## THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION

### THE NEXT TEN YEARS 2025-2035

(What follows is intended for those who would understand and apply the science of cosmic cycles applied from the teachings of the Ascended Masters of the Great White Brotherhood (of Light) as given through their Messengers, Mark and Elizabeth Clare Prophet and applied using the science of the cosmic clock and cosmic astrology. I have followed as faithfully as I can the direct application and translation of the cycles as given, understanding it is karma making to interpret. I have taken the Master's dictations to the altar and sat under my Christ Self and the Masters who tutor my soul and have applied these cycles in my own world for the purpose for which they are given, to save my soul. What follows is the product of the cycles as given by the Masters and as applied and understood in the meditation of my heart with the hearts of Mother, my Guru, Saint Germain, Kuthumi, and Lord Maitreya. I have followed and applied this science for years. I have been compelled to share these with you. I have applied the science of light and the cosmic clock with my understanding of esoteric and mundane astrology to translate the hand writing on the wall of returning karma and to walk the Path of Initiation home. The light flushes out the darkness. The methodology of this applied science is not given here, but the inquiring mind may understand. The methodology will be given separately at a later date as new age astrology of the initiate for the soul's odyssey of the return home. It is my intention and purpose that you sit under your own vine and fig tree and use the material here and study the Masters teachings referenced here to enter into a dialogue with your God Presence and be God taught so as to acquire God's gifts of the Holy Spirit of Knowledge and Understanding, Discernment, and Interpretation of Tongues. Your Christ Self is your teacher. What truth lies here is only of value to you if it sets your heart to vibrate as two tuning forks that come into contact. The Truth will set you free. Your Christ Self is Truth. Seek and you will find.

What follows is for your intercession on behalf of mankind for the saving of souls and your ascension in the light.)

Time is accelerating, I liken it to an experience I had as a child driving in my father's car, head out the window, the environment speeding by you without much chance to register what you are seeing. You are trying to take in the rapidly changing environment while struggling to breathe, to catch a breath. Centering, you gulp air exhilarated by the experience. This is what *accelerating time* is like to the ones who are centered in their hearts in 2026.

The world has been changing at a rapid pace and is *now* accelerating. The next ten years for some will be exhilarating, but for many panic will set in. It is all a matter of the heart. Many have come to 2026 ready for what is coming, prepared to meet the coming challenges. Many more are unprepared; they are alarmed and getting increasingly more so. The former, have taken the opportunity of these unprecedented times to forge the diamond of the heart of the Guru chela relationship given to *all* in America, both in the church and the Nation. They have met the challenge of the opportunity given, of the initiation of their hearts. While others have taken the opportunity to gain in wealth and positions of power in their communities.

The stars in the heavens gave the opportunity of the third century of America, the New Israel 1989-2089, to those living, to open and expand the flame within their hearts. This is the story of *we the people, Patriots and Pioneers*. This story began a very long-time ago, we take it up here, beginning in 1958, a pivotal year of *the turning of worlds*. There have been two other pivotal, *turning of worlds* since then, 1990 and 2025. Here is our story, where we came to stand in Capricorn 2026 and the choices we face, that will set each one's sails for the next 10 years and for centuries to come.

We are given to face the coming changes and the future by our free will choices. We were given the sign over America, the North American continent in the 2024 solar eclipse (with those of 2017, 2023). The message of the stars to a people worldwide was, "it is time to come home, to the divine union as the banner of light". This sign over America is a Banner of Light calling the seed of Sanat Kumara home to the kingdom of the Golden Age. *The Odyssey of our Soul* took a pivotal turning point in 2024, as the Summit Lighthouse transcended the octaves, signaling to all that the first part of our journey has ended. In Maitreya's mystery school, the path of initiation entered the 13<sup>th</sup> station of the cross (on the 12 o'clock line in 2024) where the souls of the initiates were taken down from the cross. This signaled the end of the crucifixion within the 10<sup>th</sup> house by (anti) church and state. In 2025 we were laid in the tomb where we still

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025–2035

are today. We emerge from the tomb within the mystery school, on May 31<sup>st</sup>, 2026 to follow TSL in the *Transcendence of the octaves* in the **1<sup>st</sup> Resurrection** (*Revelation 20:4*) and the higher path of higher consciousness and the work of the Guru, foretold by Sanat Kumara, in *The Opening of the Seventh Seal*.

We have come on the path to *the Y in the road* where all who have made themselves ready are coming home to the Kingdom, Revelations 20:4. This is *the dividing of the ways* foretold by Mother Kali in 1987, that the coming of the star of the Divine Mother would be for the harvest of the tares, study and understand her words used to describe their harvesting of these tares, their separating out from the wheat. At Christmas 1995, Lord Jesus following Lanello's address on Christmas Eve, called the faithful home to the kingdom, stating that the tares *Shall Not Pass*, the line drawn! No matter what they do or how they will try they cannot cross the line (*see Alpha's Agenda C5*). Sons and Daughters of the Republic, watch and learn. Having experienced this law in action for the last 30 years, beginning in 2026 Jesus told us to Come out of Her, the antichurch while you have the light or remaining behind, receive her karma, Revelations 18:4. Review Jesus dictation with Lanello's from 1995, replayed at Christmas 2025, to celebrate its 30<sup>th</sup> anniversary which Mighty Victory teaches us is the first of three years for *the public demonstration of our Christ Mastery*, of our disciplined will over the four planes of matter, the four elements, the four planes of our consciousness. We are called to demonstrate our will to change, to leave behind out worn garments (Mars) and structures (Saturn) and the outworn ideas, idealisms and orthodox thinking of Uranus' hidden, even secret cliques of individuals united to take heaven by control in church and state by their associations and societies, called the dominant minority by historian Arnold Toynbee and cliques by the Ascended Masters. We are called to leave behind in 2026 the outworn beliefs that are a mask hiding the consciousness of the dweller in the subconscious of *everyone*. These beliefs are the consciousness that Jesus and the other Masters spoke of during the class of 1995, the 30<sup>th</sup> anniversary being the winter class of 2025. None of these outworn garments, Jesus told us for 30 years now, could cross the line, into the kingdom. We were told to work while we still had the opportunity of light. Now in 2026 the light is transcending the octaves and time still available to us is very, very short.

Initiates will study to show themselves approved while the laggards and fallen ones hiding in plain sight amongst us will continue to ignore, the teachings of Sanat Kumara and the path of our seven initiations under the hierarchy of the Ruby Ray. Insisting instead that we follow them in the position of their office within the organization (Capricorn 1<sup>st</sup> decant) and the authority vested in them by their standing in the community (10<sup>th</sup> house, 1<sup>st</sup> decant). What people in America and the world don't understand (Capricorn) is that we the people do not follow any man, we honor the God within man that he denies, but we follow God, and choose to walk in *his* footsteps. This has caused a vast divergence by January 2026 as prophesied by Guru Ma to her unascended chelas in a staff meeting in 1996, before the re-organization began on January first, 1997. This separating out, the dividing of the ways will cause those being left behind to continue in their way, "*Still*", becoming maddened monks, made insane by Satan and *Luna* and the coming encounter with their dwellers. See *Climb the Highest Mountain Series*, *Christ and Antichrist*. These two works *Christ and Antichrist* and the *Opening of the Seventh Seal* are a must to be assimilated, sweet in the mouth, bitter in the belly as taught us by the Angel in chapter 20, *Opening of the Seventh Seal*.

