carve out a new civilization, of the Divine Mother. Restoring to Earth the culture and civilization of the Divine Mother, not seen on earth since the fall of the 4th Root Race on the continent of MU.

Jupiter Saturn, the Gurus, have launched a new 20-year cycle that will play out in the economy. A new economy to replace the existing Babylonian *new economic order of the one Worlders* spearheaded in America by the Bush family in 1991, and much earlier. The ten horns opposed the Summit Lighthouse Mission and its final phase that began in 1991. These so-called Neo Conservatives took the opportunity in 2000 to launch a final assault upon America and the Summit Lighthouse launching *the Reign of the Gentiles*, see Revelations chapter 11. This new cycle of Jupiter Saturn will see the end of the Watchers and their cycle of war. The new cycle, beginning on winter solstice 2020 will launch a new cycle of 20 years to deliver the judgment **and out of the ashes and chaos** will emerge a new economy prophesied by the Goddess of Liberty. It will be founded upon Aquarius God Love, selfless love, brotherly love. Not the love of Leo's *selfish love* or Scorpio's *selflove*.

Mercury delivers the message of the SON, your Christ self. "Shed" your beliefs and seek understanding and illuminations ray. The Sun is in 3rd decant of the 1st house, *propaganda*, which is much of what you know, much of what you have learned in school and in the work place. These have left us vulnerable to the flood out of the mouth of the Dragon on the South Node and therefore to the Watchers and ultimately our own dwellers and the collective consciousness of our planetary dwellers. The Sun of Helios and Vesta comes to winter solstice to deliver the judgment of Divine Justice through the Right-Handed Path of Capricorn in Virgo on the MC. Judgment is delivered upon the *propaganda* and lies, in order to bring the Kingdom of God into the four planes of matter on this planet, *not into this world*. First, they are come to deliver the judgment that will sweep the earth of *their flood of civilization (Babylonian)*. Then out of the ashes of Babylon and the Beast of Rome, the winds of the Holy Spirit will blow away the debris, see Daniel chapter 8-12.

Mercury delivers the message that we are called to be *pioneers*, as described to us by Guru MA. *Pioneers* for the next 200 years as described by *Saint Germain*. The *pioneers* of a new civilization that will restore the culture of the Divine Mother over succeeding generations until we come to the 15th or 16th when Maitreya will incarnate to deliver the Law and the Flame, that once again will bring this civilization to a height of the next Golden Age.

7. Winter Solstice Chart

Examining the chart, we see four quadrants. They tell us how to understand how the energies are to be directed. The chart is made up of a series of wheels or *types of houses*. The chart's angles make up a primary division. The angles divide the chart into four quadrants. Beginning on at the Midheaven (MC) counter clockwise to the Ascendent is quadrant #1, this is where the soul is initiated and trained to take the initiative of right action. The soul must determine God's desire and his will. The soul stands alone without interference from the masters. She sacrifices her lesser self, the five components of her personality and demonstrates constancy and humility. She stays true to the original blueprint of the soul and receives inspiration in the face of all the world's repression and hatred of the Christ from the Serpent mind.

Moving counter clockwise from the Ascendent to the Nadir (I.C.) is the 2nd quadrant. Here the soul who has mastered quadrant #1 now gets the master's support. Here the Guru and chela carry out God's divine plan because the chela has demonstrated his/her willingness to act and do the works of God. The soul stands on the ascendent and receives her Christ self and works the works of the ages.

Moving to the next quadrant, the Nadir to the Descendant in quadrant #3, we now face the initiation of understanding our soul's psychology, why we act the way we do often to our own detriment and how Revelations plays out in ourselves, our family homes, and our nation. We are tested to see who rules the soul. Will the soul sit under her own vine and fig tree and be God taught, *Gnosis*, under the mantle of learning illumination and self-knowledge, a cycle given on January 1st, 1989 now in its 33rd year in Virgo for the public demonstration of our Christ's mastery on the 12 rays as we face the challenges of 2021's new blank page to carry out God's Divine Plan for 2021. Or will the soul when *servicing others or servicing with others* repress their Christ self to be dominated by dominant egos who suppress Christ rule, in order to rule the Christed ones. They demand of the group, ***co-dependency*** rather than Christ Independence and the individualization of the God Flame. Instead, they demand ***group think*** that leads to chaos and disintegration. This results in the 6th house in willingness to serve the Guru or as an unjust steward take what belongs to the Guru that *always* begins throughout the ages as *managers* or magistrates of old, that Sanat Kumara teaches us in the Seven Initiations on the Path of the Ruby Ray, who usurp the office and subvert the authority of the Hierarchy of the Ruby Ray, under the false hierarchy of the Ruby Ray. These are managers who lust after the light of the Guru and their Chelas and take to themselves the spiritual office and authority uninitiated, as the unjust stewards. Sanat Kumara taught us this and gave us a warning on January 2nd, 1988 about these ones. This cycle celebrated its 33rd year anniversary, today. This warning is given again for the next 20-year cycle of Jupiter and Saturn, the Gurus with us.

