*Presentation*  
*Prophecy and Revelations*  
*For our Time*

Whenever momentous events occur, singular great souls are always at the heart of the matter. Signs in the heavens herald the coming of both great change and a great soul. In **1572**, a supernova exploded in the heavens out of the **constellation Cassiopea**. It heralded the dawn of a new Renaissance, a new freedom of the mind of man. Elohim Cassiopea stepping down through the constellation announced the coming of **the Enthroned Lady, the Celestial Queen, the Virgin Mother of Christ**. Astronomer Tycho Brahe wrote, that each new star signifies a birth of a child of light. The star represents a new impulse from Elohim Cassiopea of illumination, that gave birth to a renaissance for the enlightenment of mankind, a great awakening from the dark ages of the Nephilim suppression of the Liberty of the soul's freedom to sit in the seat of her own dominion, free from the domination of her mind and consciousness by the collective dweller of the super cluster of Taurus, the Great Rebellion. The stellar event heralded the birth of a great soul who would lead this revolution in higher consciousness, **Francis Bacon**, born in **1561**. Eleven years to announce the great revelation of his coming. For a in depth description of a great example of the connection between the Astronomy of creation and the Astrology of birth, and of great moments in man's evolution, read *Secrets of the Golden Age Prince, Francis Bacon by Elizebeth Clare Prophet*. It is a study in the science and meaning of both **Worlds Turning and Worlds in Collision**.

Our Lady of Good Success, the Queen of Heaven began to appear in Quito, Ecuador in **1594**. In **1563** Mariana was born, destined to create the Order of the Immaculate Conception, the bride of Christ. Her mission began at age 9 with her aunt Maria Taboada, the Mother Superior of the Order.

The Queen of Heaven came to earth to establish souls as electrodes, as brides of her son who would anchor in the earth the energies of the fiery worlds that are the heart centers, the Eyes of the Storm, of Worlds in Collision as the Fiery Worlds above become the Turning of Worlds here below.

The Fiery World sent their daughter, they call her *Urusvati*, "The Light of the Morning Star", she came to the Earth in her gravest hour of this coming storm of "Worlds in Collision". She came to free the mind to *pave the way* to the heart. She is called the "Mother of Agni Yoga", the teachings of living ethics. She taught

that the fiery world and their cosmic fire would begin to affect mankind and the planet beginning in **1999**. She is the Light come into the world *to displace* the Lord of the Air, on the East Gate of the Mind and Consciousness, the bringer of light, “the morning star”, Lucifer, whose final domain is Saturn. She is come to anchor the light of the Fiery Worlds who have decreed that the Luciferians be cast off planet Earth, the Princes of the Air and be imprisoned on Saturn the place Sanat Kumara *describes* in the “Opening of the Seventh Seal”.

As we come to eat and digest ***the Little Book Open*** in our mouths, placed there by Sanat Kumara (chapter 20), the God of earth and we come with Padma Sambhava to Jesus to run the sackcloth race with Lady Magda and our Twin Flames we will merge on this higher octave to which we have attained through the grace of the Summit Lighthouse, in its Transcendence of the octaves, August 7<sup>th</sup>, 2024. We are come to bear witness to the everlasting gospel on the octave wherein we now stand, on the New Earth and the New Heaven.

### Sirius, The Nativity Mystery

We have come now, with the Sun in Virgo in the Water quadrant, to be participants in ***the Nativity Mystery “of the Stellar Spirit of Sirius*** that Helena Roerich tells us is the “Glorious Body on the Higher Planes of Earth” that occurred she tells us, for *the first time*, on the **19<sup>th</sup> of July, 2017**.

This was followed immediately on **August 21<sup>st</sup>, 2017** by the first solar eclipse over America in 35 years, at **28 Leo** in the 9<sup>th</sup> house of the Odyssey of our souls, on our journey home. This Solar activity came to eclipse all opposition to this Nativity, the birth of Christ in America, an ancient people as taught us by the Goddess of Liberty. This occurrence we are told is significant not only to Earth and the Solar System, but to all the constellations headed and supervised by Sirius.

**Note** the Mayan Prophecy of this collision of Sirius and the Galactic Federation whose focus is the Pleiades. On *May 20<sup>th</sup>, 2012 the Serpent returned to Maitreya’s Mystery School to strip the chelas from the Guru (Mother) and to sweep the initiates from the Mystery School, see Revelations 12:10-16. Pluto (the dweller- personal, collective and planetary) squared Uranus (the false Christs) seven times from Summer Solstice June 2012 – to Spring Equinox March 2015,*

during which occurred the Four Tetra Moons, heralding the Four Horsemen, and the Four Angels of the Euphrates who went to gather their army of the East, 200 million, see Revelations 9.

Lady *Urusvati* tells us further that at Shambhala the most important decisions concerning the evolution of *humanity* and the planet are made. Here the Great White Brotherhood of high initiates meet once in every 100 years, the Council of Shambhala. This is occurring in **2024**, the last time in 1924.