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025–2035

If you haven't assimilated the teachings, *how can you know* where we are in 2026 and what is about to befall us? *How can you know* what we have been told to do to meet these coming challenges. The dweller is coming in Aquarius (Pluto) deceiving the soul into giving him her seat of authority, your crown now earned and now coming available. How else can your dweller get the crown promised by the dragon to the beast (of our dwellers and those of the fallen angels) in Revelations 13? *Why, only from you.* We have been taught by Mother that by understanding the teachings - *of the law*, we can obey the law. Therefore, be on the right side of the law, that Sanat Kumara and Jesus drew in the sand, in 2026 and beyond.

With the birth of Christ on this land in 2026, as in 2AD, Saint Germain must take the Mother and her man-child to safety in Egypt, to the mystery school, in the heart of Maitreya, in the safety of the ARK, *the New Earth, the New Heaven and the New Paradise and its River* to wait out the coming changes upon the old earth, the anti-church and the anti-state Babylon the Great, *the Dragon over America*, that will cause them over the next 7 years to pass away, *even over the next three years.*

We were called at winter solstice 2025 (*Dec 21<sup>st</sup>- Jan 19<sup>th</sup>*) to journey across the four worlds in our four states of consciousness to come out of her the Harlot, the antichurch number 4 in in hierarchy of the Ruby Ray and number 4 in the false hierarchy of the Ruby Ray and come up here to be with Lanello in the Transcended Summit Lighthouse. Sanat Kumara teaches us that we must claim it, we must declare it, as did Jesus. We are called in Capricorn 2026 to cross the line (TOMB) and come into the Divine *Feminine* Union to take up the cross (1995) described by Jesus, Christmas 1995, the cross of his father Maitreya and work the works of the Guru. This is the future and only those who see this future will declare their destiny to give birth to it, while we still have the light of opportunity, revisit Lady Portia's dictation New Years Class 1995.

This is my vision, placed in my heart's consciousness by God. All that is to follow, remember this that *Mother has told us that this is NOT our karma.* Understand Alpha's Agenda and his judgment. They the fallen and the laggards cannot expiate this karma; they cannot dodge it or in any way escape what is now coming upon them. Sons and Daughters of the Republic watch and learn! The time of the Gentiles reign (John/Daniel) is over. The time of the Dragon over America is over. Now descending over the next seven years of *the Tribulation* are come the seven bowls of God's wrath upon them. We are told to come out of her Rev 18:4 or receive her karma. We are told in Revelations 20:4 that the Church Age is ended and we are called to Come up here Rev 11:13 and know the Safety of the Law, the ARK, the safety of the heart of Maitreya Rev 11:19 (Goddess of Liberty August, 1985). We are also told that we have come to the end of the Dark Night of the Soul and that the Dark Night of the Spirit *is now to begin, immediately, Saint Germain told us.* The latter is the Tribulation, the avalanche descending upon the Watchers, the fallen and the Laggards, the seed of Mordred and of Ishmael and Mother taught us *all who lag behind the evolution of their Root Race*, even 1/3 of men who Mother Mary pleads with us are being LOST without our intercession, our mitigation, our calls. We are called to flee to the mountains and to the shelters prepared in *the three Kingdoms.* Are you ready? Are you prepared to fulfill your destiny, now that the phase of our Journey has brought us HOME to the Kingdom? Do you know what is now expected of you, as taught by Sanat Kumara and Lord Maitreya and by Mother in her teachings on the Odyssey of our Souls Journey Home?

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

We are told that the Kali Yuga ended in 2025. We are told that we have now entered a period of 1200 years, (of the next 200 and 1000 years) of the transition into the Satya Yuga, the Golden Age of Aquarius. All that happens in 2026 and beyond is the transformation and transfiguration *into and by the Phoenix* understood by the Ancients East and West as the Scorpio symbology of the transformation of the Eagles in the Divine *Feminine Union*, into *the Phoenix*.

2026 is the first of three years for the public demonstration of the soul's Christ mastery of the four planes of matter by her integration with her Holy Christ Self, the Bridegroom. She is called to the Divine Union of the feminine principle within her as demonstration of her ability to defend the teacher, her Guru (Jupiter, 20 Cancer conjunct Guru Ma' Ascendant and TSL Venus 19 Cancer). See El Morya 2/3/1985.

The soul is called in Capricorn by the Sun's journey of 28 solar days to follow the Son of her presence in *the Golden Cycle of Capricorn* to ascend to the Sun of her Presence as the midpoint Sun to Venus Mars *in all four quadrants* to demonstrate her mastership in the 2<sup>nd</sup> house 3<sup>rd</sup> decant of her God control of her mind by her mastery of thinking from the higher mental plane on the higher octaves where Lanello, Maitreya and Jesus abide in the Summit Lighthouse. This is measured by the bond of the highest love of our soul for Guru Ma and Morya, and for Lord Maitreya felt by the soul in 2026 as a high vibration and sensation, a high perception of our soul's sensitivity in 2026 for Mother and Morya that words fail to describe.

The Sun Venus Mars conjunction is in polarity to the Guru (Jupiter) conjoined Mother's Ascendant and TSL Venus. All are being tested in winter 2026 to measure this bond of all who are called to cross the line drawn by Jesus at Christmas 1995 during the 30<sup>th</sup> anniversary celebration at Christmas 2025. All are measured in 2025 going into 2026 whether the soul of the chela truly loves the Guru, for only in this bond of highest love can the Guru bestow her mantle upon the Chela. This is a marriage between Guru and Chela as taught by Morya El. The test is to see what the chela is willing to renunciate (*lesson 33, KOF lessons*), to let go of, that stands between the Guru and the chela in 2026. The test is the soul's coming face to face with the Watchers and her dweller both personal and planetary. The test is to measure the soul's acceptance and declaration of the Mother light rising within her (*Ma Ray- Mary, every soul's middle name is Mary as the masculine principle in man is named - Michael*) and whether she can defend that light and the Guru before all challenges coming upon the Mother and the Guru in 2026. See Morya 2/3/1985.

The theme of 2026 is the soul of Mary having come to the well, daily for decades since 1995 *and earlier decades*, washing free of all that attacks the soul from within and without, attacking *her bond to the Guru and teacher, now is met* at the well by her Lord, her Bridegroom, her Holy Christ Self and Jesus her Twin. Now her Lord comes to cast out the *Seven Devils* (Pluto square Uranus 7x, 2012 – 2015). Her Lord is come to carry her across the threshold into her new home, the Kingdom, her shelter from the coming storm. Where, they must take up the Serpents (seven headed nagas out of the sea, Rev 13) and cast out the Black Magicians, as did Odysseus on his return. The soul must know the story of the teachings and teacher who taught us about our Journey with her and Morya and Maitreya (Gemini/Sagittarius, the word-incarnate, the throat chakra). The theme of 2026 is the soul and the *Divine Feminine Union* with her Lord

THE FINAL BATTLE

THE NEXT TEN YEARS 2025–2035

and Guru, as the *BANNER OF LIGHT* calling all home to the Kingdom, to America, to the shelter, and to the 1<sup>st</sup> Resurrection. These are the symbols and the signs of the Message of the stars announcing Rev 11:13, calling all home as did Lanello on Christmas Eve 1995. This is the 30<sup>th</sup> anniversary in 2026, following the Saturn return, over the past 24 months.