A NEW CYCLE JUPITER SATURN
THE STAR OF BETHLEHEM

Once the soul is tested and proven in Quadrant #3, the soul comes to the final quadrant #4 between the Descendant and the Midheaven. Here the proven soul, the bride of Christ, works together with all other chelas of the masters and together they accomplish the great works of the ages. They fulfill the divine plan for the year as they also attain to the victory of their own individual natal cycles of Christ mastery, as taught by Saint Germain on January 1st, 1984.

With this blue print super imposed over the solstice chart we now have a backdrop to understand the chart's players and challenges that they must overcome. Now add the Guru and the chela, the Sun, Mercury, Jupiter, and Venus as taught by the Maha Chohan. See where the focus is on the higher planes. Review this document and once understood then add the Four Horsemen and *the lunar forces, the Moon*. These are those on the mountain who leave off the Path. They refuse to surrender and are left behind on the path, having planned to fail as taught by Morya El. These forces on *the mountain of initiation* and testing on *the mountain of their karma, the inverse image in the mirror of the Moon Mother*, become the betrayers and murderers of Christ, the prophets and the saints. Finally, add the fallen angels and the Watchers and laggards, the castaways, and mechanization, soulless man and all clones and carbon copies. From here we begin to see the battle of Armageddon, for the souls of the people we are come to save and the deadly opposition to our own mission, our own lives and those of our families.

We see that we are called to work together in the 4th Quad to achieve **our** Christ Mission, meaning each ones Christ Mission, that together accomplishes the works of the Gurus over *the next 20-year cycle of Jupiter Saturn*. The 20 years is a sine wave of the expansion and contraction of the economy and the flow of energy. Placed on the cosmic clock, the 1st 5 years is the etheric blue print during which we will see play out, Pluto leaving Capricorn and entering Aquarius, beginning in 2023 when we will begin to see *absolute hatred*. We will also see play out, our personal Christ Mission over the next 3 years until winter solstice 2023. During this period, we will also see play out the completion of the Mission of the Summit Lighthouse that will end during the summer of 2024. This five-year period will see conclude the final term of President Trump.

Corresponding with this 20-year cycle of opportunity and the investment of light and dispensation which can be seen economically as the abundance and plenty under Jupiter or *famine under Saturn the Black Horse playing out in the 4th house*, see winter solstice chart. We also see the Solar Cycle of sun spots and solar flares. The sun cycle is a sine wave made up of two 11-year cycles that make up a wave. Therefore, a Solar cycle is 22 years. If we start with a known cycle of 22 years beginning in 1988, the first wave concluded in 2010. That means the current cycle we are in began in 2010 and in **2021** we are at the beginning of the second in the series that began in 2010. The issue with sun spots and solar flares is that they are a source of **Lunacy**, the **insanity** that is at the root cause of the cycle of war. Mother taught us in Saint Germain on Prophecy that Sun Spot Cycles are one of the three indicators of war that began in 1988, ending in 2032. This current cycle of 22 years ends in 2032. A new sun spots cycle of 11 years begins this year, **2021**.

8. Challenge

The challenge is the **Cross** and the **Square**. We are called to the cross. We are given the choice *to be or not to be* in 2021. We can rally to the *Office of the President* which is an office in the hierarchy of the Great White Brotherhood and defend *the White House*, the physical outer focus of a retreat of the Great White Brotherhood of Light. We can stand with *Morya El* who wears the *Mantle of the President* of the United States, ever since New Year's Eve, 1987. Or we can choose in 2021 to protect our material possessions or seek to preserve our egos and our perceptions.

