(What follows is intended for those who would understand and *apply* the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and cosmic astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Service of the chela to the Guru is a path, a journey that can be seen as a diagram that forms the squaring the circle. This journey diagrams the raising the four sides of the Square. Building the Temple and the fireplace to consume our ignorance, our mountain of karma. Readiness is the Bride who has made herself ready. The Bridegroom has come in the dark night of the soul's karma and initiates her in the next phase of the ascent. The Bride takes the hand of the *Guru Mother* and sits at her feet (Aries). The Bride assimilates the Guru and her teachings (PPC/Diamond/Heart; 72-86; 75-98; 69-90). As the Guru Mother returns the soul of the chela to the Motherland, the Alpha and Omega of Lemuria and Atlantis, Serapis Bey's 14-month cycles, 1982-2025. The Guru brings the soul who has readied herself from the subconscious awareness of the subterranean through the journey of her soul through her Odyssey of the Grand Gallery in the Temple of Initiation (*Diagram of The Temple*) to the Queens Chamber. The Guru readies the soul of the chela for the coming of the Bridegroom, the one-on-one relationship (Libra) with her *Guru, Morya*. Morya and his Messengers ready the soul of the chela in the diamond heart on the Odyssey of the soul's journey to union with the Bridegroom in the Kings Chamber. The soul raises the base of the temple first to the level of the Queen's chamber then to the level of the Kings chamber. This requires a level of initiation of her commitment to the Christ of her becoming the teachings, her God-Self Realization of her Individualization (Aries) of the God Flame within her heart. Her one-on-one with the Guru Morya becomes the God Self Realization of the re-union with the Trinity of *the Guru*, her *Holy Christ Self* and her *Twin Flame*. When the soul's journey is complete, she arrives at the Kingdom, master of Relativism, knowing the reality of its

Absolutism. She is now ready to commit to Lord Maitreya, The Mother of the World. To run the sackcloth race with Jesus-Lady Magda and Lord Maitreya and his Twin Flame, with her own Twin Flame, as *Emmanuel* with us.

So, what story did our journey write for all coming generations to read? We stand at the crossroads of time. Now is the time for *soul introspection* of her *co-measurement*, her *goal-fitness*, in other words her *commitment*. Now is the time when the soul is standing at the Abyss to decide to leap by Faith into the arms of Maitreya or to follow blindly (*Mars-Saturn-Neptune conjunction*) the Dominant Minority and their Orthodox Organization of the Dragon and their Beast into the Storm of their returning karma and God's Wrath.

What do 1958, 1990, and 2025 share in common? The call, the called, their choice (1:1) and those chosen (commitment and chapter 20) and the faithful; the cross, the line, the Wedding and the War. The Beast and the Dweller, and the Killing of the Mockingbird. Read then explain; Read Rev 17:14; Rev 11:1-19; Rev 12:17; and Rev 13:1-7. 1959-1989. The 80s, a ten-year plan, Gautama 1979. 1989 Judgment of the illegitimate sons of Morya (Lord Himilaya). The safe passage through the Dark Nights of the Soul (1989-2026) and of the Spirit (2026-2032). The prophecy of the 80s (Saint Germain on Prophecy and the Astrology of the Four Horsemen). The prophecy of the Dark Cycle of our desire/emotional bodies. Take the hand of the Guru. Bond of the heart's will, to see you through. The eighth ray initiation of integration with the Guru, the Presence. The chela strives to the office of Christ*.

1991-2024. The 90s and beyond. Absolute Relativism and Relative Absolutism of the Orthodoxy of the Accommodators, the Laggard sons of Morya, Mordred and his seed. There is the path of initiation of the Sons of God and the way of the Laggards. The latter hate Guru Ma and her unascended chelas whom they refer to as the “Chelas of Mother”. Their way is ... the Devils Slide at East Gate in 2026 (Diagram). They are now preparing to go to war (The War) with the Saints, drunk with the blood of the Saints through the years 1991-2024. The latter have chosen to play out the karma delivered by the Four Horsemen (Maha Chohan, 1988) to take the crown of the soul of Woman, her seat of Authority on the Aquarius -Leo axis (Rev 17 and Rev 13). They have encountered their dwellers and have been swept from the wilderness by the flood of their returning karma, rejecting the 1 on 1 relationship with Morya they faced the personal and planetary dweller, alone instead of all-one with Morya in their forged diamond heart, one heart, the Twin of Gemini. The sons of God, having forged the diamond heart, journey on their Odyssey (facing Orthodox challenges) of their soul’s journey home to the Kingdom, Rev 20:4 in Maitreya’s Mystery School (Chart), ready for the Bridegroom, in 2024.