This is occurring during a peak solar cycle of momentous solar activity. Of great significance was the total solar eclipse that occurred on Guru Ma's birthday April 8<sup>th</sup>, 2024 *exactly* conjunct Chiron and the New Moon at 19 Aries 24 minutes. This occurred simultaneously with the closest approach to the Sun of the Comet (P12, NASA). This comet is called by the sons of Lucifer, the Mother of Dragons and the Devil. This represents to Earth the casting down into the earth of the Dragon that old Serpent called the Devil (Revelations 20:2). The eclipse represents the Cosmic Councils and the Council of Shambhala's decision to eclipse all opposition to the soul of humanity and the Earth of all influences in early childhood of Chiron, that condition the soul within the family to the Ancestral Tree and to Family Mackerels...to Tribal Totems that allow for the programming of the minds and consciousness of the individual in Aries on the East Gate in the 1<sup>st</sup> house at birth, through the first seven years. This will free souls in embodiment to enter into the **Nativity** of their own Christhood and to escape Herod and to be cleared by parents and communities of the Holy Spirit to receive the cosmic rays of the Light of the Morning Star on the higher octave, the higher plane of Earth, so that the Remnant and the Sons and Daughters of God and the 144,000 who still remember Sanat Kumara can come to be initiated on the New Earth, the New Heaven and receive the New Covenant, the Everlasting Gospel on the wings of the Summit Lighthouse.

This real-World Government comes to assist chosen world Leaders, Henry 5<sup>th</sup> of France and the coming Emperor of Russia, as well as Donald Trump chosen for America to be El Morya's hand of Providence to unite America and bring her into SHELTER. To safely pass through the coming Storm of the Collision of Worlds, and the Chastisement, The Wrath of God's Judgment of the reprobate.

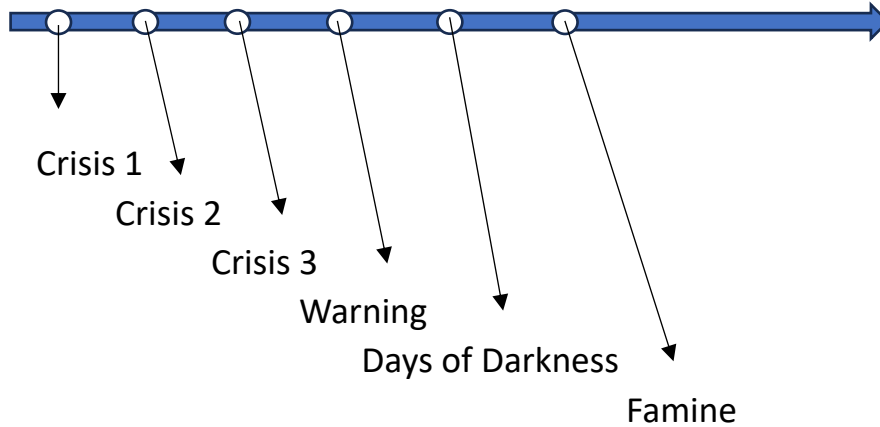

Lady Urusvati tells us the story of Armageddon (beginning page 108). This story corresponds with the book of Revelations as well as, with Mother Mary's revelations and prophecies of her apparitions since her announced coming by Cassiopeia in the 1500s. It brings a depth of understanding to Sanat Kumara's teachings and initiations of our souls in the "Opening of the Seventh Seal on the Path of the Ruby Ray".

**Galactic Alignment (*The Nativity Mystery of the Stellar Spirit of Sirius*). *The Spirit of 1776 is now born in the 3<sup>rd</sup> century in America.***

It is important to remember that our Sun and Solar System entered in 1975 the Galactic Rift, known as the period of the Galactic Alignment 1975-2020, when the Cosmic Virgin was in labor to give birth to Christ within Mankind. In 1998 Helios reached midway, in the labor. The Birth was announced on Winter Solstice 2020 by the appearing of the Star of Bethlehem (NASA), the Jupiter Saturn conjunction at 0 degrees Aquarius in *the 2<sup>nd</sup> decant of the 10<sup>th</sup> house*, Martyrdom by Herod who sought to kill the Christ born in America (The People) come to bring in the Golden Age of Aquarius. Of Note is the fact of the Mayan Prophecy of the Collision of Cosmologies on May 20, 2012 under the solar eclipse at 0 degrees Gemini that announced the return of the Serpent to Maitreya's Mystery School. We must comprehend the momentous times that we are born into, to play out our soul's destinies. We have been told that "Ye are the Elect of God". Now this reality is upon us.

Revelations, the Hidden Secret Messages and Prophecies of ***the Enthroned Lady, the Celestial Queen***, the ***Virgin Mother of Christ***, announced in the 1500s by the supernova appearing in the Taurus Cluster by Elohim Cassiopeia. ***This book is available on Amazon by Xavier Reyes-Ayral.*** It is a must read for the times we are now entering. Mother Mary delivers her message first in Quito, Ecuador, South America in 1594. **Read** about the **planned Three World Wars**. Learn about the prophesied time frame of the coming events.

Sanat Kumara: Opening of the Seventh Seal, Seven Initiations on the Path of the Ruby Ray

We have come on the “Path” to the point where one is taken and another is left. The former are they who after 66 years of the Summit Lighthouse, Sanat Kumara says, “to him that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it.”