The at cross 18 Virgo, 18 Pisces, 18 Sagittarius, and 19 Gemini is for the initiation of our Christ Mission. The cross of illuminations flame is for those who have learned from their experiences since winter solstice 2016. Those who have demonstrated these last 3 years, their Christ Mastery of the 12 lines of the clock, the 12 rays, the seven and the five, over the Watchers and the Laggard evolution.

Have we learned from our experiences, these last 20 years, these last 33 years and these last 46 years in our organizations within the nation, with the laggards, the Modreds, Vesta? Those who came through Abraham's bond woman and Arthurs. Are we prepared at winter solstice 2020 to rise on the spiral of victory to circle the square that becomes the pyramid of initiation and the rising spiral of the kundalini? We are called to rise above the subterranean levels of the grand square of opposing and conflicting forces that will trigger, every man for himself. We are called to enter the Temple of Initiation within the heart, the Queens chamber and take the path that leads to Independence on the North Node in 7th house. To begin our Christ Mission and the 14 tests of the crucifixion that leads to the king's chamber and the resurrection and enlightenment.

9. Abaddon and the Clock of Betrayers

Abaddon at 4 Scorpio in the 11th house, 3rd decant, *repression* stands in relationship, in polarity to the Black Moon Lilith, who are the Castaways, the daughters of men, the wives of the Watchers and the mothers of the Watchers children, the Titans, Demons, and Giants at 4 Taurus in the 3rd decant of the 5th house, conjunct Uranus, the White Horse. This opposition clouds the 3rd eye with the perceptions of the *soul's personalities* of her passions of the flesh and self-love.

This opposition works to pull down the consciousness of the soul, who has these vibrations and has ties of idolatry and sympathy to the soul's creation and the works of her hand, her personality and the consciousness of her dweller's many facets. The key here is that the soul has created her personalities and dwellers modeling them after the fallen angels and the watchers whom she has been conditioned, across time, to hold up as *her idols, her false gods*. These false gods have replaced our God and his Sons and is a violation of the commandments.

These records of the last 25,800 years are *come due in 2021*. These records represent in Taurus, our mental rebellion and our bond to Abaddon and his Legions out of Hades, the Millennials. This will play out through Mother's Mars, *her chelas at 9 Capricorn 57 minutes* in

WINTER SOLSTICE 2020 A NEW YEAR
A NEW CYCLE JUPITER SATURN
THE STAR OF BETHLEHEM

the 1st decant of the 2nd house, *materialism and possession of others or our own ego* in polarity to Hades at **9 Cancer 57 minutes** in 8th house 1st decant. We have records where we were determined to have the power and wealth of the fallen angels. Now we are called in the 2nd house to come apart, and pay our debts in the 8th house, cutting our ties. So that when the economic judgment descends upon the fallen angels and their civilization, we may get hit, but *Morya* teaches us, it will not stick.

Lilith, the Castaway attacks those who have attained to Uranus' casual body, Aquarian Love. Those who have the key and have unlocked the heart to release the Aquarian waters of the Holy Spirit. These are the ones who embark in 2021 upon their Christ Mission. We meet this challenge single eyed, with the 3rd Eye Chakra, with an unwavering eye on the goal, in Taurus. Not distracted in Taurus by Scorpio's perceptions of her soul's personality which poisons the vision, by the passions perverting the rising Mother Light in Scorpio. The soul stands in Scorpio Taurus on the Ascendant Descendant in the Guru Chela relationship and delivers the judgment of the Christ Mission. This mission will place the Ascended Masters names into every house in America where with Jesus, they deliver a SWORD, dividing all who are of the Mother from those who are of the seed of the wicked.

10. **Yod, The Finger of God**

We stand at the Y in the road. We are standing on the apex of the Yod at 4 Aries conjunct Chiron. We face our past in 2021. We face our conditioning throughout the ages and of the last 25,800 years of rejecting our Christ self and our Gurus for our own personalities which we would not surrender. We defended our carnal mind against our Christ or the Christ of another. We are called to study the teachings on this aspect of our karmic record so that we can make the right choice at the Y in the road where we must choose *to be or not to be* as Mother taught every KOF in her July 4th Address in 1996. We stand facing the choice of *Abaddon at 4 Scorpio or Transpluto at 3 Virgo*. We must face both and cut our ties. The only right choice is *the middle way*, 4 Libra the heart chakra by defeating all unreality that opposes the flame within our heart chakra Libra Aries.