1959-2024 the Odessey of the soul, on the Mountain of her karma. Daily at the well she washes 7 times the garments of her four lower bodies. On her journey the bridegroom came in the night as the masters on the highest mountain’s upper basecamp left in the darkness of the night unaware by those who slept, leaving them behind, in 2018. Some kept the vigil and the hearth fires burning, the lights on, while others with no oil in their lamps slept the sleep of Materialism, idolatry, and sensuality. Being blind and ignorant of the one-on-one bond. They do not see nor do they understand (Capricorn) the law the law-giver, nor the word incarnate in the Guru. One day on the mountain they were alone, believing that now it was their turn to bring the world into the coming age, the only way they know, *their way*, the way of the Dark Cycle, the Dark Night. So, they slide, 1958, 1990, 2025. 2024 The dragon the olde Serpent called the devil and Satan (Rev 20:2). Orbiting the sun on its cycle of 70-150 earth years is cast down into the earth, the Mother of Dragons called the devil, Comet P12, that wandering star. This occurred during the Solar Eclipse, a peak solar cycle, at 19 Aries 24 minutes in the 9th house of our journey Home to the Kingdom, on April 8th, 2024. This initiated a series of three planetary alignments of seven planets in 2024-25. This eclipse was the eclipsing of the soul of Woman at the well of Bethany, the casting out of the Seven devils (Uranus Pluto Squares, Summer Solstice 2012-Spring Equinox 2015) of Love's Victors of the soul's Journey 1991-2024, as the soul bonded to the heart of Lanello came to Maitreya's heart in the diamond heart of Morya and Padma Sambhava. In 2024 the soul entered the 13th station of the cross in Maitreya's Mystery School having met the requirements of the Angel standing with one foot on Land and the other on the sea (chapter 20 of Sanat Kumara's Opening of the Seven Seals). The soul has come fully committed to Maitreya to take up the cross and run in the race to prepare for the laying of the foundation, the corner stones of the Golden age by giving birth to the age as Shakti of the Trinity and as Mother of God. Their one-on-one relationship with Morya, *walking* with the Master has made her ready to *run* with Maitreya to prepare the **foundation** of the path of Boddhisattva hood, to prepare to come to Gautama to forge her God Self **Realization as Boddhisattva**, ready for Sanat Kumara under the Hierarchy of the Ruby Ray to go to the Nations to cast out the serpents as did Saints Patrick and Paul and to lead the people into the Golden Age of Aquarian brotherly love. So that the world will come to know and love, respect and honor the Mother of God, God as Mother.

This alignment formed by the eclipse of the Sun on Mother's Birthday **2024** was the Sun Dragon Chiron Moon Earth Jupiter Uranus, the great awakening. This has come as Chiron and the Dragon, the traumatizing of our souls in every embodiment's first seven years (Spirit Matter Meditation, August 1979, Guru Ma to the Sons of God) is eclipsed. The soul of Woman is washed clean. The coming Blows that will shock the world and all life streams will awaken the acceleration of the Individualization of the God Flame within, rallying them to the Banner of

Light, the Divine Union, calling all the seed of Sanat Kumara home to America. Sign and symbol of the 2024 eclipse is the ancient Hebrew letter A. It is the sign and the symbol of the coming of *The Ark of Salvation*, Rev 11:19, the shelter in the heartland of America, as Brittany is in France to Europe and the shelter east of the Urals is in Siberia. This signaled the completion of the mission of the Summit Lighthouse and its transcendence to higher octaves; calling us Home to the Kingdom Rev 20:4 and to come up here Rev 11:13. Look at the Diagram of Service.

2025 signified the Turning of Worlds, the fork in the road when souls were called to face their dwellers and the backlash of the Dragon's tail and, having committed to Lord Maitreya, they were taken down from the cross and prepared to be laid in the tomb to preach to the dead. In 2025 souls choose to come out of her, the Harlot, the antichurch and its orthodoxy and enter into the heart of the Guru. The soul faced the precipice as the Summit Lighthouse moved on up the mountain of God to higher octaves, leaving the soul the choice to leap into the arms of their Father Mother God (1/1 1992 Lanello) as 1992 dispensations entered the 9 o'clock line (Libra) on Jan 1st 2025. The soul was called to choose to be or not to be God Real. The soul was called to Come home to the Kingdom (Rev 20:4); to Come up here in the heart of the Guru, (bonded to her heart, 8/7 1985, Goddess 'Liberty), Revelation 11:11-13 and receive her reward, Rev 11:15.