The message of the stars is that the soul is now required to defend her Lord from all adversaries attacking in 2026 and beyond. This is the prophecy of Rev 13. War is coming. Will she be prepared to defend her Lord and Home from these usurpers (suitors) and subverters of the woman and child (Odysseus home coming), the soul Rev 11:13....15. As the suitor's fear turns to anger because the true Christs, the legitimate sons who have worked the work of her Lord having assimilated the Guru and the teachings and are becoming the promise and are rewarded Rev 11:15 (at Winter Solstice 2025 and Christmas gift from Lady Venus).

Saint Germain teaches us in his Wedding and the War and his Harvest 1992 dispensation that there will be war (on American soil) it is a matter of what you and I can mitigate, 5% or 95%. Mother Mary in Medjugorje foretold the nuclear destruction of seven American (USA) cities which Saint Germain in his Book 2 on Prophecies chapter 2 states *are* the result of God's people (*in these cities*) rejecting their God. These Crisis' described by Mother Mary must be prepared for if we are to defend our homes, our communities, our homeland (s) and our church over the next 7 years.

The attack is coming upon the saints, Rev 13 (the New Israel). The Guru Morya who in addition to his offices also holds the office and mantle of the Commander in Chief of the US Armed Forces for the defense of the Homeland, the Kingdom of the Western Hemisphere. Morya El also stated on 2/3/1985 that he created the 24 Elders in 1985 so that they would aspire to the office of Christ *so that when this next attack would come...* upon the Guru, they would be ready to defend the Guru having become the Christ. We have had 30 years to prepare for the coming of the 3<sup>rd</sup> Antichrist (*see CHM, Christ and Antichrist*). We were told in the fall 1996 to watch for the coming of the 3<sup>rd</sup> Antichrist and that *we, you and I would know him*. We were told this by the Buddha of the Ruby Ray. Sons and Daughters of the Republic, in 2026 watch and learn.

The maddened monks (ministers, false Pastors, priests, rabbis, ...) act so because, Mother taught us, souls answer the call to come out of *her, the anti-church*. This triggers (Mars) the poison of hate that fell upon Hypatia. This hatred is coming upon the Saints who answer the call of the 1995/2025 class, Gautama's call to become Saints and those who have answered the call over the last 30 years are now called to demonstrate their Christ Mastery (Sainthood as described by Gautama Buddha in the 1995 winter class) over the next three years in preparation for their Christ mission beginning in 2029. Those who see and are coming to see this in their future are crossing the line, drawn by Jesus 30 years ago and are now ready to demonstrate this mastery of their Sainthood, as Bride, as Wife, as Shakti of the Trinity, as Wife of the Guru and her Christ Self.

Souls are coming in waves, the relentless wave that began in 1959 following the creation of the Summit Lighthouse in 1958, to *the three Kingdoms* now emerging as *the New Earth* and all who are prepared are being called to cross the line to safety, to the shelter being provided to

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025–2035

endure the coming Storm. See the Secret World Government, Helena Roerick to understand the Three Kingdoms.

These Kingdoms are *not of this Earth*, Jesus told us this, 2000 years ago but the churches refuse to understand or believe this. They sing a different tune. These three Kingdoms are on a higher octave where the Summit Lighthouse is in 2026 and only the legit Sons and Daughters may pass. In 1989, Lord Himalaya announced that the illegitimate sons, the laggards, the Mordreds have been judged and no longer may remain on Earth. 2025 was the 36th anniversary of their Judgment and on 7/4 2025 Divine Justice descended upon them within America and the world and upon their overlords the fallen angels, the Luciferians and Satans the Dragon that olde Serpent called the Devil, Rev 20:2.

There are some things that we need to know to understand the Cosmic Astrology of the Stars and their messages to mankind of Earth that speak of these coming changes and *the offered future*.

Revelation chapter 12 teaches us of the Personages playing out on the stage of this great drama. They are both heavenly and astral beings. On this Spirit Matter stage, the heavenly hierarchy all have false hierarchy imposters to deceive us and lead us along their way, who mirror in the matter universe, the Hierarchy of Light. This mirroring plays out upon the stage at the Galactic level and across our Solar system even our planetary system (magnetosphere and moon). Many are now familiar with the one world system of the Illuminati, here *on* the earth. We must have learned through practice and discernment, in order that we may discriminate by our illumined choices and renunciate previous conditioning and programming by our ignorant choices down the ages, hence to choose life not death.

Astrology, Lord Maitreya teaches, is the arithmetic of the geometry of the astronomy of the spirit matter creation. Astronomy is the geometry of creation, defining its laws. Whereas arithmetic is the science of astrology of the dominion, the mastery, of the navigation of this creation and the cause and effects of our obedience to its laws. Astrology is the meaning of life within the creation. It is the science of the Ascended Masters teachings of our soul's path of evolution. Astrology is a science of math, of the precise laws of karma, and of attraction and others. It is also the meaning or science of the teachings. So, if you master the teachings, you can read the signs and understand the symbols and if you know and remember history and dates then you can learn the math and become a navigator of the stars through earths challenges and become the master of your destiny, master over your fate, repeating itself.

Things to know going forward, in 2026.

Our teachings as given are the revival of the major world religion's *mysticism*, or sainthood, the one-on-one walk with God as we heard at New Years from Gautama Buddha. Example Padre Pio, Marie Jolie Jehenny, Catherine of Sienna, Saint Clare. Our teachings are also known as the revival of *Gnosticism*, the gnosis of sitting under our own vine and fig tree and being God taught, one-on-one with the Master as taught by Mother in 1990. The usurpers and subverters, the Hierarchy of the Ruby Ray teach us, espouse instead **their way**, the way of orthodoxy, the antichurch, the harlot, the antichrist. Lord Maitreya teaches us that he is the Buddha within the

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

secret chamber of our hearts that is surrounded by 8 Buddhas who are our individual teachers, leading us to our soul's union with God, our destiny.

The disciple, the initiate, the chela now must cross the line to continue on the path in 2026, free from the persecutors of our souls who have accommodated the path of initiation of the heart by the Holy Spirit 1988-2024 and the transcendence of the Summit Lighthouse as well as the Eclipsing of the Mother of Dragons called the Devil. All must choose in 2026 whether or not they will put the organization and its leaders and members, our families even our children before the Guru, after all we are initiates, chelas of the Master Morya, Guru Ma, and Lord Maitreya first then members of the church above IN heaven. It is all perception in 2026. Have you evaluated yours lately? Jesus told us 30 years ago to be quick about it. We didn't then nor now have much time left to us. So where 30 years later, *does* that leave us *at the end of the church age and the beginning of the Kingdom age*, relative to the safety of the SHELTER in the ARK, Rev 11:19. Jesus told us to make the teachings practical in our lives, to experience the alchemical change. All it takes is the first step of the rest of your life, and don't look back.

Astrological symbols represent mythological stories from our ancient past long forgotten. They are replaced by *Modernism* that justifies ignorance of the past ensuring that it will repeat, as is evident today, to many. Modernism is in fact the secular (state) version of the antichurch practice of relative absolutism and of absolute relativism. See Mary Magdelene and the Divine Feminine and the Gospel of Mary Magdelene. *Absolute relativism* states that the journey is never ending it is all in the journey, never the becoming (the essence of orthodox Christianity). And those saints who do become one with God are persecuted by the leaders and through their members. It is the hatred of *Woman* and *her seed*, crucified on the 14 stations, the hatred of the Guru. These symbols represent these players from Revelations chapter 12 and described by the Maha Chohan 2/21/1988. They provide the keys to open the door to understanding Armageddon (1931-2031, 100-year War). The Battle for our souls. These symbols unlock the mystery of the middle way of the path up the Highest Mountain in the walk with the Master, your guide to the mileposts on the path, your understanding of the requirements of the law and the dangers you will meet on the path.