Revelation 2.

These are the Saints who have served in the White Cube of the Church Universal and Triumphant (Chapter 36). They now receive the ability to perceive the Absolutes of God and anti-God, through the fruits of the Tree of Life. These are Sanat Kumara teaches, those who chose to be chelas of Guru Ma on the 8<sup>th</sup> ray on the South side of the City Foursquare, preparatory to the Mother’s initiations of her sons and daughters in the ritual of the ascension. *They have chosen, we are taught to be prepared to separate themselves spiritually and bodily, mentally and emotionally, from all who are not partakers (within the church) of the blood of the new covenant.*

Sanat Kumara teaches us that he is increasing the capacity to bear the light within the cells of our body consciousness to shield us from the dead and the deadly thing they would give the living to drink. *This light bearing capacity he teaches us shall neutralize both the psychic and physical poisons of this world.* He says, “*Drink me while I am drinking thee, and they*

and their deadly thing shall not hurt thee". We are now come in the Summit Lighthouse to the higher octave where we are to shelter in the Arms (Gemini) of our Father Mother God. While we drink of the cup Jesus drank, the cup of the Blood of the New Covenant. We are come to the sackcloth race with Twin Flame and with Jesus and Lady Magda to merge, Jesus tells us with the casual body of Maitreya and his Twin Flame.

We are come to spread the Gospel during this time of chaos in the land, Jesus, Mary, and Joseph tells us. This Gospel Sanat Kumara has taught us these 66 years is the mystery of the Gospel of the Little Book Open (Chapter 20). He called us in 1979, stating: "Who will eat up the Little Book Open and Prophecy again"?

In Revelation 10, John is told to seal up what the Elohim spoke. Their teachings of the Little Book were sealed until the end of Pisces when the seventh angel would come to finish the mysteries of God for the dispensation of Aquarius. These came in the voice of the seventh angel through his prophets, Revelation 10-11.

Now, we are told this little book has been open since 1958 to the initiates who have preached the gospel of Jesus Christ, as he taught it to those who are ready. Once again, the mighty angel is come to initiate the disciples of the Word, on the Path of the Ruby Ray. And we are told, "the voice that is heard from heaven speaks unto the initiates entering the cycles of soul deliverance under the seventh angel, saying, "Go and take the little book which is open in the hand of the angel which standeth upon the sea and upon the earth." To each one who follows in the footsteps of John the Beloved and follow him to the Sacred Heart of Jesus, is the opportunity given, to say with him, "Give me the Little Book." All who take it and eat it up will experience the initiation of the chemicalization of consciousness. To these ones the angel admonishes, "**Thou must prophesy again before many peoples, and nations, and tongues, and kings.**"

The message of this little book is this, "you have walked in the footsteps of your Lord Jesus and Savior. You have given devotion to the Son of God. You have preached his gospel. Now you must put on the mantle of your Savior. You must take up the responsibility of parting the waters of life.

*You must walk over Jordan and lead the children of (New) Israel into the promised land of the Higher Self."*

These are they who say with Job, "with eyes open they see the Lamb on Mt Sion. They also see the vision of the Dragon that makes war with the Woman, for they are with her (Guru Ma and her unascended chelas), they make war to prevent the birth of her Manchild and who makes war with her chelas, who are the remnant of her seed".

They study the nature of Antichrist in the person of Satan (s) of the Dragon and his legions of fallen angels. They know the false prophet in his representatives, the false gurus of East and West. They know the Great Whore as the anti-Community of church and state and all the false Christs and false prophets that violate the love/wisdom of the Community of the Holy Spirit and the Guru/chela relationship within it. They know the Serpent, ever the challenger of the mission of the two witnesses and the accuser of the brethren (Peshu Alga). They understand the mission of the saints who lead the Great Multitude to overthrow the beast that riseth up out of the sea and the beast out of the earth (collective consciousness) of those functioning to the right and left of Christ consciousness in the spectrum of relative good and evil, mouthing the philosophy of the False Prophet through the unenlightened masses (mass consciousness) that opposes the enlightenment of the great multitude.

In America there is a coming battle to be fought. We see from the perspective of Jesus, Mary and Joseph in Europe to the Church that it will be total war and the destruction of all man has built. What is important is that we here in the Americas understand what the Ascended Masters have taught about what is coming upon America with, if you will, the fresh perspective of seeing the coming battle from the eyes of Our Queen of Heaven. Time is very, very short and if ever we are to sit under our own vine and fig tree and be God taught on each ones upcoming role and responsibilities, now is the time.

The Seventh Angel and his prophets, Saint Germain and Guru Ma and Lanello have told us of this age-old War and the coming Battle in far greater detail. The story is told in

1. The book, *Astrology of the Four Horsemen*. Especially the chapter on the Astrology of World Karma.
2. The book, *Saint Germain on Prophecy, Coming World Changes* is to the Church CU&T what Xavier Reyes-Ayral's book *Revelations* is to the Catholics Church. Saint Germain through his Prophets Reveals Nostradamus 's Prophecies. Nostradamus saw the coming war on American soil. Saint Germain states that there will be war (Fall Class 1992) it is only a matter of how much will Keepers of the Flame and the Church mitigate, i.e. the severity of the war. Saint Germain tells us that a Nuclear First strike may come because of the return of Americas karma, as God's judgment for their disobedience to him.