Here in **2025** souls choose to be eclipsed of their I AM Presence and follow the dominant minority, the laggards, the seed of Mordred over the Abyss as the Buffalo did in Three Forks Montana. They chose the Devil's Slide at East Gate as a sign and symbolic of the path of initiation or they chose the leap of faith and crossed the line drawn by Jesus at Christmas 1995, now in Cancer, the 6 o'clock line on the North Gate, now the arms of Maitreya on the North Gate come home to the Kingdom to take up serpent's seed and cast out the Suitors, the Black Magicians who have usurped their role and responsibility since 1989 to lead the Sons of God into the Kingdom age, instead they have unjustly seized Our Father's land (fields) and are entrenched in *their way*, declaring it as the only way forward. Well, we heard at Easter 1996 now on the 6 o'clock line in 2026 with Maitreya on the North Gate by Elohim Arcturus and Victoria, John the Beloved, Jesus, John the

Baptist and Saint Germain that 2026 is the dividing of the ways. All must choose to come home or to receive her karma. This karma is coming due in 2026 at summer solstice and the coming of Helios cycle of the year. The judgment of the power elite (7/4/1991 enters its 36th year) as the Tribulation begins with the coming of the Baptism of Fire, Equally Fiery conjunction of the 4 Horsemen as Uranus re-enters Gemini. The blind leaders of the blind followers.

2026 began with the drawing of the line by Jesus affirming that they (as defined by God) shall not pass into the Kingdom from the Church Age who have sinned against the Holy Spirit in Man. The Holy Spirit in Man is The Mother, The Woman Clothed with the Sun, and her Man-Child. The Mother is Wisdom, Sophia, she has many names, but all share one thing in common, she is the divine origin, the original reality of Woman and Man, the soul of God's people, they who Sanat Kumara describes as coming from above, distinct from those hiding in our midst, our families and our Community who have come from Below. Mother teaches her chelas and lightbearers worldwide in Mother as God and in her book, Mary Magdeliene and the Divine Feminine (see Gospel of Mary Magdeliene) that Jesus taught the Revolution of Woman and that the Revolution in Higher Consciousness is the awakening (Uranus Causal Body) of the Divine Feminine in mankind, but first in Woman, who must lead while man defends her. His first test as Christ is to defend the Guru, as Elder against all described in great detail by Sanat Kumara in, "*The Opening of the Seven Seals*".

Review the dictations from Easter 2026, they set the stage for what is coming at Wesak, Pentecost, the passing of the Torch in Maitreya's Mystery School on May 31st, and on Summer Solstice, quickly followed by 6/29, 7/1, and July 4th, the 250th anniversary of *the conception* of America, *the American People*, Goddess of Liberty tells is *an ancient people*, who have awoke and now are ready to take up the Serpents Tail (SK, Helios 7/4/91). The Judgment of the power elite, who have seized power in the church(s) and the nation(s) has come full circle in 2026 to the 36 year, Sagittarius.

Chart of Dispensations

Start with the Diagram of Service on the Cosmic Clock beginning in 1958, continue charting every succeeding year to create a *Chart the Dispensations* of each year, 1958 - 2026. They are all on the hour hand for the year of the four seasonal elements, in 12 *solar houses* (as described by Lord Maitreya). They define for the soul her initiations and astrological delineation of her tests as she confronts her darkness due to be cast into the flame and her testers, those familiars who have accommodated the initiations and accumulated the returning karma of the dark cycle using their dwellers as weapons to get what they wanted, as did Dr. Jekyll.

Chart the years. Mighty Victory and Mother teach us how.

1958 Chart of the years. In 2026 we are in Virgo on the 8 o'clock line. Always know where you are *today*. You are *today* what you thought yesterdays, *the past*, the sum. What you think and do today you will become tomorrow *the future*. Therefore, today is the dividing of the ways that mankind, KOFs have chosen to go. Those being initiated by Maitreya and those by the seventh ray priesthood of Melchizedek.

Mighty Victory charts Christ mastery. This chart marks the Christic initiations, of sevens, followed by the Saturn return to Maitreya and our public demonstration and mission leading to our Buddhic initiations under Gautama who prepares us for Sanat Kumara as was Saint Patrick and Paul and Ezekiel. Mother teaches us this in "*Predict Your Future*" to chart your cycles on the Cosmic Clock of your initiatic path to your destiny. This is the path of the Gnostics, of becoming God in the alchemical marriage as in direct contrast to the accommodators of the Guru and the teachings and their orthodox path of materialism, a material

kingdom here on this (olde) earth, a kingdom of carnality, sensuality and idolatry of the pride of the ego's carnal mind and dweller on-the-threshold of consciousness.

Once you understand and practice the basics of walking the path with the master you develop a personal relationship with the Master as you struggle with your returning karma daily, dialoging with the Master to overcome - 1958-2026, 68 years.

Now, place all 68 years on the Cosmic clock to balance all your initiations and to deal with the backlash from all indulging themselves or procrastinating (Mother Kali) or fearing to put on God (Omega, Mother Durga), or John The Baptist 1996 Easter (2026).