The Maha Chohan teaches us of the Assimilators: Sun, Venus, Jupiter, (Moon). The Maha Chohan also teaches us of the Accommodators: Mars, Saturn, Uranus, Neptune. Rev 12 Describes The Dangers on the Path.

Apollyon called Abaddon, also the Nephilim Hierarchy of the 12<sup>th</sup> Planet (Zeus and Mt. Olympus), and is also called *The god of plagues*. This Pantheon is represented in all four planes. The Etheric plane is mirrored at the Galactic level, as the Evil Empire, the Galactic Federation and its Evil Systems (solar) across numerous Galaxies opposing The God Government of these Galaxies on SIRIUS. The mental plane is what the fallen angels rule. In this quadrant of space, in *our dual solar system* is the 12<sup>th</sup> and 13<sup>th</sup> planet and the 118+ alien systems or civilizations (allies) warring (Armageddon) with the Great White Brotherhood. The astral plane or Subtle World represents the inner planetary systems surrounding Earth and her moon. The world empires on Earth, here the Nephilim are mirrored by the Illuminati within the church and nations. These represent man's four planes of consciousness and his dominion or dominance (subjection). At solstice Apollyon is transiting at 7 Scorpio.

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

The Black Moon Lilith represents the daughters of men, of Apollyon, of the Nephilim. They are from the 12<sup>th</sup> planet cast down into the earth and forced by the 12<sup>th</sup> planet hierarchy to embody on earth to subdue the Sons and Daughters of our God where Sanat Kumara is opposed by Lucifer and his seed, the one god. The 12<sup>th</sup> planet orbits our Sun every 3600 earth years. 1:3600 earth years. 36,000 earth years = 10 years on the 12<sup>th</sup> planet. 72,000 Earth years = 20 years on the 12<sup>th</sup> planet.

Zeus as a youth overthrew Cronus, perhaps 30,000 to 70,000 years ago, he now is *20 years older*. Lilith are the wives of the Watchers taught black magic and witchcraft to seduce the Sons of Enoch. Lilith represents the daughters of MARA, seducing Sidhartha and now seducing the chelas of Mother as she taught us. Lilith represents the Black Magician who took you from the Mystery School Eden, and the subsequent 6 covenants, and **now** would strip you from Maitreya's Mystery School, the Inner Retreat *and today she is only a few years older but much wiser*. She is among what Archangel Raphael described to us, as *the Familiars* that tie us to Earth, Earthbound chains, emotional, mental chains, relationships forged by Chiron. The Chiron conditioning of our souls in the 1<sup>st</sup> seven years of **every** life, the abuse of the child, fragmenting our soul, destroyers of our holy innocence, traumatizing our inner child-ren that emerge again in our old age to haunt our souls causing us to stumble, and fall on the path. Astrology is NOT an art to dabble in. Lord Maitreya tells us once taken up you cannot put down astrology but must use it to guide yourself home by answering *the 5Ws and how to* apply the teachings. Astrology is the clock of the hours, the clock of the rays and must be understood and used by the initiate to know divine direction and the will of God. The teachings given must be practiced. If you do, daily, hourly you will know and understand what it means to be a Twin of Gemini as Morya El says in Chela on the Path and his 8/7/1987 address.

*Legions of Hades* (12/31/91) Saint Germain. Revelations 9, whose King is Apollyon. Set to torment all with the mark of the beast and who worship the beast beginning at summer solstice in Helios cycle of the year 2026. This will last for the next 5 years. The legions of Hades are currently at 14 Cancer.

Watchers, called Psyche. Whose Judgment is now in 2026 as Mother's Mars conjuncts the watchers 3xs in 2026. See 2026 Insert C. Watchers are currently at 11 Capricorn.

Gog and Magog: These are mirrored in the four planes of matter at the Galactic, the system and planetary levels. They represent *Cronus and Zeus*, the *old order* of the evil Empire and the *new order* of young ones, kings without crowns. Rev 17 they are the 10 horns of the seven headed beast. They are one half of the great drama now coming into the physical. Four dimensions each playing out on their levels. Yet the energy of the events playing out on each level affects all other planes, causing the players on earth to ripple or play out the events mirrored from the three other planes. I will explain. Mother Mary's Apparitions explains how the three planes will converge on the physical earth in the three crises then climax in the *Three Days of Darkness*. Jesus then tells us that there will follow *Three Years of Famine* to change mankind who survive the 3 Days **to accept the Three Worlds**, what Lord Maitreya calls the Supermundane. *All must understand the interconnectedness of the FOUR Worlds on the Four Planes at the four Spatial Levels, Inter Galactic, Inter Planetary, Inner Planetary, and amongst*

*the nations as the personal, collective, and planetary dweller (s).* These two (Gog, Magog) represent today the factions emerging in 2026 due to Alpha's Agenda and his Judgment (See *2026 Insert Booklet*). They are vying for power, Old vs New order, young vs old generations. This Emerging power struggle, is not a smooth transfer of power but a warring in *their* members amongst the Seven Sisters in the Pleiades Empire and between *the major and minor evil Systems* that make up the Empire across a number of galaxies and are represented in our solar system as the 118+ alien civilizations. This is a war of survival at the galactic and if not already then very soon in 2026 at the Solar system level. The Result is *a mass exodus* from our solar system leaving the 12<sup>th</sup> planet, alone to deal with SIRIUS and the Mighty Blue Eagle, and Alpha's Legions from far off worlds. The result to Earth is that The I AM Race and the Great White Brotherhood with the Legions from far off Worlds will turn back upon the evil doers on and around Earth 10-fold...

God, known in America as *Providence* is moving in 2026 in and through events and the people, especially his Trump card to affect so great a change as to cause a MASS EXODUS from North America over the next 24-30 months, the next 3 years as prophesied by the Goddess of Liberty on behalf of the Great Karmic Board. As the Guru and Chela, take up serpents in Maitreya's Mystery School that will play out in the church and the Nations America and Canada, the City Four Square as the fleeing to Europe of 1 million Black Magicians in Capricorn, the power elite the unjust stewards, who *are opposing* Sanat Kumara and his chelas the Ascended Masters and Guru Ma and her unascended Chelas and the Woman Clothed with the Sun and *her Manchild, ruling with Christ (Christ Rule, over them)*.

This is our history, for man ancient, but for others only yesterday. They not only remember everything, they know you in all your embodiments, how to bend YOU to their will. This is Chiron conjunct the Sun and the New Moon Solar Eclipse on Mothers birthday in 2024 as the Mother of Dragons was at her closest approach to the Sun during a peak solar period, and was cast down into the earth, as seen from earth on April 20<sup>th</sup> at 21 Taurus as Jupiter conjunct Uranus. Chiron is the programming and conditioning of our souls in early childhood. It is the complement to the alien computers referred to in the 2026 Insert Booklet (C7 Forces Antichrist, C3 Judgment of the Watchers) and to Mother's 1979 presentation in August titled the Spirit Matter Meditation. This is the Battle for the soul who is oblivious to what is happening around her in the church and in the nation. But not all, many ***have and are now*** crossing the line and on the ladder in the chain of hierarchy *many more are readying themselves* to meet Jesus and Gautama's requirements as stated in their dictations in the winter class 1995.

Note! The fog (Neptune) of the mind's consciousness hides many memories. Let God, the Sun light your way (your Sun sign Natal, Prog, and solar return and the transiting Sun), will light your world and guide you home. The soul who loves, obeys.