Of great importance to us is to understand how these **Shelters** apply to America and the Americas. *Saint Germain on Prophecy* Book Two, Chapter 10, page 105 is given new meaning in the fall of 2024, titled: ***The Great Besieged Chief*** (Referring to the then President of the United States, almost certainly the upcoming President of the United States, Donald Trump. A must re-read. So that you can take your stand in those hours described by Saint Germain and know on what to make the calls and what decrees to be doing in those hours that will determine the Destiny or fate of America and by default the Americas.

In chapter 9, ***the coming horrible war*** is discussed, a nuclear strike on America at the 45 degrees, *angle or parallel*. See page 96. It could make a difference. After all, we were strapped in our bunks at 2 am in May of 1990 in anticipation of a nuclear war breaking out between India and Pakistan, during which Russia planned a nuclear first strike against the heart of the Inner Retreat (per Morya). Who are you going to listen to or gain say, at your own peril? The 45<sup>th</sup> parallel is the Montana Wyoming border (Gardiner Montana). A very sobering thought. Here is why it is important one way or another, in the same chapter, Nostradamus prophecy is discussed, quote, "The year that Saturn and Mars are equally fiery (page 100). The next occurrence is **April 2026**. When it states, *the air very dry parched long meteor, wars, incursions*.

## Nuclear Threat

Mars in 2024 conjoined Saturn and Neptune in Pisces following the coming of Comet P12, the Dragon, the devil. **In two years**, Mars will conjunct exactly Saturn (Lucifer/Satan) at 2 Aries conjunct Guru Ma's Midheaven conjoined Neptune at 7 Aries conjunct Guru Ma's Mercury, the Messengers. The karma of rebellion against the Guru and her Word, that Morya teaches us (POW vol 66 # 49) that her word formal and informal is law. So many have and continue to disparage her and her chelas since the reorganization of the Great White Brotherhood's Church and its organizations. This marks the beginning of the return of the seventh angel and his prophets, Revelations 11 verse 11-19. Prophesied by Saint Germain himself as he stated, he will send Merlin to Camelot, the Mystery School to cast out the Black Magicians and Goddess of Liberty states that the Karmic Board will cast out 1 million black magicians from North America and seal the Continent. She further stated that these BMs will flee to Europe where they go to receive their karma. You now know how that will turn out.

We must study Mothers published writings on the coming war in the Americas and make the appropriate preparations. The Masters make it quite clear the karma of omission for not doing so. Richard Armheim sent out a compilation of Ascended Masters Quotes on Preparing for the coming Changes. Many may have this file.

Important teachings for the Coming Battle are:

Saint Germain POW vol 28 #34 They Took Their Lamps and Went Forth to Meet the Bridegroom. The choice is the path of the Mother or the path of the Aliens.

Saint Germain POW vol 23 # 52 The Judgment of the Great Whore. The Wedding and the War\* The marriage of the Lamb and the Lamb's Wife is the signal and the signet of the coming into alignment of the chelas of the Great Guru, it is also the sign of the warfare of The Lord Sanat Kumara and his saints. The fusion of the love manifest for the judgment of the Great Whore. The

Great Whore the very origin of the betrayal of the Great White Brotherhood.

Saint Germain POW vol 20 #52 #51 #50 Parts 1, 2, 3 Our Service in the next 100 years (7/4 1976 – 2076)

Saint Germain says, “I say to God, Speak through them...the American People.”

The prophecy has gone forth from the altar of Alpha and Omega, the prophecy of the coming of the Woman clothed with the Sun (Portia, Guru Ma) They are returning as prophesied and as promised. This pearl parallels Mother Mary’s Messages in her Apparitions.

***There are many others. Do your research.***

### Maitreya’s Teachings

Maitreya’s Mystery School wherein lies all activities of the organizations of the Great White Brotherhood under the umbrella of the founding of the Summit Lighthouse and the Ashram of the World Mother (1958, 1952), was re-established in 1984 for the initiation of twin flames under the authority of Sanat Kumara. Maitreya the Great Initiator of the Path of the Ruby Ray teaches us in **2024** in the Mystery School in the circle of 12 on the line **Taurus**. And is initiating Twin Flames in 2024 (as of May 31<sup>st</sup>) in ***the lessons of the 13<sup>th</sup> station of the cross***. The 13<sup>th</sup> station defines for us what is now playing out in our individual lives, in our community especially and of grave importance what is now playing out in America. How we America, learn and practice our lessons today will define our future tomorrow. This is now important because all have graduated, or not, from the Maha Chohan’s initiation of our hearts and have been graded as having assimilated our Sun Presence and sit in the seat of our soul, Venus and are bonded to the Guru (Ma-Morya) or we have received the grade of having accommodated the karma delivered by the Four Horsemen and have now out pictured the accumulation of this karma of 36 years (1988-2024) in the Dark Night of the Soul and now must face the coming confrontation with their dwellers, Mr. Hyde who has deceived them into believing that they, Dr. Jekyll, control the seat of the soul and hence their dweller that they have empowered by their accumulation of the path and the Guru, under the Maha Chohan. Now the latter must face the coming

storm without the spiritual preparation of the last 36 years, even the last 66 years of the Summit Lighthouse.