What we see is the ascending staircase and the descending spiral of the assimilators and the accommodators. We also see each year's initiations in 2026 and how they are changing. These changes challenge us to change **daily**. Daily as each day of the year we move in each of our initiations (dispensations) to the next line of the clock. As you work with these cycles consciously you develop your math mind (one of seven minds) and it becomes second nature. Start today, you have eternity, daily to master the astronomical and astrological math of creation, your original blueprint of your soul's origin in God, your original reality in God that becomes your destiny in God. It is a relentless wave (1959) taken at its crest will, Confucius teaches us carry you in your Arc across the sky as it did John The Baptist (Easter 1996/2026).

Make this chart yearly, but use it daily. Lord Maitreya teaches us that once you start you cannot stop the use of your astrology. You will learn soon enough that astrology and the cosmic clock of your destiny is not what you believe it to be. It is the science of creation, the science of Infinity. It is the science of Alchemy. How so, it is the path across the sky to your destiny in Scorpio, your transformation from Scorpions of Earth whose king is Abaddon to your independence as Flying Eagles journeying to the Sun, Transfiguring the soul into the Phoenix, the Fire Bird of the Satya Yuga, the Golden Age of Aquarius Love,

Universal Love of your brother, your neighbor as God loves You. You are become the highest Love of Guru for her chelas and the returning fire of the Chelas love for the Guru, having become Shakti, and Mother of God.

This chart of Dispensations and Initiations tells our history, the history of our journey together, *lest you forget*. It is our collective memory of who we are and what we have done. It holds *the records* in Akasha and describes the accumulation, good and bad, positive and negative of the dividing of the way between those who have chosen the path of one-on-one with the Guru and those whose enmity with the Guru becomes enmity with their Brothers, 1/3 of men and the laggards who are the Mordreds seed and Vivians who are the black magicians that we took as spouse rejecting Christ, Twin Flame and Maitreya in the Garden of Eden and the following covenants, *to the present day*. This tie must be broken.

It shows the dividing of the way as we are come to 2026. Fastly approaching May 31st, 2026 and the 1st Resurrection, in the Kingdom, having arrived home to discover as did Odysseus ... with eyes wide open. All others face Jesus' fiat at Christmas 2026 (1995), "I draw the line, you shall not pass". You must first complete the initiations, so you must wait for the next opportunity, the second resurrection. Those who are called to the kingdom, we are told, "work while you have the light". Find the light in the test, Mother teaches us, still. Take the mystery out of the teachings, Morya teaches us. Keep your eye on the light at the end of the tunnel, Mother teaches her chelas. There are seven waves. In time every initiate becomes the seventh wave breaking upon the shore of the kingdom. Keep your eye (Sagittarius) on the goal, the Christ must integrate all his mastery of the four elements, the four planes, and the four states of consciousness by mastering the five secret rays by daily practice of the wisdoms of the Dhyani Buddhas to master the 10 perfections. Mastery becomes the joy of living...to set life free, the joy of liberating the soul of mankind to choose to be free. This is the path of Woman, the Mother of God, the feminine principal in Man.

This chart of Dispensations of the years shows the initiate their initiations and tests on each line of the clock and the landmark initiations of the 36th year,

the 33rd year, the 30th year and their Saturn Return to Maitreya in the 29th and 28th years of inner initiation to prepare the soul for her destiny in the 30th through the 36th years. It shows the years (7) of her training and initiation of Christ mastery of the four planes of consciousness, physical, emotional, mental, and memory.

Now you can chart as taught by Lord Maitreya the circle of 12 and the cycle of 14 for each or any dispensation that resonates with your soul's evolutionary state, as the years of your life go by. This is now become the initiates science of navigation of time and space of your challenges as the bride of Christ who makes herself ready for the coming of the Bridegroom who then assists his bride to ready her for the Marriage Supper of the Lamb, in 2026.

The Odyssey Of The Soul Of The Chela.

Mother knew the trials and tribulations that her chelas would face under the Hierarchy of the Ruby Ray as they took the seven Ruby Ray initiations. Sanat Kumara left us his teachings in 1979, *The Opening of the Seven Seals* to ready our souls for Gautama Buddha's 10-year plan, the 1980s to turn the world around. Mother left her chelas the engrafted word as a key to discern our way home in *her book to her chelas, The Odyssey of The Soul*. It is left to the soul of the chela to decode her message to each of her chelas. The Mother and Son may liberate the soul by the wisdom of the heart of the Mother, but it is up to the soul of the individual chela to assimilate the word and win her own freedom, by free will choice, daily.