*The Odyssey of the Soul* is in Four Parts, covering the four quadrants, and our four planes of consciousness. These are

- ii. Plans and executes - New Years Eve; New Years Day - 4 conjunctions with the Watchers that affects *YOUR* next 10 years, **2026-2036**. Mars conjunct Watchers 12/27; Sun conjunct Watchers 12/30; Venus conjunct Watchers 12/31; Mercury conjunct Watchers 1/7...to ready our souls for 1/22 Watchers conjunct Mother's Mars, her chelas. 1987 – 2026 the soul has made herself ready for the confrontation with her dweller.
- iii. Rebuilds – **2037** Completed 50 years Peace for Saint Germain.

Meditate on this breakdown of our Odessey with Mother and Morya so that you will know in your heart what is coming over the next 10 years and you will be prepared. After all you completed the first  $\frac{3}{4}$  of your journey, now you must know the victory of love's promise.

*Alpha's Agenda (of critical importance, to understand the next 7 years)*. Chelas who would arrive at their destiny must get prepared. They must meet the requirements to become Shakti to the Trinity, to the Guru, to their Holy Christ Self. Until then, we stand in Rev 18:4 and take up serpents, and practice sainthood. As we take up Maitreya's cross of world pain as Jesus taught (2026-2028). Then prepare to meet the future of the Golden Age as the old Earth passes away with 90% of the world population. Can you imagine what that might entail. Your heart flame will know and be up and doing. All you or any of us need do is to show up across the line drawn by Jesus and Sanat Kumara. Thou the all, I the nothing, Catherine Sienna to Jesus.

*The Saturn Uranus Cycle*: Maitreya's Mystery School' Initiation of the Heart began in 1988; during this cycle, forging the Diamond heart, by initiation of the Holy Spirit. By free will choice we choose to *Assimilate or Accommodate* the path of the cycles of initiation of the heart. In this cycle we face our sins against the Holy Spirit. The cycle 1988-**2032**. In 2020 we entered a new Jupiter Saturn 20-year cycle. This cycle heralds the birth of Christ. The Jupiter Saturn conjunction was declared by NASA as the Bethlehem star. The Devils Slide, a remainder that we can choose to ascend or descend as the coming Devils strip (1985) the chelas from the Guru by the testers, the Accumulators of the karma of the Dark Cycle and the coming of comet P-12 (4/2024); ... **Saturn Uranus and Pluto Uranus** creating the *false Christs* (to strip the chelas from the Guru) to clear the way for coming (1996-2026) of the 3<sup>rd</sup> Antichrist.

*Pluto Uranus Cycle*. Seven heads of the beast, Revelations 13 & 17, the 7 nagas, the seven devils cast out at the well. Initiation of the Heart as the Accommodators test the Assimilators triggered by Mars from 2012-2015, desiring materialism, sensuality, and idolatry. Sins against the Holy Spirit. The Devils Slide; Sweeping the chelas from the Mystery School Rev 12. *Forging the Antichrists and the 3rd* who play a role in the Church per Mother, Mother Mary and Jesus. El Morya created the 24 Elders to meet this challenge, *pray for them*. El Morya makes it clear, we are they...they are us. We are in this together, all on the same Ark. The Elders are You, when it is your turn. Will you cross the line *or* go another round as Mother numerous times told us her chelas were choosing to do.

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

*Mars Saturn Neptune Cycle:* The prophecy of Nostradamus and Saint Germain; the way the Four Horsemen, Laggards and 1/3 of men choose to go. Mothers chelas initiated by the Holy Spirit bond to her heart while forging the diamond heart. The Messengers hearts our heart, one heart. This is our upcoming initiation facing the line Jesus drew *and* the well. Will we cross or go another round. Mars Saturn *Equally fiery* conjoined in Aries on April 19<sup>th</sup>, 2026 with the Sun still in Aries. Mars conjunct Mother's Mercury April 20<sup>th</sup>, 2026 and followed by Saturn on April 26<sup>th</sup>, 2026. This marks the attack upon the Guru that Morya created the 24 Elders, to intercede. We heard from John The Baptist at Easter 2026 (1996) that his chelas are come to Judge Herod-Mara-Kamsa, the Watchers and Nephilim so that the coming of the Mother of the World, the World Mother can judge with the sword in the cycle of their time.

Cycle of Mother's Mars, her chelas, in her 6<sup>th</sup> house of the chela's service to the Guru. This is the testing of the chelas who will cross the line and show up at the Marriage Supper. The Bible says NONE. Why? Because it is across the line on the higher octave where the Summit Lighthouse is with Jesus and Maitreya. The chelas (in 1987) were failing their initiation of service to the guru, Mother taught us. We were given from 1987 to 2026 when the Watchers conjunct Mother's Mars three times in 2026 (Jan-July-Dec) to test the measure of the chela (Rev 11:1). Will the chela allow *anything or anyone* to come between the Guru and the chela and the chela's service to the Guru; going forward at summer solstice 2026?

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

Winter solstice begins a new Golden Cycle up the spiral staircase guided by the Great Divine Director. Kuthumi teaches us in the “Light of Winter Solstice” and Lord Maitreya in “the Light Cycle and the Dark Cycle in Capricorn, *an understanding* of the beginning of a new spiral of initiation, also taught by Saint Germain on 1/1/1984 in the Class of the Solar Ring. The Winter quadrant is the season when the seed, an accumulation of last year and all previous years is prepared for sowing in the spring. Here it is imprinted with the will of God’s design for the year to be victors over the coming challenges. Here also, the soul is emptied so as to be receptive to Hierarchy’s inspiration of God’s will/plan and the agenda of the Guru to carry it out through the chelas. To each is given a role and responsibility, a pearl of great price. All must collaborate together and come into unity, in a cooperative labor of love as coworkers and bring the parts together in one whole, that is greater than the sum of the parts. We must treasure the gifts that each one brings, to discern the will of God’s plan according to the will of the Guru’s agenda. We must guard the harmony of the unity facing the tension of the discernment of the will of God that must be planted in the spring.

Winter solstice introduces to the soul the divine plan for the new year and provides God’s will as the agenda of the Darjeeling council for achieving the plan’s goals and objectives. Cosmic astrology gives us an understanding so as to intuit this guidance from hierarchy. The science of Gnosticism.

28 *Sagittarius* is midpoint between Venus at 26 *Sagittarius* and the Sun at 0 *Capricorn*. This challenges Venus (the faithful chela of Mother, *the assimilators*) who faces the ghosts of the winter solstice 2016 T Square that tested our souls for 4 years – 2017 through 2020 by the testers (*the accommodators* of the initiation of the heart by the Holy Spirit) as described by *the Maha Chohan on Feb 21<sup>st</sup>, 1988*. This T Square (TSQ) influenced the final year of the 33-year cycle of the ascension 1984-2017; and the final years of the 33-year cycle of the prophecies of Revelations 1985-2018+. Influencing the *Four years* preceding the Christ Mission of the initiates on the path of personal Christhood 2021-2023, a cycle of initiation that began Nov 1<sup>st</sup>, 1987. This set the stage for all that was to follow in 2024 to the present, between *the Assimilators and the Accommodators and the manipulators* behind the latter.