Why and how is this preparation of our Soul's hearts so important to our new beginning in **2024**?

Lord Maitreya "Six-Pointed Star of the Bodhisattva".

The 13<sup>th</sup> station of the cross teaches us, Maitreya says, "that though the goal be set [by the Guru with the chela] that the light is given for the selflessness of the disciple in order that in the end the disciple may give that light on the altar of humanity, the conclusion of the lines of the thirteen and the fourteen must prove **what is the commitment** of the soul and **whether the vow** to use that light for universal healing and planetary elevation **will be kept**".

"So we see, beloved, that at the conclusion of the twelve points of the clock, which would represent twelve years of service, there is a primary initiation at what is called the Y—whether now, with that apparent attainment and adjustment and oneness with the Brotherhood, a certain degree of self-proof and excellence, the mounting of Light [*in the ascension coil and the Deathless Solar Body abuilding in, through, and around the chakras*], having transmuted by the violet flame much debris, that individual will choose, then, to go his way and enjoy the fruits of that experience privately and unto himself, using that attainment for another round of success or of the getting of wealth or of the getting of advantage in family situations and so forth, or whether he will take all of this attainment and **mount the intensity** necessary to seal it on *the right-handed path* through the two wings of Mercury, fastening Alpha and Omega to the point of the third eye".

Maitreya has prepared us for the coming battle of our soul's dominion over the Earth, as Saint Germain teaches us, he has prepared us for the coming "**Wedding and the War**". The same lessons given the Church by Mother Mary and Jesus in her many Apparitions apply equally and in every way to us today in America, in Maitreya's Mystery School. It remains for us individually and collectively to reason out the connections, for these define who we are and the future we will face.

## Cosmic Clock and Cosmic Astrology of 2024

The year 2024 saw the conclusion of the path of initiation of our hearts by the Maha Chohan. On February 21<sup>st</sup> 2024 we celebrated the 36<sup>th</sup> anniversary. This concluded the initiations of the chelas of (the) Mother, on the path to attain to personal Christhood that began Nov. 1<sup>st</sup> 1987 to forge the diamond heart (Christmas 1987) under the initiation of the Holy Spirit, the Maha Chohan, Feb 21<sup>st</sup> 1988. The Maha Chohan warned the Church that those who assimilated the Guru Ma and the path of initiation would outpicture their Sun Presence, Venus their feminine principle and Jupiter the bond to the Guru that Morya states becomes the wife of the Guru, while those who accommodated the Guru and the initiations would outpicture the karma delivered by the Four Horsemen, their Mars, Saturn, Uranus, and Neptune. The Holy Spirit came to initiate the chelas bonding to the heart of the Guru for the purpose of bonding to the Heart of Ma-it-rey-a. This began under the corresponding Mega-conjunction at zero degrees Capricorn signaling the Ride of the Four Horsemen. (see Mother's Book on the topic). Mother Mary's and Jesus appearances foretell the consequences to the Church for both these groups.

The year 2024 will see who has transcended the octaves with the Summit Lighthouse on August 7<sup>th</sup> and be found sealed in the Ark of the New Covenant on Winter Solstice in the heart of Maitreya as we come to New Year's day, 2025 to celebrate our safety in the Ark, having walked the path in the heart of Guru Ma and her Guru Morya for 36 years sealed in her heart for the safe passage out of the ABYSS of Ignorance to re-unite in the Heart of Maitreya that began in 1985, with the 24 Year Plan. We began in 1989, in the last year of the Dark Cycle in the Astral plane, the Dark Night of the Soul and were called under the Maha Chohan and the Seven Chohans, in the arms of the Guru, to become the Twin of Gemini under their sponsorship and safe passage across the ABYSS (1989-2024), 36 years. We were called to be sealed in 2024 in the safety of the Ark as Revelations 11:19 plays out in the Transition of the Summit Lighthouse in Aug, 2024 and to transcend the octaves with the Guru. Others would remain to face their karma in their final opportunity TO BE OR NOT TO BE, the choice Guru MA gave every Keeper of the Flame on July 4<sup>th</sup>, 1996. She prophesied to each one their choices and the consequences if they chose not to be, "they would lose everything they

love". In the fall of 1996, the Buddha of the Ruby Ray told us to watch for the coming of the Third Antichrist, that we would know HIM when he comes.

The cycles of initiation of the cosmic clock of our soul's destiny and that of the Nation are entwined as the caduceus on the staff of Mercury. We are the mystical body of the Church. Revelations, prophecy, and cycles of dispensations all converge as destiny or dust. Mankind and the chelas of the Great White Brotherhood are moving on in their evolution and *all are choosing to move on or be left behind* in 2024.