Mother wrote the Odyssey of our soul's journey home to the kingdom. The journey covers the challenges we would face beginning in 1990 as the dark cycle became 100% physical. Mother knew that we would have to face 100% of our karma of the last 25,800 years, 12 Ages that the Four Horsemen would deliver to each one of us and to us collectively as physical action-reaction. She knew that the darkness returning would play out as some assimilated the teachings and would free their soul by disciplined love for the Guru, bonded to her and Lanello's hearts. She also knew that many would fail their tests of service and their

initiations as they accumulated the returning karma to attain their selfish goals as they played out the returning karma. Mother and the Maha Chohan knew that these latter ones would become the testers of the true Christs and Prophets on the path of initiation that would clear the way for their return to the kingdom predestined to occur following the transcendence of the octaves of the Summit Lighthouse in 2024. The journey home of Odysseus, began for Mother's chelas in 1991 with the re-union of Twin Flames called to a one-on-one relationship with Morya El, the physical manifestation of the Guru chela relationship of the chela on the path home. This journey began in 1991 and ended in 2024.

It was in 2024 in the Vesta cycle of the year that we completed the 12th station of the cross of the Woman and her seed. We died on the cross, signifying that the crucifixion of the Chelas of Mother was over and the initiation of the kingdom was beginning. We were called on May 31st, 2024 to commit to Lord Maitreya after 42 years (14 x 3 cycles, 1982-2024) of the path of initiation under the hierarchy of the Ruby Ray. Those who came to 2024 with a firm commitment to Lord Maitreya were taken down from the cross and their bodies prepared to be laid in the tomb. They were taught between May 31st 2024-May 31st 2025 to deliver Maitreya's Gospel of Sacrifice to preach in the tomb to those still on the mountain of their karma, as yet, not able or willing to commit to Lord Maitreya, to build the **future** as taught us by Mother and her Guru, Morya. They still remained struggling with their karma of the **past**. Their past desires, yet unfulfilled.

Those chelas and KOFs who in 2024 hung on the cross to the right of the Mother seeing and acknowledging the future, their destiny, knowing full well their original reality in God arrived home to the Kingdom fully awake to their salvation. What did they find on their arrival Home? Suitors, unjust stewards who were in the process of Taking the kingdom by storm. They were the usurpers of the True Christ and Prophets, the friends of God on the East Gate. These initiates being the first to arrive at the kingdom, forerunners to the many who are soon to arrive home were given the task to take up Serpents and cast out the Black Magicians. They were the initiates who bore witness to John The Baptist's arc in the sky.

Revelations.

John The Beloved, Easter 1996/2026 told us 30 years ago to study (*Cancer 3rd decant and the 4th house 3rd decant*) the deep things of God knowing that though written in cryptic form till the soul was ready for her Lord, the day of each soul's awakening was at hand. He gave each of us then (*1996, the year of the turning point for each one, Archangel Zadkiel and Holy Amethyst*) to study the Messenger's chart of the Book of Revelations (*2000 Year Ride of the Four Horsemen*) and he told us "how the unfoldment of this teaching comes forth through the teaching of the Cosmic Clock (*of Dispensations*)". He tells us that "you will discover many things by this study of the Book of Revelations". Not the least, that it will reveal to the soul, the Odyssey of her soul's return to the kingdom having parted the Jordan, the Red Sea, the way of light and darkness. John the Baptist (1996) teaches us that having challenged the evil in the earth, we can choose to ascend to God the victor.

John teaches us that, "by and by you will see and understand (gnosis) that (which) Jesus gave to me, John the Beloved, in cryptic form, the signs of the times that apply to every age, not alone to this one or the age of Pisces. Realize, he says, that no matter what age, love is the fulfilling of the whole law".

John tells us that the science of the Cosmic Clock will reveal to each soul in her time (her century), that when Jesus (1996) says you have woven your seamless solar garment, the bridegroom will receive you. The key Jesus says is to "*turn about and save yourselves and enter the presence of your Lord, Holy Christ Self*".

2024-2025-2026 is that opportunity to turn about and save yourselves, 18:4. These are pivotal years and the key Lord Maitreya teaches us is "commitment" to the path of initiation.

Revelations though cryptic applies to our age of transition, the end of the Kali Yuga, the transition into the age of Aquarius, the Satya Yuga. It reveals to us as does Sanat Kumara and Mother Mary and Saint Germain that it is to the Saints

to mitigate what is coming upon the earth, as our brothers, keepers...of the *flame* of life.

We entered in 2025, the transition between the ages. Jesus told us at Christmas 2025 (1995) that “they shall not pass...the line he drew” (2025) marking the return to the kingdom and the labor that lies ahead. We have now entered the period of what Jesus calls, “purification”. To understand the characteristics, the science of the changes coming upon us, study the cosmic clock of these revelations, they reveal the deeper meaning of the “turning of worlds”, as the kingdoms of this world pass away with their orthodox beliefs and understanding. The extent of which the human mind and intellect refuse to grasp, the judgment of God’s *wrath*.

Astronomy, astrophysics and as yet mostly unknown astro chemistry Maitreya teaches are the foundation of the sacred geometry of creation, the mater of the material universe. The foundation is the word. The word faster than light is motion and its movements are through space. The word is measured by its motion through the octaves of matter’s spheres as and by the Cosmic Clock.