*The 2025 TSQ of 28 Sagittarius* midpoint of the Sun and Venus to the opposition or polarity at 28 *Pisces* on the 2<sup>nd</sup> house cusp conjoined 27 *Pisces* 32 minutes the midpoint of Saturn Neptune to the 8<sup>th</sup> house cusp at 28 *Virgo*. This configuration activates the ghosts of the 2016-2020 TSQ configuration. The latter tested our souls as to who were chelas of Mother, who would defend the Guru and who would attack the Guru *and her chelas* as prophesied by El Morya on Feb 3<sup>rd</sup>, 1985. In other words, who would be the chalice for Divine Justice descending upon America...the dragon over America, upon *the Power Elite in the church and state, on 7/4 1991. This Judgment of Helios of the power elite* descended from 1/1 2021 through 4/8/2024. This was followed by *Venus’ conjunct Uranus* on 7/4/2025 the 36<sup>th</sup> anniversary of Divine Justice descending upon the Dragon over America (7/4/1989). This was to measure who is ready to enter the Age of Aquarius and come to Christmas 2025 (1995 Jesus) to cross the line and take up the cross of Maitreya, dedicated by Jesus on Christmas day 1995. *Venus came to judge angels (Uranus)*. *Venus Uranus* also represents the highest love, of Guru for the chela and in the cycle of initiation of the soul, the love of the chela for the Guru. The 2h-8h axis of *Pisces – Virgo* in this TSQ represents which chelas and KOF have taken responsibility for their karmic debts to *the*

*Guru and her chelas* on the South Gate and who has accumulated more debt (credit 2<sup>nd</sup> house) during the window that opened at winter solstice 2016 through winter solstice 2025, the 30<sup>th</sup> anniversary of the winter class of 1995, to determine *who would and who cannot* cross the line drawn by Jesus and Sanat Kumara. Who has met the requirements?

Who has come to 2025 living on credit, having their heart buried in materialism in 2025 when instead they could have been taken down from the cross (13<sup>th</sup> station) and laid in the Tomb (the 14<sup>th</sup> station)? Who is able to fulfil Rev 18:4 in 2025 choosing Rev 20:4 vs 20:5?

*Sun Venus Mars conjunction*, their faith is strong as is their bond of love to the Guru. Love has evolved to the highest love; it burns in the Heart brightly. Call upon the Lord to Judge the Watchers, take up Serpents by the tail. This is the work of the Gurus; over the next 30 months.

Love (Venus) drives Motion, the Labor of Mars, action. As Sun conjuncts Venus at the well, the guru chela relationship guides the ascent.

*The April 2024, Comet P12 - Earth - Jupiter - Uranus conjunction* represents the highest love vs the eclipse of the Sun Presence by the power elite during the period 7/4 1991 through winter solstice 2025. During this period of the Turning of Worlds. We saw:

<u>endings</u>	<u>new beginnings</u>
a. Of the Kali Yuga	transition into the Golden Age
b. The Church Age	Kingdom Age
c. 18:4	1 <sup>st</sup> Resurrection
d. Dark Night Soul	Dark Night Spirit
e. 20:5	20:4
f. You Shall not Pass	Well at Bethesda
g. Rev 13	Rev 19 Marriage supper
	Rev 14 144,000 coming home.

*The Turning of Worlds* in **2025** as Love's Victory Conquerors all, a pivotal year. See Judgment C5-8; insert booklet. Understand Alpha's Agenda. The Seven Cosmic Christs of the Pleiades, Sirius' Mighty Blue Eagle. Understand the Seven Sisters of the Pleiades and the second Armada.

(death stars) have had on the inner planets, not to mention Hedron and Maldek. Now we were told at Easter 2026 (1996) their evil intent upon the destruction of Earth.

Understand the secret world government at Shambhala, and the role played by Darjeeling, the Council of the Royal Teton, and the Office of the President, the mantle of Morya. Understand the adversary, the Illuminati and the roles the aliens embodied as Lilith, the Watchers, the Nephilim, and the Laggards play in this battle of light and darkness upon terra.

Understand the significance of the Defeat of the second Armada in **2025** following the defeat of the first Armada in **1990** by the Legions From Far Off Worlds, and the Mighty Blue Eagle from Sirius. This defeat has created a *power vacuum* that is resulting in a *power struggle* between the major seven sisters (galactic systems of the evil empire and the minor Imperial systems that make up the evil (galactic) empire, now judged by Alpha. This power struggle is evolving into the *Warring in their Members* between the old and young evil doers (Cronus and Zeus) that Results in the 118 evil systems or civilizations fleeing to defend their homeland systems. All this is the fulfillment of the will of God in, Revelations 17:17. God has placed all these things in their hearts to do. This leaves the 12<sup>th</sup> planet to face the Mighty Blue Eagle from Sirius alone. This will leave the inner planets and Earth with the advantage as we stand with Sirius' God Government of the Galaxies and the Mighty Blue Eagle and with the God Government of the planet at Shambhala, to defend Earth. The latter will mean that America standing with God Government of Sirius/Shambhala will now overthrow the dragon over America and restore God Government in America over the next 3 years.

- a. Sirius, the Galactic God Government that includes the heart of this planet, America, the nation becoming the kingdom of the Americas, her destiny from conception.
- b. Shambhala World Government for the Planet, Earth.
- c. Darjeeling-White house connection, office of the President and The Chief of the American Armed Forces. *Morya El holds the mantle with his chelas.*
- d. Call for the protection of the three Kingdoms, America, Europe, and Russian Asia.
- e. Call for Alpha's Agenda: for the Hosts of the Lord, to Restore the Mind of God in this people! Ratify Alpha's Agenda and His Judgment daily until it is completed.

The three Kingdoms will fulfill their destinies and the Great White Brotherhood will cast out 1 million black magicians from North America. As we, Gurus and chelas and KOF take up Serpents, in 2026 and beyond. Because the Illuminati stand alone with the astral plane against the entire Spirit of (America) and of the Great White Brotherhood and Sanat Kumara.

*Sun Venus and Mars* are conjunct throughout the Sun's transit of the 4 quadrants of Capricorn. Each of the 4 ingresses defines the victors who have come to Christmas 2025, the

THE NEXT TEN YEARS 2025-2035

30<sup>th</sup> anniversary of the crossing (95 cross of Maitreya) over in 2025 of the abyss into the heart of Maitreya, the ARK of safety. These are they who are ready to defend the Guru against the Laggard sons, the illegit sons who have rejected the LOVE of *the Guru and her chelas*. These laggards (the seed of Mordred and the 1/3 of men) are in the mystery school, who since 1988 have *accommodated* the initiations of the heart by the Holy Spirit as initiated by the Maha Chohan and the Chohans of the Rays. Christmas 2025 is the dividing of the ways and Jesus affirmed on Christmas 2025, 30<sup>th</sup> anniversary in Cancer on the 6 o'clock line, that they shall not pass who have failed the initiation of the heart. They are left behind with the Watchers as the true Christs and true Prophets and Friends of God cross over to the higher octaves to the East Gate to take up serpents. Maitreya's Mystery school entered the 13<sup>th</sup> station of the cross in June 2024 under the 2<sup>nd</sup> of 5 solar eclipses over North America (2017-2052), eclipsing the aliens and fallen angels and the laggards (evolutions). In June 2024 we faced chapter 20 in Sanat Kumaras Teachings of the Hierarchy of the Ruby Ray, *the seven initiations on the path of the Ruby Ray*. The souls of the Woman and her seed, Guru Ma and her unascended chelas were taken down from the cross of the crucifixion by the fallen and laggards of Mother and her chelas, the true Prophets (Rev 11) and true Christs and the remnant of the Woman's seed (Rev 12). In 2025 on May 31<sup>st</sup> we entered the 14<sup>th</sup> station in Maitreya's Mystery School, having been prepared to be laid in the TOMB. *Here we are until May 31<sup>st</sup>, 2026 to preach to the dead and dying, the message of the Stars, the Gospel of Sacrifice of Lord Maitreya, per Sanat Kumara in the Opening of the Seven Seals.*