We face the coming of Satan and the Luciferians and their debauchery in the coming Dark Night of the Spirit as Prophesied by Saint Germain that follows immediately the Dark Night of the Soul and the safe passage through the ABYSS of Ignorance and Neptunian illusion and delusion. Maha Chohan tells us that the *initiation of the heart will open the chakra* so you can enter in to be initiated by the Buddha within the secret chamber of the heart or you can accommodate the last 36 years of initiation and by your karmas pride and ambition seek material power and wealth under Saturn-Satan and your Dweller, hardening your hearts and not balancing your karma with Guru Ma and the lineage of the Gurus as taught by Sanat Kumara. *This year 2024 is the final year, given the planet and her evolutions to **Awaken***. The Cosmic Clock demands of mankind that they enter a new cycle of **Action**, beginning on Jan 1<sup>st</sup>, 2025. We are given the next 4 years, the next Administration (Trump's) that begins in January to Prepare this Nation to **Shelter From the coming Storm**, under the New Summit Lighthouse on the Fiery Plane (etheric) as the Saints who have kept the White Cube of the Church as taught by Sanat Kumara in chapter 36, "Opening of the Seventh Seal on the Path of the Ruby Ray". As the Chelas pass their initiations while they still have the light of 2024, they will become the Light of the World in the total darkness of the Dark Night of the Spirit, as the accommodators now accelerate their darkness and their Dwellers rise to seize *the seat of their soul's* authority in the Earth. Souls are being lost, says Mother Mary. Saint Germain tells us that more souls are being lost in America than anywhere else in the world.

The next four years, of the coming Administration will destroy America and the Church or we will see the Preparation of the Nation and the Church to hold back the Coming Darkness of Absolute Evil by Absolute Good as initiates become

the Light of the World, whose end time (2<sup>nd</sup> Coming) is come. Now is the time of the coming of the New Earth and the New Heaven and the New Paradise and its River. We will see the Defense of America and the preparation of the people (the Patriots) and the chelas of Mother (the Pioneers) to Shelter the coming Storm, **by** keeping the Flame blazing in the earth.

We see in Revelations and in Prophecy that God has prepared shelters for his “elect” within the Church (CU) and “chosen” saints who keep the flame within the Church (CU&T) and Mother and her Chelas who keep the flame within the mystery school (of Maitreya).

The Masters tell us it is our responsibility **to prepare to shelter...**

### The Sign

Sanat Kumara has given the I AM Race, America **a sign**. It began in 2017 on August 21<sup>st</sup> with the total solar eclipse over America, the first in 35 years, *the first of five* to come over North America (Canada, America, Mexico) over the next 35 years (2017-2052). We have seen 2 of the five and the annual solar eclipse of Oct 23<sup>rd</sup>, 2023. The second total eclipse occurred on Guru Ma’s birthday, April 8<sup>th</sup> 2024. It was exactly conjunct Chiron at 19 Aries 24 minutes. This eclipse is the fulfillment of the promise and the prophecy of the Transcendence of the Summit Lighthouse and the Safety of the Ark for all initiates of Maitreya’s mystery school from all the coming opposition from the fallen angels and their seed, the laggards and their seed and the one third of the seed of Abraham who are choosing to plight brother against brother midst the I AM Race, per Archangel Uriel (1974) who have accommodated the Guru and her chelas and their path of initiation as taught by the Maha Chohan and Sanat Kumara and his hosts of Ascended Masters. This eclipse in 2024 occurred during **the convening of the Council of World Government (2024)** taught by Helena Roerich and Morya El. It occurred during a major solar peak period when the Comet P12 made its closest approach to the Sun, Helios on April 8<sup>th</sup> 2024. The fallen angels call P12, **The Mother of Dragons**, while others in their bands call it, **“The Devil”**. Jesus dictated to John the Revelator clarifying this for us in Rev 20:2 The Dragon, the Serpent, called the Devil. The Mother of Dragons, the Devil, the Serpent Satan was cast down into