13

The understanding of the word is by soul’s evolution or her awakened state, her sensitivity to levels of vibration, frequency, and velocity of her consciousness. This is measured by her Holy Christ Self and by her Guru who represents her I Am Presence to her, her Sun sign. Her Holy Christ Self is represented to her by Mercury and together with the other luminaries aligned with the Cosmic Astrology (per Lord Maitreya) provide the soul the cosmic clock of God’s Word, his dispensations to carry her on the chariot as she arcs through the sky (heavens) to change the World’s Future, creating with the Hierarchy of the Great White Brotherhood, the highest dimension (5th) that free will, will allow, defining the expansion and contraction of time as Saint Germain defined for us.

As we look upon the ***Chart of Dispensations*** and the Diagram of Service, we understand that Rev 10:6 teaches us that the cosmic clock comes to a time when there can be, “*no further delay*”. Saint Germain told us this in the fall class, 1992, that entered it’s 33rd anniversary during the harvest class 2025 (replayed). This announced the Christ mission of all called to the office of Christ (24 Elders).

COSMIC CLOCK & THE TURNING OF WORLDS
SPRING 2026

Announcing a three-year period, *fall 2025-fall 2028*, when initiates of Maitreya's Mystery School are called to their Christ Mission, as John the Baptist, Easter 1996 (2026) taught us, "receive a portion of his mantle." The mantle earned by each one with Serapis Bey and our 42-year journey with Serapis that ended on 9/3 2025. The mantle we wore in 39,800~B.C. The mantle Sanat Kumara told us he would bestow upon those whom he no longer would look upon as their karma but bestow the mantle worn during the last Golden age in our new found service to the Guru, the Dharma of the Guru, as Morya teaches us, as the wife, shakti of the Guru and our Holy Christ Self.

Armageddon, Maitreya teaches us began in 1931 and Jesus tells us as seen by Pope Leo 13th, lasts 100 years. This period 1931-2031(Winter Solstice) concludes in 2032, the end of war as taught us by Guru Ma (Saturn Uranus cycle) and by Mother Mary and Jesus as the Three Days of Darkness, winter 2032.

What we understand is that Rev 18:4, "come out of her (the Harlot, the Scarlet Woman, the false hierarchy of the Ruby Ray of the anti-church and its anti-apostles and false pastors), or receive her karma", reveals to the soul the karma coming upon all "still" on the mountain of their karma. The doom of the worshippers of the beast...out of the pit (Rev 11:7) and of Rev 13.

14

Sanat Kumara and Jesus and Mother Mary and Saint Germain describe this judgment coming upon the olde earth. Revelations 15 describes the Seven Bowl Judgments and the Glorious Heavenly Scene, then goes on to describe each bowl.

This is important, why, so that those who have made herself ready can receive her Lord, at the well, and let God cast out of her, the seven-headed Naga, the olde Serpent of Rev 20:2. What follows is Rev 19, the Marriage of the Lamb and those called (Rev 19:9) to the marriage supper of the Lamb. See the Diagram of Service.

Understand the meaning of the seven plagues coming upon this olde earth. Rev 14:9-10, "*if any man worship the beast (dweller) and his image, and receive his mark in his forehead or hand, these same shall drink of the wine of the wrath of God, which is poured out...and he shall be tormented with the fire and*

brimstone in the presence of the holy angels, and in the presence of the Lamb”.

“Here is the patience of the saints; here are they that keep the commandments of God, and the faith of Jesus”.

- (1) First Bowl of wrath poured out **upon the earth**. There fell *a foul and painful sore* upon the men who had the mark of the beast, and upon them who worshiped his image. See Rev 9. The bottomless pit is opened and arose a smoke and out of the smoke came locusts upon the earth as scorpions to hurt men who have not the seal of God in their foreheads, five months and with them their king over them the angel of the bottomless pit whose name is Abaddon, the same as is the accuser of the brethren and the clock of betrayers on the North Gate, Abaddon.
- (2) ...poured out **upon the sea**. ...becoming like the blood of a dead man; every living soul died in the sea. See Rev 18. Commerce on the seas cease.
- (3) ...poured out **upon the rivers and the fountains of waters** and they became blood...because they have shed the blood of the saints and prophets, and thou have given them blood to drink.
- (4) ...poured out **upon the Sun**...to scorch men with fire...and they repented not to give him glory.
- (5) ...poured out **upon the throne of the beast**, and his kingdom was full of darkness; and they gnawed their tongues for pain, and blasphemed God and repented not of their deeds.
- (6) ...poured out **upon the river Euphrates**, its water dried up, that the way of the kings of the east might be prepared.
- (7) ...poured out into the air, a great voice out of the temple of heaven from the throne saying, It is done. Thunder and lightnings and a great earthquake and the great city was divided into three parts and the cities of the nations fell...and every island fled...and the mountains were not found. And a great hail fell upon men who blasphemed God.