Relevant cycles:

1. *Divine Justice Descends upon America* (the Dragon Over America, the fallen and the laggards) occurred 7/4/1989. The 36<sup>th</sup> anniversary was on 7/4/2025 as Venus conjoined Uranus, attaining to the highest love, Guru for chela, Chela for Guru, as taught by Mother. Now in the 37<sup>th</sup> year in Capricorn to begin the souls Buddhic initiations.
2. *Abdication of personal Christhood* 11/29/87, 39<sup>th</sup> year in Pisces in 2026.
3. *Mars Watchers exact conjunct* December 27, 2025 as prelude to the Watchers conjunct Mother's Mars on Jan 22, 2026. *The first of three encounters in 2026.* These are January, July, and December 2026. Are you ready? ...to let go of in 2026? What will the law require of you?

*In Conclusion*

I know this is a lot to take in, but know that your beloved Christ self knows what is applicable to you. We are each one, unique in the Individualization of the God flame's self-realizing in you in 2026. And we are all bringing those self-realized gifts to the altar and the community of the spirit of the Great White Brotherhood. Once recognized in oneself, give it in cooperative efforts of the collaboration of hearts united and guided by the Great Divine Director in Capricorn in the spiral of the ascent. As coworkers, united as Twins in Gemini, the highest love of Guru and chela in the union of that love in the heart of the Guru with all coworkers

THE NEXT TEN YEARS 2025-2035

worldwide, and even from far off worlds who have made this all possible with the Masters. The forging of the Bodhisattvas.

We are called in this year and those to follow (the next 3) to demonstrate this Christ mastery in the heart of the Guru. Our efforts will bear the fruit of the coming Golden Age, and the Revolution in Higher Consciousness. Note the word **Higher**, it clearly states to the mind that is clear and to those whose minds are being RESTORED by the host of the Lord, per Alpha's Agenda, that all is to take place in the heart of Maitreya with his son, Jesus. This means souls have to complete their Readiness so Padma Sambhava can bring us to Jesus and Maitreya having been measured and accepted. Or rejected remain with Padma Sambhava until the Relentless Wave can carry us across the line onto a higher path and *the revolution in higher consciousness*. This higher consciousness is only possible in the heart of the Guru, as his/her Twin. This revolution is only possible when hearts are united in thought, feeling and *in motive action*, the desire to serve with no thought for gain.

We are called to demonstrate in 2026 our mastery of the Sun midpoint between Pluto and Mars and the Sun midpoint between the Laggards and Venus. Rev 18:4 is the test of Thomas More as the masters reminded us during the New Years Class (New Years Class 1995). This mastery will surface from deep within our consciousness on Jan 22<sup>nd</sup> as the Watchers conjunct Guru Ma's chelas in service (Mars) to her, going forward. It will test our bond to her heart and Morya's and Maitreya's on the 11-3 axis of Sagittarius Gemini. As we face the coming challenges of the equally fiery Mars, Saturn Neptune conjunction in the coming attack upon the Guru at 2- and 8-degrees Aries, beginning on April 19<sup>th</sup>, 2026.

We will be tested with the ending of the Church Age, at the end of the Kali Yuga whether we will place *anything* first before the Guru that must be left behind, that cannot cross the line. Mother Mary taught us that sympathy in our feeling body can cause us to lose our ascension, the first resurrection which is eminent. Remember the feeling body is the subtle body, the subconscious. These tests will be very subtle and require close attention, deep concentration to evaluate what is the test and where is the light in the test. Do not evaluate based on earthly standards. You must understand and apply the teachings. Call to Ray-O-Light.

We will also be tested as the Dark Night *of the soul* comes to its end, with its opportunity to balance our karma, while we have the light and the Dark Night *of the Spirit* begins when no man may work which is now eminent.

We are also being tested as we demonstrate our Mastery as the Reign of the Time of the Gentiles *ends* and we are called to demonstrate the rule of our own hearts, our own will, our own minds (Leo). As we are called to defend the Guru, the Woman clothed with the Sun and *Her Man-child*. To defend the Prophets and end the war. To defend the Remnant of the woman's seed and end the war. And to defend the Saints in the coming war against them. This will demonstrate to all that the reign of the Laggards over America, the New Israel (Sanat Kumara) is ending. They are cast out. And the Initiates made Shakti are become the new leaders in the church and the nation, leading all into the Kingdom Age, previously the task given to the laggards. Leading the education of the hearts of all who are coming as Morya's *second wave* to support Saint Germain. And leading those born in 1976 to lead the nations into the Golden Age.

THE FINAL BATTLE  
THE BATTLEFIELD – THE SOUL OF A PEOPLE, THE SPIRIT OF A NATION  
THE NEXT TEN YEARS 2025-2035

We will be tested and called to demonstrate our Christ mastery as Helios comes at summer solstice 2026 to deliver the 1<sup>st</sup> Bowl of God's wrath that will be *poured out upon the Earth* upon all who have the mark of the beast and who worship the beast (Rev 13). Our test is to be unmoved and unattached when people we are tied mentally and emotionally to receive this judgment. You have known they were the reprobate but nothing you thought of worked, only Mother taught us, the dweller call, the call to Mother Astrea. Their karma is returning as an avalanche Rev 6:2, and will last for 5 years, 1 month /year (2026-2030). It will manifest as foul sores and pain in the physical body. This heralds the beginning of the Dark Night of the Spirit and the beginning of the Tribulation, a period lasting (the next) seven years. (Summer Solstice 2026- 2032).

We will be tested as Solar activity increases and *the number and severity* of magnetic storms combine with increasing psychic storms will manifest as pain in the body and nervous system (Maitreya teaches is made up of 49 centers), as taught by Lord Maitreya. These will exacerbate the returning karma of the 1<sup>st</sup> bowl. Jesus and Gautama asked us during the New Years class to practice sainthood and bear in our bodies, world pain. There will be a far greater need in 2026 than in 1995. One can anticipate these solar changes by monitoring your local barometric pressure and sensitizing ourselves to the heart of Maitreya and Jesus. We can do this by studying and practicing their word, *daily*. Thus, you will be able to receive their assistance and help.

Gautama and Jesus called us to become the saints of the Aquarian age. To love mankind with the love which the Guru loves us and to serve the general welfare of the people of our nation(s) and bring them into their destiny...across the line drawn by Jesus. Maitreya says of *the Great Moira*, their destiny is *to rule themselves* for the greater Good. We are being called to come home, to arrive and to see what is the unreality of the state of the homeland and to join with God to take up and to cast out these infiltrators, suitors unwanted, uninvited who presumed to take what was not theirs, having rejected the way of service to the Guru, the Lord of the kingdom.

We are called to take our love's victory and offer it upon the altar of our God, Sanat Kumara. To move on, *as dispensations end for this earth, to the new Earth, the New Paradise and its River*, Rev 22 and prepare for all who are coming as we did with Mother in the 70s. They are coming as they are chased from their homes and homelands by the coming Tribulation of God's wrath. They are coming under God's baptism of fire as Lanello warned us on 1/1 1992. They will be coming wounded in body soul and spirit. They are coming to your arms welcoming them home joyously feeding, clothing, and sheltering them in communal efforts to once again know self-reliance in self-reliant communities, that we have *yet* to build in so short a time period, the next 3 years.