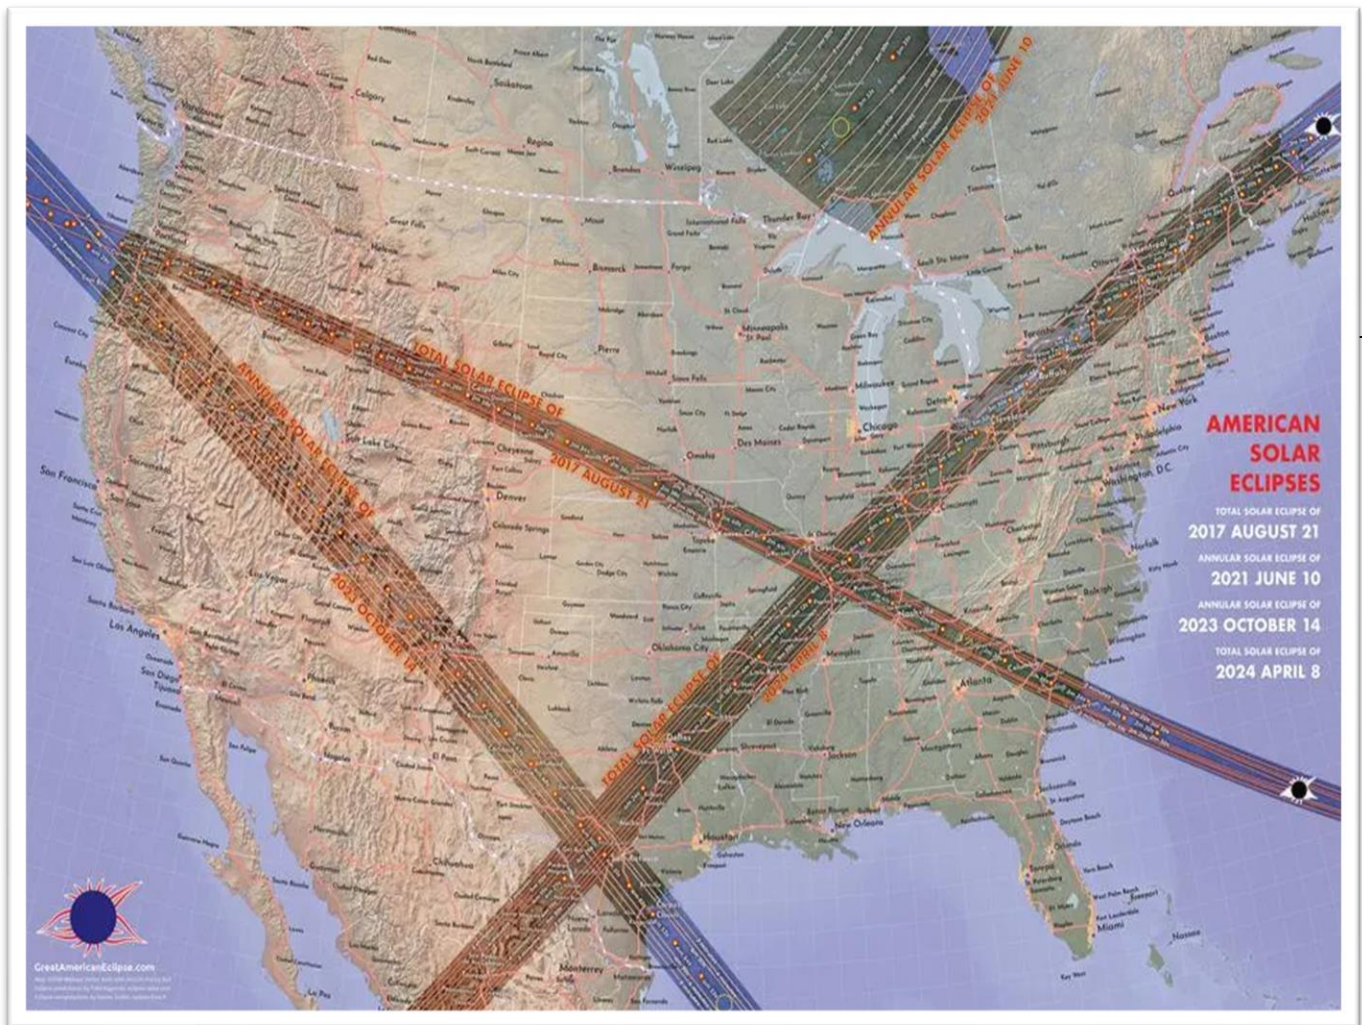

the earth for the final battle. This event, decreed by Cosmic Councils, possibly even the Council of World Government (Darjeeling, Shambhala) marks the beginning of the Dark Night of the Spirit and Mother Kali's promise 8/1987, that they, the World Mothers would return to harvest the Tares. The cycle of the Judgment of The Serpent and Satan and their seed (TARES) is beginning.

**It comes in two waves or cycles**, first is a period of Action when all must rally to the Banner of Maitreya/Sirius to take up Serpents (Sanat Kumara, the Little Book Open ch 20) and cast out the Black Magicians from Camelot, the Mystery school as occurred in Eden and taught by Sanat Kumara and from North America as taught by the Goddess of Liberty. One million Black Magicians will be cast out by the Great Karmic Board. This will be followed by the second wave, the Tribulation as taught by Saint Germain, a 3.5-year period, the final 3.5 years of the Dark Night of the Spirit that ends in the Great Day of the Lord. The second coming of the Great Central Sun with Alpha and Omega to seal the Golden Age of Aquarius (Elohim Peace and Aloha). This Tribulation corresponds with the 3 years of Judgment preceding the 3 days of darkness before the Biblical Great Day of the Lord (V7LP\*).