Astrology, The Clock of Destiny. The End From The Beginning.

Astrology can help guide the initiate on the path as a means of soul receptivity to hierarchy's inspiration to the soul, Aquarius 2nd decant through the 2nd decant of the 11th house. This guidance then applies to all signs and houses as you meet your challenges. Astrology is spherical not, definitely not, linear.

The Sun left Aries Earth quadrant, the physical plane and entered Taurus' Fire element in the etheric plane. What we are doing now is to look at individual planetary configurations to get an understanding of what is playing out upon the stage of life around us. The planets and stellar bodies within the solar system and galaxy represent the players acting out upon the stage of the soul's environment. She is not alone nor is she isolated upon or within this planet.

The four quadrants of earth contain four planes of conscious being, four worlds within the matter universe. Fire represents to the soul the fiery world beyond her five senses. It represents a scale beyond earth's current science. It represents the super physical consciousness and the super (God) consciousness, the God Star Sirius and the cosmic hierarchy of light, the God Government of this section of Galaxies. It also represents the false hierarchy of the Ruby Ray, the Galactic Empire, (Federation) and the galactic systems that make up the empire of the Seven Sisters. One such system, our own they call Sol is ruled by the 12th planet, called Transpluto. There are at least, as of last count, 118 of these evil systems so named by Alpha, see Alpha's Agenda and his Judgment, insert booklet 2026.

We have dealt with this galactic conspiracy on Earth for millions of years. Most recently in 1990 during the shelter period when we faced the first of the recent invasions of earth by the 12th planet, ***the first Armada***. Then again in 2025, we faced ***the second Armada*** from the Seven Sisters answering the call of the 12th planet for reinforcements that went out to the Pleiades in 1990. We also faced the evil Empire in 2012 with the fulfillment of the Mayan Prophecy of the return of the Serpent to Earth, to Maitreya's Mystery School come again in America in 1984, May 31st. This prophesied return of the Serpent was as far as the Mayans, their descendants (*see Morya August 7th, 1987, The Harmonic Convergence*) are

concerned the means to escape the planet and the coming Judgment of God's wrath. The heavens signaled this date, May 20th, 2012 in the 1st decant of the 7th house during the solar eclipse at O Gemini 21' by the following seven Pluto square Uranus, the false Christs, Antichrists between June 2012 and Spring Equinox 2015. These seven squares in Capricorn and Aries represented the serpent's return to the Garden of Eden to test the initiates, the chelas of the Mother, as Pluto was at 9 Capricorn conjunct Mother's Mars, her chelas and their service to the Guru in TSL at the RTR and the CU&T, even CUT.Inc (1997).

We constantly, daily deal with the psychic energy of the inter-planetary energies of the evolutions of this solar systems planets and planetoids, even the records and memories and occupation of the asteroids. We know these as their psychotronics, but they are psychic energy and they rule the Air quadrant, the mental plane of thought and rule thinking processes, including education and communications within the solar system, not just on Earth. Pluto is a planet ruling nuclear power and war and the reincarnated Atlanteans and their secret government. Pluto rules computers and information management, C4IR3 a term used in the military and intelligence communities for command and control of information and surveillance as Mother taught in August 1979 presentation, The Spirit Matter Meditation, those who heard it will never forget it.

17

Transpluto is the 12th planet currently ruled as far as we know by Zeus who represents the forces within our solar system as Gog. The 12th and 13th planets are represented by the Nephilim Hierarchy, the symbol of Jupiter and Gemini combined. It also is named Abaddon, the king of the Legions out of the Pit (Rev 9) called Hades who are come to torment the Forces of Gog who are not sealed in their foreheads but have taken the mark of the beast and worship the beast, Rev 16. These are the forces of Magog who are going to war against their members Gog in their coming power struggle for who will rule Sol' System. The daughters of the Nephilim, Lilith are trained black magicians and witches, trained to subdue and intermarry with the Sons of God in the Mystery schools, to strip them from the Guru (February 1985, Mother) and to sweep the chelas from the mystery school, Rev 12, the remnant of the Woman's seed. They have come repeatedly to strip the chelas from the Guru today and for the last 8 covenants with Sanat

Kumara, see *Opening of the Seven Seals*). They are the wives of the Watchers, who trained them.

The Watchers are symbolized as Jupiter, the power elite in relationship with Venus, the chelas (see the symbol of Psyche). The Watchers currently are in Capricorn conjunct Mother's Mars (3x in 2026), at 11 Capricorn today, the playing out of the prophecies of Revelations on the Cosmic Clock as taught us by John the Beloved at Easter 2016/1996. Their judgment is descending at summer solstice as an *avalanche* as Mother taught us. Make sure you are ready to survive the coming blows and their shocks as Lord Maitreya has taught us.