We are also called to demonstrate to a nation striving in 2026 to free herself, how to face and conqueror the coming backlash (Rev 11:15 and Rev 13) when they (who are left behind) learn the game is up; that they are all alone with their returning karma. As their fear of what is happening turns to anger and anger to hatred's murderous intent that Beloved Morya taught us lies within their consciousness. This consciousness is in their breath; it is poisonous Maitreya

teaches us. They poison the air we breathe and it is deadly contagious. It affects the nervous system and the brain. It inflames the mucous membranes throughout the body, affecting the heart. Difficult to diagnosis and to treat.

We are called, our soul (the Moon) to declare her independence from these *familiars* who are angry and have no control of *their dwellers who are servants of Abaddon at 7 Scorpio and their daughters Lilith at 28 Scorpio* (through the interconnectedness of the computers of their minds (see *Inserts C3,5,7, judgments of the Watchers and Gog and Magog*) and are now raving wolves drunk on the blood of the saints, the chelas, and Americans. Sanat Kumara teaches us to be watchmen on the walls in our communities, study the hardback *Opening of the Seventh Seal*. Sanat Kumara will prepare you for the coming battle.

Lord Maitreya is calling us to come (described by Jesus in Revelations) and to join in the labor to lay the foundation of the Aquarian Age and to pass the torch to the generations of youth and incoming souls. These are bringing the industry of youth needed to take up the building of these communities and of this nation-kingdom. We face *the transition out of the Kali Yuga*, the civilization of Babylon the Great and the Beast of Rome, even the New Rome (Rev 18:4) that *will dissolve over the next seven years*. Sanat Kumara teaches all who would be initiates of the Ruby Ray who have been upon the mountain of their karma that they must declare their independence. He teaches you what that means in detail; what to do, what to say, that must be said, to be declared! He also teaches us what and how it must be done because it is not easy to endure what is coming upon the earth, upon the fallen and the laggards of both Maldek and of Earth. *First and always the test and the demonstration of Christ mastery is God First, in all things. Only love will allow this in our worlds. Only Love will make the final declaration of Independence from these hiding and serving in our midst...so speaks Sanat Kumara.*

Souls who have come to the line drawn by Jesus in 2026 having achieved divine justice in their own worlds, binding their dwellers to break free from all ties in Libra, the 7<sup>th</sup> house, in all relationships to those left behind. Because these *familiars* are holding back our progress on the path with their *orthodox living in the past* using freedom to indulge their egos' desires to exalt mastering the physical without the spirit as substitute to mastering the Spirit over their mood momentums, their Martian A's and their aggression and non-compromise, non-cooperative natures, refusing to collaborate for the greater good only what they deem or say is the goal. They defer to emotional tyranny, outbursts that they justify by their scheming and condemning of the righteous.

Souls are breaking free now because, as Divine Justice descends within America and the *worlds* is forcing the dividing of the ways men choose to go or to follow. God is separating out the wheat from the tares as Mother Kali taught us in August 1987. Those who are Holy in 2026 are Holy "Still" and those who are evil or unrighteous, the reprobate are evil "Still".

Each soul we are told has a date when destiny calls. The soul consciousness senses and readies herself. Her holy Christ self knows the date and readies the soul who then encounters her Christ self at the well. *All prepare for this encounter in 2026*. The Guru sometimes as with Paul and Mark came because the Lord can wait no longer. Other times as with Guru Ma, she climbed onto her roof and cried out. In all cases the bride makes herself ready. Showing herself approved

(to cross the line). Cast out fear of God, the future, change, and of the fallen angels, what they might do. With God all things are possible, evil is not real. Its appearance is an illusion; they have no power. This is the test and the demonstration in 2026, and for the next 3 years. Why, because Christ DNA must be forged (see chapter 6 in Bishu's book, *Yuga Shift*). We call this forging the diamond heart. The soul must be transformed from the orthodoxy of the last 2000 years even the last 23 years and the soul MUST be transfigured as even astrology teaches when the soul is ready to Leave off (Rev18:4) the scorpions, the legions out of Hades and soar to the Sun as her true reality, as Eagles and be transfigured into the PHOENIX, the bird of Ahura Mazda, Kartikeya known as Sanat Kumara. We are called by Jesus and Lord Maitreya to be prepared to lay the foundation of the Golden Age by laying the foundation stones of our Boddhisattva-hood. First, the soul of the divine feminine must be freed from the Dweller's seven headed beast (Rev 13-17), the nagas from the sea. Even Hercules had to slay this beast while embodied. The Masters and Holy Christ self and Maitreya are come to the well of Bethesda. This must happen while we still have the light. That is before the Dark Night of the Spirit begins.

When the backlash comes the test will be, *God first*, the adoration and exaltation of the flame within the heart, back to God, the entire spirit of the Great White Brotherhood. The test for some is as for Hypatia and Thomas More but we are taught the way of the 15<sup>th</sup> Rosary. Archangel Raphael teaches us to speak the truth into the lies and the propaganda (Aries 3<sup>rd</sup> decant) and the idealism of Capricorn's 3<sup>rd</sup> decant then be silent and go take up the cross of Maitreya and work the works of the ages to lay the foundation of the Aquarian age, God's way. The way of the Divine Union as the Banner of Light calling all the seed of Sanat Kumara, the 144,000 Home to America. To build the shelters in the heart of Maitreya, the Ark. Rev 11.19. And let God take care of the reprobate. We will be too busy to focus of their judgment. This is what it means to be in love. The earth earthy has no pull any longer.

The key to Revelations 18:4 is to renunciate in the sixth house all service that is not directly the will of God, that is not service to the Guru as He or She directs. We are called to renunciate emotional tyranny and their underlying *anger and hatred of God and Guru and her chelas*. Because this energy will now accelerate within all who have accommodated the path and the Guru relying on their dwellers to get what they want, thinking they are in control. These latter do not know or believe in the teachings, ignored for decades. Study Climb the Highest Mountain – Christ and Antichrist. Antichrist is on the rise (*Uranus in Taurus, the original lie, the Father of Lies, the proverbial FORKED TONGUE*) and (Uranus) is coming back to Gemini, arriving on April 26<sup>th</sup>, Sunday. This heralds the coming battle between Jesus and Satan, between Christ in YOU and Antichrist in the accommodators whose accumulations over the decades of their karma descending will now be multiplied by the seven bowls of God's wrath, in Gemini. Buddha of the Ruby Ray told us to *watch for the Antichrist and them, see insert booklet 2026*. Do daily the insert on the Antichrist, in the 2026 booklet. And watch, be Sanat Kumara's Watchmen on the walls, Maitreya's Warriors of the Spirit; *Guard the Community*. Understand Revelations chapter 13 and wait upon the Lord, Revelations chapter 17:14. The dawn of the New Day will be here shortly, 2032. All we have to do is endure in the meantime, remember what Saint Germain said?

The test will be, *not to doubt* that the armies of heaven will come; they are here and they are very busy. The test is whether or not you will join them and be as busy, about your Father's

work. To save a people, a Nation, a Planet. And remember the serpent eats his own tail, Rev 17:17. He will tear down all he has built these last 2000 years, even since Mu and Atlantis. He will tear down all he has built these last 236 years. Even *these last 29 years* for now is his Saturn (Maitreya's) Return to the re-org of the church and the nation in 1997.