*Revelations, Prophecies, Signs and Symbols of Divine Justice Descending Upon America*

The Masters have provided America a shelter from the coming Storm. Shelter is first in the homes of the People consecrated to the Sacred Heart of Jesus and the Immaculate Heart of Mary and the Pure and Chaste, Purple Fiery Heart of Saint Germain (Saint Joseph). Secondly, Gautama Buddha told us on New Years Eve in the early 1990's that the Masters would if determined, open the earth and lead us to shelter in the earth. He said we have done this many times over the epochs of earth's history. He said that many would refuse to enter as they have many times before. Thirdly, the shelter from the storm, for America is defined by the paths of the Solar eclipse over America, the front lines, where she shall with the Army of Heaven defeat the foe (*within and without*). This ancient symbol is

the sign and signet, of the place of safety in the ARK, Revelation 11 verse 19. This sign was given in the 36<sup>th</sup> year of the dispensation (1/1 1989) of safe passage into

the heart of Maitreya to cross over the ABYSS of ignorance, the Dark Night of the Soul, of returning karma delivered by the Four Horsemen (1988-2024).

The Solar paths encircle the heartland of America. This ancient Hebrew letter is the sign and the signal to America (The People of God as described by the Goddess of Liberty) that ***the Dragon over America*** has been cast down (comet P 12) and ***the Ark and the Archangels now stand over America*** and *these are the front lines*. All outside will fall to desolation as prophesied by Sanat Kumara as his judgment-Divine Justice descends upon America, upon the laggard evolutions and the fallen angels and their seed, whom El Morya told us in 1990 make up 85% of the population (planet). This judgment is upon them and upon Mordred and his seed and upon Vivien and her like sorceresses within the Church and the Nation(s) for the abdication of the destiny of America that the Masters teach is the Karma of America, the karma of omission, the karma of silence.

Astrology is the mathematics of our returning karma. It is precise. Astrology the Masters teach us enable the soul in her outer mind to understand the God Reality of our origin in the Fiery Worlds (etheric) and the opportunity announced in the Astronomy of the mater universe to balance karma/three-fold flame and transcend the octaves of our Reality, once known, once lost, now redeemed. The call compels the answer. Not all can hear or see. Maitreya says, "because the false astrology of the world, imprisons the soul in configurations of astrology." Maitreya teaches the way of this astrology in his teaching, "Astrology of Twin Flames" POW vol 28 # 53. The ABYSS of Ignorance for some is very dense, of immeasurable mass or mass consciousness. They are not able to partake of the baptism of water and so redemption for them is left to ***the Baptism by Fire***, coming upon America, and the Earth. (Mars, Saturn Equally Fiery.)

### Divine Justice 2024

Today, the Heaven World, the Fiery World, radiates to us in Virgo, Divine Justice. We are taken down from the Cross in America in Maitreya's Mystery School. Divine Justice is descending upon *the Dragon Over America, that has taken form as the invisible government of the power elite*. Descent of their karma for their Abdication of America's Destiny came with the Sun in Virgo and will be

visible to all when the Sun enters Scorpio in October (2024). The Sun has completed its task of delivering the Judgment of the Cosmic Councils and the Council of Shambhala upon the Laggards (2 Virgo, Aug 20th) and upon the aliens (Transpluto, at 3 Virgo, Aug 26) in the second decant of the 1<sup>st</sup> house. The judgment has descended upon the vibration, frequency and velocity (dense-mass) of consciousness of all that have exalted the human ego (Dr. Jekyll). Now they must face the consciousness of their karma, their dwellers in the coming chapter of the Dark Night of the Spirit that will end Saint Germain tells us in the Tribulation and conclude in the Great Day of the Lord. See Archangel Zadkiel, in Vials of the Seven Last Plagues for a deeper understanding of what is coming upon America.

The judgment of Abdication was delivered Nov 29, 1987 with the Sun at 7 Sag upon the Laggards at 8 Leo (Vesta), as Saturn conjuncts Uranus. In the cycle of initiating the nation and the planet for the coming surgery, we are in Virgo on the 9<sup>th</sup> station, America falls a third time under the karmic cross of the tyranny of the Laggard's betrayal of the Great White Brotherhood's (Morya) opportunity given them. *Now in 2024 in Libra on the 29<sup>th</sup> of November the mantle once known by them to lead the I AM Race into the Golden Age will be passed to those Saints who accept the path of the cross and being stripped of worldly attachments.* These are the Twin Flames re-united in their 34<sup>th</sup> year in Libra to begin their Christ Mission.

The Divine Justice descending by decree of Cosmic Council descended upon America on July 4<sup>th</sup>, 1989 as the Sun conjoined Chiron. In the 36<sup>th</sup> year in 2024, the Councils decreed the Solar eclipse of Chiron and the casting down of the Wandering Star (so named by Sanat Kumara) known as the Mother of Dragons, the Devil, into the earth. *Now the final drama before the coming of the Golden Age begins as the Dark Night of the Spirit so described by Mother Mary in her Apparitions and by Sanat Kumara in the "Opening of the Seventh Seal, and by Saint Germain and his Prophets in Saint Germain on Prophecy.*

God has sent America (The People) a sign and signal to SHELTER in the ARK. Sanat Kumara tells us why in the Opening of the Seventh Seal (his little book). It is given to all, called to America and to the Summit Lighthouse, to Maitreya's

Mystery School, the Patriots and the Pioneers. *The future, Saint Germain tells us, is to those who will (to) endure all that is coming upon America and the world.*