The Laggards from Maldek currently at 15 Pisces is conjunct North Node and Mercury. Saint Germain told us at Easter 2026/1996 that many of them have contributed great wisdom and long experience on other planets and systems and have come to earth to lead us into the golden age. Mother in June 1995 asked us to cut them free from their dwellers and planetary dweller so they can be free to continue serving and to change the balance of power between light and darkness. Others, Saint Germain tells us have come as enemies of the people to take and not to give.

Chiron represents the 1st seven years of every incarnation and therefore, our inner children and their psychology. It represents the soul's vulnerability to the Moon's influence on our Mars. It is the thing of genetics and our engineering of our four lower bodies and our chakras, especially the wedges between them. It is the subject of Christ healing of the soul of Woman. Since the coming of the Greeks and their Martian Olympians, from the Mount Olympus pantheon who overthrew Cronus.

Lastly, the Legions out of Hades, the bottomless pit Rev 9 they came again beginning Saint Germain told us beginning on Dec 31st, 1991, with the reunion of Twin Flames as children of the black magician who took and split Twin Flames. A difficult initiation Twin Flames faced.

COSMIC CLOCK & THE TURNING OF WORLDS
SPRING 2026

Astrology reveals how the book of Revelations plays out in our midst according to the Cosmic Clock of the Teaching's Dispensations, in our lives. Review John The Beloved, from Easter 2026/1996.

The Jupiter Hades conjunction taken in the context of the previous paragraph tells us that Rev 17:17 is coming into effect. Meaning the children and youth born since 1991 will now perform their calling according to God's will (17:17) under Abaddon (King of the Magog) to war against the forces of Gog, antichrist. The Battle of Armageddon, the Judgment of evil in the matter universe (winter class 1993-94) is now in 2026 coming from the Galactic battlefield into the Sol System and to our Earth system (Sun Earth Moon, inner planetary system) that will have significant effects upon the nations and specifically the changes coming as the Chelas of the Mother (COM) return home in 2026 to the Kingdoms-Three. The balance of power is shifting within Sol and on Earth in 2026 and beyond.

The other major meaning of this conjunction of Jupiter and Hades is that the next generation will be prone to abandon the Guru because of their blindness to Absolute evil and good. Everything is relative to them. It is the way of their orthodox upbringing of compromise to get along. This is a plutonian deception that is about to blow up in our faces. As this is the Magog generation and they are about to follow Abaddon their king to war against the forces of Gog.

John the Baptist told us at Easter 2026/1996 that the fallen angels came to him in the desert to be baptized but were rejected. Jesus announced that they shall not pass, so what can we expect? Certainly not that we can ignore Jesus Judgment and receive them. What we will see is the confrontation of light and darkness play out in events as the wrath of God descends on the compromisers and the abusers of the word and the brethren. What we will find is that the days of indulgence, and compromise is going to end badly. The days of procrastination that Mother Kali spoke of in August 1987 is now going to end badly. Revelations, John the Beloved tells us that we must now come out of her the antichurch, the Harlot, the scarlet woman who is now doomed, or we will receive her karma. We were warned early on in Revelations in the first 3 chapters, in Rev 3:20, that the messages of the ascended Lord to the seven churches or congregations, the seven

states of consciousness of the Church Universal and the Church Universal & Triumphant what ***that the place and attitude of Christ would be at the end of the Church Age***. The separating of the wheat and the Tares.

El Morya announced in 1972 the beginning of 3 cycles of 14 years of the initiation of the Mother and her chelas, the Woman and her seed when our journey within our communities, local congregations of lightbearers worldwide would end at the conclusion of 42 years. This occurred on June 27th, 2014 when Revelations on the Cosmic Clock (John the Beloved) struck Rev 20:4 on Feb 21st, 2014 when all would come as the harvest of the wheat and of the Tares. The latter would have to wait (Rev20:5) a 1000 years for the 2nd resurrection to be redeemed.

The cycles of the church, the body of God in the earth, no matter the name, as measured by the Cosmic Clock is, was, and always will be the evolution of Woman and the redemption of mankind in the cycle shift of the Yugas. The clock of the judgment of evil (absolute, ***masquerading*** as relative good and evil, a 1st house ***mask*** of the wolves in sheep's clothing began on 1/1/1984 during the class of the Solar Ring. Nothing is, was or will ever change that. In fact, Rev 17:14 states clearly that that is precisely when the Lamb and his called and his chosen and his faithful will defeat the forces of evil doers (Alpha's Agenda) in the Earth, Solar System, and in the Galaxies.

The take away today is that springtime 2026 is a sign and a signal of great hope and opportunity. The hand of God is now prevalent in all that is and will take place from this time, forward. Study and re-study the Message of The New Years Class beginning Christmas Day 1995/2025 and the Masters from Spring Equinox (Easter Class) 2026/1996. They hold the key to your individual destinies, unfolding.