We stand at the Y in the road and must face our dwellers on the mountain with Maitreya in these next 3 1/3 years of our Christs Mission. *Maitreya* taught us how to meet this initiation on the mountain. His teaching, "The Six-Pointed Star of the Lord of The World" teaches us to call upon the Masters to bind our dweller and the masters will come and bind it and occupy our four lower bodies until our Christ self takes their place. This is the dispensation of the Order of the Diamond Heart where we together in Quad #4 can form the Diamond Heart of Jesus and run the race of these next three years to complete our Mission and build the communities of the Holy Spirit in Capricorn on the 12 o'clock line to nurture holy families of twin flames who will give birth to Christ and raise up Sons and Daughters of God.

We are called to face the challenge of Abaddon and his legions out of Hades and be unmoved by their *repression* of Christ Truth in the 3rd decant of the 11th house as Hades opposes Mother's chelas, an exact opposition. They stand in direct opposition to the saints who keep the white cube of the Church Universal and Triumphant on the North Gate who keep the authority of

the Father in the office of the Lion. We are called to be single eyed on the Taurus Scorpio axis in delivering God's judgment delivered in Capricorn through Virgo's Divine Justice upon Transpluto and all aliens and intergalactic dwellers opposing the golden age on Terra and Christ come in America to establish God Government and Christ rule upon Terra.

The key is the kundalini rising for the conversion of souls by the Holy Spirit over the next 3 years to gather one million, first 144,000 then the remaining 856,000 who will rally to Saint Germain. Those who will stand with Merlin to cast out these Black Magicians from North America, from Camelot.

11. **Hades**

Hades at 9 Cancer, unbridled *mood momentums* in the 8th house 1st decant, *resourcefulness* opposes Mother's Mars which will play out through her chelas. Winter solstice Mars is at 23 Aries *Be Aware* in the 6th house of service to the Guru, where Mother teaches us, we have failed her in the past, on the Alpha cycle, therefore of the year. Be vigilant during the Vesta cycle of the year, the Alpha thrust until summer solstice.

This represents, in Cancer in the 1st decant of the 8th house, where we failed the Guru on the North Gate *over the resources of the white cube of the Church Universal and Triumphant or of the Nation*. We have taken to ourselves the energy and resources of the Guru. This is the parable of the unjust stewards. We have taken possession of the land, homes, and we are seeing even our homeland supplied to us to fulfill our service to the Gurus and balance our karma in the process. These are the records of the squandering our inheritance in the 8th house. These are the teachings of our initiation on the Path of the Ruby Ray.

This also represents Hades playing out in Cancer ruling the 4th house where Neptune, the Pale Horse death, descends upon the people with the power to kill a fourth of the people, then *Hades follows* with the power to torment men for 5 months. Revelations 6:8 and 9:10.

In Conclusion

These cycles of the next three years and how they are played out by us, the 13th Tribe of Israel of the priesthood, will determine the future of the planet. These next three years are also preparing our souls to pass through the coming *Tribulation*. This is the fulfillment of Revelations chapter 20 verses 4 to 6.

- **Fallen ones remain** because it is the kingdom of the fallen ones...have set up their underworld and they rise from the underworld to move against you.
- Do not allow it; Helios has placed a mighty scepter in the hand of your Christ Self. Call to your Christ Self to use that scepter in the name of the Son of God (SUN) in the name of Jesus Christ, Maitreya, Gautama, Sanat Kumara. Call to him to use that scepter
- **Fallen ones are quaking** at 33 levels of hell today, and in the White House, Congress, the Supreme Court and in every legislature of this nation and the world. They exist by the sponsorship of the Hierarchy of Light and they are on Earth this day where ever they are to know in consciousness that that sponsorship is withdrawn from them now (7:56 pm MDT). They are cut off. The dispensation is gone, it is done with.
Let the decree of the KOFs resound that the judgment is come in the physical dimension unto those who have misused the chain of Hierarchy, every fallen one whosoever followed after that Arch deceiver Lucifer.
